MEETING - June 24, 1970

As advertised, outgoing President Ray relinquished possession of the gavel to incoming President Art. Ray retired in a blaze of glory, though, assessing fines at a record pace - even fining the new President for a photo yet to appear in the papers. (President Art retaliated and Ray was fined shortly thereafter.)

All the members of the Club join me in expressing our thanks to Ray for the exceptional job he has done as president the past year - Truly a credit to Rotary!

After a brief summary of projects and events of the past twelve months, Ray passed the gavel to Art who presented him with a gift in appreciation of his service to the Club.

NEXT WEEK

Art has promised to reveal all Club Committee assignments next week and will outline Rotary plans for the coming year. All members are urged to attend this important meeting.

MISCELLANEOUS

All members at the last meeting generously contributed to a fund for the girls who wait on tables each week. They were most appreciative. Anyone not at last week's meeting may still contribute.

GOODWILL AMBASSADORS

6/9 Ron Trip, Frank Hugo, Bill Kilroy - Westbrook
6/16 Phil Clough - Westbrook
Frank Hugo - Damariscotta-Newcastle

NOTEWORTHY ITEMS:

Wednesday will be the changing of the guard. Ray's last meeting as President and Art's acceptance of the Gavel. The nicest thing we can do is to make it a 100% attendance meeting and do honor to two nice guys.

Ray, Art and Dick Kilroy were at Quebec attending the District Conference with their wives. They will report later.

Art has made his committee assignments and will pass them out at the meeting. All committees should organize and give President Art a report on what they will try to do this Rotary year. Make the report in triplicate and give Art two copies.

District Governor Ted Lewis has to have two copies attached to the President's Report when he visits us. A Club Assembly will be held soon when each committee chairman reports to the club on their objectives.

South Portland - Cape Elizabeth rated well at the Conference. Better than average attendance, very good Service Program and fine fellowship. We should all be proud of our club.

Bob Lamy is resigning as of June 30 due to stress of business. Bob is a charter member and with his store so close to the Christmas Tree Sale he made many contributions to this project. While not a 100%er, he kept up in the 90's most of the time. We shall miss Bob and hope he can come back when things ease up for him. He still wants us to use his store at the Tree Sale. Many thanks, Bob.

Our sympathy goes out to Dick and Betty Kennedy in the loss of Betty's father last week after a short illness.

SPECIAL NOTICE

The Directors voted to give everyone a chance to give the girls and cooks a token of our appreciation for their fine service to us during the past year. There will be an envelope at each place and we hope you will all put in \$1.00. They only have been getting about 15¢ on each meal ticket - enough said.

MEETING - June 10, 1970

We were treated to another fine motion picture - this time describing the development of the glass industry, starting with its primitive beginnings and progressing to its present level of refinement. Man has always been dependent upon glass, and his recent rapidly increasing demands have necessitated the use of automation to meet these demands. The varying uses of glass and glass products and the sophisticated machinery required for its manufacture were an interesting and informative topic for this film.

NEXT WEEK'S PROGRAM: To be announced.

GOODWILL AMBASSADORS:

5/29	Harold Fralich - Portland
6/2	Ralph Strachan, Ron Hall, Ed H. and E. L. Inness - Scarborough
6/3	Ralph Strachan - Lewiston-Auburn

MISCELLANEOUS:

Our apologies to Archie Livada and any others we overlooked in last week's bulletin expressing appreciation for helping with "setting-up" and "taking down" for the dance.

We are anxiously awaiting reports next week from our members who are attending the Rotary Conference this weekend in Quebec City.

We were all pleasantly surprised to see John Vose back with us last meeting. Just proves you can't keep a good man down!

THOUGHT FOR THE DAY:

The reason ideas die quickly in some heads is that they can't stand solitary confinement.

PROGRAM: Although it wasn't the program that he had intended, Dick Kennedy presented a very informative film prepared by the Humble Oil Co. concerning the recent oil discovery on the north slope of Alaska. The film described in detail the many problems confronting the interested oil companies in their ultimate attempt to move the oil to its markets. According to this report, super tankers will be used to carry the crude oil through the Northwest Passage to the east coast markets. If this method proves to be impractical because of the heavy ice conditions most of the year in that latitude, a cross country pipe line will be considered. In any event because of the tremendous supply of oil found in this region the United States should not have to be quite so dependent upon the foreign markets for its crude oil.

PROGRAM THIS WEEK: Not firmed up at this time.

DANCE: It's all over for this year except for the final talley. Again, Roger is to be congratulated and commended for his usual outstanding job in heading up this very ambitious affair. Tentative figures indicate a \$1,000 profit but whether or not this is a satisfactory amount is a point that will be debated when all facts are taken into consideration. There is no question that all in attendance enjoyed a very fine evening and had tickets been available for next year's dance the house probably could have been sold out!

To Warren, Keith, Sam, Roger's wife and all of the other people who sold the tables - many thanks from the club for your fine performance.

The following members are to be thanked for the use of their strong backs in setting up on Friday: Roger Sturtevant, Nick Pappas, Bud Barrett, Dick Jordan, Stan Saxby, Lloyd Knight, John Nadeau, Ray Frost, Dick Kennedy, Bill Lewis, Phil Tucker, Sam Giftos; and taking down on Saturday: Ray & Paul Frost, Warren Simpson and son, Dick Anderson, Bill Kilroy, Lloyd Knight, Dwight Pierce, Howard Williams. We are grateful to Frank Lyman for the use of his truck for transportation of some of the necessary equipment.

According to their note of appreciation, our senior citizen guests from Franklin Towers enjoyed the evening very much. Had all of the tables been sold out, we would not have had the pleasure of their company.

We are all wishing John Vose a speedy recovery. John was taken suddenly ill while hiking the Appalachian Trail and is now at Maine Medical Center.

PROGRAM: Something for the "duffers" or the "low handicappers" was the theme for our program this week. Portland Rotarian John Kronich presented a beautifully colored film on the 51st PGA match played at the NCR Country Club at Dayton, Ohio last year. Whether a golfer or not, it was great to see the pros in action and see how they recovered from the woods and other embarrassing situations in which we all find ourselves too often. After this film we should all knock at least two strokes from our game.

NEXT WEEK: Alex A. MacNichol, Assistant County Attorney for Cumberland County will review the function of this office and how it affects the citizens of the county. Bill Kilroy will have the privilege of introducing our guest speaker.

GOODWILL

AMBASSADORS: 5/12 Bill Kilroy, Dick Anderson - Westbrook
5/12 Ron Hall - Scarborough
5/15 Bill Lewis - Sanford
5/15 Frank Landrey, Al DiMatteo - Portland

The Rotary Club of Quebec are to be congratulated for the excellent job they are doing promoting our District Conference. All attending this conference should have a wonderful experience at the old Chateau.

FROM THE DESK OF PRES. RAY: While we had another big meeting (had to set up an extra table again) this message is especially for the few who were not there. Roger says we have sold very close to 114 tables and that leaves only 9 tables to be sold. Keep up the good work and keep selling. Roger has all the tickets that are available so let him know as soon as you sell any and he will see that you get the tickets to deliver. All money must be turned in by the next meeting. Selling the 9 tables will add \$550. to the profit.

The Directors voted to contribute \$100 to the Committee for the Maine Special Olympics for Retarded Children to be held May 22-23 with winners going to the finals in Chicago on August 13-15. They plan to send twenty entrants if the money is available.

The Directors approved the change of classification for Harold Fralich to Banking, Trust Officer.

HELP WANTED: Setting up the tables, etc., at the party must be done Friday, May 29 if we are to have a party. If you could not sell tickets NOW IS THE TIME to get into the act!! Roger needs 10 or 12 men to help do the job. It should not take over 2-3 hours and it will be a real contribution to the cause. Report as soon after 1:00 P.M. as possible. Then on Saturday we have to take the tables down, etc., and he will need help starting at 9:00 A.M. The taking down does not take as long. The more that report in, the quicker it gets done. Come to the meeting Wednesday ready to tell Roger when you can help. Thanks.

PROGRAM: William Roberson, Director of Public Information for the University of Maine, discussed a both timely and extremely controversial issue confronting the United States today - student dissension. Although no solution appears to be in sight as yet and the student protest movement is far from over, we here in Maine have been most fortunate thus far as there have been no serious violent demonstrations to date. Mr. Roberson touched briefly on the University Bond referendum which will soon be presented to the voters and expressed deep concern over public reaction and how it relates to the future of the University. The University, in order to provide the necessary facilities for the future, despite the protest movement by some, must have adequate funding to progress. It was obvious that the club members agreed that the situation is very serious as the discussion that followed the guest speaker's presentation was extremely stimulating with a large number of members expressing their personal concern.

NEXT WEEK: To be announced.

DANCE: The affair is starting to show a small profit over and above expenses. About 105 tables have been sold so far which is 14 more than reported last week. This leaves 17 tables to be sold and 17 tables means \$1162.50 that we need for a reasonable profit on the project. We still have almost two weeks in which to do it. Let's all concentrate and sell the place out. You can all get your tickets from Roger Sturtevant, Dennison's Pharmacy and Shoppers Hardware. You do not have to take a table. Every couple adds \$12.50 to the profit. LET'S ALL SELL TICKETS!

John Toft is home and coming along well--if all goes well he hopes to be at the Guy Lombardo Party. Our Fifty-first Member, Philip Clough, was introduced by Dick Kilroy. Phil is associated with Gorham Research and will be formally introduced at a future meeting. Congratulations to Art Kenniston for having reached the eight year mark with Rotary.

PROGRAM: Little doubt was left in our minds by Lloyd Bemis that we are definitely living in a "Dynamic New England". This section of the country abounds in resources of all types and in the fields of education, research,,, financial institutions and insurance, to name just a few, we are certainly considered to be leaders. According to our guest speaker Maine is in the enviable position to control our inevitable growth and at the same time profit by the mistakes made by other areas that have developed without prior thought and planning. We all agreed with Lloyd's final analysis that New England is still a good place in which to live.

NEXT WEEK: According to our program director - it should be a bell-ringer!

FROM THE DESK OF

PRESIDENT RAY: The GUY LOMBARDO PARTY is off and running. As of May 6, we have sold (but not collected for) 91 tables of five couples each, which is approximately 900 people. This almost covers our expenses. Turn all the money you can in Wednesday - the deadline is the 20th. All tickets not Paid for must be turned in or you will be accountable for them. Members with no tickets can sell and we guarantee you will receive tickets. This coming week is the big one! Each ticket sold and collected for is now all profit for the Community Fund. SELL.....SELL.....SELL....

John Toft who has been in the Mercy Hospital, is coming along fine and says he hopes to be home by the time you receive this Bulletin. Capt. Landrey brought back a banner from the Rotary Club of Barbados and presented it to the Club as did John Vose, who brought one from New Zealand the previous week. What a life you adventurers lead! Did you notice that two Past Presidents were going around last week with someone else's badges? Would that be grounds for a fine? President Ray must be going out like a lamb.

Our fiftieth member of the club was introduced by Bob Chambers. He is Steve Colby whose classification is Long-Term Leasing. We will hear more about Steve at a future meeting.

PROGRAM: Mr. Gene Coffen, General Manager, Maine Truck Owners Association enlightened the club members and guests regarding the Highway Trust Fund. This "dedicated" fund which originates from fuel, motor vehicle and other taxes secured from the users of roads and highways is, according to Mr. Coffen, now being considered to be incorporated with the general revenue fund. This means that the money could then be used for purposes other than the construction and maintenance of our highway system. The MTOA has taken a strong position to defend the Highway Trust Fund and opposes its use for any other purpose. A very lively discussion was generated by Mr. Coffen's remarks as some of the members expressed their opposing views of this very controversial issue.

NEXT WEEK: "Dynamic New England" will be the theme for a lecture to be delivered by Mr. Lloyd Bemis, North Falmouth, Mass. Mr. Bemis is known to be a forceful and entertaining speaker with a topic that promises to be absorbingly interesting and informative.

GUY LOMBARDO

DANCE: The big job now is to put the Guy Lombardo Dance over the top. Everyone should participate. Members who do not have tickets to sell (and there are 24 of you) will not be left out. Get busy and sell to your friends -- tell us how many tickets you need and we'll see that you get them. We still have four weeks to go after this meeting.

Sell yourself and then sell another couple -- they will help you sell the next couple and so on. If you get 6 or 8, we will hold the balance of the table for a week or so to give you an opportunity to complete the table with your own group. The regular ticket selling members will take care of the expenses, the rest of us will produce the profit -- it's as simple as that. Remember, you are selling the "Sweetest Music This Side of Heaven".

From the Directors Meeting 4/22/70 -- Voted: Honorary Membership to Past District Governor Franklin G. Hinckley for service rendered in the incorporating of our Club at no expense to us. Voted: To contribute from our service fund \$100. towards Veterans Memorial Chapel at Togus. The 779th District Rotary Clubs are working together to make a substantial gift.

It was nice to welcome Chet Soule back to the Club -- Come as often as you can, Chet! We also welcome Dwight Pierce, a new member of the club, who will be formally introduced at a future meeting.

PROGRAM: Our own Bill Lewis enthusiastically introduced his classification to the club - Imprint Advertising. We are all constantly exposed to this form of advertising through the display of calendars, signs, and other items intended as lasting remembrances. There are approximately 10,000 items of all types and each one is designed to fulfill a specific need. This type of advertising is classed as selective rather than non-selective as it is intended to reach a definite market. According to Bill, this is the sale of ideas tailored to fit your advertising requirements.

NEXT WEEK: Mr. Gene Coffen, Executive Director of the Maine Truck Owners Association will be our featured speaker for the evening. Mr. Coffen is a well-known personality and "story-teller" and has spoken before many service clubs and other organizations throughout the state.

NEW MEMBERS: Ed Theriault and Dan Mooers were formally introduced to the club although both have been members for several weeks. Ed is with Chaplin Cadillac-Olds and according to his introduction is especially well-known in state golfing circles. Dan Mooers is a practicing attorney in Portland and in addition to his legal work is about to serve on the staff of Governor Curtis. We are privileged to have you both as members of the club.

GUY LOMBARDO

DANCE: From Roger Sturtevant, "Sell Tickets". A progress report will be made week after next.

President Ray reminds all directors - Meeting this Week.

PROGRAM: Tom Mucci, agronomist, landscaper, humorist and local businessman brought us up-to-date on what we can expect in the foreseeable future both in the front and back yards of our estates. He suggested we think of plants and shrubs as people and in return they should treat us accordingly. With modern chemicals for food and insect deterrents it is possible to have a putting green lawn in everyone's back yard. He also suggested it might take a few backaches and callouses as well. I liked the idea of instant turf although a radioactive pellet buried in the ground also sounds intriguing and might solve more problems than we realize. It was very obvious that Tom is an expert in his field and was speaking with a great deal of experience. We will all look forward to a little greener thumb this year after such an informative presentation.

NEXT WEEK: A classification talk by Bill Lewis on his favorite subject, "Imprint Advertising". It sounds interesting Bill, whatever it is!

NEW MEMBERS: Dick Kilroy presented to the club our newest member, Peter Rich. Peter is an attorney practising in Portland and is classified as Law-Corporation. Welcome to the Club, Pete!

It was good to see our world traveler back from the "down under" part of the world looking tanned and especially well. We'll be looking forward to hearing about your adventures, John.

April 10, 1970

PROGRAM: We kicked off our first big money-making event of the year with Roger Sturtevant briefing the club members on the final details of the annual Guy Lombardo dance to be held at the Portland Exposition Building May 29, 1970. The tickets, selling at \$12.50 per couple, are the same price as last year although expenses have increased considerably, especially the fee now being charged by Guy Lombardo and his "Royal" Canadians! To break even 92 tables of five couples each must be sold. Everything over this minimum will be profit for the club. Tickets were distributed after the meeting and if the same enthusiasm persists, we should realize a handsome profit from the affair.

In addition to displaying his talent for master-minding the sale of tickets, Roger also revealed a talent for engineering and construction of an almost forgotten art. Time and space does not permit a comprehensive review of this classification talk, however, suffice to say we were all considerably enlightened as to what goes on behind the house.

NEXT WEEK: To be announced.

GOODWILL AMBASSADORS:

A welcome back to Phil Tucker after several months absence. Phil has rejoined the club with his new classification: Fabrics - Retail. Also a hearty welcome to a new member, Phil Dube, who was introduced by Archie Livada. Phil joins us with a classification of Travel Agency, and is associated with the Dube Travel Agency of Portland. Phil tells us he intends to make up his first meeting in Hawaii next week. Not a bad start for a new member!

PROGRAM: Seventy-nine Rotarians and Rotary-Anns attended one of the most successful Anniversary meetings in the eight years we have been organized. The refurbishing of the main room at Purpoodock had not been completed and we were all crowded into the smaller room but nothing could dampen the enthusiasm and high spirits of the group.

The 100% attendance members were presented to the Club with the usual problem that they are never all there. Four were absent - Dick Kilroy, Francis Landry, Stan Saxby and Ron Tripp. We know they will make up at some other club - they always do.

President Ray gave a brief summary of the accomplishments of the Club during its eight years. We have become a 300% Rotary Foundation Club - we have won five attendance contests and in one of the contests we had fifteen consecutive 100% meetings and set a new District record. Ours is a Service Club spelled with a capital "S" - our members have put in over 3500 hours selling Rotary Christmas trees and we have had Guy Lombardo and his band here for three consecutive years.

Our efforts during the eight years have enabled us to raise over \$12,000 for our Community Service Fund. We are sponsoring another Lombardo party on May 29th and it is going to take the cooperation of all the members to make it a real success. The budget for this is approximately \$5,500. And that means every member will have to participate if we are to put it over and make it pay.

The Portland Rotary Club Trio--Plus did an outstanding job with the entertainment, the trio were Howard Reiche, Alex Cote and Dr. Fred Jensen--the Plus was Maury Cox, Bass; our former member Mark Stinson, Tenor; and our own Lloyd and Ellen Knight. The way Howard, Alex and Fred jumped around from piano to organ to piano was something to see. They had the whole crowd with them and they loved it. They even had community singing and you never heard them do better.

Our Governor Elect, Theodore E. Lewin, made a strong appeal for the formation of Interact Clubs as a counter measure against the increasing tide of marijuana and drug problems in the High Schools. We have been trying for the past three years to form an Interact Club and this new approach may enable us to get a start. It is worth trying.

He also said the Quebec Club is going all out to make the Conclave on June 11-12-13 an outstanding affair. The Chateau Frontenac is a wonderful place to hold it and there will be entertainment for all who attend. The last time we held it there, we had six couples from our Club - maybe we can do even better this time.

NEXT WEEK: Important - will discuss the Guy Lombardo project.

PROGRAM: Frank Lyman (who needs no introduction) very adequately introduced our feature event for the evening which was a film entitled "Camille"--the Road Back. Camille, as she was known, is considered by most weather experts to be the worst storm of the century. As we can all recall and was so graphically illustrated in the film, this fierce storm struck the Gulf states coast line and forced its way inland causing severe damage to both people and property before blowing itself out over the eastern seaboard. With virtually all forms of transportation wiped out in the storm area, it was motor truck transportation that ultimately brought life saving food, water, clothing and other necessary materials into the area to the victims of the catastrophe. In addition to the film, John Toft was able to favor us with some very timely comments resulting from his first hand observation of the disaster fairly soon after its occurrence. The film pointed out the obvious necessity of a good highway transportation system.

The music was especially good this meeting with our club soloist accompanied by a most talented piano playing guest.

The slate of officers nominated by the nominating committee and approved to serve the club for the coming year is as follows:

President - Art Keniston
Vice-President - Lloyd Knight
Secretary - Ray Frost

Treasurer - Dick Jordan
Directors - Harold Fralich, Paul Chantal,
Al DiMatteo and Bill Lewis

50TH ANNIVERSARY: The Biddeford-Saco Club will celebrate its 50th Anniversary on Saturday, April 18th with a dinner at the Cascade Lodge, Route 1, Saco. Members of this club are invited. Tickets: \$10.00 per person.

GOODWILL AMBASSADORS:

3/12 & 3/19	Chet Soule, Winter Haven, Florida
3/17	John Vose, Christchurch
3/18	Howard Williams, Biddeford-Saco
3/20	Jim Doughty, Portland
3/24	John Madeau, Al Dimatteo & Dan Gacetta, Westbrook

Woman driver to policeman giving her a ticket: "Gosh, I didn't even realize that there were that many miles in an hour."

Parents to hippie son: "You're 30 years old, and it's time for us to protest!"

ON APRIL 1, 1970 - WE CELEBRATE OUR EIGHT YEARS AS A ROTARY CLUB!

Social Hour starts at 6:30

Dinner Promptly at 7:30

Adjourn before 10:00

When you offer something special such as a good roast beef dinner - a good musical program - a chance to meet our in-coming District Governor and his wife Florida - and all preceded with a pleasant social hour where our ladies can get to meet and know the other Rotaryans---you have no difficulty in selling your product--FRIENDLINESS.

Reservations have been received for about 70 and will no doubt exceed that when all have been contacted. Bud was able to come up with this fine showing with the cooperation you gave by knowing in advance of the last meeting if you would be present. Thanks a lot men. It saved a lot of telephoning.

PROGRAM:

PINE Community Action Program: We were privileged to learn of some of the goals and accomplishments of this beneficial program from its state director, Mr. Louis C. Sarelak. This program is sponsored by the U.S. Department of Labor's Concentrated Employment Program and is primarily concerned with our fellow citizens who have been unable to achieve a productive status in the community. In its efforts to fulfill its purpose, candidates are recruited from Model Cities and rural county areas and are given job training, counselling and guidance services which will eventually and hopefully lead to a permanent job. There are many serious problems in a venture such as this according to Mr. Sarelak, such as a lack of adequate facilities and money, a large turnover of recruits and a biased public and employers, to name just a few. However, as the program continues to gain in its achievements, so too will it gain in its acceptability as a necessary program for every community.

NEXT WEEK'S
PROGRAM

"Camille" - the Road Back. A film through the courtesy of Frank Lyman. The film title speaks for itself, and we are told it is most interesting.

Dick Yerxa scored well. \$10.00 worth of advertising for a buck. I didn't think he could remember so many names.

So what else is new: Well, there was the yachtsman who bought his amply designed girl friend a bikini in anticipation of seeing her beam with delight.

FROM THE DESK
OF PRESIDENT
RAY

Our 8th Anniversary Meeting on April 1st is all planned and should be an outstanding party. We would welcome any prospective members and their wives you may wish to invite or friends of yours you would like to have attend.

Our honored guest will be the in-coming District Governor Ted Lewin and his wife Florida. Ted will address the gathering on some Rotary subject. Also invited are the presidents of the Portland, Scarborough and Westbrook Clubs and their wives.

This is the meeting at which we do honor to our own Rotarians that have maintained a 100% attendance record and award any pin that may be due.

The menu will be one of our famous Roast Beef Dinners that you have been telling your wife about every so often, and it will be served promptly at 7:30. There will be a social hour starting at 6:30 and the Club has arranged to have a bar set up near the badge box for your convenience.

For entertainment the Trio from the Portland Club will put on a Piano - Organ Musicale. We promise you a treat.

Come prepared to make reservations with Bud Barrett Wednesday. We expect a good crowd and must know how many to plan for. We just cannot wait until the last minute. Meal tickets will be \$3.00 each and each member has been assessed \$1.50 to cover expenses - this means whether you come or not.

The Directors met and approved a budget of about \$1600.00 to cover external civic spending. They reviewed past budgets and considered all suggestions made by members to the committee and a list of the approved awards will be published shortly in this bulletin.

PROGRAM:

We had two fine speakers for our program last week. Mr. William D. Harris, Design Engineer for the State Highway Commission and Bernal Allen, City Manager of South Portland, both spoke. Both speakers urged the members to vote "Yes" on the 19.5 million dollar bond issue which will be voted on next Monday. This 19.5 million dollars represents the State's portion for new highway construction. The Federal Government's portion is 60 million dollars. If the 19.5 million dollar bond issue is defeated the State of Maine will lose the 60 million dollars in Federal funds. New highway construction in the State of Maine will be stopped completely if this bond issue does not pass. Mr. Allen pointed out that more than 25% of the total highway construction money will be spent for highways in the greater Portland area. Mr. Harris showed a number of interesting slides which gave us many facts about the highways, cost of constructing new highways, and the use of Maine's 21,309 miles of highways.

NEXT WEEK'S PROGRAM

Mr. Lewis C. Sarelas, Director of the Department of Labor's "Concentrated Employment Program" will be our speaker next week. This program is more commonly known as the Pinecap Program. Mr. Sarelas is a Portland native and a graduate of Portland High School. He lived in Washington, D.C. for 25 years. Most recently Mr. Sarelas has been active in the Model Cities Program in Lewiston.

NEW MEMBERS

Two new members were formally introduced to the Club at last week's meeting.

Harry Russell, whose classification is Oil Pipeline, is an Engineer for the Portland Pipeline Company. Harry lives in Cape Elizabeth.

Stan Saxby, whose classification is Insurance, Casualty, is an account executive for John C. Paige Co.

Welcome, gentlemen, to the Club. We feel we know you since both of you have been members for almost four months - our apologies for the delayed introduction.

Most people worry about two things -- one, that things may never get back to normal, and the other, that they already have!!!

PROGRAM:

This was one of the most interesting and enjoyable programs that our Club has had. Ed Mayo, President of the Kennebunkport Dump Association, is an excellent speaker. He had much very enjoyable humor in his talk, but still made his serious points which are: 1. That pollution in this country is a major problem today and that millions of dollars will have to be spent to correct this pollution problem. 2. That litter is the common everyday scene almost every place in the U. S.

The Kennebunkport Dump Association consists of 40 members. In the organization there are "39 Executive Vice Presidents and a President". The Kennebunkport Dump Association and its programs have received national publication. Ed described many of the organization's activities. The Kennebunkport Dump has become a national figure. One of Mr. Mayo's quotations is particularly appropriate - "We hope that a Country that lives by its obsolescence will not perish by it's own junk."

NEXT WEEK'S PROGRAM:

Mr. William D. Harris, Design Engineer for the State Highway Commission will be our next speaker. He will talk about the highway program in general, as well as the upcoming 19.5 million dollar bond issue to be voted on by the people on March 16th. Mr. Harris is a native of Maine, a graduate of the University of Maine, and was appointed Design Engineer for the Highway Commission in 1959. This should be a very interesting program.

PROGRAM: Mr. James Reid of Weston, Simonds, Payson Co., Inc. conducted a very interesting experiment using our Club as an advertising agency. The Club was divided into four groups. Each group then studied the development of a proposed advertising campaign for the Leisure Life Products, Inc. The purpose was how to best spend Leisure Life's \$5,000 advertising budget to promote their sale of 100 snowmobiles during the 1970-71 season. The four teams had varying ideas. A good discussion followed. Each Club member is now more of an advertising "expert" for having participated in this meeting.

NEXT WEEK'S

PROGRAM - James Reid of Weston, Simonds, Payson Co., Inc. will speak on "Advertising" (with audience participation.)

LAST WEEK'S PROGRAM was a sneaky classification talk by John Nadeau who announced that his new classification is "Swimming Pools" and then introduced Mr. John Shea, President of Swim World, Inc. of Pembroke, Massachusetts and a representative of the N. E. Chapter of Swimming Pools Institute. The Institute specializes in pool safety and new building techniques. 300,000 pools a year are being purchased with prices as low as \$200 but an average pool would probably cost \$3500. The film "A Pools Paradise" narrated by George Haines, coach of the USA Olympic Swimming Team, was shown. Since no member of the club currently owns a pool, John and Ron anticipate a quick sale of approximately 30 pools.

NEW MEMBER Dan Moores with the classification "Trial Lawyer" was introduced by Bill Kilroy.

LADIES NIGHT SPEAKER will be Incoming District Governor, Ted Lewin of Augusta. Entertainment by the Portland Rotary Club piano and organ trio, Fred Jensen, Alex Cote and Howard Reiche. Reserve your baby-sitter now and let's make Wednesday, April 1st a 100% meeting.

GOODWILL AMBASSADORS - John Toft, Allapattah, Florida 2/9/70
John Toft, Miami, Florida 2/11/70
Archie Livada, Scarborough 2/10/70
Warren Simpson, Scarborough 2/10/70
Howard Williams, Biddeford-Saco 2/11/70
Dan Gacetta, Westbrook 2/10/70
Chet Soule, Winter Haven, Florida 2/12/70

WOMEN OF ROTARY will hold a Dinner-Dance at the Stagecoach Inn, Portlander South, on Saturday evening, April 4th. Social Hour at 6:30 P.M. followed by a roast beef buffet. Al Reali and his orchestra will furnish music. Tickets are \$12.00 per couple and may be procured from Bill or Anne Kilroy. Ticket deadline is March 30th.

WEAR YOUR ROTARY EMBLEM - Thousands of Rotarians can tell a story of how their lapel emblem has opened the door to new friendships. The Rotary wheel transforms dreary hours in airport waiting rooms into lively exchanges of ideas on Rotary, vocations, and other topics. It brings Rotarians experiences they might never had - a visit to a diamond mine in Africa, to a great dam in India, or to legislative halls - all because other Rotarians spotted the emblem and said, "Come along". Every Rotarian should wear his lapel emblem proudly. Among Rotarians it is a badge of friendship; to others in our communities it is a symbol of service.
- Windjammer - Portland

R. I. PRESIDENT Jim Conway says in the current issue of The Rotarian - "When you find a want, supply it. When you see a defect, correct it. When you hear a call for help, answer it. Sharpen your reactions, instead of deliberating, debating or delaying your response. Do it now."

QUOTABLE QUOTE - Years wrinkle the skin, but lack of enthusiasm wrinkles the soul.

PROGRAM:

Stan Milton from Radio Station W.C.S.H. brought to us the film "The Greatest Secret". This film narrated by Earl Nightingale was thought provoking. The subject of the film dealt with the power of each individual's thoughts as they effected that individual's life. The film very interestingly brought out the truth that we, as individuals, are and become what we think. This was a very stimulating program.

NEXT WEEK'S PROGRAM

Mr. John Shea, President of Swim World, Inc. of Pembroke, Massachusetts will be our speaker. The title of his speech will be "America's Number Two Sport". Swim World, Inc, is the distributor for Trojan Swimming Pools in the New England States.

BOARD OF DIRECTORS MEETING

The following items from the February 4th Board of Directors Meeting:

It was voted to go ahead with the Guy Lombardo dance. The date of the dance is Friday, May 29th. Tickets will be available for Club members on April 1st, so each of us will have 60 days for our selling campaign. The budget for this project is approximately \$5,800. This project is going to require participation of every member of the club if we are to make the profit which should be raised for our Community Fund.

The eighth anniversary party and Ladies Night will be held Wednesday night, April 1st. A fine dinner and good musical entertainment is planned for this affair. Each member is encouraged to bring with him as a guest any prospective member of our club. More details on this affair will be distributed as they become available. Each member is expected to attend this affair and is responsible for two tickets whether he attends or not.

PROGRAM

Chief Charles Duggins, Head of the Survival School at the Brunswick Naval Air Base - a 17 year Navy man - spoke on the subject "Winter Survival". Chief Duggins stated that the single most important factor if you are lost in the woods is your own mental attitude. A positive mental attitude will aid the lost person in finding his way out. The important things to have are: 1. The knowledge of how to build a fire in the woods under any conditions, and 2. The right basic equipment. The right equipment includes flint, steel and cotton for fire, a good compass, a good knife, a pair of bear-paw snowshoes, a map, warm clothing, 20' to 30' of nylon line and several high energy chocolate bars. Never leave on a trip into open country unless someone knows approximately where you are going and approximately when you will return.

NEXT WEEK'S PROGRAM

Mr. "Stan" Milton, from Radio Station W.C.S.H., will present the film "The Greatest Secret". This film is narrated by Earl Nightingale. Every businessman should see this film.

The best way to double your money is to fold it in the middle and put it back in your pocket.

Our thanks to Dr. Fred Jensen, visiting Rotarian from the Portland Club, for his fine piano playing.

"Honey", he called to his wife, "do you have an old rag?"
"Why yes, dear," she replied sweetly, "but I'm wearing it."

PROGRAM:

Robert Monks, President of Atlantic World Ports, spoke on the subject "Where Is Oil In Maine". Mr. Monks, who was born near Machiasport, would like to see Atlantic Richfield build a clean refinery in Machiasport. (The difference in cost between a clean refinery and a dirty one is only 15%.) This refinery would handle Alaskan oil and would have a capacity of 100 to 300,000 barrels. This would make Machiasport tenth largest in size in the World. Many satellite industries would be created which would greatly improve the economy of Washington County. This program was certainly very timely and interesting. Mr. Monks answered many questions following his speech.

NEXT WEEK'S
PROGRAM:

A very interesting program is planned for next week.

Chief Charles Duggins of the Survival School at the Brunswick Naval Air Base will be our guest speaker. "Chuck" will speak on winter survival and what to do when that snowmobile breaks down in "No Man's Land".

CONGRATULATIONS! A 90% attendance record last month is an excellent record. Let's keep up this good attendance during this coming month.

EMERSON SAID

To laugh often and much; to win respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty and to find the best in others; to leave the world a little better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded.

DID YOU KNOW -

As of December 8th, there were 14,003 Rotary Clubs and approximately 660,500 Rotarians in 148 countries and geographical regions. Since July, 1969, 155 new Clubs were organized in 38 countries.

CONVENTIONS:

1970 International Convention will be held at Atlanta, Georgia, May 31st through June 4th. Certainly our Club will have someone attending this convention.

PROGRAM: Tappan Banerjee, Coordinator Marine Biology and Oceanography for the Southern Maine Vocational Technical Institute, was our speaker. His topic was "Food of the Sea". Mr. Banerjee received his Bachelors Degree from the University of Calcutta and his Master's Degree from the College of the Pacific. He is presently teaching at the SMVTI under a Federal Grant. The speaker gave us some very interesting facts about the food that comes from the sea. 72% of the earth's surface is covered by water. The world production of food taken from the sea in 1968 was 114 billion pounds. Even with this huge amount today we are not collecting near as much food from the sea as is potentially there. One of the hopes of supplying food to countries that now have a deficiency will be a better utilization of acquiring food from the sea.

NEXT WEEK'S PROGRAM: Robert Monks of Atlantic World Ports will be our speaker. His subject: "Oil and Maine". This speaker, on such a timely subject should be an outstanding program.

DIRECTORS' MEETING: There will be a Directors' Meeting which will be held immediately after the regular Club Meeting is adjourned.

AIN'T IT THE TRUTH: The anatomy of any association or club includes four kinds of bones:

1. Wish Bones, who want someone else to do the work.
2. Jaw Bones, who talk a lot, but do little else.
3. Knuckle Bones, who knock everything others try to do, and
4. Back Bones, who get behind the wheel and do the work!!!!

JANUARY 21, 1970

PROGRAM:

Don Morin, head of the "All Weather Flight School" gave us a very informative talk about the various steps of training that are followed when an individual learns to fly. The three classes of licenses that training in Mr. Morin's school prepares the individual for are: 1. Private License; 2. Commercial License and 3. Instrument License. To obtain a Private License a student must: 1. Pass a medical examination; 2. Have a given number of hours of flying instruction, 3. Pass a written examination, and 4. Pass a flying examination. Don told us that the students in his school cover a wide age range. His youngest student is 17 and his oldest student is 72.

NEXT WEEK'S

PROGRAM: ???

ATTENDANCE
CONTEST:

The attendance contest that was to be held with Scarborough has been cancelled. Apparently the Scarborough Club didn't know anything about this contest. The fact that the Contest is not going to be held, does not mean that we shouldn't all still try to maintain perfect attendance during the next ten weeks.

LADIES
NIGHT:

The date and plans for our next Ladies Night are to be announced in the very near future.

THANK YOU:

We thank Dr. Fred Jensen, a visiting Rotarian from the Portland Club, who did such an excellent job as our piano player at last week's meeting.

NEW MEMBERS:

Have you proposed a new member for our club within the past 3 months? President Ray again repeats the call for new members. If our club is going to achieve its membership goal in 1970, each individual member must give the club help in locating new members to fill our "many" open classifications!

TODAY'S
HUMOR:

There were three men discussing their land holdings in Texas.
The first man said, "Oh yes, I own 600,000 acres in the Panhandle.
I call it the North Forty."
The second man said, "I've got about 500,000 acres of range land on
the Pecos. I call it the Barbecue Pit."

He turned to the third man and said, "You own any Texas real estate?"
"Oh, a little," said the third man, "I own 640 acres." "What do you call it?" asked No. 2. He answered, "I don't call it anything, but some people refer to it as 'Downtown Dallas'".

PROGRAM - Cape Elizabeth High School Principal Ralph Richards gave a brief resume of past accomplishments of the old high school which he had directed for 12 years. The new ultra modern high school will furnish all the tools for a revolution in future education. Team teaching will be emphasized with special efforts in the elementary grades. A swimming director will head a new pool for the benefit of all students and residents of Cape Elizabeth. After a brief shakedown it is hoped that all teachers will adapt to the new changes. Some pupils hope that football will soon be introduced.

NEXT WEEK'S PROGRAM - Don Morin of the "All Weather Flight School" will speak on "Aviation".

THE GUY LOMBARDO PROGRAM - Chairman Roger Sturdivant announced that the band will be available Saturday, May 30, for a new price - \$4,000. The State of Maine will celebrate the holiday, Monday, May 25.

ATTENDANCE CONTEST - The Whiz Kids thank all losers for the tasty dinner served last week. Our club attendance was 91.67% in the last quarter, placing us 8th in the District. Scarborough was 4th! Our work will be cut out for us in this contest.

ROTARY INFORMATION MEETING - Sponsors of all recent new members should meet with them and the chairman after the meeting January 14.

CHRISTMAS TREE SALES -

Total Sales were	\$5,165.00
Cost of Goods	3,125.00
Supplies, lights, etc.	60.00

Net Profit about - \$1800.00

BIRTHDAYS - Art Kenniston - 24th
Frank Lyman - 31st

ANNIVERSARIES -
Warren and Velma Simpson 16th

TODAY'S HUMOR -

One drunk to another - The W. C. T. U. lady says drinking is a slow death.

The response shot back - "I'm in no hurry."

PROGRAM - The ageless and irrepressible Betty Gribben accompanied by Ruthie Feinberg entertained 20 Senior Citizens at South Portland Rotary's Annual Christmas Party. It was difficult to say whether members or guests enjoyed the performance the most. Lloyd Knight's appearance capped the evening. Some of our middle-aged members might have expected Portland's Mark Stimson to emerge.

NEXT WEEK'S PROGRAM - To be announced.

ATTENDANCE CONTEST - Was won by Ed Inness's Whiz Kids with 100% attendance.

Lyman	Anderson	Kennedy
Pappas	Fralich	Hugo
Lewis	Livada	Hall

All will partake of their free meal, courtesy of a 50¢ assessment on all other club members. John Vose will be in New Zealand, but I am sure our members will keep his meal in deep freeze until his return.

Next week marks the start of an 8 week attendance contest with Scarborough.

Let's uphold our New Year's Resolutions as Rotarians and improve our attendance. I'm sure we would dislike being "fined" by the Scarborough Prexy.

6 Months (25 weeks) Attendance Record - Club Average 90%

100%	Barrett, Dennison, Frost, Hall, Inness, E. H., Keniston, Kennedy, R. Kilroy Knight, Landrey, Lyman, Simpson, Sturtevant, Tripp, Vose
96%	Strachan (1 miss)
92%	Pappas (2 misses)
88%	Foden, Giftos, Lamy (3 misses)
84%	Anderson, Chambers, Chantal, DiMattio, Doughty, W. Kilroy, Nadeau, Williams (4 misses)
80%	Gacetta, Inness, E.L., Jordan, Wainwright, Yerxa (5 misses)
76%	Fralich (6 misses)
64%	Hugo, Wilson (9 misses)
60%	Young (10 misses)

New Members: Lewis 100% - 17 meetings
Russell, Saxby 100% - 3 meetings
Livada 75% - 8 meetings

Vern Wilson and John Vose have asked for and been granted Past Service status.

Art Keniston (who put in an enormous number of hours) reports that it looks as if we cleared about \$1800.00 on the Christmas tree sale. Considering the obstacles we had to overcome, this was an excellent showing.

Ted Wainwright rates a vote of thanks from the Club for the work he and his own gang did in clearing up the Park after Christmas and in moving the Shack and storing it until next winter.

Now that the Holidays are out of the way Pres. Ray wants some real action in getting new members. We have had a lot of members who had to drop out for good reasons. All did so with regrets and hope to come back when their problems are solved. We have a good active club and one that anyone could find challenging. Will you all help by submitting names to the committee.

TODAY'S HUMOR - I spotted a Hippie on the Sunset Strip last week who was wearing only one shoe, "Lose a Shoe?" I asked. "Nope" replied the Long Hair, "But I found one." Don Adams in Parade.

PROGRAM - Dick Kilroy narrated and projected slides of his trip to Europe. He was cordially welcomed by Rotary Clubs there and listened to their mother tongues at their respective meetings. His anecdotes were edifying and amusing. In Vaduz, Leichenstein, the speaker had been an AFS student who showed slides on the United States. Dick noticed one difference - there is no singing at the Rotary meetings in Europe. Dick's slides were well organized and sharp. His wife Mary's were rather fuzzy.

NEXT WEEK'S PROGRAM - Our annual Christmas Party for senior citizen shutins of Greater Portland. We will have 21 for dinner and entertainment hosted by Capt. Lloyd.

CHRISTMAS TREE SALES - Chairman Art Keniston says they are gratifying. By mid-week we should be at the break-even point. 100 more trees are due on Tuesday, our thanks to the Portland Rotary for publicizing our sale in their Dec. 12 bulletin. Let us also note that Dec. 18 is Rotary Day at the Salvation Army Drum in front of P.M. & B., in downtown Portland. Stop by and contribute from 11 - 4.

With regret we accept the resignation of member Danny Patt and hope that at some future date he can rejoin us.

GOODWILL AMBASSADORS -

12/3	Newt Pratt	Union City, California
12/4	Chet Soule	Winter Haven, Florida
12/5	Al DiMatteo	
	Frank Hugo	Portland
12/8	John Vose	Brunswick
12/9	Dick Kilroy	Westbrook

In response to some member's comments on their make-ups at Scarborough -

FINE HOW DO YOU DO And we mean "fine". For once, one of the accused managed to put down the President and presiding officer before paying the assessment levied for the usual nonsense. President Bob sallied forth to meet a challenge from brother Bob Collins and before the cheering group, removed his coat and prostrated himself on the floor as justification for the fine. One editorial comment--not a few members have voiced displeasure at the size and frequency of fines and some have even chosen, of late, to visit other nearby clubs in preference to attending their own just because of fines. Good fun and reason are appreciated. We trust both will prevail.

TODAY'S HUMOR -

The little girl walked into her mother's bedroom at 3 o'clock in the morning. "Tell me a story, mommy," she whimpered. "For heaven's sake, it's 3 o'clock in the morning," cried the sleepy mother. "Tell me a story," demanded the tot. "Look" suggested the mother, "Why don't you wait until 4 o'clock when your father comes home and he'll tell us Both a story!"

PROGRAM - Our own Dick Kilroy will present us with a dissertation on his trip to Europe.

LAST WEEK'S PROGRAM - Archie Livada gave a classification talk on Mutual Funds and variable annuities. We learned that Mutual Funds provide diversification, liquidity and professional management. Archie assured us that insurance companies are not abdicating their responsibilities by selling variable insurance policies. They are selling variable annuities whereby the income is tied to the level of inflation and the stock market.

CHRISTMAS TREE SALES - Two traffic accidents prevented the trees from arriving as scheduled. After two false alarms they arrived on Sunday, December 7. Many harried phone calls by President Ray produced a dozen volunteers to unload, sort, and price the trees. Out of chaos emerged only mild confusion. Don't forget no one has signed up for Saturday (6-9) selling.

GOODWILL AMBASSADORS

TODAY'S HUMOR

Picture two young tots in the bathroom - the brother all lathered up with the razor in limbo - telling sister, "Let's play pregnant. I'll shave and you'll throw up."

PROGRAM - To be announced.

LAST WEEK'S PROGRAM - Dr. Philip Anderson, a prominent Portland dentist, as well as Production Manager of the Portland Symphony, showed stirring slides of the most famous historical landmarks of Russia. Many were governmental edifices; others were non-operating churches and monasteries. He explained that the Russian population was friendly but guarded - 5% of the population belonged to the communist party and everybody was a potential informer.

MEMBERSHIP - Harry Russell has been suggested to fill the classification of "Oil Pipe Line, Engineering".

Stan Saxby has been suggested to fill the classification of "Insurance, Casualty".

Membership proposals have been approved by all committees for the following classifications:

Insurance - Accident and Health
Excavating - Contractor
Security and Investigation
Education - Auto Mechanics

With regrets we have received the resignation of two members - Lloyd Pike and Dick Maguire - for personal reasons. We wish them well and hope their problems are resolved and await their reinstatement.

A NEW ATTENDANCE CHALLENGE - By Scarborough Rotary - 8 weeks contest - with the 9th week set aside for collection of the FREE dinner by the winners. Many of our Scarborough friends were with us this past meeting, so our acceptance should be well-known.

CHRISTMAS TREE SALES - Dick Yerxa says the house has been painted, but remains unlettered.

ROTARIANS SHOULD KNOW that Sam Giftos' committee is open for suggestions for prospective money. In this fashion our budget can be arranged for next year.

TODAY'S HUMOR -

"A man who has two wives of course
Is always called a bigamist;
But when he has some three or four
We guess he is a Pigamist."

PROGRAM - The speaker will be Dr. Philip Anderson whose topic will be "Fascinating and Terrifying Russia". He will speak and show slides from his recent visit.

LAST WEEK'S PROGRAM - Mr. Hamilton showed a very interesting film on opening schools after hours to the community. This experiment started in Flint, Michigan under the sponsorship of Charles Mott, a retired General Motors executive. The children and people of the community did not have any center or community meeting ground to pursue their interests after school hours - and the schools, owned by the people, were used only a fraction of the time. Yet here were swimming pools and gyms needed for recreation to get the community together. Experiment worked in Flint, why not here - are our facilities open enough?

This topic was publicized in a recent issue of the Readers Digest.

GOODWILL AMBASSADORS -

11/4/69	Scarborough	Dick Anderson

11/6/69	Lewiston-Auburn	Capt. Landry
11/10/69	Brunswick	Al DiMatteo

PRESIDENT RAY FROST - requests a meeting of all Directors at his house Tuesday Night at 7:30.

ROTARY TODAY - As of October 6 there were 13,939 Rotary Clubs and an estimated 658,250 Rotarians in 147 countries and geographical regions. New clubs organized since July 1, 1969 total 90 in 27 countries.

CHRISTMAS TREE SALES

Chairman Art Kenniston requests that all schedules be turned in.

We have received our 300% flag which will be on display.

Two inebriates were discussing giving up drinking.

Said one - They tell me drinking is a slow death!
Came back the retort - I'm in no hurry!

PROGRAM - The speaker will be George L. Hamilton - the Superintendant of Recreation in Portland. He will speak and show films on the "Public Use of School After School Hours".

LAST WEEK'S PROGRAM - The speaker was Frank Emery of the Maine Ski Council (and a Westbrook Rotarian). From the first rope tow at Bridgton in 1947, he brought us up to date in the ski areas. The Maine Ski Council has prospected mountains; has been influential in lobbying several ski equipment protection bills; has sponsored many competitions, learn to ski classes and classes for competition officials. He added that the profit of ski areas was directly proportional to the number of hamburgs and house lots sold.

ATTENDANCE CONTEST -

Whiz Kids	100%	Loose Ends	5 misses

GOODWILL AMBASSADORS:

10/ 8/69	Westbrook	-	Lloyd Knight, Bill Kilroy, Jim Maguire
10/ 6/69	Harrisonburg, Virginia	-	Ray Frost
10/29/69	Scarborough	-	Lloyd Pike
10/29/69	Biddeford-Saco	-	John Toft
10/31/69	Portland	-	Frank Lyman, Ralph Strachan, Bob Chambers

INTERNATIONAL FOUNDATION WEEK - October 9 - 15. The Directors have made us a 300% Club by sending a check for this amount to Evanston Headquarters.

ROTARY FOUNDATION AT WORK - Miss Michaud, from the Mont-Joli Club, left this week for Spain - for her year of study - with her foundation grant, Katherine Jelly has been accepted for the 1970-71 year, sponsored by the Waterville Club.

READ THIS NOW! From the Rotary Pioneer - Scarborough Rotary Club - We Quote "President Bob mentioned that the District Governor's Attendance report for the month of October placed Scarborough second in the District just below Rangeley. At the same time, it was noted that the S.P./C.E. Club was enjoying a place among the bottom ten - an attendance contest with that club was suggested for a nine week period with the losing club buying the dinners for the winner at a joint meeting. Any takers at South Portland?"

COME PREPARED TO SIGN UP for duty during the Christmas Tree Sale - Art will have the schedules ready so you can signify which periods will be most agreeable to you. Art wants each one to sign for three periods and all who can come on weekends - we never had too many for the weekends.

WE TALKED ABOUT MEMBERSHIP prospects - did you pick up one of the yellow cards last week? If not get one this week - you must know someone whom you think would make a good Rotarian - President Ray promised Governor Dan a net increase of fourteen. So far we are - 1 from the point we started from. We can't let Ray and Gov. Dan down - Please try - it will help others.

TODAY'S HUMOR - A little boy repeatedly told his teacher his mother was expecting a baby brother. After a lapse, teacher inquired of baby brother. The little boy said Mother showed him where the baby's head and feet were - hence since Mother swallowed the baby, there would be no new brother.

The President wishes to remind all members to do their duty to the club.

PROGRAM - OOPS! that 5th week caught us totally unprepared, but fear not, Chairman KEITH will have a program ready.

LAST WEEK'S PROGRAM: TED WAINWRIGHT entertained us with moving pictures in color of his trip to Alaska and northern Quebec. Most of us have never seen fishing like this and it seemed a shame to throw back such good catches.

ATTENDANCE CONTEST: The first two weeks are now complete and following are the results:

BUD BARRETT'S WET SOCKS	100%
ED INNESS'S WHIZ KIDS	100%
KEITH DENNISON'S LOOSE ENDS	2 misses
ART KENISTON'S NIT WITS	5 misses

There is still time to make up last week's meeting for those who were not present.

SERVICE TO OTHERS: DICK ANDERSON reported that our contribution to the club in India was gratefully received. Incidentally if you have not kicked in your buck, please see SEC. BOB.

GOODWILL AMBASSADORS:

9/30/69 at New Haven, Conn.	Al DiMatteo
10/7/69 at Peabody, Mass.	Al DiMatteo
10/8/69 at Biddeford	Dan Gacetta
10/10/69 at Amsterdam	Dick Kilroy
10/14/69 at Scarborough	Dick Anderson
10/15/69 at London, England	Dick Kilroy
10/15/69 at Union City, Calif.	Newt Pratt
10/16/69 at Laconia, N. H.	Bill Sheriff
10/16/69 at Worcester, Mass.	Ray Frost
10/16/69 at Niles, Calif.	Newt Pratt
10/17/69 at Portland	John Toft and Harold Fralich
10/21/69 at Concord, N. H.	Bill Sheriff
10/21/69 at Westbrook	Blaine Raymond and Jim Maguire
10/21/69 at Scarborough	Bud Barrett, Frank Lyman, Don Young, Ted Wainwright and Roger Sturtevant

Well done fellows! As you well know, half the fun of being a Rotarian is in making up at different clubs.

BANNERS - FRANK LYMAN brought back a banner from Alameda, Calif. and PRES. RAY also brought one from Harrisonburg, Virginia.

SICK CALL - JIM DOUGHTY has returned to work part time and we hope will soon be back at meetings. VERN WILSON has been feeling under the weather with an ulcerated tooth, but is now recovering.

THE ROTARIAN for November has just been delivered, and it looks like another interesting issue. If you don't know what PMVI means it will be found on page 35 in an interesting article on automobile inspections.

NOW SMILE * "I heard a new story the other day. I wonder if I've told it to you. "Is it funny?" - "Yes" - "You haven't told it to me."

PROGRAM - Our own TED WAINWRIGHT will show movies of some of his fishing trips to northern Quebec. We know these will be well worth seeing as we have seen some of his earlier pictures on this subject.

LAST WEEK'S PROGRAM - A welcome change was our visit to the Boys Training Center. We were served a fine roast beef dinner in one of the new cottages. It was nice to visit with Ralph Kilgore again. Ralph introduced Lee Carter who is one of three case workers at the Center. Lee did a fine job of explaining the functions of the Center and some of the problems they have with the boys.

ATTENDANCE CONTEST: The WET SOX and the WHIZ KIDS are 100% for the first week. There is some doubt of the other two teams as all make-up cards may not be in yet.

GOODWILL AMBASSADORS:

9/25/69 at Providence, Rhode Island:	Bill Lewis
10/1/69 at Biddeford:	Howard Williams
10/2/69 at Niles, California:	Newt Pratt
10/2/69 at Kennebunk:	Lloyd Knight
10/3/69 at Biddeford:	John Toft
10/7/69 at Alameda, California:	Frank Lyman
10/10/69 at Portland:	Frank Landrey, John Nadeau, Ron Tripp, Jim Maguire
10/14/69 at Westbrook:	John Vose

WELCOME TO ACHILLES LIVADA, new member introduced by SAM GIFTOS. Achilles will be formally introduced next week. His classification is Mutual Funds, doing business as Livada Securities Co., at 562 Congress Street and makes his home at 84 Stonybrook Road, Cape Elizabeth.

PRES. RAY has returned from two weeks vacation in Virginia and reports that he has made up at Harrisonburg, Virginia and Worcester, Massachusetts.

SICK CALL: JIM DOUGHTY is progressing well and is able to get out some now.

THUMB-NAIL SKETCH:

Our newest member is DANNY PATT who lives at 34 Castine Street, in Portland. Danny was born in Providence, Rhode Island on May 12, 1912 and is the father of 5 boys and 1 girl, ranging in age from 15 to 31. Danny plays the piano at the Bridgway Restaurant in South Portland and would love to have you drop by and see him. We certainly appreciate his talents in Rotary.

SMILE TIME:

A first grade teacher had been giving her class some elementary instructions in first aid and she asked the class "What would you do if your friend swallowed a door key?" After a few moments of silence one little boy spoke up "I would go in a window".

PROGRAM - We have been invited to meet at the Boys Training Center in South Portland. A roast beef dinner will be served, followed by a tour of the facilities under the guidance of former Rotarian Ralph Kilgore. Ralph is also a member of the South Portland City Council and has charge of the education program at the Boys Training Center. Please be at the parking lot by 6:00.

LAST WEEK'S PROGRAM - V. P. ART presided in the absence of PRES. RAY. STEVE COLBY was introduced by BOB CHAMBERS and gave a very enlightening talk on the Auto and Truck Leasing industry. Almost any item of any value can be leased nowadays and cost of owning or leasing must be weighed against the amount of usage and the convenience. A rule of thumb would seem to be that if you drive 15,000 miles or more you would be better off to lease rather than own. Steve was a very talented speaker and certainly knew his subject.

PROPOSAL FOR MEMBERSHIP - now being considered, if, ten days after receipt of this "Two Lights" no objections have been filed in writing with the Secretary, this candidate will be qualified for the next step in Rotary:

NAME: Robert Nigro
CLASSIFICATION: Education - College
ADDRESS: 113 Bonnybrier Rd., So. Portland
BUSINESS ADDRESS: St. Francis College
SPONSOR: Ron Tripp

ATTENDANCE CONTEST: Teams were lined up as listed below and the Contest started October 8 for 10 weeks. The winning team will get a free dinner the first meeting in January at the expense of the lowest team. In case of a tie the judges ruling will be final. SO - MAKE UP * MAKE UP.

PROGRAM - Mr. Steve Colby, Lease Manager of Wolfe Plan Leasing will talk about the Auto and Fleet Leasing industry. Steve is a South Portland native and is the father of 4 year old twin boys. This is an opportunity to learn about a fast growing business.

LAST WEEK'S PROGRAM - Dr. Heber Cleveland, President of the State Drug Abuse Council gave an interesting account of the efforts of this Council to acquaint the public of the efforts of the various drugs which seem to be more and more plentiful and easy to obtain.

Quite a lively discussion was held on what could and what should be done about this problem.

ATTENDANCE - PRESIDENT RAY reported that last month our Club climbed from 37th place to 27th. This is an improvement but not much to crow about. Farmington went from 48th place to 1st place last month. Perhaps we can do as well during the contest which will be in progress during the next 10 weeks.

Hopefully the Attendance Committee will have the teams lined up for this week's meeting.

INTERNATIONAL GOODWILL - We have an opportunity to extend a helping hand to the Rotary Club of Madurai, India. DICK ANDERSON read a letter from this club which told of their project of digging two wells for the use of a hospital during an extreme drought in this country. They expended \$4,000 and are appealing to this District for assistance. It was voted to send them \$50 out of our treasury and to defray this expense by each member contributing \$1; if you were not present, please give your \$1 to Secretary Bob at the next meeting.

PAPAL AUDIENCE - Did you see the picture of the BILL KILROY family in last Wednesdays Evening paper with Pope Paul?

SICK CALL - All patients doing well. DICK KENNEDY is getting out some now, and JIM DOUGHTY came home from the hospital today and would appreciate a card or telephone call.

GOODWILL AMBASSADORS:

9/23/69 at Westbrook:	Bill Kilroy, Vern Wilson, Dick Yerxa, Lloyd Pike John Nadeau, Frank Landrey
9/23/69 at Scarborough:	Keith Dennison, Bud Barrett, Dick Yerxa, Ron Hall
9/24/69 at Biddeford:	Ralph Strachan
9/26/69 at Portland:	Art Keniston
9/30/69 at Westbrook:	Jim Maguire

THE ROTARIAN - Don't miss this month's articles on water polution and the pictures are terrific. Also read about the project undertaken by the Rotary Club of Sterling Heights, Michigan and the tremendous job they did.

PROPOSAL FOR MEMBERSHIP to fill the classification of "Education - College" has been received. If any member has any objection to, or desires to present proposals for this classification he should do so in writing to the Secretary within the next ten days.

LEFT OVER from WARREN'S Bulletin of last week: "Did you hear about the duck that flew upside down?" He quacked up!

PROGRAM: Heber Cleveland, D.O., Chairman - State Drug Abuse Council will speak on the activities and procedures to be followed by the recently organized council.

LAST WEEK'S SPEAKER: Robert Masterton, Vice President of Maine Savings Bank and General Chairman of the Greater Portland United Fund Campaign, gave a down-to-earth talk on "A Business Man Looks at the United Fund." 95% of all money raised goes back into the community. Everyone of the 120,000 people in Greater Portland is touched in some way by some of the 43 participating agencies. Bob gave statistics showing how many people in South Portland and Cape Elizabeth benefited from the United Fund. St. Elizabeth's Day Care Center is a new agency this year.

CIRCLE THIS DATE NOW: On Wednesday evening, October 15th, our regular meeting will be held at the Boys Training Center. A roast beef dinner will be served followed by a tour of the facilities under the guidance of former member, Ralph Kilgore. A count will be taken this week in order to give the Center a supper guarantee.

SICK CALL: Jim Doughty has undergone an operation at Maine Medical Center. No visitors at present, but a card sent to Pavilion 372 I'm sure will be appreciated.

Dick Kennedy has returned to 86 Kaler Road, South Portland and can see visitors or give him a call at 799-5843.

VISITING ROTARIANS: Visiting Rotarians last week were Torbern Anderson, Jack Atwood, George Brinley and Ed Godfrey from Portland.

GOODWILL AMBASSADORS: Blaine Raymond and Warren Simpson, Scarborough.

ONE YEAR OLDER: Lloyd Knight, October 5th; Warren Simpson, October 10th; Bob Foden, October 13th;; and Paul Chantel, October 17th.

HAPPY ANNIVERSARY: Bob and Carol Ann Chambers, October 8th; John and Marian Toft, October 20th; and Bob and Myrtle Lamy, October 29th.

ON THE HIGH SEAS: We have received a very artistic card from the Chief Purser of the S.S. United States, stating that Dick Kilroy attended a meeting aboard ship on September 16th. Dick was our first president and hasn't missed a meeting since our club was organized.

SPEAKING OF ATTENDANCE - WHAT HAPPENED! We had our smallest attendance last week for quite some time, 21 members, 4 visitors and the speaker totaling 26. We have to guarantee 30 suppers so it costs the club money when you don't attend.

CLUB GROWTH: Internationally, 540 new clubs have been formed in the past year bringing the total to a splendid 13,874 organizations dedicated to SERVICE ABOVE SELF.

However, club growth in the United States averaged less than one-third new member per club. With an average dropout rate of 10% each year, recruitment of new members is an important function. District 779 showed a 3% increase last year.

Our membership is now down to 46 and Ray would appreciate getting it back up to 50.

PROGRAM - Robert Masterton will bring us up to date on the plans that the Greater Portland United Fund has this year for continuing old programs, and adding new ones. Many of our members are very active in this worthwhile endeavor and we should have a good turnout to show our support for it.

LAST WEEK'S PROGRAM - President RAY conducted a "fine" meeting on Club functions and programs. SAM GIFTOS reported on the various charities which we support and if you have a special interest in some worthy project, submit its name in writing to Sam and it will be considered along with all the rest. DICK ANDERSON reported that we will be having some AFS students as our guests this winter and we will be looking forward to that. If you would like to have one of the young people in "Experiment in International Living" as a guest in your home please let Dick know so he can make the necessary arrangements.

ART KENISTON has ordered Xmas trees and there was quite a bit of discussion regarding pricing, etc. Art will be looking for a lot of help on this worthwhile project.

Your Editor reported that an Attendance Contest would be lined up for ten weeks during October and November. This contest will be only among our own members this year.

And finally PAUL CHANTEL learned how Pres. RAY conducts such "fine" programs. And a good time was had by all!

RESIGNED - We are sorry to learn of the transfer of MARSHALL STEWART to Mass. Best of luck in your new location. Also sorry to have PHIL TUCKER's resignation. Phil has closed his business but we hope to have him back again sometime.

CONVALESCING - DICK KENNEDY is at home now and by the time you receive this bulletin he should be ready to receive visitors.

GOODWILL AMBASSADORS:

8/22/69	at Warsaw, Ind.	- John Vose
9/5/69	at Portland	- Frank Landrey
9/10/69	at Biddeford	- Ralph Strachan
9/12/69	at Portland	- Frank Landrey
9/15/69	at Westbrook	- Bill Lewis
9/15/69	at Livermore Falls	- Ted Wainwright

FROM AFRICA - PRES. RAY received a letter today from David Aikman, who you all remember as our guest in "Experiment in International Living". David has graduated from college and is in Africa on a program similar to our Peace Corps. He is a civil engineer and is working on water problems in Kenya. He sends regards to all and would like to hear from some of us. His address is, Box 267, Menru, Kenya.

FROM THE CAMDEN SEA BREEZE - All of which makes us think of the judge who faced a jury and angrily demanded, "What possible excuse can you give for acquitting this man?" The foreman replied, "Insanity, your honor." The judge cried, "All twelve of you?"

PROGRAM - President Ray will hold his first Club Assembly this evening, and everyone should plan to be present as programs and plans for this year will be thoroughly discussed. It is meetings such as these which make our Club more than just a dinner club, and only by being present and participating can we fulfill our potential in the community.

LAST WEEK'S PROGRAM - 1968 WORLD SERIES - RAINED OUT
It finally happened, the dread of every program chairman - the projector bulb burned out. However Chairman Ron rose to the occasion and delivered a lengthy harangue and with the help of JOHN NADEAU and KEITH DENNISON the Club was well entertained.

SICK LIST - Just talked with DICK KENNEDY and he reports that he has just turned the corner for the better and is on the road to recovery, however he will still be at Mercy Hospital for another week and would appreciate a card from the members.

WELCOME - To new member DANNY PATT. Formally a member of the Sarasota, Florida Rotary Club, Danny will be a welcome addition to this Club, especially during the singing as Danny's classification is Piano Teacher.

GOODWILL AMBASSADORS:

9/2/69 at Scarborough - Frank Lyman
9/4/69 at Kennebunk - Newt Pratt
9/8/69 at Rumford - Ted Wainwright
9/9/69 at Westbrook - Roger Sturtevant
9/9/69 at Lisbon - Bill Sheriff

TRAVELERS - President RAY read a card received from BILL KILROY from France. Bill is doing his make-ups at the Follies. Also leaving this week for a holiday in England is brother DICK KILROY.

LEST WE FORGET:

The Rotary 4 Way Test:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

ROTARY DECALS - Have you traded cars recently? SECRETARY BOB has a supply of Decals for your windshield which he will gladly give you.

QUOTABLE QUOTES: (From The Crow's Nest, Bath)

Be tolerant with a person who disagrees with you. After all, he has a right to his ridiculous opinions!

Woman would be more charming if one could fall into her arms without falling into her hands!

PROGRAM: Just to get everyone in the mood for the very exciting playoffs that are soon coming up in the major leagues, we will have this week the film of the 1968 World Series, which as everyone remembers was a classic.

LAST WEEK'S PROGRAM: Al Cummings, President of the Maine Bureau of Investigation, gave a very revealing account of the extent some people will go to pilfer from business. An average of 4% of retail sales is lost through pilferage and employee dishonesty, 60% of the problem being internal. Maine is fortunate that most of the pilferage done locally is by the amateur rather than the professional thief, which is the exact opposite of most other communities.

SICK CALL - DICK KENNEDY is recovering from surgery and would appreciate a card. He is in room 416 at the Mercy Hospital. LOYAL DICK'S first words in the recovery room were "Tomorrow is Rotary".

MEMBERSHIP DEVELOPMENT COMMITTEE: Will meet tonight at 7:45. Please plan to attend if you are on this committee.

BOARD OF DIRECTORS: Congratulations to BOB FODEN on being elected to fill the unexpired term of NEWT PRATT as Director of Club Service.

PROPOSAL FOR MEMBERSHIP: To fill the following classifications has been received:

MUNICIPAL GOVERNMENT
PIANO TEACHER

If any member has any objection to, or desires to present proposals for this classification, such objection or proposal must be received in writing by the Secretary within the next ten days.

GOODWILL AMBASSADORS: 8/26/69 At Scarborough, Blaine Raymond
8/29/69 At Portland, John Vose, Dick Anderson, Dick Yerxa

PRESIDENT RAY'S MESSAGE: There will be a Club Assembly this month on the 17th and we should make every effort to have as near 100% of our members present as possible. This is your opportunity to help form the activities and programs for the balance of the Rotary year. Be present and express your views - it will help build a better club.

AUDITING COMMITTEE: Was appointed by President Ray last week to check the finances. This committee is SAM GIFTOS, BOB CHAMBERS and DICK JORDAN.

FRINGE BENEFITS: Now we know why DICK ANDERSON has been absent the past few weeks - He has been busy raising that fringe, and SAM, I think he has you beat.

PROGRAM:

Alexander Cummings, President of the Maine Bureau of Investigation will be our guest. He will relate some of the hair raising (I can use some of that) adventures that can come one's way when he is out Detecting. Al is a very exciting and entertaining speaker, and if there is one program that you won't want to miss, this is it.

LAST WEEK:

DON YOUNG is to be congratulated on bringing us one of the most interesting programs we have had this year. Paul Chamberlain and his assistant Roland Lavallee of Hannaford Bros. meat department demonstrated the process of dissecting a hind quarter of beef. The meat department accounts for 25% of a super-markets sales and beef accounts for 40% of the meat sales. In 1968 the average consumption of beef was 105 lbs. per person. KEITH DENNISON won the raffle steaks. - Sorry DICK KILROY you had to leave early as your name was drawn first by our own HONEST ROGER STURTEVANT.

ATTENDANCE:

A one year perfect attendance pin was awarded to BOB CHAMBERS. (See President's letter for further comments on attendance.)

WELCOME:

To new member BILL LEWIS. Bill's classification is Advertising Novelties, and he will be formally introduced next week.

MAKE-UPS:

- 8/18/69 - Al DiMatteo at West Springfield, Massachusetts
- 8/19/69 - Lloyd Knight and Ted Wainwright at Scarborough
- 8/22/69 - Ralph Strachan at Lewiston
- 8/22/69 - Newt Pratt, Dick Jordan and Al DiMatteo at Portland
- 8/26/69 - Howard Williams at Westbrook

PRESIDENT RAY'S MESSAGE:

We had an excellent meeting when Governor Dan made his Visitation with Anne Marie. It was tops for a good time and good fellowship.

Our speakers have been above average these past two months and club attendance has been good - better than average - BUT make-ups and total attendance is down - not the traditional average one expects of S.P.-C.E.

At my installation I promised not to make attendance my main objective and I have not said much about it at the meetings - the members present are not the delinquent ones - it's the members who do not come and do not make up that are holding us back. Make-ups are a chance to increase your friendships outside of your own club and keep your attendance up in the 80 - 85% group where we belong. Enough said - your turn to act.

RESIGNED:

We are sorry to learn that NEWT PRATT is being transferred to San Francisco. Newt will be with us every third week for a while yet. Best of luck in your new location Newt.

DIRECTORS MEETING: Will be held tonight. A new director will be elected to replace Newt Pratt.

CLUB ASSEMBLY: Will be held this month on Sept. 17th. Would like as near 100% as possible to attend this important meeting.

August 25, 1969

LAST WEEK:

"On land, on the sea, and in the air" (either from the Marine Hymn, or Superman's slogan). This seemed to describe the products of Frank Hugo's Bliss Company: Submarine hardware, Aerospace equipment, Turbines, Nozzles, Jet engines, Afterburners, Silencers for airplanes, etc., etc.

Frank's Company, employing 600 people in Maine, has the most modern machine shop in the state.

Even those strange new buildings at the site of the old "Port-of-Maine" airport are a part of Bliss Company. This is the Rockwell division, testing firefighting equipment.

THIS WEEK:

Paul Chamberlain, meat merchandiser from Hannaford Brothers, will be here to give us a few pointers.

MAKE-UPS:

Portland - Frank Landrey
Westbrook - Roger Sturtevant, Bill Kilroy, Dick Yerxa
Saint John, N.B. - Roger Sturtevant

QUOTABLE QUOTES:

If you're calm and collected when everyone else is losing his head, maybe you just don't understand the situation.

From "Through the Porthole" (Newburyport, Massachusetts):

A wise man never plants more garden than his wife can hoe.

FROM GOVERNOR "DAN" TO PRESIDENT RAY:

We want you to know what a pleasant time we had at your Club today. Your 47 members appeared to me to be about 100, including the ladies of all Rotarians, and a number of visitors. The spirit of your Club and fellowship that was so evident shows that you have an excellent group, and with your determination to get two new members a month you can not be but successful. After all you do have nearly 40,000 population to choose from, and from your survey with an active Membership Recruiting Committee, you can not miss. You will have to constantly keep after the committee and the members but the reward to the Club will be well worth the effort - keep after them.

Your successful project of 3 years by having Guy Lombardo's Orchestra shows your Club thinks big. Go out and sell more tickets - the more tickets - the more profit.

I know that with your experience at organizing, you will be successful and leave the Club much stronger at the end of your year.

Anne Marie and I appreciate the fine souvenir you offered us and we will be looking forward to a good group from South Portland-Cape Elizabeth at our conference at the Chateau Frontenac in Quebec - June 11-12-13, 1970.

Yours in Rotary - Dan McCaughey, Governor

FROM ANNE MARIE MCCAUGHEY TO DOT FROST:

(the last part) It was a pleasure meeting everybody before the friendly dinner, it made a perfect day. I usually send a note to all the ladies who signed my book, but no one put down their address. So will you please give them my best wishes and we hope to meet them again at the Convention in June at Quebec.

GOVERNOR DAN WILL BE THE GUEST OF HONOR at a Clam Bake put on by the Portland Rotary Club, September 4, at Mackworth Island - The Baxter School. This is on a Thursday evening. Social Hour at 5:30 - BYOL - Set ups available - Dinner at 6:30 - including 2 lobsters - Price \$5.50 per person. Our members are invited - but you have to make reservations at Portland Rotary Office - 773-7157.

DISTRICT GOVERNOR'S VISITATION:

August 13 was an evening to remember! The ladies certainly enjoyed the meal and seeing what goes on every Wednesday. Carolyn's seafood newburg, ham, turkey, string beans "almondine", etc., etc., were well worth the five bucks....

All this with entertainment!

Our thanks to Ellen Knight and S. Allan Howes (at the piano) and that other guy, whoever he was.

The District Governor asked that we aim for a 20% increase in membership. Strong membership makes for a strong club. The Governor mentioned a dozen ways (ie, charge \$5.00 for each birthday) to increase funds.... we think our president Ray's method is "fine".

Remember our Guy Lombardo Dance? The District Governor used to dance to his music for 5¢ per dance.... (I only danced once, how about a \$14.95 credit?)

The District Governor finished up by saying "Review and renew and let's grow".

THIS WEEK:

Frank Hugo will be giving a classification talk.

NEXT WEEK:

Some of the boys from Hannaford Brothers will give a demonstration on meat cutting.

MAKE-UPS:

At Portland - John Vose and James Doughty
At Ellsworth - Frank Lyman

FROM "LE FIAMBEAU":

Pour le Rotarien en voyage, L'ANNUAIRE OFFICIEL peut signifier credit d'assiduité à la place d'absence à une réunion de Club. C'est un guide pratique pour les membres projetant d'assister à des réunions Rotariennes au cours de leurs déplacements; il donne les noms, jours, heures et lieux de réunions des Rotary Clubs du monde entier avec une liste partielle d'Hôtels dont les propriétaires ou gérants sont Rotariens, ou qui sont le siège de réunions de Rotary Clubs.

LAST WEEK: Chet Jordan gave us exactly what we expected ... a very well-done talk on the vessel (I prefer that term) service from Portland to Nova Scotia.

Chet is to be congratulated on both his talk and his personal part he played in getting this business to our waterfront.

Perhaps South Portland Rotary can sell some space in the Bulletin for a dollar a week to help promote its Business!

THIS MONTH'S DILLY:

Modeling can be a very rewarding career;
A good model can make \$50.00 an hour, and a bad one can make much more.

MAKE UPS:

At Bristol, Connecticut - Al DiMatteo
At Lewiston - Ralph Strachan
At Westbrook - Dick Kilroy and Dick Anderson
At Stratford, Ontario - Jim Doughty
At Marion, Ohio - Harold Fralich
At Scarborough - Dick Kennedy, Blaine Raymond, Phil Tucker

NEXT WEEK: Frank Hugo will be giving a classification talk.

The Governor's visitation looks like a fine party. We expect to have over 60 present and that adds up to a good time. Seven members are out of the state on vacations, four are coming alone so we will have an excellent turn-out. There are three members who are not sure and if they will let Bud Barret know just as soon as possible it will help him keep Carolyn's informed. They will plan on a few extra in case we have visiting rotarians.

The City Managers of South Portland and Cape Elizabeth, Bernal Allen and Allen Marks, will be present with their wives.

SPECIAL NOTICE: President Ray says "No fines this Wednesday".

CONGRATULATIONS - Make-ups are coming in good. Keep up the good work. We can get out of 42nd place up where South Portland-Cape Elizabeth belongs.

LAST WEEK:

Boy! That was as good as Russ Myers' "Vicki" at Cinema City (rated "M" for Mature audience).

Ortho Company, as Marshall Stewart told us, is a 30 year old company which is a division of J and J Company.

After we were able to calm Roger Sturtevant, Marsh gave us the history of Birth Control, the established methods and possible methods of the future.

The highlight of the talk was Marsh's description of Margaret Sanger driving camels across the desert 2000 years ago!

THIS WEEK:

Speaking of a tough speaker to follow Chet Jordan will be here to talk on the proposed Ferry Service to Yarmouth, N. S. We know Chet's talk will certainly be as interesting as Marsh's, but he will have a problem equaling those French displays!

MAKE-UPS:

At Biddeford-Saco - Ralph Strachan, Howard Williams
At Westbrook - Bill Kilroy, Frank Landrey
At Portland - Don Young, Frank Landrey

JUSTICE?

Bob Foden was fined \$1.00 merely for mentioning that the Maine Mall is located behind Foden's Executive House. We all know Bob doesn't fool around!

NOTICE:

Dues are due from 6 members.

FIRST AND FOREMOST

Remember to talk to your Mrs. about the party at Carolyn's for our District Governor and his wife on his visitation to our Club August 13th - Bud Barrett and his committee must know at this week's meeting just how many are coming so he can tell Carolyn's how many to plan for. It's a guaranteed good time for all and only \$10.00 a couple. You don't want to miss this party.

ABOVE ALL - If you cannot possibly go - MAKE UP 6 days before or 6 days afterwards. We want to make it a 100% meeting without fail.

We Just Received Word from Sanford that they are ready to entertain us with an outing -- August 20 -- Warren will give out with the details at the meeting - you can go early and play golf - later horse-shoes and swim - or still later just for a steak dinner and the meeting with some entertainment thrown in. More details later.

Two weeks ago we sponsored a track meet for the boys and girls of the area at the S.P.H.S. grounds. They were attended and we took care of all expenses.

July 30, 1969

LAST WEEK - Bernal Allen presented to us all the facts and figures on the need for a first class post office in the City of South Portland to serve both South Portland and Cape Elizabeth.

Bernal's case was very well presented in letter form to Peter N. Kyros in Washington, pointing out the growth of the two communities, the industry needs, and the needs of the new Maine Mall.

Bernal stated that it is "unthinkable" that a city the size of South Portland (35,000 population) does not have a 1st class post office. He also pointed out that South Portland's manufacturing went from 27 million dollars in 1963 to 92 million in 1968, reflecting the growth of the community.

THIS WEEK - Marshall Stewart will be defending his position in the Drug Distributing field. Let's hope we have plenty of time for interrogation.

IT'S OFFICIAL - S.P.-C.E. attendance for June - we rose from 21st in the district to 9th (from the bottom) or putting it another way we dropped to 42nd out of 51 clubs. We just are not making the effort to attend our meeting - or make up if we miss. Remember four misses in a row and you automatically take yourself out of the Club - that we don't want! At that we did not make the worst record - Rangeley was 1st in May and 45th in June. We do not want to try to beat that. Your attendance helps the others to attend.

DISTRICT GOVERNOR'S VISITATION - August 13th is the day and Bud Barrett's Committee will soon be checking with you. Plans are coming along nicely and a good time is assured everyone. We have three objectives; (1) To get a 100% meeting - if you can't be there make up within 6 days before or after and we can do it. (2) To give the McCaugheys a party they will remember. (3) Show President Ray we are with him on his first special occasion.

CAROLYN'S BUFFET - SERVED PROMPTLY AT 7:00
Seafood Newburg on Rice or Patty Shell
Sliced Baked Ham - Sliced Turkey or Chicken Salad
String Beans Almondine
Green Salad with Poppy Seed Dressing
Molded Fruit Salad
Rolls - Relishes - Coffee - Mints
Make your own Banana Split

We have only one or two functions a year that we can invite the ladies and we have never had a Governor's visitation that was not a success. The ladies have always enjoyed both dinner at Carolyns and the chance to get together with the others and participate in a Rotary meeting. Gov. Dan will be the only speaker and the meeting should be over about 9:00 P.M. Ron Tripp will open a refreshment table at 6:15 if you wish to purchase a cocktail.

Remember the tickets are only \$5.00 each so tell your good wife the idea so you can be ready to give the committee an affirmative answer when you are approached.

Membership proposals are coming in and being processed promptly - have you one to propose? Ask the Secretary for a proposal card. Already in the works - Insurance Casualty, Men's Clothing, Oil Pipe Line Operation, Insurance Underwriting, and Advertising Novelties.

Our sympathies go out to Frank Lyman who lost his mother last week.

LAST WEEK:

A man's eternal quest for the new and unknown has led him to the highest mountains and the deepest ocean trenches, the most impenetrable jungles, and the most forbidding deserts.

This past week, we all viewed America's bold flight that will be "one giant leap for mankind."

However, as Albert Thayer, professor of Speech at Bowdoin, pointed out, we have not solved a major problem as old as mankind...men's ability to communicate with fellow men. Professor Thayer stressed the need for round-table discussions and the ability to state causes we believe in. He noted that key decisions are made, nowadays, in small groups, rather than large audiences.

NEXT WEEK:

Marshall Steward will be talking on Drug Distribution (July 30th).

THIS WEEK:

South Portland's (and our beloved) Bernal Allen will talk (not speak, according to Albert Thayer) on a new Post Office branch for South Portland.

We hope he will also bring us up-to-date on the new Maine Mall (directly behind Foden's).

MAKEUPS:

From Westbrook	Howard Williams
From Portland	Frank Lyman and Ralph Strachan

Plans for the visitation of District Governor Dan have been completed for Aug. 13th. Chairman Bud Barrett and his committee have done a good job. Carolyn's will serve a buffet dinner which will cost us \$3.75 per plate, plus tax and gratuity, about \$4.50. We will charge \$5.00 which will leave .50 per ticket to cover the expenses of the Governor and Mrs. McCaughey and take care of the flowers.

We will have to make a guarantee to Carolyn's on the 8th so Bud and his committee will contact each member before the Aug. 6th meeting. The older members will remember what good times we had in the past when we had the ladies at the Governors visitations. The ladies always looked forward to them and we always had a good attendance. All we need to complete the picture is YOU and HER presence at the party. Let's help Pres. Ray with a good turnout. How near can we come to a 100% meeting. Next week's Bulletin will have the menu.

A word to Committee Chairmen: Remember your report is due Aug. 1st in triplicate.

To the members: Thanks for the cooperation, more of you are attending the meetings or making up. Attendance is better.

JULY 16, 1969

LAST WEEK - Lew Colby has come a long way since the days of Hannibal Crossing... TV, South Portland-Cape Elizabeth Rotary, judging beauty queens at the Kennebunkport dump!

Lew's talk was in two parts. Part I was a dozen or so excellent jokes. The one about the cow was particularly outstanding ... it was udder - ly humorous.

Part II, in a more serious vein, brought us up-to-date on the Portland Art Festival. We learned that this is the largest festival of its kind in the country. The value of paintings sold last year was over \$25,000. The object of the festival is to involve the city in art. Last year there were 343 artists, \$5,000 in prize money, and 25,000 people viewing the exhibits. Lew left us with one important thought (combined from parts I and II)...weather you paint with oil or water, when you sling it, be sure it sticks.

THIS WEEK - Albert Thayer, Professor of English Dept., Division of Speech, Bowdoin College.

Topic: "A New Speech for a New Society"

NEXT WEEK - Bernal Allen will be on hand to discuss a new Post Office for South Portland.

CLASSIFICATION - Lloyd Knight's classification has been changed from Additional Active to Active - Television. Maybe Lloyd can be on the stage soon!

Ed Inness has notified us that the following classifications are still open:

RyoKans
Solicitor Service
Zoroastrianism

MAKE-UPS - From Westbrook: Jim Maguire, Dick Kilroy, Frank Lyman

ATTENDANCE - Big Richard Kilroy was awarded his 7 year pin "posthumously"....better check that last word.

Former secretary Ray Frost reported that the attendance report to the Governor was less than 75% for the month of June. This was the poorest showing South Portland-Cape Elizabeth has ever made!! Please try to make up if you miss your meeting.

Plans for Governor Dan's visitation were discussed and are now in the hands of the House-Fellowship Committee, Bud Barrett, Chairman. You will hear from him soon.

Each committee must turn in a report (in 3-parts) of their plans and objectives for the year. These should be in the hands of the President by August 1st. Each committee chairman should organize his committee at once, or you will not be ready to give your report when the Governor comes, August 13th.

LAST WEEK

Who was Wendall L. Trembly? He is head of the Natural Resources Council of the State of Maine. What is the NRC? Wendall represents a special interest group, non-profit, dealing with the orderly development of the natural resources of the state. At present they are focusing their attention on the coast of Maine, namely the "wetland" and oil pollution problem.

There was a saying in the old days "to pour oil on the troubled waves", which meant to lull, to soothe. Could it be that John Toft never heard this saying?

MAKEUPS

At Westbrook: Dan Gacetta, Dick Jordan, Dick Kilroy, Ed McElman

STOLEN FROM BATH BULLETIN

If the safety pin had been invented today instead of long ago, it would have six moving parts, two transistors and require a serviceman!

LEGISLATION

Who said there "ain't any St. Nick"? Our club voted 100% to honor Christmas as we have in years past. There will be no meeting on December 24th! We will also honor, the following week, that other great saint, Father Time.

Word has just come that our District Governor Dan V. McCaughey will make his official visitation on August 13th. President Ray has made a temporary reservation to hold Carolyn's for the occasion.

At the Waterville Conference Governor Dan agreed to our having the type of visitation we used to have. The Club Assembly at 4:00 P.M. with all committee chairmen, directors, officers and all other members who would like to attend present.

The regular Club Meeting would start at 7:00 P.M. with our ladies present and Governor Dan will bring his good wife. These meetings in the past have been very happy and instructive. Governor Dan will be the only speaker and will have a fine Rotary message for all of us.

The Fellowship Hour will start at 6:15 P.M. with dinner promptly at 7:00. Start now to make your plans - engage that baby-sitter way ahead.

It will be necessary to have a Directors Meeting following the meeting this week to take care of the detail of the Visitation. Please plan so that all Directors, Officers and anyone else interested will be present.

PROGRAM - Mr. Wendall L. Trembaly, Coastal Consultant of Natural Resources from Augusta will speak on conservation.

LAST WEEK - When it was evening he (President Ed) sat at the Table with his disciples. And as they were eating, he said thanks to everyone from Arah to Zechariah for helping to make his year a success. When he had finished all these sayings he said one on you will betray me...(It was later disclosed that we are going to lose 67% of our Bob and Lloyd team. Bob Jennings is moving to the big city of New York seeking bigger and better things. We will miss him and wish him lots of luck in his new undertaking.) Following Ed's last supper, the new slate of officers was introduced.

Without enlarging further, we are positive that President Ed aided in the developing of the members of Rotary this past year. And at the off-set, we are sure that we will find our new President Ray Frost to be a type to duplicate and reproduce the present fellowship and lead us through an excellent year.

PRESIDENT'S MESSAGE - President Ray wants all committees to organize and be ready to report at a club assembly early in August.

Vern Wilson is confined to his home by illness.

"Not all of us are expected to maintain 100% attendance records year after year. We are all busy men, and of course, subject to the demands upon our time that business naturally makes. Rotary's attendance rules are not based on a desire to make attendance an end in itself. They are predicated on the knowledge that the attendance habit can be formed just as easily as the habit of non-attendance, and that only the Rotarian who attends meetings can give the most to, or get the most from, Rotary."
