This Week's Meeting - June 25, 1975

LEN KNIGHT PRESENTS: LEE CHACE with a Classification Talk.

LAST WEEK: KIPPY RICHARDSON, a former Lt. Governor of Kiwanis gave us a pictorial view of the last Olympics in Munich, Germany.

PRESIDENT DAN gave the Pledge of Allegiance; LLOYD KNIGHT led us with America the Beautiful; a special invocation was given by DAN MOOERS; and DICK PYNE led us in song. DICK HOLDEN introduced our fellow Rotarians and Guests.

BILL YORK told us about a Bake Sale in Naples on June 21; Yachts and Boats at the Portland Yacht Club on June 21 in a different city; Salt Water Race and Bike Race in Brunswick and Boothbay Harbor on June 22 and The Sound of Music playing at Bowdoin June 20 to July 5.

Cape Elizabeth Scholarships were awarded to Teresa Dulac (Medical-Dental) and Richard Anderson (SMVTI). Did you know that the winner of the scholarship would have been Dianne KOURAKOS if it could have been awarded to the daughter of a Rotarian. BILL's answer was typically Rotarian. The recipients of our scholarships will be with us at our July 3 meeting.

ED THERIAULT was clipped a buck for a picture; AL BOUDREAU had to double the clipping for \$2.00 as he was with a pretty woman and DAN MOOERS paid \$2.00 for all the four-three-two-one and no-hitters his son has made.

The Toast was made to GEORGE DUNN, our Rotarian of the Week, our bulletin Editor. YE ED knows a lot about this guy - good and bad, but let's just have the good. A Rotarian with over 11 years of perfect attendance; GEORGE has been a District Chairman of District #625 Convention; a bulletin Editor; a Classification Chairman; Fellowship Chairman; Interact Chairman; Rotaract Chairman - this he has done in Lewiston-Auburn, Northampton, Mass., Tomah, Wisconsin and Rockland, Maine. He received a grand-daughter on his and Charlene's 25th wedding anniversary last December and married off his son Steven to a beautiful Sudbury, Mass. gal named Linda. His wife Charlene is the owner of Beltone Hearing Aids Company of Maine and GEORGE works as Asst. Treasurer of Casco Bay Lines with the Classification of Transportation-Ferry. YE ED tried to be objective, but that's the way it goes.

A fine report of the fellowship of the International Convention was given by visiting Rotarian CHARLIE FOX from Springfield, Ohio. We also exchanged flags with CHARLIE.

- July 10 - Happy Anniversary BEA and JOHN SEEKINS.
- July 14 - Happy Birthday KEITH DENNISON
- July 21 - Happy Birthday AL BOUDREAU
- July 22 - Happy Anniversary CLAUDETTE and PHIL DUBE
- July 25 - Happy Birthday DICK PYNE
- July 28 - Happy Anniversary SUZANNE and FRANK WOODARD
- July 29 - Happy Birthday BOB CARSON

"Wouldn't it be nice to be as sure of anything the way some poeple are of everything?"

MAKE-UPS make for better attendance records for our club: DICK YERXA (Lewiston-Auburn 6/12); BUD PLAISTED, FRANK HUGO, RALPH KILGORE (Portland 6/13); RALPH KILGORE BUD PLAISTED (Westbrook 6/10); NICK PAPPAS (Scarborough 6/10); BOB NIGRO (Biddeford-Saco 6/11).

WIFE TO TV REPAIRMAN AT THE DOOR: "It's OK now, we had put on each other's glasses by mistake."

JUNE 18, 1975

PROGRAM: LEN KNIGHT will have for us a Program you will NOT FORGET.

QUESTION OF THE WEEK: 52 weeks in each Rotary year. Last week it was asked, why pick on me for the songs most of the time; a review of the bulletins proved this point.

WE WELCOME BACK BILL LEWIS, former member, tree coordinator and Ice/water follies, who use to be our Vice-President.

BILL KILROY HAD his pin in his other pants pocket and his money on the dresser. BILL YORK was jolly, jolly in laughter and DAN MOOERS and LLOYD had a deal together.

WARREN SIMPSON announced for the LIONS CLUB: July 4th Dance and Entertainment at the Maine Mall from 8:00 P.M. to Midnite - \$15.00 per couple - See NICK PAPPAS for tickets. SUPPORT our fellow Service Clubs as they support ours.

BOB CARSON advises us that 17 bodies will attend the District Conference representing South Portland - Cape Elizabeth.

THE ROSTER will be reprinted and if you have any changes in your phone numbers and the REMARK OF THE WEEK - which YE ED takes the Fifth on - then get them to SECRETARY RAY A.S.A.P.

YES - That's right, LLOYD KNIGHT led us in song - R O T A R Y and another song, YE ED thinks it was a new one, about a TEDDY BEAR.

SCARBOROUGH ROTARY will have a Ladies' Night, June 17, 1975 at \$6.00 per person and festivities will begin at 6:00 P.M. for the Social Hour.

LEN KNIGHT introduced DON KING SR., who gave us the low-down on Willowbrook at Newfield; It was amazing to YE ED that he was born on Willowbrook Farm but in Ithaca, New York and not in Maine.

If you wanta get really stoned, drink wet cement.

MAKE-UPS: DICK YERXA (Biddeford-Saco 6/4); NICK PAPPAS, TED WAINWRIGHT (Scarborough 6/3); BUD PLAISTED, LEROY CHACE, CARROLL BECK (Westbrook 6/3); ED GAW (Bath 6/10); LEE CHACE, DON STEWART, DON TURNER (Portland 6/6).

It takes just as much energy to wish as it does to make plans.

REMARK OF THE WEEK: The lawyer who says he never lost a case, either forgets easily or has never tried a case. Guess who that came from????

OUR DISTRICT ATTENDANCE STANDING was 17th with a percentage of 86.02; Scarborough was in 5th place with 90.00% and Wells-York in 10th place with 87.76%.

100% (30) - BOUDREAU, CARSON, CHANTAL, CHACE, DENNISON, DOUGHTY, DUNN, FRALICH, FROST, GIFTOS, GAW, HOLDEN, HUGO, JENIS, KENNISTON, KENNEDY, R. KILROY, L. B. KNIGHT, L. R. KNIGHT, KUHN, MAXWELL, MOOERS, NIGRO, PAPPAS, PLAISTED, SIMPSON, THERIAULT, WAINWRIGHT, WATERS, YORK.

75% - BECK, BUTLER, CHANDLER, CUBE, HALL, JORDAN, W. KILROY, KOURACKOS, PYNE.

LESS THAN 75% - KELLER, KILGORE, STEWART, TWOMEY, YERXA, GACETTA, DIMATTEO-Sick.  
PAST SERVICE (6) - Members have no attendance record.

AL DIMATTEO wished to deeply thank for card and plant he received from one of our members which merely stated: A Fellow Rotarian.

This Week's Meeting - June 11, 1975

PROGRAM CHAIRMAN ALLEN KNIGHT has for us: Donald King, Sr., Founder and Director of Willowbrook Museum, Newfield, Maine.

A proposal for William Spear has been received and unless any written objections are filed with the Secretary within 10 days, William Spear will be eligible to the next steps in Rotary Membership. William Spear is a Pilot with United Airlines and will fill the Classification of Transportation-Airlines-Pilot. Proposed by SAM GIFTOS.

LAST WEEK: LEN presented Nancy and Clark Bennett who gave us a pictorial review of South Vietnam in their recent flight in which they brought back 8 refugees.

It was great to welcome back HOWARD MOORE from Paoli-Melvern-Berwyn, Pa. This should mean that our regular summer visiting Rotarians will join us with our weekly fellowship from Portland.

DICK PYNE did an excellent job with Sing to Rotary (even the Bowdoin Man sang the melody) and Keeping - The Band Played On with Casey but not at the bat.

BILL KILROY freely and gladly paid the \$2.00 for PAUL BUTLER and his remark was "It is still good to get it wholesale."

THE REMARK OF THE WEEK came from SAM GIFTOS when he was presented his two year perfect attendance pin: "They trapped me the first year as President and so I had no alternative but to continue."

RAY FROST, who was a founder and charter member of the Wells-York Rotary Club received the following mention in their bulletin: RAY will be at their induction of officers June 25. He is the oldest Honorary Member and one who had so much to do in the formation of the Club. Quite a tribute to our Secretary. Congratulations, RAY.

"Most people are modest as long as you're praising them."

## ACTION BY THE BOARD OF DIRECTORS

As the membership is aware, the Board of Directors, for several weeks, has had under consideration a proposal to move our meeting place to a commercial restaurant in South Portland. Consideration of this matter was prompted, in part, by notification from the Purpoodock Club Board of Directors of a 50¢ increase in weekly meal cost. Members of the Board of Directors have spent considerable time negotiating with the Purpoodock Club as well as local restaurants and in discussing various implications of the question.

The Board of Directors is pleased to notify the Membership that it has voted to remain at the Purpoodock Club for the forthcoming year. Although the price per member per meal will increase on Wednesday, July 2, 1975 to \$3.75, the Board is satisfied that satisfactory arrangements have been negotiated; and the current management of the Purpoodock Club will make every effort to satisfy the needs of our members.

MAKE-UPS: Ralph Kilgore, Ed Theriault, Ted Wainwright (Scarborough 5/27); Art Kenniston (Biddeford-Saco 5/28); Dick Pyne (Portland 5/30).

WE WILL SOON BE STARTING ON THE LAYOUT FOR THE NEW CLUB ROSTER, and any changes you wish made in your current listing should be sent to Secretary RAY as soon as possible.

CLUB ATTENDANCE FOR MAY, 1975: 88.04% - Our best record since last September with a total membership of 52.

This Week's Meeting - June 4, 1975

LAST WEEK: Gordon McClain and Norman Leighton gave us the inside scoop on Dowsing. We even got a chance to try it ourselves. This art is 8,000 years old and over 400,000 wells have been dowsed in our country.

TABLE TALK: Ripley the Original; Unions; Pension Plans; Kyros vs. Emery; we even have a Past President of the Portland Club with us - BILL MAHONEY.

REMARK OF THE WEEK: I wonder if J. B. MAXWELL runs his business like he parked his car last week - OUTSIDE THE MARGIN?

BILL YORK'S COLUMN: Portland Players - You gotta see them Thursday, Friday and Saturday; Greaser Dance Next Saturday at the K of C Hall in South Portland for the benefit of Youth Hockey - See BOB NIGRO for tickets; AMTRAK proponents are urged to attend the AMTRAK meeting at Down-Town Holiday Inn.

## ROTARIAN OF THE WEEK

ART KENISTON was toasted by PRESIDENT DAN last week for returning to us from his short sojourn in the Krankenhaus. ART was the President of our Club 1970-1971. He has been a constant worker for our Club since his enrollment. A good attendance record and he is the present Treasurer of the Club. ART's hobbies are golf and fishing. He is a regular attender of Rotary Conventions with his wife, NANCY. ART was born, educated and raised in ME. Can't understnad how he got into the University of Mississippi. ART has been President of the New England Classified Managers Association; Director of the International Newspaper Classified Advertising Managers Association; Director of New England Advertising Executive's Association and Lt. Governor of the 1st District - American Advertising Federation and President of the Greater Portland Advertising Club. Isn't it amazing that he carries the Classification of Newspaper and is Retail Advertising Manager of Guy Gannett. Two children - NANCY and ARTHUR L. Truly a fine Rotarian with leadership ability.

"COOPERATION is doing with a smile what you have to do anyway."

ROTARIANS WHO MADE-UP: BUD PLAISTED, DICK KENNEDY, DON TURNER (Portland 5/23); ART KENISTON (Biddeford-Saco 5/21); FRANK HUGO (Westbrook 5/20).

BY THE BOOK: Two Boy Scouts, whose younger brother had fallen into the lake rushed home in tears. "We tried everything", they sobbed. "We even gave him artificial respiration - but he kept getting up and walking away."

NOTICEABLE LAST WEEK was a Lions Club Banner on the Rotary Bell at the Head Table but PRESIDENT DAN explained it very nicely. It was an excellent banquet of the Combined Service Clubs and we who attended enjoyed outside fellowship plus an invigorating program.

This Week more than one thousand new members will be inducted in to Rotary Clubs. Will their welcome to their first club be meaningful for them as well as all club members? Will their induction be an occasion long remembered? There is no standard way to induct new members but they should be reminded of his fellow Rotarians, his obligations deriving from the loan of a classification. Rotarians are chosen men from chosen professions - Do we do this right in our Club? Sit the new member at the head table, let his sponsor introduce him formally to Rotary and then let the President give him his pin and charge from Rotary? This is one way. Think about it?

This Week's Meeting - May 28, 1975

PROGRAM: LLOYD KNIGHT presents: Gordon McClain and Norman Leighton, who will show us all how to use a divining rod - in other words how to be a "dowser".

J. B. MAXWELL surprised us by taking us historically back from 1865 to 1941 and a slide review of the Portland Railway Co. Some Rotarians were able to remember their childhood.

PRESIDENT DAN MOOERS gave the Pledge of Allegiance; LLOYD KNIGHT came up with America the Beautiful; PAUL CHANTAL gave the invocation; VP LES WATERS introduced the visiting Rotarians and BOB CARSON introduced JIM DEERMAN as his guest. SAM GIFTOS led us in SMILES with the pitch given by the professional - LLOYD.

CARROLL BECK gave us the run-down on the modern medicine of transplanting tendons and had his cast as a proof. For those of you who didn't hear this, see CARROLL - It was interesting.

AL DIMATTEO and ART KENISTON have endured their hospital stays and are rehabilitating at home.

TABLE TALK: Racing at Scarborough Downs; Instant Printing by PIP; Boats; Real Estate; denistry - Hey Rotary is really diversified.

70 YEARS OF ROTARY is available for \$6.00 from Secretary RAY - Beautifully illustrated.

RON HALL and GEORGE CHANDLER thank the following Rotarians who helped make the SAMMY KAYE DANCE a success: ADVERTISING, LLOYD KNIGHT & ART KENISTON; HAULING RISERS, TED WAINWRIGHT; CHAUFFEUR, DICK KENNEDY; SETTING UP, SAM GIFTOS, HAL FRALICH, PHIL DUBE, DICK KENNEDY, BOB CARSON, JACK KELLER, CARROLL BECK, LLOYD KNIGHT, LES WATERS, LEN KNIGHT, JIM DOUGHTY, J. B. MAXWELL (and JENNIFER), RAY FROST, RON HALL and GEORGE CHANDLER with the supervising and help.

MAKE-UPS: BUD PLAISTED (Westbrook 5/13); ROBERT KUHN (St. Petersburg, Fla. 5/9); BUD PLAISTED, FRANK HUGO, EDSON GAW, WARREN SIMPSON (Portland 5/15).

All the constitution guarantees is the pursuit of Happiness. You have to catch up with it yourself.

## ROTARIAN OF THE WEEK

JOHN TOFT: 88 years on this earth with a wealth of information and experience. JOHN was the 1st speaker when this club was organized and talked on unsinkable ships specifically the Titanic. In '95 and '96 JOHN rode the Portland Railway. JOHN has been around the world and his conversations at the table and before Rotary are most intriguing. He joined Portland Rotary in 1932 and has been in Rotary ever since. Hey, that's a lot of years 1932 to 1975. He came to our Club right after his first speech to us. He is a retired, active Vice-President of the R. J. Peacock Canning Co. JOHN was an observer for the Navy and in 1918 was an officer on Training Ships. He is a 62 year Mason, a 43 year Rotarian with 26 years of perfect attendance. JOHN and MARY live at 94 Highland Road, South Portland. JOHN was born in Trescott.

## ARE WE INTERESTED & DO WE?

Are we interested in others and do we really follow the ideals of Rotary? Why did only CHARLENE & GEORGE DUNN, NICK & NICKIE PAPPAS, DICK & PRISCIAL YERXA and DAN & SARAH MOOERS Show up at the combined service club banquet? Rotary ideals are service (at least one of them) to our fellow mankind - What better way than to participate with our fellow clubs. We are NOT the only club in this world and there are many others around us. We not only heard from the rest of the clubs on their donations and projects but DAN told them about Rotary. This was in addition to the German Band which gave a delightful concert. THINK ABOUT THAT ONE? You might even look it up in your Funk & Wagnall?????

THIS WEEK'S PROGRAM: LLOYD KNIGHT presents J. B. MAXWELL: Classification Talk on printing - "The Fast Way."

LAST WEEK: President DAN with the Pledge of Allegiance; HAROLD FRALICH with the Invocation; America the Beautiful by all; the Dynamic Duo of DICK PYNE and SAM GIFTOS really had it going with God Bless America and were pulled out of the high toned Summertime by some excellent singers which we have at Cape Elizabeth and South Portland; LES WATERS allowed DICK HOLDEN to introduce the visiting Rotarians.

## ROTARIANS OF THE WEEK

GEORGE CHANDLER & RON HALL: Do we really realize how much Service Above Self really means in Rotary. All we have to do is look and study the actions of GEORGE CHANDLER & RON HALL. Behind the scenes these two True Rotarians have worked with Sammy Kaye. No one can really define their Service Above Self as they have given freely with no expectation of any personal return whatsoever. They have asked for help and received some and when they didn't receive any, they did it themselves. Certainly each and every Rotarian owes them their thanks and gratitude for a job well done. RON & GEORGE you give to us the POWER OF EXAMPLE. We hope we can repay you by giving of ourselves to Rotary Ideals and Rotary Service.

Jim Taber gave us a real insight into the Maine Audubon Society and it's work at Gilsland Farm - A step toward Tomorrow. The future lies in our conservation of the resources which we inherited.

These days, if your ship comes in, it's docked by the I.R.S.

MAKE-UPS: DICK HOLDEN, ED THERIAULT, BILL YORK (Westbrook 5/6); EDSON GRAY (Portland 5/9); BILL KOURAKOS, SAM GIFTOS, HAROLD FRALICH (Boothbay Harbor 4/17); NICK PAPPAS, RON STEWART, DON TURNER (Portland 5/9).

TABLE TALK: A ship at sea and America's Action; Bureaucracy (I misspelled this one on purpose). Excellent conversations with 5 Visiting Rotarians at one table. + The aging Indian stood with his son on the hillside gazing down into the beautiful valley. He said, "Son, someday all this land will belong to the Indians once again. Paleface all go to the moon."

COMBINED SERVICE CLUB BANQUET and THE GERMAN AMERICAN BAND: At the Yankee Squire Restaurant at Exit #7, Route #1, South Portland. Call PRESIDENT DAN for your tickets. Tickets are \$7.00 each and this meeting will count as an attendance toward each and every one's potential 100%.

SCORN IN THE SKY: The Little Boy nearly drove everyone crazy on the Trans-Atlantic flight. On one of his mad dashes down the aisle, he crashed into the stewardess, knocking coffee and cream all over the place. As she cleaned up the mess, she glanced up at the momentarily subdued youngster and said, "Why don't you go play outside?"

PROGRAM: LLOYD KNIGHT will present James Taber, Vice President of Oakhurst Dairy, who will speak to us NOT about the Milk Commission but as a member of the Executive Board of the Main Audubon Society; Subject - The New Building.

LAST WEEK: PRESIDENT DAN with the Pledge, AL BOUDREAU with the Grace, LES WATERS with the introduction of Visiting Rotarians, SAM GIFTOS with America The Beautiful, finalized in the epilogue by BILL YORK, Taking "Bonnie" on the "High Road", and ending up with her, "Down in the Valley". A film was shown by CAPT. LLOYD on May Day - That's Lawyer's Day.

DICK HOLDEN was taking money for the Cape Elizabeth Calendar but DICK will pay the balance so why worry?

RON HALL and GEORGE CHANDLER were saying SELL-SELL-SELL until Friday and asking for, not refreshments but refreshed men for volunteers for Friday afternoon and Saturday morning.

CAPT. LLOYD got \$1.00 from DAN and put it in his pocket for his fine which he did not pay. If you think that's confusing you should have been there.

EDITED OUT: The hopeful young writer sent one of his poems to a magazine editor with the note. "Please let me know if you use it, for I have other irons in the fire". The Editor wrote back: "Remove irons and insert poems."

This Week's Meeting - May 7, 1975

## ROTARIANS OF THE WEEK

A special this week to those Rotarians who brought 38 Sons and Daughters to this gala event. We were honored with the presence of MAY, TIFFIE, DEBORAH, MARK, MAUREEN, CHRIS, JOANNE, PAUL, CATHERINE, DALE, PETER, PASON, LEROY, DANNY, GINGER, DAVID, JON, JAY, BUB, JOHN, FRANCIS, DEBBIE, NANCY, STEVE, RICHARD, TOMMY, MICHAEL, NICK and even more who were brought by 33 Rotarians.

DON TURNER - our newest member was introduced informally.

SGT. AT ARMS fined each Rotarian without a pin. YE ED was glad he wasn't there. He didn't have the dime.

JOHN TOFT was welcomed back after his absence due to an illness. Glad to see you back, JOHN.

BOB CARSON showed the film, STICKY FINGERS, courtesy of the South Portland Library.

DICK PYNE led the singing with SMILES, OLD MACDONALD and I'VE BEEN WORKING ON THE RAILROAD. VP LES WATERS introduced visiting Rotarians and the sons and daughters.

THE REMARK OF THE WEEK: When the song books were asked to be opened a voice from the crowd came out: "I can't even read."

"I had a friend who was so dumb that he stayed up all night studying for a blood test." YE ED note - "I wonder if he passed it?"

## ROTARY IS PEOPLE

Many words are used to describe the character, the ideal, the purpose of Rotary International, but there is only one word which describes Rotary International. The word is people. Programs, slogans, committees, boards, organization, are empty words without people. It was people who filled the life of Paul Harris; it is people who keep his dream alive....Rotary is people....people helping people...a ring of people en-joined in the noble pursuit of peace and a better world.

BOB CARSON still has applications for the District Conference June 19-21.

SAMMY KAYE is coming soon, get your tickets sold and the money back to RON HALL or GEORGE CHANDLER. And don't forget to sign up for the set-up work on Friday afternoon and the clean-up work on Saturday.

FREEDOM IS A BASIC ELEMENT of civilized society; it is one of the principles enunciated by most governments today.

MAKE-UPS: RALPH KILGORE, RON STEWART, DICK KILROY (Westbrook 4/22); AL DIMATTEO, GEORGE DUNN, JAMES DOUGHTY (Portland 4/25); KEITH DENNISON (Biddeford-Saco); JACK KELLER (Scarborough 4/22).

There are 16,303 Rotary Clubs and an estimated 768,250 Rotarians in 151 countries and geographical regions. Since July 1, 1974, 234 new clubs were admitted in 41 countries.

Each Rotarian should become a Public Relations man for Rotary.

This Week's Meeting - April 30, 1975

PRESIDENT DAN MOOERS WILL HAVE: FATHER - SONS & DAUGHTERS. A Special Invitation was extended to AL BOUDREAU but he may have declined????

TABLE TALK: Steam Engines vs Diesels and the Freedom Train. The Remarks of the week came from the Freedom Train: "Daddy - Shut - Up." It came from Tommy Nigro.

LAST WEEK: A rundown on the Huckleberry House. Congrats to PAUL CHANTAL for an excellent bunch of programs in April.

RUMOR: Has it that JOHN TOFT will be with us next week. This is substantiated by Secy RAY, DON HALL and also YE ED.

## ROTARIAN OF THE WEEK

WARREN SIMPSON: You can't beat that - 18 Tables - YE ED said Tables not tickets sold for Sammy Kaye. WARREN was also our Club's second President in the years 1963-64. Also a member of the Board of Directors and a Charter member of our Club. WARREN is very TRUSTWORTHY - as the name of his store states. His classification is Hardware-Retail. YE ED forgot the name of his store. A past President of the Unitarian Church of Sanford and a present member of the Standing Committee of the First Parish Church of Portland. A past counselor of United Travelers; Past Master of the Masons; Member of the Shrine; Past Commander-Knight Templars and member of the American Legion. A TRUE ROTARIAN.

PRESIDENT DAN gave not only the Pledge of Allegiance but also a Toast to the weather; RON HALL with Grace; LES WATERS introducing the Fellow Rotarians and Guests; and PAST PRESIDENT SAM GIFTOS with a song about SMILES.

HAROLD FRALICH introduced our newest member BOB KUHN: BOB's grandfather was a Rotarian of 30 years standing in Marion, Ohio, Past President and Past District Governor. BOB's Father was a past member of Rotary in Lorraine, Ohio. BOB is District Sales Manager of Eastman-Kodak and has been with Eastman-Kodak in Atlanta as well as Rochester. DAN pinned him.

BILL DODD a former Rotarian of Garden City, Long Island, New York was introduced as a guest and he is now the Superintendent of Schools in Cape Elizabeth.

BOB CARSON still has applications to the District Conference at the Balsam for this June 19-22.

ALL MONEY should be in this week to RON HALL or GEORGE CHANDLER for Sammy Kaye.

DID YOU KNOW: It only took us 1 minute and 33 seconds to be seated and the meeting was off and running at 6:15:52.

MAKE-UPS: HARRIS PLAISTED (Portland 4/18); RON STEWART, R. KILROY, B. KILROY (Westbrook 4/22); BILL KOURAKOS, SAM GIFTOS, HAROLD FRALICH, (Boothbay Harbor 4/17); LEE CHACE, TED WAINWRIGHT, BILL YORK (Scarborough 4/15).

## MY VOCATION & ROTARY

I hold membership in Rotary because I represent my vocation. I bring from my vocation to Rotary a better understanding of the services my vocation can render. I will bring from Rotary to my vocation the leavening influence of high ideal of service.

DO NOT wait for extraordinary opportunities for good actions, but make use of common situations.

TO KNOW THE TRUTH is easy, but, ah, how difficult it is to follow it.

THIS WEEK'S MEETING - APRIL 23, 1975

PROGRAM: PAUL CHANTAL has for us: Charles Cloyes of the Little Brother Movement who is Executive Director of the Huckleberry House.

LAST WEEK: Hey, we did all right. Got seated before time with DAN giving the Pledge of Allegiance, AL BOUDREAU with the Grace, LLOYD KNIGHT with America the Beautiful, DICK PYNE with two songs (ONE ROTARY) and LES WATERS introducing the guests and visiting Rotarians. A Toast by DAN MOOERS to LLOYD KNIGHT - Something about haven't we been lucky since 1929.

SAMMY KAYE: Crews are needed for Friday Afternoon and Saturday Morning. Get in touch with GEORGE CHANDLER or RON HALL. Tickets are also due to these two Rotarians.

DISTRICT CONFERENCE: Six couples are already signed up for THE BALSAMS - June 19 to June 22. See BOB CARSON for applications.

COMMUNITY CALENDAR: BILL YORK - Bogied three times and brought the Freedom Train in on April 17 and 18.

SGT-AT-ARMS RON STEWART: Got \$1.00 from GEORGE DUNN for felonious aggression (that means a misquote) and BILL YORK for felonious assault against the Sgt-At-Arms.

Our Assistant Cumberland County Attorney gave us a short run-down and the Question and Answer period was magnificent.

The World Book of Rotary will now be available at the South Portland and Cape Elizabeth Libraries courtesy of our Club.

ROTARY FOUNDATION: Since 1947 has made more than 4,000 educational awards to young men and women for graduate and undergraduate study and technical training in countries other than their own? The dollar amount granted to young men and women under the Foundation's various programs exceeds \$17½ million - and all this is made possible by our contributions along with other Rotarians from all clubs of the 55 countries Rotary is in. Out of the 18 applications this year, our Club has three from each one of the categories: Teaching the Handicapped, Graduate and Undergraduate.

HINT: From the Windjammer: "PAST PRESIDENTS will meet following the Rotary luncheon to make plans for Past President's Day, June 27". Did you know that we have 11 and 5/6 Past Presidents. Sounds like a good idea. Deanna can inform us on this one.

## ROTARIAN OF THE WEEK

Vice President LES WATERS: Chairman two years ago of the Management Seminar and a worker for two years in this program. LES introduces our visiting Rotarians and Guests and will be our next President. LES is a past Director of our Club. MARGE is his wife. Truly a Rotarian with SERVICE ABOVE SELF.

MAKE-UPS MAKE OUR ATTENDANCE: RON STEWART, DICK HOLDEN (Westbrook 4/8); JACK KELLER, ED THERIAULT (Scarborough 4/8); BUD PLAISTED (Portsmouth N.H. 4/10); DICK YERXA (Portland 4/11); CHESTER SOULE (Winter Haven, Fla. 4/10).

HAPPY BIRTHDAY: DON JENIS - April 16; ED THERIAULT - April 18; GEORGE DUNN - APRIL 21.

HAPPY ANNIVERSARY: MARY & DICK KILROY - APRIL 29.

Somebody ought to fund a study to find out once and for all if time saved by a new highway ever equals the time lost by its construction.

COMING EVENT: Sons and Daughters Night at Purpoodock Club, April 30.

This Week's Meeting - April 16, 1975

PAUL CHANTAL will have for us: Peter Ballou, Assistant Cumberland County Attorney.

LAST WEEK: Dwight Dougherty, Executive Director of A.S.A.P. gave us the pitch on drinking driving and what can be done about it.

THIS WAS "FAST NITE": It took Rotarians only 1 minute and 54 seconds to be seated which was followed by the Pledge of Allegiance by President DAN, and a spontaneous response of America the Beautiful by LLOYD KNIGHT, followed by Brother LEN KNIGHT with the Grace. LES WATERS introduced the visiting Rotarians who were all from Portland. Have you noticed, or is it YE ED not noticing before, that there appears to be a great deal of fellowship and jovialty at our meetings -- of course that's the Rotary Spirit.

We were happy to see J. B. MAXWELL back with us again.

DISTRICT 779 CONFERENCE: The Rotary Club of Livermore Falls is planning a great mini-vacation for you and your Rotary-Ann at the Balsams, June 19-22. Come Thursday and get a good start for an enjoyable weekend. Friday and Saturday will be business as usual but there will be plenty of time for fun and fellowship. While we are taking care of District affairs, the ladies will have programs they should really enjoy.

Price for this 15,000 (Thousand that is per SAM GIFTOS) estate is \$68.00 per couple per day and \$41.00 for a single. This includes three meals a day, lodging and the use of all facilities. See BOB CARSON and get signed up for this great ROTARY event.

Wife to Husband: "I scratched the front fender on the car a little dear. If you want to look at it, it's in the back seat."

FAMILY NITE: Wednesday, April 30 - Bring your sons and DAUGHTERS, especially for President DAN.

RON HALL gave us the low-down on SAMMY KAYE. Get your tickets and money organized and into RON or GEORGE CHANDLER. Our many thanks go to ROGER STURTEVANT for the detailed set-up sheet he willed us.

NICK PAPPAS got ART KENISTON a Sgt-Arms fine and the remark of the week came when NICK said to SECY RAY: "The fine ought to be 50¢ instead of \$1.00." RAY came immediately back with: "\$1.00 is what we have always collected."

Bon Voyage to TOM GRIFFIN, our 100%er from Portland who is off to the Dark Continent. Come back soon, TOM.

## ROTARIAN OF THE WEEK

DICK PYNE: Toasted by President DAN. Also leading us in Smiles and April Showers -- a good baritone on a tenor note. DICK's classification is Savings Bank and is with the Portland Savings Bank. His wife MARY and RICHARD J., FRANCIS X., and M. MAUREEN live on Woodmoor Road in S.P. DICK has a BA from St. Francis Xavier University and is extremely interested and active in Hockey - plays the guitar and hunts, golfs and sails. Active also in Boy Scouts of American, S.P. Youth Hockey, his alumni association, United Travelers and Spurwink Rod and Gun. DICK is a Rotarian of over one year in our club.

SANTO DIPIETRO, Classification, Variety Store, proposed by DAN MOOERS, and ROBERT KUHN, Photography-Manufacturing, proposed by HAROLD FRALICH have been proposed for Rotary membership. If no written objections are filed in writing to Secretary RAY within ten (10) days they will be eligible for the next steps in Rotary membership.

MAKE-UPS: CHESTER SOULE (Winter Haven, Fla. 4/3); LEE CHACE (Brunswick 4/7); NICK PAPPAS (Scarborough 4/1); BUD PLAISTED & ARTHUR KENISTON (Portland 4/8).

According to the Governor's letter we were in 29th place in February attendance. One more step and we would have been below the District Average of 80.04%

This Week's Meeting - April 2, 1975

PROGRAM: PAUL CHANTAL presents:

LAST WEEK: Paul Dunn, Financial Director and Richard G. Doiron, Director of Psychological Services of the Sweetser Home in Saco, gave us an insight into what can be done.

PERFECT ATTENDANCE: BUD PLAISTED for four (4) years and only 4 times at our Club has he attended; DICK KILROY for 13 years (this is perfect attendance ever since this Club was organized and chartered.)

There was, as should be, a great amount of fellowship and friendliness in this Rotary meeting. Remarks were passing back and forth in joviality but the remark of the week came from TOM GRIFFIN: "I don't attend the Portland Club - How would I know about Craftsnight?"

THE GONG rang at 6:12:45 and we were seated by 6:15:52. Ye Ed is most happy to have such a time piece. A 25th Wedding Anniversary present.

THE TOAST was to BUD PLAISTED for not only 100% attendance but for his yearly visit to the Club. VP LES WATERS introduced the visiting Rotarians and guests. Pres. DAN with the Salute to the Flag; WARREN SIMPSON with a special Easter Grace; SAM GIFTOS with SMILES accompanied by LLOYD KNIGHT in true Infantry cadence: 1-2-3/4.

GEORGE CHANDLER advised us that there are ten, yes 10, Rotarians who have not picked up their tickets to sell for Sammy Kaye. GEORGE is right - It takes all of us.

SECY RAY FROST informs us that \$80.00 has already been collected for the Cape Elizabeth Tree Fund. More will be happily received not only for the Club but for future generations of Cape Elizabeth. Only YOU can make this possible.

LEE CHACE gave us a Flag from Boston and BUD PLAISTED gave us one from Mobile, Alabama. Another remark of the week was made about the former Boston flag.

Come to think of it - we had close to a full house - Thanks PRESIDENT DAN and thanks to all you attending Rotarians for heeding DAN'S words.

BILL YORK's CALENDAR: Thurs., Fri., Sat. & Sun. Night Watch and the Portland Club's Craftsfest.

THIS WEEK'S MEETING - MARCH 26, 1975

PROGRAM: J. B. MAXWELL has for us: Paul Dunn, Executive Director of the Sweetser Home in Saco. Ed Note - Any similarity to Rotarians living is purely coincidental.

LAST WEEK: Tom Ccne our nomination for Rotary Fellowship Scholarship gave us a real insight into teaching of the Learning Disabled Child. It was a revelation in this day and age of pigeon-holing to find a real dedicated and humble teacher, who is teaching the individual as a person.

We broke even tonite with our guarantee to the Purpoodock Club. PRESIDENT DAN asked that we do better.

PRESIDENT DAN with the Pledge of Alligence; Past President SAM GIFTOS with America the Beautiful; RON HALL with the Grace; and BILL YORK with R O T A R Y and Smiles; LES WATERS did the honors in introducing the visiting Rotarians.

REMARK OF THE WEEK: Courtesy of BILL YORK: "Babies Cry alot."

QUESTION OF THE WEEK: DICK KENNEDY has it but won't tell.

GEORGE CHANDLER has tables and we as Rotarians are to sell these tables for SAMMY KAYE. Only we can make our events successes and it takes everyone.

## ROTARIAN OF THE WEEK

HAROLD FRALICH: Nominated by the District to be the Governor-Elect for 1977-1978. HAROLD is truly a Rotarian. Born in Crawford County, Ohio, he now lives with his wife MARJORIE on Reef Road in Cape Elizabeth. His children are three in number: TERRY, DEBORAH & MICHAEL. HAROLD has a BA from Ohio Wesleyan and CLU from the American College of Life Underwriters. His classification: Life Insurance-Estate Planning. His community activities are vast and varied: United Community Services Board of Directors; Maine Association of Life Underwriters-President; General Agents and Managers Association-President; Maine Estate Planning Council; and we all know Past President of our Club plus Special Agent for our District Governor. His interest are coin collecting and skiing. HAROLD was in the Air Force 1942 to 1945 and was on the City Council of Marion, Ohio. A Trust Officer in the Maine National Bank and is presently employed at Crown Life Insurance Co. This is only part of the resume of a GREAT ROTARIAN.

WATCH FOR A LETTER FROM PRESIDENT DAN: On membership. We should build our membership. This is the life blood of a Rotary Club.

NICK PAPPAS will be our representative to Kiwanis to work on the Combined Service Club Meeting.

THE BOARD OF DIRECTORS have accepted the Nominating Committee's Report for LES WATERS as President-Elect and DICK HOLDEN - as Vice-President-Elect.

BOB CARSON's S.P. VILLAGE GREEN Hockey Team beat Lewiston 8-7; and BOB NIGRO's team has cinched the championship with only two (2) defeats.

DONATIONS from each Rotarian are now being accepted for the Cape Elizabeth Tree Fund. Ed Cooper, Cape Tree Warden spoke to us and it is the feeling of the Directors that each Rotarian should give what he feels.

DEED OF THE WEEK: Ye Ed doesn't know whose idea it was, but speaker appreciation certificates are certainly in line with Rotary.

Society is always taken by surprise by any new example of common sense.

LLOYD KNIGHT

ROTARIAN OF THE WEEK: Not only for his solo at the meeting Ye Ed believes it was something about "Kissing Gate at the Kate", but LLOYD & ELLEN have been selected by the only and best College in the USA to give the commencement singing program - Yes - at Bowdoin where his son, ROY will graduate this June. LLOYD & ELLEN live on Cottage Lane in the Cape with two sons - Erich and Cornell. Everett, Karla and Roy come in on occasions. All this and TV too. LLOYD's favorite number is 13 (Channel that is), and gives a pint of blood every 90 days.

DIANE YORK

ROTARYANN OF THE WEEK: Diane gave to BILL and the World JOANNA KATHERINE at 2:33 on March 8.

ATTENTION DICK JORDAN, LEN KNIGHT: A sweet little old lady cashed her check at the supermarket and thanked the cashier with: "I don't know what I'd do without you people, now that the bank has stopped cashing my checks."

WORD OF WISDOM TAKE ADVICE FROM SECY. RAY

WE NEED HELP!!! Here is our record for the past six (6) weeks. We have guaranteed Purpoodock 35 meals per week. If we fall one (1) short, we pay \$3.00 and \$3.00 for each one thereafter which we are short. Feb. 5-4 short; Feb. 12-3 short; Feb. 19-6 short; Feb. 26-3 short; March 5-7 short; March 12-3 short, totaling to \$78.00 short.

Included in these figures are 29 visiting Rotarians and paying guests - so they helped with the \$87.00 or the bill would have been that much higher.

What can we do? Those who are not attending our own club should make an extra effort to make it. Those who are not attending any club should make double the effort to be there - The food has been extra good - The new chef has been doing a good job. Ask anybody who attends. Speakers have been well received and the fellowship has been enjoyed by all.

Come and enjoy it at the same time you will be helping YOUR CLUB.

OUR CLUB'S NOMINATIONS FOR ROTARY FOUNDATION SCHOLARS

1. Jennifer Bennett - graduate studies - wrote her application in Chinese as well as English. 2. Thomas Conn - teacher - intellectually handicapped. 3. Kathleen Jordan - undergraduate - to study international relations.

**This Week's Meeting - March 5, 1975**

Program Chairman for the month of March is J. B. Maxwell.

This week's program will be Ed Cooper, Tree Warden from Cape Elizabeth.

**LAST WEEK'S PROGRAM** - Barbara Reidman, Public Relations Director for The Day One Drug Rehabilitation program in Portland, gave us a thorough briefing on the drug rehabilitation in our area. Day One is the only publicly funded center in the state and is located on Danforth Street in Portland. The basic program is six months, but not limited. Students progress through the program as they are ready. In order to enroll in the program, one must be a resident of this state.

Thanks, Paul Chantal, for an excellent program.

We need some more strong new members in our club. Let's all look around for some good potential men. Attendance is a key factor in making this club successful. Bring a friend with you to a meeting.

**This Week's Meeting - February 26, 1975**

PROGRAM: BILL KILROY has a surprise for us this week and as per usual it will be unique and unusual.

LAST WEEK: We learned a lesson last week with the film "MARK MAINE", about the environmentalists and the oil industry -- We can't have our cake and eat it too. There was lots of food for thought. We need both for Me. Maybe we should all remember that "Balance is the Meaning of Life."

PRESIDENT DAN was AWOL (But one of the powers tole YE ED that it was excusable). VP DICK MCed and someone, whom I forgot, because I have not been around for awhile, introduced the visiting Rotarians and Guests. Virtuoso LLOYD KNIGHT led us in a brand new song -- "HELLO, Someone-Forgot her name too but believe it began with D. Maybe that's why they call me "FORGETFUL GEORGE."

HEY YA KNOW - It's great to write the bulletin again and be back with this great bunch.

GEORGE CHANDLER is producing tables and tables for SAMMY KAYE Friday, May 9, 1975. Get your tables and tickets early. GEORGE will be asking for help and we must remember that each and every Rotarian should sell at least two (2) tables and should be willing to volunteer with the Rotary Saying, "SERVICE ABOVE SELF", when GEORGE asks.

OUR ATTENDANCE % goes UP EVERY TIME SOMEONE ENJOYS THE FELLOWSHIP OF ANOTHER ROTARY CLUB: R KILROY (Portland 2/14); ART KENISTON (Believe it or not - Kissimmie, Fla. 2/10); FRANK HUGO (Gulf Beaches, Fla. 2/11); BUD PLAISTED (Westbrook 2/18); DICK PYNE (Westbrook 2/18); NICK PAPPAS and DICK HOLDEN (Westbrook 2/11); ED THERIAULT, DICK KENNEDY & TED WAINWRIGHT (You guessed it - Scarborough 2/11).

YE ED came late so he was unable to put in those two Rotarians who gave us the Grace and lead us in America the Beautiful.

If you wish to appear agreeable in society you must consent to be taught many things which you already know.

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

1. The development of acquaintance as an opportunity for service.
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society.
3. The application of the ideal of service by every Rotarian to his personal, business and community life.
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional men united, in the ideal of service.

Many of the same kids who don't believe in Santa Claus grow up and bet on the horses.

Next Week's Meeting - February 19, 1975

## LAST WEEK:

Program chairman, Paul Chantal introduced Francis Amoroso, Youth Aid Bureau, City of Portland Police Department.

Patrolman Amoroso's case study was interesting, and surprising to find that the delinquent was not Charles Manson, but none other than his own patron saint, St. Francis of Assisi. Interesting statistics on our youth today revealed that 45% of our crimes are committed by young people of 18 years of age, and one-half of this group is under 15 years of age.

In Portland over 1,500 juveniles are arrested annually for acts considered to be crimes, which was one of the basic reasons that the Youth Aid Bureau was established in 1969, and became operational in 1970. The nature of offenses in recent years have become more serious, and armed robbery, armed assault, etc., are now becoming commonplace in Portland. Ninety percent of the juvenile offenders have been diverted from going into court over the past four (4) years, but the rate of recidivism has increased from 35% to 65%.

Patrolman Amoroso raised some provocative suggestions on "changing the system", and emphasized the need to break away from planning the different components within the system without consideration of the impact of these respective changes on the total system. Lively dialogue followed, with some interesting comments from George Dunn, Keith Dennison, and others.

Lloyd "Watch the Direct orr" Knight led us down the snowy lanes of Winterwonderland, as we prepared to "smile" for our next Ladies' Night.

Everyone, without their Rotary pin, was fined, so wear those pins.

Leroy Chace, of the MDOT Planning Division, was introduced as our newest member. Lee is a former Rotarian from Winthrop who has recently been transferred to the DOT's Division Office in Scarborough.

## OUR AMBASSADORS:

At Scarborough on January 28 . . . . . Ted Wainwright, George Dunn  
At Seminole, Florida on January 29 . . . . . Frank Hugo

## LADIES NIGHT

We should have "substitutes" more often, for Wednesday's Ladies Night was a great evening with Al Boudreau substituting for Mrs. What's her name, who decided at the last minute that the weather was too bad.

Al unpacked a suitcase of hair pieces, moustaches and beards. Don Jenis volunteered to model, and the Rotarians and Rotary Anns yelled "Buy it", when Don's image changed from the young man that he is to even a younger one. John Toft, in his dry humor asked, "Does it grow very fast?" Helene Giftos asked Al "to take my husband", to which Al replied that "he didn't like boys", but took Sam anyhow and placed a frontal piece across Sam's brow and created a new breed of "sheep dog". Helen Knight inquired what could be done with the Captain's "straight, silky hair" and Al said, "I've been meaning to speak to Lloyd about that", followed by suggestions, followed by Helen's plea of "Oh do it!" Phil Dube rose to the occasion, and revealed his secret.

Dick Pyne became "the Orson Wells" of the club, donning beard and lip piece. Remarks of astonishment, mirth, seriousness were heard throughout the audience, and the ladies seemed pleased with their evening of Rotary, and we all went away happy that the weather was so bad, and Al was asked to "pitch hit". He slugged one over the fence into center field, and we thank you, Al.

Before our program, President Dan was "barred" from the head table. Bill York also was banned, but somehow "Bud" Jones and "Vince" McCusick made it, and Sam was fined for that.

The head table was reserved in honor of our past presidents of the club, and standing to take their bows, and participate in the evening's fun were: Sam Giftos, Warren Simpson, Harold Fralich, Art Keniston, Keith Dennison, Ray Frost, and Lloyd Knight.

One last note on Al's program: he said that hair sold from \$8.00/lb. to \$28.00/oz. President Dan asked what he could get for his "crimson waves", and the highest bid was \$1.38/lb.

This Week's Meeting - January 29, 1975

THIS WEEK'S MEETING is Ladies Night. We urge all members to attend and bring their wives, girlfriends, etc. This will also be Past Presidents' Night and they are responsible for the program. Sam Giftos was reluctant to say what the program will be, but I'm sure it will be well worth attending.

LAST WEEK'S PROGRAM - President Dan started the meeting at approximately 6:20 P.M. Les Waters introduced visiting Rotarians and guest. President Dan then presided over the club meeting. Copies of the Constitution of the Rotary Club and By-Laws of the Rotary Club were handed out to members present. Dan explained that there were certain changes in the By-Laws that should be reviewed by the board for any changes that they felt the club should adopt. Dan also pointed out that any changes in the proposed By-Laws could not affect the Constitution.

It was moved and seconded - that the By-Laws be submitted to the board for review. Motion was passed by the Club Members.

President Dan informed the members that they may now order the new publication The World of Rotary. Two years in the making, this new book is 144 pages of copy and pictures (sixteen pages in color) by authors from 10 nations telling the story of Rotary. The foldout color map shows the Rotary world, and the foldout chart marks the important events in Rotary since its founding. The price is only \$6.00 per copy.

It was moved and seconded - that the club purchase 2 copies of The World of Rotary and donate them to our public libraries.

Motion was passed by the Club Members.

President Dan requested discussion from the members on the placing of one of the club members as a nominee for District Governor for the Rotary year 1977-78. Dan informed the members that if the club's selection was successful, we would be responsible for the District Conference at Bretton Woods, N.H., in 1977-78.

Moved and seconded - that the name of Harold Fralich be submitted for our nominee for District Governor for 1977-78 and that the club accept the responsibility of hosting the District Conference. Motion was passed by the Club Members.

Dan then read a resolution which formally submitted the name of Harold Fralich as our nominee for District Governor.

The problem of new members was again brought to the attention of the members. President Dan pointed out that we have only two new members since the beginning of this Rotary year. We need new members to grow.

President Dan requested that all members make a special effort to attend the meetings so that we can at least reach the required minimum of 35 meals. It cost the club \$3.00 per meal below 35, and this can become very costly.

It was proposed that the meetings begin at 6:30 P.M. in the future. President Dan stated that this proposal would be reviewed by the board, but he welcomed discussion from the membership.

## REMINDERS - LADIES NIGHT, JANUARY 29, 1975

There will be a meeting of the Rotary Foundation Committee at J. B. Maxwell's house, Thursday, January 30, 1975 at 6:30 P.M. On February 23, Rotary celebrates its 70th Anniversary.

GOODWILL AMBASSADORS - January 14 - Frank Hugo, Gulf Beaches, Florida; Ralph Kilgore, Carroll Beck, Scarborough; January 15 - Keith Dennison, Biddeford-Saco; January 17, Harris Plaisted, Arthur Keniston, Portland; January 6, Chet Soule, Winter Haven, Fla.

THOUGHT FOR THE WEEK - Listening to both sides of a story will convince you that there is more to a story than both sides.

This Week's Meeting - January 15, 1975

Program Chairman Dick Holden has scheduled a visit from one of Maine's new Governor's departmental appointees - Should prove to be interesting.

LAST WEEK'S PROGRAM - John Moffett, who is affiliated with Shell Oil Company, showed us a film concerned with the supply and usage patterns of oil, coal and natural gas during this century and what is anticipated for the future. At the completion of the film, he jumped into the barrell and fielded questions.

President Dan opened our first meeting of 1975 with a toast to the New Year and a welcome back to George Dunn who has been on a leave of absence for the past six months - again, Welcome Back George!

The nominating committee (composed of all Past Presidents) will be meeting this week to choose a member of our club as District Governor Nominee for the 1976-1977 term. The name will be presented to the membership for approval at this week's meeting.

Don't forget Ladies' Night - January 29th! We are counting on the Past Presidents for an entertaining evening.

Attendance figures from Ray Frost:

December - 86.23%

36 members	100%
7 members	66%

ROTARY AT WORK: Kennebunk Rotary Club reports a great success on their Bicentennial Park Project. The astounding hundreds of hours by the club Rotarians and wives have raised over \$30,000.00 towards their project. Good work Brother Rotarians.

FUTURE MEETINGS: The December 25th and the January 1st meeting will not be held. Please take notice.

PROGRAM: Chairman Dave Jutras introduced our guest speaker, Attorney George Shur. George presented a fine outline on the Arts in Portland and the State. Being Past President of the Portland Players and Vice President of the Children's Theatre, along with several other affiliations, he had a lot of knowledge of its program. He stated that the public should be informed that the Arts are for everyone and not a special group; also that it should be funded by the State and City because the Arts have an important roll to the community.

WEEKLY THOUGHT: As Rotarians, let service be our Motto.

THIS WEEK'S MEETING - DECEMBER 11, 1974

THIS WEEK: Guest speaker for the evening will be attorney George Shur who will speak on the arts in Portland.

LAST WEEK: Vice-president Dick Anderson called the meeting to order at 6:15 p.m. with pledge to our U.S. flag and song. Grace was given by Dick Jordan. After a fine meal, Lloyd Knight and Sam Giftos led us in singing two songs. Dick Anderson introduced eight Rotarian guests.

President Dan requested that the membership and members of the Club directors meet right after the evening program. Sam Giftos, chairman for 1975 officers nominating committee, requested that all past presidents meet right after the evening meeting to make up a slate of officers.

Dick Anderson announced that the Christmas trees will arrive Thursday, December 5th, between 1:00 and 2:00 p.m. Dick suggested that all members who can be available be there to help set up the lot. Ted Wainwright will be setting up the warming building Thursday, and the Central Maine Power Company will be hooking up electric service. Each Rotary member who has signed the work schedule should keep in touch with Dick so that the stand won't be under-manned.

GOODWILL AMBASSADORS: 11/26 Ted Wainwright - Scarborough  
12/3 Ron Hall, Sam Giftos, Frank Hugo, Dick Pyne - Westbrook

PROGRAM CHAIRMAN, Dave Jutras, introduced Leo Cloutier of Syndicated Sportscaster who talked about many of the great baseball players and their individual incidents and wit. Many of his stories caused the members to enjoy a good laugh.

GOOD OF THE CLUB: It would be nice for members to know that we are thinking of them when they are in the hospital or sick. Let our secretary, Ray Frost, know of any member laid-up.

THOUGHT FOR THE WEEK: "Rotary derives its strength from the personal dedication of each member to the ideal of service -- helping others. This is the Spirit of Rotary."

How about members absent from meetings helping your officers make your Club a success by regular attendance.

This Week's Meeting - December 4, 1974

THIS WEEK - Guest speaker for the evening will be Leo Cloutier of Syndicated Sportswear.

LAST WEEK - Vice President Dick Anderson called the meeting to order at 6:20, due to the late arrival of President Dan Mooers, who was driving in from Augusta State House. Grace was given by Dick Kennedy, with singing lead by Lloyd Knight. President Mooers, after arriving, asked Vice President Dick Anderson to introduce visiting Rotarians and guests. President Dan, gave the Rotarians a brief summary of events at the State House on the re-count issue.

President Dan asked Sam Giftos to be Chairman of the 1975 officers nominating committee, which is to include all Past Presidents. Report to be presented not later than the last meeting for 1974.

Eddie Theriault was presented with a 100% attendance pin.

Dick Anderson passed out the Xmas tree work schedule to members present.

Dave Jutras will be our program chairman for December. Carroll Beck will be editor for December.

GOODWILL AMBASSADORS - 11/25 - Dick Kilroy - Rangeley  
11/26 - Frank Hugo, Harold Fralich, Al DiMatteo,  
Ed Theriault - Westbrook.  
11/22 - Ralph Kilgore, Frank Hugo, Ronald Hall,  
Dick Pyne, Art Keniston, H.M. Plaisted,  
Richard Tinsman - Portland

Al Boudreau, our program chairman for November, introduced our guest speaker. Speaking on the program of Health Care and the part that the Maine Medical Hospital is doing, the following interesting facts were presented:

The hospital can provide 600 beds with an operating budget of thirty million dollars, spending alone \$200,000.00 on fuel alone and employing 2,300. A severe shortage of Doctors in Maine makes a heavy load on those treating patients. Accessibility for many, makes a great problem for many, which is creating a new concern for consumers involvement. One other interesting fact brought out, was that a study was needed on our resources and the proper use of them.

THOUGHT FOR THE WEEK - Rotary is only as good as the membership makes it. Be a good Rotarian and attend your meetings regular.

This Week's Meeting November 27, 1974

## THIS WEEK:

Al Boudreau, program chairman, will introduce Mr. Eugene Lublev. Mr. Lublev is the Administrative Director of Maine Medical. Mr. Lublev's subject will be National Health and Consumer Participation.

## LAST WEEK:

Sam Giftos substituting for Dan Mooers opened the meeting at approximately 6:20 p.m. Bob Carson introduced visiting Rotarians and guest. Bill York led the singing with his usual flair.

George Chandler reported with regret that he was unable to obtain Guy Lombardo for this coming year. It appears that Guy is booked solid. George reported that he could get Sammy Kaye as a replacement. George would like some feedback from the members as to the contracting of Sammy Kaye.

Al Boudreau introduced guest speaker Mr. Martin Fehlau, Regional Director of Vocational Education. Mr. Fehlau stated that there is a misunderstanding with industrial arts which teaches the aspects of trades but is not a trade. Mr. Fehlau feels that education is broken down in the following manner.

- Kindergarten - to Grade 6 - Awareness
- Grade 7 to 10 - Career exploration - what is available
- Grade 11 - 12 - Prepare for Occupation
- Grade 13 - 14 - Trade Occupation
- Grade 15 - 16 - Pre-technical Jobs
- Grade 17 - 18 - Professional Occupations

Currently there are 14 high schools feeding into the regional program. This program is completely funded by the state. There are now 942 students being served and they have an 86 - 96 student inhouse capacity. One purpose of Vocational Education is to involve businessmen in the programs to make them as realistic as possible.

## GOODWILL AMBASSADORS:

- 11/7/74 - H. Plaisted, Portsmouth Rotary Club
- 11/12/74 - D. Kennedy, Ed Theriault, P. Dube, T. Wainwright - Scarborough

This Week's Meeting - November 20, 1974

PROGRAM CHAIRMAN, Al Boudreau will introduce Mr. Martin Fehlau, Regional Director of Vocational Education. Mr. Fehlau is a member of the Portland Rotary Club. His talk will cover the role of Vocational Education in this area.

LAST WEEK - President Dan opened the meeting at 6:15. Captain Lloyd led the singing and Dick Anderson introduced visiting Rotarians and Guests. Al Boudreau, program chairman, introduced Dr. Doris Pennoyer. Dr. Pennoyer is a graduate of Smith College and Columbia Medical Program. She is currently involved in the Family Nurse Associates Program, sponsored by The Maine Regional Medical Program. Dr. Pennoyer explained that the program objective is to provide more health services and to extend services in the rural areas. The program intends to train unqualified individuals for the purpose of extending physicians time and efforts. Also to find ways to help physicians to use their time more efficiently. The purpose of the training is to teach qualified individuals to do things normally done by physicians and to teach them to make the appropriate decisions. The question as to whether this program has the potential of creating more mal-practice suits, was raised during the question-answer period. Dr. Pennoyer stated that the program teaches the individuals to be extremely careful and to avoid making decisions beyond their capabilities.

## REMINDERS:

Dick Anderson still has some members who have not signed up for a time to sell Christmas Trees. This is one of our big projects so if you haven't signed up see Bill at the next meeting.

This Week's Meeting - November 13, 1974

THIS WEEK'S PROGRAM - On Wednesday, November 13, 1974, program chairman Al Boudreau will introduce Dr. Doris Pennoyer. Dr. Pennoyer is currently involved in the Family Nurse Associates Program. Dr. Pennoyer's talk will explain the purpose and function of this program.

LAST WEEK, NOVEMBER 6, 1974 - President Dan opened the meeting at approximately 6:15 P.M. Sam Giftos led singing and Dick Anderson introduced visiting Rotarians and guests. President Dan presented attendance pins to the following members:

Bill Anderson - One Year 100% attendance  
Harry Fralich - Four Years 100% attendance  
Ray Frost - Twenty-eight years 100% attendance

Dan notified the members that Bob Egan, a past member, recently lost his home by fire and that the board would be in touch with Bob to see if Rotary can be of assistance. Dan also informed the members that the Rotary Village is going well and the dedication is set for the first Sunday in August, 1975.

The guest speaker for the evening was Arthur P. Lynch, our District Governor. Mr. Lynch stated that the purpose of his visit was to convey Bill Robin's theme - Renew The Spirit of Rotary. Mr. Lynch feels that the key word is Service. All Rotarians have an obligation to serve their community.

Mr. Lynch stated that the Rotary Foundation, which has been established to provide educational grants to individuals for study in foreign countries, is expanding rapidly. Currently there are 1158 individuals studying in foreign countries under this program.

REMINDERS - Bill Anderson would like all members to select a time for the purpose of selling Christmas trees. The schedule will be available at the meeting.

GOODWILL AMBASSADORS - 10/29/74 Scarborough - Ron Hall, Ted Wainwright  
11/1/74 Portland - H. M. Plaisted, Frank Hugo, Capt. F. Landrey, Dan Mooers, Dick Pyne

ATTENDANCE - MONTH OF OCTOBER (85.6%) 52 MEMBERS

100% (28) - Anderson, Boudreau, Carson, Chantal, Dennison, Dube, Fralich, Frost, Giftos, Hall, Hugo, Holden, Jordan, Keller, Keniston, Kennedy, R. Kilroy, Kourakos, Mooers, Nigro, Pappas, Plaisted, Pyne, Simpson, Theriault, Toft, Wainwright, York

80% (4) - Butler, Chandler, Doughty, L. Knight

60% (10) - Beck, DiMatteo, Gacetta, Jutras, W. Kilroy, L. B. Knight, Kilgore, Tinsman, Twomey, Waters

Less than 60% (10) (including 6 past service members) - Jenis, Maxwell, Stewart, Yerxa  
CLUB ASSEMBLY - President Dan requested the members to use this time to discuss club problems and possible solutions.

One serious problem discussed was the lack of attendance by members at their own club meetings. It was suggested that the attendance committee mail out a questionnaire for the purpose of determining why this problem has developed.

A second problem is in the area of new members. The club needs 13 new members to reach its goal for this year. Dan suggested that current members should try to bring more guests to the meeting.

FINAL NOTE - All members should realize that this is your club and every effort should be made to attend the meetings. Let's all get behind Dan and have a good showing at this week's meeting.

THOUGHT FOR THIS WEEK - Show up at the meeting

This Week's Meeting November 6, 1974

This Week's Meeting will be a Club Assembly. Guest speaker will be our District Governor, Arthur P. Lynch. President Dan urges that all members attend the meeting.

Last Week - Dick Anderson opened the meeting at approximately 6:15 P.M. Whereas it was Ladies Night, Dick had the privilege of welcoming the Roses along with the Thorns. It's always a pleasure to see the women at our meetings.

Sam Giftos and Ray Frost led the singing for the evening. Ray appropriately let his fellow Rotarians in the singing of Let Me Call You Sweetheart.

Arthur Keniston introduced visiting Rotarians and Guest.

Bill York had such an outstanding list of current events, that I advise you to contact him for further information. One particular event is the production of Lion In Winter, by the Portland Players on November 6-7-8 and the 12-13-14.

Program Chairman, Harold Fralich, introduced Mary Webber the guest speaker for the evening. Mary is known from her radio show with Bud Sawyer on Saturday mornings. Take note ladies! Mary lives in Yarmouth with her four children and feeds her family on \$25.00 a week and her own vegetable garden. She currently has written a book titled The Frugal Family Planning Book. She is now attending the University Of Maine with the purpose of attaining a degree in Business Administration.

Mrs. Webber stated that each homemaker is a one person Rotary Club in their own kitchen. Mrs. Webber compared the Rotarian 4 way test to a homemaker in her kitchen.

1. Is it the Truth - Mrs. Webber pointed out that a homemaker should have a good understanding of Nutrition so that what she or he is serving to his or her family is the truth. Individuals should read labels and use her motto, Read the label - set a better table.
2. Is It Fair to All Concerned - Mrs. Webber pointed out that the average person works 10-15 hours a week to earn the money to buy 2 week's groceries, but the average trip by a homemaker to the supermarket is only 27 minutes. Therefore is this fair to all concerned. More time should be spent in selecting meals.
3. Will It Build Goodwill and Better Friendships - Mrs. Webber pointed out that the family meal should be prepared in such a way as to create goodwill and a better friendship with one's family. Meal time should be a place to create peace and harmony.
4. Will It Be Beneficial to All Concerned - Mrs. Webber pointed out that one should leave the dinner table refreshed and nourished, so that all concerned benefit from well planned meals.

In conclusion Mrs. Webber stated that supermarkets are returning to the General Store concept. A question and answer period followed her talk.

GOODWILL AMBASSADORS: 10/15/74 - Scarborough - Nick Pappas, Bill York  
10/22/74 - Westbrook - Ralph Kilgor, Frank Hugo, Dick Kilroy, Ed Theriault  
10/23/74 - Scarborough - Ed Theriault, Al Boudreau  
10/24/74 - Portland - Bob Nigro, H. M. Plaisted

REMINDERS - The next Ladies Night will be on January 29, 1975.

THOUGHT FOR THE WEEK - If you are going around in circles, maybe it's because you are cutting too many corners.

This Week's Meeting October 30, 1974

NEXT WEEK'S PROGRAM: LADIES NIGHT

This will be our second production. All who were at the last Ladies Night will remember the good time that was had by all. Plan now and alert your wife. If she can't come, well come, anyway.

Our last meeting started off with Sam "the man" Giftos leading the sing-a-long. His choice for the evening were two not to often heard ballads, "Rotary" and Smile. Even the guest speaker had to wince when he heard what was coming.

President Dan announced he wouldn't be at the meeting on "Ladies Night" but assured us things were left in good hands with Dick Anderson.

Dan also apologized to guest speaker Jim Irwin for having to sit again through the singing of Sam's chosen songs. We understand there was a little banter going on up there about other things too, could it be politically motivated?

The message I get is our Guest on November 6th is going to be Mary Webber, noted author, lecturer and economist. Seems to me she is connected in some way with ONE of those savings banks we hear so little about these days. She recently did a radio show pertaining to the many different ways of cooking wild game - should be a good source of questions from the hunters in the crowd.

Dan also mentioned the Governor of Rotary (district) will be at the meeting on November 6th and advises there will be a club assembly at 7:20 P.M.

Harold Fralich introduced Jim Irwin candidate for Governor, as speaker for the evening. Mr. Irwin was born in New York, but since his mother was a Maine native, she wasn't long in getting him back home. He told the same jokes we've heard time and time again. When his talk seriously got under way he made four points. These four points supported his statement that the state is badly mismanaged. He talked of the Department of Education, the need for assistance to the aged, crime and the fact that theft is prominent throughout the state and finally, State spending and how it is 3 times what it was 8 years ago. It was a good presentation Mr. Irwin and a pleasure to have you as our guest.

Dick Kilroy

This Week's Meeting - October 23, 1974

THIS WEEK: The program will consist of Gubernatorial Candidate JAMES ERWIN.

President Dan opened the meeting by announcing the Board of Directors recommendation to the General Membership, of a major project for this year. The city is planning a Public Park and Marina in the Willard Beach area. The project as outlined by Dan will be the Institution of a Museum and Historical Center at Fort Preble. The board has contacted the South Portland and Cape Elizabeth Historical Society and they have expressed great interest in the project. The upcoming Bicentennial Celebration gives more meaning to the establishment of a Heritage Center, in addition to adding to the cultural facilities of the city. The board recommended that our club give assistance in the form of financial aid and work expertise. The financial aid will come from the commitment of the proceeds from the Guy Lombardo dance. It was also recommended that we continue our Community Scholarship Fund, but limit monies for all other projects. The center would be housed in a refurbished building as opposed to constructing a new building. Dan projected the completion of the clubs assistance to the project to be July 4, 1976. A motion was made, seconded and passed that the club take on this project.

Number one on BILL YORK's community events calendar was the coming of the Maine Nordiques on October 23, 1974 to play an exhibition Hockey Game with the Junior A Team. The action will start at 7:30 at the Riverside Arena. Tickets can be purchased for \$2.00 from BOB NIGRO before Wednesday. Proceeds of the game will go to the Greater Portland Youth Hockey Association.

LAST WEEK: PHIL DUBE gave us an informative classification talk on the duties and intricacies in running a travel agency. Phil also showed a fast moving film that took us to a number of countries.

GOODWILL AMBASSADORS:

October 1, 1974      Scarborough - Al Boudreau, Ron Hall, Carroll Beck  
Ed Theriault, Ted Wainwright

October 8, 1974      Scarborough - Dick Kennedy, Jack Keller, Bill York

October 9, 1974      Lewiston-Auburn - Harris Plaisted

QUIZ CORNER: Question: How many years would it take you to visit every Rotary Club in the world, at the rate of one club visit each day? Answer: More than 45! and then you would have to start visiting these clubs formed since the start of your journey.

RIDDLE OF THE WEEK: It is much easier to be critical than to be correct. B. Disraeli

This Week's Meeting - October 16, 1974

This week's Program Chairman HAROLD FRALICH will have for us a classification talk by PHIL DUBE.

SAM GIFTOS subing for HAROLD FRALICH introduced ED WHITTEN, Account Executive for Weyerhaeuser. Ed showed a film entitled "To Touch the Sky". The film depicted long range tree farming, showing how production of trees has been increased 20%. An interesting statistic shows that in this day and age each person needs one mature tree 100 feet tall and 16" in diameter every year.

President Dan opened the meeting by having DICK PYNE lead us in song. Dick exercised his option, by being choirmaster, in leading the group with a Happy Birthday song to his wife "MIKE". It appeared to your editor that everyone sang with enough volume for Mike to hear, even though she was not in the building. After a couple of verses of Wait Till the Sun Shines Nellie, a suggestion came from the floor to sing one more verse using Mike instead of Nellie. One can only speculate that maybe Mike also heard the last verse.

A change in the scholarship fund elevating them to full \$300 scholarships. The \$250 scholarship has been expanded to include Medical Assistant, Dental Assistant and Technical type programs.

A reminder from Dan that it cost the club \$18.00 this week for the guarantee of thirty-five meals, in order to balance the budget, this type of expenditure must be eliminated. Everyone's presence at your Home Club would correct this problem.

An important business matter will be brought up at next week's meeting. All members are asked to attend.

A board of director's meeting will be held Tuesday evening. Call President Dan at home or office for time and place. All members who are interested are invited.

RAY FROST has just returned from a three week vacation. During this time he visited with former Vice President BILL LEWIS in North Andover, Mass. Ray reports that Bill extends greetings to all club members.

This Week's Meeting October 9, 1974

## THIS WEEK

President Dan opened the meeting with song conducted by Captain Lloyd Knight, who saw the "harvest moon" one night this week, and sang accordingly. Lloyd got back next to the "whipped cream" to resound with the high notes....and Nick Pappas became so concerned that he gathered in most of the cream on one bowl of Jello... Bill Kourakos reported on his Occupation Seminars, now being arranged in both the South Portland and Cape Elizabeth schools, and is enthused about the reception his program is getting...It will mean club participation later, however, so get prepared to answer the call as soon as Bill gets the necessary "feed back" from the students on what occupations most interest them....J. B. Maxwell received a two-year perfect attendance pin...congrats! ....Buffalo (New York) raised Don Jenis learned a little more about Maine "folk" when he tried to get air in his tire at Packard's in N. Waterford...his "Hee-Haw" description of the World's Fair (also N. Waterford) was hilarious...combat boots to a dance?...you must have kicked up some dust that night, Don!

The formal meeting was excellent with Harold Fralich introducing "G.H." Dorr, Director of the Portland Museum of Art (appointed March 1974).

Harvard educated Dorr, who has served similar posts in Minneapolis, Santa Barbara, and Phoenix before returning East was most entertaining, and with the assistance of slides, showed us "legs, curves, and dainty little things" that we can find, if you observe closely, in the Portland Museum of Art...if you missed this one, it was rated "P.G." and whetted the appetite of non-art loving blokes like ye editor to visit, and see more of the same..an interesting exhibit to note will be the nautical one on "ships and sea", beginning November 22. Darn good program, coupled with an excellent mean of roast beef no less. Nights like this, Harold will get them back to "meeting night".

## NEXT WEEK

Harold promises a repeat performance of this weeks' excellent meeting with Ed Whitten of Weyerhaeuser in the limelight...Ed will discuss the Forestry and Lumber Industry in Maine. Other programs this month include a classification talk by Phil Dube; a meet your candidate night with James Erwin telling you why it should be his turn ; and LADIES NIGHT (mark this one down, gals) for October 30.

## HEARD HERE AND THERE

Warren Simpson poured twice..and served Jello once..is he a candidate for office? ..J.B. is a skier, looking for a good slope..to compete with West Virginia skiing.. travel agent Phil Dube recommends Mt. Abrams..Ye editor agrees with Phil's choice, but is promoting Evergreen Valley as the "place to be"..international politics was the subject of discussion amongst Les Waters, Nick Pappas, and visitor Bob Nesbitt.. Bob Carson was toasted by Dan for something or other...did he break 80 again?..Dick Holden carried his glass in late, and last but not least Ray (Frost) is back...but Bill York is missing..that New York week-end must have been worse on him than Sam's trip to East Stoneham.

ATTENDANCE: Ray sure is back, and what a group of make-ups to be recognized..not responsible for omissions, but here they are, and not necessarily in their chronological order: 8/14 Harris Plaisted at Biddeford-Saco; 9/3 Frank Hugo, Al DiMatteo, Harold Fralich at Westbrook; 8/30 Harris Plaisted at Sanford; 8/30 Dick Pyne, Ted Wainwright, Dick Kennedy, Bill Kilroy at Portland; 8/28 Dick Anderson at Biddeford-Saco; 8/27 Ed Theriault at Scarborough; 8/20 Harris Plaisted, Bob Egan, Nick Pappas at Westbrook; 8/19 Al DiMatteo at Danvers (Mass); 8/27 Frank Hugo, Dave Jutras, Dick Twomey, Dick Holden at Westbrook; 8/21 Ted Wainwright at Biddeford-Saco; 8/27 Bill York and Ted Wainwright at Scarborough; 8/7 J.B. Maxwell at Clarksburg, W. Va. and again for J.B. at Clarksburg on 8/14; Harris Plaisted, Harold Fralich, Dick Jordan and Arthur Keniston at Portland on 8/23; and 8/16 Dick Holden, Sam Giftos, Dick Yerxa

Music by the Internationals and a floor show by Ethnic Groups of Maine. Tickets \$7.50 each, \$15.00 per couple. Further information may be obtained from Mrs. Kenneth M. Baird, 27 Gould Road, South Portland 799-5278 and Mrs. William Graham, 139 Pitt Street, Portland 773-3773.

Should any Rotary Club (or Rotarian) be approached by one identifying himself as Ben Quinn, Benito A. Qulhenna, or Walter V. Navavetian who purports to be a Rotarian from Honolulu, it would be well advised to contact the Central Office of the Secretariat in Evanston immediately.

Dick Anderson gave a report on the new prices for the Christmas Tree Sale. Further information will be given at a future meeting including scheduling of times for assistance in the sale.

The program for the evening was presented by Mr. Fred Pape, General Campaign Chairman of The United Way. Mr. Pape announced that this year's goal will be \$1,700,000. The original budgets submitted by the various organizations was \$2,069,000. The budget committee determined that they would accept an essential budget of \$1,924,000. Mr. Pape pointed out that at least 2 out of 3 families in Portland use services provided by organizations under United Way and that only 7¢ of every dollar raised is used for overhead and administrative costs. Mr. Pape's talk was followed by a short film.

This Week's Meeting - September 25, 1974

THIS WEEK: George Chandler, program chairman, will introduce Mr. Fred Pape, General Campaign Chairman of The United Way. Mr. Pape will talk about their objectives for this year.

LAST WEEK: President Dan Mooers called the meeting to order at 6:15 P.M. Dick Anderson introduced visiting Rotarians and guests. President Dan gave a brief report on the 1974-1975 internal and external budgets. These reports will not be mailed out, but all members may obtain a copy of the reports at the next three meetings. The Board of Directors welcomes comments and questions on the reports. The program for the evening consisted of a follow up slide show on the Bethel Charter Night trip.

The cast consisted of Paul Butler, Harold Fralich, Bob Carson, Sam Giftos and Dan Mooers.

Producer - Dan Mooers  
Narrator - Dan Mooers  
Screen Play - Dan Mooers  
Photography - Dan Mooers

The slides showed a great deal of splendid scenery in the Bethel area. There was a constant glare from the sun reflecting off aluminum cans that seemed to abound in the area. All in all it appeared to have been a good weekend for those involved.

REMINDER: The North Waterford World's Fair is coming up. Six couples have already signed up and this trip promises to be better than the Bethel affair.

Remember the Maine State Department of Transportation Bond Issue in November. The Highway program in Maine could be in for some trouble if it is not passed.

This Week's Meeting - September 18, 1974

THIS WEEK - Once again, we have to present one of our tremendous surprise programs. The program will be announced at the meeting.

LAST WEEK - President Dan Mooers called the meeting to order at 6:20 P.M. Don Jenis introduced visiting Rotarians and guest.

Dan Mooers gave the following account of their representation at the Bethel Charter Night.

Left South Portland at staggered hours so they would not be recognized. Arrived in time to be welcomed by the Rumford Club, who was the sponsoring Club for the evening. Were promptly led to a head table at the back of the room. Approximately 100-120 people attended from various states. President of a Canadian Club drove 500 miles to attend.

Bill York gave his account of up-coming community events including the North Waterford World's Fair.

President Dan suggested that as many couples as possible should get together to attend this Fair. Dan has 6 couples already signed up. The plan to rent cottages or use their own campers at the Papoose Camping and Tenting Area.

The guest speaker for the evening was Mr. Al Ellsworth, executive director of Junior Achievement. Junior Achievement works with today's youth. The purpose of Junior Achievement is to educate youngsters to the business world and to introduce them to all aspects of the business world. The current enrollment in the program is 450 students in the three city area of South Portland, Biddeford and Kennebunk. Each student business is sponsored by a local business. Academic credits are granted by some high schools. One project used by Junior Achievement to involve students is called Project Business. This project is aimed at Junior High Students, involving tours and trips to local plants. Local business men are invited to local class rooms to provide lectures to 8th graders. Some colleges are now providing credits to individuals enrolled in Junior Achievement. A second project is Economic Awareness. This project is aimed at lower income or welfare families and is strictly adult in formation.

RENEW THE SPIRIT OF ROTARY #5 -

WORTH REPEATING - This article is taken from Portland's, August 23rd Bulletin. IS HISTORY REPEATING ITSELF?

Fourteen Hundred years ago, the Roman Empire ended, and Gibbon, in his History of the Rise and Fall of the Roman Empire, lists the following reasons or causes for its fall!

1. Excessive spending by the government.
2. Unwillingness of young men to bear arms and fight for their country.
3. Over indulgence in luxury.
4. Breakdown in morality and easy divorces, thereby weakening family life.
5. Excessive effeminacy, with the boys and men dressing and acting like women and women acting like men.
6. Breakdown and drifting away from religion.

This Week's Meeting - September 4, 1974

THIS WEEK - Due to circumstances beyond our control, the program for this week will be a surprise to be announced at the meeting.

LAST WEEK - President Dan Mooers called the meeting to order at 6:15 P.M. Grace was given by Dan Mooers and the singing was led by Sam Giftos. Jim Doughty, substituting for Dick Anderson, introduced visiting Rotarians and guests. Ron Stewart assessed fines to all visiting Rotarians for not listing their classifications. President Dan proposed the following individuals for membership.

William J. McGonagle - Classification - Post Office

Donald Turner - Classification - Public Administration Finance

Ron Stewart introduced our newest member - Ralph Kilgore. Ralph is from Morrills Plantation and is a graduate of the University of Maine and holds a masters in education. Ralph is currently enrolled at Boston University and is studying for his Doctorate. Ralph was a fighting marine in the Korean War and has taught in Portland and South Portland. Ralph has been a member of the City Council for a number of years and is the current chairman. He is a coach in the Babe Ruth Baseball League but his win-loss record was unavailable. Ralph lives with his wife Ann and his two children Kevin 14 and Ginger 11. President Mooers welcomed Ralph to the club and presented him with his Rotary pin.

Bill York gave his usual comprehensive report on community events.

Bob Carson introduced Mr. William Brooks the guest speaker. Mr. Brooks is a fellow Rotarian from Hampstead, Long Island, N.Y. His talk focused on the problem of over population in the World. He stated that at the conclusion of the World Population Conference held in Hungary, it was concluded that we must cut down the population of the earth so that everyone lives a good life. He pointed out that the population in the world has expanded as follows:

1830 - 1 billion; 1930 - 2 billion; 1960 - 3 billion; 1975 - 4 billion

It is estimated that by 2010 there will be about 8 billion people in the world.

He also stated that although food will be a problem, the need of providing services will also become a severe problem due to the lack of resources. In conclusion, Mr. Brooks showed a series of slides on the Coast of Maine.

- REMINDERS - 1. The Bethel Rotary Club will be holding their Charter Night on Friday, September 6, 1974. Further information may be obtained from Ray Frost if you are interested in attending.
2. Rotary International has announced the 13 - 19 of October, 1974 as Youth Activities Week.
3. Scarborough Club now meets at 6:30 P.M. Tuesdays at the Marshview.

This Week's Meeting - August 21, 1974 !!

PROGRAM CHAIRMAN, Ron Hall, will introduce Mr. Richard M. Day. Mr. Day has recently become the newly named Executive Director of the South Portland Board of Industry and Commerce. Mr. Day is a past president of the Framington, Mass. Rotary Club. Mr. Day will have some interesting and informative information on his new post.

LAST WEEK - President Dan Mooers called the meeting to order at 6:15 P.M.

Lloyd Knight led the singing with his usual expertise.

Dick Anderson welcomed visiting Rotarians and guest.

President Dan Mooers presented the following information to the members;

1. Letter received by all Rotary Club Presidents in R.I. District #779 stating that the District Nominating Committee as directed in June has proposed Jean Caron of the Rotary Club of Shawinigan, P.Q., Canada as a nominee for District Governor for 1975-1976. President Mooers stated that he would cast So. Portland-Cape Elizabeth's ballot in favor of Mr. Caron.

2. Letter regarding items of proposed Legislation and any proffered amendments acted upon by the Council on Legislation at the 1974 convention. Don stated that the club must cast a vote for or against approval of the action by the Council on each item of Legislation. The Board of Directors will be taking action on this item.

3. Letter from Maine YMCA Camp Fund thanking the South Portland-Cape Elizabeth Rotary Club for our donation of \$625.00. Plans are now being made for the dedication of the Y Camp's Rotary Village on Sunday, August 17, 1975. Additional details will be made available at a later date. Bill York gave a report on community events, including the WCSH Art Festival on Saturday.

4. PROPOSED MEMBER - Dan presented the name of William J. Loring as a proposed member. No objections were voiced by the members.

Ron Stewart assessed fines to the following members:

Bob Nigro - Incorrect date on bulletin

Keith Dennison - No Badge

Lloyd Knight - Excessive ?

Bob Carson - Winning match against fellow Rotarian on their home course.

Dan Mooers - Late start at August 7th meeting.

Guest speaker Gene Hunter presented an informative talk on women athletes. Mr. Hunter pointed out that many colleges are increasing their budgets substantially to present athletic programs for girls.

On the high school level it is estimated that over 1 million girls will be involved in athletics at the end of 1974. Mr. Hunter feels that the key to solving the problem of girls competing with boys is to provide a sound athletic program for girls. Mr. Hunter then showed a color film on the 1973-74 basketball playoffs.

REMINDERS - Guest speaker on August 28, 1974 will be Mr. William Brooks. Mr. Brooks is a naturalist and will present a slide program on the Coast of Maine.

RENEW THE SPIRIT OF ROTARY #2 - By Quality Membership Growth:

If we stop growing we start to die. Study the growth pattern - and the attitude of your club. Get the facts. Make a plan. Recruit new, quality members. Develop them into good Rotarians.

THIS WEEK'S THOUGHT - Laughter has no foreign accent.

This Week's Meeting - August 7, 1974

PROGRAM CHAIRMAN, Ron Hall, will introduce Mr. Tom Crane, Commander Casco Bay Power Squadron as our guest speaker on Wednesday, August 7th. This should prove to be a most interesting presentation.

## LAST WEEK:

President Dan Mooers called the meeting to order at 7:20 P.M. and one of the first orders of business, aside from the "Toast to the Women", was a toast to Harris Plaisted, who made his Semi Annual visit to his home club.

This was the first of 4 Ladies Nights scheduled for the year. The menu was Steamboat Roast Beef with all the fixin's and what an excellent turnout.

Dick Anderson welcomed visiting Rotarians.

Dick Holden received his 4 year perfect attendance pin.

Bill York received his 1 year perfect attendance pin.

Sargent at Arms Ron Stewart, fined Dick Anderson for no pin. Collected a minimal amount from all members who brought their wives and much more from those who didn't.

Bill York continued his Community Affairs program. We all are looking forward to the tomahawk and knife throwing contest at the 4th annual Militia Muster at York.

PROGRAM: Ladies' Night #1. A real surprise is in store for all Rotarians and Rotary-Anns. Let's all be sure to be ready to enter the dining room at 6:15 as the chef is planning a fine Steamship Round Buffet. See you all there!!

LAST WEEK: Program Chairman Frank Hugo introduced pinch-hit speaker Dick Tinsman. Dick gave a classification talk on some of the aspects of city planning. Dick is a consulting engineer with E. C. Jordan. An excellent presentation on such short notice, Dick.

Capt. Lloyd led us in song and Vice-President Dick introduced the many visiting Rotarians. It certainly is great to have so many visitors enjoying the fellowship of our meetings.

This was well above the average district attendance of 79.79%. In June, however, our club dropped to 30th position in the district with an overall percentage attendance of 79.41%. This was below the district average attendance in June of 79.75%. Jim also pointed out in his letter that there has been an overall net gain in district 779 membership of 7 Rotarians.

## RENEW THE SPIRIT OF ROTARY

My fellow Rotarians:

Rotary derives its strength from the personal dedication of each individual member to the ideal of service - helping others. This is the spirit of Rotary.

If every Rotarian - everyone, everywhere - will rededicate himself to the spirit of Rotary, accept a commitment to stand up for what is good and right, do those things within his grasp to build a better world - beginning with himself - Rotary can be one of the greatest forces for good this world has ever known.

This I believe with all of my heart. I pledge you my best - and Rotary needs your best - to make it so.

Sincerely,

William R. Robbins  
President, Rotary International 1974-75

Next Week's Meeting - July 17, 1974

July 10, 1974, Art Keniston, in celebration of his 11 years perfect attendance led our Sing-a-Long this evening. Art instead of adhering to Rotary Standard songs requested we sing "Smiles" and the "Wiffenpoof Song". Congratulations, Art, you did a great job and also congratulations on your perfect attendance!!

Visiting Rotarians mostly from the Portland area helped greatly in realizing our guarantee. Food this evening was fine, as new Chef has taken on duties at the Club.

Club Assembly, President Mooers said Board of Directors has been meeting as a body on a regular basis to finalize plans for the coming year.

President Dan inquired of the Club if there was any need for us to expand further than our three basic fund raising projects - the Christmas Tree Sale; Guy Lombardo Dance and the Management Seminar. The Club had little comment regarding this and felt that if we can do a good job on these three fund raising projects the year would be a success.

It has been made known to the Club that Roger Sturdivant no longer will be able to assist in the Guy Lombardo Dance and that we will have to train new personnel to handle this in the future. A suggestion was made that we go to some hotel, but this was tabled at the present time, because hotels do not allow individuals to bring their own liquor and also there are no facilities at the present time in the Portland area to handle 1200 people which attended our dance. Vice-President Anderson, indicates he will operate the Christmas Tree Sale this year and has already started the necessary procedure to purchase trees.

Art Keniston suggested in order to make our Management Seminar more successful we might hire professionals to sell the Seminar. The Board thought they might take this into advisement. Les Waters suggested thinking of new projects. Club felt at this time that the best thing we could do is to stay with the projects we have.

DUES: District Conference voted to increase the District Dues \$2.00 per year. Additionally, Rotary International has also indicated they are going to ask for an increase in two steps in the coming two years. Discussion was held as to whether we should assess the Club at the present time for the increase in dues or wait until July 1st, 1975 to increase the dues. During discussion it was decided that perhaps we should take care of our things this year, with an extra assessment rather than have the Club receive a heavy increase. President Dan indicated that the Board would discuss this.

FOOD: Les Waters, representing the Purpoodock Club indicated for us to get the standard of food which we received tonight it will be necessary to increase the price of food to \$3.25 per meal. The present \$3.00 is not adequate to cover the cost of the food and rent and therefore, we do get occasional meals that are not up to standard. This increase will take effect either July 17th or will be deferred until August.

SUGGESTED NEW PROJECT: Lou Kourakos notified the club that he was thinking of developing a High School seminar in both high schools in South Portland and Cape Elizabeth. These seminars will be offered during the school year, during school hours in order for the students to participate. The basis of the seminar would be that various individuals who are in Rotary who are in specific fields of business can hold these Seminars and give the young people a chance to get a real strong insight into various businesses and professions. This might assist

students in deciding what they will do in the future. The Club felt that this was an excellent idea but Mr. Kourakos indicated that it will take a lot of planning and that more than one individual will have to conduct this Seminar and that it will have to be cleared by the Board of Education in both towns. The Club seemed to feel that this was a worthy project, but a committee should be set up to investigate its possibilities.

#### MAJOR PROJECT DONATION VERSUS SEVERAL MINOR DONATIONS TO WORTHY CAUSES:

The Club entered into a lengthy discussion as to whether we should set our sights to the future on Major projects which might involve considerable amounts of money or whether we should continue to donate smaller amounts to cover various phases of our program. Suggested projects were to consider an improvement program at Fort Williams in Cape Elizabeth after consultation with the Cape Elizabeth Recreation Department. Also discussed were the possibilities of implementing a drive to build a swimming pool somewhere in South Portland, Maine. Various possibilities were discussed in this area as to where the pool should be located and how it should be financed and it was again suggested that a committee would have to be inaugurated in order to investigate this problem. As far as major projects opposing the minor project donations it was felt that perhaps we should involve ourselves in major project and divert our money to something of a greater magnitude.

#### CHAIRMAN'S REPORTS:

Lendall Knight, Chairman of International Youth Services suggested that this year we have a transfer program with people of French speaking extraction who may live in our district in Canada and that some of our Rotarians children would go to the Canadian cities and thereby experience living within a different culture. It was mentioned by President Dan that the District was in favor of this and since we have not actually made plans this year, this might be the best way to approach International Relations in Rotary for Youth. It was mentioned that Rotary cannot contribute money for this program, but could assist in implementing it.

Phil Dube, Head of Rural Services indicated that he would like to have a film from Rotary International to see what they are doing in this area. Once the Club was made aware of these Projects then we could decide ourselves which ones we could handle and which ones would be beyond our scope.

It was suggested perspective members should be posted in advance of being entered into the Club. The reason for this being Dick Kennedy felt was that Rotary should have an idea of who is coming into the Club.

Art Keniston, at the conclusion of the meeting said that we should have some type of publicity whereby our projects would be made known to the community. He suggested that our three projects be tabulated on film and shown to various agencies in the community.

President Dan also announced that Ladies' Night will be July 31st, 1974. This will be a part of the regular meeting but we wanted to mention it to the membership now so that they may plan to bring their wives if they desire and this will be a regular meeting plus some social activity.

THIS WEEK'S MEETING - JULY 3, 1974

PROGRAM: Incoming President DAN MOOERS with Rotary 1974-1975.

LAST WEEK: Perry Hudson informed us of the hiring - training and retraining done by the National Alliances of Businessmen for the disadvantaged.

Most Rotarians had sauce on their bread pudding - LEN KNIGHT had the sweetest tasting salad he has ever had.

The meal was excellent and seconds were served and there was some spoon stealing because of the dessert.

VP DAN MOOERS introduced 15 visitors - two more and we break our record.

DAN MOOERS GAVE A District Conference Report - More on that later.

## SAM GIFTOS NITE

Ye Ed has been in four other Rotary Clubs and never has he heard just a comprehensive and service filled report then that rendered by PRESIDENT SAM for a year of Presidency which was filled with the four way test.

A Standing ovation by the members was not enough for our PRESIDENT SAM. He received two standing ovations, spontaneously given by the Club.

PRESIDENT SAM had three objectives when he came into the Presidency:

- (1) A Year of Fun, Frolic and Fellowship.
- (2) Increase in membership from 48 to 55.
- (3) Continue our three main projects for the year - Christmas Tree Sales, Management Seminar and Guy Lombardo

There were Rotarians who helped and aided SAM but these Rotarians know who they are and the main asset we all had was the guidance and leadership of a leader like SAM. There will be no Rotarian of the Week because we know who is the Rotarian of the Year. - SAM GIFTOS.

SAM'S OBJECTIVE of singing at every Rotary Club was completed last nite by each and every Rotarian present giving a double rendition of "FOR HE'S A JOLLY GOOD FELLOW."

THINK of the following and see how well a job SAM did:

Doubled the scholarship for Technical and Nursing Training

The Christmas Tree Fund netted \$2,000.00

Guy Lombardo netted \$2,637.50

The Management Seminar was at a high level and netted the Club extra \$\$\$\$\$

Guy Lombardo continued to be the Social Event of the Year

Rotary continued its sponsorship of Cub Pack #30

South Portland Youth Hockey received a gift of \$375.00

A Testimonial Dinner for the Girl's State Swimming team was successful due to a gift from our club

A Donation was given the Cystic Fibrosis

Our Rotary Club is 600 % in the Rotary Foundation

PDG GOVERNOR LEWIN'S project came to \$1,000 which means a building named after our Club, along with Augusta, Waterville and Portland.

The South Portland Housing Authority now has a 16mm projector for our Senior Citizens

\$100.00 for the 75th Anniversary Celebration of South Portland

A gift to the South Portland Nursing Home

A gift to the Susan L. Curtis Fund for Mentally Retarded

Support of Dirigo State

YMCA Summer Camperships

South Portland Boys Club Trust Fund now totals \$2200 + the 5 to 6,000 donated as an initial gift

Singing was completed at each meeting with "For He's a Jolly Good Fellow."

SAM was right. On a visit with my Sunday School Class to a Synagogue in Lacrosse, Wisconsin the President of the Synagogue stated: We have a problem - All our debts are paid and we may have a drop in membership. Rotary, thanks to SAM'S leadership, will not have that problem and the money we earned for service was given to Service in the Year it was pledged.

Here's to SAM, who answered the call  
And gave the Presidency without a fall.  
With his one and only service above self  
He went far beyond with the FOUR-WAY TEST.
