This Week's Meeting - July 2, 1975

PROGRAM: DOUBLE FEATURE: DICK JORDAN presents: Dave Morse of the Thompson & McKinnon Co. and a month of investment is ahead of us. Also our four recipients of scholarships will be present at the meeting.

DON'T FORGET: This week starts our \$3.75 charge for each Rotary meal. 33% of our Club pay for their meals by the quarter. This works out very well from the Club's standpoint and from each rotarians. If you make-up (naturally you do not miss without MAKING-UP - the meal you missed at our Club is credited to your next billing. eg: YE ED missed a meeting April 25 but made up at Scarborough therefore his bill for the next quarter will only be \$45.00 instead of \$48.75.

LEE CHACE gave us a Classification Talk on Highway Engineering. It seems, as should be, the Classification talks turn out the best and this one by LEE was no exception. More of these are always welcomed. YE ED knows there is a Rotarian who has had four different Classifications in Rotary plus YE ED understands he may accept another if it is offered.

REMARK OF THE WEEK: When RAY FROST was toasted by PRESIDENT DAN, RAY stated: I was thirsty anyway. Nonetheless he deserves a lot of credit for the work he does as our Club Secretary. They say that the backbone of the Rotary is the Secretary and there is a fact that in Cape Elizabeth-South Portland we have an extremely strong backbone. THANKS, RAY for a job well done and a job which will continue to be well done in the future.

ROTARIAN OF THE WEEK: DAN MOOERS

Our past president as of the next meeting DAN has brought a wonderful Rotary year of SAM GIFTOS as District Treasurer and HAROLD FRALICH as GOVERNOR NOMINEE for 77-78. He has brought us Ladies and Family nites on the fifth Wednesdays. His remark on increased Fellowship was certainly proved, just watch the singing at the next meeting and the joviality which is carried throughout the meeting. YE ED noticed it last week. DAN has served us well and deserves our heartfelt appreciation for a job done above and beyond the call of duty. DAN changed us from Guy Lombardo to Sammy Kaye and kept up the Christmas tree sales as our two big annual events. Under his reign our membership remained on an even keel and he leaves his office to LES in great condition. We all join DAN as LES said when he presented him his Past President's Pin in another standing ovation.

WELCOME ABOARD LES: Next week will begin a new reign and LES, who introduced our visiting Rotarians last week, now takes over the gavel and runs the show. Let us all remember that a leader such as DAN or LES need our cooperation and we shall give in the future as we have in the past.

BILL YORK does OK as a song leader.

DID U KNOW: It was great to have DUKE BLEWETT, a past district governor with us last week. YE ED thinks back and was in school with him as the Dean in University of New Hampshire and his daughter Sallie Anne was with him as President of Westbrook College.

THERE WILL BE NO MAKE-UPS IN PORTLAND ROTARY on Friday, July 4, 1975.

MAKE-UPS: WARREN SIMPSON, RAY FROST (Scarborough 6/17); RALPH KILGORE, DICK KENNEDY, BOB NIGRO, BUD PLAISTED (Portland 6/20); NICK PAPPAS (Biddeford-Saco 6/18); FRANK HUGO, ART KENISTON, ED THERIAULT, HAROLD FRALICH (Westbrook 6/17); HAROLD FRALICH (Brighton, Eng. 5/25); HAROLD FRALICH (Geneva, Switzerland 3/6); RAY FROST (Wells-York 6/25).

GUESS BOB CARSON is fifth in the Dist. in Golf so he must be first for us. Fantastic Food was at the Balsams and a fine program which was described by LES WATERS & DAN MOOERS.

ED THERIAULT received his two (2) year perfect attendance pin.

THANKS LEN KNIGHT for the swell programs in June.

This Week's Meeting - July 9, 1975

PROGRAM: DICK JORDAN will present: YE ED decided that if he put this program in we would have 100% attendance and that would be too much.

LAST WEEK: A program on investments was well received and we actually learned. We welcomed back CARROLL BECK from his short stay in the hospital.

P.P. DAN MOOERS introduced GENINE OBERLUND, STEVEN DODD, TERESA DULAC and RICHARD ANDERSON and their parents who were the recipients of the Cape-South Portland Rotary Club Scholarships for this coming year.

DICK PYNE was not ready but he led us in singing anyway.

DAN MOOERS was renamed DAN "PODIUM" MOOERS INC.

BILL YORK shone forth with activities so galore that Ed could not write fast enough.

THE REMARK OF THE WEEK: President LES: "I won't be here next week. DICK HOLDEN did the honors of introducing our fellow visiting Rotarians.

Scarborough Rotary now meets at Noon at the Marshview on Tuesdays. One could be quite late if he doesn't heed this one.

SECRETARY RAY took over the helm at the Wells-York Rotary Club and inducted the new officers who will guide Wells-York for the incoming year. RAY was a charter member of this group (Honorary) as he helped found this club.

ROTARY IS: The Original Service Club -- the most International Service Club -- corresponds or conducts Rotary meetings in more than 35 languages and dialects -- includes Rotarians who are members of every leading world religion -- has representatives in every developed country in the free world -- provides aid and comfort and service to more than 35 million people each year and INCLUDES YOU AND YOUR FAMILY.

"Nobody who can read is ever successful at cleaning out an attic."

MAKE-UPS: DON TURNER, SAM GIFTOS, FRANK HUGO, BUD PLAISTED, WARREN SIMPSON, R. W. KERL (Portland 6/27); DICK KILROY (Biddeford-Saco 6/25); AL DIMATTEO (Ansonia, Conn. 6/24); CARROLL BECK, TED WAINWRIGHT (Scarborough 6/24); GEORGE CHANDLER (Biddeford-Saco 6/25); NICK PAPPAS (Biddeford-Saco 6/25); DICK YERXA (Biddeford-Saco 6/25).

The acupuncture makes you wonder, was it penicillin that cured us or the needle.

A new deal has arrived and LES WATERS and DICK HOLDEN took over the honors as President and Vice-President. This was done in rare fashion by LES and Past President DAN MOOERS exchanging pins and a good time was had by all. This is the time for Rotary resolutions -- YOU ARE A ROTARIAN -- and now is the time to think over the reasons why you are a Rotarian and if you carry the Rotary objectives and goals throughout your business and in the world. Now is the time to ask, Am I a meeting goer or as Melvin Jones, First King Lion would say, Am I a doer of the earth????

This Week's Meeting - July 16, 1975

DICK JORDAN PRESENTS: Franklin Allen of F. O. Bailey, continuing on DICK's investment month will be: Antiques as an Investment.

SECRETARY RAY FROST wishes to thank the membership for their prompt reply to dues notices. They have been coming in so that almost 75% have paid their dues. The food bills are out now so we can show him that we can do the same with them. This helps not only RAY but every member of the Club.

REPERTOIRE and DESSERT or Desert YE ED does not know how to spell so we will just say that ELLEN KNIGHT is a star and LLOYD sang for that statement TEA FOR TWO and LLOYD can prove it.

DICK HOLDEN toasted for a better attendance next week. V.P. BILL KOURAKOS introduced the visiting Rotarians. J. B. MAXWELL gave us the Grace and LLOYD led us in one song - that is one ONE song not two, to the flag of our nation.

HAROLD FRALICH was extra special and fantabulos with his presentation on I.R.A. If you don't know what that means ask HAROLD as your future depends upon it, that is if you think you will need a little \$\$\$\$ for retirement. Yes, we have Social Security - but it is not so Social and not so Secure.. How about that????? With the few limitations of the I.R.A. it really sounds like many a Rotarian should be looking into this one.

ATTENDANCE JUNE 1975 - CLUB - 85.61%

HONOR ROLL: 100%: BECK, CARSON, CHANDLER, CHACE, DENNISON, DUNN, FRALICH, FROST, GIFTOS, HOLDEN, HUGO, JENIS, KELLER, KENISTON, KENNEDY, R. KILROY, LEN KNIGHT, KILGORE, KUHN, MOOERS, NIGRO, PAPPAS, PLAISTED, SIMPSON, THERIAULT, WAINWRIGHT, WATERS, YORK.

SECOND CLASS: 80%: CHANTAL, DUBE, GAW, HALL, JORDAN, W. KILROY, KOURAKOS, PYNE, YERXA.

LESS THAN 60%: BUTLER, DIMATTEO, DOUGHTY, LLOYD KNIGHT, MAXWELL, STEWART, TWOMEY, TURNER.

NO EXCEPTIONS: The new patient was visibly upset when the doctor's nurse led him to a cubicle and ordered him to undress. "But I just want the doctor to look at my toe!" he complained, "Everyone must undress," she said. "It's a dumb rule," mumbled that patient as he started to comply. "That's nothing," growled the voice in the next cubicle. "I came in to fix the telephone."

MAKE-UPS: BOB NIGRO (Biddeford-Saco 7/2); R. KILGORE (Westbrook 7/1).

ROTARIAN OF THE WEEK

Yes, this week goes to the unknown Rotarian. He is the real Rotarian who lives the Four-Way Test. You know him of course, he takes everyone of the 86,400 seconds in each and every day and he lives them in Love of his fellow mankind. This is the true Rotarian. You must know him. If you don't merely look in the mirror -- If you don't see him there then look up the four-way test and work on it. What a world this would be if each and every person in the world lived like the ideals of Rotary tells each of us to live by. We should do this in all of our affairs. YE ED takes his inventory each and every day of his life and ya know some days he does NOT live like the Rotarian he is supposed to live. Hope YE ED does better tomorrow. Remember that yesterday is a cancelled check, tomorrow is a promissory note, but TODAY is C.O.D.

Next Week's Meeting - July 23, 1975

DICK JORDAN will advise us through DICK KILROY: Is real estate an investment or not?? We have great programs but the greatest seems to come from our own members. Why go away for talent when we have it right here.

SGT-AT-ARMS BOB NIGRO fined each and every Rotarian who did have a pin.

LBS WATERS brought us a flag back from Johnstown, New York.

SAMMY KAYE netted us over \$1,200.00.

FRANK ALLEN, a fellow Rotarian from Portland Rotary gave us the subject of Antiques as an Investment. Guess we have to know what we are doing to do anything in this life.

DID YOU KNOW: About 200 years ago the British strategy at Bunker Hill was to attack the Colonials, create panic and then march to Cambridge and capture the Colonial headquarters and stores.

Action began at 4 AM when the British fleet saw a small fortress had been constructed during the night at Breeds Hill.

A total of 200 cannons from six major ships and land batteries kept up a continuous bombardment on the Colonial positions.

The British Infantry was part of the best army in Europe, however, the Colonials had a large number of 'retreads' from the French and Indian War.

General Howe planned his main attack on the Colonials rear flank, but the Colonials recognized this shortcoming in their defenses and took immediate steps to rectify the situation. Two hundred men were dispatched to put together a line of logs, rocks and hay - later known as the "Rail Fence". General Howe did not attack until 3:30 PM and therefore, gave the Colonials the entire day to improve their defenses....

Three orders were issued to the Colonial troops (1) Do not fire until you see the whites of their eyes. (2) Fire Low. This improved chances of hitting some part of the body. (3) Aim at the fine coats. This meant the officers (leaders) were the prime targets.

Magnificent courage was displayed on both sides. The Battle of Bunker Hill broke the offensive power of the British Army and they never again attacked an earthworks defensive position in Boston.

George Washington, coming from Philadelphia, was told of the loss of Bunker Hill, but upon hearing the details of the battle he said, "the liberties of our country are safe."

ROTARIAN OF THE WEEK

BILL YORK - Our great informant of current events happenings is now retiring after a long and meritorious service to our Club. We have learned about everything from spelling bees to plays. This was performed with the greatest of mastery in joviality and concern for his fellow Rotarians. We even could plainly go back and hear the tender but frustrating cries of a small baby. It takes a certain personality to perform a job like this and our Rotarian of the Week -- BILL YORK -- has that talent and ability.

MAKE-UPS: BUD PLAISTED (Brunswick 7/14); WARREN SIMPSON (Brunswick 7/14); DICK KENNEDY, AL DIMATTEO, WARREN SIMPSON, DON TURNER (Portland 7/11); BUD PLAISTED (Westbrook 7/8); ED GAW (Lewiston-Auburn 7/10).

THERE ARE BUT TWO ASSETS WE HAVE IN LIFE -- TIME AND TALENT -- USE THEM RIGHT.

This Week's Meeting - August 6, 1975

WARREN SIMPSON PRESENTS: Paul Whithead, general manager, Cumberland Civic Center.

LAST WEEK: LES WATERS with the Pledge of Allegiance; HAROLD FRALICH with America the Beautiful; DICK KENNEDY with the Grace and LLOYD KNIGHT with his usual songs; our official pourer was RAY FROST (Seems as though he not only does his job well but does more and more of more).

LADIES NIGHT saw 17 Rotarians escorting lovely damsels into our midst and needless to say it was more than pleasant, plus our speaker, Carrie Johnson, who gave us all an insight into family financial planning and investments.

SGT. AT ARMS BOB NIGRO had a ball with ART KENISTON for a dollar and DICK KILROY for another one. The debate was that ART should get a wholesale price but no action was taken.

QUESTION OF THE WEEK: What is a horse's necktie; BILL KOURAKOS never told us????

DICK HOLDEN introduced our visiting Rotarians and our lady guests were introduced by ART KENISTON, HAROLD FRALICH, PAUL CHANTAL, GEORGE CHANDLER, AL BOUDREAU, RON STEWART, DICK YERXA, CARROLL BECK, PAUL BUTLER, DICK ANDERSON, RAY FROST, DAN MOOERS, BOB NIGRO, HOWARD MOORE, DICK KILROY, DICK HOLDEN AND LES WATERS in many varied ways.

BILL KOURAKOS + PRESIDENT LES would like to have the committee chairmen get their program for the coming year in. The deadline was July 31, 1975. They will all be coming in by next Wednesday.

No one gets lost on a straight road.

YE ED watched from 6:03 to 6:10 out the windows and each and every Rotarian whod came in put his coat on when he disembarked from his car. YE ED was smarter - he didn't wear one.

It took us 4 minutes and 57 seconds to be seated after the gong was clanged by PRESIDENT LES, but we had a good excuse for it this week.

DID U NOTICE: Seems as though the remark was made during Table Talk that a new flag was needed, An American one.

You cannot dream yourself into a character - you must hammer and forge yourself one.

MAKE-UPS: FRANK HUGO (Portland 7/25); WARREN SIMPSON (Portland 7/25); DICK KILROY (Scarborough 7/22); BUD PLAISTED (Sanford-Springvale 7/25); SAM GIFTOS (Augusta 7/28).

ROTARY HAS HIGH IDEALS in business and in the life of each and every Rotarian and they should be dealt with like in the words of Attorney George R. Farnum of Boston, Mass. - "Ideals are meant to be lived. Though they must first be formulated in the mind, they remain like seeds hidden in the ground until they germinate in the heart and bring forth good and useful deeds in the workaday world of men."

Happiness does not come from doing easy work, but is the afterglow of satisfaction that comes after the achievement of a difficult task that demanded our best.

ROTARIAN OF THE WEEK

DICK JORDAN: Naturally for his splendid programs this past month. An expert himself, he picked some other experts to stay on the theme of investments. Especially noticeable was DICK's ability to recognize talent so near when he picked on HAROLD FRALICH and DICK KILROY who gave great speeches as well as information on investments. Thank you DICK for a job well done.

This Week's Meeting - August 13, 1975

WARREN SIMPSON has for us: Richard Berry, State Senator, who will give us the story of DOINGS IN THE LEGISLATURE.

LAST WEEK: Paul Whitehead was a great speaker who gave us the inside story of the Cumberland Civic Center and what it will mean and do for us. Most interesting, especially his History of Decades of Music.

LLOYD KNIGHT has us waiting until the sunshine and smiling to the tune of Music.

REMARK OF THE WEEK: By Les Waters: "The Invisible Man."

SECRETARY RAY reported with compliments that 75% of the membership has paid their dues for the year.

PRESIDENT LES read a letter of thanks from the YMCA for our donation to the Maine Rotary Village. Any interested in the opening ceremonies call LES. It will be at 10:45 A.M., Sunday, August 17, 1975 at the State YMCA Camp.

PREVIEWS OF COMING ATTRACTIONS: PRESIDENT LES will have details on the Golf Tournament next week for us.

BOB CARSON acted as Sgt. of Arms and hooked even our quite often visitor, TOM GRIFFIN for his full page picture and got also BOB NESBIT in the same category for his summer attire. This should make our constant and continuous fellow Rotarians right at home. BOB also took care of LLOYD KNIGHT for mentioning some television channel and some college (guess the college and the TV station are both in the Great State of Maine.)

PRESIDENT LES read from the Governor's letter which stated that our Club Attendance Average for 1974-1975 was 85.09% & we were in the 12th place in the District. For the month of June we were 10th place in the Dist. with an average of 85.66%. This record is excellent but it could be better. Those clubs above us in June were: BETHEL, DAMARISCOTTA-NEWCASTLE, WELLS-YORK, BOOTHBAY HARBOR, ROCKLAND, QUEBEC-EAST, RANGELEY, SCARBOROUGH, BAR HARBOR and then came US.

Our District Governor JEAN CARON will visit us in November and a copy of the Summary of Club Plans and Objectives will be reviewed. We should be working on this now. This is essential to DG JEAN as part of a report he must make to R.I. JEAN is giving a year to Rotary service, the least each club can do is to make his task as easy as possible. It is not necessary to have an extensive folder of club activities, but is essential that all activities be briefly summarized on this one form. There must be at least two (2) copies prepared for the D.G., one for R.I. and one for the District.

One of the most successful and enjoyable District Conferences was held June 19-22 at the Balsam, Dixville Notch, N.H. Eighty Rotarians came early on the 18th to enjoy the facilities of this 15,000 acre private resort estate. Three hundred and ninety-four more registered for the conference that started on the 20th. Remember our club will have this responsibility in 1977 at the Balsams. FUTURE DISTRICT GOVERNOR HAROLD FRALICH will need our help. Volunteers are being accepted now.

"RENEW THE SPIRIT OF ROTARY"

Effective Monday, August 11, 1975 the Brunswick Rotary Club will be meeting at the New Meadows Inn on the road between Cook's Corner, Brunswick and Bath. New meeting time will be at 12:15 PM.

We were honored last week to have the PAST PRESIDENT of the Portland Rotary Club, CLEO KING with us as a visiting Rotarian.

MAKE-UPS: ED THERIAULT (Biddeford-Saco 7/30); J. B. MAXWELL, NICK PAPPAS (Westbrook 7/19); BUD PLAISTED, BILL YORK (Scarborough 8/5); BOB NIGRO (Portland 8/1).

WARREN SIMPSON has got a real friend and fellow Rotarian for us: Yes, our constant visiting Rotarian from Portland, TOM GRIFFIN, as YE ED said when WARREN told him, "Who's he?" I'll put that in the bulletin and here it is. Tom's topic - Nigeria.

PRESIDENT LES banged the gong at 6:22:12 and we were all seated and saluting at 6:22:45. Unbelievable but true.

TABLE TALK settled on gardening in Cape Elizabeth and the decision came with the remark of the week; "TED WAINWRIGHT" and a little help from automation could farm with a tuxedo on." Names like Jordan, Young and the Rich Bros. also came up.

BILL YORK sang us from Down in the Valley to taking in High Road in Loch Lomond.

PRESIDENT LES ANNOUNCED that Martindale will have the Rotary Golf Tournament on September 12 with Prime Rib and the Bar will be opened. Reservations for golf carts can be made by calling 784-2323.

Sgt-At-Arms BOB NIGRO had no business so PRESIDENT LES gave him the business plus 25¢.. If you don't know why I aint gonna tell you.

SENATOR RICHARD BERRY gave us a good run down on the legislature and gave some mighty nice comments about our Governor. Incidentally JIM LONGLEY is a Fellow Rotarian from Lewiston-Auburn.

REMEMBER that all committee reports should be in by July 31. YE ED forgot that, and looking over the schedule he finds himself the chairman of three (yes, I said three) different committees with no help from the directors as he must recruit his own men, but I shall do that with the needle extended from the Director BILL, as soon as I find them. The bulletin committee is all set with an anonymous chairman and CARROLL BECK and WARREN SIMPSON serving as the news reporters and substitute Editor in case YE ED slips.

MAKE-UPS: DON TURNER, RON STEWART, DICK PYNE (Westbrook 8/5); LEE CHACE (Biddeford-Saco 8/6); DICK YERXA (Biddeford-Saco 8/6); TED WAINWRIGHT (Biddeford-Saco 8/6); BUD PLAISTED, RALPH KILGORE, NICK PAPPAS (Portland 8/8).

We are all involved in "make-ups" either through making-up or welcoming others who have come to our club to make-up.

BILL YORK informally introduced his newest member and our newest member PETE RUMERY.

JULY ATTENDANCE (Club 81.40%)

100% - HONOR ROLL: BOUDREAU, CHACE, DENNISON, DIMATTEO, DUNN, FRALICH, FROST, GIFTOS, HOLDEN, KENISTON, KENNEDY, R. KILROY, KUHN, NIGRO, PAPPAS, PLAISTED, PYNE, SIMPSON, THERIAULT, TWOMEY, WAINWRIGHT, WATERS, YORK.

80%: BECK, BUTLER, CHANDLER, DUBE, JORDAN, KOURAKOS, MAXWELL.

60%: CARSON, CHANTAL, DOUGHTY, GACETTA, GAW, W. KILROY, L. B. KNIGHT, L. R. KNIGHT, MOOERS, TOFT, YERXA.

LESS THAN 60%: JENIS, KELLER, KILGORE, TURNER.

ROTARIAN OF THE WEEK

TED WAINWRIGHT: TED is not the gentleman farmer as before mentioned but works at it and does a good job. Along with farming taters for chips TED received his 13th year perfect attendance pin last Wednesday. TED is certainly a power of example for all of us Rotarians. YE ED must admit that he thought TED really lived on an island as he talked about RAM ISLAND, but YE ED thought it was the light house out in the bay. Did you know that TED went to the College of Hard Knocks and has been on the planning board at the Cape. Flying, fishing and hunting are his hobbies and I'll bet he has a green bottom if he dusted in that plane last Tuesday. It was really low over the green trees. TED has even had time to have his family; Wife, Norma + Linda, Betty Ann, David, Jo-Anne; and lives at Fowler Road in the Cape.

The easiest way to get into trouble is to be right at the wrong time.

SEPTEMBER 30: Happy Anniversary MARGARET and DICK HOLDEN; Happy Birthday J.B. MAXWELL

DID YOU KNOW THAT KEITH DENNISON shot a 69 with a 6 handicap or was it a 4 handicap. Anyway that is good. Congrats to KEITH.

TOM GRIFFIN certainly did a magnificent job last week. TOM, a graduate of MIT was a Lt. Col. in the Army and served the city of Portland as Director of the Department of Public Works. His rendition on Nigeria was great. Just the opposite history from our own U.S.A. It was the most unique travelogue YE ED has ever heard.

This Week's Meeting - September 3, 1975

FRANK HUGO PRESENTS: Dr. Robert E. McAffey - President - American Cancer Society - Maine Division.

LAST WEEK: PP HAROLD FRALICH who will be our District Governor in the upcoming year did an excellent job of presiding in the absence of LES WATERS (whereabouts unknown) and Immediate PP DAN MOOERS (who was watching the 14th Inning continued from the night before). HAROLD toasted the Beautiful Day after the Pledge of Allegiance and J. B. MAXWELL gave the invocation.

SGT AT ARMS BOB NIGRO got JACK KELLER for 5¢ for being late and DICK KILROY for 25¢ for lateness + looking out the window. BOB made the remark of the week: "There is a late fine for leaving early."

YE ED knows the persuasiveness of our future District Governor HAROLD FRALICH as he explained last week on Rotary as a SERVICE CLUB. YE ED had not filled his committees with volunteers but after HAROLD spied out the purpose of Rotary YE ED got his committees completely filled by asking the next Rotarians he came upon and they said YES. Thank you HAROLD.

NEW MEMBERS INTRODUCED NUMBERED FOUR

BILL YORK introduced PETE RUMERY of Hague International - RON STEWART introduced HUGO SANDRAGARD, Executive Director of South Portland Housing Authority and DICK DAY - former Rotarian and PP of South Portland Board of Industry and Commerce. GEORGE DUNN introduced STEVEN DUNN (his son) of Beltone Hearing Aids Co. of Maine.

JOE HAHN of the Society for Crippled Children and also Secretary of the Bath Rotary Club gave us a pictorial review of Pine Tree Camp and asked for volunteers for aiding Crippled Children.

In these difficult times we must intensify our actions: 1. Let us do our share so that our clubs may have the cohesive strength of fellowship, that they be active and cordial, and maintain a genuine statutes of dignity in the community. 2. Let us contribute our own performance, either as businessmen or as professionals, to make the prestige and dignity of our activities stand out, and let us use our knowledge to improve the quality of life. These are the words of Ernesto Imbassahy de Mello of R.I. President.

FRANK LYMAN has had to resign for personal reasons mostly health. We are sorry to have FRANK leave us. He joined in January, 1964 and had a very good attendance record until his sickness almost two years ago. Please feel free, FRANK, to visit us any-time you feel up to it. We will be glad to have you with us.

Freedom is like a coin. It has the word privilege on one side and responsibility on the other. It does not have privilege on both sides. There are too many today who want everything involved in privilege but refuse to accept anything that approaches the sense of responsibility.

MAKE-UPS: RON STEWART (Scarborough 8/26); KEITH DENNISON (Scarborough 8/26); AL DIMATTEO (Brunswick 8/25); DON TURNER (Scarborough 8/26).

ALL COMMITTEE Chairmen should have had their program of work in for 1975-1976 for July 31, 1976. YE ED has one more to go and that will be in next week.

There will be a meeting of the Rotary Information Committee at 5:30 P.M., Wednesday, September 3, 1975 at the Purpodock Club. This meeting will have as participants: Chairman GEORGE DUNN; STEVEN L. DUNN - serving for three years; DICK YERXA, serving for two years; and HAROLD FRALICH serving for one year.

Competition is between those trying to be great, not between those who are.

SEPTEMBER 14-29, 1975 is WORLD UNDERSTANDING WEEK. The Board of RI has established "World Understanding Week" to be observed annually, during the week including the 15th of September, as a special week in which clubs are urged to present club programs and other activities especially emphasizing understanding and goodwill as essential for world peace.

IN MEMORIUM

FRANCIS X. LANDREY, a Senior Active member of our Club, who was born in Boston, April 11, 1898. PRESIDENT LES accompanied by the entire membership observed a few moments of silent meditation for FRANK at last week's meeting. Our condolences are extended to his family.

If we are to have free minds to help relieve the stress of disquietude in others, we must first free ourselves from it.

WE have really started out this year with a big bang with four new members. Let's keep it up & HEED THE WORDS OF SEC. RAY: "Let's get up in the TOP TEN in SEPTEMBER. Beginning Tuesday, Sept. 16, Scarborough will go back to meeting at 6:30 P.M. at the Marshview until the 1st Tuesday in July of 1976.

This Week's Meeting - September 17, 1975

FRANK HUGO called in his program and YE ED just can not believe that it is possible that he got such a program. It is just unbelievable that he would know our speaker or that anyone in our entire club would have the fortune to have this speaker. Seeing is believing - so come and See.

LAST WEEK: In order that we keep up with PRESIDENT LES roller skates will be on hand. The gong rang at 6:22:13 and the Pledge of Allegiance was started by LES at 6:22:51. Now we shall be on the ball. What a most interesting and good way to approach starting the meeting on time. Congrats to you PRESIDENT LES. LLOYD KNIGHT interrupted fast enough before an introduction to give us America The Beautiful and then we finally cooled down when CARROLL BECK gave the invocation. The visiting Rotarians and guests were introduced by BILL KOURAKOS.

RON STEWART introduced our newest Rotarians, JACK ROBERTS, the Welfare Director of South Portland. RON states that he has more coming. RON has got to date, that is, only this year, his third new member, or is it four, RON? If we all did the same we would have more members than Lewiston-Auburn and Portland put together.

SPEAKING OF MEMBERSHIP: Your membership committee consists of J. B. MAXWELL - Chairman, BOB CARSON, DON JENIS AND NICK PAPPAS. This was the first week in quite a while that our membership outnumbered the guest and visiting Rotarians. We can use more and the message from the membership committee is GET MORE. One member gets one new member.

PHIL DUBE, Chairman of the Fellowship Committee, announces that our family outing will be at Two Lights State Park, starting at 5:30 P.M. on Friday, September 26, 1975. This will be BYOF & BYOL. That means you bring everything you wish to imbibe in. Pay the Great State of Maine for your entrance in to the park and PHIL and his committee will take care of the rest.

BOB NIGRO gave us a double featured program twixt ART KENISTON & AL BOUDREAU and fines were levied but YE ED did not see any being paid. I'll hear about that next week.

DID YOU KNOW: That CARROLL BECK made the remark of the week which YE ED stole and put in above -- something about roller skates. If you don't know about it you are like the ED who does not read the bulletin either.

MAKE-UPS: AL DIMATTEO, WARREN SIMPSON (Portland 9/5); BUD PLAISTED (Lewiston-Auburn 9/4).

NOTES FROM R.I. NEWS: Rotary Foundation Week, Nov. 9-15 is a time to emphasize the dignity of the human being. President IMBASSAHY has urged Rotarians to mobilize for action in the area of youth activities, for example, so that the young will get the "bread and the book", and so that they as human beings may have the prospect of a dignified future.

R.I. Headquarters has many publications available especially for committee activities. Check your Secretary RAY for these.

"It is easy to misconstrue the actions and words of those whom we dislike."

ROTARIAN OF THE WEEK

ED THERIAULT: You should really get to know this great enthusiast for golf. Not only is he on the Board of Directors of Brookline, but is also on the Board of Directors of New England Golfing. The most interesting which goes along with our R.I. Pres. is the action on Youth Activities. ED was most instrumental in starting the Jr. Golf Program which shows us by the power of example how to be a good Rotarian. We sometimes wonder how a busy man like ED does the activities he is in, like the Propellor Club and YE ED could go on and on but ED just takes the time. HE IS NOT A JOINER, ED IS A WORKER. Glad to have you with us in Rotary ED and we could use some of your service above self in our own lives.

This Week's Meeting - September 24, 1975

LAST WEEK: Ken Connors of Geigers Bros. Farmers' Almanac certainly did a fine job. THE REMARK OF THE WEEK came from Ken: "I am so humble for a man who has so little to be humble about." His humor was beyond anything yet to come. He was hilarious.

THIS WEEK'S PROGRAM will be hosted by FRANK HUGO: Mrs. James McChael, President of Unionmutual Management Corporation. The subject: Money Management.

We must let the District Governor know how many plan for the District Institute, to be held in our Portland Area on November 1, 1975. It will be held in South Portland and is open to committee chairmen and Club Officers. Let LES know next week. We should have a good turnout for this one.

Every great oak was once a nut who held his ground.

PRESIDENT LES recognized the following new Rotarians: Newest in our club who were present were; PETE RUMERY, JOHN ROBERTS, HUGO SNADREGARD, BILL SPEAR.

LLOYD KNIGHT gave us Three Strikes We're Out and Smiles, while PRESIDENT LES led us in the Pledge, DICK HOLDEN gave us the real version of America and DICK KENNEDY led us in grace, which was epilogued by DICK HOLDEN introducing the visiting Rotarians & guests.

Former member PHIL CLOUGH was present and tells us that former VP BILL LEWIS of Wakefield, Mass. now, was playing golf recently at the Gorham Golf Course.

GEMAN OLIN was presented our Club flag by PRESIDENT LES to take back to Sweden and we hope he sends us a return one. Speaking of flags - where are they?

FAMILY OUTING: Yes, at Two Lights State Park, Friday, September 26, 1975. The fiasco will start at 5:30 P.M. Bring your family and refreshments and food. Pay your own way in and enjoy the fun provided by PHIL DUBE's Fellowship Committee.

OUR GOODWILL AMBASSADORS: RALPH KILGORE, RON STEWART (Biddeford-Saco 9/10); NICK PAPPAS (Westbrook 9/9); STEVE DUNN, LEN KNIGHT (Portland 9/12).

OUR ATTENDANCE RULES

The membership of any member who is absent from four consecutive regular meetings of this club without good and sufficient reason okayed by the Directors shall be automatically terminated unless such absence is made up. Such absence may be made up six days before the absence or six days after the absence, or on the day of the absence.

The membership of any member whose percentage of attendance is less than 60% during the first or second six months of the club's fiscal year shall automatically terminate, unless he is excused by the Board for good and sufficient reason.

Excused absences do not count for 100% attendance. A member who has terminated his membership for one of the above reasons may request reinstatement in writing to the Board of Directors. If YOU cannot be at Cape Elizabeth-South Portland on Wednesday evening, broaden your Rotary horizons by MAKING UP at other clubs.

SAM GIFTOS introduced our newest member PHIL SPEAR, a Navy Pilot who works extremely hard every week. PHIL lives at 41 Broad Cove and he has two daughters and one son. From Navy Pilot to Mine Sweeper he has gone around the horn and ended up every week-end in Hawaii. That is real living.

It's easy to see what makes people great -- they possess so many of our own superb qualities...
