THIS WEEK'S MEETING - October 1, 1975

PROGRAM: The DYNAMIC DUO of J. B. MAXWELL & NICK PAPPAS present Luther Francis of the American Diabetes Association.

LAST WEEK: Jim McMichaels of Union Mutual gave us an excellent run-down on investments and portfolio inclusions. Singing "NICK PAPPAS" was in good voice Sgt.-At-Arms BOB NIGRO did a good job on DAN MOOERS & BOB CARSONS plus getting everyone for no pins and crooked badges.

ALL COMMITTEE CHAIRMEN & OFFICERS of Cape Elizabeth-South Portland Rotary are expected to be at the Red Coach Grill, Exit 8, of the Maine Turnpike, November 1, 1975 for District 779 Assembly. The Program will be:

Sessions: \_\_\_\_\_ 9:00 a.m. to 11:45 a.m.  
Lunch (on District No. 779) \_\_\_\_\_ 12:00 noon  
Sessions: \_\_\_\_\_ 1:15 p.m. to 5:15 p.m.

IN DEFENSE OF REGULAR ATTENDANCE: Rotary thrives on fellowship which can result best from regular attendance. No one gets any fellowship from an empty chair. A Rotarian represents his vocation to Rotary and Rotary is his vocation. This is a basic idea of Rotary. When a club lends a classification, it has a right to expect that it will be represented regularly at club meetings. There is something to learn about Rotary and its object in every meeting. There is a direct relationship between fellowship and attendance. Members should appreciate this fact and endeavor to promote fellowship within the club (Staln-The Hub-Boston)

OUR GOOD-WILL CAPERS AND SOUTHERS: DICK YERXA, STEVEN DUNN, HAROLD FRALICH, AL DIMATTEO, DON TURNER, RON STEWART (Portland 9/19); RALPH KILGORE (Biddeford-Saco 9/19) BUD PLAISTED, BILL KILROY, DICK KILROY (Westbrook 9/16).

### ROTARIAN OF THE WEEK

FRANK HUGO: Who gave us the wonderful programs which we had last month. Certainly they were diversified and interesting and FRANK did an excellent job last month. It is not the easiest task in the world to line up programs of interest to all, but Frank did well on this line.

We certainly must admit that our programs are great at the Cape-South Portland Club and are well varied because of the system that is at our Club.

THIS WEEK'S MEETING - OCTOBER 8, 1975

PROGRAM: Somebody has for us a program of unknown origin and species which will come to the fore on next Wednesday, so YE ED suggests you be there and then tell YE ED what it is or at that time what it was.

LAST WEEK: Luther Francis did a magnificent job in his presentation on behalf of the American Diabetes Association from the Pine Tree Chapter. DID YOU KNOW: that RON STEWART was the Past President of the Pine Tree Chapter. Luther had a way which is rare to come by in explaining something so vividly but yet so clearly understandable for all. PHIL DUBE introduced him and THE DYNAMOS, NICK PAPPAS & J. B. MAXWELL got him.

RON STEWART introduced his two newest members: ED CORSON - General Manager of Rockwood Systems and GARTH GOOD - Owner and President of Blanchard Associates. These two new members make seven, yes YE ED said SEVEN, - That's the number that RON has brought to this club. YE ED would make him Rotarian of the Week but he got that honor last April. Just show that a good Rotarian keeps giving of SERVICE.

LLOYD KNIGHT - There are very, very few directors (which we should watch as we have been told) that can pitch the Star Spangled Banner but you did it superbly last week. The Pledge of Allegiance was given by President LES and DICK KUHN gave the grace.

POST VIEW OF GONE ATTRACTIONS: Ya-uh you guessed it, we are like the Red Sox; we win the pennant but were rained out in the PHIL DUBE picnic.

PREVIEW OF COMING ATTRACTIONS: LADIES NITE - Wednesday, October 29, 1975.

THE DISTRICT ASSEMBLY: November 1, 1975, Saturday, Red Coach Inn. All committee chairmen and officers of Cape Elizabeth-South Portland will be there unless you are in the hospital. If you are not there then SGT-AT-ARMS plus ???? will be after you. This really is the least we can do for the benefit of our club.

NEXT WEDNESDAY: Meeting of the Rotary Information Committee at 5:30 PM, October 8, at Purpoodock. This means GEORGE DUNN, STEVE DUNN, HAROLD FRALICH, DICK YERXA & WARREN SIMPSON. Did U know that WARREN SIMPSON was not asked but volunteered for this committee.

LLOYD took us to the Ball Game and also to the Fryeburg Fair via Song. This did not upset SAM GIFTOS.

It was not easy to find out if BOB NIGRO fined RAY FROST or RAY FROST fined BOB NIGRO in the picture which appeared on Rotary Village. EDDIE THERIAULT paid and Me Thinks LLOYD KNIGHT might have had a hand in something about the remark of the Week which was: "I'll never buy an O, Excuse me I can't spell that name."

RON STEWART, Chairman of Community Service Committee wishes to have the project list back in by next meeting. That is the 8th of October on the projects you wish to undertake in Community Service to both Cape Elizabeth and South Portland.

MAKE-UPS: (Goodwill Capers and Southers): FRANK HUGO, DON TURNER (Portland 9/26); HAROLD FRALICH (Brunswick 9/29); ED THERIAULT (Westbrook 9/23); GEORGE CHANDLER (Biddeford-Saco 9/24); BUD PLAISTED (Bath 9/23); RALPH KILGORE (Scarborough 9/23); BILL YORK (Cardiff, British Isles 9/26); BILL YORK (Cardiff, British Isles 9/19); BILL YORK (Roma Italia).

When your work is speaking for itself, don't interrupt.

The executive trying to impress the visitor from a rival company, flipped on his intercom and barked at his secretary, "Get me my broker!" Indeed the visitor was much impressed until the secretary innocently replied, "Yes, sir, Stock or Pawn?????"

This Week's Meeting - October 22, 1975

LAST WEEK: NICK PAPPAS introduced Joe Thomas, the Director of the Portland Players, who gave us an excellent behind the scenes look at what was going on. What more can you ask for than a positive approach with enthusiasm.

SGT. AT ARMS BOB NIGRO got his first year perfect attendance pin. BOB also had the remark of the week when he didn't have anyone to fine, he merely said: That doesn't mean that I quit.

PRESIDENT LES is really performing well for getting us in and out on time. KEEP IT UP LES! PRESIDENT LES with the Pledge, DICK HOLDEN introducing guests and visiting Rotarians and also leading us in America the Beautiful, DICK ANDERSON with the invocation and BILL YORK Giving our Regard to Broadway.

RON STEWART, Chairman of Community Service Committee would like to have the project sheets back in for what YOU want his Committee to do. Let's get them to RON by next Wednesday at the meeting.

Prayer is asking for rain and faith is carrying an umbrella.

FROM R.I. PRESIDENT IMBASSAHY de MELLO: "You are Rotary. Your club is Rotary. Rotary International is Rotary. We are together, and we shall be together in thought, at any time and anywhere, always and whenever a Rotarian attitude affirms itself or a Rotary achievement takes shape."

GOODWILL CAPERS AND SOUTHERS: DICK KENNEDY, J.B. MAXWELL, ED THERIAULT (Scarborough 10/7); RALPH KILGORE (Biddeford-Saco 10/8); FRANK HUGO, DICK DAY, BOB NIGRO, J. B. MAXWELL, NICK PAPPAS (Westbrook 10/7); BUD PLAISTED, C. GAW, RAY FROST, SAM GIFTOS (Portland 10/10).

The South Portland League of Women Voters invites us to a discussion on Maine's Right to Know Law. The program will be held on Tuesday, October 21, 1975 at 7:30 P.M. in the City Council Chambers at South Portland City Hall on Cottage Road. It is designed to inform people in this area of their rights under this law so that full implementation of the law is achieved. They look forward to seeing us there.

THE SPIRIT OF ROTARY is like the gentle rain from heaven. It cleans away selfishness, melts down the barriers that separate men, dissolves discords into harmonies, changes competition into cooperation, reveal the beauty of life and the inherent nobilities of every man.

Her account of the disasterous fishing trip with her husband went something like this:  
"I did everything wrong. I talked too loud. I made too much noise. I used the wrong bait. I reeled in too soon. I caught more fish than he did."

78% of all crashes involving bicycles and cars are caused by the bicyclists themselves. The Institute for Highway Safety made a study of 888 crashes and found that it's mostly youngsters through age 12 who are responsible for such accidents.

This Week's Meeting - October 29, 1975

THIS WEEK'S MEETING: "LADIES" NITE - BRING YOUR GAL AND YOU COME TOO.

LAST WEEK: DID U KNOW that it was DICK KENNEDY for the past two weeks who has been giving the invocation. PRESIDENT LES gave the Pledge and also the toast to the RED SOX but that was one run off for us to win. DICK HOLDEN actually has us singing America as well as taking care of introducing the Visiting Rotarians. LLOYD KNIGHT gave us a taking out to the ball park as well as a rehearsal on Oh Canada for the GOVERNOR who will be here November 5.

WHILE YOU ARE AT IT THINK, THINK, THINK of some good questions to ask the Governor on his visit here November 5. There will be a question and answer period, longer than his speech.

BOB NIGRO got the honest ones for saying that it was all over or not saying it when the home run came in, either the bottom or top of the sixth or seventh inning or something like that. But anyway we made money. GOOD WORK BOB. Pam Plum gave us a good slide presentation and narration of what the Greater Portland Landmarks, Inc. is all about.

YE ED thanks DIANE YORK for the following: Bicycle Street Rules: MUST ride WITH traffic, MUST obey traffic signals, MUST have a headlight and back reflector, MUST have a warning bell or horn. The accident rate in Great Britain and Europe is lower than in U.S.A. - probably due to the observance of the highway code by cyclists and the AWARENESS OF CYCLIST BY MOTORIST.

Bicycle riding is a healthy, fuel conserving sport - Let's make it a safe one! THANK YOU DIANE YORK and we hope the baby is sleeping through the night.

GET YOUR CHRISTMAS TREE LIST IN TO DICK HOLDEN OR TO PRESIDENT LES who are sharing together the Co-chairmanship of the Xmas Tree Sales. The trees will arrive December 5 and don't forget to ask your wives about the Christmas Wreaths so that they can get into the fun we have on this project, which EVERYONE participates in.

THE RED COACH GRILL will be the scene of a District 779 Conference on November 1, 1975 (Saturday). Attendance is mandatory for Club Presidents, Secretaries, Vice Presidents and Directors, all of whom will receive a free lunch. Topics to be discussed are, MEMBERSHIP, PUBLIC RELATIONS, YOUTH SERVICE and ROTARY INFORMATION. The meeting is highly recommended for newcomers to Rotary as well as to all Rotarians. Nowhere else does enthusiasm for the Rotary Ideals burn as brightly as at such a conference, and the potential for good in our club will become instantly apparent to all who participate. SEE YOU THERE?????

The law gives the pedestrian the right-of-way, but makes no provisions for flowers.

GOODWILL CAPERS AND SOUTHERS: DICK PYNE (Portland 10/17); BUD PLAISTED (Westbrook 10/21); AL DIMATTEO (Hampton, N.H. 10/21); RALPH KILGORE (Biddeford-Saco 10/15); ED THERIAULT AND HAROLD FRALICH (Westbrook 10/14)....

WHAT ROTARY DOES FOR YOU -- Rotary brings you once a week into close contact with a cross-section of the community's civic life.

LOOK AROUND and see if you can find someone to propose for membership in our club. RON STEWART just cannot do all of our work, but keep it up RON.

This Week's Meeting - November 5, 1975

THE DISTRICT GOVERNOR will be here this week so we will expect and will get a good attendance. All chairmen of Committees and Directors will meet with the Governor at 4:30 P.M. at the Purpoodock Club; ALL MEMBERS should be on hand with QUESTIONS to ask the Governor.

LAST WEEK: Ladies Nite went off wonderfully well with Steve Ames from the University of Maine talking about Arnold's March in 2 1/2 ton trucks to Canada with food along the way plus a battle in Quebec.

ATTENTION LADIES: Your invitation is now out to YOU. You are all selling, not making YE ED via PRESIDENT LES says selling, Christmas wreaths beginning November 29, 1975. Call MARGARET HOLDEN (799-7655) or MARGE WATERS (799-8273). MOST OF THE LADIES present have already signed up. MARGARET and MARGE are the co-chairwomen of the Xmas Wreath Sales which is a new innovation this year and they will no doubt outsell the men.

THE REMARK OF THE WEEK came from both sexes: PENELOPE CARSON with "Yankee Ingenuity" and DICK KILROY with "What page is Hello Doldy on?"

BOB NIGRO did an excellent job as Sgt-At-Arms with JACK ROBERTS on being Director and LES WATERS and Playgirl center fold. Then BOB climaxed with 10¢ from each Rotarian who did not bring his wife and then turned on the Rotarians with wives to get 10¢ from them for not sending their wives flowers within the past month. GOOD JOB BOB!!!

FRANK HUGO is doing well in the Maine Medical Center.

PHIL CLOUGH will be here next week with tickets to the Royal Canadian Band which will be playing at City Hall on November 22, 1975.

WHY NOT GIVE UP ROTARY????? This decision would free up to about 100 hours a year for private and personal use and fatten the wallet approximately \$200.00. I would gain a bit of time but I would lose"

the pleasure of meeting regularly the men who help: run the community, conduct the business and plan the future of our cities;

the opportunity to learn more about what's new in government, transportation, manufacturing, retailing and the art of communication;

the chance to discuss matters of concern to me with men who serve in a different vocation;

the pleasure of an interesting change of pace from my usual 'run' of weekly events;

the rewards that come from serving on a committee dedicated to the improvement of our local and world community.

When you consider carefully these five potential personal losses, it is no great problem to decide to remain in Rotary - - - and that's the truth!!!

MAKE-UPS: Bud Plaisted, Dick Yerxa (Portland 10/24); Ted Wainwright & Ron Stewart (Scarborough 10/21); Warren Simpson (Biddeford-Saco 10/22); Carroll Beck (Biddeford-Saco 10/22); Ed Theriault, Al Boudreau (Scarborough 10/21)

ALL ROTARIANS AND ROTARYANNS make sure that you contact DAN MQOERS on RAY FROST NITE, November 14, 1975. There will be no meeting on November 12 and this nite will be the Make-Up at the Yankee Squire.

Sign at cross-roads in the great Southwest: "Be careful which road you take - - you'll be on it for 250 miles."

THIS WEEK'S MEETING - RAY FROST NIGHT

RAY FROST NITE: Will be held Friday, NOVEMBER 14, 1975 at the Yankee Squire Restaurant in South Portland. MAKE SURE you call DAN MOOERS and make your reservation. There should be 100% attendance at this event. Wish you were all there to see the file that RAY had when Governor JEAN was there last week. DO WE REALIZE just what RAY DOES. SERVICE ABOVE AND BEYOND in RAY FROST and FRIDAY will be his night. THINK--THINK---THINK and then CALL DAN for your reservation. REMEMBER WOMEN ARE INVITED. YE ED and HIS WIFE ARE COMING. WHAT ABOUT YOU?

There will be NO MEETING next Wednesday, BUT BE THERE FRIDAY NIGHT.

ROTARY DISTRICT ASSEMBLY was held Saturday, November 1, 1975 at the Red Coach Grill. DID YOU KNOW?? Our members HAROLD FRALICH really worked on this one, SAM GIFTOS is the District Treasurer and RON STEWART was lauded by PRESIDENT LES and YE ED and given a warm round of applause for 8 new members and it looks like RON will have more and will no doubt establish a District Record. Also attending the District Assembly were Vice President DICK HOLDEN, Directors BILL KOURAKOS and AL BOUDREAU; Secretary RAY FROST; and Director BILL YORK. Cape Elizabeth-South Portland had one of the BEST if not the BEST attendance. A general assembly was held in the morning; sessions for Presidents, Secretaries and Rotary Information were held in the afternoon and a general assembly closed the session.

GOVERNOR JEAN CARON visited our Club last week and at 4:30 met with Officers, Directors and Committee Chairmen: LES WATERS, RON STEWART, DICK HOLDEN, BILL KOURAKOS, SAM GIFTOS, RAY FROST, HAROLD FRALICH, AL BOUDREAU, GEORGE DUNN and BILL YORK.

At our meeting GOVERNOR JEAN did a fine job of speaking short and staying long for an excellent question and answer period. It just goes to show us what a Governor has to know and certainly JEAN knows. GOVERNOR JEAN was presented an American Flag and the key to South Portland. His visit was certainly enjoyed and a great time was had by all.

DO NOT KNOW whose idea the new table arrangements were but it certainly did a great deal for the Fellowship that we enjoyed, which was in abundance at this meeting. YE ED sat with some Rotarians he had not sat with before and traveled with them all over the U.S.A.

WESTBROOK is now meeting back at the Legion Hall in Westbrook, Tuesday at Noon. They are also having a night with the Royal Canadian Mounted Police Band, November 22, 1975 at City Hall in Portland. Tickets are available from our former member, Phil Clough.

SAMMY KAYE CHAIRMAN NEEDED: Volunteers are being accepted by President LES.

HAROLD FRALICH was commended by PRESIDENT LES for the job well done at the District Assembly.

ATTENTION ALL WIVES: Every, yes YE ED said every one of the ladies present on Ladies Night signed up to sell Christmas Wreaths. JOIN THE MEN in their fun in selling and freezing at the same time. If you have not signed up call Marge or Margaret HOLDEN & WATERS.

REMARK OF THE WEEK came from JACK KELLER: Did you know that there is music for pigs?? Ask JACK about this one, it is REALLY THE TRUTH.

PRESIDENT LES gave the Toast to Swinigan Falls, and with two flags present the Rotarians did excellent under the leadership of LLOYD and LEN on the ivories with Oh Canada. The singing which followed under the same leadership was the BEST of any nite we have had. CHEF ERNIE was given plaudits for a job well done and Waitress BETTY did her usual magnificent job.

There is only one word for the Table Arrangements for seating last week and that is FAN-TABLE-LOUS.

MAKE-UPS: CARROL BECK, WARREN SIMPSON (Waikiki, Hawaii); RALPH KILGORE, RON STEWART, ED THERIAULT, GENE GENDRON, RALPH KILGORE, DICK PYNE (Westbrook); BUD PLAISTED (Kennebunk); ED GAW (Portland); PETE RUMERY, TED WAINWRIGHT, ART KENISTON (Scarborough).

This Week's Meeting - November 19, 1975

LAST WEEK'S MEETING - RAY FROST NIGHT - NOVEMBER 14, 1975

RAY FROST NIGHT: On RAY's 83rd or was it 84th birthday, the honors were spelled out in excellent loquations by those participating and each one of the almost 100 people present realized what SERVICE ABOVE SELF really is as This is Your Life - Rotary and Kiwanis Wise flowed from the mouths of those present.

The real special guests were BILL & MARION LEWIS who drove all the way from Mass. to be present and YE ED knows this is true as BILL didn't even have his golf clubs with him; then there was CLINTON WALLACE, a 55 year Kiwanian and not only BOB STEVENS, who owns RAY's company now and BOB brought along a former employee of RAY's, MRS. JAMES F. BENNETT. Secretary of Portland Rotary, DEANNA RICHARDSON, plus JACK MALCOLM of the Portland Club and PDG's RALPH MARGESON and CECIL GOODARD, as well as many members of RAY's family, even to his grandson - ASHLEY.

MC LLOYD KNIGHT was given the floor by Chairman DAN MOOERS and LLOYD gave the Pledge and sang with us America the Beautiful. SAM GIFTOS gave the toast to RAY & MARION and HAROLD FRALICH gave the invocation. HAROLD also gave us one of the remarks of the week when he told us that RHF on RAY's license plate stands for RAY HAS FUN. The cake had a number of candles on it and there was another remark about 33 not 84 but a Great Happy Birthday was sung for RAY. The toast was to DOTTIE FROST. LLOYD gave us SMILES but RAY got down to real business when he doffed his coat and led us in I'VE BEEN WORKING ON THE RAILROAD; and this he did in real whistling and tooting fashion. ELLEN KNIGHT (Double talented) rendered MARY for MARY FROST. Even AL SOUCY past president of Livermore Falls was there. ART KENISTON told about supervising the post digging with RAY doing the work.

RAY was presented a Paul Harris Fellow letter from R.I. by PP KEITH DENNISON and congratulations from District Governor JEAN CARON and a letter of congratulations from HARRY A. STEWART, Secretary of R.I.

LES WATERS gave in behalf of Rotary two trees, one in front of Cape Elizabeth Town Hall and the other in the South Portland Park where we sell our Christmas Trees, with plaques on them commemorating RAY FROST. DICK KILROY awarded RAY his 29 years of perfect attendance pin. CHAIRMAN DAN MOOERS gave a resume on RAY. The evening was climaxed with PP's KEITH DENNISON, HAROLD FRALICH, DICK KILROY, SAM GIFTOS, LLOYD KNIGHT, and DAN MOOERS honoring RAY as a PAUL HARRIS FELLOW.

This Week's Meeting - November 26, 1975

LAST WEEK: LOADS OF FELLOWSHIP with LES WATERS with the Pledge of Allegiance; DICK HOLDEN introducing Visiting Rotarians and leading us in AMERICA; DICK KENNEDY with the Grace; BOB KUHN with 3 Blind Mice in Ohio or Michigan; TED WAINWRIGHT with the Remark of the Week, when asked if he needed help with the lighting TED stated, "Better off not to have them."

THE ROTARY INFORMATION COMMITTEE consisting of Chairman GEORGE DUNN, with members STEVEN DUNN, serving until 1978; DICK YERXA, serving until 1977; HAROLD FRALICH, serving until 1976; WARREN SIMPSON, serving Exofficio, the Four Avenues of Service were introduced to the entire club members present: Vocational under the directorship of BILL YORK; Club Service under the directorship of BILL KOURAKOS; Community Service under the directorship of RON STEWART; and International Service under the directorship of AL BOUDREAU. WARREN SIMPSON did the honors at the projector and GEORGE DUNN MC'd the program. Let us not forget that to make this the Club it has been we must continue to admit we are Rotarians; Accept the Four Avenues of Service and give SERVICE OF OURSELVES to the programs and ideals of Rotary for Cape Elizabeth and South Portland Rotary Club. As pointed out and demonstrated by the MC if you do not believe this take not an aspirin; not an Alka Seltzer but put it all in like BROMO-SELTZER.

RAY FROST thanked the entire club and DAN MOOERS for the excellent and enjoyable program for RAY FROST NITE. We learned from RAY that the remark of the program of RAY FROST NITE came from Grandson ASHLEY, "I am prouderer than anyone."

PREVIEWS OF COMING ATTRACTIONS: December 17, Keith Dennison will be in charge of the Senior Citizen Party; December 10 will be Junior Achievement Night.

THANKS and APPLAUSE was given to J.B. MAXWELL for the presentation of his new American Flag to our Club.

DAN MOOERS, Chairman of the 1976-77 Nominating Committee will be calling a meeting of the Nominating Committee, consisting of Past Presidents, in the near future.

PREVIEW OF COMING ATTRACTIONS NOT TO COME: No meetings for our Club on December 25, Christmas Eve and December 31 - New Year's Eve.

SGT. AT ARMS clipped AL BOUDREAU once again and made a negative fine to BOB CARSON for moving from Cape Elizabeth to Cape Elizabeth.

CALL DICK HOLDEN if you have not signed up for your SERVICE to the Christmas Tree Sales. EVERYONE (and bring your strong bodies plus any you can get a hold of) on Thursday, December 4, 1975 to unload the Christmas Trees. This is a project everyone should get into and everyone must. If you do not call, DICK WILL call you. volunteers are needed December 5 to mark the Christmas Trees for pricing.

When a mistake is made OK, when an error is made OK too, but there is no excuse for YE ED making the complete blunder he did last week in renaming DOTTIE FROST. DOTTIE, YE ED has no excuse for something which is unexcusable to all, YE ED admits he was wrong.

GOOD WILL CAPERS AND SOUTHERS: BUD PLAISTED (Lewiston-Auburn 11/6); NICK PAPPAS (Biddeford-Saco 11/5); TED WAINWRIGHT (Scarborough 11/4); DON TURNER, JACK ROBERTS, KEITH GOOD (Portland 11/7); STEVE DUNN (Scarborough 11/11).

We're living in unusual times. There are pocket cameras, pocket recorders, everything for the pocket but money.

I wonder what Rotary would be if all Rotarians were just like me?

A frequent empty chair at Rotary meetings could ... and should mean an empty classification. Is yours in jeopardy?????

This Week's Meeting - December 3, 1975

BELIEVE IT OR NOT: Lewiston-Auburn Rotary just honored Rotarian MERT VINING FOR FIFTY (YES YE ED SAID 50) years of PERFECT ATTENDANCE. YE ED could have the same if he attends for the rest of his life and if he lives until he is 99. Don't think YE ED will make it but MERT certainly is a power of example in the lessons of anything worth doing is worth doing well. RAY FROST has the Cape Elizabeth-South Portland record and even that is hard to attain.

#### FOR WOMEN ONLY

ROTARYANNS please DON'T tell your husbands that they are all needed on Thursday, December 4 at the South Portland Park to unload Christmas trees and they should bring along any of their husky relations at 4:00 P.M. when the trees arrive. DON'T tell them also that more help is especially needed on Saturdays and Sundays for the Christmas Tree Sales, especially SATURDAY from 6:00 to 9:00 P.M. DON'T tell them that on Friday, December 5 any one of them should be there from 9:00 AM on to help price the Christmas Trees.

#### FOR MEN ONLY

Rotarians, please don't tell your wives that the Wreaths are being delivered (288) on Friday, November 28 and that the remark of the week was from DICK HOLDEN last Wednesday when he stated that a trailer will be available to avoid shrinkage. DON'T tell your wives that they will be selling from noon to 5:00 P.M. and more are needed to fill vacancies. More women on Tuesday 2:30 to 5:00 (2 more needed) and one more woman each is needed from 12:30 to 5:00 P.M. on Wednesday and on Friday 12 noon to 1:30 P.M. The women are to pick up the key at Hodges and return it and the money to Hodges at 5:00 P.M. and give it to RAY FROST if he is there or to anyone in Hodges (that is, that is working there) and it will be deposited by RAY.

IF WE ALL DO JUST THE OPPOSITE FROM WHAT YE ED SAYS, there will be no problem with our Christmas Tree and Wreath Sales. The test here is to see if reverse psychology really works. If it does YE ED will continue with his book, which he has neither thought of or started to write.

MASON SMITH, regular attending Portland Rotarian introduced PETER DOW BATCHLER who spoke last week on the ship disasters and the reasons why Portland has 6 lighthouses within 10 miles of each other. A pictorial review of the disasters and the lighthouses was given to us in a slide presentation. BOB NIGRO picked on AL BOUDREAU once again and after fumbling around AL got the money up. BOB KUHN made sure that we knew Christmas was coming with reminding us that this is the time of the year we should be Home on the Range and then top the icing with JINGLE BELLS. The toast by LES for Thanksgiving came in orderly fashion and YE ED was too late for the meeting to know about the Pledge and Invocation, as he was intent on listening to Channel 6, - Wonder why?????

As of October 13, 1975 there were 16,580 Rotary Clubs and an estimated 774,500 Rotarians in 151 countries and geographical regions. Since July 1, 1975, 65 new clubs were admitted in 25 countries.

SEE by the Windjammer that another PAUL HARRIS fellow, JACK MALCOLM was honored. Quite an honor to have JACK along with our own RAY FROST. The wonderful part of it was that both of these fellow Rotarians should be honored in such a way.

CAPER & SOUTHER ROVERS: STEVEN DUNN, WARREN SIMPSON (Portland 11/14); H. PLAISTED, SAM GIFTOS, DICK PYNE (Portland 11/21); LEN KNIGHT (Sanford-Springvale 11/21); DON TURNER, JACK ROBERTS, B. PLAISTED (Westbrook 11/18); RALPH KILGORE (Biddeford-Saco 11/19); RON STEWART, PETE RUMERY, BILL YORK (Scarborough 11/18); STEVEN DUNN (Rockland 11/21); CARROLL BECK (Rumford 11/17).

This Week's Meeting - December 10, 1975

ROTARY IN SCOUTING: Our Club accepted the sponsorship of Cub Scout Pack #30 for another year.

A thank you letter was received from the Cape Elizabeth Community Health Services expressing their gratitude for the donation of Thanksgiving Day Baskets.

QUESTION OF THE WEEK: Recreation we understand but passive or wild-life we have the question.

KEITH DENNISON had food for thought when he made the statement that we should follow through with what we started and help the Boys' Club. THINK ABOUT IT???

TEN PROJECTS were reviewed excellently by RON STEWART, Director of Community Services and the Club by vote of the majority chose three:

- (1) Tree Planting
- (2) Liaison with the United States Coast Guard
- (3) Hinckley Park

DAN MOOERS, chairman of the nominating committee made a proposal that our By-Laws be changed and that we should vote on this change in two (2) weeks which will come up on December 17. The change: THAT a 2nd VICE PRESIDENT be put in as an additional office. Dan stated that it was the feeling of the nominating committee that with our own HAROLD FRALICH going in as District Governor that this change would be a good idea. YE ED would like to also remark that our Vice-President left us this year and this made LES WATERS President with no back up and so another nomination had to be held. Seems like this change has more than just one thing going for it.

KEITH DENNISON, Chairman of the Senior Citizens Party on December 17 is looking for Rotarians to pick up the Senior Citizens.

CAPE & SOUTHER ROVERS: AL DIMATTEO (Providence, R.I. 11/25); BUD PLAISTED, HAROLD FRALICH, DICK PYNE (Westbrook 12/2); ART KENISTON (Westbrook 11/25); DICK DAY (Syracuse, N.Y. 11/28).

DICK DAY introduced our own member HUGO SANDREGARD who gave us the info in the shortest speech and one of the best - that 49% of salary is for the government in Denmark; cigarettes are \$1.48 a pack and gasoline is \$1.84 a gallon. Thank you DICK & HUGO.

MEMBERSHIP PROPOSALS CLEARED BY CLASSIFICATION AND MEMBERSHIP COMMITTEES: If, within ten (10) days of the receipt of this Bulletin, no objection has been filed in writing with the Secretary, CHANDLER GOLDWAITE (Nachi Bearing Corp.) MANUFACTURING, Bearings, proposed by RON STEWART, and MICHAEL LEMLY, Captain U.S.C.G. (Base Commander-U.S.C.G.-South Portland) MILITARY, Coast Guard, proposed by RON STEWART and FRED J. MADORE (Pape Chevrolet), AUTOMOBILE MANAGEMENT, proposed by DAN MOOERS, will be considered eligible for the next steps in Rotary membership.

LAST WEEK'S MEETING certainly was a most enjoyable meeting and maybe we ought to have more like them. YE ED didn't realize just how much was going on within our club and the activities of service that Fellow Rotarians are giving of themselves to the Community as well as the membership. THINK ABOUT THAT ONE: If you are not a Rotarian doing something then you better ask just what you can do????

"By the streets of 'by and by' one arrives at the house of never."

OUR CLUB has song books which were on the table last week and it has and should be the tradition at Rotary meetings (that's each one of them) to sing a Rotary Song.

Keith Dennison is our chairman for our Senior Citizens Nite. Our thanks to KEITH, a past president.

BOB KUHN, Chairman of the Music Nite gives the entire membership a choice - the DECISION - Sammy Kaye or Guy Lombardo. This decision is yours next week and those present will make the decision.

Political DICK PYNE led us in Silent Night and Rudolph - The Red Nosed. New member BILL SPEAR introduced the visiting Rotarians, Sgt.-at-Arms shipped BILL SPEAR for false advertising and went to a dime for each missing Rotary pin.

DICK HOLDEN gave us a pep talk for great sales this week-end to go over the \$2,500 mark. Let's DO IT but ya gotta bring your own girls. YE ED is contracting for 2 bunnies and that is bald - meaning not a hare.

1st V.P.: Don Jenis  
2nd V.P.: George Chandler

In his invitation to The Rotary Foundation Week, R.I. President Imbassahy pointed out, "The 'alumni' of the Rotary Foundation are sharing their experience with people and are moving into positions of increasing influence in many business, professional, academic and governmental areas. We must continue to build this cadre of leadership, for the pursuit of international goodwill and peace assumes more importance today than ever in history".

REQUEST: If any Rotarians have pictures of RAY FROST NITE please bring them to RAY for our club Scrap Book.
