Our Next Meeting - Wednesday - JANUARY 7, 1975

PLAUDETTES, LAUDETTE & RAHETTES are in order for KEITH DENNISON, Chairman of the Senior Citizens Nite in Rotary which we all took part in last week. (Ed Note - Plaudis from Latin meaning praise; Laudis from Latin meaning Honoring; and Rah from plain American English meaning RAH, RAH, RAH.) KEITH you did an excellent job and as the comments came from LOTTIE & FRANK HOLBROOK (who were two of our Guests): "Have been coming here for three years and we wouldn't miss it. This year was the best we have been to because of the congeniality shown by the Rotarians at the meeting and because of the same shown by The South Portland High School Chorus." KEITH, a job well done, Thank You.

BOB KUHN is our new chairman of the Sammy Kaye Dance, which will come next Spring, which was voted on last week at our meeting. Remember BOB will be asking for help and it is our responsibility to give it to him when asked.

HOW ABOUT THAT: Future District Governor and Past President HAROLD FRALICH and District Treasurer and Past President SAM GIFTOS playing Santa Claus with gifts for each one of our Senior Citizens at our meeting.

REMEMBER: A Check can be sent by YOU to the South Portland Chorus.

MOTIONS MADE AND DULY SECONDED AND VOTED AT THE LAST MEETING: That the By-Laws be changed to allow for the annual election of a Second Vice President.

That the following officers and directors be elected for the year 1976-1977:
President: DICK HOLDEN; 1st Vice President: DON JENIS; 2nd Vice President: GEORGE CHANDLER; Secretary: RAY FROST; Treasurer: ART KENISTON; Director at Large: LES WATERS; Directors: CARROLL BECK, PAUL BUTLER, DICK PYNE and BOB NIGRO.

QUITE AN EVENT LAST WEEK with Seth and Mary celebrating their 75th and 84th Birthdays.

DID YOU KNOW?: BILL YORK was a priest in Portland Players "Twigs".

MAKE-UPS: ED GAW (Portland 12/12); FRANK HUGO (St. Petersburg, Fla. 12/12); BUD PLAISTED (Sanford-Springvale 12/12); LEN KNIGHT (Sanford-Springvale 12/12); RALPH KILGORE (Biddeford-Saco 12/10); STEVE DUNN (Bath 12/2).

The Directors and Officers and South Portland-Cape Elizabeth Rotary extend to each and every Rotarian "A MERRY CHRISTMAS AND A HAPPY NEW YEAR and wish to see each one of you at our Next Meeting which will be January 7. Their Seasons Greetings come to you with two meetings not to make up and not to have.

God has given us two ends with a common link; with one we sit; with the other we think; Success in life depends which we choose - Heads we win - Tails we lose.

YE ED also wishes to each and everyone of you and to all A MERRY CHRISTMAS and A HAPPY NEW YEAR and thanks for the opportunity and privilege to serve you this past 6 months as your Bulletin Editor.

P.S. Remember no meetings until Wednesday - January 7, 1976

As we are approaching the new year, each of us should ask the question: What do we mean by the fellowship of Rotary? Just remember the time when you first came into Rotary and remember how you felt. If it was a good fellowship feeling, treat a new member like that, if it was a bad feeling Please do not do likewise. If you can make sense out of that you too can be a Bulletin Editor.

LAST WEEK: BOB KUHN introduced George McCloud from South Portland High School who gave us a run-down on a pilot program for Career Education, which is in its third year at South Portland High School. This program starts in Kindergarten and goes through Grade 12.

SERVICE PINS were awarded by President LES for 14 years of service to: DICK KILROY, WARREN SIMPSON, TED WAINWRIGHT.

KEITH DENNISON was given a round of applause for the excellent job he did for Senior Citizens Night. The best compliment for KEITH came from President LES when he stated that a lady with a tear in her eye said it was the best time she had ever had. BOB KUHN presented the club with the Band Program involving Sammy Kaye?, Guy Lombardo? Bud Lehrmann?, etc. and the club members present passed the buck to the Board of Directors. Any ideas on this project or any others will be gladly appreciated by BOB and his Committee, give him a call.

HAPPY NEW YEAR-TIME TO THINK ABOUT CAPE ELIZABETH-SOUTH PORTLAND ROTARY RESOLUTIONS:

7. I will make new members feel wanted and welcome.

9. I will be critical only if constructive.
10. I will enhance the community respect for Rotary by striving to be a better citizen.

This Week's Meeting - January 21, 1976

LAST WEEK - JANUARY 14, 1976: BOB KUHN gave us an excellent program as a preview to the Super Bowl, with participants from South Portland High School: Steve is an off-end of the team and has been accepted at West Point. Tom Ramsey is on the All-Maine Team and Co-Captain of the S.P.H.S. Team. Along with them were Gene Hunter, the Athletic Director and their football coach Jack Flynn.

DIFFERENT PEOPLE LAST WEEK: DICK HOLDEN doing the chairing; LEN KNIGHT with the grace; GEORGE DUNN singing with little aid and lotsa aid VIVE LE ROTARY (a Rotary Song) and STEVE DUNN giving the introductions of visiting Rotarians.

DICK HOLDEN gave the Remark of the Week: It looks like a night we will all be Dunn; Steve and George emphasized this one in their participation. BOB NIGRO got RON STEWART 2 times and AL BOUDREAU was fined this time but given a dispensation for the rest of the year. KEITH DENNISON got into the act promoting PHIL DUBE's Skiing in France (a real good deal) and offered to pay AL's fine but BOB very simply fined KEITH too. KEITH paid his own and so did all the rest.

INTERNATIONAL SCHOLARSHIPS: Director AL BOUDREAU announced they will be conducting interviews Saturday, February 14, 1976 at the Meeting House Hill Congregational Church. 42 have submitted their names and 22 forms are out at this time and should be returning soon.

CHRISTMAS TREE SALES: DICK HOLDEN stated the profit of \$4,725 and thought we could do better next year on the wreaths. Our thanks are really out to all, but especially DON JENIS who so ably made us a better profit than we could have had. Thankful we are that DON can count.

OBJECTIVES: The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise, and, in particular, to encourage and foster:

First: the development of acquaintance as an opportunity for service.

Second: High ethical standards in business and professions; the recognition of the worthiness of all useful occupation; and the dignifying by each Rotarian of his occupation as an opportunity to serve society.

Third: The application of the ideal of service by every Rotarian to his personal, business and community life.

Fourth: The advancement of international understanding, good will, and peace through a world fellowship of business and professional men united in the ideal of service.

It is easy to see what makes people great -- they possess so many of our own superb qualities.

The worst thing about being on time is that everybody thinks you have nothing to do.

THE PATH TO PEACE FOR THE INDIVIDUAL: The person drawn to the path of sacrifice will also take a fresh look at the meaning of peace. So long as the concept is negative and defined as "the absence of war", so long as effort is limited to retraining potential aggressors or curtailing the means of aggressions, the results are likely to be disillusioning and dangerous.

Only by transforming the concept to describe the positive and constructive task of creating order in the world can the individual discover a path which will justify his personal sacrifice.

This Week's Meeting - January 28, 1976

LAST WEEK: President LES was back; with VP DICK HOLDEN with America; BILL YORK with the Invocation; ED CORSON introducing visiting Rotarians which included JOHN "JACK" KELLER transplanted from Cape-South to Scarborough back to visiting.

AL BOUDREAU seemed to have gotten away with nothing but got to do something. AL gave us food for thought when he told how little (he Alone) showed up in Augusta at a hearing where new taxes may come to we Mainers in services. This is a consumer's tax. AL already has one volunteer to go with him to Augusta for the next meeting. If you are a consumer you owe it to yourself to get on this one.

The International Scholarship Committee will hold it's interview Saturday from 8:30 A.M. and all committee members are expected to be there and will be called.

BILL YORK was congratulated on his 48-hour pin WHAT FOR? Why for Non-Smoking.

MASON SMITH was informally introduced as a new member transfer.

One of our perennial 100%ers did show up at our meeting - Thanks for visiting with us (your own club) RALPH KILGORE. This is really good fellowship when a member comes once a year and still maintains 100% or close to it. A good lesson for us all to learn.

REMARK OF THE WEEK: Upon receipt of his 14 (yes YE ED said fourteen) Years Perfect Attendance, DICK KILROY merely replied: "Never thought I'd get it!!! Well, congratulations, DICK YOU DID.

TALK OF THE WEEK: BOB KUHN did not have to go away from our own membership to get an expert with JACK ROBERTS, he had one. Welfare systems on AFDC, SSI and General Assistance were very well explained by our own member. YE ED NOTE: We have enough experts in our own club to never go outside the membership for speakers and to be perfectly honest about it -- Where else can we find any better.

FROM GOVERNOR JEAN CARON: Best wishes for 1976 from Charlotte and Jean Caron.

Our own member HAROLD FRALICH is complimented for a job well done at the Institute: "I am especially grateful to HAROLD FRALICH for the success of this Institute. He made all the arrangements, even contacted every Club President."

DISTRICT CONFERENCE: June 24-27 at l'Auberge des Gouverneurs, Centre Ville, Quebec City.

DISTRICT ASSEMBLY: This Spring - Send program suggestions to Governor Jean.

MAKE-UPS: J.B. MAXWELL (Clarksburg, W. Va. 12/3); J. B. MAXWELL (Clarksburg, W. Va. 11/25); BOB NIGRO, DICK PYNE (Portland 1/9); BUD PLAISTED, AL DIMATTEO, DICK PYNE, WARREN SIMPSON, DICK YERXA (Portland 1/16); LEN KNIGHT (Sanford-Springvale 1/9); FRANK HUGO (Gulf Beaches, Fla. 1/6); ED THERIAULT (Scarborough 1/6); RON STEWART, BUD PLAISTED (Westbrook 1/6); FRANK HUGO (Gulf Beaches, Fla. 1/13).

Conventions are something a lot of people leave behind when they attend one.

This Week's Meeting - February 3, 1976

LAST WEEK: We sang a song with Director LLOYD KNIGHT named Grand Old Flag and Mary and sang one without him and with him seemingly at the directorship without us watching the director called SMILES.

VP DICK introduced the Visiting Rotarians and DICK JORDAN gave the invocation. PRESIDENT LES ran his regular chores and per usual made them very pleasant. BOB NIGRO even fined himself along with other Rotarians for 25¢ each for no pin.

BOB KUHN our own Rotarian sweetened all our mouths with Eastman Kodak and made us realize that Eastman Kodak makes more than just films. That is two classification talks in the past two weeks. We certainly do not have to go outside of our own club for expertise and excellent programs. THE MORE THE BETTER.

JOHN TOFT is back at home at 94 Highland Road in South Portland and wouldn't it be nice if EACH & EVERY Rotarian of our club went to visit JOHN. In this way we could really show the Rotarian spirit and enlighten JOHN as well as ourselves.

BILL YORK made next month Engineering Month. Previews of coming attractions for February will give us: Oil Drilling, Research and Development, Management and Design with not only BILL but his co-classification man PETE RUMERY.

MASON "RUDOLPH" SMITH was a new member that nobody seems to know, especially YE ED.

MAKE-UP A REWARDING EXPERIENCE: A Patterson, New Jersey Rotarian found himself building air mileage and Rotary club visits at the same time. Within a short time he had made up attendance at 100 clubs. "Since this happened to me, I thought it would be a good idea to start a '100' club (for those like himself). Any volunteers for Cape and South.

MAKE-UPS: LEN KNIGHT (Sanford-Springvale 1/23); WARREN SIMPSON (Sanford-Springvale 1/23); FRANK HUGO (Gulf Beaches, Fla. 1/20); BILL YORK, J. B. MAXWELL, DICK DAY, GARTH GOOD, ED THERIAULT, PHIL DUBE, TED WAINWRIGHT (Scarborough 1/20); H. M. PLAISTED (Portland 1/23); LEN KNIGHT (Sanford-Springvale 1/16); BUD PLAISTED (Brunswick 1/19).

We need to remind ourselves again and again that as President Imbassahy has said: "The human being is the center and yardstick of everything." Institutions do not bestow value upon men, but rather it is men who bestow value upon the institutions. Rotary, our institution, counts upon us to enhance its value more.

"To dignify the human being in all aspects--respecting his right, the achievements of his work, of his culture, intelligence and spiritual values--is a certain pat to goodwill and to the desired understanding among men, peoples and nations: Peace."

Make your travel arrangements now for the Rotary International Convention in New Orleans, Louisiana, U.S.A., 13-17 June, 1976.

This Week's Meeting - February 11, 1976

LAST WEEK

Bill York presented Bob Kuhns and Andy Kawalski of Mobil, who spoke on our petroleum in three phases:

1. to increase the supply of secure domestic energy,
2. return to the free market,
3. proper role of government is to establish national policy.

Les Waters doubled up with the Pledge and introducing our one visiting Rotarian. Bob Nigro had nothing but Ray Frost got nothing bigger than a \$5.00 bill. The second double feature came from Bob Kuhn and Ray Frost leading an old-new song named "I've been working on the Ray road or was it the Bob road?" It was both.

The answer to Ray's statement of not getting any bill bigger than a \$5.00 bill brought the Remark of the Week from Pete Rumery: "It's tax time", this was followed by another remark, "That's where our economy is."

Bill York has not smoked since the super-bowl and in 2 to 3 weeks a new class will start on the non-smokers clinic at Maine Medical Center. Call Bill for phone number or better yet let him register you.

MAKE-UPS:

Ron Stewart, Lloyd Knight, Dick Kennedy (Scarborough 1/27)
Harold Fralich (Westbrook 1/27)
Lee Chace (Biddeford-Saco 1/28)
Frank Hugo (Gulf Beaches, Florida 1/27)
Steven Dunn, Dick Yerxa (Portland 1/30)

In "The Rotarian" for February, 1976, a new series begins profiling the "movers and shakers" in the evolution of Rotary, the world's first service club for business and professional men.

Rotary International is an association of Rotary Clubs throughout the world.

Is Rotary an adventure? Yes, the experience and testimony of thousands of Rotarians say that it is - is it with you?

Billy: "Mom, I fell in a mud puddle."

Mom: "What? With your new pants on?"

Billy: "I fell in so fast, I didn't have time to take them off."

This Week's Meeting - February 18, 1976

LAST WEEK

Bill York presented John Berkley of Haig International who gave us a lesson in government with their policies, Big Business with their profit and Labor with their \$\$\$\$.

YE ED's conclusion was that 'pears as though the consumer should fit in there someplace but then again we are business or labor and supposedly the government. Energy and our future was the essence and be it fusion of the sun on earth, wind power, oceanic Delta T etc., it appears that there is some expense involved which is the challenge to the engineer to bring the price down to a consumer's level. In the world 2% conversion to solar power and in the U.S.A. only 1%.

YE ED forgot and there is no excuse for this one. A PDG and over 50 year Rotarian told YE ED that whenever you have to leave a meeting early you should go to the speaker and inform him that you are leaving for another commitment and make your apology and then at least the speaker knows. YE ED did not do this and I have to think about this the next time I pull that stunt.

REMARK OF THE WEEK: LES WATERS to DON GACETTA: Before you go Mr. Gacetta...."

TABLE TALK: Centered around eating and the remark came: "Why every week, is there only French Dressing?" That brought on an excellent cuisine being served by Inn Town North with BILL TWOMEY adding that the Sunday Smorgasbord is only \$3.95. We also learned that the eating age is quite a bit different than the drinking age and both are found at the INN CROWD. Another lesson YE ED learned was to try something before you pass judgement on it. Who knows -- try it you'll like it.

LES WATERS gave the Pledge; DICK KENNEDY the invocation; LLOYD KNIGHT with Smiles and Heart of My Heart (not so hot) for St. Valentine's Day. TWAS NOT LLOYD'S fault but ours that his choice of a song was sung rather rottenly by us. PRESIDENT LES was given a 1/2 standing ovation for his receiving a one year perfect attendance pin from V.P. DICK HOLDEN, but LES in his usual cool manner, refused to make comment. VP DICK introduced the visiting Rotarians and led us in America.

LES WATERS presented the Charter to our sponsored Cub Pack 38 with 50 to 60 adults in attendance and over 40 Cub Scouts.

ANY CHANGES in phone number and names on the back of the bulleting must reach SECRETARY RAY FROST by Monday, February 16 -- Speak now or forever hold your peace.

This Week's Meeting - February 25, 1976

LAST WEEK

PRESIDENT LES is a real smoothy in his operation as a leader of our club. He has such an excellent way in which actions are taken and speaking is done with the least amount of friction possible. This is a talent which our President has and we are extremely lucky to have him as our President.

President LES gave the Pledge of Allegiance; DICK HOLDEN led us in American and introduced the one and only FRANK ALLEN as the visiting Rotarian. HAROLD FRALICH gave the invocation; and DICK PYNE led in the LLOYD DITTO REMARK in Smiles and Some Song about somebody's clock after informing us not to wear a Grandfather's Clock as a wristwatch is what normal people wear. DICK thanked all but SAM - YE ED did not get this one. On the way back YE ED was informed that President LES was the informer of wristwatches and not DICK PYNE.

AL BOUDREAU informed us that 2 winners have been chosen for the International Scholarships and the names will be coming up shortly after everybody is notified. AL thanked his committee: JACK ROBERTS, ED CORSON, BOB KUHS, CARROLL BECK AND GARTH GOOD.

PETE RUMERY was excellent in his presentation on his classification talk on HAIG INTERNATIONAL. His "wild" was more enthusiasm than wildness as it is great to see a person who is so overwhelming in favor of what, not only he is doing, but what his company is doing too. They do anything that they can spell. Thermo Shock, Heat Transfer, Combustion and are able to relate information of engineers to paper; women can translate into implementation and design to code. PETE informed us of the marine work and the industrial work they are doing. Why is it, that classification talks seem to be the greatest. YE ED Note: If there is a need for a program you have almost 60 members in our club and each and every one of them holds a classification which is different. One classification talk from each one and we could have the entire year dominated by our own expertise.

INTERLAUDE: Not interlude but interlaude as YE expects praise: Don't smoke in bed. The ashes on the floor may be your own. BILL YORK ADDS: Don't smoke at all.

MAKE-UPS: LEE CHACE, WARREN SIMPSON, FRED MADORE, ARTHUR KENISTON, DICK YERXA (Portland 2/13); DAN MOOERS, SAM GIFTOS (Biddeford-Saco 2/11); TED WAINWRIGHT (Boulder City, Nevada 2/11); BUD PLAISTED (Lewiston-Auburn 2/12); BUD PLAISTED, RALPH KILGORE, ED THERIAULT, DICK HOLDEN (Westbrook 2/10); FRANK HUGO (Gulf Beaches, Fla. 2/10).

WORD FROM R.I. PRESIDENT ERNESTO IMBASSAHY DE MELLO on his visit to the Vatican: Last December when Christmas was approaching on the horizon of the New Year, I and my wife, Acacia, had the honor to be received in an audience at the Vatican by Pope Paul VI, an everlasting memory in our lives. His Holiness referred with appreciation to Rotary. He expressed particular friendliness towards Brazil and Brazilians, and extended his benediction to our family and our friends. You all are our friends, as well as your loved ones. Friendship is not only derived from the bond of common interest and goals but from personal acquaintances. We have in common the Rotary ideal of service, which we try to reach in the paths of faith, of good citizenship, of work and of service to dignify the human being.

President of Rotary International in 1976-77 will be ROBERT A MANCHESTER, II, a member of the Rotary Club of Youngstown, Ohio, who was elected at the 1975 convention of R.I. He will assume the duties of office on July 1, 1976.

YOU HAVE A DATE WITH NEW ORLEANS: June 13-17, 67th annual convention, Rotary Int.

GEORGE UHLIG, Chairman of the 1976 R.I. Convention Committee, has been a member of the Ardmore, Pa. Rotary Club since 1951 and is a past pres. of the club. Born in Buenos Aires, Argentina, GEORGE is president of the Lug-All Co., a developer and distributor of hoisting equipment in Haverford, Pa., he has served RI as 1st VP, director and District Governor.

Our praises go to Chef ALEX and Waitress BEA for changing from French to Russian. BEA really remembers not only our milk but our tea drinkers.

This Week's Meeting - March 3, 1976

LEE CHACE presents a great Classification Talk by our one and only DICK KENNEDY - LEE has already told me it will be a CANNED speech.

LAST WEEK'S MEETING

HOWARD REICHE, former superintendent of schools in Portland and a long time Portland Rotarian was the hit of the evening. HOWARD played the piano for us and he did such a magnificent job that even SMILES and HELLO DOLLY seemed almost different. A standing Ovation was so great that HOWARD came back for the Dark Town Strutters Ball.

YE ED found out that finally he made the first mistake of his entire life. Yes he found out the hard way via BILL YORK and PETE RUMERY that HAGUE as in HAGUE International is spelled HAGUE. But when you look right at YE ED's new classification you will find out the reason why it was misspelled. No excuse, just a fact.

A man should never be ashamed to admit he was wrong - which is but saying he is wiser today than he was yesterday. ED NOTE: Today is the tomorrow I worried about yesterday.

BILL YORK introduced KEN HAGEN of HAGUE INTERNATIONAL (hope I spelled it right this time). Ken talked of artificial heart and assist pumps and tubes.

LES gave the Pledge; HAROLD FRALICH, the invocation; LLOYD KNIGHT, the singing or should I say the directing with some really good accompaniment of HOWARD REICHE; DICK HOLDEN introduced 11 visiting Rotarians with TOM FAHEY from the Lewiston-Auburn Club as our furthestest away.

THE REMARK OF THE WEEK: LES WATERS: "Taste your salad. Remember though that we meet on Wednesdays and any one knows from TV that "That's Italian."

BOOTHBAY HARBOR

asks us to pair up when Cape Elizabeth and Boothbay Harbor Junior High Schools go to the basketball court. This even is sponsored by Boothbay Harbor and see LES for further details.

The trouble with a lot of folks nowadays - they like to have their work cut out for them - completely.

MAKE-UPS

BUD PLAISTED, SAM GIFTOS (Portland 2/20); BOB NIGRO (Westbrook 2/17); BOB NIGRO, RON STEWART (Westbrook 2/24); FRANK HUGO (Gulf Beaches, Fla. 2/17).

DID-U-KNOW: that Cape Elizabeth-South Portland went from 34th place in October to 16th place in December in District Attendance. WE CAN DO BETTER THAN THAT.

Wife to husband: "I wish you had the spunk government officials have...they certainly don't let being in debt keep THEM from spending."

HAVE YOU EVER taken a moment to write a note of appreciation to a guest speaker? If you enjoyed his presentation it is a nice gesture and is also good public relations for Rotary.

WEAR your Rotary Pin with Pride. It is your badge of distinction.

TRY to attend Rotary regularly, at your own club - but if you must miss, plan to enjoy a make-up at another club. There is not a reason in the world why this club can't have perfect attendance by all - but this can only be attained by each and every Rotarian doing his 100%.

WE know last week that BEA, our favorite waitress helped clean the keys of the piano before HOWARD REICHE sat down to play, but what we are really interested in is the Rotarian who helped her and the reason why he helped such a beautiful gal.

THIS WEEK'S MEETING - MARCH 10, 1976

LEE CHACE will present: Ye Ed as a last resort: The problem is that YE ED will give a classification talk and I know that he has had four different classifications in Rotary and YE ED could not get the topic from GEORGE.

LAST WEEK

LEE CHACE presented to us, DICK ANDERSON who gave not only a topic actual but gave it to us very factual. "Robert E. Lee and His Generalship". It is amazing the avocations Rotarians have which are so interesting and so well presented.

Our final tree (Christmas that is) profit was \$4,661.57. Followed by a good round of applause.

DID U KNOW: HOWARD REICHE was not looking for his notes as he doesn't need any to play so well, but was looking for a piano stool which was forgotten in the moving of the piano. Who gets fined for that one?????

DICK HOLDEN presided at the meeting with J.B. MAXWELL leading us in America The Beautiful, DON JENIS introducing the Visiting Rotarians, ending up with Dynamic DICK DAY and HOWARD REICHE (What a duo!!!). Even the Yale men gathered around the piano with the Wiffenpoof; we were taken out to the ball park and we started out with Smiles. Invocation by NICK PAPPAS.

BILL STANTON was informally introduced as a new member.

Government spending gives you an idea why laws are called bills.

IN ROTARY the basis of membership is CLASSIFICATION
the joy of membership is FELLOWSHIP
the obligation of membership is SERVICE
the life of membership is ATTENDANCE
the privilege of membership is YOURS.

A borrower is a man who tries to live within your means.

MAKE-UPS: STEVE DUNN (Portland 2/27); AL DIMATTEO, DICK YERXA, NICK PAPPAS, BILL YORK (Scarborough 2/24); FRANK HUGO (Gulf Beaches, Florida 2/24).

The hardest thing to live down is time spent in living it up.

GROWTH: If we stop growing we start to die. It has been said that every man in some situation or relationship is service minded. To the extent that this may be true, Rotary has a broad field from which to select men, well qualified by their situation and by their inclination to serve as Rotarians. Each of us is a Rotarian because someone, sometime, somewhere took the initiative to share with us membership in Rotary and the opportunity for service it affords.

"May I tell him who's calling?", asked the secretary. "231-7554", was the remarkably controlled answer.

RULES FOR A HAPPY MARRIAGE

Never yell at each other unless the house is on fire.

The first grade teacher told her class to color a picture of a yellow duck carrying a green umbrella. But after a while, she noticed one little boy engrossed in coloring his duck a bright red.

Reminding him that he was using the wrong crayon, she asked, "Jimmy, how many red ducks have you seen?"

"Oh, about as many as I've seen yellow ducks carrying green umbrellas", he replied.

THIS WEEK'S MEETING - MARCH 17, 1976

TWAS a cool day in Ireland but we shall see the green & LEE CHACE will have for us: Dr. Bruce Thurlow, Superintendent of Schools, Cape Elizabeth.

LAST WEEK

DICK HOLDEN with the MC honors; DICK KENNEDY with the invocation; LLOYD KNIGHT from summertime to wintertime via DICK DAY with the able assistance of HOWARD REICHE of Portland at the Ivories; DON JENIS introduced the visiting Rotarians. GEORGE DUNN spoke anonymously, about his fifth classification in Rotary. That really has a significance (Ya Know a fifth). Nobody knew what his subject was to be not even LEE CHACE, who did the introductions and especially those who left before they had to endure the speech, but it ended up with the need for GEORGE to have a new shirt. Didn't know that Rotarians were this poor.

A LESSON TO LEARN FROM AL BODREAU AND DAN GACETTA: Due to previous commitments they had to leave early, but the best part was the fact that each of these two Rotarians went to the speaker of the evening and made their apologies. This is what is known as the power of example.

MEMBERSHIP PROPOSAL CLEARED BY CLASSIFICATION AND MEMBERSHIP: If within ten days of the receipt of this bulletin, no objection has been filed in writing with the Secretary, ROBERT F. HANSON (Lawyer at 95 Exchange Street, Portland) proposed by DICK PYNE will be considered eligible for the next steps in Rotary membership.

HAROLD FRALICH introduced our newest member, BILL STANTON, Variety Store Owner, who came from Boston to Maine, but that is OK as LUCY, his wife, was born in Houlton (which brought some applause). LUCY & BILL have five children, four of them boys and runs Patty Ann's Superette for the past 11 years and has been a bartender for the Portland Country Club for the past 28 years.

REMARK OF THE WEEK: We hope that the Editor doesn't forget how to spell the last name of the speaker we had last week - will check that one!

MAKE-UPS

ARTHUR KENISTON (Sarasota, Fla. 3/2); PAUL CHANTAL, BOB NIGRO (Portland 3/5)..

MARK TWAIN: "To be good is noble; to tell people how to be good is even nobler and much less trouble."

ATTENDANCE - FEBRUARY, 1976

Club Average 79.71%

HONOR ROLL 100%: (29) BECK, BOUDREAU, CHACE, DENNISON, DIMATTEO, DUBE, G. DUNN, S. DUNN, FRALICH, FROST, GIFTOS, HOLDEN, HUGO, KENISTON, KENNEDY, R. KILROY, L.B. KNIGHT, KUHN, MADORE, NIGRO, PAPPAS, PLAISTED, RUMERY, SIMPSON, STEWART, THERIAULT, WAINWRIGHT, WATERS, YORK.

1 MISS 75%: (14) BUTLER, CHANDLER, CHANTAL, DAY, DOUGHTY, GACETTA, GAW, KOURAKOS, MOOERS, PYNE, ROBERTS, SONDERGAARD, TWOMEY, YERXA.

LESS THAN 60%: (10) CARSON, CORSON, GOOD, JENIS, JORDAN, KILGORE, W. KILROY, L. R. KNIGHT, SPEAR, SMITH

"The quickest way for a parent to get a child's attention is to sit down and look comfortable."

"COME HELL OR HIGH WATER" most of us will break our necks rather than miss a golf match, tennis match, party or any other leisure activity. But many of us think nothing of missing church on Sunday or Rotary on Thursday. You cannot make up for missing church on Sunday BUT there are many opportunities for making up a missed Rotary meeting. If we belong to something we should support it or there is no reason to belong. Many belong to everything but give nothing of themselves to anything. So take a good hard look at your attendance record at both church on Sunday and Rotary on Thursday. Attending both makes for a fuller week.

LEE CHACE will have for us our own Future District Governor, HAROLD FRALICH, courtesy of the Rotary Information Committee who will speak to us on the anniversary of Rotary. Ninety per cent of the work done in this country is done by people who don't feel well.

LAST WEEK

DICK HOLDEN presided; DICK KENNEDY with the invocation and BILL KOURAKOS introducing the visiting Rotarians. HOWARD REICHE was at the keyboards with DICK DAY leading us in Irish Eyes and My Wild Irish Rose. Seems as though GEORGE DUNN had another version which he rendered, known as MY WILD IRISH NOSE.

SECRETARY RAY informed the President that BOB NIGRO collected no fines last month and the remark of the week came back when DICK HOLDEN answered: BOB can take up something but before he must put something down; Missing Badges cost \$1.00 this time; DICK HOLDEN was taken for 25¢. But best of all BOB dug back to 1936 for WARREN SIMPSON to come up with another fine. WARREN's green tie reflected with laughter when this came up.

KEITH DENNISON and ART KENISTON were welcomed back from Florida and asked why they came back in such a hurry. YE ED had a call from PRESIDENT LES WATERS after the meeting, who was caught in Albany on Tuesday Night coming back from Florida.

DICK PYNE introduced our newest member: BOB HANSON, Attorney at Law with NORMAN & HANSON. BOB went to Wesleyan and graduated from University of Maine Law School. Worked for Scott Paper and lives on Woodmoor Road in South Portland. Children, ROBBIE - 5 and RYAN - 1.

The remark of the week: Guess the speaker and the program chairman left together. So we had a confab and what we could do and the Dance Committee got the job to come up with a dance if they see that is feasible.

NOTE FROM PRESIDENT LES

Make sure that any Rotarian who has loose flags laying around that they bring them to the next meeting as Secretary RAY is working on getting them together to put on new banners.

MAKE-UPS

FRED MADORE, AL DIMATTEO (Portland 3/12); LES WATERS (Gulf Beaches, Fla. 3/2); SAM GIFTOS, ART KENISTON (Westbrook 3/16); ED THERIAULT (Scarborough 3/9); BUD PLAISTED (Hamilton, Bermuda 3/9); DICK KILROY (Sarasota 3/10); DICK KILROY (Sarasota, Fla. 3/9); DICK KILROY (Sarasota, Fla. 3/3); ART KENISTON (Sarasota, Fla. 3/9); FRANK HUGO (Gulf Beaches, Fla. 3/9 and 3/2);

There are a thousand hacking at the branches of evil to one who is striking at the root.

FROM THE GOVERNOR'S LETTER

We are in 19th place and this is one of the few times that a Big Club like Lewiston-Auburn beat us (Believe it or not they are in 8th place). We should do much better than that. Make-ups are important to being a good Rotarian and you and only YOU can bring our attendance up.

DISTRICT ASSEMBLY for incoming officers: Mandatory for incoming presidents and secretaries will be held April 3rd, 9:30 A.M. in St. Georges de Beauce, Province of Quebec at the Arnold Lodge.

Happiness is contagious, be a carrier! Success is not permanent; neither is failure. Trouble comes from workers who don't think, and thinkers who don't work. You're not judged by the promises you made but by those you keep. If you wouldn't write it down and sign it, don't say it.

LEE CHACE will have for us: Bob Hunter, Architect and Inspector for Hunter and Balleu, the firm who oversees the South Portland Sewerage.

LAST WEEK

LES WATERS was back at the helm and it took us from 6:23 to 6:25 to be seated and finally get started, but we made up the time. BILL YORK led us in America the Beautiful and DICK KENNEDY gave us the invocation.

BILL YORK (must be in love) led us in EVENING BY THE MOONLIGHT AND SWEET ADALEINE which LES said was for Greek Independence Day. DON JENIS introduced our visiting Rotarians.

SPECIAL NOTE: PRESIDENT LES poured coffee for all the members. ART KENISTON thought that LES' trip to Florida should have cost him a dollar but the decision was made for no fines that night. LES informed us that it is amazing whom you meet when you are far away from home.

LEE CHACE gave us apologies for the Down the Hill last week and then introduced HAROLD FRALICH who introduced our speaker, Carl Barker, who spoke to us on the Changes in the Investment Business.

THE Greatest and best person to know in the world is yourself.

REMARK OF THE WEEK (Courtesy of LES WATERS): If there has been no changes in routine, folly the head table to eat.

SCARBOROUGH meeting of March 16th (Remember that blizzardly Tuesday) was cancelled, but neither snow, hail, not gloom of nite stayed KEITH DENNISON from MAKING-UP. But he couldn't get in.

A man wandered into a Federal Office Building and asked, "Is this the headquarters of the war against poverty?" "Yes it is", replied the clerk behind the desk. "Good", he said, "I've come to surrender."

MAKE-UPS: LES WATERS (Largo, Fla. 3/15); ED GAW (Naples-North Naples, Fla. 3/11); LEN KNIGHT (Sanford-Springvale 3/19); BUD PLAISTED, LLOYD KNIGHT (Westbrook 3/23); BUD PLAISTED (Brunswick 3/22); DICK KILROY (Sarasota, Fla. 3/17); FRANK HUGO (Gulf Beaches, Fla. 3/16); BOB KUHN (Scarborough 3/2); BUD PLAISTED (Hamilton, Bermuda 3/16); SAM GIFTOS, WARREN SIMPSON (Portland 3/19).

A windshield scraper is a gadget that tumbles out of the glove compartment all summer, hides under the seat all winter and then breaks when you eventually find and try to use it.

Wonder why the Celtics are winners: Well they have invented a ball with a nose and it dribbles all the time.

"TO DIGNIFY THE HUMAN BEING" A drive for the rights of human beings has long been central to the them of Rotary. At the International Convention in 1940, a resolution declared that "where freedom, justice, turth, sanctity of the pledged word, and respect for human rights do not exist, Rotary cannot live nor its ideals prevail." President Imbassahy affirms this reality when he says: "No doubt our times are difficult ones. Menaces to human life are more and more overwhelming and mankind as a whole is at stake. The human being is marginalized...We are all involved. We are part of the social context. We must progress more actively."

The little boy was helping his grandfather dig potatoes. After several minutes of this hard work, he began to tire. "Grandpa", he asked, "what made you bury these things, anyway?"
