This Week's Meeting - October 6, 1976

PROGRAM: The program chairman for the month of October is Dick Day. This week's program to be announced.

LAST WEEK: Meeting called to order at 6:30 p.m. by President Dick Holden. Invocation was given by Dick Kennedy. Song "America" was led by Dick Day.

Richard Sittinger was welcomed and recognized as the club's newest member. Rich will be formally introduced at a later date.

Dick Pyne surprised us with a display of hidden talent by playing the guitar while leading us into song. The song selection was quite appropriate for ladies' night, "I Want a Girl" and "Down by the Riverside".

Last week's program featured Mr. Russell I. Burléigh, manager of the Portland Symphony Orchestra and Mr. Bruce Hangen, director and conductor of the P.S.O. Mr. Burleigh has been managing the Portland Symphony since 1969. His talk centered around the workings of the P.S.O. They are beginning the year with a deficit of \$65,000. They hope to erase this and finish the season in the black. With close to 2600 season tickets sold to date, and with anticipated sponsorships from the local businesses, I would say they're well on their way. In closing, he informed us on how Mr. Hangen was chosen over 150 other applicants for conductor of the P.S.O. This decision was made by the board of directors and members of the orchestra after a season of trial conductors from the seven finalists.

Mr. Hangen is a native of Pennsylvania, raised in Montana, graduated from Eastman and has studied at Tanglewood. Currently he is associate conductor of the Denver Symphony. He has guest conducted the Buffalo Philharmonic, Syracuse Symphony, Rochester Philharmonic and for the past two years, spent a month touring and guest conducting in New Zealand. Mr. Hangen is very excited about the upcoming season. He feels that the orchestra needs to go back to the more traditional symphony sounds, therefore, the series this season will reflect his way of thinking. I feel certain that the exuberance displayed reviewing the concerts will also be evident in his conducting of the orchestra. We wish Mr. Hangen a most successful season.

The close of the program included a live "commercial" presented by a group of symphony singers. It was comprised of nine ladies who sang tribute to Mr. Hangen and the upcoming concert series.

Congratulations to Al Boudreau for the fine job he did with the programming for the month of September.

MAKE-UPS: Jack Roberts, Warren S. Simpson (Scarborough 9/21); Nick Pappas (Kennebunk 9/23); Richard E. Jordan (Portland 9/24); Steve L. Dunn (Brunswick 9/27); Frank Hugo, Jack Roberts (Westbrook 9/28).

This Week's Meeting - October 13, 1976

PROGRAM - Dick Pyne will present the visiting businessmen from Paris. We should have a good turnout to welcome these guests.

LAST WEEK: Meeting called to order by Les Waters, Invocation by Dick Kennedy and Dick Day led us in a verse of America. Les and his head table did a fine job substituting for our regular officers.

Dick Pyne led the singing with a tribute to the candidates:

President Ford - "Your a Grand Old Flag"  
Jimmy (James) Carter - "My Old Kentucky Home"

Lloyd Knight with a great deal of fanfare, introduced visiting Rotarians.

Bill Kourakos informed the club that the management seminar is in two weeks. Anyone that knows a business that may be interested in the program should get in touch with Bill. He will do the follow-up.

Apologies Due: To Dan Mooers for incorrect spelling of his name in the club committee listing. To club members with 100% attendance whose names were excluded from the past Bulletin.

Last week's program was presented by our own J. B. Maxwell. Dick Day explained that J. B. stands for John Boy. J. B. operates the Postal Instant Press Co. and his talk was about printing and how to save money. J. B. stated that businesses spend more in printing than they should. Some simple rules to follow:

1. Conceive need for printing.
2. Have an idea of what you want your printing to look like. Spend some time of your own deciding what you want.
3. Tell your printer what you have to spend.
4. Discuss your problem with your printer.

J. B. explained the 5 processes of printing; letter press, offset, engraving, silk screen, and Xerox. There are 3 types of printing, (1) Instant, while you wait; (2) Commercial, large quantities and (3) Specialty, pens etc. J. B's talk was informative and could prove helpful if his advice is followed.

Bill York presented the club with emblems from Tarrytowns, New York and Fitchburg, Mass.

MAKE-UPS: Bill York (Tarrytowns, New York 9/29); Ed Theriault (Westbrook 10/5); Harold Fralich (Santa Cruz, Calif. 10/1); and Harris Plaisted (Portland 10/1).

Wife to husband: "I've tried self hypnosis and transcendental meditation, Dick, but what I really need is more household money."

LAST WEEK: Meeting called to order by Dick Holden and Les Waters led us in "America". Visiting Rotarians were introduced by Don Jenis.

Bill York exhausted himself leading the club singing. Bill gave his all with a tribute to our visitors from Paris.

Last week's program was presented by Dick Pyne who introduced the guest from Paris. The four visitors represented the following business areas:

(2) engineers, a finance officer and a doctor.

The visiting guests have been taken to such towns as Montreal, Quebec, Lewiston, Durham, New Hampshire and Portland.

Thanks is extended to those club members that gave of their time and facilities during their visit to our club. The visitors extended the greetings from District #168 of France by presenting a banner to our club.

This Week's Meeting - October 27, 1976

THIS WEEK: Program Chairman, Dick Day, will introduce Mr. Brian Nickerson, Assistant Planner for the City of Portland. Mr. Nickerson's topic will be "City Edges".

LAST WEEK: Meeting opened by President Dick, invocation by J. B. Maxwell and singing led by Lloyd Knight. Bill York introduced visiting Rotarians and guests.

President Dick extended the Club's thanks to Dick Pyne for the fine job he did in entertaining the French Delegation.

Program Chairman, Mason Smith, introduced Mr. Ray Cory who gave an interesting lecture on antique tools. Mr. Cory stated that our forebears had only wood and iron to work with but were able to fashion whatever they needed to do whatever had to be done. Mr. Cory collects tools because he sees a vision of an old timer with a need and thus creating a tool to meet that need. Mr. Cory feels that the old timers put a part of themselves into the work they did. Mr. Cory explained various tools which would have to be seen to be appreciated. Some of the tools he presented were:

1. A sun plane for finishing the top of casks.
2. A cornice Plane.
3. An old wooden vise.
4. A wagon wrench.
5. A Cooper's plane.
6. A tothing plane for roughing up the core of cabinets before putting on the finish.
7. A molding plane.

It should also be mentioned that Mr. Cory had some interesting old drill bits that could have been used by Dan Mooers at his campsite last weekend.

NEW MEMBER: Mr. Charles W. Wood, Jr. has been approved by the Classification and Membership Committees. Mr. Wood's classification is "State Lottery". Any current member wishing more information should contact Nick Pappas or Dick Day. Mr. Wood has been sponsored by Dick Holden.

REMINDERS: Board of Directors Meeting following the regular meeting this week.

President Dick is asking each member to look for one new member this Fall. Check with Pete Rummery for open classifications. Remember a flow of good new members is the life blood of our club.

GOODWILL AMBASSADORS: Steve Dunn, Jack Roberts (Scarborough 10/12), Harold Fralich (Las Vegas, New Mexico 10/12), Ralph Kilgore (Biddeford, Saco 10/13), Sam Giftos (Portland 10/15), Frank Hugo, Fred Madore (Westbrook 10/19).

This Week's Meeting - November 10, 1976

**THIS WEEK:** A classification talk by Charlie Cyr (electrical parts distributing). Some of our best programs come from our own members. It's good to learn some of the details of how the other fellow makes his living. I got a peek at Pete Rumery's program list and note that, on November 24, we will have the Portland Junior Jazz Orchestra. This should be a real fun evening.

**LAST WEEK:** Meeting opened by Dick Holden, Dick Day led us in America - and Phil Dube gave the invocation, Sam Giftos led the singing. Don Jenis introduced our visiting Rotarians. Don also announced that our Christmas Tree supplier has come up with a supply of GOOD scotch pine for this year. Our trees will arrive at noon on Thursday, December 2 and help will be needed to unload, count and price them.

President Dick announced that our annual Christmas party will be held on December 15 with Keith Dennison in charge. The meeting of December 22 will be given over to a club assembly.

Program chairman Bill Kourakos introduced Kurt Hall who is a Senior at Cape Elizabeth High School and was sponsored by our club at last summer's session of Boys State at U. of M. Orono. Kurt described his experiences as 500 boys formed a State government with 3 counties and 6 towns. Included were local, county and state caucuses, nominations and elections as well as legislative sessions with their committee meetings, lobbying, etc. Three hours a day are given to sports activities. All of this is accomplished in one weeks time. Surely an excellent experience for a student and money well spent by our club.

**GOODWILL AMBASSADOR:** Fred Madore at Portland on October 29.

Harold Fralich is recuperating at home after a short stay in the hospital. We expect to see him at this meeting or next week's for sure.

Effective November 3, 1976, the Wells-Ogunquit Rotary Club has moved from the INN CROWD to JONATHAN'S RESTAURANT, located on Bourne Lane in Ogunquit.

**PRESIDENT DICK** requests that all of our members make an extra effort to attend our meetings of November 10 and November 17. Our attendance has been below average this fall. Let's do everything we can to build up to a 100% attendance on November 17 as our District Governor, Dom Tardiff, is making his visitation to our club on that date. Let's make it 100% to reflect the strong reputation our club has in the District.

Following is a list of open classifications in our club and some of the business concerns from which they might be filled.

Classification	Company
Automobile Body Repair & Painting	Acme Body Shop Ocean St. Garage Ray-Mac Auto Body Veteran's Paint & Body
Automobile Parts	United Auto Consumer Auto Parts
Air Conditioning Service	Caron & Waltz

Give some thought to the possibility of new members from these concerns.

This Week's Meeting - November 24, 1976

**THIS WEEK:** Pete Rumery is very high on this program. Maine Junior Jazz Band. This is a group of young people from the Greater Portland area who have banded together to play real jazz. Should be a very enjoyable program.

**LAST WEEK:** Meeting opened by Dick Holden, Bill York led us in America (came out America The Beautiful), invocation by Dick Kennedy. Pro song leader, Lloyd Knight, led the singing which was as fine as we have had for many a moon. Does anyone know why he stands in that dark spot? Bill Kourakos will have the Xmas Tree work schedule this week. He would like very much to have any of our wives who wish to help sell trees & wreaths get in touch with him. Trees arrive at noon, Thursday, December 2. Much help needed at that time. Visiting Rotarians introduced by Don Jenis. President Dick introduced District Governor, Dom Tardiff. Dom had little fault to find with our club and most of his talk was given over to his pet project, the Rotary Foundation. In 1977 the Foundation will be sending five men from our district to visit Rotary clubs-in France. At present there are 158 such groups traveling about the world. This is in addition to 1400 exchange students abroad which cost the Foundation \$6200 each. At the beginning of the Rotary year our district had 12 Rotary Paul Harris Fellows. With his rather hard sell, Dist. Gov. Dom has managed to double that figure and still has about a dozen clubs to visit.

**GOODWILL AMBASSADORS:** November 5, Frank Hugo at St. Petersburg, Fla.; November 9, Frank Hugo at Gulf Beaches, Fla.; Dan Mooers, Dick Thurston, Lloyd Knight, Jack Roberts, Ted Wainwright, Dick Kilroy at Scarborough; November 12, Bob Nigro, Art Keniston, Carroll Beck at Portland; November 16, Harris Plaisted at Westbrook.

This Week's Meeting - December 1, 1976

**THIS WEEK:** Our next District Governor, Harold Fralich will introduce Past District Governor (1953-54) Cecil Goddard, who lives in China Lake, Maine, Cecil will speak on Rotary Service.

Dick Holden opened the meeting and also led us in singing America, invocation by Dick Kennedy. Bill York led us in singing Down in the Valley. Christmas Trees will arrive at noon - Thursday, December 2. Lots of help needed to unload and price them. Schedule of workers is pretty well filled out. Be sure you check to see what time slots you have been assigned. If you can't keep an assignment, it is your responsibility to find a replacement. Bob Nigro introduced visiting Rotarians.

Program Chairman, Pete Rumery, introduced Ray Anderson of the Salvation Army who is the leader of a group of young musicians playing under the name of Maine Junior Jazz Band. Ray related some of the band's history. It is three years old and is made up of mostly high school boys and girls from the greater Portland area. There are over twenty musicians in the group. They have been featured on Channel eight TV. Following Ray's remarks we were treated to a forty-five minute jazz concert which was thoroughly enjoyable. (Even with Pete Rumery filling in at one of the Tenor Sax slots.) One of the numbers was written by a band member from Westbrook High School, entitled "Blues After Urban Renewal". Being old enough to remember dancing to the big bands in the thirties I enjoyed this program tremendously.

**GOODWILL AMBASSADORS:** November 16, Frank Hugo at Gulf Beaches, Florida -- Ralph Kilgore, Ed Thereault, Steve Dunn, Jack Roberts at Scarborough -- November 19, Harris Plaisted, Harold Fralich, Sam Giftos at Portland.

**SENIOR ACTIVE MEMBER:** Many new members and probably some not so new, wonder what the difference is between an Active member and a Senior Active one. An Active member must be reclassified to Senior Active when:

- He has been a Rotarian for fifteen years and is under 60 years of age.
- He has been a Rotarian for ten years and has reached 60 years of age.
- He has been a Rotarian for five years and has reached 65 years of age.

A Senior Active member is NOT excused from attendance requirements. He has all the rights and privileges of an Active member EXCEPT that he cannot take an Additional Active member under his membership. Senior Active membership is compulsory.

This Week's Meeting - December 8, 1976

**THIS WEEK:** We have a very appropriate program. Past President Ed Inness will give us tips on how to take excellent pictures during the Holiday Season.

President Dick Holden opened the meeting by asking Dick Jordan to give the invocation. An undisclosed person led us in the singing of America. Our TV personality Lloyd Knight led us in singing Smiles and that old stand-by Hello Dolly. Bill Kourakos introduced the visiting Rotarians - both of them. President Dick announced that Rod Dyer, our newest member, will be formally inducted at a later date.

Our Christmas trees arrived promptly Thursday afternoon at 12:30 and first on hand to start unloading were Phil Dube, J. B. Maxwell, George Chandler, Fred Madore, and later were joined by Dick Day, Dick Holden's boys, Bob Carson and Lloyd Knight. Great work men! For those of you who have never had the pleasure of unloading over 1,000 trees and wreaths, sign up now for next year's unloading. It's a ball. Remember, if you can't make your assignment, please be sure to get someone to take your place. This year's trees and wreaths are really beautiful and even the Scotch Pines have straight trunks.

Program Chairman, Hal Fralich, introduced Cecil Goddard, known in many circles as "Mr. Rotary", with 35 years of service. Past District Governor Cecil worked for Colby College in many capacities for 19 years, then he went into the Insurance field and built one of the leading Insurance Agencies in Waterville and is presently retired.

Past District Governor Cecil spoke on interesting facts about Rotary. Cecil said did you know that? ...

... Harry Ruggles, the 5th Rotarian, started Rotary singing and developed the symbol of Rotary, the Wheel.

... Arthur Shelton, a super salesman, installed many new clubs and developed the Rotary slogan, Service above Self.

... The Founder, Paul Harris, studied law at the University of Iowa, was a newspaper reporter in Frisco, Denver and Washington; an actor, a cowboy, hotel night clerk, traveling salesman, and then decided to practice law in Chicago at the age of 28. At age of 30 he founded Rotary. In 1900 he had the idea of a social businessmen's club, and in 1905 Rotary was born - a new kind of Club, where men received nothing material but actually paid for doing good. Paul Harris became 1st President of Rotary International.

Close to the Speaker's heart is Rotary Foundation. In 1917 he suggested the Club have an endowment fund. Little was done for 30 years (\$56,000 raised in 30 years). \$1,500,000 was raised in memory of Paul Harris when he died in 1947. 10,000 young men and women have received awards from the Foundation since then. Need \$8,300,000 by this July - increase of 20% a year. The average Rotarian gives \$10.00. There are 16,000 paid Harris Fellows. Next three years the program will cost \$18,000,000! At present there are 1,200 students in 100 countries.

**GOODWILL AMBASSADOR:** Only one - Bill Spear flew all the way to Niles-Morton Grove Illinois for his make up.

Don't forget to tell your friends about our Christmas Wreath and Tree Sale. See you at the Shed.

This Week's Meeting - December 15, 1976

**THIS WEEK:** Boy, do we have an entertaining program for you this week! The St. Joseph College Folksingers will be here to entertain us at our Annual Christmas Party for the elderly. Don't miss this festive occasion!

President Dick Holden opened the meeting by leading us in the salute to the flag. Dick Pyne led us in God Bless America and J. B. Maxwell gave the invocation. Dick Day led us old No. 3, Smile and No. 64, Jingle Bells. Before Don Jenis gave us an up-to-date report on the Christmas Tree & Wreath sale, he introduced six visiting Rotarians.

Don reported that we have \$6,100.00 invested in wreaths and Christmas trees and have had sales of \$1,600.00. He said we have a long ways to go to reach our gross sales of \$11,500.00. So therefore, we hope that everybody will get their friends to come down and buy our trees. Bill York said, come sleet, snow or rain, he will have music for us this week at the shed.

Keith Dennison said that most of his Senior Citizen guests for next week have rides to our party, but he still needs a few volunteers to help out. If you are able, give him a call.

Program Chairman District Governor Hal Fralich introduced Past President (1966-67) Ed Inness. Ed is the owner of one of the largest Photo Shops in Maine. Ed gave us an interesting talk on "How Not to Foul Up Your Pictoretaking". Ed gave the following tips; don't touch a battery and then touch other parts of the camera, for the residue will eat your camera up; clean battery ends with an eraser; use lens cleaner; when taking a picture, don't use the horizon as a background. He also gave us some inside information on what new features we can expect on the 1978 cameras. It was nice to have Ed back again!

**GOODWILL AMBASSADORS:** November 30, Harris Plaisted at Westbrook; Frank Hugo at Gulf Beaches, Florida; Carroll Beck, Jack Roberts and Steve Dunn at Scarborough. December 2, Nick Pappas and Mason Smith at Lewiston-Auburn. December 3, Bob Nigro, Dick Thurston, Dick Kennedy, Sam Giftos and Harris Plaisted at Portland.

Club November Attendance was 77.4%. Ray Frost says that if the less than 60% Rotarians had each made one meeting, we would be right up there in the 85-95% where we belong. Give it a try next month.

**100% Attendance:** Beck, Boudreau, Dennison, Dube, Dunn, Fralich, Frost, Giftos, Holden, Hugo, Keniston, Kennedy, Kilroy R., Kilroy W., Kourakos, Madore, Nigro, Pappas, Plaisted, Roberts, Simpson, Smith, Stanton, Theriault, Wainright.

**75% Attendance:** Cyr, Day, DiMatteo, Jenis, Maxwell, Mooers, Pyne, Rumery, Spear, Yerxa, York.

**Less than 60% Attendance:** Butler, Carson, Chandler, Chantal, Corson, Doughty, Gacetta, Gaw, Good, Jordan, Kilgore, Knight, Twomey, Waters.

December 22nd meeting will be Club Assembly and President Dick asks that each Committee Chairman meet with their committee before December 22.

This Week's Meeting - December 22, 1976

THIS WEEK: Three days before Christmas, President Dick Holden will have our Annual CLUB Assembly. He asks that every Chairman have a report on their committee.

Wow, What a Party! The Christmas spirit came charging in at the Rotary Club's Christmas Party for the elderly. Here's the story -

President Dick Holden opened the meeting by leading us in the salute to the flag, followed by Dick Day leading us in "America", and then an excellent invocation by Dick Kennedy. The dinner was Roast Beef Au Jus, and our Chef Ernie did his usual outstanding job. Many thanks to Bea and Doty for serving our guests who really enjoyed the dinner. District Governor Hal Fralich introduced our visiting Rotarians. Dick Day was asked to lead us in a Rotary song, but was over-ruled and we had "Silent Night" instead.

Program Chairman Keith Dennison welcomed our elderly guests and thanked his drivers for chauffeuring our guests to the party. He then introduced the conductor of the St. Joseph College Folksingers, who entertained us for the next hour. Thanks, Keith, for bringing Christmas cheer to so many.

The Christmas Wreath and Tree Sale is at the break-even point, so from here on it's money for our Charity Programs.

GOODWILL AMBASSADORS: December 6, Bill Stanton at Scarborough; December 7, Frank Hugo at Gulf Beaches, Florida; December 9, Charles Cyr at Kennebunk and Harris Plaisted at Lewiston-Auburn; December 10, Chip Gaw, Bob Nigro and Art Keniston at Portland; December 13, Bill Stanton at Brunswick; December 14, Al DiMatteo and Nick Pappas at Westbrook.

This Week's Meeting - December 29, 1976

**THIS WEEK:** Dr. Edward C. Andrews, President of Maine Medical Center, will be the speaker and it should be an outstanding program.

Vice President Don Jenis opened the meeting in the absence of President Dick Holden, who is laid up with a bad back. He led us in the salute to the flag, followed by Pete Rumery leading us in a verse of "America". An unknown Rotarian gave the invocation. George Chandler introduced the visiting Rotarians - both of them. Vice President Don asked Dick Day to lead us in some Christmas Carols, whereupon Dick persuaded three other song leaders to join him - Bill York, Pete Rumery and Lloyd Knight. After 1 song it was obvious that there was one leader which ended up with "Silent Knight".

Vice President Don stated that the program was Club Assembly Night, but due to the absence of our President, it will be postponed until the first of the year.

Vice President Don gave us a report on the Christmas Wreath and Tree Sale. To date we have sold just over \$10,000 worth of trees, giving our charity funds around \$4,000 with which to operate. He had hoped for a profit of closer to \$5,000 and wondered if we shouldn't have better security when Rotarians are not on the premises. It was decided to look into the matter before we have our sale next year. He thanked the workers and especially those who manned the shed by themselves on some bitterly cold and nasty evenings.

He then gave an idea of where the Club could raise additional funds for Charity. District Governor Hal Fralich also presented an idea by sponsoring a very fancy ball. Dick Day said that the Board of Industry and Commerce is planning an "All America City - Know Your Neighbor" celebration and that the Club would be contacted to see about their participation.

Dick Kilroy asked the membership to please make every effort to attend our Club meetings, rather than making up at some other place. Remember, we have to give a guarantee to Purpoodock Club and we wouldn't want to have to make up the difference by increasing dues.

Nominating Committee Chairman Les Waters and his committee present the following slate:

President: Don Jenis  
Vice Pres: George Chandler  
2nd V.P.: Alfred Boudreau

Directors: Charles Cyr, Jr.  
Steve Dunn  
Fred Madore  
J. B. Maxwell

GOODWILL AMBASSADORS: December 14, Frank Hugo at Gulf Beaches, Florida and Steve Dunn and Jack Roberts at Scarborough; December 16, Sam Giftos at Lake Buena Vista, Florida; December 17, Dick Yerxa, Bob Nigro and Harris Plaisted at Portland; December 21, Bob Nigro at Westbrook.
