This Week's Meeting - January 5, 1977

THIS WEEK: Dick Kennedy, Program Chairman, has secured our own Bill Stanton as speaker - a connoisseur of fine wines. Come hear Bill give his presentation on how to choose the proper wine for all occasions.

President Dick Holden called the meeting to order at 6:23 p.m. Invocation was given by J. B. Maxwell. Vice President George Chandler had no visiting Rotarians to introduce. Song leader, Ray Frost, led us into 1) "In the Ev'ning by the Moonlight", 2) "In the Good Old Summertime", 3) "Good Night Ladies" and finally "My Bonnie".

Nomination Committee Chairman Les Waters presented his slate of Officers and Directors and it was approved by the membership.

President Dick announced that the attendance is at an all time low and urged for better attendance. On the other hand, Ray Frost gave the Editor a list of the 27 "strong, sturdy dedicated members" who braved the blizzard this past Wednesday. He gave one other interesting note that the November Governor's bulletin showed that S.P.-C.E. is 11th from the bottom. We have often been 11th from the top, but never 11th from the bottom.

Our Club Assembly is re-scheduled for February.

Program Chairman District Governor Hal Fralich introduced Joseph Cobb, Public Relations Director for the Maine Medical Center. Mr. Cobb filled in for Dr. Edward C. Andrews, who was our scheduled speaker. The program was a slide presentation on the Maine Medical Center. It was put together by people from the hospital and was excellently done.

Interesting note: Maine Medical employs over 2500 people and is one of the largest employers in Maine.

GOODWILL AMBASSADORS: December 21, Frank Hugo at Gulf Beaches, Florida; December 28, Sam Giftos, Harris Plaisted and Ed Theriault at Westbrook.

This Week's Meeting - January 12, 1977

THIS WEEK: William Cullinan will talk about his experience as Manager of Boston's Logan Airport.

President Dick Holden opened the meeting with the salute to the flag. Sam Giftos led us in America and Fred Madore gave the invocation. Later, Bill York, our "Old" stand-by song leader, led us in "Smile". Don Jenis introduced the visiting Rotarians. We had one visitor from Westbrook and three from Portland, all Rotarians.

Don, who is to be commended for his Christmas tree sale effort, reported gross receipts of \$10,150. After expenses, \$6,076 for trees and \$480 for wreaths, plus misc. expenses, our profit was apparently \$3,350. Forty-eight trees and 10 wreaths were taken to the dump and apparently 175 trees were stolen from the lot. Don also handed out kudos to Bill Kourakos, labor chief; Phil Dube, wreaths; George Chandler, J. B. Maxwell, Fred Madore, Bill Stanton's son and Phil Dube, unloading; J. B. Maxwell, tags; Ted Wainwright, set-up; Dick Holden, Bill York, Fred Madore, Bill Stanton, Dick Kennedy, Bob Nigro and Dick Thurston, clean-up and last but not least special thanks to Dan Gacetta, the refreshment committee. Also, thanks to all the loyal foot soldiers that put in time selling trees.

President Dick presented Art Keniston with his 13 year perfect attendance pin and informally welcomed Peter Gervais, who will be introduced by Sam Giftos at a later date. The President's hat was passed and a collection was taken up for our waitress Bea Foster, as a sort of belated Christmas gift.

President Dick also stressed attendance. In December our club average was 70.46%.

Less than 60%: Butler, Dyer, Gaw, Good, Kilgore, W. Kilroy, Mooers, Roberts, Twomey and Yerxa. (10)

60% Attendance: Carson, Chantal, Corson, Day, Gacetta, Jenis, Jordan, Knight, Pyne, Rumery, Thurston and Waters.

80% Attendance: Chandler, DiMatteo, Kourakos, and Spear.

100% Attendance: Boudreau, Cyr, Dennison, Dube, Dunn, Fralich, Frost, Giftos, Holden, Hugo, Keniston, Kennedy, R. Kilroy, Madore, Nigro, Pappas, Plaisted, Simpson, Smith, Stanton, Theriault, Wainwright, and York.

Dick Kennedy introduced our own Bill Stanton, head bartender at the Portland Country Club, who presented a slide illustrated talk on the Wines of Germany. German wine imports to the USA have tripled in the past three years and 85% of all West German wines are white wines. The German wines are usually grown on the south slopes of the hills and have been grown in the same way for the past 2,000 years. German law prohibits the fortification of wine by the addition of alcohol. A German wine label is one of the hardest things to understand in wine labels, but by the time Bill was finished we had been exposed to such German label terms as Tafelwein, Qualitatswein bestimmten Anbaugebiet and Qualitatswein mit Pradikat. Bill ended his talk by showing a few special bottles of wine from his collection and by answering questions from the floor and Les Waters.

Goodwill Ambassadors: November 28, Frank Hugo at Gulf Beaches, Florida and Steve Dunn, at Scarborough. November 29, Nick Pappas and Dick Holden at Biddeford-Saco. December 30, Mason Smith at Lewiston. January 4, Bob Nigro and Harris Plaisted at Westbrook.

WANT TO KNOW WHAT IT TAKES TO MANAGE A MAJOR INTERNATIONAL AIRPORT? Why not plan to come to this week's meeting for the fellowship of Rotary and at the same time find what it takes. Let's start the New Year off right and kick last month's 70.46% attendance record out the window.

This Week's Meeting - January 26, 1977

THIS WEEK: BURTON HEJDUK, Superintendent of Opportunity Farm in New Gloucester will tell us about the Farm and its programs.

President Dick Holden opened the meeting with a salute to the flag and led us in America. The invocation was given by J. B. Maxwell. George Chandler announced that there were no visiting Rotarians.

Al Boudreau introduced district scholarship winner Elizabeth Wildes, currently a student at Hood College in Frederick, Maryland. In the Fall, Elizabeth will attend Bath University, Bath, England on a Rotary Scholarship. Elizabeth brightened our eve.

Sam Giftos led us in the singing. Dipping into his vast repertoire, Sam soon had us singing "All Hail To Rotary" and "Smiles".

SGT-AT-ARMS Charles Cyr cut a wide swath through the club as he collected fines left and right from members who were not wearing their Rotary pins. J. B. Maxwell, who was eagerly waving a dollar, was fined for having his photograph in the Evening Express business brief column and President Dick was fined for having his photograph in an advertisement for his business. Apparently the Sgt-At-Arms missed the insurance classification member who was overheard by several talking insurance with our England bound scholarship member.

President Dick announced that Don Jenis, the Club's shining hope for the next five winter Olympic Games, had managed to master the art of breaking an ankle and would be benched for four weeks.

President Dick also announced that the Club Assembly, a very important Club program, will be held at the February 2nd meeting. All committee chairmen are asked to have their report ready for that meeting.

President Dick spoke on the importance of attendance and the need for new members. He urged Senior Active members look for new members for their classifications. Membership applications may be obtained from Ray Frost.

Concerned about growing attendance problems, the Board of Officers met in special session following the regular meeting. It was decided at that meeting that starting February 1st the Club would enforce the standard Rotary attendance rules. Which means:

1. Starting February 1st if you miss four consecutive meetings, without a medical excuse, your membership will be terminated.
2. Also, even though you may have not missed four consecutive meetings, you must have at least 60% attendance in a 6 month period.

Remember, the four consecutive meeting rule will be enforced starting 1 February. If you cannot make our meeting, make-up at another club, Maine is full of make-up opportunities.

A Senior Citizen's group needs a used filing cabinet and used desk. Contact Ray Frost if you have either of these items available for this worthy group.

Dick Kennedy introduced Peter Braun and Roland Moore, both teachers at the C. E. Middle School, who showed slides of their "Canoe Trails" student trips to the Allagash, St. John and East Branch of the Penobscot River regions. The program highlighted very well a very interesting region of Maine, one probably seen by few members of the Club. Ah, to be a teacher and be able to canoe the Maine wilderness all Summer!

GOODWILL AMBASSADORS: January 4, Frank Hugo at Gulf Beaches, Fla. and George Chandler and Charles Cyr, Kennebunk, and Jack Roberts and Ted Wainwright. January 7, Harold Plaisted, Bob Nigro and Arthur Keniston, Portland. January 11, Dick Yerxa, Bill Kilroy and Ray Frost, Westbrook.

Editor's Thought for the Week: Why make-up all year at other clubs? Why not "make-up" at your own Club and enjoy the fellowship of your own club members?

This Week's Meeting - February 2, 1977

THIS WEEK: Club Assembly. Committee chairmen will report on their plans for the rest of the year. Come and add your thoughts and input to the planning for your club.

PROGRAMS FOR THE REST OF FEBRUARY: February Program Chairman J. B. Maxwell has arranged the following programs for February: Feb. 9th, Bob Wilson of the Dale Carnegie group will present a program on "Human Relations in Business"; Feb. 16th, Rodney Page of the Physical Fitness Institute will present a program on "Physical Fitness" and Feb. 23rd an undetermined speaker from the Small Business Administration in Augusta will present a program on "Current Developments Within the SBA". That's it for February. More news later about the interesting March programs being arranged by Nick Pappas.

President Dick Holden opened the meeting with the salute to the flag and led us in the singing of America. The invocation was given by Harold Fralich. Many members were startled to see secretary Ray Frost wearing a black arm band on his left sleeve, but were too courteous to ask why.

A SOCIAL NOTE: Warren Simpson was observed pouring the coffee and Dick Day and Bill York were heard singing like a couple of sparrows at the back table.

George Chandler introduced visiting Rotarians Al Milliken of Portland, Vern Lent of Scarborough and Peter Mills of Farmington.

Bill York, bravely exploring the deepest pages of the song book, led us in "Daisy Bell" and "You Tell Me Your Dream". Our hat is off to Bill for leading us in something new for a change. Art Keniston seemed to be having some trouble with the new songs as he was overheard counting "1-2-3-4 and 1-2-3-4."

President Dick once again stressed that as of February 1st the Club will enforce the standard Rotary attendance rules (1) If you miss four consecutive meetings, without a medical excuse, your membership will be terminated and (2) You must have at least 60% attendance in a 6 month period. Asking for the floor Al Boudreau questioned how much pride the members have in their Club, pointing out that few members even displayed the Rotary emblem on their car or in their place of business.

Les Waters finally asked Ray Frost why he was wearing the black arm band of mourning. Ray, in an emotional reply, read the names of 49 other Rotary Clubs in our district before getting to the 50th name, that of our Club, currently just about as far down on the District attendance records as a club can go. Ray said that he was wearing the arm band because he thought the club was dead and that he would continue to wear it until we reach 80% attendance. Unfortunately, the members that Ray was really speaking to were not present.

Al Boudreau announced that the Scholarship Committee has given out 27 scholarship applications. The deadline for their return is February 7th and interviews will be held at the South Portland Library on February 12th.

Dick Kennedy introduced Burton Hejduk, Superintendent of Opportunity Farm in New Gloucester, gave us an extremely interesting talk about the farm, which cares for 40 boys from broken homes. The farm is located on the highest point in Cumberland County and is a working farm of 650 acres, of which about 250 acres are brush and timberland. The youngest boy is 5½ years old and the boys must leave the farm after they graduate from high school. The Farm places great accent on education and all of the boys attend the Gray-New Gloucester school system. The farm uses livestock and dirt agriculture as a means of therapy. Visitors are welcome at any time.

There will be a Director's Meeting at the President's house on Monday eve., January 31.

GOOD WILL AMBASSADORS: Jan. 18 - 19, Frank Hugo, Gulf Beaches & West St. Petersburg, Fla.; Jan. 20, Nick Pappas, Lewiston-Auburn & Jan. 25, Dick Yerxa & Ed Theriault. Thanks for making the effort and making up men, it helps us in our Club effort to pull up our attendance.

WELCOME ABOARD TO NEXT MONTH'S EDITOR: BOB CARSON.

This Week's Meeting - February 9, 1975

THE HUMAN SIDE: will be presented by Robert Wilson, director of Dale Carnegie in the State of Maine. This promises to be a great program, thanks to this month's program chairman, J. B. Maxwell. The editor has personally taken the course instructed by Bob Wilson.

President Diek called the meeting to order. Lloyd Knight led us in American and Dick Kennedy gave the invocation. Following dinner, Bill York led us in a couple of songs and Sgt.-at-Arms Charlie Cyr managed to snag most of us for a quarter or two.

NEW MEMBER Rod Dyer was introduced by sponsor Dick Pyne. Rod lives with his wife and three children in Cape Elizabeth. He is a Bowdoin grad and is in business for himself. His classification is Insurance-General Agent. Welcome aboard Rod!

Club Assembly, February 2, 1977, was well attended and hopefully will be a good catalyst for the next few months. Three major items were discussed:

1. Spring Project
 2. Attendance
 3. Membership
1. The club voted to support a sports night project to benefit non-school supported athletic programs in the Cape and South Portland. An organizational committee has been formed to develop this project. All ideas are welcome.
 2. Ray Frost announced that our attendance increased 1/10 of 1% in January over December. Not a very good showing. Attendance Chairman Dick Kilroy gave us a lot of things to chew on regarding our individual attendance records. Dick is about to receive his 15 year pin. January Club Average 71.2.
 3. Membership - Are we doing our job of trying to get new members?

GOODWILL AMBASSADORS - January 19, Art Keniston, Phoenix, Arizona; January 25, Frank Hugo, Gulf Beaches, Florida; Ralph Kilgore, Biddeford-Saco; January 27, Frank Hugo, Pinellas Park, Florida; January 28, Harris Plaisted, James Doughty, Portland.

Don Jenis is healing a broken ankle - Hope to have you back soon, Don!

Guest speaker for this meeting will be Rodney Page from the Physical Fitness Institute of America. Mr. Page is from Derry, New Hampshire.

President Dick called the meeting to order and led us in America. J. B. Maxwell gave the invocation. Knight and Day got together to lead us in singing after dinner. Al Boudreau was recently in North Irving, Texas and presented our club with a flag from that Rotary Club which he attended while there.

Program director J. B. Maxwell introduced our guest speaker, Bob Davis, who had to fill in for the originally scheduled Bob Wilson. Bob Davis is from Brunswick, attended Bates College and is presently working for Bob Wilson of Dale Carnegie. Bob spoke to us about "Youth and the Free Enterprise System". It is his strong feeling that today's youth need much broader understanding of what the free enterprise system is all about. Discussion centered around the differences between pure and actual free enterprise.

This Week's Meeting - February 23, 1977

Guest Speaker for the week's meeting will be William Clifford, Director of Management Assistance for Small Business Administration in Augusta, Maine. He will speak on the "Future of Small Business in Maine."

President Dick called the meeting to order. Carroll Beck gave the invocation. Following dinner, the piano was moved into the dining room so that Alex Cote, a visiting Portland Rotarian, could accompany Lloyd Knight in a few rounds of song. The piano certainly was inspirational to the chorus.

Don Jenis, still hobbling around, was back to assist Dick and introduce our visitors.

Program director J. B. Maxwell introduced our guest speaker Jerry Hunt and his lovely wife Cathy. This young couple came up from New Hampshire as representatives of the Physical Fitness Institute of America, to give us a few tips on how we could stay in good shape in order to live longer. Jerry analyzed several groups of statistics concerning the major killers of people in our country and the world. He outlined the components of physical fitness and explained how physical fitness relates to our own individual happiness.

Al Boudreau announced the results of his committees exhaustive efforts to select our candidates to compete for scholarships at the district level.

- These candidates are:
1. Jennifer Campbell - Bowdoin College
Candidate for Graduate Scholarship
 2. William Mahoney - Boston College
Candidate for Undergraduate Scholarship

Both candidates are residents of South Portland.

Dick Pyne informs me that we now have about \$1200 in our District Conference Fund. Things are looking very good for a great conference.

- GOODWILL AMBASSADORS:
- February 8 - Roberts - Scarborough
 - February 11 - Plaisted, Kennedy, Fralich, Thurston, Nigro, Giftos, Mooers, Pyne, Keniston - Portland
 - February 15 - Yerxa - Westbrook

Dick Kilroy returned from London, England where he made up last week. Dick is chairman of the attendance committee and explained to us how making up in other clubs can be lots of fun. It also helps that attendance percentage.

This Week's Meeting - March 2, 1977

The meeting's invocation was delivered by Dick Jordan.

Dick Day, ably assisted by Bill York, led the club in a round of rousing song.

The Speaker was William H. Clifford, Assistant District Director for Management Assistance. Bill is a CPA holding certificates from both Maine and Maryland. He is a member of the Maine Society of Public Accountants, American Institute of CPA's, Washington Society of Financial Analysts and the National Federation of Financial Analysts.

Bill talked of the future of small business in Maine, indicating that the future is most promising. He indicated a definite need for a licensed small business investment company in Maine as we are the ONLY state not having such a company. It was indicated that the SBA is understaffed and overworked but still manages to lead New England with 34 loans totaling more than 15 million. It was a most interesting presentation; especially to those of us in small business!

Visitors this meeting were: Don Powers and Bob Benedict, both of Portland.

GOODWILL AMBASSADORS: Bob Nigro - Portland
Jack Roberts & Jim Doughty - Westbrook
Dick Kilroy - London
Frank Hugo - Pinellas Park & Gulf Beaches, Florida
Ralph Kilgore - Honolulu, Hawaii

REMEMBER: THE ROTARY DISTRICT CONFERENCE - June 16 & 17 at the Balsams. Make your plans now and attend, it should be really great!!!

We all would like to see Ray give up the black arm band - it's easy to do; all you have to do is ATTEND or MAKE-UP. So come, you're missed when you aren't there. Let's make our club not first from the bottom, but first from the top.

QUOTE OF THE WEEK: "Life will die if held too tightly;
Life will fly if held too lightly.
Lightly, tightly, how do we know
Whether we're holding or letting life go..."

THIS WEEK'S PROGRAM: The program chairman for March is NICK PAPPAS. NICK will be giving a classification talk. The title will be "Puts and Calls".

LAST WEEK'S MEETING: President DICK called the meeting to order at approximately 6:15 p.m. LES WATERS led us into singing "America the Beautiful", followed by ART KENISTON who gave the invocation. To help with the digesting of the Wonderful Roast Beef dinner, RAY FROST had us all singing his old time favorites, namely "I've Been Working on the Railroad", "Let me Call You Sweetheart" and "Take Me Out to the Ballgame".

V. P. DON JENIS introduced our four visiting Rotarians and one guest.

Sergeant-at-Arms CHARLIE CYR fined all members without their Rotary Pin 25¢.

NOTICE

While we're on the subject of fines, it was announced by President DICK that effective next meeting, members wishing to leave early must purchase a "Scooter Pin" before the meeting from RAY FROST at a cost of 25¢. If you fail to purchase the pin before the meeting, you will be subject to a fine of \$1.00. (KEITH DENNISON was heard to ask if he could get a deal on a pin good for a year.)

An informal ceremony was performed between President DICK and RAY FROST. It was the removal of RAY's black arm band, due to the club's attendance record improving to a respectable 80%.

LAST WEEK'S PROGRAM had J. B. MAXWELL giving us a presentation on "Rotary Information". The slide presentation I'm sure was very enlightening and beneficial to our newer members. It gave a brief description on the history of Rotary and what Rotary expects from each member.

ANNOUNCEMENTS: The resignations of GARTH GOOD, PETE RUMERY, and RON STEWART were accepted by the board of directors.

Charter members who, after fifteen years have become senior active, are urged to have their classification filled by prospective new members.

It is asked that the former bulletin editor having possession of the book containing dates of anniversaries, birthdays, etc. turn same book in to the current editor.

GOODWILL AMBASSADORS: February 15 at Scarborough, E. THERIAULT, J. ROBERTS, A. DIMATTEO, and P. DUBE. February 22 at Gulf Beach, Florida, F. HUGO. February 23 at Biddeford, K. DENNISON. This Week's Meeting - March 23, 1977

THIS WEEK'S PROGRAM: The program chairman, Nick Pappas, will announce this week's speaker.

LAST WEEK'S MEETING: President Dick called the meeting to order at approximately 6:15 p.m. The singing of America was led by Warren Simpson, followed by Lloyd Knight who gave the invocation. Bill York led us in the singing of an Irish tune, only to be up-staged by Lloyd Knight's solo. Why do we encourage him with a "standing O"?

V.P. Don Jenis introduced our two visiting Rotarians.

Sergeant-at-Arms Charlie Cyr fined President Dick \$1.00 for not introducing Lloyd Knight. President Dick let Charlie off with a 50¢ fine for wearing his Rotary pin on his right lapel.

By the looks of last week's exits, the scooter pin could be the club's major fund raiser.

Harold Fralich reported that the Balsams are ready and waiting for the Rotary District Conventions of 1977 and 1978.

Fred Madore reported on our Rotary Club holding a "Super Star Day" on June 18th, which will involve competition in five events with all the local high schools being represented by one girl and boy. This event will kick off the South Portland Board of Industry and Commerce celebration.

LAST WEEK'S PROGRAM: Nick Pappas introduced Richard L. Johnson of the Scarborough State Police unit who spoke on the use of the polygraph. There are three polygraph units in Maine (Orono, Augusta and Scarborough) being used by certified operators. The equipment is used to screen applicants for several state agencies. However, its primary use is on criminal cases. (Approx. 600 per year) A person must volunteer for a polygraph examination and may be accompanied by legal counsel. The person to be tested is pre-examined as to his background and physical fitness. This information is used as a basis for testing. The testing results are accomplished by measuring blood pressure, the reaction of sweat glands and chest or stomach breathing.

More on our new member Peter Drivas. Pete lives with his wife Dolores and their children, Pamela, Ross and Matthew at 42 Sylvan Road, South Portland. His education includes a B.S. from U. of M. Orono and an M.S. from Columbia University. Presently Pete is manager of Honeycomb Systems, Biddeford, which gives him his Rotary classification - Light Metals Mfg. G. Pete has held an office on the South Portland Traffic Board and the Bank Advisory Board of Maine. He has also been active in P.T.A., the Church Board and the Society of Manufacturing Engineers. WELCOME PETE.
