MEETING - JULY 6, 1977

Club was assembled and the meeting was called to order at 6:15. Bill Stanton gave the invocation. Dick Pyne led us in a verse of America. After dinner G. Chandler introduced three visiting Rotarians and one guest for the evening. Sam Giftos led the group singing.

The Business Meeting was called to order at 6:50. President D. Jenis gave a rundown of the policies and activities that he hoped would be instituted and held during his term of office. Club officers G. Chandler, A. Keniston, R. Carson, A. Boudreau were called on to give a brief report of the coming year's activities. Committee Assignments were passed out to the members. R. Carson proposed an increase in the dues from \$60 to \$75. The increased income would be used to pay for the rent of the meeting hall. Currently, the members are assessed on their dinner tab for the meeting hall rent. This amount would be reduced in the cost of dinner to the members. After discussion was held on this item, S. Giftos made a motion to increase the dues to \$75. It was seconded by M. Smith. Motion was voted unanimously and accepted. President Don reported that the board of directors had voted in a \$300 Consolation Scholarship for candidates who were nominated to represent us in the district competition but did not win. D. Pyne gave a report on the South Portland-Cape Elizabeth Rotary District Convention Fund. There are 25 active members in the fund. He made an appeal to members that are planning to go to the convention and are not in the fund to invest in the fund so that the club could get the benefit of the income. D. Kilroy proposed that the club start a fund to raise \$1000 and designate a Paul Harris Fellow. He donated \$500 to start the fund off, if the amount was matched by the club. Ray Frost responded with another \$100 donation.

MEETING - JULY 13, 1977

Club was assembled and meeting was called to order at 6:15. Jim Doughty gave the invocation. Past President Dick Holden and visiting Rotarian Howard Reiche who played the piano led us in singing before and after dinner. G. Chandler introduced 5 visiting Rotarians from Portland and Scarborough.

President Don Jenis called the business meeting to order at 6:53 P.M. In his opening remarks, President Don indicated that characteristic of any successful Rotary Club is that it followed the rules of Rotary. During the coming year at each meeting, a review will be made of the governing rules. At this meeting, the rule on payment of dues was reviewed. Dues are payable 30 days after the first of the month of the new term. If the dues are not paid members become delinquent and subsequent board of director action must be taken. This being the first month of the new term Pres. Don urged all members who had not paid their dues to do so.

The Paul Harris Fellow Fund drive started by Dick Kilroy's initial donation last meeting received two more contributions: W. Stanton \$50, M. Smith \$25. The total pledged to date is \$675. What a nice sendoff for District Governor Harold if the \$1000 could be raised prior to his last meeting before his district travels. The fund will be successful why not do it now so it can impact on the district.

J. Maxwell presented a report on the proposed new handbook that his committee is working on for the club. He passed out notes on the membership handbook which gave examples of how it would look in its completed stage. Timely completion of the biographical sketch and its submission with a photo is necessary to meet the September publishing deadline. All material should be in to J.B. by August 17. If you haven't received a hand out please contact J. Maxwell.

G. Chandler gave a report on the status of the Bon Voyage Party to be held on July 27 at Two Lights State Park. The affair will now be catered so a firm number must be determined. Those of you that weren't going for fear of getting disease from the officers cooking can now rest easy and make plans to go. Final attendance number must be made at our next meeting. Price is \$2.50 per person. Entertainment will be provided. Rain or shine.

Mason Smith gave a report on the club's plan for international exchange with the Bar le Duc Club in France, which will take place in October 1977. Volunteers to provide housing will be required. Will you help?

Proposed for New Membership:

Anthony P. Kostopoulos, Broad Cove, Cape Elizabeth, Maine. Classification - Ethnic Restaurant.

President Don Turned the meeting over to our Program Chairman, S. Dunn.

S. Dunn introduced the speaker for the evening, Dr. J. Roberts, Shore Road, C.E. Dr. Roberts spoke on Oral Health and the control of disease during its cycle. He answered questions after his talk and gave opinions of health problems.

MAKE UPS: July 5, 1977 - Westbrook - F. Madore, D. Holden, T. Holden.

July 8, 1977 - Portland - W. Simpson, H. Plaisted, D. Yerxa

COMING EVENTS: Bon Voyage Party, Two Lights State Park, Ladies invited. Entertainment, Price \$2.50 per person, Rain or Shine

MEETING - July 20, 1977

Club was assembled and the meeting was called to order at 6:15. Bill York led us in a verse of America before dinner and in a medley of songs after dinner. J. B. Maxwell gave the invocation. G. Chandler introduced visiting Rotarians from Portland and El Centro, California.

The business meeting was called to order at 6:50. President Don Jenis called on reports from the following committee chairmen.

1. Special Events - "Governor Harold Fralich's Bon Voyage Party", G. Chandler reported that approximately 80 people had signed to attend the big sendoff. Social hour will start as soon as you get there. Chicken dinner catered by Carolyn's at 7:00 P.M. It will be served in the pavilion as George explained for about 15 minutes. Price is \$3.50 per person.
2. Membership Handbook - J. B. Maxwell reported that he had received 1 completed information form from E. Corson. The other 49 must be turned in with the accompanying photo by August 17th to allow time to make the September publication deadline.
3. Board of Directors meeting - President Don reported that the board had set a goal of electing 12 new members to insure proper and adequate growth of the club.
4. Special Report - Method of Electing a New Member - Director C. Cyr covered the procedure involved in electing a new member. Briefly it is as follows: Proposal to elect a person as a new member must be made in writing on an application card to the Board of Directors. This must be done before the candidate has been contacted directly. The Board of Directors will have application referred to two committees for their action. The Classification committee acts on the eligibility from a classification standpoint. The Membership committee acts on eligibility of the candidate from a standpoint of character, business and social standing. Final action will be taken by the board on the recommendations of the committees. If the action is favorable, the candidate's name is posted before the club for ten days. At the conclusion of the waiting period if no objections are filed the application is turned over to the Rotary Information Committee. This committee meets with the prospective new member and informs him of the privileges and responsibilities of membership. If the candidate agrees to assume them he is invited to join the club. The new member fills out an application and this is turned over to the board for final approval and upon payment of the dues shall be considered elected to the club.
5. \*\*Special Report - Paul Harris Fund Drive - President Don reported two new subscribers to the fund, D. Kennedy and W. Simpson \$25, this brought the total up to \$725, a long way from our \$1000 goal prior to H. Fralich's departure. Then in a burst of enthusiasm triggered by a plea to the club and S. Giftos' \$25 contribution. The following members made \$25 donations which put us over the top: J. B. Maxwell, A. Boudreau, D. Jenis, G. Chandler, D. Mooers, W. Kourakos, C. Beck, D. Holden, P. Drivas, B. Carson, B. Kilroy, E. Corson, P. Dube, J. Doughty. This brought the total pledged to \$1100. Quipped D. Kilroy who started it all with the initial donation and request for club participation "I'll have to go to the bank and get the money. I didn't think it would happen this soon." A passing thought -- If the members of the club who have not donated to the fund each gave \$25 there would be enough for another Paul Harris Fellow in the club. Let's make it happen, pledge your share now.

## PROGRAM

Speaker of the evening was Mr. Perry Hudson, General Manager of the Maine division of the New England Telephone Company. He was introduced by R. Pyne.
