LAST WEEK: Meeting called to order by Pres. George, America led by Peter Drivas, invocation by Dick Jordan, singing led by Dick Yerxa. Al Boudreau introduced visiting Rotarians including the new Town Manager of Cape Elizabeth, John Henchey. Warren Simpson made up last week in Helsinki, Finland and brought back a flag from that club. He also made a few comments on his trip all over Europe.

President George announced the names of three new candidates for membership in our club. They are: Mike Adams, John Henchey and Robert Penty. As usual these names will lie on the table for ten days and if there are no objections, they will be accepted into our club.

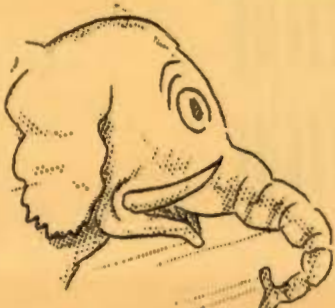

A letter of thanks was read from Mrs. Joseph Klenk for our recent contribution to her Campfire group.

On Tuesday, Oct. 3 there will be a Rotary Information Meeting at Harold Fralich's home on Stoneybrook Road. This is for new members and their wives: Dick Goodine, Steve Kennedy, Bill Brown, Andy Mesoin, Rob Kilroy, and Lin Beck.

Program Chairman Lin Beck introduced Dick Anderson, formerly of the Me. Audubon Society, a Director of the Dept. of Environmental Protection, and now a partner in Land Reclamation Inc. who spoke on Solid Waste and its problems. He commented that the last ten years have seen a tremendous improvement in the rivers of the country, noting that this year there were 400 Atlantic Salmon caught in the Penobscot River where ten years ago none could live in it. He said that the next ten years will be the decade of learning how to handle solid waste. Apparently land fill dumps are not the answer as nobody wants one near him and only from 5 to 10 per cent of the State of Maine has soil suitable for such dumps. Dick indicates that re-use and recycling are the best answers. Many regulations work against recycling as in the case of shipping iron ore by rail at a very low freight rate whereas scrap iron takes the same high rate as new automobiles. It was interesting to learn that a pound of aluminum made from scratch uses 32¢ worth of electricity and sells for 55¢ while a pound of scrap aluminum can be recycled using only 5¢ worth. Obviously there is economic gain to be had by using scrap. He said that there will soon be a new plant in Auburn which will burn solid waste to generate steam which will be sold to nearby plants. We are using such large quantities of paper in this country that by the year 2000 the production of wood for pulp will not be able to produce the paper needed and we will be forced to turn to recycled paper. He closed by saying that the ever increasing cost of disposing waste will provide the incentive to conserve and recycle our resources.

Dick Kilroy is program chairman for October. He says our speakers will all be politicians and will be balanced between both parties as far as is possible. For Oct. 4, come and hear

The meeting was opened by George Chandler leading the club in the Pledge of Allegiance. Dick Holden then led in the singing of America and Carroll Beck offered the invocation. Following the meal Charlie Cyr directed the club in a song.

Paul Butler filling in as Sargeant at Arms assessed every member a fine and allowed the members a chance to get their money back by correctly answering three questions. The Sargeant at Arms kept more than he returned.

Al Boudreau shares with us a letter written to him by a past scholarship candidate. This person who had failed to win wrote to Al in appreciation of the opportunity to compete.

Following the introduction of visiting Rotarians and Guests, George Chandler introduced three individuals most recently proposed for membership. They were Mike Adams, John Henchey, and Frank Hugo. John and Frank are former Rotarians.

Warren Simpson reported to the club concerning Tuesday evenings Rotary information session. At this meeting Warren, Harold Fralich, and Dick Kilroy introduced new members to the fundamental concepts and responsibilities of Rotary. New members attending the meeting included Dick Goodine, Bill Brown, Rob Kilroy, Andy Mezoian and Steve Kennedy.

Sam Giftos presented the flags of Oxford and Oxford North clubs of Oxford, England. He has made up meetings at these clubs as well as in London on a recent trip to England.

Dick Kilroy introduced the evening's speaker. He was Joe Brennan, Attorney General for the State and Democratic nominee for Governor. Mr. Brennan spoke briefly of his background beginning with his boyhood as a neighbor of George Chandler. He went on to speak of his political beliefs. Mr. Brennan emphasized a balance between government and people. He urges fiscal restraint while maintaining that his top priority is jobs for Maine's unemployed.

The speakers in coming weeks will include:

- October 11 - Rep. Barbara Gill of South Portland. She is a Republican seeking state senator from C.E.-S.P.
- October 18 - District Attorney Henry Berry. He is a Republican seeking reelection as the Cumberland County D.A.
- October 25 - Rep. Peter Curran. He is a Democrat seeking the same senate seat as Barbara Gill.

MAKE UPS: Rotarians visiting other clubs included Peter Drivas - Athens North; Sam Giftos - London, England; Sam Giftos - Oxford, England; Harris Plaisted - Brunswick; Steve Kennedy - Lewiston-Auburn; Lloyd Knight, Harris Plaisted - Kennebunk; Al DiMatteo - Bath; Ed Theriault, Bob Nigro - Westbrook; Peter Drivas, Harris Plaisted - Portland; Carroll Beck, Linwood Beck - Scarborough; Dick Yerxa - Biddeford-Saco.

LAST WEEK: Meeting opened by V P Al Boudreau who led pledge of allegiance. Singing of America led by Don Jenis, visiting Rotarians introduced by Al Boudreau, singing led by Paul Butler and was much better than usual.

President George announced that Mike Adams and John Henchey have been accepted as members in our club. They will be formally introduced by their sponsors in the near future. Welcome aboard, fellows.

A fine of \$1.00 was levied against every member present who has not submitted his picture and background summary for the Club Directory.

October Program Chairman, Dick Kilroy introduced Barbara Gill who is running for the State Senate seat from So. Portland-Cape Elizabeth. Barbara has served on the Health and Welfare Committee in the House of Representatives and, if elected, hopes to Chair that Committee in the Senate. She feels strongly that we need to reform our welfare programs and get as many people as possible off the welfare rolls and onto payrolls. She cited many cases of families who have been on welfare for three generations. She feels that we sorely tax reforms but is not convinced that the State should take the current surplus and rebate it on a one time basis to the taxpayers. She cited many cases where maintenance of State properties has been held up in the name of economy and which will require substantial sums to be brought up to standard. Barbara is very strongly in favor of keeping the legal drinking age at twenty years. She said that, when the age was 18, liquor was common down into the grade school level. A lively question and answer session elicited many views of our legislators. Some feel that they are insensitive to the peoples' opinions, that they are much disposed to spend rather than look for economies. The point was raised that, in the wake of four years of Governor Longley's spartan reign, the next administration may embark on a spending spree. One opinion said that, if this occurred, the people would let their feelings be known, and loudly. All in all, a very lively and informative program.

CLUB DIRECTORY: It seems to me that it is high time that we finished up this program. Won't you fellows who have not turned in your information make a special effort to do so in the near future????

CHRISTMAS TREES SALE: Al Boudreau asks that we begin thinking of what time slots we wish to work on this years' project. He will be shortly passing out a calendar for us to list our choices.

MEETING OF OCTOBER 5 Speaker will be Peter Curran, candidate for Representative for State Legislator.

Board Meeting - Members of the board of directors will meet on Wednesday at 5:00pm at the Purpoedock for approval of the new fund raiser.

LAST WEEK'S MEETING President George got the meeting started on time, Steve Kennedy gave invocation. Dick Goodine made a valiant attempt at leading us into singing O'Canada and Smiles.

We were honored with eight visiting Rotarians and two guests.

Pres. George announced that our Club is a 1500% Rotary Foundation Club.

Guest Speaker - Our guest speaker a former member of our club was District Attorney Henry Berry III. Mr. Berry, who is a Republican candidate running for re-election, has been the D.A. for Cumberland County for the last four years.

Mr. Berry spared us the usual candidates speech, and elected instead to inform us on what was happening in the courts. The district court of Cumberland serves 25 towns, has six full time assistants and one part time. The heavy case loads has forced them into using law students from the University of Southern Maine.

Mr. Berry announced that the waiting period between traffic and criminal arraignments and trials will be reduced from three months to about three weeks under a new trial schedule.

Sideline - None of the members present knew that there are 23 people who serve on a grand jury.

NOTICE The Rotary Club of Portland now meets at the Portland Club, at 156 State Street.

GOODWILL AMBASSADORS 9/11 Brunswick - Ed Theriault, 9/12 Scarborough Lloyd Knight, 9/12 Westbrook - Dick Holden, 9/13 Biddeford-Saco Ted Wainwright, 9/16 Scarborough - Bill York, 9/27 Oxford North, England - Sam Giftos, 10/3 Scarborough - Ted Wainwright & Nick Pappas, 10/3 Skowhegan - Al DiMatteo 10/6 Portland - Dick Kennedy 10/10 Scarborough - Phil Dube, Bill York and Nick Pappas, 10/10 Westbrook - Pete Drevis & Harold Flaisted.

LAST WEEK: Don Jenis, filling in for President George, opened the meeting with flag salute, Harold Fralich led America, invocation by Charlie Cyr, singing led by Bill York.

Harold Fralich presented the club with a plaque from Rotary International recognizing our club's attainment of the 1500% level in contributions to the Paul Harris Foundation. Out of the 57 clubs in this district we are now in third place with respect to contributions to the Fellowship. Our club now has six Paul Harris Fellows: Ray and Dottie Frost, Harold and Marge Fralich, Dick Kilroy and Sam Giftos.

Don informed us that we will be hearing of a second fund raising plan in the next couple of weeks.

Bill Kilroy introduced Peter Curran who is running for State Senator from Cape Elizabeth and So. Portland. Peter has served in the House during the last two legislative sessions. He is a teacher at Westbrook High School, teaching Government and Social Studies. He is a native of So. Portland, a graduate of S. P. High School and the Univ. of Maine. He has been involved in Scouting for over twenty years and was selected by the So. Portland Jay-Cees as their Outstanding Man in 1973 and by the Westbrook JayCees in 1976. His attendance at the Legislature has been outstanding as he has missed only 10 roll call votes out of over 1300. He feels that the important decisions for the State are made in the Senate Chamber and he wants to be a part of that decision making process.

NEW MEMBER: Bill York formally introduced our newest member who is Robert Penty. His classification is Additional Active, Marine and Industrial Engineers. Bob was born in Leeds, England and attended Royal Commercial Travelers School and Sheffield Tech. College. He worked in England developing cutting tool materials and taught metalurgy at college level for two years. He left England at age 29 to attend Cornell Univ. and receive his Masters in Materials Science Engineering and from Lehigh Univ. received his Doctorate in Metalurgy and Materials Science. Bob has worked for over four years in Biddeford, Me. for Fiber Materials Inc. and is now with Haig International as Senior Scientist, Materials. Bob's wife is named Jean and they have a 19 month oldson and reside on Island View Road in Cape Elizabeth. Welcome aboard, Bob.

MAKE-UPS: At Scarborough on 10/16, Ted Wainwright and Nick Pappas: At Biddeford-Saco on 10/17 Bob Nigro: At Portland on 10/20, Al DiMatteo.

THIS WEEK'S SPEAKER: Rounding out Program Chairman Dick Kilroy's political string of candidates will be Dave Emery who is running for re-election to the House in Washington. Let's all make a special effort to be at this meeting. It doesn't look very good when there is a mass exodus when the speaker is introduced.

LAST WEEK: President George opened meeting with pledge of allegiance, Bill Stanton led America, Dick Kennedy with invocation. Excellent meal. Singing was omitted in order to shorten meeting to allow for hockey fans which included our speaker. Al Boudreau introduced visiting Rotarians.

President George announced that the board of directors have approved a grant of \$1,000 to Cape Elizabeth High School to send two people to a seminar on combatting use of drugs in schools. There seems to be a serious problem in the Cape. George also announced that the board has approved a second fund raiser for the Club. It will be an international auction and more details will be forthcoming soon.

Al Boudreau passed out forms for each Rotarian to indicate his choices of time to sell Christmas trees this year. If you did not get one be sure to ask Al. Pick three or four times in which you can work. Al announced that Hodges Furniture Co. has contracted to buy 250 trees from us to be used in a Christmas Promotion sale. This makes a good start for this year's sale.

President George took an informal poll to determine if there is any interest in starting our meetings at 6 PM rather than 6:15. This to allow hockey fans and others to get away a bit earlier. It looked to me as if there was much approval for this.

NEW MEMBER: Bob Carson introduced formally our newest member who is Mike Adams. Mike is a native of Southern California a graduate of UCLA and the University of Maine, is a former Marine Flight Officer. and was Executive Vice President of New England Ins. Co prior to starting his own business. Mike's wife's name is Patricia and they have three children Welcome aboard Mike Adams.

Dick Kilroy completed his political month by introducing David Emery, who is running for re-election from the first district of Maine for the House of Representatives in Washington. Mr. Emery is a graduate of Worcester Polytech College with a degree in Electrical Engineering. He has served two terms in the Maine House and two terms in Washington. He spoke of the 36 hour session at the close of the last session of Congress and of the necessity of the next session to clear up some mistakes by the tired congressmen. He spoke at length on the energy crisis we are facing and what Congress has and has not done to alleviate it. He commented that the administration's program of early 1977 called for a raise in the price of a barrel of domestic oil to the value of that imported from abroad and a graduated tax which would have raised the price of a gallon of gas by 50¢. These were defeated. There are incentives for auto and appliance manufacturers to make their products more energy efficient along with tax credits for people who insulate their homes and others who wish to experiment with wind and solar power devices. He said that we would have natural gas deregulation by 1985 and that this would give us a tremendous source of energy at a fairly reasonable cost. He is looking forward to addressing such problems as what to do with nuclear wastes and how to best use our coal resources which offer us energy for at least 500 years if we can learn how to use them efficiently.

LAST WEEK: Vice President Al Boudreau opened the meeting with pledge of allegiance, Peter Drivas led singing of America, Charlie Cyr gave invocation (92). Bill York led the singing and Don Jenis introduced our visiting Rotarians. Al Boudreau asks that you pass to him your choices of Christmas Tree duty stints as soon as possible.

NEW MEMBERS : Peter Drivas formally introduced Andy Mezoian. Andy is a graduate of Portland High School, University of Maine and University of Birmingham, England. He has been a teacher for 25 years, is a Past President of the South Portland Teachers Assc., has two sons ages 13 and 11, lives in So. Portland, and his hobbies are Auctions, Drums and Tennis.

Dick Jordan formally introduced John Henchey. John has been a Rotarian for 20 years. He was born in Lewiston in June, 1925, attended Coney High School, Coburn Classical Institute, and graduated from University of Maine in 1952. He served with the Sea Bees from 1944-1946 was manager of the city of Presque Isle from 1952-1968, manager of Concord, N. H. from 1968 to 1978 and is the new Town Manager of Cape Elizabeth. His wife is named Juliette and they have four children ages 25, 23, 17 and 5. John says the 5 year old was born soon after he took up jogging. Let that be a lesson to you. John and his family live on Pine Point Rd in Cape Elizabeth. Welcome aboard Andy and John.

First truckload of Christmas Trees arrives on Nov. 30 with the second one arriving on Dec. 9. It's later than you think.

PROGRAM: Bill Stanton, Program Chairman for November, introduced Dave DeBree who is a young fellow getting started in the advertising business. Dave was born in 1953, attended Greeley High School and graduated from University of Maine in 1977 as an English major. He first tried his hand at selling advertising for a local radio station and now is now working as a display ad man for the publication "Shopping Notes" which is a weekly ad paper covering Freeport, Yarmouth, Falmouth and Cumberland area. The paper is owned by Stan Milton, a former Rotarian in our club. Dave gave us a brief run down on the history of the paper and of his own experiences in his first few months in the business of selling. It brought back many memories.

MAKE UPS: At Scarborough on 10/31 Al Boudreau; on 10/31 at Westbrook Dick Kilroy; on 11/1 at Biddeford-Saco Harris Plaisted; on 11/3 at Portland Dick Yerxa.

It was announced that preparations for our annual Christmas party for the shut in people are under way. It will be held at our meeting of Dec. 13. You will be hearing from the committee as to their needs for people to pick up and deliver the people.

LAST WEEK: Vice President again opened the meeting with pledge of allegiance, Peter Drivas led America, John Henchey gave invocation. (Come home, George, all is forgiven). Nick Pappas led us in singing?? Truly a disaster!! Don Jenis introduced visiting Rotarians. It was announced that, after many years of trying, Bob Carson finally scored his first hockey goal.

There being no program, Al Boudreau led a discussion on the trials and triumphs of selling Christmas Trees. He has learned the hard way what is involved in this annual project from ordering the trees to making all the many arrangements for setting up the selling site. These include getting permits, arranging for power, setting up bank accounts, arranging for wiring the shack, and scheduling people into the time slots for selling. Please keep in mind that the first load of trees arrive on Nov. 30 around 1 PM. This is a Thursday and we will need all the help we can get to unload. If we have a good crew we can do the job in an hour and a half or so. If you haven't let Al know what your time slot desires are, please do so as soon as you can. Al plans to keep a journal of his activities this year so he can pass it along to the next chairman. Should be a big help. Al has had printed some certificates good for \$5.00 toward the purchase of one of our trees. This for anyone who wishes to give them to his employees, friends etc. This will give us some built in customers if the plan is successful.

Hodges Appliance Store has ordered 250 of our trees for a sales promotion and will be featuring them in their advertising. This is a big help too.

MAKE UPS: On October 22, Peter Drivas in Tehran; October 25, Dick Yerxa at Biddeford-Saco; October 31, Steve Kennedy at Bangor and Peter Drivas in Istanbul (doesn't he get around); November 1, Dick Yerxa at Biddeford-Saco, Harold Fralich at Portland; Nov. 3, Al DiMatteo at Portland; Nov. 6, Carroll Beck at Rumford; Nov. 7, Bill York at Scarborough; Harold Fralich at Westbrook, Harris Plaisted at Westbrook.

LAST WEEK: (11/22) President George was back among us and led Pledge of Allegiance; Singing of America by Bill Stanton; invocation by Don Jenis. President George was presented with a Get Well card signed by most members. I understand this was for his hospital confinement of several months ago and not for his recent bout with pneumonia. I expect he will receive a card for that one sometime next year.

It was announced that our recent plaque honoring our attaining the goal of 1500% membership in Rotary Foundation should have been for 1800%. Great going!! Al Boudreau introduced our only visiting Rotarian who was George Bartlett of Portland. Al also stressed that our Trees are due to arrive on Nov. 30 at 1 PM and asks for help in unloading them. We also have a tentative scheduling of a remote broadcast by Radio Station WCSH from our Tree Lot during our sale.

SPEAKER: Program Chairman Bill Stanton introduced Paul Cain who represents Conn. Mutual Life Ins. Co. at 836 Sawyer St. in So. Portland who spoke on The Crummey Trust---Is it really? Paul attended the University of Hawaii, Harvard Extension and University of So. Maine. He spent 10 years in the Submarine service, the last three of which he was a teacher at the Submarine School in Conn. He explained that the Crummey Trust is a device whereby one can avoid income taxes on part of his income by setting up trust accounts for his children in the amount of \$3000 per year (\$6000 if his wife is involved). There are some pitfalls in this as the children must have full access to the trust amounts for at least a part of the year and there must be something in the trust for them to obtain. The fact that they do or do not avail themselves of the opportunity to draw funds from the trust has no bearing on the situation. Some of this was over my head and I think I would consult an attorney before I got too involved in such a situation to be sure of the direction which I should take.

The meeting began with all joining President George in the Pledge of Allegiance. Captain Lloyd volunteered for the Star Spangled Banner. Bill York gave the invocation. After dinner Capt. Lloyd led us in an exciting version of Smile.

All of our visitors were from Portland, Thanks guys.

Dan Gacetta announced there would be an evening at the Italian Heritage Center, December 7th, honoring Jim Beattie of the N.Y. Yankees. Other members of the Yankees will be present and dinner will be served. \$8.00 will be the price per.

Paul Butler announced the Senior Citizen's Christmas Party will be held Wednesday, December 13th. Volunteers will be needed to provide their transportation. Everybody plan to pitch in.

Al Boudreau gave us a rundown on the Christmas tree sale. There are still some open times in the work schedule, let's fill them in. Al explained the coupons we're going to use. Any questions, call Al. This is our biggest time of year. Let's give 110% and help Al make this the most successful year ever.

Bill Stanton, November's Program Director introduced Paul Silva, Paul is the Director of the Maine Truck Owners Association. This is a non-profit organization representing 249 companies in Maine. There are 56,000 people associated with the trucking industry in Maine. It develops an annual payroll of \$517,000,000.00. He presented a very informative film of the history of transportation. Thanks to Bill for an entertaining month.

LAST WEEK: Pledge of Allegiance by George Chandler, America by Lloyd Knight, Invocation by Dick Kennedy. Singing led by Lusty Lloyd, Visiting Rotarians introduced by Al Boudreau.

The question of starting our meetings at 6:00 PM has apparently met with some objections by some of our members. This will be debated at a Club Assembly program on December 20.

Al boudreau reported at length on our Christmas Tree Sale. We are off to a good start. We are asked NOT to cut prices. If a tree looks as if it is not worth the tagged price put it aside and it will be reviewed by one of the management and adjusted as necessary. By the time you get this our second load of tress will be on the lot. WCSH radio is doing a remore broadcast at the lot on Sat. 12/9 from 10:00 AM to 2 PM.

Paul Chantal introduce Ed Toohar who spoke on his position as Juvenile Court Intake Worker under Maines new Juvenile Code which became effective July 1. Ed is a native of Providence and a graduate of U of R.I. 1969 with degree in Sociology. He is doing graduate studies at U of M in Counciling. Under the new State program he is able to lift a considerable load from the Court system by conferring with young people in trouble with the law. He actually enetrns into a contract with them to make restitution to victims, attend school and generally behave themselves for a period of six months. Should they fail, he can bring them into the Court system. At present Ed has a case load of sixty young people and reports a failure in only 5 case since he began his job last July. It looks as if this program is a forward step in the solution of the big Juvenile Crime area.

THIS WEEK: This is our annual program for elderly people at Christmas. If you have any people to pick up, you can arrive as early as 5:30. Paul Butler has arranged to have a punch bowl and hot hors doeuvres at that time and this will be followed by a nice roast beef dinner. Our program will be Howard Reiche at the piano along with Captain Lloyd at the tonsils. Let's all turn out and give these folks a nice warm evening.

MAKE UPS: 10/24 at Scarboro, Warren Simpson, Nick Pappas, Ted Wainwright; 10/31 at Gulf Beaches, Fla. LAST WEEK: Pledge of Allegiance led by Pres. George, America by Lloyd Knight, Visiting Rotarians introduced by Al Boudreau.

Al announced that, as of Tuesday 12/12 our sales of trees had reached the nice sum of \$9,184.55. Our cost of trees is \$8,876.25 so we are in the black. Our profit comes from the sales we make this week and week end. If you have a spare hour or two, why not go down on Sat or Sun and give the fellows on duty a lift. Need all the help we can get.

PROGRAM: This was our annual party for shut in people and, as usual, it was a very fine affair. The roast beef dinner was excellent and the entertainment provided by Lloyd Knight and Howard Reiche was superb. These people really seem to enjoy these parties and look forward to next years time. Many thanks to Bill Stanton and Paul Butler for making this a fine time for everyone.

THIS WEEK: Club Assembly. We will discuss whether or not to change our meeting time from 6:15 to 6:00 PM. The club seems to be somewhat divided on this so come and put your oar in.

We will also take up a collection for Bea, our faithful waitress all through the year.

LAST WEEK: Pledge of Allegiance by George Chandler, America by Sam Giftos (he has learned the words), invocation by Carroll Beck, Visiting Rotarians introduced by Al Boudreau, singing by Rob Kilroy.

A collection was taken and a Christmas purse presented to Bea, our waitress, for her fine service to us throughout the year.

The program was a Club Assembly. Al Boudreau reviewed our most successful Christmas Tree Sale. As of 6 PM Dec. 20 there were only 33 trees on the lot. Gross sales to that time were \$16,359.00. The cost of the trees was 8,975, leaving a profit of 7,385. There are, of course, some other expenses but they are not large. Al figures that we have had stolen over the last five years some \$5,000 worth of tress. This year he says we have lost 80. This is a serious loss and needs some studying to reduce it. It was suggested that the club show its appreciation to the City of So. Portland, to U Haul trailers and to Donnelly Advertising for their cooperation and support of our project. Al is to be congratulated for his fine job this year.

It was announced that there is in the works for the near future a Father-Son-Daughter nite for the club. We used to have these nights and they were most successful. Glad to see it is being tried again.

The subject of changing our meeting time from 6:15 to 6:00 PM was discussed at length and finally resolved by staying at our usual time of 6:15.

The meeting finished up with brief reports from the various committee chairmen.

The Nominating Committee will meet after our regular meeting on January 3.

THIS WEEK. Program Chairman, Paul Chantal announces that our speaker will be Walter Simpson who works for the City of Portland as Job Developer.

YE ED with the last tree, Fri nite 6-9 PM
