LAST WEEK: (9/29) Meeting opened by Pres. Bill Brown; America by Al Baldwin; Invocation by Carroll Beck; Visiting Rotarians introduced by Bob Carson; Songs by our own pro duo Lloyd and Ellen Knight--Solos, Duets, Show Tunes, and Sing-a-Longs.. Great.

ATTENDANCE 60

BLOOD DRIVE: Dave Bagdasarian reminded us that this week, 10/4 to 10/8 is the Family Blood Drive by the Portland Club and another co-op effort by the four Greater Portland Clubs. Support it if you possibly can. Details in last weeks bulletin. Only takes an hour. Family members are solicited.

PROGRAM: OUR QUARTERLY LADIES NIGHT

Our host, Tony, served usa delicious steak dinner. We understand that the succulent sirloins came from Paul Butler's establishment. Very good. Nice to see that some of our Visiting Rotarians brought escorts with them. Bob Carson introduced Dr. Robert Nannay of the Univ. of So. Maine, who is able to spend his summers traveling about the world. He gave us a tremendous program of his slides from all over the State, the Nation and the World. These were accompanied by up beat music and a humorous commentary which made for a real delightful presentation. My only regret was that Dr. Nannay forgot to bring the slide tray of his second favorite city in the world, London. We hope he can find the tray and return soon to show it to us.

Many thanks to Bob Carson for this fine Ladies Night!!

PROGRAM FOR TONIGHT: 10/6. Harold Fralich will present a program on Rotary International and how it works. This would be a very good program to have any prospective members attend. It will give them a good idea of what our Rotary is all about. If you have anyone in mind, why not try to have him with you?

PROGRAM CHAIRMAN FOR OCTOBER 13 is George Chandler
" " " 20 is Ed Corson

MAKE UPS: On 9/14 in Honolulu, Bob Doe; on 9/21 in Westbrook, Dick Holden and Harold Fralich; on 9/22 in Biddeford-Saco, Carroll Beck.

OCTOBER 13, 1982

LAST WEEK: (10/6) Meeting opened by Pres. Bill; America by Ed Corson; Invocation by Ernie Case; Songs "Eliminated" (I know not why); Visiting Rotarians introduced by John Henchey.

ATTENDANCE 43

76 Trombones; Andy Mezoian is still seeking to borrow, for one year, some musical instruments to assist in starting a band at one of the local grade schools. Do you or a friend have any laying around the house? If so this would be a good use for them for a year.

PAUL HARRIS AWARD: Pres. Bill presented Warren Simpson with his medal, certificate and plaque as our latest Paul Harris Fellow. This award was announced at Two Lights when the District Governor visited our club. It takes this long to get the official papers, medal etc. processed. This is certainly a well deserved recognition of one of our oldest and very hard working members. Again, congratulations to you, Warren.

Bill Stantonis already working on a program for our annual Christmas Party for the elderly. For the balance of October, program chairmen are:

10/13 George Chandler 10/20 Ed Corson 10/27 Jim Doughty

PROGRAM: Harold Fralich presented a Rotary Information program of slides and tapes giving us a history of the Rotary movement and demonstrating to us how large and important the organization really is. From its beginning in Chicago in 1905 when Paul Harris arranged a lunch with three of his friends, by 1911 it had spread to England and Ireland and, in that year, the Rotarian magazine was born. By 1930 it was world wide and, by 1955, it was operating in 89 countries. Today we have 985,000 members in 154 lands around the world.

The program stressed that Rotary is only as good as its members and we all must give "Service Above Self" in the four avenues of Rotary.

The Rotary Foundation each year sends hundreds of young people to study in foreign lands and these people are goodwill ambassadors who help to spread peace abroad and who give us some insight to the lands where they have spent their year of study when they return.

SPECIAL AWARD: Shouldn't Bill York receive some recognition for his recent treatment of two Japanese business men who sucked him in to taking them down to Portsmouth and who stuck him with the check for lunch. Possibly our President Bill and Secretary Bob should also receive something for their deft sidestepping of the issue and dumping it on Bill. Can anyone think of something appropriate???

MAKE UPS: On 9/24 at Portland, Dave Hitchcock; on 9/28 at Westbrook, Doug Stewart and Jim Doughty; also 9/28 at Scarborough, Nick Pappas. Thanks.

OCTOBER 20, 1982

LAST WEEK: (10/13) Meeting opened by V.P. John Henchey; America by Tom Holden; Invocation by Carroll Beck; Visiting Rotarians introduced by Jim Doughty; and Songs (I use the word loosely) by Nick Pappas.

Following up on last week's report on the Japanese business man whom Bill York befriended above and beyond the call, Bob Carson read a letter of warning from our District Governor which indicated that the gentleman's credentials are something less than spectacular.

NEW MEMBER: Bill York introduced our newest member, Tony Wagner. Tony is a graduate of New York Maritime Accademy and is an officer in the Coast Guard Reserve. He received his Masters from the Univ. of Utah and worked for Consolidated Edison. After working six years in the Philadelphia area he is now the New England District Manager for Best Labs. He has a wife and two sons and resides in the Cape. He will be formally introduced at a later date. Welcome aboard, Tony.

ATTENDANCE 39

PROGRAM: Program Chairman, George Chandler, introduced Stephanie Fisher and Rete Stearns of the Greater Portland United Way Campaign who gave us a slide show and pep talk on this year's effort. I think Rete realized that we have all heard the campaign talks many times and took a little different approach from what one would expect. He stressed the high quality of life in the area and cited the many examples of people who are trying to find ways to come to area so that their families will have a better way of living than that which is available over most of the country. Rete pointed out that the many agencies which are served by the United Way are a very important part of the higher "quality of life" which we enjoy around here. I think we are all aware of many cases, men trying to relocate to Maine and reflection on the reasons bear out his premise that these United Way Agencies are very important to all of us and to the whole area. I am sure we have all been involved with the campaign over the years but I found Rete's approach new, different, and refreshing. If you haven't done your part in the campaign as yet, see that you do. We all have to return to the community something to repay for what we get out of it. 92% of money raised goes to the agencies.

MAKE UPS: On 9/29 at Biddeford-Saco, Duane Rancourt; 10/1 at Portland, Duane Rancourt; 10/5 at Westbrook, Tom Holden, Frank Hugo, Dick Holden, Peter Drivas; 10/4 at Rochester, N.H. Bill Brown; and look where Sam Giftos has been making up--on 9/15 in London, on 9/27 in Oxford, on 10/5 in Paris.

PROGRAM 10/20: Ed Corson will present Frank Morong, Mayor of South Portland.

LAST WEEK: (10/20) Meeting opened by Jim Doughty; America by Ed. Theriault; Invocation by Ralph Miller; Songs by Bill York assisted by his daughter Joanna; Visiting Rotarians introduced by Bob Carson.

Dave Bagdasarian reported that, during the recent Blood Drive, 7 members of our club showed up to donate.

PROGRAM: Program Chairman, Ed Corson, introduced Frank Morong who is Mayor of the City of South Portland and Chairman of the City Council. Frank was born in Massachusetts but moved to So. Portland at an early age. He is a graduate of So. Portland High School and has earned his B S, MS, and Doctorate at the Univ. of Maine. Frank taught for seven years and is now at So. Maine Voc. Tech. Inst. as Chairman of the Social Sciences Dept. While Frank is not a Rotarian he likes our tenets and the aims of Rotary. He thanked our club for its contribution of \$10,000 which got the Hinckley Park project off the ground. He reports that the work on the two dams at the park is now finished and that the trails are being dressed. If you haven't done so recently, you might profit from a walk through the park. Frank also commented on the Spring Point Walkway which is now about completed. This is a mile long walkway from Spring Point through SMVTI and over to Willard Beach. Ten years ago this shoreline area was inaccessible to the public. A great addition to the city. Another walk you might take.

Frank also reported on a "Well Employee" program which the city has put in place. In this program the employee is "stress screened" and then given a 12 week program of exercises followed by training in stress management and diet counseling. If an employee completes the program his net cost is only \$15. The program is targeted for 100 employees this year. Fine idea.

Frank commented on the recently completed Ferry Village project in which some \$450,000 of Federal money was spent for sewers, lights, trees and parks. Delapidated housing in the area is now down to 18%. A new Knightville project is just getting under way with a first year grant of \$260,000. Frank feels that the Knightville area will be the hub of the city for the next 15 years. A lot will depend on when, where and how the new bridge is constructed. The property valuation of the city is up some \$30 million this year and the Nov. referendum on the C I P of \$550,000 is the lowest in the last ten years.

The Maine Mall expansion, when completed, will have a floor space of 25 acres with 119 stores. There is a serious problem in the Clarks Pond area. The natural watershed of the whole area is through the pond and if this is not facilitated, all that water will have to go through the sewer system and the treatment plant. Much cheaper to let it run off naturally. Good program.

MAKE UPS: Only one this week, on Oct. 14 at Kennebunk, Lloyd Knight.

ATTENDANCE: Attendance Chairman, Dick Jordan, has been doing some checking and wants to call to your attention that we have a 60% rule for each half year. This means that one must attend 16 of 26 meetings for each period. He notes that some of our members have 7 or 8 misses as of now and we still have another ten weeks to go. If you are in this category, please watch it as we need all the help we can get to sell those Christmas Trees!!!

NOVEMBER 3, 1982

LAST WEEK: (10/27) Meeting opened by Pres. Bill; America by Bob Doe; Invocation by Carroll Beck; Visiting Rotarians introduced by John Henchey; Songs by Sam Giftos with a most welcome assist at the piano from Cleo King who was making up with us.

Pres. Bill read a letter of thanks from the City of So. Portland for our donation of \$1500 to provide Christmas Lights in Mill Creek Park. These will be along Ocean Street from Broadway to Hinckley Drive. These should be very pretty and also will not hurt our own Christmas Tree Sale.

BOARD MEETING: At 5 P M at Jim Doughty's office, November 4.

PROGRAM: Program Chairman, Jim Doughty, introduced Chris Simons who has been involved with Workman's Compensation for 15 years as an insurance underwriter. Under Maine's law workmen who are injured on the job receive the third highest benefits in the country. He gets 2/3 of his pay to a maximum of \$396.47 and it is tax free. He also has all medicals bills paid. This goes on for as long as he lives and may also continue for his widow and children. One man permanently disabled for 30 years received 1,269,000. Because of the high benefits Maine, premiums are extremely high and will rise another 25% late this year. Chris says that the insurance companies really need an increase of 100% to meet the problems they have in Maine. There are moves in Maine to reform the law but the labor forces fight these strongly and have much influence in Augusta. Change must come but it will be very slow. The state of Florida is the only one in the country to have made successful reform and it took five years to do it. At present the insurance companies are paying out \$135 for each \$100 they receive in premiums. Chris feels that this situation keeps new business from relocating to Maine far more than the energy costs. A very sobering program. This is something which we should push with our legislators.

SEPTEMBER ATTENDANCE: Club Attendance 83.5% for five meetings.
100% C. Beck, L Beck, Boudreau, Brown, Butler, Carson, Doughty, Drivas, Dube, Fralich, Giftos, Goodine, R. Holden, Jordan, Kennedy, R.F. Kilroy, Pappas, Stanton, Stewart, Theriault, York, Doe, Hugo, Simpson.
80% Bjerklie, Gacetta, Henchey, Hitchcock, W. Kilroy, Knight, Kourakos, Mezoian, Miller, Rancourt, Williams, Baldwin, Bagdasarian.
60% Chandler, Corson, Ferguson, T. Holden, Park, Yerxa.
40% Kazilionis. 20% K. Wright.

PROGRAM TONIGHT: John Henchey will host a Club Assembly which will be given over to setting up our annual Christmas Tree Sale.

NOVEMBER PROGRAM CHAIRMEN: 11/10 Peter Drivas; 11/17 Phil Dube; 11/24 Jim Ferguson.

MAKE UPS: 9/15 at Belfast, Bill York; 10/8 at Portland, Warren Simpson; 10/12 at Westbrook, Carroll Beck; and, at Portland (not dated) Dick Holden and Sam Giftos.

NOVEMBER 10, 1982

LAST WEEK: (11/3) Meeting opened by Pres. Bill Brown; America by Paul Butler; Invocation by Carroll Beck; Songs by Lloyd "Perfect Pitch" Knight; Visiting Rotarians introduced by Bob Carson.

ATTENDANCE 36

ANNUAL CHRISTMAS MEETING: Bill York, Bill Stanton, and Duane Rancourt who are in charge, are going to try a new system of recruiting our guests. Instead of going to the nurses association in the two towns, they suggest that each Rotarian in the Club invite one or two people who, in his opinion, would enjoy such a party. He would take care of their transportation. If this becomes a problem, you can get in touch with any of the fellows and they will supply some names for you. More on this later.

PROGRAM: John Henchey presided over a Club Assembly which was given over to plans for our Annual Christmas Tree Sale. John has ordered two trailer loads of trees from our usual supplier with a cost of some \$18,000. The assortment will be different from last year in that there will be more of the middle size trees and less of the very small and very large ones. With our donation to the city of \$1500 there will be Christmas Tree lights along Ocean Street from Broadway to Hinckley Drive. With this to supplement our own lighting at the sale sight it is felt that security will be better. We have also asked the Police to keep an eye on the lot during the night time hours. John also plans to have the lot manned from noon to 3 PM during the week which will also help to keep pilferage down. The trees are costing us an extra 50¢ per tree this year but we are planning to eat this increase and maintain last year's prices. The first work day will be on Saturday, 11/20. This will be to set up the lot with racks etc. John will have the material at the lot by 9 AM. If we have a good crew on hand, the whole task should be over and done well before noon. The first load of trees will arrive on Friday, 11/26. This is the day after Thanksgiving. We will need all the help we can get for this. John is negotiating with the Boy Scouts to give us a hand as last year. He will have tags etc. so the set up should go smoothly. Members present signed up for sales slots and, if you were not present, you will have a chance this next meeting. You will hear much more as the month wears on.

PROGRAM 11/10. Program Chairman will be Peter Drivas.

MAKE UPS: On Oct. 26 at Westbrook, Dick Kilroy, Bill Kilroy, Dick Yerxa, Harold Fralich, Duane Rancourt; Oct. 27 at Biddeford-Saco, Carroll Beck.

NOVEMBER 17, 1982

LAST WEEK: (11/10) Meeting opened by Pres. Bill Brown; America by Andy Mezoian; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songs by Lloyd Knight, only one, The Railroad Song, loud and lusty, in honor of Ray Frost.

ATTENDANCE 34

To note the passing of Ray Frost, Sam Giftos listed some of his many accomplishments. A Navy veteran of WW I, a successful business man in the community for many years, a Rotarian for 47 years with 37 years of perfect attendance. Ray was the founder of our club as well as the club in Kennebunk-Wells. He was Secretary of our club for many years before becoming President. He served as Secretary of District 779 during the time Harold Fralich was District Governor. Ray was our first Paul Harris Fellow. Ray would have been 90 years of age on Nov. 15. He always more than fulfilled his duties at the Christmas Tree Sale and we will all miss his lusty leading of the Railroad Song. Truly a fine man.

PROGRAM: Program Chairman, Peter Drivas, introduced Evan Richert who was formerly So. Portland City Planner and who is now Treasurer of Marketing Decisions Corp. Evan is Chairman of the So. Portland Community Development Advisory Committee which is involved in the Ferry Village Improvement movement. This program is now winding down after four years work by a group of people including business people, residents and city government. It has been a fine effort and the results are very evident if you will drive through the area. Homes have been brought up to standard, and repairs to streets, sewers and sidewalks have been made with no municipal tax money being spent. The group operates under the Federal Neighborhood Housing Services program and is the only one in Northern New England. The program is now expanding to do a similar job in the Knightville area with a grant of some \$260,000. Experience in the Ferry Village program shows that, for every grant dollar spent, three private dollars are generated. You will be hearing much more of this effort as the months pass.

MAKE UPS: At Gulf Beaches on 10/26, Frank Hugo; at St. Petersburg on 10/29 Frank Hugo; at Biddeford-Saco on 11/3. George Chandler; at Portland on 11/5 Harold Fralich.

OCTOBER ATTENDANCE: Club 80.56%

100% C. Beck, L. Beck, Boudreau, Butler, Carson, Corson, Doughty, Dube, Fralich, Giftos, R. Holden, Kennedy, Dick Kilroy, Kourakis, Mezoian, Pappas, Rancourt, Stanton, Stewart, Theriault, York, Doe, Bagdasarian, Simpson, Hugo.

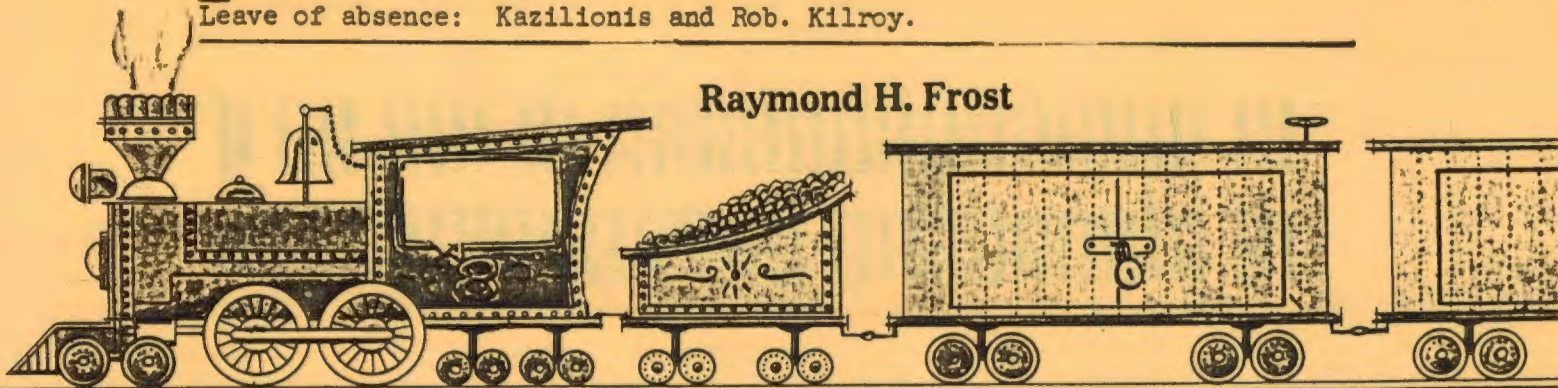

75% Brown, Chandler, Drivas, Ferguson, Gacetta, Goodine, Henchey, Jordan, Miller, Williams, Yerxa, Wagner.

50% T. Holden, W. Kilroy, Park. Wright, Baldwin.

25% Hitchcock, Knight.

Leave of absence: Kazillionis and Rob. Kilroy.

NOVEMBER 24, 1982

LAST WEEK: (11/17) Meeting opened by VP John Henchey; America by Duane Ran-court; Invocation by Ralph Miller; Songs by Bill York; Visiting Rotarians introduced by Bob Carson.

CHRISTMAS TREES: By the time you read this the lot should be all set up and ready to receive the first load of trees which will arrive the day after the Thanksgiving holiday at 8 AM. The Boy Scouts will be on hand to help and you might as well come down and work off some of the turkey dinner. The second load will arrive on Dec. 9 at 3 PM. John Henchey gave work schedules to all who were present at the meeting. If you do not have one, see John. There will also be a large copy posted in the trailer. Remember, if you cannot fill your time slot, it is up to you to get a replacement.

PROGRAM: Program Chairman, Phil Dube, introduced Jean Smith who is the co-ordinator for Southern Maine for the Foster Grandparents Program. Jean, who has been with the program for six years, showed us some slides and told us how the program operates. The Foster Grandparents are older people from the lower income sector who are screened and trained to work with small children in various institutions. Most of these kids have some handicap ranging from very minor ones up to terminal illnesses. Some programs in this area are at the Maine Medical Center, Youth Training Center and Pineland. The Parents spend three or four hours a day with the kids and many of the youngsters are able to leave the institutions at an earlier date as a result of this kind of attention. In the South Portland Program there are fourteen people and Jean had one of them, Agnes Bennett, tell us of her experiences in working at the Medical Center in the Pediatrics section where she spends three to four hours a day with kids who are undergoing treatment for cancer. She tries to make the ordeal a little easier for them. The Program is funded by a mix of Federal, State, and private money. The administration takes 23% with the remaining 77% going to the grandparents as a stipend. The budget for 1983 is \$238,000 and is a tight one. The program obviously is great for the kids but it also gives the elderly people a feeling of being needed and a sense of satisfaction in helping others as well as supplemental income. Everyone is a winner.

MAKE UPS: On 11/2 at Gulf Beaches, Frank Hugo; 11/9 at Gulf Beaches, Frank Hugo; 11/9 at Scarborough, Warren Simpson; on 11/12 at Portland Dick Jordan.

DECEMBER 1, 1982

LAST WEEK: (11/24) Meeting opened by Pres. Bill Brown; America by Harold Fralich; Invocation by Ralph Miller; Visiting Rotarians introduced by Bill Brown who also introduced his two sons present as his guests and who were fortunate to receive two tickets to the evening's Maine Mariner hockey game from Sam Giftos; Singing was conspicuous by its absence.

NEW MEMBER: Sam Giftos introduced our newest member, Ron Stewart. Ron is not really a "new" member but rather an old one who has returned to the fold. Ron's association with Rotary goes back a long way. He is a Past President of the Madawaska Club and a former member of our club. When he left city government he resigned from our club and joined the one out in Westbrook. His business is now such that he can return to us. Welcome aboard, again, Ron.

PROGRAM: Pres. Bill introduced our own Jim Ferguson who gave us a Classification talk on the advantages of converting our automobiles to run on compressed natural gas rather than on gasoline. His presentation included a video tape which was a sales pitch by a company which makes the conversion kits and compressors. He also fielded questions. Jim has converted his personal car to run on natural gas. He has two tanks in the trunk of his car which hold enough fuel to travel about 150 miles per filling. These can be refilled by fast charging in about five minutes. The use of the natural gas shows a saving of about 60¢ per gallon of gasoline. Other advantages include the fact that the natural gas does not pollute the air we breathe and also lowers maintenance costs and allows the engine to last up to three times as long as when gasoline is used. The gas is methane and is generated at landfill dumps, sewer treatment plants, fish waste plants and, more practically, from the gas lines of Northern Utilities. One can switch from one fuel to the other while driving along the highway with no interruption. Around the world there are about 5 million cars using methane and there have been no failures or accidents connected with its use. Jim cited a school system with 31 buses which is saving \$50,000 per year and which paid for its conversion in a bit over two years. Jim says that we can look forward to having such a conversion unit available to us in a year or so and we will have filling stations available to us which would preclude our having our own compressing unit. Very interesting program.

DECEMBER PROGRAMS:
12/1 Club Assembly
12/8 Harold Fralich
12/15 Christmas Party
12/22 Dan Gacetta
12/29 Ladies night

DECEMBER 8, 1982

LAST WEEK: (12/1) Meeting opened by Pres. Bill Brown; America by Dave Hitchcock; Invocation by Ralph Miller; Visiting Rotarians introduced by Bob Carson; Songs by Doug Stewart.

ATTENDANCE 45

PROGRAM: Club Assembly. It was announced that Rotary International, from 7/1 to 10/31 formed 100 new clubs around the world. Sam Giftos reported that Rotary International has assets of \$19 million and the Rotary Foundation has \$62 million.

Harold Fralich commented on the Rotary Assembly which meets every three years and consists of some 445 members who consider only the real serious matters which affect Rotary. These would be such as whether or not to allow women as members or to change the age for Senior Active classification. At its last meeting this group considered 180 items.

Paul Butler reported that our club has lost three members this year and gained five for a net gain of two.

Our Scholarship Committee is already at work out in the high schools.

Bill Stanton reports that he will be calling people to pick up some elderly people for our Christmas Party which will be on Dec. 15.

John Henchey reported that we had a \$1,000 day last Sunday which brought total sales to \$1,500. There are, on the lot, 5 Extra Large trees 12-14 feet which are priced at \$25. We also have, on consignment, 10 live trees (root ball attached) which can be used in the house for the holiday and the transplanted outdoors. These sell for \$25. The next two week ends will be large sale days and we need all the help we can get. If you can spare an hour or two it would be a big help.

NEXT LOAD OF TREES will arrive on Dec. 9 at 3 PM. The Boy Scouts will be there. Anyone who can show up will be appreciated.

It was announced that the 12-3 slots are being manned by some of our Ex Rotarian friends. This is real Rotary Service and we appreciate it.

MAKE UPS: On 11/5 at Portland, Jim Doughty; on 11/16 at Westbrook, Carroll Beck; on 11/19 at Portland, Jim Doughty; on 11/23 at Westbrook, Carroll Beck; and on 11/23 at Scarborough, Sam Giftos; on 11/23, at Westbrook, Dick Holden; on 11/26 at Portland, Warren Simpson. Thanks fellows, we appreciate it!!

Remember, the money bag and trailer key are left at Shoppers Hardware at night. If you are not familiar with the normal procedures, you will find them posted in the trailer.

PROGRAM FOR 12/8: HAROLD FRALICH will present Richard Milliken who is with the South Portland School System as Program Director for handicapped students. You will recall that Richard was our candidate for a Rotary Fellowship to study abroad. He was a winner and has been studying in Ireland for the past year. He will relate some of his experiences. He will also bring his wife with him.

LAST WEEK: (12/8) Meeting opened by Pres. Bill Brown; America by Tom Holden; Invocation by Carroll Beck; No Songs; Visiting Rotarians introduced by John Henchey.

CHRISTMAS TREES: Sales going very well. Deposits of some \$9,000 as of 12/8. Don Bennett, retired owner of Oakhurst Dairy, stopped to buy a tree and gave an additional \$40 as a donation to the club. We appreciate that. Second load of trees were unloaded Dec. 9 and it was mighty cold work. We have a fine lot of trees and the next two week ends will be big ones. If you can spare even one hour, your help will be appreciated on any of these days. The City has lit the tree lights along Ocean St. and they add much to the lot.

PROGRAM: Program Chairman, Andy Mezoian, introduced Richard and Lisa Milliken. Rick is Chairman of Special Education in the So. Portland School system and he is also a tennis coach. Rick was our club's successful candidate for a Rotary Foundation Scholarship which allowed him to study in Ireland for a year. Rick is a top honor graduate of the Univ. of Maine and found that the College in Cork presented a very rigorous course in computers with IBM equipment every bit as good as that found in the states. Cork is a city of 136,000 and is very crowded with intense traffic jams. It has an excellent system of bus transportation which Rick and Lisa used. There are a few new super markets but most people walk to small shops and do their shopping on a daily basis. Rick and Lisa had bicycles and found the country outside of the city to be very easy to travel. They (mostly Lisa) took over 1,000 slides of the area and showed us a few of them. Rick found the local Rotary club to very hospitable and attended several dinner dances which were black tie affairs. He brought to us a banner from the Cork club. Rick and Lisa thanked us and all of Rotary for the best year of their lives. Another example of the fine things done by Rotary.

MAKE UPS: On 11/16 at Gulf Beaches, Frank Hugo; on 11/23 at Gulf Beaches Frank Hugo; on 11/30 at Gulf Beaches, Frank Hugo; on 11/30 at Westbrook, Tom Holden.

ATTENDANCE: For November the Club had 71.67%. Very Low.

100% C. Beck, L. Beck, Boudreau, Butler, Carson, Doughty, Fralich, Gacetta, Giftos, Goodine, Henchey, R. Holden, T. Holden, Kennedy, D. Kilroy, Kou-rakis, Pappas, Stanton, Theriault, York, Doe, Hugo, Simpson.

75%--Brown, Chandler, Dube, Hitchcock, Jordan, Knight, Mezoian, Miller, D. Stewart, Bagdasarian, Wagner.

50%--Corson, Drivas, Williams, Wright, Yerxa, Baldwin.

25%--Ferguson, W. Kilroy, Park, Rancourt.

0%---Bjerklie.

PROGRAM (12/15) This will be our Annual Christmas Party for the elderly. Lets make it a fine time for these people.

LET'S SELL THOSE TREES!!!

DECEMBER 22, 1982

LAST WEEK: (12/15) Meeting opened by Pres. Bill Brown; America the Beautiful by Lloyd Knight; Invocation by Ralph Miller.

ATTENDANCE 67

On Thursday, 12/8 Ye Ed with several others, unloaded a trailer full of Trees. The temperature down in the single numbers and the wind blowing strong. We almost froze. There were 765 tress on the truck and approx 200 on the lot. I went off to Conn. for the week end and returned Mon. night to buy a tree and there were none to be had. Went out to Westbrook to get a Rotary Tree. John Henchey has made a deal where we will get 200 to 300 trees on consignment and pay for what we sell. All trees to go for \$10. It's back to the salt mine for those who were on the schedule.

PROGRAM: This was our Annual Old Folks Christmas Party and we had a real good turnout. Our host, Tony, served up a delicious steak dinner, and our friends from the Lyric Theater gave us a fine program of our favorite Christmas music. Also one of our guests, Mrs. Josephine Brown, got up and sang a song about a little girl hanging apples on a lilac tree. Our sincere thanks go to Bill Stanton for a fine party.

NOTE WELL: At tonight's meeting, 12/22, we will be taking up a collection for the girls who are our waitresses throughtout the year. We tip you off so you will have an extra dollar or two in your pocket.

MAKE UPS: On 11/23 in Sarasota, Dick Kilroy; on 12/7 in Westbrook, Dick Kilroy; on 12/7 in Scarborough, Al Boudreau; on 12/8 in Biddeford-Saco, Carroll Beck and Lin Beck; on 12/10 in Portland, Harold Fralich.

PROGRAM FOR 12/22: Have been unable to contact Dick Goodine who will be Program Chairman for the meeting.

REMEMBER: Our December 29 meeting will be a Ladies Night.

DECEMBER 29, 1982

LAST WEEK: (12/22) Meeting opened by John Henchey as Pres. Bill Brown is a little under the weather; America by Paul Butler with a big assist from Capt. Lloyd; Invocation by Ralph Miller; Visiting Rotarians introduced by Bob Carson.

ATTENDANCE 30

Our only visiting Rotarian was Charlie Redfern from Portland. In chatting with Charlie during dinner we learned that he is a Christmas baby. Every club must have one of these. The So. Portland Christmas baby is Bill Kilroy. Merry Christmas and Happy Birthday to you both!!

It was nice to have Rob Kilroy visit with us. He is home for the holidays.

In keeping with the season, Captain Lloyd led us in singing a pair of songs, White Christmas and Winter Wonderland.

We learned that Phil Dube has been helping Nick Pappas' daughter with a school project. She sent Phil a letter of thanks and added that, in appreciation, she had made her father promise that he would not lead our singing for the rest of the year. We appreciate that, too!!

John Henchey reported that our tree sale was a big success. We were shorted by our supplier by about 250 trees and made up some of the slack by taking, on consignment, some trees from a fellow out in Scarborough who was stuck. This way we kept the lot open through last week and also picked up some \$600 profit. Full report when all bills are in and paid.

PROGRAM: Our speaker had to cancel at the last minute as she had a serious illness in her family so we had a short meeting.

PROGRAM FOR DEC. 29 This will be our quarterly Ladies Night.

MAKE UPS Only one, Sam Giftos in Cleveland on the sixth.

Merry Christmas
