LAST WEEK: (12/29) Meeting opened by John Henchey; America by Doug Stewart; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey.

At the last minute Pres. Bill Brown was unable to be with us but did send his wife Joyce. This being our quarterly Ladies Night Joyce sat at the head table along with the Al Boudreaus, the Paul Butlers, Al Baldwin, and John's wife Juliette.

After the Rotarians introduced their wives, Bill Kourakis presented our newest member, Larry Carey and his wife Wendy. Larry is actually a former member of our club and we welcome him back into the fold. He will be officially introduced at this weeks meeting. Welcome aboard, Larry.

After reading several "Thank You" notes from the old folks who attended our Dec. 15 Christmas party, John presented perfect attendance pins to:

Paul Butler	5 years	Ed Theriault	12 years
Al Boudreau	10 "	Dick Kilroy	21 "
Bill York	10 "	Warren Simpson	21 "

CONGRATULATIONS ALL!!!

### ATTENDANCE 52

The first meeting of the new year will be a Club Assembly and John Henchey says that he should have a pretty good idea as to how much profit was realized from our Christmas Tree Sale.

In last week's bulletin I commented on our Christmas Baby, Bill Kilroy. It has since been brought to my attention that we have not one but two of these rare birds. The other one is Doug Stewart. In case any of you were wondering about it, Cab Calloway is also a Christmas baby.

MAKE UPS: Ralph Miller at Portland on 10/8, 10/29, 11/5; on 12/7 at Gulf Beaches, Frank Hugo; on 12/10 at Portland, Dick Holden; on 12/14 at Gulf Beaches, Frank Hugo; on 12/16 Tampa, Sam Giftos; on 12/17 at Portland, Dick Holden and Warren Simpson; on 12/21 at Gulf Beaches, Frank Hugo; on 12/21 at Westbrook, Dick Holden; on 12/21 at Scarborough, Bill Kilroy; on 12/23 at Belleair Bluffs, Sam Giftos. Thanks fellows.

A very special thanks to Tom Murphy who played the piano throughout our Ladies Night dinner and then led us in a most enjoyable Sing Along after dinner.

### JANURAY BIRTHDAYS

John Kazilionis the third

### JANUARY ANNIVERSARIES

The Bob Nigros on the 6th  
Warren Simpsons on the 16th

JANUARY 12, 1983

LAST WEEK: (1/5) Meeting opened by Pres. Bill Brown; America by Jim Doughty; Invocation by Ralph Miller; Songs by Rob Kilroy (and good); Visiting Rotarians introduced by John Henchey; We also had the pleasure of having Ralph Miller's daughter with us. She is home from college on vacation.

### ATTENDANCE 39

PROGRAM; This was our Club Assembly. Speaking of attendance, in November we fell to 46th place in the District with 71.67%. This is very poor. It appears that we will get up into the 80% range for December but we can surely do better than that.

John Henchey reported that our gross sales for trees was \$25,145, our cost of trees was \$16,450 which leaves a gross profit of some \$8,800. There are some other expenses to come out of this figure. We were short by about 250 trees which hurt as we were sold out very early. We did sell some 150 wild trees which added \$600 to our gross. John feels that we can easily sell 1900-2000 trees in 1983. For 1982 we will probably net about \$7,500. Our investment of \$1,500 in the Christmas lights in the Park was very well received by almost everyone. We plan to expand this in the coming year.

Ralph Miller reported that he has had 9 or 10 requests for information about this year's Rotary Foundation Scholarship.

NEW ROTARY CLUB: We have a new Club in our district. It is the Windham Club which is sponsored by the Westbrook. They meet at noon on Thursdays at the Firebarn Restaurant in No. Windham. You can't miss it. It is on Route 302 at Boody's Corner. They will be having a Charter night soon. More on it later.

BOARD MEETING: On Tuesday at 5 PM at Jim Doughty's office. (Jan. 11)

PROGRAM CHAIRMEN FOR JANUARY: Jan. 12---John Henchey  
Jan. 19---Dan Gacetta Jan. 26---Tom Holden

PROGRAM JAN. 12: John Henchey will present David Pickering who is the Chief of Police at Cape Elizabeth.

MAKE UPS: On 12/21 at Countryside, Fla. Sam Giftos; on 12/29 at Biddeford-Saco, Carroll Beck, Lin Beck; on 12/31 at Portland, Duane Rancourt and Jim Doughty; at Brunswick on 1/3, Ed Theriault. Thanks much..

THANK YOU, JOE...We wish to give our hearty thanks to Joe Grimaldi for his help with our Tree Sale. He not only helped us set up but let us use one of his trailers for our wreaths and helped us with the clean up as well. While Joe is a Portland Rotarian, we feel that he is certainly one of us too.

JANUARY 19, 1983

LAST WEEK: (1/12) Meeting opened by V. P. Jim Doughty; America by Bill York; Invocation by Ernie Case; Visiting Rotarians introduced by Bob Carson (only three, Joe Grimaldi, Stu Herrick, and Ernie Case); Songs by Bill York who pushed his luck in trying it twice in a row, not bad, either.

NEW MEMBER: Sam Giftos formally introduced our newest member who is Larry Carey. Larry is really not brand new as he was a member of our club some fifteen years ago. He was at Pearl Harbor on THAT day. He is a graduate of Bates College class of 47 and has worked for Wyeth Labs for the past 25 years. He is a world traveler and an avid camper. He specializes in Chinese cooking and, according to Sam, a song leader of the order of Nick Pappas. Larry lives on Stonybrook Road it now appears that Stonybrook Road has over 10 per cent of the members of our club. We better watch that!!

## RAY FROST MEMORIAL FUND

We have received some \$150 in donations to such a fund since Ray's death. These donations along with any which members may wish to contribute, will be forwarded to the Rotary Foundation in Ray's name sometime in early February. If you wish to participate, please get your check to Bob Carson by January 31.

PROGRAM: Program Chairman, John Henchey, introduced David Pickering who is Chief of Police in Cape Elizabeth. Dave's background indicate that he is very well qualified for his position. He has degrees from SMVTI in Law Enforcement, from Univ. of So. Maine in Criminal Justice, and has studied at the FBI Academy in Virginia and at Northeastern University. Dave joined the Cape Police force in 1973 and became Chief in 1979. It was obvious from his talk that he is very much frustrated by the many technicalities that are so prevalent in today's justice system. The loopholes used by lawbreakers to avoid punishment are exploited by lawyers and make it very difficult for the people in law enforcement. Dave feels that the pendulum has swung too far toward the law breaker and should now start to swing the other way. We should do all we can to see that our laws are strengthened and enforced. It was interesting to note that Dave says that burglaries are down some 40% in Cumberland County in the past year.

We note the passing of Nick Pappas' father and extend our sympathies to Nick and his family. Mr. Pappas was well known in the Portland area and he touched the lives of many, many people over the years.

ATTENDANCE: We are now in the last half of our Rotary year. From Jan. 1 to June 30 there are 26 meetings. To maintain a 60% mandatory record you must attend 16 of these meetings.

MAKE UPS: All at Westbrook on January 4, Lin Beck, Carroll Beck and Dick Holden. Thanks much...

JANUARY 26, 1983

LAST WEEK: (1/19) Meeting opened by Pres. Bill Brown; America by Bill Kourakos; Invocation by Paul Butler; Songs by Bill York (while I was not present, I understand that the singing was such that it blew the fuses.) Visiting Rotarians introduced by John Henchey.

### ATTENDANCE 36

Pres. Bill read a letter of resignation from long time member Ed Corson. We are very sorry to lose Ed.

Pres. Bill also read a letter of thanks from the town of Cape Elizabeth for our donation toward Christmas Baskets.

DIRECTORS MEETING John Henchey reported that we netted from our Christmas Tree sale \$7,146. Voted to donate to newly formed Cub Scout Pack 80 the sum of \$100 to get them started. Cape Elizabeth Special Olympics needs to raise some \$500 to send a member to the National Olympics, it was voted to donate \$200 to this cause.

RAY FROST FUND: If you wish to donate to this fund, you have only until the end of the month to do so. At that time we will be forwarding whatever money we have to the Rotary Foundation in Ray's memory.

DISTRICT CONFERENCE: At the Balsams June 12-15. As Sam Giftos is being named District Governor nominee, we should have a good showing of people from our club. Anyone who can possibly attend should make all efforts to do so.

PROGRAM: Roger B. Wold of Kidder, Peabody & Co. spoke on "How Now the Dow". He noted that, on Friday August 13, the stock market exploded with trading amounting to 100 million shares which were worth over \$30 billion. He says that most of the buying was done by institutions with the small trader still standing on the sidelines. This recent bull market is the first time that the Dow has gone over the 1000 mark when inflation was down and the economy very slack. Roger says that the way people perceive things to be is of more importance than the way they really are, as far as the market is concerned. He feels that the Dow will go much higher as the economy improves and the corporations begin to show better profit pictures. There is also a lot of foreign money being invested in the U. S market. He says that every economic upturn has been preceded by an upturn in the market and this one is not an exception. He feels that inflation will not change much in the next few years and that energy costs will not vary very much. Good program.

MAKE UPS: 12/28 at Gulf Beaches, Frank Hugo; Jan. 4 at Gulf Beaches, Frank Hugo; 1/7 at Portland, Mike Park and Al Boudreau; 1/11 at Gulf Beaches, Frank Hugo; 1/11 at Sarasota, Rob Kilroy and Dick Kilroy; 1/12 at Biddeford-Saco, Lin Beck. Thanks much...

LAST WEEK: (1/26) Meeting opened by Pres. Bill Brown; America by Jim Ferguson; Invocation by Ralph Miller; Visiting Rotarians introduced by Secretary Bob Carson; Songs by Sam Giftos who also delivered a short disertation on what he thinks of our current song books.

### ATTENDANCE 36

For December our attendance figure was at 86%. A big improvement. Let's keep it up.

Scarborough Rotary has changed it's meeting place. They are now meeting on Tuesdays at 6:15 PM at Charlies Steak House in Dunstan Corner.

Pres. Bill read a letter from the President of the Rotary Club in Cork, Ireland telling us how much they enjoyed having our recent Rotary Foundation scholar, Rick Milliken, visit with them during his year of studying in their country. Apparently Rick made as good an impression on them as he did on us. A fine man and a credit to us as well as to himself. Rotary money well spent.

PROGRAM: Program Chairman, Tom Holden, introduced Fione Cairenie, who is a young Scottish lassie who is studying at the Univ. of So. Maine for a year as a Rotary Foundation Scholar. She is a very charming and attractive young lady who has her Law degree from a university in Scotland and is enrolled in the U. of M. Law School here. Law is an undergraduate degree in Scotland and graduates spend two years as apprentices with Law firms before they start to practice on their own. She is having a fine time working in law with the Cumberland Legal Aid Siciety. She enjoys examining and cross examing witnesses and is learning a lot about American Law and Politics. She gave us a brief history of the Rotary Foundation and commented that, in 1981, Rotary granted some 1,224 scholarships. She feels that this is a great way to further the goal of international understanding. Fione compared and contrasted the ways of life here and in Scotland and finished her program by showing us some slides of her native land. A charming girl and a fine program.

### February Program Chairmen

2/2 Dick Jordan	2/16 Bill Kilroy
2/9 Dick Kennedy	2/23 Dave Hitchcock

MAKE UPS On 1/12 at Cranston, R.I., Bob Doe; on 1/14 at Portland, Dick Kennedy; on 1/18 at Sarasota Bay, Dick Kilroy; on 1/19 at Biddeford-Saco Mike Park and Duane Rancourt; on 1/19 at Sarasota, Dick and Rob Kilroy.

FEBRUARY 9, 1983

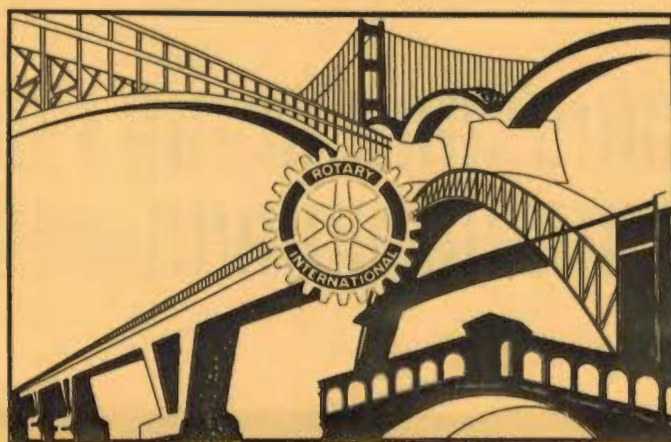

LAST WEEK: (2/2) Meeting opened by Pres. Bill Brown; America by Bob Doe; Invocation by Dick Kennedy; Visiting Rotarians introduced by John Henchey; Songs by Jerry Paradis of the Scarborough club, which, as far as I know, is the first time we have called upon a visitor to perform. Jerry also introduced a comedy routine as well. Maybe we should do this more often.

See. Bob Carson has a new schedule of make up opportunities. If you need one, he has them available as you sign in.

PROGRAM: Program Chairman, Dick Jordan, introduced Roger Legere who has served on the committee for a new Portland-So.Portland bridge for the past 14 years. Roger had several pictures which show what the impact of a new bridge will be both on the Portland end and our end. The most favored plan would start above York St. on State and rise to 135 feet above water and descend just South of Waterman Drive at Broadway. All traffic in the Mill-creek Triangle would become two way and would have easy access to the bridge from the Waterman Dr. area. The Bridge would exit Northbound traffic at the foot of High Street. This is the so called "High Level" one which would have a ship passage width of 200 feet in the center. This would allow all ships to pass easily to the upper harbor and would certainly cause much of the upstream land to be developed for any number of uses. Roger states that the grade of this bridge would be 5%. For comparison the Franklin St. Arterial is a 5% grade and both State St and High St are over 7%. Roger feels that such a bridge would cost in the area of \$70 million. He also says that there are estimates which go much higher than that. The various studies which address the transportation, environmental, economic and social impacts of the bridge are coming to completion and Roger feels that public hearings will be held later this year following which the Dept. of Transportation can make the final decisions. It now appears that construction can get under way late in 1984 or early 1985. The money spent on construction will generate 3 times as much in local businesses. Roger says that there are over 30,000 cars a day on the present bridge and, if it were to be closed, it would mean an additional cost to local commuters of some \$11 million to make the trip around to the Veterans bridge route. A most interesting program and an optimistic forecast. I certainly hope Roger is on target.

MAKE UPS: On 1/14 at Portland, Ralph Miller, Dick Holden; on 1/20 at Oldtown Anton Wagner; on 1/21 at Portland, Ralph Miller, Dick Holden; on 1/25 at Westbrook, Ed Theriault; on 1/26 at Sarasota, Dick Kilroy. Thanks much..

PROGRAM FOR 2/9: Dick Kennedy will present Bill Alexander, Director of the South Portland Public Library.

FEBRUARY 16, 1983

LAST WEEK: (2/9) Meeting opened by Pres. Bill Brown; America by Bill York; Invocation by Ernie Case; Visiting Rotarians introduced by Jim Doughty; Songs by Jim Ferguson with an assist from a "Stereo" Baton provided by Nick Pappas. The rendition of "My Bonnie" was very good. Possibly the threat of the big stick helped.

PROGRAM: Dick Kennedy, Program Chairman, introduced Bill Alexander who is the Director of the So. Portland Public Library. Bill is an Army brat from the Carolinarea who married a girl from Yarmouth, Me. whom he met when she was a student in a class he was teaching at Univ. of N. H. Bill is a graduate of Whittier College in L. A. whose claim to fame is that Richard Nixon is also a grad. Bill earned his Master in Library at Syracuse Univ. Bill gave us a few statistics. The Library has 72,900 volumes and 640 rolls of microfilm. It has 10,900 card holder. There are 9 full time and 12 part time employees as well as a substantial number of volunteers who are a big help. The budget for 1983 is \$240,000. There is a theft loss of some 400-500 books per year as well as some vandalism of books. Bill figures that each book costs \$20. With circulation growing at a rate of 10% per year Bill finds difficulty in handling the many manual tasks of a Library. He is in the process of trying to fund the purchase of a computer system which would free up some 2½ of his people to present new programs. The computer is one made by NCR which has a total cost of 23,000. Bill has already raised \$19,600 of this and is out beating the bushes to try to raise the balance. The City of So. Portland will fund the annual operating expenses after the computer is in place. Bill listed many of the short range advantages as well as those to come in the years to come. I hope our club can see its way clear to help. Incidentally our club was responsible for the installation of the library's photo copy machine when we guaranteed the costs of the first years operation. It now stands on its own feet.

MAKE UPS: At Biddeford-Saco on 1/19-1/26-2/2, Lin Beck; 1/18 at Gulf Beaches Frank Hugo; 1/25 at Gulf Beaches, Frank Hugo; 1/28 at Portland, Duane Rancourt; 2/1 at Westbrook, Dick Holden; 2/2 at Biddeford, Dick Yerxa; 2/2 at Seminole, Fla. Frank Hugo; 2/2 at Sarasota, Dick Kilroy; 2/4 at Portland, Dick Holden.

The Portland Club is looking for a new meeting place as the Eastland wants to charge them \$7.80 per luncheon for the coming year.

PROGRAM FOR 2/16: Program Chairman, Bill Kilroy, will present our newly elected District Attorney Paul Aranson.

FEBRUARY 23, 1983

LAST WEEK: (2/16) Meeting opened by Pres. Bill Brown; America by Al Boudreau; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songs by Andy Mezoian including Wait Till The Sun Shines Nellie and, by a huge demand, an encore, My Gal Sal. Unbelievable!!!

### ATTENDANCE 33

Among our visitors was Jack Nicholson who is leaving Portland and the Civic Center for a new, unknown position. Pres. Bill expressed the appreciation of all of us for a job well done by Jack and wished him success in his new venture. He will be missed.

PROGRAM: Program Chairman, Bill Kilroy, introduced Paul Aranson who is our new District Attorney. Paul is a Portland native, a graduate of Deering High School and Brandeis Univ. He received his Law Degree from the Univ. of Maine. Paul was in private practice for 5 years before running for his present position. Paul feels that he represents the people of Maine and has to consider many elements such as, the Police, victims of crime, defense attorneys, the courts, and the County Commissioners. He often finds himself in the middle in making his decisions as to how to handle a case. He feels strongly that there should be no "Plea Bargaining" for the professional criminal but also knows that plea bargaining is an integral part of the court system. The Superior Courts of Maine handle some 2,000 criminal cases per year. If a case goes to trial it requires an average of two days for handling which would allow only about 500 cases a year to be tried. The balance must be handled by some form of plea bargaining. The District Court system handles some 35,000 case per year. At present there is a delay of 6 to 8 months from the time a person is charged to the time of his trial. Hardly swift justice. Paul feels strongly about the rights of victims and is writing a manual for these people which includes information on how the court system works and what a witness may expect to find when he appears in court. Paul finds that people who are victims of violent crimes often need some kind of counseling prior to their appearance, especially the victims of rape. He feels that he should discuss with the victim the many reasons that he might opt for a plea bargain. He also favors restitution by criminals who are granted probation

In the question period which followed his talk, Paul expressed his belief that Maine's tough drunk driving law would slowly lose its effectiveness. He feels the two days in jail is not a real deterrent to a habitual drinker. If he is right, I hope something else can be found as the drunk driver is surely one of our biggest menaces on the highways.

MAKE UPS: On 2/4, at Portland, Ralph Miller; on 2/8 at Westbrook, Tom Holden and Dick Holden; on 2/9 at Biddeford-Saco, Mike Park, Carroll Beck and Linwood Beck. Thanks much.

MARCH 2, 1983

LAST WEEK: (2/23) Meeting opened by Pres. Bill Brown; America by Bill Kourakos; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songs by Sam Giftos who gave a rousing welcome to our new R O T A R Y songbooks. Sam has waited a long time for their arrival.

Pres. Bill read two "Thank You" notes. One from the Cape Cub Scout pack to whom we donated money to help defray start up costs and the other from the Cape Elizabeth Special Olympics Committee for our donation to help one of their members attend the National Special Olympics.

There will be a meeting of the Board of Directors at Jim Doughty's office at 5 P M on March 2.

Harold Fralich has a communication from a French Rotarian who is seeking an exchange set up whereby his son would spend a month or two with a member of our club this coming summer and the son or daughter of our member would spend an equal time in either France or Africa with the French family. This has to be handled promptly so, if you are interested, get in touch with Harold at once. A great opportunity for someone.

PROGRAM: Program Chairman, Dave Hitchcock, introduced John McDonald who formerly was a writer for the Bangor Daily News and Down East Magazine. John is now writing for the Press Herald. John has developed his own ideas about life in Down East Maine and tried to impart his ideas to us with a series of amusing anecdotes some of which, I suspect, were a bit exaggerated. I did like his solution to our ever growing problem with land fill dumps. He says that the problem started when small towns began to forbid people from picking the dumps. Prior to that time a man would gather up his trash and truck it to the local dump, dump it, and, in looking over other people's trash, he would gather up a load to take home with him. This resulted in a never-ending capacity for each dump.

JANUARY ATTENDANCE: Club attendance 86.67% GOOD  
100% C. Beck, L. Beck, Boudreau, Brown, Butler, Carson, Doughty, Drivas, Dube, Ferguson, Giftos, Goodine, R. Holden, Jordan, Kennedy, R. Kilroy, W. Kilroy, Knight, Mezzoian, Miller, Rancourt, Stanton, Theriault, Yerxa, York, Doe, Wagner, Hugo, Simpson, Fralich.  
75% Chandler, Henchey, T. Holden, Pappas, D. Stewart, Baldwin, Bagdasarian, R. Stewart, Carey.  
50% Hitchcock, Kourakos, Park.  
25% Williams.

MAKE UPS: On 1/28 at Portland, Harold Fralich; 2/8 at Fort Myers, Harold Fralich; 2/10 at Sarasota Keys, Dick Kilroy; 2/11 at Portland, Doug Stewart; 2/15 at Biddeford-Saco, Al Baldwin; 2/15 at Westbrook, Dick Holden and Doug Stewart; 2/16 at Biddeford-Saco, Carroll Beck and Larey Carey; 2/16 at Sarasota, Dick Kilroy; 2/17 at Windham, Dick Jordan ( our first make up from that new club); 2/19 at Rumford, Harold Fralich.

MARCH 9, 1983

LAST WEEK: (3/2) Meeting opened by Pres. Bill Brown; America the Beautiful by Bob Doe; Invocation by Ralph Miller; Visiting Rotarians (5) introduced by John Henchey; Song Leader, Jim Ferguson, has apparently heard some criticism of his "ethnic" songs so he led us in three rousing verses of This Land is Your Land.

You may recall that Bill York was taken in by a couple of Japanese gentlemen who stuck him for lunch and a ride to New Hampshire. They recently sent Bill a lovely Japanese calendar to show their appreciation. Bill sold it to one of our visitors for \$2.00.

NEW MEMBERS: Ralph Miller introduced Richard L. Rawlings. Dick is a native of West Virginia, graduated from West Va. Univ. in 1965 and was an Army Captain in Viet Nam. He went to work for North West Mutual Life in Baltimore in 1970, received his CLU in 1977 and, after spending a couple of years in Milwaukee, he was appointed General Agent for Maine in 1982. Dick resides at 19 Tall Pines Rd. in the Cape with his wife Marcia and two daughters.

Sam Giftos introduced a new "old member" Richard Pyne. Dick was a member for several years and we are happy to have him back in the fold. Dick is a graduate of St. Francis Xavier Univ. He has been employed by The Bank, Sun Mortgage, and is now Marketing Director for the Statewide Credit Bureau. Dick has three children and resides with his wife Mike at 4 Woodmoor Rd. in So. Portland. We are looking forward to hearing more of his music at our summer meetings. Maybe Mike will help him out. Always nice to welcome new members.

With the advent of these two new members we now have a total of eight "DICKS" in our club.

DISTRICT GOVERNOR NOMINEE: As things now stand, Sam Giftos name will be presented to the Conference at the Balsams in June. We expect that he will be District Governor for the 1985-1986 year. This is a great honor for our club. Sam will need a lot of help in his year and I am sure that he will get it.

ATTENDANCE: Pres. Bill Brown spoke of the importance of attendance. We are now running along with about 86% which places us 20th out of 55 clubs. This is a big improvement. With a little more work we should be able to get in to the top ten.

MAKE UPS: On 2/8 at Gulf Beaches, Frank Hugo; 2/15 Miami Beach, Frank Hugo; 2/22 at Gulf Beaches, Frank Hugo; 2/22 at Westbrook, Doug Stewart and Dick Holden; 2/22 at Scarborough, Warren Simpson; 2/23 at Biddeford-Saco, Lin Beck and Carroll Beck; 2/25 at Windham, Doug Stewart and Bill Stanton; 2/25 at Portland, Jim Doughty; 3/2 at Biddeford-Saco, Lin Beck. Thanks much!!

MARCH PROGRAM CHAIRMEN: 3/16 Lloyd Knight 3/23 Andy Mezoian 3/30 Ralph Miller

PROGRAM FOR MARCH 9 Bill Kourakos will present a speaker from Central Maine Power Company.

MARCH 16, 1983

LAST WEEK: (3/9) Meeting opened by Pres. Bill Brown; God Bless America by Bob Doe; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songs by Nick Pappas; Even his waving of the "Club" failed to produce spectacular results.

ATTENDANCE 35

PROGRAM: Program Chairman, Bill Kourakos, introduced Frank A. Chiaravalloti who is Senior Public Affairs Representative for Central Maine Power Co. Frank is a graduate of the Univ. of Hartford with a B. A. degree in Comm. & Broadcast Journalism. He joined CMP in 1981 after working several years in radio and acting as Exec. Director of Mid Maine United Way. He is a member of the Augusta Rotary Club and resides in Winthrop with his wife and daughter.

Frank spoke to us regarding the many changes in generating electricity over the past ten years, of dependancy on foreign oil and ways of reducing it. At present CMP produces 39% of its output with oil and is trying to lower that to 10% by 1992. Cousins Island is the only full time user of oil at present. CMP is working to add considerable hydro power and has already completed the plant at Topsham. There are some 14 other hydro plants which will be brought on line over the next ten years. The advent of surplus Canadian power is a big help and will continue to be for several years. This power is all hydro. Maine is buying some 6% of the Canadian surplus with the balance going to other users all over New England. Frank spoke of the many conservation measures CMP is offering. Users can have a CMP energy audit for a small fee and this can be im- plimented with a low or no cost loan to the user for such things as insulation etc. CMP is about to offer a kit for home owners to insulate their hot water heaters for a nomial 10-15 dollars. The past year has seen a growth at CMP of about 6%. This is mostly due to new customers. The company expects to see only a 2% growth annually over the next ten years. Our CMP bills are made up from two parts. One is "Base" costs and the other "Fuel" cost. Today they each make up about half our bills. CMP is producing power at Maine Yankee for 2¢ per KWH, the Canadian power costs 4-5¢ per KWH and oil produced power costs 6-7¢ per KWH. Having been a CMP customer for some 45 years, I think they have done a pretty good job in supplying the State with power at a reasonable cost. I own some of their stock and think I will hang onto to it for a while.

MAKE UPS: On 2/28 at Brunswick, Bob Doe; on 3/1 at Westbrook, Ron Stewart, on 3/4 at Portland, Paul Butler.

PROGRAM FOR 3/16: Program Chairman, Lloyd Knight will present Wayne Jackson who is a Forester for S. D. Warren Co. speak and show slides of Warren's new Bio Mass boiler, Warren's Tree Farm Family and forestry in general.

MARCH 23, 1983

LAST WEEK: (3/16) Meeting opened by Pres. Bill Brown; America by George Chandler; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songs by our resident Irish Song Leader, Lloyd O'Knight--Smile (twice through) and a solo rendition of "Dear Old Donegal" with a fine chorale back up. Well, something like that.

NEW MEMBER: Bill Stanton introduced our newest member who is Tim Whyte. Tim will be formally presented to the club at a later date.

The Portland Rotary Club is apparently still somewhat up in the air as to where they will be meeting. Their April 1 meeting will be at the downtown Holiday Inn.

PROGRAM: Program Chairman, Lloyd Knight, introduced Wayne Jackson, who is a forester for the S. D. Warren Co. Wayne works with some 860 "Tree Farm" families who supply S. D. Warren with its need for wood both for the paper making process and the new bio mass boiler which generates electricity. The boiler uses every bit of the tree right down to the leaves. They have a storage reserve of about ten days for chips and are also able to burn coal. They have completely eliminated the burning of oil. They have a considerable excess of power which they sell to Central Maine Power Co.

Wayne says that 90% of the State of Maine is covered with timber. This makes us the most forested state in the union with New Hampshire in second place. The mix is about 1/3 hard wood and 2/3 soft. Wayne works with the tree owners to help them get the most out of their woodlots by proper management. He showed us a series of slides demonstrating how growth can be increased in an overly thick lot by cutting a path through the trees. Apparently the trees' stomach is at the top and growth is increased when daylight can get to the lower portions of the tree. Wayne and his crew go through the lots and mark the trees to be harvested. On some occasions the whole lot is cut right down to the ground. A question as to the effect of this complete cutting on wild life was raised. Wayne says that, in two years or less, there is a growth of sprouts that wildlife finds delicious. He showed us the mechanical equipment used to harvest the trees. They now are untouched by human hands when they arrive at the mill. Wayne also spoke of some of the methods of fighting forest fires on the lots. Fine program.

MAKE UPS: At Brunswick on 1/31, Bill York; 3/7 at Brunswick, Larry Carey; 3/8 at Sarasota, Dick Kilroy; 3/8 at Westbrook, Doug Stewart; 3/8 at Scarborough, Nick Pappas, Dick Holden, Warren Simpson; 3/9 at Sarasota, Dick Kilroy; 3/9 at Biddeford-Saco, Mike Park; 3/11 at Portland, Dick Holden; 3/11 at Sanford-Springvale, Warren Simpson. Thanks much..

PROGRAM 3/23: Program Chairman is Andy Mezoian.

MARCH 30, 1983

LAST WEEK: (3/23) Meeting opened by Pres. Bill Brown; America by Bill Kourakos; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey, only one, and he from North Conway; Songs, a rousing two verse rendition of Vive la Rotary led by Bob Doe.

### ATTENDANCE 30

DISTRICT NOMINEE: Pres. Bill announced that, last Saturday, our nominee for District Governor, Sam Giftos and his wife Helene, were formally presented to the District Nominating Committee in Portland. Sam and Helene were subjected to exhaustive questioning and both came through with flying colors.

PORTLAND ROTARY: The Portland Rotary Club will be meeting at the intown Holiday Inn on April 1, 8, 15, and 22.

PROGRAM: Program Chairman, Andy Mezoian, introduced Jeff Webster and Mike Holmes who are So. Portland fire fighters who are assigned to the So. Portland Fire Rescue unit. The two men outlined some of the intensive training which they must complete to serve on the unit and showed us two pieces of high tech radio equipment with which they are able to transmit to Portland hospitals EKGs and other vital information on the patients as they begin their life saving treatment as they arrive on the scene. The doctors can read these signs and tell the ambulance personell what steps to take as the patients are being transported. The So. Portland units answer some 2500 calls per year with their two units. One is stationed at Central Station and the other is in Cash Corner. The Cash Corner unit does not have telemetry equipment as of today but one of the local service clubs is raising funds to supply it. When this is in place both ends of the city will be very well served. The fellows got into their presentation only about two minutes when a question was raised and the balance of the program consisted of a barrage of questions from the floor and their time ran out before they could get back to the formal part. I suspect they could have continued to answer questions for another hour. This is certainly a fine service for the city to offer and these are very fine men to operate it for us.

MAKE UPS: On 3/1 at Gulf Beaches, Frank Hugo; 3/8 at Gulf Beaches, Frank Hugo; 3/14 at Scottsdal, Ariz. Dick Rawlings; 3/15 at Gulf Beaches, Frank Hugo; at Westbrook, Harold Fralich, Dick Holden and Bill York; 3/16 at Biddeford-Saco, Carroll Beck and Lin Beck; at Sarasota, Dick Kilroy; on 3/18 at Portland, Dick Holden and Jim Doughty. Thanks much...
