LAST WEEK: (3/30) Meeting opened by Pres. Bill Brown; America by Al Baldwin; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey (one from Texas who had a guest from California); Songs by Nick Pappas, who led The Band Played On with a fair amount of success so he pushed his luck with Let Me Call You Sweetheart. Pitched a bit high but not too bad.

ATTENDANCE 36

PROGRAM: Pres. Bill announced that the program which he had lined up called to cancel at the last minute so the meeting turned into a Club Assembly.

Pres. Bill read from the District Governor's letter that our club attendance for the month of February was 88.64%. This is a big improvement for us and puts us in 6th place among the 55 clubs in the District. This is more like what our attendance should be. Let's do better this month. Pres. Bill also announced that the District Nominating Committee has formally announced that Sam Giftos is the District Governor Nominee for 1985-1986. Sam gave us a brief report on his appearance before the Committee and stressed that he will need a lot of help from our club during his tenure particularly in hosting the District Conference at The Balsams in June of 1986. Since we have been through this before when Harold Fralich was District Governor, we have a nucleus of veteran people and should be able to do a fine job for Sam. There are plans in the works to set up a "kitty" whereby members will be able to pay into the fund over a period of 12 to 18 months to make the pain of the expense a bit more bearable. We will hear more on this later.

Pres. Bill also read a letter from the Brunswick Club which is trying to sponsor a sailing regatta this summer and one from the Rockland Club which is having a Spring Celebration at The Samoset the weekend of April 29. Anyone who is interested can get in touch with Bill Brown for details.

Pres. Bill brought us up to date on his efforts to get funding for the Adult Reading Program at the Univ. of So. Maine. This is the program which teaches adults who are functionally illiterate to read and write. They lost all their Federal funding last July and have to depend on donations and many volunteers to operate their program. Bill has been trying to get the several local Rotary Clubs, Westbrook, Scarborough and Portland, along with ourselves, to support this program as a community project. Westbrook and Scarborough have indicated their willingness to participate and we should hear from Portland in the next week or two.

BOARD MEETING: The next Board of Directors meeting will be on Tuesday, April 12, at 5 PM at Jim Doughty's office.

MAKE UPS: All on March 22; Dick Kilroy at Sarasota Bay; Al Boudreau at Scarborough; and, at Westbrook, Dick Holden and Dick Yerxa. Thanks..

LAST WEEK: (4/6) Meeting opened by Pres. Bill Brown; America by Jim Doughty (he pitched it down in the basement); Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey, 3 from Portland and 1 from Lewiston; Songs by Bill Brown, three, no less, and not bad.

ATTENDANCE 32

Harold Fralich asked the Club to sponsor him in a Swim-A-Thon for CROP which is an interdenominational group trying to supply food to some of the very needy third world nations. The board of directors will consider this request at their meeting at Jim Doughty's office on Tues, April 12, at 5 PM.

PROGRAM: Ralph Miller introduced Sung Kim who is an immigrant from Korea. Sung is a graduate of Nasson College and Bangor Seminary and is the Pastor of the Korean United Methodist Church on Washington Ave. in Portland. Kim told us how it feels to be a member of an ethnic minority in the United States. He feels that the U. S. should not be a melting pot but rather a salad bowl. He feels at ease among his own people but awkward among others. He says that it is difficult to keep up when only English is spoken and one doesn't catch the jokes that are told. Kim has been here nine years. His folks are in Tacoma. When he first landed in the U. S. he had no idea of where to turn or what to do. He saw an Army recruiting poster and joined the Army. I gather that he was able to learn a lot that way. Kim was studying English in Korea and was a convert to Christianity at home. He tells us that, while Budhism is the prevailing religion in Korea, Christianity has grown rapidly in the last ten years and now represents about 25% of the people. There are about 500 Korean immigrants in Maine and some 70 are college graduates. There are a few programs in the area which are attempting to teach English to his people. It is very difficult for a Korean to find employment if he is unable to speak English. Kim commented as to how grateful he is that the Methodist people have been so hospitable to him and his people. A very thought provoking program.

MAKE UPS: Only two. On March 23 at Wells-Ogunquit, Ron Stewart and, on March 29 at Portland, Dick Holden.

LAST WEEK: (4/13) Meeting opened by Pres. Bill Brown; America by Peter Drivas; Invocation by Ralph Miller; Songs by Jim Ferguson (only one, My Bonnie went over so well that he decided to quit while he was ahead); Visiting Rotarians introduced by John Henchey.

ATTENDANCE 42

PROGRAM: Program Chairman, Warren Simpson, introduced Donald L. McDowell who is Senior Administrator and Chief Financial Officer at the Maine Medical Center. Mr. McDowell outlined the history of the Medical Center from the Old Maine General which was built in 1868 after the Great Fire and, in 1961 with the acquisition of the Childrens Hospital and the Eye and Ear Infirmary it became the Medical Center. It is the largest north of Boston and serves Maine, New Hampshire, and parts of Canada. Its infant care program has given Maine one of the lowest infant mortality rates in the country. Statewide responsibilities, a growing population and expanding technology in the past ten years have caused severe overcrowding and expansion is imperative. The new building is now under way. It will be a 4 story addition with 200,000 square feet. The expansion will include the renovation of 100,000 square feet of the present facility and an additional parking area for 420 cars. This effort will cost some 50 million dollars. Bonds in the amount of 35 million have been floated and the Center is now seeking donations for the balance needed. Each million donated saves some 3½ million in costs of interest monies etc. The campaign is proceeding very well. The employees had been targeted for \$400,000 and they pledged \$580,000. The Doctors were targeted for 2 million and pledged 2.8 million. The Trustees are now out in the community and are meeting with much success, L. L. Bean has pledged 1 million and Shaws 250,000. With a goal of 11.2 million the program should meet its objective by late this summer. Mr. McDowell concluded his presentation with a very professional slide show covering the whole subject. A fine program, Warren.

LAST WEEK: (4/20) Meeting opened by Pres. Bill Brown; America by Tony Wagner; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songs by Bob Doe--SMILE & Lil Liza Jane--on the whole a minor disaster, I had to stand on a chair to reach the pitch!!

TORONTO CONVENTION Bill Brown announced that there is a nine day bus tour that has been arranged which includes the Toronto Convention. If you are interested, you can contact Bill who has the brochures.

Bill York, our resident jogger, offered a toast to Joan Benoit who set a new World Record for women in the Patriots Day Boston Marathon on April 18. I am sure you are all aware that she is a native of Cape Elizabeth. Dan Gacetta also suggested that it would be appropriate for our Rotary Club to honor Joan in some fashion. Our Board of Directors will take up this matter at their next meeting.

PROGRAM: Program Chairman, Nick Pappas, introduced John Fortier who is the Associate Dean of the College of Osteopathic Medicine at New England University in Biddeford. John was Director of Health in the Rhode Island prison system before coming to Maine 5 years ago. John commented that the practice of Osteopathic Medicine in New England was dying out in the early 1970s with the age of the average Doctor at 70 years. There were no schools in New England and it was practically impossible for New England students to enter the State schools around the rest of the country. This was the reason for starting the College in Biddeford. The school graduated 35 in 1982, will have 51 in 83 and, with a total enrollment of some 280 in 1984, will settle down to a graduating class of 70 students. This number is dictated by the fact that the Osteopathic hospitals around the country are able to accept only a limited number of interns each year. The osteopathic physicians receive the same training as other MDs plus a philosophy of caring and treating the "whole" patient including the family, employment and recreation segments of his life. This philosophy tends to result in the Osteopathic physician's going into the area of general practice rather than specializing. 80 to 85% are GPs. The students are given hands on experience from the very beginning of their college life as they sit in with doctors, work in emergency rooms, on ambulances and, as they progress, do the health checking for many of the school systems in Maine including our own in South Portland. I was very impressed with the complete knowledge of his subject that John demonstrated and the ease with which he fielded the many questions at the end of his talk. A very illuminating commentary on a very interesting subject.

MAKE UPS: On 4/12 at Sarasota, Dick Holden; 4/12 at Westbrook, Bill Stanton; 4/13 at Sarasota, Dick Holden; 4/14 at Warwick Bob Doe; 4/15 at Portland, Bill York. We appreciate it!!!

PROGRAM 4/27: Bill Brown will present Ralph Salamone, Director of Music at So. Portland High School, and Monica Soyachak, a Junior at SPHS who is a gifted pianist and who is one of only 30 students from the whole country to be invited to attend the Tanglewood Institute Young Artist Program in August.

LAST WEEK: (4/27) Meeting opened by Pres. Bill Brown; America by Harold Fralich; Invocation by Ralph Miller; Visiting Rotarians introduced by Bob Carson, 6, all from Portland, and Andy had, as his guest, his son Peter. After Capt. Lloyd led our singing I asked young Peter if he knew Lloyd. He said he didn't but he had heard of Captain Lloyd, fame is so fleeting!!!

ATTENDANCE 33

PROGRAM: Program Chairman, Bill Brown, introduced Monica Soychak and Ralph Salamone. Monica is a gifted pianist and, while she went down to the lower dining room where the piano is located, Ralph told us something about her. Ralph, who is Music Director of the So. Portland schools, told us that Monica is a Junior at SPSHS, 4th in her class, an all A student, National Honor Society in her Sophomore year, won the Gould award this year and is carrying six subjects in an advanced program.

Monica is one of only 15 students from the United States and Canada to be selected to attend the Tanglewood Music School in Lennox, Mass, this next August.

After hearing the taped selections accompanying Monica's application, the Tanglewood selection committee asked her to come to Boston for a live audition. On the Saturday of her audition Monica first went out to the Gorham campus of the Univ. of So. Maine and, at 8 AM, won a competition there. She then rode down to Boston and performed for Tanglewood and won her place for this August.

As you might expect, Monica is planning to further her education and has applied to Harvard, Yale and Wellesley. We are sure that, whatever the future holds for her, she will do very well.

The group then repaired to the lower dining room where Monica entertained us with two classical selections, one a Russian number and one from Brahms, and finished her presentation with two pieces of dinner music. One Portland Rotarian asked if this was the first time she had played in a bar. A fine program and a fine young lady.

As of May 6, the Portland Rotary Club will have a permanent home at the Portland Club on State Street.

MAKE UPS: On 4/13 at Sarasota, Dick Kilroy; 4/15 at St. Petersburg, Frank Hugo; on 4/19 at Gulf Beaches, Frank Hugo; 4/19 at Westbrook, Dick Holden and Bill Stanton; 4/20 at Biddeford-Saco, George Chandler and Duane Rancourt.

PROGRAM 5/4 Ron Stewart will present Fred Yalouris who will tell us about his efforts to return the remains of the Snow Squall to So. Portland. That's the ship, not the Restaurant...

LAST WEEK: (5/4) Meeting opened by Pres. Bill Brown; America by Jim Doughty; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songs by Jim Ferguson, I understand Jim knows only two songs, one is "My Bonnie" and the other one isn't.

Pres. Bill read a letter of thanks from Scott Smith, a Cape boy whom we are sponsoring for Boys State this year.

The Bath Rotary Club is sponsoring a photo contest in connection with their plans to publish a Dist. 779 Rotary calendar for 1984. Details will be posted on the bulletin board.

BOARD MEETING: May 10, a Tuesday, at 5:15 PM at Jim Doughty's office. This is a very important meeting as the year is drawing to a close and the board now is deciding how to spend the money we have generated this year. If you have any suggestions, you would do well to attend or make your wishes known.

PROGRAM: Program Chairman, Ron Stewart, introduced Fred Yalouris who is part of a team of people who are salvaging parts of the clipper ship Snow Squall. Fred, who is a So. Portland resident, came to the U.S. from Greece at the age of 5 years. He is a Nautical Archeologist with a degree from Harvard and a Doctorate from Oxford University. The Snow Squall was built at Turner's Island in So. Portland in 1851 and set a speed record from New York to Rio that has never been equaled by a sailing ship. She was damaged in a storm near Cape Horn in 1864 and limped into the Falkland Islands for repairs. The cost of the repairs was so exhorbitant that the skipper finally had to turn over the ship to the natives who used it for a wool warehouse for many years. It is still moored at a pier in the islands. The salvage crew has managed to recover a large piece of the starboard bow along with a large quantity of ribs, planksetc. They have had these pieces transported to England and are now trying to have them shipped to So. Portland. The bow section will be set up at SMVTI as a memorial. There are no plans of these ships in existance as the builders made them from scratch. This salvage effort will result in having at hand a set of plans as to how the ship was built. The falklands lie close to the Antartic Circleand Fred showed us beautiful slides of the salvage effort, life on the island, the results of the recent war and described for us the apparent indolence of the population. They have sea all around them but don't sail on it. They have an excellent fishing source but don't fish. They even send their wool to England to be processed. We will be looking forward to the arrival of the Snow Squall in So. Portland. A most interesting program!!!

MAKE UPS: On 4/22 at Portland, Harold Fralich; on 4/27 at Sarasota, Dick Kilroy; on 4/27 at Wells-York Peter Drivas. Thanks much---

PROGRAM 5/11: Program Chairman, Doug Stewart, will present R. Patrick Grady who is Director of Quality Control for Portland Water District. He will tell us about the District's program to protect Sebago Lake.

LAST WEEK: (5/11) Meeting opened by Pres. Bill Brown; America by Paul Butler; Invocation by Ralph Miller; Visiting Rotarians introduced by John Henchey; Songleader was Bill York.

ATTENDANCE 36

Pres. Bill announced that the Board of Directors had met the night before and made some important decisions. He will present the results to the entire club in the very near future.

Important Note: Ed Theriault is under the weather and is in the Maine Medical Center. It sure would be great if he got a lot of cards from us to help speed his recovery.

PROGRAM: Program Chairman, Doug Stewart, introduced Pat Grady, Quality Control Director with the Portland Water District. Pat described the scope of the Sebago Lake watershed which provides us all with our "terrific" water supply. He told us how the water is protected and the measures that are taken to insure that our water continues to be safe for all purposes.

THIS WEEK: Tony Wagner will present LT. J.G. Pat Donohue from the Coast Guard Marine Safety Office. He will describe the "Mission" of his group in Portland, and current trends in Coast Guard activities.

Reminder: The Portland Rotary Club is now meeting regularly at The Portland Club on State Street, Friday noons. Charter Night for the new Windham Rotary Club will be held on Saturday, June 18, at St. Joseph's College in North Windham. Watch for more details in the near future.

Incoming President John Henchey is trying to put together his Board of Directors for the coming year. If there is someone out there who would like to serve in a special capacity, please get in touch with John right away.

LAST WEEK: (5/18) Meeting opened by Pres. Bill Brown; America by Jim Doughty; Invocation by Paul Butler with a special moment of silence for Ed Theriault; Visiting Rotarians introduced by John Henchey. Song leader again was Bill York who led us in a couple of numbers that he dedicated to Ed Theriault.

ATTENDANCE 35

EDWARD H. THERIAULT

We all mourn the passing of our dear friend and good fellow member. Ed joined our club in 1970 and in that time has accumulated 12 years of perfect attendance. Ed was always active in the business world and very much involved in local golf activities. Ed was a fine Rotarian in every sense and we shall miss him very much.

Pres. Bill announced that 6 members of our club will serve as pall bearers at Ed's funeral service.

PROGRAM: Program Chairman, Tony Wagner, introduced Lt. Pat Donohue from the Coast Guard Marine Safety Office. Lt. Donohue presented a slide show on Marine Safety. He explained that the function of the Coast Guard in this area is to maintain harbor protection and insure proper operation procedures by commercial vessels in this area. 40 people work out of the Marine Safety office here in Portland. They respond to the needs of this port. The harbor is patrolled daily.

THIS WEEK: Pres. Bill will try to bring us all up to date as to what we have done with our funds to this point. That's right - Club Assembly.

MAKE-UPS: 5/4 A. Baldwin, L. Beck, G. Chandler at Biddeford Saco; 5/11 A. Baldwin at Biddeford-Saco; 5/13 R. Kilroy at Sarasota, Fla.; 5/16 L. Carey at Brunswick.

ATTENDANCE 27

REMARKS: Pres. Bill reported that the service for Ed Theriault was attended by many Rotarians. Pall bearers Kourakos, Butler, Fralich, Brown, Giftos, and R. Holden, represented us at the request of the family.

Bill York is in the Osteopathic Hospital. He is recovering and should be out as of this writing.

Frank Hugo is back from Florida for the summer.

Rob Kilroy was present and unofficially has accepted a job with Prudential Insurance Co. in New York City. We wish him great success.

THIS WEEK: Pres. Bill moderated a Club Assembly. His primary objective was to impart information to the membership regarding the disbursement of funds as of this date. He indicated that the Board of Directors had met monthly and had deliberated on all requests very carefully. The monies that the club has raised have been distributed to a variety of people, groups, and organizations. They span the realms of culture, history, education scholarships, sports, the needy, youth, and the elderly. Bill announced that the club was honoring Joan Benoit by presenting a special scholarship to a Cape Elizabeth graduate in the name of Rotary and Joan Benoit. She will receive a proper certificate or plaque. Bill re-iterated that a 2nd fundraiser was important to the functioning of the club, specifically to involve the participation of the total membership similarly to that of the Christmas Tree Sale.

Membership - It was pointed out that this is every members responsibility, not just that of a committee. Everyone should try to bring in one new member each year. Rob Kilroy suggested that we try to make new members feel more welcome and comfortable in the early months of their membership.

THIS WEEK: Bill York is Program Chairman. Program profile not available at press time.

The temporary editor hopes that Dick Kennedy will be back in the fold very soon.

REMARKS: Pres. Bill announced that Cape High School is very excited about the \$1000 scholarship that is going to be presented this year to an outstanding student on behalf of Rotary and Joan Benoit. Joan will also receive a plaque to commemorate this scholarship being awarded. Harold Fralich is going to present two scholarships (\$500) at the Cape High School Graduation Exercises. Attendance percentage for the month of May - 86.93% GREAT !

Our heartfelt sympathy to Dick Pyne whose mother passed away this past week.

PROGRAM: Pres. Bill presented us with another Club Assembly. He reported on the goals achieved and not achieved. Among our goals was to increase the membership of the club. We did introduce 9 new members during this past year, however we lost 9 due to death, transfers, business pressure, and inadequate attendance. Net gain - 0. To get us started for John Henchey's administration, Bill asked everyone present to think of a name and put it on paper and pass it in. Over 30 names were submitted for consideration by the Membership and Classification Committee. A short Board of Directors meeting was held immediately following this meeting. \$2500 approved for City Of South Portland to expand the Christmas Tree Lights in Mill Creek Park. Letter of appreciation from Monica Soychalk.

REMARKS:

June 22 will be a Ladies Night at Fort Williams Park. It will be catered by Kentucky Fried Chicken and we hope to have as our special guests, some representatives from the various places that have received contributions from our fund raising efforts. Reminder: No alcoholic beverages are permitted at Fort Williams.

July 23 - Family Fun Days at Fort Williams Park. This was a very successful endeavor put on by the Town of Cape Elizabeth last summer and it was decided that they would try to make it an annual affair. We did not participate last year, but we have been asked to do so this year. Bill York is heading a committee. He will need volunteers to help set up and run a concession stand which will dispense fried dough, french fries, and coffee. He will need about a dozen or so people to work a few hours each. Wives are encouraged to join in the fun.

PROGRAM: Program Chairman Dick Yerxa introduced the speaker, Ray Parent, Fire Chief from Biddeford. Ray presented a slide show and commentary on woodstoves. He indicated that there is a manual of procedure for the proper installation and use of a woodstove. He elaborated on the many types of faulty installation and the types of things to check for those of us who have and use them.

THIS WEEK: Program chairman is Dave Bagdasarian. Don't know what the subject matter is, but sure that it will be another provocative program.

REMARKS: The new Windham Rotary Club Charter Night will be Saturday, June 18th, at St. Joseph's College in North Windham. Bill Brown will be there to present them with a special gift. President Bill gave a short report on the recent conference at The Balsams. Sam Giftos was successfully nominated as District Governor Designate. He will serve as District Governor during the years 1985 - 1986. Our Club will be the Host Club at the District Conference at the Balsams in June, 1986. Mary Kilroy was a winner in the Ladies Golf Tournament and Bob Carson won low net in the Men's Golf Tournament. More reports on the Conference will come in President Bill's final meeting on June 29.

PROGRAM: Program chairman Dave Bagdasarian introduced John Broadbent of the Portland Performing Arts Center Board. John summed up what has been happening with their new facility over the past year and what we can expect to see in the future. The newly renovated facility is located at the top of Forest Avenue in Portland. The \$750,000 renovation cost which is coming from both public and private sectors will enable companies to put on multi-set shows and musicals. Seating capacity of the new theater is 291 and will be ready for the grand opening next fall. At the present time, The Ram Island Dance Company and The Portland Stage Company will alternate in the use of the Theater for about eight months out of the year. They are searching for another entertainment company to pick up the slack in the summertime.

THIS WEEK: Ladies Night at Fort Williams Park. 6:15 p.m.
Menu - Kentucky Fried Chicken. No Alcoholic Beverages Please.

MAKE-UPS - 6/2 Hugo - Windham; 6/3 Miller - Portland; 6/7 Pyne, Fralich, - Westbrook; Whyte, Butler - Scarborough; 6/8 Drivas - Wells-York; C. Beck, L. Beck - Biddeford; 6/10 Rawlings - Portland; 6/14 Pyne - Westbrook; Simpson - Scarborough.

JUNE 29, 1983

LAST WEEK: (6/22) Ladies Night at Fort Williams Park. Pres. Bill Brown presided over this well attended meeting on a very beautiful evening at the Rotary Shelter at Fort Williams. For those who had not seen the shelter before, the conditions were perfect. We were joined by about a dozen guests who represented some of the groups who received donations from our fund raising efforts. Five (5) Stars to Alan Baldwin and his crew for a tasty and well presented Kentucky Fried Chicken dinner. Lloyd Knight sang one of his usual Ladies Night specials and led us in a chorus of "Smiles". Thanks Lloyd, but we missed Ellen singing at your side.

31 of our own members were present and many of the wives. Congratulations on a fine turnout !

EDITORS NOTE:

We are fast approaching the time of year when we pass the gavel from one man to another. It is time to pause and reflect upon the Rotary year just completed. It has been a good one - one that the club should be proud of. It included all the ingredients that help to keep a club like ours healthy. It is time to applaud Bill Brown for his leadership and his untiring efforts to get things accomplished. The Board of Directors met many times during the year to help Bill keep the ball rolling. Everyone did a great job on the Christmas Tree Sale. Attendance was improved markedly over previous years. We introduced nine new members to Rotary and our club. We had many good, thought provoking programs. We successfully got Sam Giftos nominated to be District Governor for the year 1985-1986. Above all, I think that we have had a lot of fun, shared in rewarding fellowship, and provided a great deal of service to our communities and the world. Congratulations to you Bill Brown and thanks for being our leader. Good luck to you John Henchey in the year that lies ahead.

THIS WEEK:

Bill Brown will talk about his year and pass the gavel on to John Henchey who will lead us through the year to come.
