OCTOBER 5, 1983

LAST WEEK: (9/30) The first of what is planned as an annual joint ladies night with the Scarborough Rotary Club at the Black Point Inn. The lovely surroundings, the excellent weather, the fine cuisine, and the excellent attendance made for a very pleasant evening. Bill Kourakos and Larry Carey presented an excellent and educational slide show on Greece giving us some of the history of the area, showing us many of the ancient structures and comparing and contrasting the old times with the new ones which are causing the rapid deterioration of the old buildings.

Bill and Sophie led our So. Portland resident dance company in a fine demonstration of Greek dancing following which a large number of rank amateurs were given instruction in the ancient art. All in all a fine evening.

MAKE UPS: On 9/13 at Bath, Larry Carey; 9/13 at Westbrook, Frank Hugo and Peter Drivas; 9/19 at Lake Zurich, Illinois, Larry Carey; 9/20 at Westbrook Dick Holden, Frank Hugo, Bill Stanton; 9/21 at Wells-Ogunquit, Peter Drivas; 9/21 at Biddeford-Saco, George Chandler; 9/23 at Portland, Dick Yerxa, Sam Giftos, and Dick Jordan; 9/27 at Westbrook, Jim Doughty, Frank Hugo; and, 9/28 at Biddeford-Saco, Lin Beck. Thanks much!!!

## PROGRAM CHAIRMEN, OCTOBER

10/5 Paul Butler

10/19 Peter Drivas

10/12 Jim Doughty

10/26 Phil Dube

Your bulletin editor is taking off for Virginia for the next three weeks or so and is leaving the weekly chore in the very capable hands of Bob Doe. If you have anything you wish to include in the bulletin, get it to either Bob Doe or Bob Carson.

## AT THE OCTOBER 5th MEETING

we will be back at the Bridgeway Restaurant for a program which should be of considerable interest. Our guest speaker will be Major Everett P. Pope, United States Marine Corps (Retired), one of the few who have earned the award of the Medal of Honor, the most prestigious award in the gift of the Congress. The Medal of Honor is awarded for conspicuous gallantry and intrepidity at the risk of life above and beyond the call of duty in the face of the enemy. Major Pope will tell us of the history of this Medal and explain how the requirements of its award have changed over the years. Major Pope (then a Captain) was presented the Medal of Honor by President Franklin D. Roosevelt as a result of his actions in combat against the Japanese forces on Peleliu Island in the South Pacific in September 1944.

OCTOBER 12, 1983

There was an excellent attendance at the meeting on the 5th -- all the seats were filled and an extra table had to be brought out. ~~KEEP IT UP, IT'S MORE FUN WHEN THE PLACE IS CROWDED.~~

\*\*\*\*\*

\*\*\*\*\*

Prexy John decided to dispense with the singing. Was that a subtle hint? Anyhow when he turned Sergeant-at-Arms Bill K. loose, the first sight after Bill's announcement that everyone without a pin would be fined was one of great relief. Several hands went self-consciously to coat lapels to assure themselves that the Rotary pin was there. Then the block-buster! "I don't mean the Rotary pin," sez Sgt. Bill, "but the UNITED WAY PIN!" Some of the boys had it, but it looked as if more pungled up quarters than didn't.

\*\*\*\*\*

\*\*\*\*\*

Jim Doughty announced a charitable fund-raising presentation of "ANNIE" at the Thaxter Theatre in South Portland on Thursday, October 27, by the Portland Players. He urged that all Rotarians support this. Tickets will be available at the Rotary meeting on the 12th. Cost: \$8.50 per person.

\*\*\*\*\*

\*\*\*\*\*

PDG Harold Fralich appealed for some of our members to accompany him to an all-day "Think Tank" session of ways to improve Rotary to be held at Waterville on Saturday, October 15th. The session will be held at Howard Johnson's, Main Street. District Governor "Tex" Ranger will be there as well as several other Past District Governors. Harold said the input of our members who can attend will be very valuable. Call Harold to arrange for a ride. He said they expect to leave Portland for Waterville about 6:15 a.m.

\*\*\*\*\*

\*\*\*\*\*

Each Rotary Club is to have a Rotary Information Officer and Sec. Bob Carson will assume that duty for our Club. From now until the first of May he will report a bit of Rotary Information to the Club at each meeting. Next week, the 12th, his report will encompass membership, i.e., classification, how members are proposed. This will produce in each of us, as the weeks go by, an increased knowledge of the goals of Rotary and how we achieve them.

\*\*\*\*\*

\*\*\*\*\*

Our speaker at the meeting on the 5th was Major Everett P. Pope, United States Marine Corps (Retired), one of only about 260 living holders of the Medal of Honor, and one of only two living in the State of Maine. He spoke of the history and background of the Medal of Honor, from its inception during the Civil War, when it was authorized in the military service, but without its present requirement that it must be awarded for "conspicuous gallantry and intrepidity at the risk of life above and beyond the call of duty." Early medals were handed out for such things as agreeing to stay in service during the Civil War after expiration of the term of enlistment, which might have been only three months. In its present form and requirements it was authorized by Congress in 1918 to be presented by the President in the name of Congress. He earned his Medal in 1944 in combat against the Japanese on Peleliu Island in the South Pacific. It was presented by President Truman in the White House because President Roosevelt, who signed the citation, died shortly before it could be presented.

PROGRAM at the October 12th meeting, Jim Doughty as program chairman, will be a presentation on computers by Allen Dussault, president of the Electronic Business Systems of South Portland.

A precipitous slide from the attendance on the 5th to the attendance on the 12th; from 45 to 32! And 9 of the 32 were visitors from the Portland Club. Even prexy John was absent, but VP Jim Doughty did a good job. As noted last week---IT'S MORE FUN WHEN THE PLACE IS CROWDED.

\*\*\*\*\*

\*\*\*\*\*

VP Jim re-emphasized that we should keep the 27th of October open for the presentation of "ANNIE" at the Thaxter Theatre in South Portland. He also noted that we are not sponsoring the entire house, but are taking half of the house. He said that all we need to put this thing over the top would be for a Rotarian and his wife to attend accompanied by at least one other couple as their guests. He called attention to the excellent reviews of this presentation by the Portland Players, and said that it should be an evening of good fun. Tickets will be available at Club meeting.

Our speaker on the 12th presented a most interesting program concerning the growing use and importance of computers. Allen Dussault, president and founder of Computer House of South Portland, "just around the corner" he said from our meeting place. He began by asking for a show of hands of those who have business computers, those who have personal computers, those who have programmed a computer, and those who have used a computer. Among those various categories it quickly became evident that the members of this Club, in Dussault's words, "is a pretty knowledgeable group", and he pitched his talk accordingly. He offered the members free tickets to the Cumberland County business show. Majority of business computers are sold for cost accounting purposes, not graphics and charts. He defined and elaborated on software, which is the term used to indicate the operating systems, the brains of the computer. A diskette can hold half a million to a million items of information by means of the iron oxide charge-accepting coating. The larger metal disk can hold 17,000,000. He warned that careful attention must be paid to what a particular program (application software) will do, or the buyer may find that what he has bought may not fill the purpose. He went into great detail in his talk which clarified ideas concerning the types and uses of computers. Several questions were asked at the conclusion of his talk. This was an interesting and useful program.

LAST WEEK: (10/19) Meeting opened by Pres. John Henchey; America by Dave Bagdasarian; Invocation by Carroll Beck; Visiting Rotarians introduced by Bob Carson; Songs by Andy Mezoian, only one, but not bad.

Pres. John noted that we now have another resident jogger in Phil Dube who recently competed in the Casco Bay Marathon.

Pres. John also announced the resignation of Ron Stewart who has moved to Saco as that city's new City Manager. Ron has been a fine Rotarian and his presence will be missed.

"ANNIE" TICKETS: If you or any of your friends want tickets to The Players hit play ANNIE, get in touch with Jim Doughty. He still has a few but they will not last very long.

PROGRAM: Program Chairman, Peter Drivas, introduced Bill Pappas who is the principal of Mahoney "Middle" School in So. Portland. Bill obviously feels very strongly in favor of the "middle" school concept. He gave us some history of the changes that have taken place over the past 80 years not only in the education of children but also in the children themselves. He feels that there is a need for the middle school as a transition from the elementary system to the high school years and the middle school will provide it. The kids today are much taller, heavier and healthier than those of a generation ago and have a lot more problems to deal with. Consider the vast amount of knowledge which is thrust upon them at an early age, not only by the education system but by television and the other media. About half of these kids come from single parent homes and, often, there is nobody at home when they return from school. With the mobility of our population the kids have lost the support of the extended family, aunts, uncles etc. who in the past were a support as these kids went through the troubles of adolescence. Bill commented that these kids really need a lot of love, caring, responsibility and respect to see them through these troublesome years.

PROGRAM FOR 10/26: Phil Dube will present a program on "The New Kid on the Block, Peoples Express. Should be another good one.

LAST WEEK: (11/2) Meeting opened by Pres. John Henchey; America by Jim Ferguson; Invocation by Ralph Miller; Visiting Rotarians introduced by Jim Doughty; Songs by Nick Pappas, a lusty rendition of the Battle Hymn of the Republic. That's two good efforts in a row. Hard to believe!!

ATTENDANCE 42

Visiting Rotarian Carlson from the Portland Club spoke to us in his capacity as a member of the Rotary Foundation's sub committee on annual giving. He feels that there are better ways to ease world tensions than to use armies. One of them being the Rotary Foundation's sponsorship of international exchanges of business men, international scholarships, and the Health, Hunger, Humanity program. These projects are funded by donations to the Foundation by Rotarians. Many are not able to give \$1,000 at one time so the committee is promoting the idea of giving \$100 per year over a ten year period to arrive at a Paul Harris Fellowship. They have had some success in this direction what with the Portland club having one member and the Lewiston-Auburn club having 16 in the ten year program. It's good for the clubs, it's good for Rotary and it's good for the world.

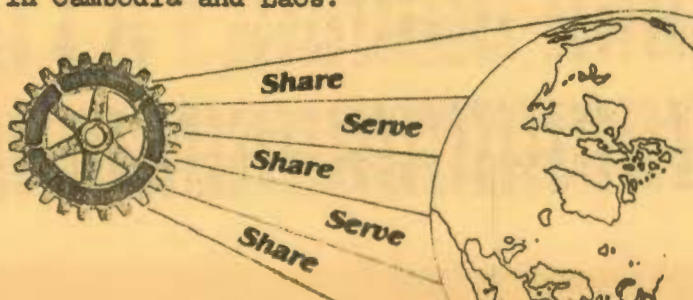

As a result of the resignation of 2nd Vice President, Ron Stewart, the nominating committee Chairman, Dick Kilroy, nominated Bob Carson to fill the vacancy. This was unanimously approved by the club. A very good choice.

CHRISTMAS TREES: It's that time of year again. Jim Doughty distributed assignment sheets to those present. If you were absent, get one from Jim and fill in the slots you desire. We are down to about 40 members so need all the help we can get. Trees will arrive on the Friday after Thanksgiving and a big crew is needed for that day. We will have more trees this year and hope to be in business closer to the holiday than in the last two years. It looks as if the popular midsize trees will have to retail for \$16. Jim is shooting for a gross of \$10,000. Jim also reported that the "ANNIE" project returned to the club \$800. This is an easy way to generate funds and we look forward to a bigger project next year. Much credit and thanks are due to Jim and to Phil Dube for their efforts.

ROTARY INFORMATION: In line with the District Governor's wishes, Bob Carson has been appointed as Rotary Information Officer for our club. He will be giving us a brief Rotary message each week. Tonight he stressed the importance of getting new members and ran through the procedure for membership proposals. Proposer must fill out the proper card which will go to the Membership and Classification committees and the Board of Directors BEFORE the person is invited to join. If you have a new member in mind, it would be a good idea to contact Bob before you take any steps.

MAKE UPS: On 10/4 at Naphlion, Greece, Sam Giftos; 10/11 at Westbrook, Bill York; 10/12 at Biddeford-Saco, Duane Rancourt; 10/17 at Rochester, N.H. Bill Brown; 10/17 at Athina-Notos, Greece, Sam Giftos; 10/18 at Westbrook, Bill York and Bill Stanton; 10/18 at Gulf Beaches, Fla. PROGRAM: Larry Carey, filling in for Program Chairman Harold Fralich who could not be present, introduced Dr. Charles F. Thurber who graduated from Colgate in 1961 and received his MD from Cornell in 1965. He was on the staff at Maine Medical Center and is now with the Scarborough Medical Center.

The Doctor showed us some slides and related some of his experiences during a three month period when he was a physician at a refugee camp in the northern part of Thailand. There were 25,000 people in the camp consisting of a cross section of the Laotian refugees including tribesmen, elderly, business people, and government employees who were trying to escape the communist regime in Laos and another 10% who were Thais trying to get to the United States. The camp housing was thatched huts in which the refugees lived for from 6 months to a year before they were transported to the U.S. Canada and Australia for settlement. There was a 50 bed hospital. 25 for adults and 25 for children and another 100 patients per day were treated on an outpatient basis. Most of the staff was from among the refugees. The staff tried to educate the refugees to use breast feeding of babies rather than use formula mixed with contaminated water, Another problem was bites from dogs there being no program for inoculating pets. After watching a Chinese doctor practice accupuncture Dr. Thurber now feels that the practice has some merit.

Dr. Thurber says that, in spite of the many hardships and chronic diseases, the young children always had a smile.

Since Dr. Thurber's return the camp has been moved away from the Mekong river and is now under the control of the Thai government rather than the U. N. Things are much worse as the Thais are trying to lower the strain on their budget and have very little compassion for the refugees. In closing, Dr. Thurber commented that it was very gratifying to be able to help these people using only his knowledge and the elementary facilities available to him. He also said that a bar of soap and decent toilet facilities can have more medical impact than a host of our ultra modern, extremely expensive medical machines. A most thought provoking program.

Nominating Committee Chairman, Dick Kilroy, placed before the club the name of Larry Carey to fill out the term of Ron Stewart on the board of directors. Passed unanimously. Dick also reported out the following slate of officers for the year 1984-1985:

Pres.	Jim Doughty
1 VP	Bob Carson
2 VP	Dick Pyne
Sect.	Bill York
Treas.	Dick Goodine

Directors

The above slate will be acted on by the club at the meeting of 11/23.

Jim Doughty and Dick Goodine outlined a plan to tighten up our handling of cash at our Christmas Tree Sale. They distributed sample sheets to the group. If you were absent, plan to get a copy tonight.

PROGRAM: Program Chairman, Dan Gacetta, presented Wayne McCary who is the General Manager of the Cumb. County Civic Center. Wayne is a native of New London, Conn. and a graduate of Univ. of Hartford. He was Asst. Mgr. of the Eastern States Exposition for 10 years and produced the Shrine Circus in Maine for many years. He is involved in National Country Music circles and was active in Barbara Mandrell's early career. He pointed out that the Civic Center is not run for profit but to stimulate the quality of life in the area. Hockey is a staple for the Center and attendance is holding up well since the sale of the Mariners by Philadelphia to the New Jersey club. The Center plans to have a wide variety of shows to appeal to the broad community. Some shows such as rock concerts show a very good profit while others gross little or nothing. The Center has a history of breaking even. Some coming attractions are:

Billy Joel	1/20/84	Ice Capades with Dorothy Hammil	2/22-2/26
Globe Trotters	3/23	Barbara Mandrell	3/16
Disney Ice Show		9/84

If you have not signed up please get in touch with Jim Doughty. We need help this week end to tag and stack the trees. If you have any spare time, come on down!!!

Our annual Christmas party will be on 12/14/ Bill Starton will need help for transportation for our guests.

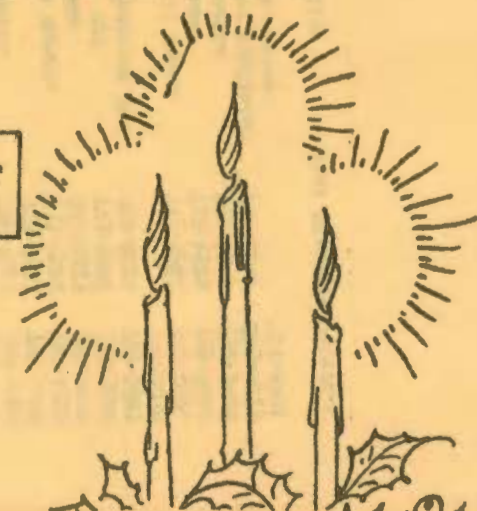

PROGRAM: Program Chairman, Dick Goodine, introduced Ron Emery, who is in charge of the Dale Carnegie courses for all of Maine north of Portland. Ron has been an area representative and teacher in the course for 16 years and was a bank president for 25 years before that. Ron says that we acquire and gather knowledge but we develop skill by using our knowledge and from that use we gain confidence and a positive attitude as well as build our self confidence. He also said that speaking well and communicating ideas has to be learned. Ron defined human relations as the ability to get along graciously with the people with whom we come in contact in business and society. We learn to give and accept sincere compliments graciously. Don't criticize..Don't complain. Ron says that we build up stress within ourselves when we don't take care of our problems promptly. It is the delay that wears us down and drains our strength. I remember well reading the first of Dale Carnegie's books forty years ago. I learned a lot from it which has been very helpful to me over the years.

**CHRISTMAS TREES:** Next load will arrive early in the week of 12/5. The week ends are the busy time for sales. Even if you are not scheduled, if you can spare an hour or two it would be greatly appreciated if you can come down and lend a hand.

**PROGRAM:** Program Chairman, Dick Holden, introduced our Secretary of State Rodney Quinn. Rodney has served in the Legislature for several terms and is now in his third terms as Sec. of State. His talk centered on Maine's very strong Drunk Driving Law. He is spending much time in speaking to service clubs and to all the high school seniors in the State. Drunks kill about 30,000 people in the U.S every year with the most horrible accidents usually involving young drivers. Under Maine's uniform law it is now easier for the police to get a conviction and they are vigorously pursuing the enforcement of the law. The law also provides uniform sentencing so that each court handles cases in the same way. Most people who are convicted once have enough sense not to risk a second one. There are a few real problem drinkers who will continue to drink and drive and the State is having a hard time to solve that problem. Rodney says that, if you are stopped and asked to take a test, it is best if you comply. If you don't, you will be suspended for six months and any other conviction will be tacked on to the end of the first one. At present the State is concentrating on getting across to the teenagers exactly what the new teen law is and what it's penalties are. A fine talk on a very serious subject handled very well by Sec. Quinn.

**MAKE UPS:** On 11/18 at Rockland, Dick Jordan; on 11/18 at Portland, Sam Giftos; on 11/22 at Westbrook, Tony Wagner, Dick Rawlings and Ralph Miller; on 11/22 at Scarborough, Al Boudreau; on 11/29 at Westbrook, Peter Drivas, Duane Rancourt and Bob Carson.

LAST WEEK: (12/7) Meeting opened by Pres. John Henchey; America by Duane Rancourt; Invocation by Ralph Miller; Visiting Rotarians introduced by Jim Doughty; Song by Jim Ferguson--a repeat of last week's "My Bonnie"--can't say that I noticed any improvement.

CHRISTMAS TREES: By the time you read this our last two shipments will be on the lot and this week end's sales will make a big hole in our supply. We need all the help we can get. If you have an hour or so on either Saturday or Sunday please come down. Sales as of 11/7 were just under \$8,000.

CHRISTMAS PARTY: 12/14 we will host our annual party for the old folks. This is handled by Bill Stanton. Let's have a big turnout and show these people a real good time. Price will be \$7.00 per and I'm sure Tony will have a nice meal.

PROGRAM: Program Chairman, Jim Ferguson, introduced Christine McHale who is the leader of the newly formed chapter of the "Guardian Angels". The group numbers 19 people who survived the 3 months of arduous training of a starting group of 112 applicants. They have had intensive physical training as well as instruction in the psychological and legal aspects of the situations in which they can expect to find themselves. They are not an arm of the law and have no power of arrest. They will use violence only to the extent necessary to stop a victim of a crime from being harmed. At present they have only enough people to provide two patrols of eight. They will be expanding their patrol area from the intown Portland area to the outlying districts as soon as their numbers permit. When they come upon a crime they will stop the violence, if any, call in the police or medical help and provide whatever first aid is necessary. They check for open windows and unlocked doors in shops etc. They are not subsidized in any way and pay all their own expenses. They try to provide the young people of the area with an image for good and for the elderly a feeling of security. They are patrolling five nights a week at present and soon will be out seven nights. They try to provide a calming influence in any situation. Their motto is: "Live and let live is fine but Live and help live is better" Certainly a very dedicated group of people and we wish them all success!!!

MAKE UPS: On 11/22 at Sarasota Bay in Florida, Dick Kilroy; on 11/23 at Wells-Ogunquit Peter Drivas. Bob Carson tells me that our attendance for November was the highest we have had in a long time. Let's keep at it.

PROGRAM FOR 12/21: Dick Kilroy has arranged to have Senator George Mitchell speak to us.

WE HAVE TWO TASKS BEFORE US. FIRST A GOOD TURNOUT AT OUR CHRISTMAS PARTY SECOND TO SELL THOSE CHRISTMAS TREES. HELP ALL YOU CAN ON BOTH!!!

### ATTENDANCE 76

This was our Annual Christmas party for the old folks and was, by far, the largest turnout we have ever had. Everyone seemed to have a good time. For entertainment we had the fine singing trio from the Lyric Theater consisting of Ellen Faulkner, Ellen Lefevre and David Coombs. They rendered a number of show tunes, a jazzy arrangement of Bill Bailey and finished up with a sing along of several Christmas Carols. Each of our guests was presented with a gift by the committee. Our sincere thanks go to Bill Stanton and the fellows on his committee and to the large number of our own members in attendance. All in all a very fine evening.

CHRISTMAS TREES: As of Wednesday evening there were only three forlorn trees left on the lot. Dick Jordan reported that he has dismantled the racks and stacked the lumber. He had also raked up the lot.

CLEAN UP: While most of the work on the lot has been done, the lumber and the trailer have to be transported to their place of storage and a crew will be needed on Saturday morning at 9 AM to take care of this chore. If you can spare some time, come on down. It will not take very long.

MAKE UPS: On Dec. 13 at Westbrook, Bob Doe; on Dec. 9 at Portland, Tony Wagner; on Nov. 22, Nov. 29, and Dec. 6 at Gul Beaches in Florida, Frank Hugo. On his make up card of 12/6 Frank Hugo wrote a little note wishing all our members a very Merry Christmas.

PROGRAM FOR 12/21: Dick Kilroy will present Senator George Mitchell. I am sure we will have a crowd for this meeting.

MEETS WED. 6:15 P.M. AT BRIDGEWAY RESTAURANT, SO. PORTLAND

DECEMBER 28, 1983

LAST WEEK: (12/21) Meeting opened by Pres. John Henchey; America by Paul Butler; Invocation by Ralph Miller; Visiting Rotarians introduced by Jim Doughty; Songs by Nick Pappas, "Jingle Bells" twice through, probably Nick's best effort of the entire year!!!

### ATTENDANCE 40

Our Christmas Tree lot was manned from noon to 3 PM this year by several fellows who are past members of our club and three of them were able to be with us for dinner this evening. They are Lloyd Pike, Bill Sherif, and Ralph Strachan. We certainly enjoyed their company and appreciate their efforts on behalf of the club.

PERFECT ATTENDANCE: President John recognized three members for perfect attendance, Paul Butler for 6 years, and Dick Kilroy and Warren Simpson each with 22 years. Dick and Warren are charter members and have never missed a meeting since the founding of our club. Congratulations to all three.

PROGRAM: Program Chairman, Dick Kilroy, introduced Senator George Mitchell who has spoken before our club on several occasions. George is a Bowdoin graduate, was an assistant to Sen. Muskie, a U.S. Attorney and Federal Judge in Maine and was appointed by Gov. Brennan to fill out Sen. Muskie's term when he was named as Sec. of State by Pres. Carter. George won a full term in the Senate last year and is certainly a credit to the State of Maine. The Senator gave a run down on the history of the Middle East crisis, what he sees as the role of the U. S and what he thinks it should be. He commented on our efforts to conserve oil and said that much more conservation is needed and that we should be doing much more in the area of alternative fuels such as nuclear and solar research. He feels that the U.S. should realize that we are no longer the only big force in the world and we should step back and allow the other countries of the world to take part in the many touchy situations that arise continually. Regarding the large Federal deficit George proposes that we hold the line on domestic spending for three years, greatly reduce proposed defence spending increases, and defer the third year tax cut. He says that this would reduce the deficit by 60%. George knows that this is idealistic and that some compromise will have to be worked out. This will be hard to do in 1984 what with the elections coming up. It is always a pleasure to have Senator Mitchell with us and we look forward to welcoming him again soon.

MAKE UPS: On 11/30 at Biddeford-Saco, Lin Beck; on 12/14 at Biddeford-Saco, Lin Beck and Carroll Beck. Thanks Much.

PROGRAM FOR 12/28: Dick Kennedy will present Stephen Plunkhard of The Caven-dish Partnership who is conducting the Millereek Design Study.
