LAST WEEK'S PROGRAM

Al Rowe introduced James Egan the coach of the Cape Elizabeth Hockey team. The Cape hockey team is the recent winner of the class "C" championship.

Dedication and hard work made the team pass all expectations. Five seniors will be lost next year but the bulk of the team will be back working to equal this year's record.

Coach Egan brought three of the players - Robbie Packer, Tim Hooper and Roy Aubrey.

THIS WEEK'S PROGRAM

Duane Rancourt will introduce Peggy Libby who is the Associate Director of The Pine Tree Society for Handicapped Children and Adults. She will talk about the services the society provides for the handicapped and about their camp which is located in the Belgrade Lakes region of Maine.

CLUB SERVICE MAKES GOOD COPY

Our club bulletin belongs to all of us -- and all of us can do our share to help and keep it interesting and informative. The next time a fast-breaking news story comes your way, or you hear of something that would fit nicely into our bulletin -- pass it along or write up the story, yourself. But don't get too enthused or next year we'll make you the editor of this bulletin.

PROPOSED NEW MEMBER

Jim Kupel of 66 Ocean Avenue, Scarborough has been proposed as a new member of the club. Jim is a free lance writer and his classification would be Writing - Commercial Research. Notify the secretary of any objections by April 6th.

STARLIGHT FOUNDATION

Dick Rawlings informed us about the Starlight Foundation. It is dedicated to granting wishes to chronically and terminally ill children.

On April 21st there is a dance at the Holiday Inn from 7 to ? The cost of tickets is \$6 and there will be a cash bar. The entertainment is DEVONSQUARE. All proceeds will go to this worthy cause.

SINGING

Last week saw the first ever leading of singing by John Henchey. There is no truth to the rumor that John will be going on a Rotary Club tour similar to the multi-city Michael Jackson tour of last year.

THE ROTARY EMBLEM

Rotary's early emblem was a simple wagon wheel in motion with dust representing "civilization and movement". It was designed in 1905 by Montague M. Bear of the Chicago Club. Most of the early clubs adopted the wheel in one form or another.

The present wheel with 24 coos and six spokes was adopted in 1923. The keyway was also added to signify that the wheel was a "worker and not an idler".

On the address area of this issue you can see the evolution of the Rotary emblem.

STRANGE LOOKING TEXT

There was a malfunction on the printer that was used to print this bulletin. The decenders of certain letters have not printed properly. IE the letter that follows x looks like a v.

Please submit details of your program in advance for inclusion in Two Lights.

Paul Butler, who is in charge of assignments for program chairmen, estimates the beginning of the Pine Tree Society for Handicapped Children and Adults. She outlined the services the society provides for the handicapped and told about their camp which is located in the Belgrade Lakes region of Maine.

ATTENDANCE We were ranked 15th out of 69 clubs in District 799 for the month of February with 85.2% attendance level.

DIRECTOR'S MEETING

The directors approved the sponsorship of a camper at the Pine Tree Camp for the handicapped. The cost of \$720 will be used to send someone from our area for two weeks.

Channel 8 - WMTW newscaster Miss Cynthia Fordor. Miss Fordor was a recipient of a Rotary grant and spent a year in Europe. She will be talking about her experiences during that year.

COMMUNITY SURVEY

Dick Rawlings still has to fill seven slots for the April 27th survey the club is taking in the community.

APRIL IS MAGAZINE MONTH

Each and every month, THE ROTARIAN Magazine, in English, and its Spanish-language counterpart REVISTA ROTARIA, aided by 23 regional magazines, bring the world of Rotary right to your door in page-after-page of interesting, informative, and thought-provoking articles.

During April, which is Magazine Month, we should recognize and acknowledge the important part that the magazine plays in the life of Rotary.

Since 1911, Rotary's official magazine has been helping to keep the network of Rotary strong, speaking directly to Rotarians in all parts of the world.

Every month, THE ROTARIAN does something for us; in April let's be sure to do something for it.

Also remember to bring in your copy if you are finished with it. Some of our newer members are not yet on the mailing list.

DEADLINE FOR PROPOSED ENACTMENTS TO COUNCIL ON LEGISLATION IS MAY 1ST

Clubs are reminded that May 1st is the deadline for receipt by the General Secretary of proposed enactments to be considered by the next Council on Legislation, which meets in Chicago in February 1986.

A proposed enactment is a suggested amendment to the R.I. Constitution or By-laws or the standard Rotary Club Constitution.

STARLIGHT FOUNDATION CONCERT

Last week the April 21st concert by Devonsquare was reported as a dance instead of a concert. Tickets are \$6 and available from Dick Rawlings.

SPECIAL OLYMPICS

A few weeks ago Mickey Boutilier spoke to us about the Special Olympics Program. They need timers, scorers, huggers, recorders, starters, etc. for the track and field program at Bowdoin College, Football Field, Brunswick. This will be on April 30, from 9am to 1pm. No need to sign up. Just show up and report to the director Elaine Prindall.

TWO LIGHTS DEADLINE

The deadline is Wednesday night but earlier will insure inclusion.

CALENDAR OF EVENTS

The deadline to get an item in the calendar is the third Wednesday of the month.

Don't wait to the last minute the editor can take items a year ahead if you want!

ROSTER NOT A FIXTURE

Save this issue of TWO LIGHTS with the Roster because it may not appear again for several issues.

HIGH SCHOOL GUESTS

Jim Rowe introduced Emily Wilson and Bob Whelan both of South Portland High School. Emily is the editor of the newspaper and is interested in ultimately pursuing a career in writing. Bob, a member of the basketball and tennis teams, is also interested in pursuing a career in writing or broadcasting.

ROTARY INTERNATIONAL THE YEARS 1905-1915

Rotary's first ten years were a quest for acquaintance. The efforts of a young lawyer to find a small and friendly world inside a huge and indifferent city led to his discovery that there were many others in the need of friendship. Three years after Paul Harris and three friends founded the Rotary Club of Chicago in 1905, a second Rotary Club was established in San Francisco. The next year three more clubs were established on the west coast and another in New York City. In 1911, Rotary became international with the founding of a club in Winnipeg, Canada, and in 1912 crossed the Atlantic to form clubs in London, Dublin, and Belfast. By 1915 there were more than 180 clubs in eight countries with a total membership of nearly 21,000.

The early members' volunteer spirit soon led them into many kinds of community projects and then, in a natural progression, into service to

other communities in need. As early as 1913, the 50 Rotary Clubs then in existence contributed \$25,000 for flood relief in two U.S. midwestern states.

DISTRICT ASSEMBLY

The assembly is on Saturday at the Sheraton Inn, South Portland. Registration is from 8 to 8:30 am with the General Session starting at 8.30 am to 4 pm.

In the evening there will be a dance to celebrate the 70th anniversary of the Portland Rotary Club. Members are encouraged to attend - see Bob Carson about this event.

THE ROTARY FOUNDATION

The Rotary Foundation has been called Rotary's chief agency for international service. The Foundation - which is dependent entirely on voluntary contributions sends about 1,000 young scholars abroad each year. It also enables teams of young professionals and business persons to study and explore business and professional life in other countries, and it funds the Health, Hunger and Humanity (3-H) program of Rotary International. In fact, since 1947, The Rotary Foundation has disbursed more than \$100 million in international scholarship and other programs.

All these and other activities of The Rotary Foundation - as well as its history and development - are set forth in one of the volumes in the Rotary Basic Library (R.I. publication 920). This compendium of Rotary information is recommended for reference, ideas, inspiration, and a better general understanding of Rotary and its work in the modern world.

The set comprises seven volumes - Focus on Rotary, an introduction to the entire subject, one on each Avenue of Service (volumes 2 to 5), volume 6 on Youth Activities, and volume 7 on The Rotary Foundation. Each of the volumes is indexed for easy use and may be purchased as a set or separately. The set can also be borrowed from the Club. Anyone wishing to borrow this set should see Jim Doughty or Bob Carson.

UPCOMING DIRECTOR'S MEETING

There will be a Director's Meeting at 5pm on May 15, at The Purpoodock Club. One of the items to be discussed will be the results of the survey taken on Saturday April 27.

All members are welcome to attend and to bring up any matter, ideas or concerns to the Board of Directors at their meeting.

LAST WEEK'S PROGRAM

Because of the extended part of the business meeting relating to the District Assembly and probably the Maine Mariners playoff game the program was postponed to another time.

TWO WEEK'S AGO

Jim Rowe introduced our own Larry Carey who as part of the program of Rotary information showed a film that was produced by the Berkley Rotary Club about the Secretariate of Rotary in Evanston, IL.

This office and six branches throughout the world serves the needs of the 22,000 clubs and 1 million members with publications, advice and many other services. The staff represents 40 nationalities and speaks 32 languages.

Larry was presented with an 'ad hoc' cup in lieu of the usual gift given to the speaker.

THIS WEEK'S PROGRAM

Bill Stanton will introduce Fred Bickell. Mr Bickell is a resident of New Jersey and an executive with over 30 years service with Exxon. The program will be about offshore drilling and how it relates to the Georges Bank.

FOUR MILE ROAD RACE

The Windham Rotary is sponoring a four mile road race on May 11 at 10 am. The entry fee is \$4 and an application can be had from Jim Doughty.

NEW MEMBERS

Two weeks ago Michael N Davis of 206 Spring St, Portland was introduced by Ralph Miller.

Mike is a graduate of Ohio State and was the Director of International Finance for the State of Ohio.

He is now employed by the state of Maine and his job is to help local business to expand their business into foreign markets. His Classification is Government, International Trade.

Sam Giftos introduced Jim Kupel of 66 Ocean Avenue, Scarborough who became the newest member of the club last week. Jim is a free lance writer and his classification is Writing - Commercial Research.

Rotary International is fast approaching one million in membership. Could one of these new members be the millionth or could it be the next one sponsored by you.

Sam pointed out that a change has taken place regarding where members can reside or work. They can come from adjacent communities as well as the communities of Cape Elizabeth & South Portland. This opens Portland, Scarborough and Westbrook as sources of membership.

LAST WEEK'S PROGRAM

Bill Stanton introduced Fred Bickell an executive with Exxon. Fred showed us a film that was critical of the government placing a moratorium on off shore oil leases. Environmental concerns are the primary reason but according to Fred major oil spills don't have a lasting effect on the environment. The Santa Barbara spill of a few years ago and huge oil tanker losses during World War II have not had a lasting detrimental effect.

SURVEY REPORT

Dick Rawling gave a preliminary report on the survey recently conducted by the club. It seems that we are in need of some public relations work to get out the story of Rotary in Cape Elizabeth and South Portland.

GRANDAD IN THE HIMALAYAS

Harold Fralich became a grandfather recently and we all new probably before him. Harold is on the 'roof of the world' and Paul Butler made the announcement and paid the Happy Buck.

APRIL DIRECTOR'S MEETING

The following requests were given favorable votes.

\$720 to the Pine Tree Society for Crippled Children to a full campership for one person for two weeks.

\$100 to the South Portland Boy's Club to support two youngsters in their program for a year.

\$1500 to the City of South Portland toward the purchase of a lighted fountain in Millcreek Park.

Harold Fralich was voted to be our Club's nominee for District Representative to RI council on legislation.

KANSAS CITY DELEGATE APPOINTED

**NEW EDITION OF ROTARY BASIC LIBRARY
JUST OFF THE PRESS**

The 1985 edition of the popular Rotary Basic Library is now available. This 700 page, seven volume mini- encyclopedia covering the four avenues of service - Youth Activities, The Rotary Foundation, plus an overview of Rotary - has been revised to include new programs and procedures that have been incorporated into Rotary since publication of the first edition in 1982. Our club has ordered a set and it should be available shortly. The 1982 edition is available now. If you want to borrow it see President Jim. You could order your own copy for \$14.50 (No. 920-EN).

BANNER DISPLAYS

Wendy Carey & Sophie Kourakos combined their talents to create large banners made up of the banners that members exchange with other clubs. Two of these were on display last week. Larry Carey said there was six others which will be displayed on a rotating basis. Larry would like to here from anyone who knows the origins of the tradition of exchanging these small mementos.

PASSING THE MESSAGE

Playwright George Bernard Shaw, when asked about Rotary, gibed: "It's going to lunch and that is as far as it will get..."

"No wonder!" remarks British Past District Governor Keith Gledhill, who has served on R.I.'s Public Relations Consultative Committee. He notes that many of the traditional Rotary signs along raodsides and at club meeting sites don't tell the public more than where and when the club meets to eat.

Many of these signs are in a sad state of disrepair including the one on route 77 opposite the Pond Cove Shopping Center.

Bob Bogosian, who presented a program on public relations at the recent District Conference, will be invol in publicity and promotion for the club. He will be filling a vacuum that has existed for some time.

EDITOR'S LAMENT

LAST WEEK'S PROGRAM

Bill York introduced two gentlemen for last week's program.

Dana Anderson, South Portland's Parks and recreation Director, gave us a report on Hinkley Park on Highland Avenue. It is now in use and covers 27 acres. He brought with him a plaque that recognizes our contribution to the park. Our effort in this park dates back to 1978.

Eban Reichert, the former Planning Director of South Portland and now involved with his own consulting firm, was the second speaker. In two years time we will not recognize the Knightville area. The are plans to plant trees, shrubs, rehabilitate sidewalks and encourage housing rehabilitation in this area.

A fine program at short notice by Bill York. Bill's continuing repartee made one memeber wonder out loud why Bill didn't get the usual gift of a Rotary cup that we gave to our official speakers.

THIS WEEK'S PROGRAM

Randy Nichols of the Maine State Police will be introduced by Dick Yerxa.

We will be getting an update on various aspects of law enforcement.

DIRECTOR'S MEETING

Dick Rawlings reported that there was about 250 replies to the survey. The biggest problem we as a club have is an identity crisis. Dick will be making a more in depth report soon on all the conclusions that can be drawn from the survey.

TWO LIGHTS DEADLINE

The deadline is Wednesday night but earlier will insure inclusion.

At the recent district conference I attended a session that was primarily involved with bulletin editors. They suffer from the same problems that I have. Too much writing and not enough editing. If you have anything to contribute to TWO LIGHTS please write it down and sent it or give it to me. Don't worry about how it looks. Put it on paper!

PAUL HARRIS FELLOWS

Upon the death of Paul Harris, the founder of Rotary, in 1947, Rotarians contributed \$1.3 million to The Rotary Foundation in honor of Rotary's founder. These generous donations provided the financial support that enabled the Foundation to grant 18 Graduate Scholarships - its first significant International Service program. Today, those who continue this tradition of honoring Paul Harris by contributing \$1,000 - or for whom \$1,000 is donated in their honor or memory - are designated Paul Harris Fellows. By the early 1980's there were more than 75,000 Fellows in 120 countries. Prominent among them were Pope John Paul II; Mother Teresa, of Calcutta, India; former U.S. President Gerald R. Ford; H.R.H. Prince Philip, Duke of Edinburgh; Dr. Jonas Salk, developer of the Salk anti-Polio vaccine; Pele, world renowned soccer player; dignitaries, and many heads of state. Our club has 4 fellows. They are recognized on our roster.

Persons may also contribute toward the required \$1,000 over a period of ten years as part of the Paul Harris Sustaining Member plan, initiated by the Trustees of The Rotary Foundation in 1968.

LAST WEEK'S PROGRAM

Trooper Randall Nichols of the Maine State Police was introduced by Dick Yerxa. Randy is a seven year veteran of the State Police. He is a former editor of THE MAINE TROOPER. He was recently appointed to the position of Community Relations Officer.

The main points of his program was on drunk driving and the use of seat belts. There are 50 less troopers on the road today compared with 20 years ago. Change in problems such as child abuse and drugs have re-allocated resources to these areas. Less than half of the force of 300 are in uniform. With no more than 40-50 on the road at one time because of holidays, vacations etc. and 24 hour coverage.

231 fatalities - 55% alcohol related - and only 13 seat belts worn. The message was clear **DON'T DRINK & DRIVE and BUCKLE UP!**

THIS WEEK'S PROGRAM

Paul Butler is this weeks program chairman and he will be presenting a program about the 1984 Los Angeles Olympic Games

Part of the presentation will feature Joan Benoit. Joan won the Woman's Marathon that was run for the first time as an olympic event for women only.

YOUR ROTARY LOAN

When you were recommended for membership, Rotary loaned YOU the classification by which you are identified. Like other loans, this one carries an INTEREST charge. Unlike other computation of interest, however, the HIGHER rate, the GREATER the benefits.

Interest is payable by regularly attending all of your club's meetings, and through SERVICE to fellow Rotarians, your community, and all other communities throughout the world.

Interest is compounded annually and paid in tokens of fellowship, in thought and deed, in your business and social life, and in the development of respect of others, for that IDEAL which we know as Rotary International.

The penalty for default is severe; it is the loss of benefits, and the recall of the loan by Rotary.

COMMUNITY SURVEY

by

Dick Rawlings

On April 27, 1985, our Rotary Club conducted a community survey throughout Cape Elizabeth and South Portland. We had members located at the transfer site and IGA in Cape Elizabeth, Shaws and Shop 'n Save in Mill Creek, and Shaws in the Maine Mall area. The purpose of the survey was to get feedback from citizens in the community as to what they felt were problems that existed, services needed, and overall unmet needs in both communities. We also asked people what they liked best about their community, their perception of what a service club should do and what knowledge they know about our Rotary Club.

I think we were surprised to learn that most people know very little about Rotary, and even less about what Rotary does. People aren't too familiar with what we do even after much effort we have put into the two communities.

Although the results of the survey are by no means scientific, we did elicit some very thoughtful comments and concerns from many. It seems that most people feel the communities are not providing enough for our young people in the form of recreation services and programs to keep them involved. The same can be said for our senior citizens. Both communities feel that their roads are in pretty poor condition and would like some concerted efforts to get them in shape. Hopefully in the future we will be able to zero in on some of the needs that are in line with the goals and objectives of Rotary. That was the intended purpose of the survey.

LAST WEEK'S PROGRAM

Carroll Beck introduced Lt. Vail who is the supervisor of the Southern District of the Maine State Inland Fisheries and Wildlife Warden Service Program.

Since moose hunting was allowed a few years back there has been much controversy about the hunt including a referendum to ban moose hunting which failed. National interest was focused on the referendum. There is a declining number of hunters in the United States. There are 1000 permits - 900 for State residents and 100 for non-residents - issued each year and 850 moose will be harvested in this hunt. The herd is about 20,000 and could stand 4,000 hunted each year and the herd would remain the same.

Other game that is of concern are deer and bear. The bear population is on the increase since the spring bear hunt was eliminated some time ago. The population is in the 10 to 20 thousand range.

FAMILY DAYS AT THE CAPE

Alec Livingston made an announcement about the Cape Family Days Project. We will be selling fried dough again this year and we hope to have an arrangement about the supply so we will not run out of this product as we did last year. We will not be involved in the Spring Point Festival or Art in the Park this year. This will be our only summer project.

In addition we will be selling cold cut sandwiches, soda and coffee.

The shifts are 2pm to 4pm, 4 to 6, and 6 to 9. Most slots that need to be filled are the 6pm to 9pm shift. If you have not signed up call Alec and volunteer.

KANSAS CITY DELEGATES RETURN

Sam Giftos and Bob Doe and 13,998 other Rotarians attended the convention in Kansas City. Sam was sporting a number of decorations on his chest.

THE POSITIVE SIDE EFFECTS OF INTERNATIONAL SERVICE

Whether you become involved in a World Community Service project to help the victims of famine or drought, host a Youth Exchange student to enable a young person to study in foreign land, or give of your time as a 3-H volunteer to help those who suffer from poverty and disease, you will find that in addition to the benefit derived from the service that you render, you have created a greater feeling of understanding and goodwill. These are positive side effects of International Service.

LAST WEEK'S PROGRAM

Dave Bagdasarian was program chairman and introduced U. S. District Attorney Richard Cohen.

The theme of Mr. Cohen's talk was about the illegal drug problems in the United States and specifically how it effects us here in Maine. He gave us some startling facts about the problem and how it goes beyond the drug users and effects us all.

Revenues top \$79 billion - Exxon alone is the only organization that has larger revenues. Half the inmates in jail were drug users and a survey of 243 drug users committed over a half million crimes - more than 2,000 each!

REPORT ON DIRECTOR'S MEETING

At the Director's meeting on May 15th the Board took the following actions:-

Boy Scout Troup #26 awarded \$150 to sponsor James Greenleaf to attend the Boy Scout Jamboree at Fort A P Hill in Virginia.

Donated \$250 for a YMCA Otter Pond Day Camp Scholarship.

Donated \$100 to each of the following:
Cape Elizabeth Little League
Project Graduation South Portland High School
Cape Elizabeth Non-alcoholic Senior Party

We have done our part in realizing the one million member goal by June 30th. The average Rotary Club is about 48 members and a net gain of two during the year was a fair share. The last few months have seen a loss of four members and an addition of twelve new members. A net gain of eight!

Here is an interesting thought - if the average Rotary Club is 50 members and loses the average number of members of five and these lost members have an average age of 50 they must be replaced with members of an average age of 41 if the club does not want the average age to increase.

FAMILY FUN DAYS AT THE CAPE

Alec Livingston is coordinating the Cape Family Days Project where we will be selling food for the third straight year on June 22nd. We will be selling fried dough again this year and we will have an arrangement about the supply so we will not run out of this product as we did last year. This will be our only summer project.

In addition we will be selling cold cut sandwiches, soda and coffee.

The shifts are 2pm to 4pm, 4 to 6, and 6 to 9. If you have not signed up call Alec at work 799-5541 or home 799-7149 and volunteer. You can also show up with out being signed up because an extra pair of hands can usually be put to use. There is a vacant slot 6 to 9. Help is also needed for cleanup Sunday morning.

Anniversaries and birthdays of members are displayed in this monthly calendar as well as other important items that involve our club. Make sure you get these items to the editor by this week for the July calendar.

MEMBERSHIP ROSTER

The Roster is usually updated when a change takes place. Because it is stored on a computer making changes is very easy. If there is an error with your listing please let Doug Stewart know about it so it can be corrected.

THE LAST WORD

There is nothing so wretched or foolish as to anticipate misfortune.

LAST WEEK'S PROGRAM

Bob Bogosian introduced himself as the speaker. Bob explained about Telemarketing as a method of increasing sales. Ventrex Laboratories, Bob's employer, uses WATS telephone lines and 5 employees assisted by a computer database to make sales calls for far less than it would cost to put a salesman on the road. Salesmen's calls can cost up to \$125.

Cold calling is very difficult and sales leads must be developed to have Telemarketing succeed. Bob, who is very enthusiastic about Telemarketing, extended an invitation to any member that is interested in this method of sales to visit his place of business and get more information.

THIS WEEK'S PROGRAM

President Jim will be giving a summation of the activities that took place during this past year he was president.

PROPOSED NEW MEMBERS

Thomas J Hennessy of 3 Oakwood Road has been proposed as a new member of the club by Larry Carey. Classification would be Real Estate, Appraisal.

Also Terrence Bagley of Eastern Promenade, Portland has been proposed by Jim Rowe. He is employed by Merrill Lynch and his classification would be Securities.

Notify the secretary of any objections by June the 29th.

NEW MEMBER

Bill Stanton introduced our newest member F Bruce Sleeper.

Bruce is a graduate of the University of Michigan Law School and resides with his wife Jody at 153 Wythburn Road, South Portland. Bruce will have the classification of Law - Bankruptcy. He is associated with the firm of Jensen, Baird, Gardner & Henry.

NEW ORGANIZATION CHART AVAILABLE

Copies of the 1985-1986 South Portland - Cape Elizabeth Organization Chart will be available at the sign up table. All members should take one for ready reference. You should know your Officers and Directors and their responsibilities for each Avenue of Service.

FROM PRESIDENT-ELECT BOB CARSON

I would like to urge each member to examine the organization chart that will be available at the sign up table and choose a committee on which he would like to be involved. Directors Jim Rowe, Alec Livingston, Martin Donovan, and Ralph Miller will be attempting to line up committee chairmen for their primary committees.

I hope that each of you will consider supporting the directors and the club when you are called upon. If you have a special interest area, please let me know and we will pursue it. Cooperation is necessary in order for us to have a successful Rotary year.

Bob

REPORT ON DIRECTOR'S MEETING

On June 11th the Directors set the dues for next year. They will remain at \$100 where they have been for several years. In addition there will be an additional assessment of \$15 to partially fulfill our obligation to the District in being the sponsoring club of this year's District Governor.

A weekly raffle or auction will be held under the responsibility of the Director of Club Service Jim Rowe with the proceeds dedicated to fulfilling the remaining obligation to the District in being the sponsoring club of the District Governor. Jim will have more details about this soon.

The initiation fee for a new member was increased from \$27.50 to \$35.00.

LADIES NIGHT

Mark down July 31st for Ladies Night. This will be a cookout at the Purpoodock Club.

COST OF BELONGING TO ROTARY

In a recent issue of THE ROTARIAN it was reported that the average cost world wide of belonging to Rotary is 1.8% of annual income. If you assume 85% attendance at our meetings at \$6.50 per meeting and the dues and special assessment you come up with a cost of \$402.30. That would be 1.8% of \$22,350. So if you are earning more than \$22,350 you are below the average cost of belonging to Rotary!

Dick Kilroy, who recently brought back a banner from Rome Rotary Club, informed us that the Rotarians in the Eternal City pay \$18.00 for their lunch time meetings.
