MESSAGE FROM THE PRESIDENT

LAST WEEK'S PROGRAM

President Jim gave us a summation of the activities that took place during the 1984-1985 Rotary year he served as president.

In July 1984 the membership of the club was at 43 and we had a goal of 52 at the year end. We ended the year with 53. Although it did not yield many members the membership competition was a great educational tool in member awareness and resulted in 17 new members. Seven members terminated their membership.

Lack of Rotary information to the members was another problem area that was cured in part by a much improved club bulletin. A member questionnaire provided provided guidance to the leadership in running the club.

Attendance fell short of desirable goals. The club had a high of 90.34% and a low of 79.52% in the monthly rankings. That out at us 8th and 22nd respectively in a group of 64.

\$13,600 was dispersed from the treasury for many worthy projects and causes. A complete financial statement will be presented in the near future.

President Jim mentioned many members by name that were of a great help to him and the club in his year as president.

PLAQUE PRESENTED TO CLUB

Maxine Brady, Executive Director of the Maine Safety Council, presented a plaque to President Jim recognizing the club's involvement in the 'Drinking, Driving & You' program that was presented at the Cape Elizabeth and South Portland high schools.

BOARD OF DIRECTOR'S MEETINGS

Board meetings will be held on the first Tuesday of every month during the 1985-1986 Rotary year. The next meeting will be held on August 6th at Bob Carson's home at 36 Trundy Road, Cape Elizabeth. The meetings will start promptly at 7:30 pm and are expected to last two hours. All business decisions of the club will be made at these meetings. Any member of the club is welcome to attend to make a presentation or provide input towards a particular matter or concern. All members of the board are requested to be present. A comprehensive report of each board meeting will be published here in TWO LIGHTS.

I am pleased to announce that Jack Roberts will be assuming the VOCATIONAL SERVICE DIRECTOR position. Jack will be taking Martin Donovan's place on my board. Vocational Service deals with: Employer-employee relations; The 4-Way Test; Career Information for Youths; and Trade and Professional Relations. If you have a particular interest in this area, please contact Jack so that he can get you on his committee.

President Bob

SUCCESSFUL CAPE FUN DAY

The fried dough affair made about \$800 and involved 35 for our 55 members. Tony Wagner, Alec Livingston and Alan Leathers were the organizers of this money raising event that was very successful.

NEW GOVERNOR TAKES OFFICE

Our own Sam Giftos takes over as Governor of District 779 for this 1985-1986 Rotary year.

Sam reminds us that ROTARY meets weekly not just to eat but to share each others fellowship and discuss how they can serve others. Every hour of every day a Rotary Club meets somewhere in the world.

HERE COMES BREAKFAST

In keeping with past years the Scarborough Rotary Club will be switching to breakfast meetings for the summer on July 9th. Their meetings are at Charlie's Restaurant at 6:45 am. and there will be no programs for the summer.

TWO LIGHTS DEADLINE

The deadline is Wednesday night but earlier will insure inclusion.

CALENDAR OF EVENTS

Anniversaries and birthdays of members are displayed in this monthly calendar as well as other important items that involve our club. Make sure you get these items to the editor by July 24 for the August calendar.

THIS WEEK'S PROGRAM

New officers will be installed for the 1985-1986 Rotary Year. Joining President Bob Carson will be Vice-presidents Dick Pyne and Larry Carey, Secretary Dan Mooers and Treasurer Bill Kourakos.

Directors Jim Rowe, Alec Livingston, Jack Roberts, Ralph Miller and Jim Doughty and Sargent-at-Arms Duane Rancourt make up the rest of team that will be running the club during 1985-1986.

FLAGS AND BANNERS

President Bob Carson, Secretary Dan Mooers and Sam Giftos the new District 779 Governor attended the District Conference held in Quebec this past weekend. One of District Governor Marcel Morrissette's last acts was to present each of the U.S. clubs in our District with a Canadian flag. We are looking for a flag pole so that we can display this flag at each meeting.

Another final act at the Conference was the presentation to our club of the District Governor Host Club banner. This banner will also be on display at our meetings throughout this Rotary year.

A ROTARY YEAR TO REMEMBER

In 1954-55, Rotary International moved into its headquarters building in Evanston, IL. Rotary commemorated its golden anniversary with the book, Rotary - Fifty Years of Service, a motion picture, The Great Adventure, and special presentations at the convention. Postage stamps marking the anniversary were issued by 27 countries. The fifth regional conference for the European, North African, and Eastern Mediterranean region was held in Ostend, Belgium. Herbert Taylor became Rotary International President; The Four-Way Test was assigned by him to Rotary, and Rotary entered four new countries - Ethiopia, Malawi, Turkey, and Zaire Republic.

LAST WEEK'S PROGRAM

After being a member of Rotary for 15 years Bob Carson took over as president of the club. Bob has served the club as sergeant-at-arms, secretary and vice president in the past.

Bob set some goals for the club for this coming year and they are realistic goals. Twelve months from now we should have 60 members. Improvements in attendance are needed - 90% is not unobtainable. We need to improve the public's knowledge about our club and possibly sponsor an Interact Club. Bob wants new members to be involved with club projects and committees and believes we can increase the funds we raise to \$15,000.

A large turnout of our members at the convention at the Balsams in June 1986 when we are the host club would be a perfect ending to the year as the last goal to be met.

New officers were installed for the 1985-1986 Rotary Year. Joining President Bob are Vice president and President-elect Dick Pyne and Vice president and President-nominee Larry Carey, Secretary Dan Mooers and Treasurer Bill Kourakos.

President Bob also introduced directors Jim Rowe - Club Service, Alec Livingston - Community Service, Jack Roberts - Vocational Service, Ralph Miller - International Service, and Jim Doughty - Advisor to the Board.

Sergeant-at-Arms Duane Rancourt, Program Chairman Paul Butler and TWO LIGHTS Editor Doug Stewart make up the rest of team that will be at the helm of the club during 1985-1986.

THIS WEEK'S PROGRAM

Nick Pappas is program chairman this week. We did not have details of the program at press time.

ANNUAL DUES

Secretary Dan Mooers reminds us that the dues are payable now. Please send them to the address printed overleaf or bring them next Wednesday. Dan thanks you in advance for your cooperation.

CANADIAN FLAG NOW DISPLAYED

One of District Governor Marcel Morrissette's last acts was to present each of the U.S. clubs in our District with a Canadian flag. Bob Doe donated a pole so that we can display the Canadian flag at each meeting and remind us of the international makeup of our District 779 as well as the international aspect of Rotary.

NEW GOVERNOR TAKES OFFICE

Our own Sam Giftos takes over as Governor of District 779 for this 1985-1986 Rotary year. Sam has already hit the trail to visit all 64 clubs in the District. On July 3rd he reported he had already visited two since taking office on July 1st!

Sam also announced that the District 779 secretary was Bob Carson, Harold Fralich will be the representative from the District for legislation and Bill Kourakos will be chairman of the District convention at the Balsams, June 19th - 26th, 1986.

WEEKLY RAFFLE DEBUTS

This Rotary year looms big in the history of our club. We are honored to have one of our members, Sam Giftos, governing our District. We are also host club for the 1986 District Conference to be held at the Balsams next June.

In order to defray some of the costs associated with these distinctions, the Board of Directors hopes to raise money internally.

One project currently underway is a weekly raffle - drawing - auction. Each member, in turn alphabetically, will be asked to provide an item of non-specific value to raffle or auction at each meeting. Some suggestions are tickets to ball games, shows, or gift certificates for dinner.

Jim Rowe kicked off the weekly raffle by donating last week's prizes. Jim brought a tape of his 1967 attempt to win a state wide singing contest, a cassette of his All Time Great Hits and a golf ball that survived 18 holes of golf to offer as prizes. Realizing that those prizes might not sell many tickets he also brought a copy of The Double Man by Senators Cohen & Hart which was won by Jim Doughty, and Dinner for Two at the Snow Squall which was won by Larry Carey.

Upcoming raffle donors:

ROTARY RECRUITMENT AREA by Peter Drivas

LAST WEEK'S PROGRAM

Nick Pappas introduced Thatcher Turner, the president of the Maine Chamber of Commerce. Mr Turner gave a summary of the program of the Maine Chamber of Commerce.

Basically it acts on the behalf of business and lobbies the legislature and the governor about legislation that has an effect on business.

Worker's Compensation has been a big issue in which business where an effort to reduce costs and benefits has been underway for a few years. Another issue that the Chamber has been involved is the Community Right-to-know Legislation which involves chemical and potentially hazardous items kept in the workplace.

THIS WEEK'S PROGRAM

Al Cardente is this weeks program chairman. He will be introducing Henry Noring. Mr Noring among many things is an architect, Patron of the arts and an appraiser of antiques. He teaches an antique study class and is an informed historian of the Portland area.

UPCOMING PROGRAM CHAIRMEN

JULY 31.....Ladies Night

Please inform the editor about your program so it can be included in TWO LIGHTS. Also please remember to tell your speaker that we adjourn at 7:30. A twenty minute presentation is about the correct length.

DUES DUE TO DAN

Secretary Dan reminds about 1/3 of our members to send their dues into him by the end of the month.

WEEKLY RAFFLE

Last week's prize was a 50/50 pot. \$18 was won by one of our visitors, Bob Patton, from Portland.

Upcoming raffle donors:

JULY 17.....Carroll Beck
JULY 24.....Dave Bagdasarian
AUGUST 7.....Bob Bogosian

A few weeks ago Governor Sam Giftos explained that the rules of Rotary have been changed so that we can recruit members from adjacent communities. As well as Cape Elizabeth and South Portland we can recruit from Portland in the North, Westbrook in the West and Scarborough in the South. Sam made no mention of the East.

2,786 nautical miles to the east brings us to the town of Perpignan, Pyr-Orient France where you will find the first sign of a Rotary club to the east of Purpoodock. In fact there are two clubs - Tuesday 12:00 at the Hotel Rallye and Thursday 12:30 at Restaurante Majorca.

The race is on. Are we going to recruit and obtain a member in France or are we going to let them beat us and have a Cape or South Portland resident join one of those clubs?

ERROR CORRECTION DEPARTMENT

A typographical error crept into the Internal Budget printed last week. The first line should have read \$5,000 and not \$1,500 as income from dues.

VOLUNTEERS FOR WCBB-TV

President Bob asked for and got 10 volunteers to man telephone during the August fund raising week at PBS television station WCBB

They will be on the air on Saturday August 24th and ready to take a pledge from the rest of us that night.

DISTRICT CONFERENCE SAVINGS PLAN

Bill Kourakos is chairman of this event which will be held next June at the Balsams. Bill explained the need for a good turn out of members.

Dick Pyne explained a plan to soften the bite of attending the Conference which could cost \$200+ per day. Being the home club of District Governor Sam Giftos we are also the host club and it is expected that many members will attend. Members can save a sum of money each week and Dick will have it put in a savings account.

This will soften the expense of participating in the convention. Interest earned on the money will be used to finance a hospitality suite at the conference.

LAST WEEK'S PROGRAM

Al Cardente was last week's program chairman. He introduced Henry Noring who is among many things, an architect, patron of the arts and an appraiser of antiques.

1876 was the year that serious collecting began in the United States. Some prices of items have risen astronomically. A painting that was worth \$5,500 in 1938 was recently valued at \$300,000. Oriental rugs are a favorite with Germans. The number per family has risen from a pre-war 3.5 to 5.3.

Portland Glass Company was a producer of collectable glass for a ten year period in the 1860's. This company closed up because of price competition and high transportation costs.

TWO WAYS TO RUIN AN ORGANIZATION

Never accept an office of the club as it is always easier to criticize others than to do things yourself.

When appointed to a committee, never give any time or service to the committee.

LADIES NIGHT JULY 31ST

Chicken, steak and BBQ ribs are on the bill of fare for the July 31st ladies night. Price is \$10 per person and you should sign up this week.

The Rotary Foundation seeks to promote international understanding, goodwill and peace in practical, realistic terms.

Special Grants and grants for the Health, Hunger and Humanity (3-H) program are made

throughout the year to support international charitable projects sponsored by Rotary clubs or Districts.

Scholarships and group study exchanges are awarded annually to gifted men and women both to further their education and to hone their skills as effective "ambassadors of goodwill" in countries other than their own.

Exposure to the life and customs of the study country through the guidance of Rotarian hosts and their families results in camaraderie and lasting friendships that help realize the Foundation's goal of furthering international understanding.

VOLUNTEERS FOR WCBB-TV

President Bob asked for and got volunteers to man telephones during the August fund raising week at PBS television station WCBB

Messrs Pappas, Goodine, Roberts, Cardente, Beck, Mezoian, Moulton, Bagdasarian, Carson and Dube will be on the air on Saturday August 24th and ready to take a pledge from the rest of us that night.

DISTRICT CONFERENCE SAVINGS PLAN

Dick Pyne explained a plan to soften the bite of attending the Conference which could cost \$200+ per day.

Only four members have signed up to date. Dick will collect whatever you want to save for this event so you will not be hit with this expense next June a one time. In addition, interest earned on the money will be used to finance a hospitality suite at the conference.

BANNERS RECIEVED

Bob Doe recieved two banners from Rotarians he met at the recent St. Louis Rotary Convention. St. Joseph, MO and An Yang East, Korea.

NEWER MEMBER RECOGNIZED

Jim Kupel was introduced again for any member who may not know him. Take time and get to know the newer members of the club and make them feel comfortable.

ROUND TUITS AVAILABLE

The Club has obtained a sufficient quantity of Tuits for every-one to have their own. Guard it with your life. These tuits have been very hard to come by especially the round ones. This is an indispensable item. It will enable you to become a much more efficient worker and productive Rotarian. For years we have heard people say, "I'll do that as soon as I get a round tuit". Now that you have a round tuit of your very own, many things that have been needing to be accomplished will get done.

LAST WEEK'S PROGRAM

Larry Carey introduced Andy Fennelly, President of Secure Care Systems. He talked about the problem of wandering nursing home patients who become lost and injure themselves.

About 5 to 6% of nursing home patients wander from the home. This can be a life threatening situation and also causes wasted hours looking for the patient. The average cost of a wandering patient is \$2,500. In one instance because of a fatality one nursing home administrator received a five year jail term.

A number of different devices have been tried to monitor patients with varying degrees of success. Secure Care has developed an ankle bracelet that has a radio transmitter that triggers an alarm if a patient wanders.

WEEKLY RAFFLE

Larry Carey won the Snow Squall gift certificate donated by Dave Bagdasarian.

AUGUST 14.....Joe Conroy
AUGUST 21.....Mike Davis
AUGUST 28.....Warren Simpson

Please submit your program to TWO LIGHTS in advance.

MEMBERSHIP DEVELOPMENT COMMITTEE

Two additional Rotarians are wanted to serve on the Membership Development Committee. The particular need is an interest in and ability to communicate the obligations and benefits of Rotary to prospective members. Also we need to motivate and renew interest in the program whenever it seems to be adrift. See Bob Doe or Jim Rowe if you are interested.

OPEN THE DOOR TO MEMBERSHIP

Last year's goal of one million Rotarians by June 30th is projected at 20,000 short. But President Cadman intends to continue the quest, "Once we have a million Rotarians...we will start on another million..."

He believes that the key to increased growth is the individual member who must show enthusiasm, belief and a willingness to share Rotary.

YOU ARE THE KEY to growth in your club. "We are not asking for an increase in membership for the sake of numbers," says President Cadman. "We are asking for more men to share our Rotary spirit, to join in helping us to solve some of our community and worldwide problems."

In mid June there were 21,517 Rotary clubs in 159 countries.

SEVEN DOWN - 58 TO GO

Governor Sam Giftos has visited seven clubs in the first three weeks of his term. He will be in Quebec tomorrow - Thursday and will be also in the company of President Cadman of RI.

ROTARY FOUNDATION CLUB AND DISTRICT PLATEAUS

The Trustees of the Rotary Foundation give official recognition to Rotary clubs and districts that have proven to be outstanding supporters of the Foundation's work. A club or district is recognized as "100 Percent Rotary Foundation Club (or District)" when its per capita contributions equal \$10. Further plateaus (e.g., 200 percent, 300 percent) can be attained for every \$10 per capita equivalent contributed. "Plateaus" aid the clubs and districts in continuing and increasing their support of The Rotary Foundation by providing an accurate evaluation of their contributions as well as a promotional incentive. Some districts award trophies to clubs attaining the most new percentage plateaus in one year. The South Portland/Cape Elizabeth Club is at the 2200% level.

DISTRICT CONFERENCE SAVINGS PLAN

Dick Pyne again mentioned the savings plan designed to soften the bite of attending the Conference at the Balsams next June which could cost \$200+ per day per couple.

Dick will collect whatever you want to save for this event so you will not be hit with this expense next June all at once. In addition, interest earned on the money will be used to finance a hospitality suite at the conference.

Let's get started now! Let's have a big turnout. Send your first check to Dick Pyne at 4 Woodmoor Rd, South Portland.

ATTENDANCE FOR JULY

100% - Butler, Carson, Doe, Dube, Mooers, Rancourt, Rowe, Rowe & Wagner,

BOARD OF DIRECTOR'S MEETING

LAST WEEK

Bob Doe presented a program about the Rotary International Convention that he attended in Kansas City a few weeks ago. There were 14,000 attendees from 100 countries. Because of the strength of the U S dollar this was not the largest convention held. 22,000 attended a convention in Switzerland a few years ago.

Bob showed slides of the event and urged Rotarians to plan for Las Vegas in 1986 and Philadelphia in 1987. He also urged us to read President Cadman's message in the July ROTARIAN and look in this month's issue for an article on the Kansas City Convention.

THIS WEEK'S PROGRAM

Lt Peter Ganser of the U S Coast Guard in South Portland will be Joe Conroy's guest speaker this week.

We will be hearing about the evolution of mechanical lighthouses along the Maine coast.

1984 - 1985 FINANCIAL INFORMATION

This report deals only with the external funds of the club. The total expenditures were \$14,536.34, the majority of which were reported in the July 24th issue of TWO LIGHTS.

The sources of revenue were as follows:

Christmas Trees	\$11,224.68
Cape Days & Spring Point Festival (1984)	874.74
Cape Days (1985)	800.00
Theatre Night	1,321.69
Art in the park	59.79
Interest	1,041.35
TOTAL	\$15,322.25

The assets of the external fund at June 30, 1985 were:

Cash and certificates of deposit	\$12,533.34
Loan Recievable from the Internal Account	3,000.00
Trailer at cost less \$540 depreciation	360.00
TOTAL	\$15,893.34

There were no liabilities.

DISTRICT CONFERENCE SAVINGS PLAN

Dick Pyne has 16 members signed up for the savings plan designed to soften the bite of attending the Conference at the Balsams.

Interest earned on the money will be used to finance a hospitality suite at the conference so let's get started now and have a big turn out. Make out your first check to SP/CE Rotary Convention Fund and send it to Dick at 4 Woodmoor Rd, South Portland.

President Bob reminded us that turning up regularly at the meetings of the club is one of the obligations that a member agrees to accept when he joins Rotary. He would like to have the attendance at 90%. The club attendance was 81.4% for July.

Al Rowe will be organizing an attendance competition in September and the Board of Directors endorsed the policy of enforcing the rules of Rotary related to attendance.

Rotary rules state if a member misses four meetings in a row, fails to attend at least 30% of the meetings in his own club during each half year or fails to attend 60% of the weekly meetings, his membership is automatically terminated unless he is specifically excused by the Board of Directors.

If you are unable to attend a meeting you can make up six days before or six days after the missed meeting

A list of area clubs and meeting times is available.

THE KEY THAT OPENS ROTARY

Membership development is the equal responsibility of every member of our club. It's not just the job of the Membership Development Committee. If our club is to grow, each of you must be sure to do his part to bring new men into Rotary. YOU ARE THE KEY that can open the door to Rotary for someone new, the way the door was opened to you.

Every minute, ten children die and another ten become lame, deaf, blind or mentally retarded from six diseases: polio, diphtheria, whooping cough, tetanus, measles, and tuberculosis.

Perhaps the greater tragedy is that they are all preventable through immunization. Polio, in particular, has been virtually eradicated from developed nations due to the inexpensive and easily administered Sabin oral polio vaccine, named for its discoverer, Dr. Albert Sabin. In the U.S., for example, there are four reported cases of polio for every 100 million children annually.

In developing nations, in the absence of immunization programs, four children in every thousand are doomed to lameness from the disease, and an additional 50,000 children die each year from polio.

Rotary has responded to this inconscionable situation by taking on the most challenging commitment in its history: a twenty-year, \$120 million project to promote and assist polio immunization of all children before the year 2005, Rotary's 100th anniversary.

LAST WEEK

Lt Peter Ganser of the U S Coast Guard in South Portland was Joe Conroy's guest speaker.

The lighthouses that surround the coast of the United States many of which are automated are all scheduled to be that way by 1989. One disadvantage of having no one on duty is that the structures tend to get less care.

The coast guard controls all the lights on the Maine coast from Portland. In a many ways these automated lighthouses are more reliable than the manned ones and operating costs are substantially less.

There are thoughts at the federal budget level that a tax on ships and boats ought to be instituted to pay for this navigation aid.

FUTURE CONVENTIONS

There was an error in reporting future international conventions last week. They are as follows for the next four years:-

Las Vegas - June 1 to 4, 1986
Munich, Germany - June 7 to 10, 1987
Philidelphia - May 22 to 25, 1988
Seoul, Korea - May 21 to 24, 1989

SEPTEMBER IS YOUTH ACTIVITIES MONTH

Although it is said that youth is wasted on the young, let it not also be said that Youth Activities Month is wasted on our club. Let's take advantage of all 30 of the days that September has to offer to call attention to the many fine things that Rotary does for youth.

Through Rotaract, Interact, Youth Exchange, RYLA, and many other activities such as vocational guidance and drug abuse counseling, Rotary continues to demonstrate its ongoing commitment to helping young people.

So don't be unduly modest. Let's use September to let the community know that we care about their kids.

WHAT IS ROTARY

Governor Sam Giftos reminds us that ROTARY for the last 10 years, has been growing at the extraordinary rate of a new club every 18 1/2 hours.

TWO WAYS TO RUIN AN ORGANIZATION

Never propose anyone for membership in the organization.
When asked to help out on any project, always say that you haven't any time.

CALENDAR OF EVENTS

Make sure you get items to the editor by August 21 for the September calendar.

ATTENDANCE FOR JULY

Below is the second installment of the July attendance. See the August 7th bulletin for part one.

100% with makeups - Beck, Carey, Giftos, Livingston, Roberts, Simpson, Stanton & York.

80% - R Miller.

60% - Gacetta, W Kilroy, Knight, Kupel & Mezoian.

Less than 60% - Davis, Donovan, Hitchcock, Jordan, Kourakos & S Miller.

Secretary Dan apologizes on behalf of his computer which has been sending unsolicited and unwarranted letters to 100% Jeff Hobbs which could lead someone to believe that he wasn't where he said he was on a night when he was supposed to be.

PROPOSING A NEW MEMBER

The name of the candidate must be proposed to the club by the membership development committee or by an active, senior active, or past service member; The sponsor submits the man's name to the club's board of directors on a membership proposal card. The board sends the proposal card to the classifications committee and the membership committee. The former makes sure that there is an open classification on the roster and that the prospective member's business or profession is covered by that classification; the latter evaluates the candidate from the standpoint of character, business and social standing, and general eligibility. To avoid any possible embarrassment, the candidate's name is kept confidential throughout this preliminary procedure, and the candidate himself is not aware of these investigations. The membership committee appraises the proposed new member on these five points.

Is his character and reputation above reproach?

Is the reputation of his firm exemplary?

Is he "service-minded"?

Can he meet the financial obligations of belonging to Rotary?

Can he attend meetings regularly?

The membership committee and classification

committee report the results of their findings promptly to the club's board.

If the reports are favorable and the club's board approves them, the proposer and a member of Rotary information committee contacts the man and describes the many benefits that Rotary offers its members and what Rotary expects in return.

The candidate is then asked whether he would like to become a member of the club and, if so, if he is willing to have his application published to the club members. Next, he fills out the application. The name of the applicant, his business, and classification are mailed to members, often with an issue of the club bulletin. If there are no written objections received by the board within ten days, the time limit provided in the club by-laws, the candidate is accepted as a full member as soon as he pays his admission fee. On the other hand, if a club member objects in writing, the board considers the case, and votes on whether the man is to be elected to membership. The finale comes when the candidate is formally introduced by his sponsor and is inducted as a new member at a regular meeting of the club.

This procedure applies to applicants for active membership, including additional active members.

LAST WEEK

Larry Carey introduced Bob Krouse of the Maine Center for the Blind located on Park Avenue in Portland.

Bob has been it's executive director for six years and the center is celebrating it's 80th anniversary. The Center was founded by a blind man so that blind people could learn skills and a trade.

For many years the Center made the Cadillac of brooms that lasted many years. Today they manufacture pens, chef's and carpenter's aprons, currency bags and various pieces of military equipment. There are usually 40 to 45 people enrolled in a three to four month program.

THIS WEEK'S PROGRAM

VISITORS & GUESTS

Former president Bill Brown was the guest of Bob Carson. Governor Sam was with us also reporting that he had visited 16 clubs out of the 64 in the district. He also met with President Cadman at a joint meeting of three clubs in Quebec City. There is a new club in Matane PQ as of August 17th and this week Sam will be in Frobisher Bay in the North West Territories.

TWO WAYS TO RUIN AN ORGANIZATION

Never propose anyone for membership in the organization.

When asked to help out on any project, always say that you haven't any time.

MEMBERSHIP CHANGES

Mike Davis has resigned because of a move to Augusta. Bill Stanton will be replacing him as one of the Sergeant-at-arms.

Membership now stands at fifty.

ATTENDANCE

A couple of weeks ago it was outlined here the importance of attendance at Rotary meetings. Governor Sam is recognizing the top ten clubs in attendance each month in his newsletter. He would like to see each club in that list at least once. The top four clubs were all slightly above 90% - Boothbay Harbor, Gardner, Rockland & Damriscotta/Newcastle. We were at 81.90%

Al Rowe announced an attendance drive for September details of which will be published here next week.

BIRTHDAY GREETINGS

With a candle glowing from the center of his bowl of sherbet we all sang Happy Birthday to Al Rowe on his 39th (?). That number could be correct because Al has a "teenage" wife who celebrates her birthday every February 29th!

BOARD OF DIRECTOR'S MEETING

The next meeting will be held on September 10th at Bob Carson's home at 36 Trundy Road, Cape Elizabeth. The meeting will start promptly at 7:30 pm and is expected to last two hours. Any member of the club is welcome to attend to make a presentation or provide input towards a particular matter or concern. All members of the board are requested to be present.

TWO LIGHTS

The deadline is Wednesday night. Your editor would appreciate it if you would seek him out and let him know details about programs and other announcements.

POLIO - 2005

LAST WEEK

Harold Fralich introduced his son, Terry from Los Angeles, who accompanied Harold and about a dozen others on a trip to Nepal a few months ago. The program, illustrated with slides, was about their trip.

They began their trip by flying from the US to Katmandu, the only large city in Nepal. Katmandu is the capital of this Buddhist country and has a population of 150,000. Most of the buildings are very old and have religious themes.

They traveled mostly by foot in very mountainous country. The villages they visited had not changed much since the 17th century and all transportation was by foot and goods are carried on the human back.

THIS WEEK'S PROGRAM

A club assembly with some information to be presented by President Bob and Alec Livingston.

UPCOMING PROGRAM CHAIRMEN

- SEPTEMBER 11....Frank Hugo
- SEPTEMBER 18....George Chandler

Please submit your program to TWO LIGHTS in advance.

MAKEUPS

Please mail makeups to Dan Mooers promptly. These are needed for attendance reports. If you need an Official Directory for make up opportunities throughout the world you can borrow one from President Bob or purchase your own for approximately \$6. See Bob for details.

In an effort to immunize all children in the world against polio by the year 2005, Rotary's 100th anniversary, the Board of Directors and The Rotary Foundation Trustees of Rotary International have approved the following two-part plan of action during the period from 1985 to 2005:

1. Rotary will provide all polio vaccines necessary for up to five consecutive years for any approved city, state, country, or regional immunization program - either as part of Ministries of Health annual days of immunization against polio, or through other delivery methods in support of the World Health Organization's Expanded Program on Immunization, UNICEF, or other agencies.

2. Rotary will make available to any developing country, upon invitation, a team of experts to help assess, plan, implement, and evaluate a plan for annual national days of immunization against polio. In each targeted country, a committee of Rotarians, in conjunction with Rotary's expert team and national and local health officials, will seek to motivate and utilize resources of the private business and professional sectors.

ATTENDANCE

Starting with this week Al Rowe of the attendance committee will be looking for perfect attendance in September. You will be fined \$1 for one missed meeting, \$2 for the second missed meeting and \$5 for the third missed meeting. Remember that four missed meetings and you have dropped your membership in Rotary.

ANNIVERSARIES

Some fairly lengthy anniversaries occurred last month and ought to be recognized. Ralph Miller and Peter Drivas passed the thirty mark and President Bob celebrated 21 years.

PROPOSED NEW MEMBERS

Mason Phillip Smith of Spurwink Road, Cape Elizabeth has been proposed by Bob Carson. His classification would be Publishing.

Fred B Scott has been proposed by Jack Roberts. Fred is employed by Maine National Bank.

Objections should be sent to the Secretary by September 7, 1985

TWO LIGHTS DEADLINE

The deadline is Wednesday night but earlier will insure inclusion.

CALENDAR OF EVENTS

Anniversaries and birthdays of members are displayed in this monthly calendar as well as other important items that involve our club. Make sure you get these items to the editor by September 25 for the October calendar.

MEETING PLACE CHANGE

September 25th is in the middle of the Seniors golf tournament at Purpoodock. Our meeting that night will be at Ralph's Church which is also known as the Methodist Church on Ocean House Road near Shore Road. If you are coming from Portland and pass the Mobil station and Cumberland Farms you have gone too far.

Rotary Scholarships cover all necessary travel, living and educational expenses for one academic year. Men and women who either reside or study in a country that has a Rotary club may apply. Applicants must have an outstanding educational (and, if required, professional) record. Normally, no Rotary Scholar may receive remuneration for employment during his or her year abroad.

The five types of Rotary Scholarships are:

- * Graduate Scholarships
- * Undergraduate Scholarships
- * Vocational Scholarships
- * Teachers of the Handicapped Scholarships
- * Journalism Scholarships

Next week we will be covering more about the scholarships and our clubs involvement with them.

LAS VEGAS CONVENTION

The RI convention for 1986 is scheduled for Las Vegas. Many Rotarians will be traveling to the USA from all over the globe. Because of the desert location of Las Vegas there are not many Rotarian homes in the area. One of the things that is being done to bring the Rotarian world closer together is to have Rotarians from all over the US volunteer to be a host to a visiting Rotarian before and after the convention. See President Bob to obtain forms to sign up to be one of these hosts.

ATTENDANCE

Starting with last week Al Rowe of the attendance committee was looking for perfect attendance in September. If you didn't attend last week please makeup. You will be fined \$1 for one missed meeting, \$2 for the second missed meeting and \$5 for the third missed meeting. Remember that four missed meetings and you have dropped your membership in Rotary.

WHAT IS ROTARY

Governor Sam Gittos reminds us that ROTARY is compassion for the underprivileged, the undertert and the disabled, many of whom are beneficiaries of 25,000 service projects conducted by Rotary Clubs in the world each year.

ROTARY FOUNDATION SCHOLARSHIPS

LAST WEEK

Frank Hugo introduced David Davidson who runs the Watch Shop in Portland. Mr Davidson gave us mini history of time pieces. Man has been keeping mechanical time for 2700 years but clocks came into being as we know them today about 1300. The common man did not have time pieces until about 100 years ago and time zones are a recent innovation that was promoted by the railroads.

BOARD OF DIRECTOR'S MEETING

The next meeting will be held on October 1st at Bob Carson's home at 36 Trundy Road, Cape Elizabeth. The meeting will start promptly at 7:30 pm and is expected to last two hours. Any member of the club is welcome to attend to make a presentation or provide input towards a particular matter or concern. All members of the board are requested

Last week we covered the scope of Rotary Scholarships and the five types of Scholarships.

Each Rotary district is allocated one scholarship. Rotary districts that have outstanding per capita contributions to the Foundation are granted additional awards, as are those districts in the world's developing nations. In addition to the graduate and undergraduate scholarships, each district may also submit one extra application for each of the Vocational, Teachers of the Handicapped and Journalism Scholarships, which are judged on a competitive worldwide basis.

One outstanding feature of the Scholarships program is the Scholar's extensive contacts and opportunities for cooperative service with Rotarians in the study country and, after his or her return, with Rotarians back home.

In the recent past two scholarships from the District have come from this club. This year Dave Bagdarian heads up the scholarship committee who with Bruce Sleeper will be interviewing prospective candidates later in the year.

MISC..MISC..MISC

Dick Pyne should get a round of thanks for the vast improvement on the singing part of the meeting. Gov Sam will be in Eastern Quebec this week. Bob Bogosian brought a banner from Des Moines. Warren Simpson a 35 year member of the Masons and a Grand Master for several years has been awarded the 33rd degree. Alan Leathers has qualified for the Boston Marathon with a 3:09 time. \$250 was donated to the Cape Elizabeth Rescue fund for a new ambulance. Also \$250 was donated to WCBB - TV

NEW MEMBER

Mason Philip Smith became our newest member. Mason is a former member of the club and will hold the classification of Publishing. Mason resides with his wife Barbara at 252 Spurwink Road, Cape Elizabeth.

SCARBOROUGH ROTARY

The new meeting place for Scarborough Rotary Club is the Cattle 'n Claw at Oak Hill Plaza.

NEW MEMBER PROPOSED

Bryce Johnston of 94 Chapel Street, South Portland has been proposed as a new member of the club. He would hold the classification of Banking - Savings.

Any objections should be sent to the secretary by September 21.

JUNE CONVENTION

Bill Kourakos has committees formed for the June 19 to 22 convention at the Balsams. Larry Carey, Dave Bagdasarian and Jim Rowe will be heading up various committees and will be looking for helpers in the near future. Bob Bogosian will be heading up publicity and Dick Pyne will be Membership Director for encouraging attendance. The Biddeford - Saco Rotary club will be sending at least 16 members and will be honoring their past presidents as part of the convention. Dick Pyne again reminds you to use the savings plan to soften the cost of attending.

WHAT IS ROTARY

Governor Sam Giftos reminds us that ROTARY is compassion for the underprivileged, the underfed and the disabled, many of whom are beneficiaries of 25,000 service projects conducted by Rotary Clubs in the world each year.

THE UNAPPLICABLE LAW

Washing your car to make it rain doesn't work.

THE AMAZING WORD PROCESSOR

One of the advantages of using a computer to write this newsletter is the ability to correct mistakes very easily after producing a draft. Another advantage is fitting the text to fill the newsletter every week without leaving space blank. I can also write things in advance for those weeks when there is not much to report. For example this piece was written in March for use this week. I can also have the computer calculate all sorts of things. For example there is 51 sentences in this issue. The letter 'e' appears 435 times and the letter 't' appears 328 times. And this article was just the correct length to end the newsletter.

BOARD OF DIRECTOR'S MEETING

David Redmond was the guest of George Chandler last week. Mr Redmond was a special assistant to Governor Brennan until a few days ago. He addressed the club about his qualifications for governor as he is a candidate for the Democratic party's nomination for that office.

The was an error last week on the date of the next meeting. It will be held on October 8th, 7:30 pm at Bob Carson's home at 36 Trundy Road, Cape Elizabeth.

In the 70's he was an assistant superintendant in the Biddeford school system and has worked for Governor Brennan since 1980.

TWO LIGHTS GUEST COLUMN

Some of he major problems he sees facing Maine are - Worker's compensation, encouraging business to come to Maine and the illegal drug traffic. On the latter he noted that of 42 convictions at the state level only one person was jailed.

Several club bulletins feature a guest column from each member on a rotating basis. I would like to see something appear in this bulletin similar to the items that appear in the TACK - The publication of the Biddeford - Saco Rotary Club. The Portland Club has a rotating editor each week spreading the work that is involved in putting out the bulletin. I am not suggesting we adopt a rotating editor but I would like to receive some contributions from time to time. This is your club and your newsletter.

THIS WEEK'S PROGRAM

Remember the location of this meeting is Kindly Old Ralph's aka The Methodist Church on Ocean House Road near Shore Road.

SCARBOROUGH ROTARY

Ed McAleny will be giving a classification talk. Ed's classification is Investments. Ed has also spent nearly a decade in professional football with Calgary in the CFL, Atlanta and Tampa Bay in the NFL and most recently with Orlando in the USFL.

The Scarborough Rotary Club is in the process of selecting a new meeting place for their Tuesday night meetings. Call Secretary Fern Violette (883-9995) or President John Murphy (883-2012) as to their next meeting location.
