## The 4-Way Test: A Yardstick for Living

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The test was conceived at the height of the Great Depression in 1932 by Herbert J Taylor, a Chicago Rotarian. Taylor, recently hired to save Club Aluminium from imminent bankruptcy, used the test as a basis for business decisions. As a result a climate of goodwill and trust developed between Club Aluminium and its customers and the business thrived.

The test was adopted by Rotary International January 1943.

Herbert J Taylor later became president of Rotary International during its 50th Anniversary Year (1954-1955).

## WHAT IS ROTARY

Governor Sam Giftos reminds us that ROTARY has over 1 million service minded men belonging to over 20 thousand clubs in 159 countries.

## BOARD OF DIRECTOR'S MEETING

\$250 was given to both Cape Elizabeth High School and South Portland High School for the Dirigo Girls - Boys State.

\$600 was given to the Maine - Irish Children's program that Phil Curren informed us about a few weeks ago in a most interesting program.

More details about this meeting next issue.

## DISTRICT CONFERENCE

Registration forms are available. If you are going and you need onsee President Bob as soon as possible.

## ATTENDANCE

For the month of March our club was a startling 100%. Gosh - there is no room for improvement!

## 67th CLUB ADMITTED TO DISTRICT

West Bay (Camden) just recieved its charter and will be having its charter night on May 18th at the

First let me say that I look forward to the day when women join Rotary. I also appreciate the efforts of those individuals who would persuade our Council on Legislation to change Rotary International's Constitution to permit this.

However, I joined Rotary knowing that it is a men's organization and also can respect those who value this "men only" status more than I (even though I disagree).

Rotary is a volunteer service organization and I am upset that it has become a battleground for civil rights issues. Our organization's constitution has been challenged by disobedience, a club charter withdrawn, court action taken, and the club charter grudgingly reinstated - all wrought with ill feelings. This journey through the courts may eventually achieve the desired result for our country's clubs, but the costs, both financial and emotional, will be high - maybe too high. Putting clubs, districts, or nations on sides of any fence can only be divisive and counter-productive to the main goals of Rotary.

Let those Rotarians who vehemently advocate women in Rotary pursue this goal as individuals through due legislative process. But let our organization continue to do its good work without a dark cloud of disunity.

Jim Rowe

LADIES NIGHT COMING UP

April 30th is the next Ladies Night.

We are all mature adults who have been taught courtesy. And yet some members persist in talking while someone else has the floor. Not only is this rude but it gives an unflattering impression of our club to guests and guest speakers. Side conversations while someone has the floor are disruptive. And certainly, they do not show respect for our President, guest speaker, or whomever is talking at the time. Let's put on a courtesy drive at our Rotary Club!

ROTARY SOFTBALL TEAM?

Howze about a Cape Rotary softball team, guys? In a "league" playing other Rotary clubs, Kiwanis and Lions Clubs, the JCs, etc. Not only is it a good way to spend the occasional summer evening, but it is also a good way to attract additional younger members. In addition, in the spirit of true Rotarians, it expands our contact with one another beyond the confines of just Wednesday nights. Many clubs have made this work in other places.

We just need (a) your participation (b) someone to organize it (c) a field dedicated to us one night a week during the summer for this "league". Sadly, for now, my time is so limited that -- knowing the guy who opens his mouth becomes the organizer -- I have to sign this-

### MEMBERSHIP DEVELOPMENT

We must all do our share to bring new men into Rotary.

Governor Sam Giftos reminds us that by granting scholaships each year ROTARY adds fulfillment to the lives of more than 7000 young people of secondary age as they study in a country other than their own.

### YOU ARE THE KEY

R I President Cadman says YOU ARE THE KEY to open the doors to the world - by participating in World Community Service and other international assistance programs; by supporting the projects of The Rotary Foundation of Rotary International, and the Health, Hunger, and Humanity Program; and by encouraging Youth Exchange and Rotary Friendship Exchange. Become a friend to a neighbor in a distant part of the world through international service.

### BOARD OF DIRECTOR'S MEETING

At the Director's meeting on April 1st the following guidelines were drafted relating to the club naming a Paul Harris Fellow from the community.

1. Recognized by his/her peers in the area of service to be honored as a club, local, state, national or international figure.
2. Exhibits the four way test of Rotary and goals of Rotary.
3. Making a nomination on the basis of a person's excellence in a particular field of service shall not necessarily be on the basis of the person's popularity or visibility in the community.
4. Receiving the award shall bring recognition to the recipient, highlight the area of excellence, and promote the goals of Rotary.
5. Resides or works in the Greater Portland Area.
6. Nominated by two club members.
7. The individual should impact on at least one of the four Avenues of Service.

Names should be submitted in writing before the next Director's meeting on May 6th with accompanying data covering the above guidelines.

The Selection Committee shall consist of the Chair of International Service, the Club President and two members of the Club (the two members will not make nominations). A 2/3rds vote by the Board of Directors present and voting shall be required for election.

### PAUL HARRIS FELLOWS NAMED

Dick Holden and Dan Mooers join the ranks of Paul Harris fellows who are members of this club.

In addition Al Rowe and Jim Rowe have become Paul Harris Sustaining Members.

The District Conference will be held at the Balsams from June 19th to the 22st. Registration forms should be obtained either from Bill Kourakos or Bob Carson. These forms should be completed as soon as possible to ensure your reservations.

It is anticipated that the following members will be attending.-

Carroll Beck, Larry Carey, Bob Carson, Jim Doughty, Harold Fralich, Sam Giftos, Dick Holden, Frank Hugo, Dick Kilroy, Bill Kourakos, Alec Livingston, Dan Mooers, Dick Pyne, Duane Rancourt, Al Rowe, Jim Rowe, Warren Simpson, Doug Stewart, Tony Wagner, Dick Yerxa, Bill York.

There is still time to add your name to the list of members that will be attending.

**SERVICE CLUB SIGNS APPROVED**

Jack Roberts announced that approval has been given to erect a sign on Waterman Drive near the wastewater treatment plant announcing the meeting place and times of Rotary, Kiwanis and Lions.

**THEATRE NIGHT**

Bill York needs three volunteers to help with the Evening at the Theatre project. More details on this later. The production will be THE WIZ.

**BITS AND PIECES**

There were 867 new Rotary clubs formed during the past Rotary year.

Several area dentists were recognized for donating their professional services to the Peoples Regional Opportunity Program in their recent bulletin. Fellow Rotarians Dave Bagdasarian and Alan Leathers were among those recognized for contributions of their time to the low cost dental program sponsored by PROP.

**MUSIC MUSIC MUSIC**

Al Rowe started making up for the long gaps between music performances at our club last week by leading a three song performance. The rest of the club was worn out after two and Al sang the last selection solo. We need a reprise of that last selection before long.

**IN YOUR HANDS**

On the bulletin board of a very successful business was this message signed by the president, "My Reputation is in Your Hands."

Rotary is like that. The reputation of Rotary is in the hands of its membership. Rotary stands for certain principles and the integrity of our claims rest in the hands of every member.

Rotary is more than an hour a week. It is a seven day a week responsibility.

LADIES NIGHT APRIL 30TH

## LAST WEEK

Bill Stanton introduced George Rubino of Pownal Maine who with his wife Lynn Hannings operate Hannings & Rubino, a violin repair shop and bow making business. Mr Rubino has taught the Double Bass at Dartmouth College. They both play with the Portland Symphony Orchestra.

Since 1970 they have made bows for string instruments. The bows are made with a Brazilian hardwood and horse hair from China. The bows are hand made and about 25% are lost during the 10 to 15 day period it takes to craft one of the musical tools. The raw wood that goes into a bow costs about \$200 and requires seven years of drying. The finished bow can sell from \$1,000 and up. Some bows have sold for as much as \$50,000.

## NIGHT AT THE THEATRE

### LAST WEEK

Alan Rowe introduced Roger Legere of Blake, Hall & Sprague. Mr Legere informed us about liability insurance and the crisis that is taking place in the insurance industry.

Insurance is the collection of money from the masses to pay the unfortunate. Inflation has caused the increase in payouts over the past few years and income from investments have been used to cover costs in excess of premiums. Mr Legere claims that state insurance commissions which regulate the industry are requiring increased premiums to build surpluses.

Bill York is heading up the night at the theatre. The program is THE WIZ and the date is June 11th. Each member is expected to sell eight tickets at \$10 each. Because it is a Wednesday night performance you will receive meeting credit. It is expected that we will raise \$2,500 with this fund raising project.

### DIRECTOR'S MEETING

The next Director's meeting will be held at 7:00 pm at Bob Carson's house on May 6th.

### ATTENDANCE

An attendance contest will be held in May. More details on this will come at next week's meeting.

### WHAT IS ROTARY

Governor Sam Giftos reminds us that ROTARY sponsors INTERACT, over 4000 service clubs for young people of secondary age in some 79 countries.

### HANDS ON COMMUNITY SERVICE

We do a lot for our community. And that's why we exist. But most of what we do is either fund raising or fund dispersal. Why not look for a valid, worthwhile community service project. Something not involving money, but our time and our labor. Something like painting a schoolhouse or town library, or volunteering a weekend day at a home or hospital. Surely there must be such projects in our area where normal funding and taxes do not provide enough to get everything done. Maybe we should talk about moving out into our community a bit more with our hands instead of our wallets.

Dan Davidson

### THE SILENT PARTNER

How often do we consider the ideal of Rotary while making a decision in our workplace, or apply the 4-Way Test to the issues that we face on our jobs?

By employing the values of Rotary in every aspect of our vocation, we will be availing ourselves of very sound business advice for Rotary makes a wonderful silent partner.

## BOARD OF DIRECTOR'S MEETING

### LAST WEEK

Ladies night was last week. President Bob gave a history of the club. Next Rotary year will mark the twenty fifth year of the club's existence.

### THIS WEEK'S PROGRAM

Jack Roberts will be the program chairman this week and he will introduce Dr Peter Rand. Dr Rand is Chairman of the Cape Elizabeth Conservation Commission. He will be speaking about the efforts to set up a land trust and preserving the natural habitat of part of the town.

### UPCOMING PROGRAM CHAIRMEN

MAY 14.....Joe Conroy  
MAY 21.....Bob Doe  
MAY 28.....Duane Rancourt

Please submit your program to TWO LIGHTS in advance.

### WEEKLY RAFFLE

Master of the Raffle Jim Rowe announced that the raffle only got a 25% rating when the fourway test was applied to it. He claims it is the TRUTH. We know it isn't FAIR because everyone has not won it. During the year there are about 50 winners and 2500 losers and that ratio doesn't build GOODWILL. And we all know it is only BENEFICIAL to the Stoneybrook Road Gang.

There were three prizes this week. Two hair care kits donated by Bill York and a "Boom box" donated by President Bob. And the winners were - Hair Care Kits to Shirley Thurston and Al Rowe (That's Jim's father) and the Tape player/Radio was won by May Rowe (That's Jim's mother). Can we be sure it is even 25%?

Upcoming raffle donors:

MAY 14.....Harry Russell  
MAY 21.....Warren Simpson  
MAY 28.....Bruce Sleeper

### ATTENDANCE MONTH

Al Rowe announced that May is attendance month. The attendance committee would like to achieve 100% attendance this month. We achieved this mark in March and hope to do it again. Over the page is more details.

There are two changes to the list overleaf. Substitute Bill Stanton for Bob Carson and Tony Wagner for Sam Giftos.

There will be a meeting of the Board of Directors at Bob Carson's house - 36 Trundy Road, Cape Elizabeth at 7:00 pm. on May 6th. The agenda is as follows and all interested members are invited to attend.

1. Review unfinished business.
2. Report of the Finance Committee - requests for funds
3. Paul Harris Fellows
4. Projects : Theatre and Cape Family Fun Days
5. Guest speaker gifts for the coming year.
6. Next Board meeting - Combined boards.

If you have something to discuss please notify President Bob for inclusion in the agenda.

### LETTERS FOR PEACE CONTEST

This year Rotary International has sponsored a Letters for Peace Contest open to all young people ages 14 to 18. In at least a 150 words the contestants had to address some prominent international leader and recommend ways to improve world peace. To be considered for Rotary International's award of \$10,000 and a trip to Epcot Center, the young writers had to win their local and district contests.

Judging the entries for the Cape Elizabeth / South Portland Club awards were Joe Conroy (Chairman), Andy Mezoian and Bob Doe.

The judges are pleased to announce that Yvetta Pols and Carrie DiGeorge, students at Cape Elizabeth High School, are the local winners. Yvetta Pols letter has been entered in the District contest.

Congratulations to all who participated and best wishes to Yvetta.

### PROPOSED MEMBER

David Chadwick of Prince's Point Road, Yarmouth has been proposed for membership by Dennis King. Mr Chadwick is General Manager of Caron & Waltz, Lincoln St., South Portland. Mechanical Services - Contracting would be his classification.

Any objection should be made to the secretary by May 17th.

### 100% ATTENDANCE ATTEMPT

Remember to call your assigned Rotary Brother listed in last week's TWO LIGHTS. Peter Drivas stayed up every night to 10pm (two hours past his normal bedtime) waiting for your call Dave.

Community Service is more than just an opportunity to do something good for our community, it's a chance to see how well our club works together as a team. Considering that each of our members was hand-picked, we know that we have a good team, but even the best teams must practice. So let's practice on our community, it's the perfect field for a team like ours.

### ROTARY QUESTIONNAIRE

Can you answer the following questions with a hearty "yes? "

- Δ Do you sit at a different table each week?
- Δ Do you regularly attend club and committee meetings?
- Δ Have you given a "Who am I" talk?
- Δ Have you attended a district conference? District assembly?
- Δ Have you visited at least two other clubs this year?
- Δ Have you searched about to see if you know a potential member?
- Δ Could you adequately inform a new member about Rotary?

### DISTRICT CONFERENCE

All attendees at the Balsams should attend the Thursday May 15th meeting at Bill Kourakos' house at 72 Stoneybrook Road, Cape Elizabeth. This will be a planning meeting and job assignments will be made. About six wives are needed to act as hosts at some functions so get ready to volunteer their services.

### PRICE OF MEALS TO INCREASE

President Bob has been informed that The Purpoodock Club will raise the price of meals to \$8.00. This includes sales tax and gratuity. The price increase is slated to take effect July 1st. Alternative meeting places are being explored.

### REFURBISHING OF TRAILER

Tony Wagner and Doug Stewart will be doing some repair work on the trailer primarily on the electricity requirements. They hope to do this work on Saturday May 17th. If you are handy with tools please call either of them to volunteer help.

### UPCOMING BOARD MEETINGS

A joint meeting of the present and incoming boards will be held at Dick Pyne's, 5 Woodmoor Road, South Portland on May 20th at 7.00pm. The two boards will meet again about June 3rd.

South Portland High School & Cape Elizabeth High School - Chemical free graduation party....each \$200

Cape Elizabeth Little League....\$100

Maine Audubon Society - Mast Landing Camp scholarship for a camper....\$211

**NIGHT AT THE THEATRE**

Remember that June 11th, a Wednesday, is the night at the theatre. The production is the WIZ at the Thaxter Theatre on Cottage Road, South Portland. Bill York is in charge of this project and it is hoped that all members sell eight tickets. Bill needs some volunteers to help make this a success.

The Cape Family Fun Days at Fort Williams is the same week end that the District Conference is at the Balsams. It is important that those not attending the conference volunteer their time to make this project a success. See Tony Wagner or Dick Rawlings about this event.

**THE FUTURE AIN'T WHAT IT USED TO BE**

Sensible and responsible women do not want to vote.

Grover Cleveland, Former U S President, 1905

**MORE SOCIAL EVENTS PROPOSED**

Does anyone agree that we could use more "events" outside of our normal meeting nights? We need to increase our opportunities for Rotary fellowship. We could have a Maine Guides Night for ourselves and families. We could have a "Mystery Night" where we arrange a bus and go to different spots around Portland for appetizer, dinner, dessert, etc. We could have a Cape Rotary White Water Rafting weekend for Rotarians, guests, and families. The possibilities are numerous. Think about it.

Dan Davidson

## STUDENT GUESTS

### LAST WEEK

Joe Conroy was last week's program chairman. Joe is advisor to the Students Against Drunk Driving (SADD), an organization which conducts education campaigns to curtail drinking and driving.

Joining Joe was Gennie Leathers another advisor to the group and student Brian Carroll. The group was formed in 1984 at the Cape Elizabeth High School with 15 members and has grown. It has had some effect in dropping the use of alcohol as the following survey of high school students show.

	1980	1985
Senior Male	100%	91%
Senior Female	93%	89%
Junior Male	100%	76%
Junior Female	100%	84%
Soph Male	66%	72%
Soph Female	86%	77%
Fresh Male	73%	60%
Fresh Female	46%	30%

Although drinking has decreased it is still shockingly high and needs to be reduced by far greater amounts.

### THIS WEEK'S PROGRAM

Bob Doe is this week's program chairman. He will introduce Donald McNamara, Vice President of the Greater Portland Chamber of Commerce. Mr McNamara will present an illustrated talk on the economic and development activity in the Portland area.

### 100% ATTENDANCE ATTEMPT

Remember to call your assigned Rotary Brother listed in the May 7th TWO LIGHTS. One member is still waiting for your call Dave. After Johnney Carson he went to bed still not hearing from you. Come on...even Joan Rivers calls.

Tony Wagner introduced two students from South Portland High School and Cape Elizabeth High School. Chris Keaney is a native Mainer and a member of the swim and field hockey teams. She discussed the swim team season at South Portland High School.

Melissa Hinds is also involved in the swim team and is the class secretary. She is an honors student involved in SADD and the International Language Club.

### UPCOMING BOARD MEETINGS

A joint meeting of the present and incoming boards will be held at Dick Pyne's, 5 Woodmoor Road, South Portland on Tuesday, May 20th at 7.00pm. The two boards will meet again about June 3rd.

### A WIZ OF A NIGHT AT THE THEATRE

The tickets are coming..the tickets are coming!

During the next two meetings (May 21 & 28), all our members will receive eight tickets each to the production of The WIZ to be held at the Thaxter Theater on June 11th. When you sign into meeting, you will pick a batch of tickets from a box at random. The tickets will be "grouped" together, either in one row or front and behind.

Note #1: If you don't get your tickets at the meetings, your randomly selected allotment will be mailed to you on June 4th (which won't leave you much time to sell them).

Note #2: all unsold tickets must be returned no later than June 4th. They can be returned to Bill York, Phil Dube, Warren Simpson, or Dan Davidson. Any tickets not sold or returned by our meeting of June 4th will be the responsibility of the Rotary member to pay for.

Our club will also have a wine and soft drink concession at the theater that evening, organized by Peter Drivas and Dennis King.

Invite your friends, family. Have an office party. Have a neighborhood party. But let's get all our tickets sold and fill the theater with Rotarians and friends. Let's not give any tickets back to the box office for outside sale.

### CAPE FAMILY FUN DAYS

Those not attending the district conference should volunteer their time for this project. See Tony Wagner or Dick Rawlings about this event.

OPINION

A substantial number of Rotarians in this country and in others believe that the prohibition of women as members is wrong. Although they are not the majority they have a right to their opinion and a right to influence change in our organization.

One of our members has written a letter to THE ROTARIAN expressing his view on this subject as apparently many other members have done. The position of the Board of Directors of R I and the General Secretary who acts as publisher has taken the position that the magazine cannot be used to influence constitutional change.

The purpose of Rotary is create change in this world by contributing to the elimination of hunger, crippling disease, ignorance etc. by the projects that involve over a million Rotarians.

The first change that the founding fathers made to our United States Constitution was to ensure that a free and lively press existed. This freedom has served this country well over the past 210 years and is one of the main factors in making this a strong country that it is today.

Unfortunately the Board of R I has developed a policy that fails the Four Way Test and will weaken this organization in the months ahead. Reports exist that several clubs will allow women members and Rotary will need all its resources to survive the challenges to the policy of excluding women from membership. Banning free discussion about changes in the organization in the Rotarian will surely create more divisiveness. This muzzle should be removed at once.

DISTRICT CONFERENCE

Several members attended a planning meeting for the district conference at the Balsams last Thursday at Bill Kourakos' house.

The following members are planning to attend the conference:-

Carroll Beck, Bob Bogosian, Paul Butler, Larry Carey, Bob Carson, Sam Giftos, Dick Holden, Dick Kilroy, Bill Kourakos, Dan Mooers, Dick Pyne, Jim Rowe, Doug Stewart, Tony Wagner, Dick Yerxa, Bill York.

ATTENTION ALL JOCKS

Several people have expressed an interest in playing softball against another service club. Jack Roberts will coordinate an early June Sunday afternoon game if at least 15 members will participate.

As Jack looked over our roster he said, "I think we could field a decent team and maybe even two teams".

So don't delay. Call Jack Roberts in the evening at 767-4526 and sign up for the SP/CE Rotary softball team. Don't delay or be bashful!

MEMBERSHIP DEVELOPMENT

More members mean increased manpower for greater service, and greater service creates a greater community awareness of Rotary. This awareness, in turn, attracts more prospective members to our club, resulting in further service potential. The cycle benefits our club and the community it serves.

All unsold tickets must be returned no later than June 4th. They can be returned to Bill York, Phil Dube, Warren Simpson, or Dan Davidson. Any tickets not sold or returned by our meeting of June 4th will be the responsibility of the Rotary member to pay for.

Money for the tickets - \$10 each - must also be turned in no later than June 4th. The club cannot fund anyone's tardiness, and the theatre must be paid! (As a last resort, money from the tickets sold at the last minute can be given to Bill York the night of the show.)

Let's have everyone sell their few tickets so the theatre will be filled with Rotarians, their friends and families.

See you at the Thaxter Theatre on Wednesday, June 11th. This counts as a meeting.

### MEMBERSHIP CHANGE

Ralph Miller will be leaving the area July 1st to take the position of Central District of Maine Superintendent of the United Methodist Church. He and his wife Patricia will reside in Camden. We all wish you well in your new position.

OPINION

The disruption that the Rotary Club suffered by extraneous noise two weeks ago went beyond the pale. Space has been devoted in this newsletter before complaining about the conditions to which we are subjected.

Solutions would seem to be simple but Purpoodock appears to have no concern about curing the problems that have been brought to the attention of management on several occasions. The present conditions are not acceptable for us to continue meeting here and having to apologize to guests for our surroundings.

Regrettably I come to the conclusion that we must find a new meeting place as soon as possible that can cater for our requirements which includes reasonable peace and quiet to conduct our meetings.

DS

SOFTBALL TEAM ORGANIZED

Jack Roberts has organized a softball team and hope to schedule a few games this summer with various opponents. The first game will be on June 8th at family field at 1:00pm. The opponent is not known at this time. The following Rotarians are on the squad:-

Dave Bagdasarian, Bob Bogosian, Paul Butler, Bob Carson, Dave Chadwick, Dan Davidson, Phil Dube, Bob Flynn, Dick Goodine, Jeff Hobbs, Alan Leathers, Alec Livingston, Ed McAleney, Dick Pyne, Dick Rawlings, Jack Roberts, Jim Rowe, Dave Smith, Tony Wagner & Bill York.

Paul Harris Sustaining Member An individual who agrees to contribute \$1,000, over a recommended ten year period, with a minimum first contribution of \$100, or in whose honor or memory such a contribution is made, is recognized as a Paul Harris Sustaining Member. ## SOFTBALL PRACTICE

### LAST WEEK

Duane Rancourt was last week's program chairman. He introduced Ronald Thurston, Executive Vice President of the Maine Health Care Association. His association represents 121 of the 140 Maine nursing homes.

There are some startling facts about the changing patterns of the age groups of the population of the United States. The population grew 5½% from 1980 to 1985 with the fastest growing group being in the 80 to 85 age bracket up 21%. Age 5 to 24 is down 5½%, 35 to 44 up 24%, 65 to 74 up 9% and 75 to 84 up 14%. With these changes in the distribution of age groups we can expect dramatic changes in the health care area in the future. 46% of the 85+ age group are receiving care in nursing homes and changes in the financial arrangements to provide this care will be necessary.

### THIS WEEK'S PROGRAM

## DISTRICT CONFERENCE

### LAST WEEK

Warren Simpson introduced Richard Redgan of the Maine State Police, Scarborough. Officer Redgan brought Duke, a five year old German Shepherd, with him and explained the use of dogs in law enforcement. The state has 13 dogs, all male German Shepherds, in the program. It takes 15 to 24 months to train the dogs at the training facility in Waterville. The dogs are used in tracking, building searches and backup to officers in cruisers. Off-duty, the dog is a family dog.

### THIS WEEK

This week we visit the theatre. The meeting place is the Thaxter Theatre on Cottage Road, South Portland and the show is **THE WIZ**.

### UPCOMING PROGRAMS

### SOFTBALL

A practice turned out to be a full fledged game on June 1st at Family Field. Dave Bagdasarian hit two consecutive homers against a pick up team of 18 to 20 year olds. Dave Chadwick, Dan Davidson, Phil Dube, Dick Goodine, Alan Leathers, Alec Livingston, Dick Pyne, Dick Rawlings, Jack Roberts, Jim Rowe, Dave Smith, Tony Wagner and Bill York made up the rest of the team.

The final score was a win for our team 15 to 8.

Everyone else is welcome to contribute to the BenGay and Other Pain Relievers Fund. Westbrook Rotary will be playing our boys on Sunday, June 8th at Family Field.

### MEMBERSHIP DEVELOPMENT

Our club must project an image that will make qualified men want to join. Publicity about our service projects will attract new members. Some prospective members will admire our work with the handicapped. Others may view our club as an effective channel for working with youth. Still others may be attracted by the internationality of Rotary.

### THE ROTARY WHEEL

The founders of Rotary chose a wheel as their emblem. They did not choose a rubber-tired wheel, for Rotary carries no passengers. They chose, instead, a powerful gear-wheel with teeth designed for heavy duty.

The teeth of the wheel are the members of Rotary. They do their work inter-meshed with other men. If one tooth is broken or absent the work of the wheel is impaired or stopped. The teeth are bound solidly together by the rim which is the club.

The spokes of the wheel are the meetings of the club. At regular intervals they impart to the members the inspiring and resistless drive of the central shaft, the spirit of Rotarians throughout the world.

### DISTRICT CONFERENCE

Governor Sam had a pre-Conference get together last Saturday serving up some fine Greek fare. Sam wanted to express his appreciation for the members who will be attending the Balsams which will mark the end of his exciting year as Governor of District 779.

"This has been an exciting year for me and one that I will remember forever.", Sam said. He added, "It couldn't have been possible without the support of my friends, the members of the South Portland - Cape Elizabeth Rotary Club. I appreciate the support all the members have all given me."

The softball team continues to rack up impressive victories. On June 8th the Westbrook Rotary Club went down to a 17 - 5 defeat at the hands of our team.

### CAPE FAMILY FUN DAY

Remember your commitment to this event. Because so many people are attending the Rotary Conference at the Balsams it is important we have a big turn out to help with this project. See Dick Rawlings if you haven't yet signed up for this project that takes place on Saturday June 21. Rain date is the next day, Sunday.

**DON'T FORGET!**

### BITS AND PIECES

50 people from lesser developed countries will be brought to the USA this year by the Rotary Foundation to learn agricultural methods.

### THE FUTURE AIN'T WHAT IT USED TO BE

Everything that can be invented has been invented.

Charles H. Duell  
Director U S Patent Office, 1899

### WORLDLY CONCERN

One of the greatest advantages of belonging to Rotary is that it provides each of us with an opportunity for International Service. Through Rotary programs such as World Community Service and Youth Exchange, or the Health, Hunger and Humanity Program of the Rotary Foundation of Rotary International, we all can do our share to help the world. Perhaps we can do even more.

### MEMBERSHIP DEVELOPMENT

"Progress demands growth," said a past club president. And he is right. While "growth" brings to mind many aspects of Rotary expansion, one aspect - internal extension, or membership growth - best assures Rotary's future.

## LAST WEEK

Harry Russell was last week's program chairman. He introduced Bob Follansbee a retired employee of the Portland Pipe Line who recently travelled to the U S S R .

Bob showed the club slides of Moscow and Leningrad. He also had several pieces of information about the living conditions that the average person had to put up with in this society.

## THIS WEEK'S PROGRAM

This week we will have a club assembly where the new officers and directors for the coming year will be outlining the plans for the Club.

## WEEKLY RAFFLE

Last week the raffle was a selection of liqueurs that was won by Dick Yerxa. Dave Chadwick got a 2nd prize of a small individual bottle.

Upcoming raffle donors:

JUNE 25.....Doug Stewart

JULY 2.....Dick Yerxa

## SOFTBALL

There is no game scheduled for Sunday June 29th at this time.

## MEMBERSHIP INVOLVEMENT

INVOLVEMENT IS THE KEY in Rotary. One small way I've seen involvement increased is by a system of rotating jobs at meetings. For example, two "greeters" should be assigned each week to say hello to members when they come in and to welcome any visitors officially and to help them get processed.

The name should be printed two weeks in advance in TWO LIGHTS so everyone knows when they are assigned. The other job that can be rotated nicely is that of "invocation", something that everyone should participate in.

Dan Davidson

## MAKE UP CHANGES

The Windam Rotary Club meets Thursday noon at The Barnhouse Tavern.

Scarborough has changed it's meeting time to 5:30 p.m.

## MEMBERSHIP CHANGES

Frank E Gemme is our newest member. He was proposed by Tony Wagner. Frank is General Manager of Gabriel Electronics in Scarborough, a manufacturer of microwave equipment. His classification is Communications, Equipment. Frank lives at 96 Stoneybrook Road with his wife Lynne and their sons Brad and Brian.

After 25 years in Rotary, four in this club, Bob Doe tendered his resignation citing that his energy and stamina are decreasing and he did not want to become a passenger in the club.

## CAPE FAMILY FUN DAYS

The fried dough was a big hit again this year and some said it was the busiest year yet.

Everything went smoothly and we had the great support from many of the members who delivered equipment, moved the trailer, delivered supplies etc. Several extra trips had to be made by Jeff Hobbs, Alec Livingston and Nick Pappas to keep supplies on hand. Jack Roberts made big efforts on Saturday and especially the Sunday morning clean up.

Others participating were Bill Anthony, Dave Bagdasarian, Dave Chadwick, Joe Conroy, Dan Davidson, Jim Doughty, Phil Dube, Bob Flynn, Dan Gacetta, Dick Jordan, Dick Goodine, Tom Hennessy, Dick Rawlings, Al Rowe & Dave Smith.

A full financial report will be issued soon.

## DISTRICT CONFERENCE

Seventeen members and their spouses made the trip to the Balsams for District 779's annual conference last weekend. This was the end of Governor Sam Giftos term in office and our club was the host club. Bill Kourakos chaired this very successful event.

Talent night had all sorts of awards being won by our conference contingent. Dick Pyne & his wife Mike, Doug Stewart's wife Pam and Dick Holden's wife Maureen were talent show winners. Bill York's wife Diane won the ladies side of the road race. Tony Wagner placed 3rd in the men's division. Golf awards went to Dick Kilroy's wife Mary, Bob Carson and Dick Pyne. Larry Carey and Dick Yerxa's wife, Pricilla won tennis awards.

Other members attending were Bob Bogosian, Paul Butler, Harold Fralich, Frank Hugo, Dan Mooers, & Jim Rowe.
