THIS WEEK'S PROGRAM

LAST WEEK

Last week was a club assembly and the installation of the new officers and directors.

Outgoing President Bob Carson urged all of us to get involved in this 25th Anniversary year of our club. Rotary world wide now exceeds one million members and 10 new members joined our club this past year. "You should get involved and enjoy the club. You can make a difference and the more involved you get the more you will understand and appreciate the full scope of Rotary", he said.

President Bob covered some of the activities at the District Conference which in his opinion was the finest he had attended. Alan & Jim Rowe, Dick Holden, Dan Mooers were presented with Paul Harris Fellow's at the conference. Then as a surprise, Penny Carson was presented a Paul Harris Fellow by her parents Lucy and Chris Pachios. Another surprise was Jan and Paul Butler receiving Paul Harris Fellows from each other.

One of the goals that Bob set to be realized during the past year was to increase membership to 60. We gained 10 and lost 7 and finished with 55. The 90% attendance goal was exceeded in 4 of the 12 months and an annual average of 88.02% was made, coming close to the goal that was set a year ago. Another goal of adding one Paul Harris Fellow to the 7 at the beginning of the year was easily achieved and passed. 9 new Paul Harris fellows were named. In addition to the seven mentioned above President Bob himself and Governor Sam's wife, Helene, became Paul Harris Fellows.

Bob also gave special thanks to the following members who contributed to the success of the club during the past year and presented them with a Rotary necktie :-

Dick Pyne - VP & Christmas Trees, Dan Mooers - Secretary, Bill Kourakos - Treasurer and District Conference Chairman, Jim Rowe - Community Service Director & Raffle, Alec Livingston - Community Service Director, Jack Roberts - Vocational Service Director, Ralph Miller - International Service Director, Doug Stewart - Bulletin and Paul Butler - Program.

Special mention and recognition went to:-

Duane Rancourt - Sergeant at Arms coordinator, Larry Carey - 2nd VP, Bill Stanton for the Xmas Party, Tony Wagner - Student Visits & Cape Family Fun Days, Dick Rawlings - Cape Family Fun Days, Bill York - Theater Project and Andy Mezoian who had an article published in the Rotarian.

Doug Stewart will introduce Pamela Briggs who is the Information manager for Maine Yankee Atomic Power Co. Mrs Briggs will make a presentation about the Maine Yankee plant which will soon face a third referendum about it's future.

NEW OFFICERS & DIRECTORS

President Dick Pyne took over the gavel from President Bob last week. Bob passed the President's pin to Dick and Dick presented Bob with his Past President's pin. Dick also presented Bob with a plaque "For a real Rotarian" with a mounted gavel to commemerate his outanding year as president.

President Dick introduced the new officers and directors for the 1986-1987 Rotary year:-

Larry Carey - First vice President, Jim Rowe - 2nd Vice President, Dan Mooers - Secretary, Bill Kourakos - Treasurer, Jack Roberts - Club Service, Alec Livingston - Vocational Service, Joe Conroy - Community Service, Alan Leathers - International Service, Bob Carson - Director at Large.

UPCOMING PROGRAM CHAIRMEN

JULY 9.....Dave Smith
JULY 16....Sam Giftos and his Butler, Paul
JULY 23....Doug Stewart
JULY 30....District Governor

Please submit your program to TWO LIGHTS in advance.

WEEKLY RAFFLE

Wouldn't you know it! The newest member of the club won the raffle. Frank Gemme carried off the prize which was two bottles of wine and a cheese ball attractively decorated with flowers and donated by Doug Stewart. Good natured boos greeted this coup by Frank who is a member of the notorious Stoneybrook Road Gang.

Upcoming raffle donors:

JULY 2.....Dick Yerxa

SERGEANT-AT-ARMS

JULY 2.....Jeff Hobbs

MEMBERSHIP DEVELOPMENT

Our Rotary club should be a channel of service. But service may never happen....if the right man is not proposed as a new member. Each club member has an opportunity to extend Rotary by proposing the right man.

WEEKLY RAFFLE

One more year is needed on the weekly raffle to cover the expenses of the Balsam Convention we just hosted. It was decided by the board that continuing the raffle was preferred over a member assessment for a couple of reasons. First, it seems to be enjoyed by most people, and second it does generate some income from outside the Club.

This year the newer members will take turns selling tickets as a means of acquainting the Club with these people. Bill York has volunteered to be our mast of ceremonies.

The support of the Club this past year, in bringing in prizes, and taking chances has been superb. The new raffle will begin in August. Let's make this one as successful as last years. This week's Raffle was won by Bill Kilroy and Bill Holden. Many thanks Bill Yerxa for the weedwacker and dolly - excellent prizes!

A FEW SHIRTS LEFT

Jack Roberts still needs to sell a few T-shirts to break even. If all the shirts are sold \$40.00 will be available for the internal budget. All shirts remaining are X-Large, they do run a little small however.

SOFTBALL FUND RAISER

Don't forget to keep July 20th open for your calender. The success of failure of using softball as a means of raising funds in an enjoyable way depends on the number of people we can get out to the field to watch us play W.Y.N.Z. In addition to bringing yourself, why not invite a few of your neighbors for an interesting afternoon.

Funds will be raised by WYNZ by selling chances on cases of Pepsi. The radio station will do a number of promotional spots prior to the game date. All proceeds will be turned over to the Rotary Club to use as we desire. The game will be played on SMVTI on Fort Road.

In addition to the game with WYNZ an interesting schedule is taking shape that will afford an excellent opportunity for Rotary fellowship. It appears we will have games scheduled with Scarborough, Brunswick, and Biddeford-Saco.

On Sunday, July 13th, we will either practice for the benefit game, or compete with Brunswick. Either way a good tune up for WYNZ so we don't embarrass ourselves.

THIS WEEK'S PROGRAM

Dave Smith will introduce Bert Andrews, President of Junior Achievement. The purpose of J.A. is to motivate, stimulate, and activate sutudents toward business endeavors and Mr. Andrews will describe the organization's effort toward these ends.

UPCOMING PROGRAM CHAIRMEN

DIRECTOR MEETING

The Board of Directors will meet on Tuesday, July 8, 1986 at 7:00 p.m. at Dick Pyne's house.

CAPE FAMILY FUN DAYS

Tony Wagner reported that a potential \$750 profit can be realized from the Cape Family Fun Day activities. George Chandler was also recognized for his contributions to the effort.

ROTARY INTERNATIONAL CORRESPONDENCE

Dan Davidson brought the group up to date on his response from Ed Cadman outgoing R.I. President. Ed explained that the subject of women in Rotary was likely a topic for discussion at the 1989 Council of Legislation. The outgoing R.I. President also said that he felt "no useful purpose" was to be served by opening debate in the Rotary magazine, although the questions of editorial freedom in Rotary is to be discussed in September. Dan Davidson expressed frustration at the time delay concerning review of women in Rotary fearing embarrassing legal and public relations developments before a decision is made.

FIRST THE BAD NEWS

Weekly meals are now \$8.00

LAST WEEK

The club heard from Charles Frizzle the Vice President of operations at Maine Yankee Nuclear Power Plant. He outlined the history of nuclear power in Maine and reviewed the economics associated with closure of Maine Yankee. The potential exists for a dramatic increase in rates for the consumer (both residential and industrial) if Maine Yankee is closed prior to its scheduled delicensing in 2008.

In response to questions, the Maine Yankee official noted that the cost of one quarter of the electricity used in Maine will double. Serious questions remain regarding the disposal of high level nuclear waste.

WHAT KIND OF ROTARIAN ARE YOU?

1. SOME ARE LIKE WHEELBARROWS - no good unless pushed.
2. SOME ARE LIKE TRAILERS - no good unless pulled.
3. SOME ARE LIKE CANOES - they need to be paddled.
4. SOME ARE LIKE KITES - if you don't keep a string on them, they will fly away.
5. SOME ARE LIKE BALLOONS - full of wind and likely to blow up unless handled carefully.
6. SOME ARE LIKE A GOOD WATCH - open face, pure gold, quietly busy, and full of good works!

This is a self-test. How did you score?

NEW EDITOR FOR TWO LIGHTS

Dennis King is taking over as editor of TWO LIGHTS from Doug Stewart who has been editor for the past 18 months. Items that should get published should be sent to Dennis at the address on the mailing portion of the bulletin. Change of address and change of information on the directory should be called in or sent to Doug Stewart who is continuing to do the mailing.

Please cooperate and send information that requires communication to all the members to the TWO LIGHTS. Remember not all members are present at all meetings. Surveys, hand-outs, etc. should be sent to Doug so he can include them with the mailing.

This is your Bulletin! Make it work!

LAST WEEK'S PROGRAM

Bert Andrews, former president and active volunteer member of Junior Achievement, gave an overview of the activities of J.A. In existence since 1965, this partnership between business and education is dedicated to developing positive attitudes toward fee enterprise among youth of Southwestern Maine.

INFORMATION UPDATE REQUESTED

Please check your mailing label and the listing in the directory overleaf for the correctness of the information related to you. If there are any changes that should be made to any of the information, please call Doug Stewart, who is in charge of this part of the production of TWO LIGHTS, so it can be corrected.

AND, NOW, FRESH FROM AN APPEARANCE IN VEGAS...

We present this week, Paul Butler and Sam Giftos who will give us highlights of the R.I. Convention that they recently attended.

UPCOMING PROGRAMS

NEWS OF NOTE

- Upcoming events for fall and winter:
 - 27 August - Husband and wife picnic
 - 24 September - Father, son, daughter night
 - 29 October - Ladies' night
 - Late Winter - Silver Anniversary Party
- The new program rotation schedule will begin on August 20th, starting at the top of the alphabet with Bill Anthony.
- Our undefeated softball team (as yet unnamed) will play WYNZ on July 20th. Please try to attend.
- As a new program, President Dick asks that starting the first week of August, the invocation be done by a different Rotarian each week...Starting with - who else? Bill Anthony.
- The final figures are in. We made \$745 profit on Cape Family Fun Days and \$1,770 on the Wiz. Hats off to Tony, Bill, and those who worked on these activities.

FROM THE DIRECTOR'S MEETING

The Directors want to remind members to submit ideas for donations to worthy causes to the Directors of Avenues of Service. The Directors are Alex Livingston, Jack Roberts, Joe Conroy, Alan Leathers.

Visiting Rotarians from clubs greater than 750 miles away will receive special gifts.

The Silver Anniversary Party Committee is composed of Bob Carson, Bill Kilroy, and Frank Gemme.

VISITING DIGNITARIES

Joseph Hahn, District 779 Governor, will be in town on July 30th. A full day of events is planned for him and will culminate in a dinner in his honor at a place to be announced. We anticipate a selective menu for a cost approximating \$13.00 per person. More information and a sign-up list will be available next week.

We have received late word that Rotary International President, Mat Caparas, will be in the Portland area from August 3rd to August 6th. His schedule is uncertain at this point, but more as the story develops.

TWO LIGHTS

Portland Head Light
Cape Elizabeth

South Portland – Cape Elizabeth Rotary Club
On the Maine coast

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

July 23, 1986

Hail to the Chief

President Dick Pyne became the president of the Cape Elizabeth/So. Portland Rotary Club on July 1. Dick assumed his responsibility following ten years of active service to Rotary. Most recently, while serving as Vice President, Dick was chairman of our highly successful annual Christmas Tree Project.

Dick is a native of Winthrop, Mass. and moved to Maine in 1962. Following 14 years with People's Heritage Bank, Dick recently was appointed to the position of Administrative Officer of Roberts Office Supply. He is a graduate of St. Francis College in Antigonish, N.S. and he and his wife Mary are the parents of three children. They are expecting their first grandchild in early December. "Grandpa" Pyne will reach the big 5-0 on July 25th. His past times include golf and hockey. We are pleased to have him the leader of our club as both his warm personal style and foresight will serve us well in the next year.

Governor's Visit

Governor Joe Hahn and his wife Betty will be visiting our club on July 30th. This will also be a ladies night. The meeting will be at the Sheraton Inn in South Portland and the cost of each meal will be \$13.00. There is a choice of three entrees - Baked Scallops, Roast Sirloin Bordelaise or Chicken Kiev. You must sign up and honor your commitment for this event.

The Officers and Director's of our club will be meeting with the Governor in the afternoon in the Little River Room to cover the goals of our club this coming year.

It is hoped that all members and their wives will gather for cocktails at 6:00 p.m. and dinner at 7:00 p.m. in the Whaleback Room at the Sheraton. Doug Stewart is in charge of the sign up and everyone should contact him as to their plans for attending this meeting.

R.I. President Caparas Maine Tour

R.I. President Mat Caparas will be in Southern Maine from August 3 - 6th. He will be the guest of honor at a downeast shore dinner to be held at the Shawmut in Kennebunkport at 5:30 on the 4th of August. Since there is a limit of six people for each club, those interested in taking advantage of this unique opportunity must contact Bob Carson immediately. President Caparas will also be visiting the Bath Club on Tuesday the 5th at 12:00; the Scarborough Club Tuesday evening, and will conclude his tour by visiting the Biddeford Club Wednesday at noon. Those wishing to make up at those clubs must contact the Presidents of the respective clubs in advance.

News of Note

- Bill Kourakos ask that you bring any questions about the Club financial statements to the next meeting.
- Jack Roberts reminds us all of the Rotary softball game with WYNZ on Sunday, July 20th at 3:00 at the SMVTI field. Please come and bring guests for this fundraiser.
- The Gardiner Club will be hosting it's Annual Golf Tournament on August 9th. Please see Dick Pyne for additional information.
- Dr. Effron, Principal of Cape Elizabeth High School, sent along his thanks for our financial sponsorship of the recent conference on substance abuse and driving held for sophomores at the school.

Last Week's Program

Paul Butler and Sam Giftos gave highlights of the recent R.I. convention in Las Vegas. Rotarians from all over the globe were represented. It's too bad that Paul was stuck with such spartan accommodations.

This Week's Program

Tony Wagner will introduce Lionel Caron, Operating Superintendent at S.D. Warren, to talk about the new installation of a biomass boiler at the Westbrook mill.

Sargent at Arms Assistants

Duane Rancourt reminds the following of their Sgt.-at-Arms duties: July 23 - Bill Stanton, July 30 - Duane Rancourt.

Bottoms Up

President Dick has asked for a reversal of the order of responsibility for the weekly invocation. Instead of starting out at the beginning of the alphabet on August 6th, we will start at the end of the alphabet with Bill York as the first grace sayer.

Volunteer Chairman

Dave Chadwick has agreed to be the chairman of the upcoming husband and wife picnic to be held the last meeting in August. Tom Hennessey will be the chairman fo the Father-Son-Daughter night the last meeting in Sept.

Thank you's

Several young people who were beneficiaries of our fundraising activities sent along their appreciation including: Steven Sarkozy, Cape Elizabeth scholarship recipient. Julie Most, Cape Elizabeth scholarship recipient. Susan Lambert, Cape Elizabeth scholarship recipient. Brian Carroll, Cape Elizabeth Boy's State Deleगत

Rotary 13 - Pepsi Challengers 12

Rotary's answer to the Bad News Bears notched another victory on Sunday against the WYNZ Pepsi Challengers. This was a hard fought game from start to finish that really tested the character of the team. The final run was scored on a daring sprint by Tony Wagner who was waved home by Gov'nor Sam.

The turnout to witness the club in action was a bit disappointing. However, thanks do go out to Bill Kourakos, Sam Giftos, Warren Simpson, and especially to Allen Rowe, who graciously agreed to serve as the official scorekeeper.

Proceeds from the game amounted to \$41.00. The winner of the case of Pepsi was Jack Roberts, who promptly shared his prize with his teammates and families.

This week's Team Roster:

Paul Butler, Dick Pyne, Dave Chadwick, Jack Roberts, Dan Davidson, Jim Rowe, Phil Dube, David Smith, Bob Flynn, Tony Wagner, Alan Leathers, Bill York, Alec Livingston.

The next softball game is scheduled for August 10th with the Scarborough Club.

Return of the Raffle

The weekly raffle will begin again on August 6th. Many of last year's donations were extremely generous. Good raffle items should be available in the \$10-\$15 range. Spending more shouldn't be necessary.

Upcoming raffle donors:

August 6 Bill Anthony
August 13 Dave Bagdasarian
August 20 Carroll Beck
August 27 Bob Bogosian

Governor's Visit

Governor Joe Hahn and his wife, Betty, will be visiting our club this week on July 30th. This is a ladies' night and the meeting will be at the Sheraton Inn, South Portland. The cost of each meal will be \$13. There is a choice of three entrees - Baked Scallops, Roast Sirloin Bordelaise or Chicken Kiev.

Cocktails at 6:00 and dinner at 7:00 in the

Whaleback Room. Contact Doug Stewart at 767-2351 at once to sign up if you have not yet done so. Please remember to bring the extra \$5 per meal to make it easier for Don.

Members Wanted

As usual with this time of year, the Club has experienced shrinkage in members. All Rotarians are asked to redouble their recruitment efforts in the near future to enable us to stay strong, healthy and creative.

Directors Meeting

President Dick will host a Board Meeting Tuesday, July 29th at 7:00 p.m. at his house.

M.A.T. Caparas Visit

Plans are now finalized for R.I. President, M.A.T. Caparas' Maine visit August 3-6th. If you wish to make up that week at Biddeford, Bath, or Scarborough, contact the club presidents immediately. Gov. Joe has asked Dan Davidson to assist with public relations for the visit. We are pleased to see S.P./C.E. involvement in making this extraordinary event a success.

Last Week's Meeting

Tony Wagner introduced Lionel Caron, Operating Superintendent at S.D. Warren, who led us on a tour of the new biomass boiler at the paper mill.

Designed to take advantage of waste forest products in Maine, the boiler also produces excess energy which is sold to C.M.P.

District Governor Visits

Governor Joe Hahn gave a motivational speech highlighting Rotary's contribution to the health and welfare of the world. Governor Joe stressed the need to view Rotary as similar to that of our service duties to our family and our religion.

The District Governor also reflected on R.I.'s history of service to humanity through the 3-H program and various Foundation Exchange Programs. He noted that over \$209 million worldwide had been contributed through the Foundation.

One of our priorities for the coming year needs to be the promotion and extension of Rotary influence, Joe stated. He encouraged District Rotarians to develop new clubs and to involve youth and solicit the help of others outside Rotary (i.e., local governments) to multiply the effectiveness of local programs.

Lastly, Governor Joe requested that District Rotarians actively contribute personally and as a club to the Samantha Smith Foundation. Money raised in the District would go toward meeting a \$30,000 Rockefeller Foundation challenge Grant recently announced by Samantha Smith Foundation.

Following his stimulating speech, Secretary Dan Mooers announced that the Board of Directors had approved a substantial contribution to the Smith Foundation and would challenge other District 779 clubs to do the same.

Surprise, Bill

The 18th Paul Harris Fellow was introduced last Wednesday in a surprise announcement by Past District Governor Sam Giftos. In recognition of his outstanding organizational skills and personal efforts at making the District conference so successful, conference general chairman Bill Kourakos was so honored by his club.

More Thank You's

The following organizations have sent along notes of appreciation to our club:

Portland YMCA - donation of two camperships
So. Portland Library - two sets of encyclopedias
Cerebral Palsy Center - \$2,500 donation
Project Graduation, So. Portland - \$200

Maine Audubon Society - \$211 for camperships
Community Entertainment Agency - \$50 donation

Directors Meeting

The regular Board of Directors Meeting will be held Tuesday, August 5th at 7:00 p.m. at Dick Pyne's house.

Tony Award

In recognition of his \$1,000 contribution to the Polio Plus Fund, Tony Wagner was awarded a medallion and a citation by P.D.G. Sam Giftos. Congratulations and hats off to Tony for his generous humanitarian gesture.

Pyne Hits Half Hundred

Sophie Kourakos reminded participants at last week's dinner that our President recently turned 50 last week. Do you suppose he has the same hairdresser as the other President?

This Week's Program

Dick Yerxa will introduce David Irons who is associated with Dale Carnegie, who will address the group on motivating employees.

From the Insurance File

State Farm paid a \$804 claim to a New Jersey man who took a radio report too literally and smashed all his home windows last September. The report recommended that windows be "cracked" to minimize wind damage from Hurricane Gloria. Instead of slightly opening his windows, the man broke them with a hammer.

President Caparas Visits Maine

The keynote to R.I. President M.A.T. Caparas' visit to Maine was a well-attended lobster and clam bake reception at beautiful Shawmut Inn in Kennebunkport on August 4.

Caparas gave a very personal and inspirational talk about international service in underdeveloped countries. He also mentioned that R.I. will have a group study exchange this year to both Yugoslavia and Budapest.

District Governor Joe Hahn said he now has a new meaning for "PDG": it's "permanent dinner guest." Governor Joe has been hosting Mr. Caparas as he visited several clubs in southern Maine this past week.

On the subject of women in Rotary, Caparas said it is a very emotional issue and many members find it hard to discuss rationally. He added that, due to the Duarte case in California, we now must talk about it. The Duarte club's membership in R.I. was terminated by the Board of R.I. when it admitted women. The club lost a court case in California when it was ruled Rotary is not a business. However, an appeals court later ruled Rotary is, in fact, engaged in business and ordered the club reinstated with its women members.

As we all know, the 1986 R.I. Council on Legislation ruled once again against women. Now R.I. has until September this year to decide whether to appeal the Duarte decision. There are two options: (1) a 2/3 vote of the Council can change the by-laws but it won't meet until 1989, (2) under the law, R.I. can deem "by implication" its by-laws null and void per the California decision and therefore permit women Rotarians in California.

Caparas said, "It's not the end of the world if women are admitted." He added that a true Rotarian will still serve and help his fellow human beings even if women are members.

Our club was represented at the Shawmut Inn by Paul and Janet Butler, Bob and Penny Carson, Dan Davidson, Sam and Helene Giftos, Dick and Mary Kilroy, Dan Mooers, Dick and Mike Pyne.

Dues Due

Our club secretary reports that there are still a number of members who have not paid their 86/87 dues. Give Dan a break and see that these are paid before he has to begin chasing people down.

On Sunday, August 10, at 1:30 p.m., SMVTI field, bring a picnic lunch. Looking forward to seeing as many non-playing club members and their families as possible. A grill will be available. The next game will be on August 24th.

New Members Proposed

Prakash A. Choolani (Babu), owner of Peter Renney's Fashion, lives on Pys Road in Portland. Classification of Men's Fashions. Proposed by Sam Giftos.

Angelo Ciocca, resides at 10 Great Pond Terrace. His classification would be Real Estate Development. Proposed by Tony Wagner.

Any objections must be made known within ten days.

Last Week's Program

Bill Yerxa introduced Dave Iron, broadcaster and salesperson for the Dale Carnegie Courses, who talked to us on the subject of motivating employees.

Advance Notice

Our annual picnic will be held on the 27th at a location to be announced. Don't forget it is a ladies' night. Cost of the lobster meal will be \$8.00 per person.

Next Week's Program

Bill York will introduce a surprise guest this week.

Vacation Time

Your editor will be on vacation for the next two Wednesday's. Jim Rowe has agreed to write the bulletin. Kindly provide him with

Samantha Smith Foundation

Our club is supporting District Governor Joe Hahn's effort to raise money for the Samantha Smith Foundation by challenging other Rotary Clubs to match our \$1250 donation.

The Foundation's main goal is to set up an active and constructive exchange program between the youth of the United States and the Soviet Union. Another large national foundation will also match our contribution.

Softballers Triumph

Dick "Oil Can" Rawlings hurled the "Rotary Mowers" to a 15-8 victory over our counterparts from the Scarborough Rotary Club last Sunday at SMVTI. A capacity crowd thrilled as third base coach "Pee Wee" Giftos waved home run after run. "Yogi" Butler, optioned to Scarborough at the start of the game, has asked to be traded to Biddeford-Saco, our next opponent. Good seats are still available for the August 24th game.

S.O.S.

"A lot of men are afraid of women [and feel that] women have castigated them." -undercurrents felt by Rotary International President M.A.T. Caparas.

Council on legislation delegate Harold Fralich has noted that many developing countries have not experienced the civil rights movement to the same degree as the more developed ones. Women are considered inferior in many places. Also, many Rotarians in developed countries consider Rotary's male-only status sacred. To these traditionalists, Rotary is a men's club.

Arguments on the other side are concerned with:

- 1) Discrimination
- 2) Untapped resources--women could provide a wealth of knowledge and ability.
- 3) Rotary's image. It is difficult to seek public support when our admissions policy is not popular. Continued "bad" publicity is eroding our strength as an organization.

President Caparas said in his recent trip to Maine that discrimination should not appear "in any form", however his official position must be to support the constitution and by-laws of the organization.

How do you feel? Use your bulletin as a soap box.

Last Week's Program . . .

Dan Davidson presented Charles Todorich, editor and publisher of "Maine Enterprise" magazine. Mr. Todorich gave a refreshing and inspiring talk on starting his new publication. "Synergy"--working together for the good of the whole is the byword of the eighties. Good people and passion have made his efforts more successful than others relying on far greater financial resources.

On behalf of the board of directors, Alec Livingston issued a challenge to each member of our club. We must come up with quality projects toward which we may direct our external funds.

Criticism is useless unless constructive.

All board meetings are open to the general membership. See President Dick in advance to get on the agenda, or contact any member of the board (listed on the back of this bulletin).

This Week's Ladies Night . . .

A lobster bake at the Fort Williams pavilion at 5:30 on the 27th--rain or shine. Dave Chadwick is chairing the event. Contact him before noon @ 846-3939 if you haven't signed up.

Us 5 - Them 15

Our undefeated softball team found itself on the short end of the stick following the August 24th game with the Biddeford-Saco Rotary Club. The Biddeford team fielded a team of 25 players against our mighty 9. Those who witnessed the event attributed our fall to a hitting slump combined with hellacious fielding. All in all, a fun time was enjoyed by all with lots of good sportsmanship exhibited between the two clubs.

Picnic A Success

The picnic held on the 27th of August was a big success attributable to the organizational skills of Dave Chadwick and his committee. Joining us for the lobster feast were guests Gene Millard, Gerry Bryant and Dick Pyne's dad.

This Week

Dave Bagdasarian will introduce Joe Cupo, weatherman for WCSH, who will explain to us the reason for the dreadful weather this summer.

Note for Weekly Program Chairmen

If you are arranging a program with an illustrious speaker or setting up a program that could have any publicity value to the club, please let Dan Davidson (Publicity Chairman) know well in advance so we can take advantage of a possible press release.

Special Thank you

Special Scholarship Program

Past District Governor, Sam Giftos, introduced Calvin Riley of the Island of Monserrat in the Carribean who is the recipient of a special District 779 scholarship. For years, \$2.00 of each District 779 Rotarians' dues has been committed toward the establishment of a scholarship. Last year, the District opted to award the scholarship to an individual in a developing nation to study in a vocational education program. Calvin was selected and he will be talking with our club later in the year about his experiences. Incidentally, this scholarship effort is in addition to District 779's support of Rotary Foundation activities.

The Forward Look

President Dick and the Board of Directors have adopted the following major objectives for our club for this year:

1. Analysis of Community Service Survey - select problems that need corrective action development.
2. Emphasis on development of a good public relations program to increase the image of Rotary in our communities.
3. Involvement of all new members in the activities of the club to help develop in them an awareness of what Rotary is all about.
4. Improve social interaction between neighboring clubs.
5. Develop information regarding "Meals on Wheels" Program.

Do you have thoughts, ideas, or energies to lend toward achievement of these objectives?

The Last Word...

The universal brotherhood of man is our most precious possession, what there is of it.

Board Meeting Change

The monthly meeting of the Board of Directors will be held on Monday, September 8th at Dick Pynes' house at 7:00 p.m. The meeting was rescheduled due to a conflict. President Dick reminds Rotarians that they are welcome to attend to see how our Board deliberates.

More from Mooers

Dan Mooers reminds us all of the need to maintain our excellent attendance record. We have slipped into the 70% range during the vacation season and we need to redouble our efforts to achieve 90% plus. Please make sure you get make-up cards to him as soon as possible.

Also, if you did not receive a membership card, but paid your dues, please see him. If you have not paid your dues, please do so immediately.

Coming Attractions

Maxine Beecher, a local businesswoman, will speak on the National Drug and Alcohol Program at this week's meeting. She will be introduced by Carroll Beck.

Scoop from Cupo

At last week's meeting, Joe Cupo gave an overview of the science of weatherforecasting, noting that the accuracy of the prognostication is dependent upon the experience and judgment of the local meteorologist. For those of you expecting a warm fall and winter because of lower daily temperatures this summer, don't hold your breath. The nighttime temperatures were above average.

Dick Kilroy is a patient in the cardiac unit at Maine Medical Center. Best wishes for a speedy recovery, Dick.

Change in Location Noted

Because of a golf tournament scheduled at Purpoodock that day, the father-son-daughter night will be held at another location that evening. Event Chairman, Tom Hennessey, will keep us posted as soon as a new location is found.

Redistricting Discussions

President Dick announced that a district President's meeting is being held on Saturday the 6th of September to discuss the division of District 779 into two parts. Any members are welcome to attend this meeting which is to be held at the Town Club in Sanford.

Achtung!

The 1987 R.I. Convention will be held June 7-10th in Munich, Germany. It will be a celebration our theme, "Rotary Brings Hope."

From the Insurance File

And then there was the woman who took literally a salesman's pitch that her new van equipped with cruise control would practically drive itself. Days later, the woman was cruising along on a highway in the Washington, D.C. area when her baby started crying from the back of the van. The dutiful mother momentarily left the wheel to get the baby, and a multiple car crash (with only minor injuries) ensued. Allstate paid off that claim too.

Editorial Corner

The following is the text of a letter sent to R.I. President, M.A.T. Caparas, by Dan Davidson

"First, I truly hope you had a pleasant and successful visit to Maine recently. It was a pleasure and privilege to have met you at the Shawmut Inn lobster reception and to hear your very poignant comments. I wish you every success during your year as our president.

Awhile ago, you received a copy of an extensive package of correspondence I had sent to Dr. Cadman (under my cover letter of May 28, 1986). The subject was twofold: women in Rotary, and the issue of freedom of The Rotarian to print discussion on subjects of interest to all of us ... such as women in Rotary.

My position on women is that we are not only wasting a valuable resource for the good of the organization, but are jeopardizing

the organization as a whole by not acting now. We need to take action voluntarily, in the U.S., before we are embarrassed by being forced to take action (witness the Duarte case).

With regard to our (the membership's) magazine, I was told it will not print discussion of controversial matters per the orders of the Board. I feel strongly this is a violation of freedom of the press and it is certainly not in the best interests of the membership not to use our only vehicle as a forum for matters of concern to all Rotarians.

It seems to me it would be a worthwhile Rotary investment to commission a public opinion/attitude survey/poll to determine the extent of this perceived issue on women and the depth of feelings across the United States, one way or the other. I look on your position as similar to the CEO of a one-million member

organization. It is in the best interests of all to define the issue and know all we can about this major controversial, and undoubtedly legal, public issue.

Finally, I am enclosing a recent editorial from a local newspaper here in Portland. It is likely, I feel, to be matched in cities all across our country. The problem will not go away while Rotary takes a "wait and see" attitude" (see Dr. Cadman's letter to me of June 18, 1986, last paragraph); we need to be proactive.

Having heard your speech here, I am convinced your personal views are correct, humane and farsighted. I'm deeply concerned that you are bound by the rules of the international body, and bound to apply them to the more progressive countries such as the U.S. which should be moving toward changing its rules about women, unilaterally, if necessary ... and now.

Thank you for listening."

Father-Son-Daughter Location Announced

The September 24th meeting will be held at the Bridgeway restaurant at the usual time. Chairman Dick Hennessey reminds us to sign up now to indicate how many young guests will be attending. There will be entertainment provided by a magician.

Advance Notice

Mark your calendars now for our Christmas party December 10th. Bill Stanton, event organizer, is getting prepared early for what promises to be a fun time.

Big Time Little League Helpers

Tony Wagner is leading the Rotary effort to rebuild the Family Field bleachers for the Little Leaguers. The project workday is scheduled for Saturday, September 20th with a rain date of Sunday, September 21st. All are invited to help with the chance that there may be a softball game to add spice to the day.

Proposed New Member

Mike McGovern, Town Manager of Cape Elizabeth, is proposed by Alex Livingston. Please convey any objectives within ten days to the Club Secretary.

Redistricting News

Please direct your attention to the enclosed letter from Governor Joe to club presidents regarding redistricting. We need to convey our club's thoughts to R.I. by October 1.

Last Week's Program

Carroll Beck introduced Maxine Beechler, who is coordinator of Community Drug Program for South Portland. She offered many timely insights on the growing drug abuse problem in Maine.

Nous Allon à Trois Riviere

The 1987 District Assembly will be held in Three Rivers, Quebec in June. Governor Joe will investigate the feasibility of a bus for Southern Maine Rotarians.

Update of Dick

Dick Kilroy is improving at Maine Medical Center following his heart problem.

Bob Bogosian will introduce a surprise guest.

Roberts New Rules

Jack Roberts reports below the new procedure of membership recruitment.

HOW TO PROPOSE A NEW MEMBER REVISED PROCEDURE 1986

Every Rotarian shares the responsibility of seeking qualified men for unfilled classifications. In this way, every club member can help his club achieve a full representation of the business and professional life of the community.

Proposal cards should be obtained from the Club Secretary, completed, and returned to the Secretary. The proposal is then referred to the Classification and Membership committees. Once out of the committees, the Board of Directors will act on the proposal.

The Board's decision being favorable, the Secretary notifies the proposer that he should invite the proposed member to a regularly scheduled dinner, at which time he shall be fully informed of the privileges and responsibilities of membership in a Rotary Club and secure his permission to publish his name and classification to the membership of the club.

After permission to do so is secured, the Secretary notifies the club members by written or printed communication and if no objections are filed within ten days, the applicant, upon payment of his admission fee, is considered elected to membership.

SPECIAL NEW MEMBERSHIP INCENTIVE

The Board of Directors also voted that the Club's internal funds could cover the proposed member's initial meal. This special incentive is available to any member of the club as we make an all-out effort to boost our membership. There are plenty of good candidates that only need to be given the opportunity to serve in Rotary. Let's find them.

In order to qualify, the guest must be a proposed member in accordance with the procedure outlined above.

Maine in R.I. News

The R.I. News reported that the Rotary Club of Waterville, Maine, U.S.A., is helping to restore healthy elm trees (ravaged by Dutch elm disease) to its community. The club donated U.S. \$5,000 for the care and maintenance by Boy Scouts of seedling disease-resistant elms nurtured on land provided by the local college. The goal: to plant the trees at selected sites and bring back to Waterville its long-held nickname "the Elm City."

Bogosian's Surprise Unveiled

After much suspense, Bob Bogosian's surprise guest for this week turned out to be Alan White, Cape Elizabeth Middle School swim coach and coach of the local Nautilus Swim Team. Alan briefed club members on the effect athletes have on the development of positive attitudes among youth. A side benefit of a good swim program is the attraction of new professionals and families to the community, he noted.

Next Week - Kids' Time

All Rotarians are invited to our meeting next week at the Bridgeway. The meal will be at the same time and will feature entertainment for Rotarians and their children. Please check with Tom Hennessey if you have not indicated the number of people attending from your family. By the way, Larry Greenwood (Greenwood the Great), a local magician, will be the attraction.

A District Divided...

President Dick led the discussion at last week's meeting concerning our club's feeling on the R.I. redistricting proposal. Disadvantages of splitting up cited by members included: strength of current district, positive effects of Southern New England-Canada fellowship, and benefits of current affiliation with central Maine.

The advantages associated with separation of the district include: size of district and span of control associated with 60+ clubs, smaller district assemblies requiring less travel and expense, and a potentially stronger "northern" voice in district governance. Following considerable discussion, the Cape

Elizabeth/South Portland Rotary voted to recommend to Governor Joe the acceptance of option #4 in favor of splitting District #779.

Duties for Next Meeting

Rotary Appeals California Court Decision

U.S. Supreme Court Justice William Rehnquist recently declined to stay a California Appeals Court ruling that R.I. must readmit the former Rotary Club of Duarte, California. That club was terminated in 1978 because it had admitted three women to membership and therefore was no longer following the agreed-upon membership rules of the Standard Rotary Club Constitution.

A trial court in California confirmed R.I.'s authority to enforce Rotary's membership rules, under which Rotary clubs have agreed to operate. The Appeals Court "reversed" the decision of the trial court, saying Rotary clubs are sufficiently similar to businesses to be subject to laws of the State of California against certain types of discrimination, such as limiting membership to males.

Sometime in October, the Supreme Court of the United States will decide whether to consider a formal appeal of the decision, now in preparation. In the interim, the Appeals Court decision is expected to become effective in California.

The Garden

The way we work in our community is similar to tending a garden. While maintenance is necessary, it is also important to plant new seeds - to plan ahead for what we want our community to be in years to come. Let's think carefully about what we should plant in our "garden." Making it grow takes work. There's more to Community Service than just hoping for rain.
