Last Week's Program

The father-son-daughter night was a huge success according to the hardest critics, the kids themselves. Magician Larry Greenwood ("Greenwood the Great"), was "totally awesome." Thanks to Tom Hennessey for a well planned affair.

Carson Show next week

Bob Carson will introduce Penelope Carson who will relate her experience as a Cape Elizabeth Town Councillor. Penny will also provide us with an overview of major issues facing Cape Elizabeth.

R. I. 1988-89 President Nominated

Rotarian A.H. Royce Abbey of the Rotary Club of Essendon, Victoria, Australia, was nominated unanimously for the office of President of Rotary International in 1988-89, at the 15 September, 1986, meeting of the Nominating Committee for President, held in Evanston, Illinois, U.S.A.

Dick back in Hospital

Dick Kilroy is once again a patient at Maine Medical Center. Our prayers for a speedy recovery are with him.

Advance Reminder

Event Chairman Dave Hitchcock has begun planning for the October 29th Ladies Night. More details will follow as events shape up.

Bleacher Project Report

At the last meeting, Tony Wagner and Bill York reported on the bleacher project. The group of workers were able to effectively combine work and pleasure for the benefit of the local Little League program. For those who did not get a chance to participate, there will be another work bee scheduled soon to complete the project. Workers last week included: Dan Davidson, Al Rowe, Jim Rowe, Alec Livingston, Frank Gemme, Dave Smith and Tony Wagner and Bill York.

More of Redistricting

Governor Joe Hahn had the following column in his recent District Newsletter:

Redistricting - What Do Others Think?

Although many have voiced their encouragement for my move to redistrict, and some have written their support, all is certainly not on the positive side...Following are their views and my comments.

First - and the ones who have done the best job in saying NO - is from the Newburyport Rotary Club. You all were mailed a copy by the Newburyport Club so I ask that you read it carefully. I do not fully agree with their arguments regarding the age of the District Governor. I have nothing against Albert Einstein, Thomas Edison or Ronald Regan (in this context!!) but neither of them ever tried to lead 67 volunteers. Look elsewhere in my newsletter regarding the minimum of 80 clubs; I can predict them within two or three years, easily.

Second - a letter from Portsmouth says in part "While our Board members and most of our past presidents agree that future redistricting is probably inevitable, we do object to your proposal as regards timing and procedure. In June, at the Balsams, we heard that R.I. decided to leave 779 and is and at the Kennebunkport Clambake, M.A.T. Caparas said "if not broke, don't fix."

What was heard at the Balsams was that R.I. does not have the power to redistrict, if we don't do it, they cannot. In regards to what MATT said at Kennebunkport, I have it all on video tape and I cannot find him saying this. What I have on tape is this: MATT said that in 1964 his district had 50 clubs spread over a distance of 1,000 miles; and that in 1964 the district was split in two. Then he said,

"I would not have accepted the job of District Governor if the district had not been divided. It would have been impossible for a comparatively young struggling lawyer like I to accept such a responsibility. But when I was told that my district would have only 27 clubs, then I felt it was a task that I could, with some help, perform. The crucial decision in promoting the extension of Rotary is the decision to divide the district." He added a thought that I think has a great deal of merit. After the re-districting (there are now 9 districts instead of 2), the presidents of all of the clubs get together every one or two years in a reunion of friendship and sharing of Rotary ideas. I think that if we redistrict, this should certainly be done in the future as often as we want. If any of you would like your very own VHS copy of MATT's presentation at the Shawmut Inn, I'll make it for you and mail it - \$6.00 per copy (my cost). The quality is not great (I'm just a beginner) but the sound is clear. Dom Tardif asked if I would have been willing to accept the DG job knowing that

Dist 779 could have 67 clubs. You bet I would have. What is more important to me is that I now have to ask someone to be DG with 80 clubs!!!!!!! I have a lot of trouble with that.

Art Toms wrote a very carefully thought out letter, and I'm going to take a lot more time thinking it through. Art, I appreciate it. Note that the deadline is now November 1st - I hope we have the opportunity to talk about it some more.

Other clubs have written their support for redistricting and for that I am grateful. I hope to have the opportunity to share my thoughts with most of you before the end of October.

Note that since the first week in November will entail a visit to clubs in Quebec, I am extending the deadline for them until after my visit.

P.S. - You might be interested in knowing there are 11 districts in the world with more members and clubs than district 779. 7 of the 11 are in Japan.

Program Coming Up

Upcoming Board Meeting

The monthly Board of Directors meeting will be held Tuesday, October 7, 1986, at Dick Pyne's house at 7:00 p.m.

Last Week's Program

Bob Carson introduced his spouse, Penny Carson, a seven-year member of the Cape Elizabeth Town Council. Penny updated the membership on various projects undertaken by the Council and noted that the primary challenge to local officials is to balance their own opinions with those of the public (in the absence of public opinion).

Award to Rotary

President Dick announced that the City of South Portland had given the club an award for assisting with the development of the Knightville Project.

Up and Coming Events

- October 29th Ladies' night
- December 10th Senior Citizens' Christmas Party
- December 17th Paul Harris Fellow Award to Samantha Smith - Jane Smith will be guest

More on the Samantha Smith Foundation Challenge

Dan Davidson and Ron Drouin are working on the development of public service announcements to be aired throughout Maine in support of the Samantha Smith Foundation. We will be hearing more about this project as time goes on. It is hoped that we can stimulate interest in the Foundation throughout our district via our challenge to clubs to participate actively in giving.

Repeat Performance

Due to an error in last week's bulletin, the following duties are repeated for the remainder of the month. (Sorry for the mix-up)

This week, Governor Joseph Brennan will be introduced by Dan Davidson. Governor Brennan is a candidate for the First District Congressional seat and will speak to the group on the trade deficit. Let's all turn out to give our retiring two-term Governor a warm welcome.

Timely Reminder

October is an important month for our educators. Last week, Joe Conroy reminded the club that this month is National Education Month - a good opportunity for us to reflect on the quality of our schools and the importance that citizen participation plays in this success. Make plans to be a part of your community's education program.

October is Vocational Service Month

In New South Wales, Australia, 70 high school students explain their academic skills and career goals to local businessmen and professionals who have volunteered as job interviewers in a career training seminar. More than 3,000 miles away in the Philippines, ten outstanding workers accept awards from the nation's president at a nationally televised ceremony. In New York City, New York, more than 1,400 local proprietors and professionals gather at one of a series of educational seminars entitled: "Managing Your Business or Profession in Today's World."

These activities demonstrate the importance of career choice, performance and self-improvement in today's world. Each is carried out with the help of qualified volunteers, sharing their expertise with others. Each is sponsored by a local Rotary Club.

As Rotarians, more than one million business and professional men in 160 lands share an obligation to provide vocational service both in and outside of their Rotary Club. Inside the club, they support and participate in career information and vocational training projects, awards programs that honor outstanding vocational achievement, and other activities which help young people and other individuals in their community prepare for and advance in their vocations.

Outside the club, Rotarians practice Rotary's vocational service ideals in business relations with customers and competitors and share these ideals with colleagues who are not Rotarians. Rotary's vocational service ideals call upon Rotarians to strive for high ethical standards, to recognize the worthiness of all useful occupations and to view their occupation as an opportunity to serve society.

Special Thanks

To Phil Dube for taking notes at last week's meeting in the absence of your correspondent.

Board Meeting Highlights

President Dick noted the following local community betterment donations by our club:

- \$2,200 to the Phyllis Thaxter Theatre in South Portland for a new marquee.
- \$1,500 for a new light pole at the South Portland athletic field (with the proviso that both fields be completed).

Club Families to Honor Samantha

Plans were announced for the December 17th family night at the Sheraton Inn in South Portland. The guest of honor will be Jane Smith, mother of Samantha Smith, who will accept a posthumous Paul Harris award on behalf of Samantha. All members are encouraged to bring family members to this special event. Costs for the meal will be \$15 per adult and \$10 per child under 15 years old.

Last Week at the Club

Dan Davidson introduced the familiar face of Governor Joseph E. Brennan, currently a candidate for the First Congressional District seat. Governor Brennan spoke on the subject of the mounting trade deficit in the United States. He noted that the national debt has doubled in only the past six years. Canada, our largest trading partner, holds a \$31 billion trade differential with the U.S. Brennan feels that the Graham-Rudman bill offers a tempting but inefficient solution to the problem. He favors balanced budget legislation.

Proposed New Member Notice

The following men have been proposed for membership in our club. Please get back to Dan Mooers with any objections within ten days:

Ronald Anton, Program Manager, Substance Abuse Unit, Jackson Brook Institute. Proposed by Jack Roberts.

Thomas Joyce, Systems Analyst, Unionmutual. Proposed by Dennis King.

Next Week at the Club

Dave Chadwick will introduce John Fossett of United Health Resources, who will speak to the group about the hazards of asbestos.

Commercializing Rotary

The policy of Rotary with regard to business and professional relations among Rotarians is that a Rotarian should not expect and far less should he ask for more consideration or advantages from a fellow Rotarian than the latter would give to any other business or professional associate. It is contrary to a Rotarian's obligation to competitors and the spirit of Vocational Service for a Rotarian to grant a fellow Rotarian (because he is a Rotarian) privileges he would not normally accord also to others with whom he has a business or professional relationship. Any use of the fellowship of Rotary as a means of gaining an advantage or profit is foreign to the spirit of Rotary.

From the Insurance File

Human folly accounts for most of the foul-ups. A Government Employees Insurance customer once gave his six year old son a bow and arrow and sent him into the yard to play. The next door neighbor, relaxing on a lawn-chair, was too tempting a target.

"At close range, an arrow was shot into the neighbor's side, piercing the skin and ending a beautiful friendship," reports the insurer, which paid about \$100 in medical bills.

Bowling balls are another common denominator in some goofy claims. One tournament bowler from Delaware lifted a ball from his trunk and put it down to get something else. The ball rolled down a hill and crashed through a window of Union Bank & Trust Co. State Farm paid the bank \$276 for the strike.

Highlights of Last Week's Meeting

Dave Chadwick introduced John Fossett who addressed the club on asbestos hazards. He informed us about asbestos, noting that it has become a public health issue partly as a result of greater longevity. Asbestos removal has become a top priority due to its widespread use in construction.

Last week's meeting also saw the return of Duane Rancourt as song leader. He got a second chance without being "gonged" by the membership.

Wasn't It Great.....

To see Dick Kilroy back in our midst following his recent bout with serious illness.

This Week's Duties

Raffle.....Chandler
Invocation.....Jim Rowe
Sgt. at Arms.....Al Rowe

Yuletide Cheer

Jim Rowe announced that the Christmas trees have been ordered for our annual sale in December. Time to get the hat and mittens out of the closet!

District News

Governor Joe has appointed Marty Ulan of the York Club to study the feasibility of a new club in Kittery.....The Scarborough Club bulletin, Rotary Pioneer, noted an active discussion at the previous meeting between globe-trotters Abe Karan and our own Past District Governor, Sam Giftos. It seems both had returned from overseas trips and were seen discussing the politics of Greece and Turkey. The apparent lively discourse was enjoyed by all at the table, the Pioneer noted.

This Week's Program

Jim Chandler will introduce local T.V. personality, Joe Kelly, (who doubles as the V.P. for New England Telephone). Joe will talk to us about the upcoming referendum on local measured service. He is in favor of LMS.

Moorer's Morsels

Dan Moers reports that.....

South Portland -Cape Elizabeth is one of 101 Rotary Clubs whose name begins with the word

"South." Fifty-four other clubs begin with the letters "S-O-U-T-H." Eighty clubs begin with the word "East," while 19 others begin with the letters "E-A-S-T." The word "West" begins the name of 114 and the letters "W-E-S-T" another 64. Topping the list is North. One hundred twenty clubs begin with the word "North" and another 52 with the letters "N-O-R-T-H." More people would rather head up than down. (Maybe tomorrow night I'll be able to sleep!)

He also noted in the Rotary Directory that.....

The Rotary Club of Winder, Georgia meets Thursday noon at the Women's Club Building. (Are you listening Dan Davidson?)

There are 85 Rotary Clubs in metropolitan Tokyo, Japan. Forty-three are in the same Rotary District. And forty-two in another.

Twenty-four Rotary Clubs have the word "Bad" as the first word of their names. Example, "Bad Axe, MI Rotary Club." (The rest are in Germany and Austria.)

According to the directory, the Newark, New Jersey Rotary Club has 16 (sixteen) members! Do you believe it?

Thought for the Year

"I am a Rotarian. If I propose a new member, Rotary will grow. If I shake some hands, Rotary will be called friendly. If I wear my Rotary emblem every day, people will know I am proud of Rotary."

(Sparks, Louisville, Kentucky)

It's not too soon to start looking for that two millionth Rotarian!

TWO LIGHTS

South Portland — Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

October 29, 1986

"Best Little Whorehouse in Texas"

For Ladies' Night this week, Bill York will introduce Joe Thomas and Derry Randlett, officers of the Portland Players, whose actors will present excerpts from their recent play (above captioned). Event Chairman, Dave Hitchcock, reminds all Rotarians to sign up for this event in advance. As usual, the meeting will be held at the Purpoodock Club.

New Member Efforts

Alec Livingston welcomed Mike McGovern in as the club's newest member last week. Mike is the Cape Town Manager.

Dan Mooers gives the official ten-day notice on the following people:

- Arland Gifford, Cape Elizabeth owner of Gifford Ice Cream. Proposed by Jack Roberts.
- Ralph Kilgore, South Portland. Executive Director of Southern Regional Alcohol and Drug Abuse Council. Proposed by Jack Roberts.
- Vaughn Stinson. Northeast Marketing Manager, Delta Airlines, South Portland. Proposed by Larry Carey.

Correction

Bob Flynn arranged for the visit of Joe Brennan two weeks ago - not Dan Davidson - as previously reported.

O Tannenbaum

Tony Wagner asks all members (especially the newer recruits) to consider becoming supervisor of the unloading of the Christmas trees prior to our annual sale. Four truckloads will be arriving with 3,000 trees in total. Please respond or expect a call.

Tony also expressed his appreciation to Jack, Sam, and Dan for their assistance in completing the first phase of the bleacher project.

Rotarian Response to Dan

Dan Davidson received the following communication from Willmon White, Editor of The Rotarian magazine, in response to his request for greater editorial freedom:

"You will be pleased to know that the Publications Committee discussed the subject of "Women in Rotary" at its recent meeting and has made some recommendations to the Board pertaining to the exercise of greater freedom by the editors of the magazine in presenting this topic and others of controversial nature. Policy does not permit our revealing the precise wording of the recommendation by the committee, but we will certainly be free to report the action the Board takes in relation to it after its meeting in late October and early November.

However, we can tell you that THE ROTARIAN is likely to be treating the subject of "Women in Rotary" in a balanced presentation in the near future."

Last Week

George Chandler introduced "Jolly Joe" Kelly, Vice President at New England Telephone, who gave us his perspective on the local measured service referendum. He urged us to vote no as the average telephone user will benefit from LMS because of usage patterns in the average home.

Mexico or Bust

Our Club T-shirt was seen on the streets of Nogales, Mexico worn by our own Mason Smith. Mason was a contestant in the Nogales to Grand Canyon Run bicycle race held a couple of weeks back. Congratulations on your feat, Mason. By the way, the Nogales Rotary Club meets Wednesday noon at La Caverna Restaurant.

Board Meeting Upcoming

President Dick reports that the regular monthly Board Meeting will be held on Tuesday, November 6th at his house starting at 7:00 p.m.

Special Thanks To...

Dave Hitchcock for a well-planned Ladies' Night. Also a treat was the Portland Players' rendition of "The Best Little Whorehouse in Texas," arranged by Bill York. A grand time indeed.

Philly in '88

PDG Sam Giftos reports that the 1988 R.I. Convention will be held in Philadelphia. This gives us a unique opportunity to attend this affair attended by over 30,000 Rotarians from all over the globe.

Call to Arms

Christmas Tree Chairman, Jim Rowe, asked to pass along the following:

"I have committed the Club to buy 3,000 Christmas trees and 400 wreaths for this year's sale. I am charging you as members to sell 3,000 trees and 400 wreaths. Please help me by registering for four selling shifts and/or work details (lot set-up, lot take-down, or tree unloading). The sign-up sheet will be available at each of the upcoming meetings."

Jim has also agreed to use the standard Julian calendar for scheduling to make it easier for those of us who were somewhat confused by the version he brought to last week's meeting!

Duties This Week

Sgt. at Arms.....Stanton

Program This Week

Joe Conroy will introduce Helen Quigley, a private consultant (formerly with L. L. Bean) who will discuss stress management.

Samantha Smith Testimonial

Dan Mooers brought us up to date on the December 17th meeting which will feature the granting of a Paul Harris Fellow to Samantha Smith. Local, state, and national leaders have been

invited and this will serve as the kickoff for a fundraising campaign to raise money for the Polio Plus Program of R.I. Dan reminds us to fill out the RSVP card and to suggest people in our organization who could donate money.

Our New Sign

Our new sign is up on Waterman Drive in South Portland. Bill Yerxa will donate shrubs to fix up the area around the sign.

Rotary Scholar Visits

Calvin Reilly returned to our club to more fully describe his country of Monserrat.

The skills he is learning as a building trades student at SMVTI will be very useful to his country and to assist with its development. He is in the U.S. on a scholarship sponsored by District 779.

Fractured First Aid

Just hope you never need first aid around a fourth-grade class in Edmonds, Washington. Here are some of their answers to a quiz on first aid.

For head colds: "Put the nose lower than the body."
For fractures: "To see if the limb is broken, wiggle it gently back and forth."
For fainting: "Rub the person's chest, or if it is a lady, rub her arm above the hand."
For asphyxiation: "Apply artificial respiration until the victim's dead."

President Matt Said...

We have spent many millions of dollars in saving lives and promoting international understanding and goodwill through student ambassadors. He added that scholars are going into non-Rotarian countries for the first time and Africans are getting three-year study grants to learn how to maximize food productivity. And...the example of the once full 50-bed polio hospital in Manila that now has only 4 or 5 patients. All summed up - GIVE MONEY!! The Rotary Foundation and the Polio Plus Program are both worthy of our extraordinary financial support.

Last Week at the Club

Consultant Helen Quigley was introduced by Joe Conroy. Her timely topic was the management of stress.

For All Sinoologists

This week's program will offer a special treat. Ning Jiang, an exchange student at USM, will be introduced by Peter Drivas. Ms. Jiang is a native of Peking and will speak of her life and experiences in the Republic of China. Let's give her a warm *nin hau a*.

Money Doesn't Grow on Trees ...

And we have to sell 4,000 of them to support our charities. Jim Rowe again reminds us of the need to sign up now for the duties associated with the tree project. The dates of arrival (and therefore the unloading) of the trees are:

November 28th	December 8th
December 2nd	December 11th

The unloading will take place between 6:30 - 7:00 a.m. At least eight people are needed for an hour or so those days.

Samantha Smith Family Night

Dan Mooers reports planning right on schedule with RSVP's needed ASAP. All District 779 and 781 clubs are invited. If you make up at the other clubs, please invite them in person, as well.

New Member

At last week's meeting, Thomas Joyce of Littlejohn Road in Cape Elizabeth was welcomed into the club by Dennis King. Tom is a systems analyst for Union Mutual.

Roberts' Reminders

New member proposal cards should be turned in to the club secretary. When the card is returned to you, you may invite the proposed as your guest with the club picking up the tab. At this time, you should secure permission to publish the name. Once the name is published and ten days pass with no objections, you may inform the person he has been accepted for membership if he desires.

Is your classification up to date? Could it be more descriptive of what you do? If a change is in order, let Dave Smith know so we can address this problem.

Speaking of Dave, if you have a new member proposal, he will be contacting you for a little information on the candidate. Please give Dave your fullest cooperation.

Interested in a little Roundball? See Jack.

News From Around the District

Raymond E. Gross of Rockland Rotary has been elected as Director of Region I (New England) for the National Newspaper Association for a three-year term.

Camden Rotary Club is developing a project with a club in the Philippines - thinking about donating dental chairs, instruments and supplies. They are now investigating the real needs and will let everyone know if they need help.

Portland Rotary has divided the club into a dozen committees, each dedicated to improving the attendance records of their own members. Among the team names, "Old Guard," "Jim's Jewels," "4 Way Best" and Steve Ryders' "Rough Ryders." Any game like this one is bound to succeed.

Camden (West Bay) Rotary has approved a Vo-Tech House project - they will sponsor the construction of a house to be built by students. This club is really taking off - and they are barely six months old! In another news flash, this club expects to reach a membership of 50 before November 1st.

Bethel Rotary now meets at Martha's Restaurant lower Main Street in Bethel on Tuesdays at 7:30 a.m. Coffee is served from 7:00 a.m. on - come early and enjoy the social half hour.

More Tree News

Last Week's Meeting

Peter Drivas introduced Ning Jiang, a native of the Republic of China, who is studying at USM courtesy of a Westbrook Rotary Club scholarship. Ning noted the rapid economic change occurring in China the past eight years. He said that China is moving full force toward centralized planning and virtually every segment of Chinese society is being affected by this redevelopment and reallocation of resources.

Dick a Patient

Dick Kilroy was readmitted to the hospital. Please keep him in your thoughts and wishes for a speedy recovery.

Sign to be Uprooted

Our new sign is moving in an attempt to keep the peace on Waterman Drive. Jack Roberts has organized a group including Dick Pyne and Al and Jim Rowe to help him Saturday morning at 10:00 a.m. They would like a few more bodies to help move the sign across the street.

Date Set

District Governor Representative Ron Drouin has informed us that the District assembly will be held May 2, 1987 at Trois Rivieres, Quebec.

Tree Count Downgraded

Citing ill health, tree project chairman, Jim Rowe, has notified this editor that the club will be selling only 3,000 trees - not 4,000 as previously reported. In a pre-meeting powwow with long time cronies such as Jack Roberts and Alec Livingston, Mr. Rowe stated he "nearly died" and "just about had a heart attack" at the thought of selling that many trees.

Later at the meeting, in a heavy-handed attempt to cover for Jim's embarrassment, President Dick attempted to place the blame for the "erroneous" count on your editor. Readers should be aware that such cleverly disguised efforts to hamper the free press of this country will not be tolerated. Furthermore, since assuming the mantel of responsibility for this organ from Doug Stewart, there simply have been no errors.

Don't forget to sign up NOW for your four shifts. We need to get organized for the biggest sale yet. Also, don't forget the unloading dates noted in last week's TWO LIGHTS.

Rotary Foundation - Club and District Plateaus

The Trustees of the Rotary Foundation give official recognition to Rotary clubs and districts that have proved to be outstanding supporters of the Foundation's work. A club or district is recognized as "100 Percent Rotary Foundation Club (or District)" when its per capita contributions equal \$10. Further plateaus (e.g., 200 percent, 300 percent) can be attained for every \$10 per capita equivalent contributed.

The South Portland - Cape Elizabeth Rotary Club, which currently has 52 members, needs \$520 credited to its account for each 100% plateau.

"Plateaus" aid the clubs and districts in continuing and increasing their support of The Rotary Foundation by providing an accurate evaluation of their contributions as well as a promotional incentive. Some districts award trophies to clubs attaining the most new percentage plateaus in one year.

The June 30, 1986 quarterly contribution report showed that the South Portland - Cape Elizabeth Club is the leading club in District 779 in total per capita, giving at \$215.62. The next three clubs are at \$162.97, \$136.36, and \$78.94.

In one year, we have gone from 2200% to our current plateau of 4200%, which is the highest level in District 779.

Last Week at the Club

Phil Dube introduced former Rotarian Harry Hughes, who is a pilot with TWA. Harry briefed the club on security measures at overseas airports. TWA hires private security agencies to work for them in Europe. He felt that security at the Northern European airports was especially good.

This Week's Program

Rebecca Ring will be introduced by Harold Fralich. Ms. Ring is a member of the Board of Directors of the Portland Children's Theatre, an organization which has been in existence since the early 70's. The speaker will trace the origins of the group and outline plans for the future.

More on the Trees

The lot set up was held on Saturday, the 22nd, headed by Chairman Rowe. Dick Rawlings led the recruitment effort. Reminders to all about the first unloading party on Friday, November 28th, at 6:30 a.m.

Where's Wagner?

One person notably absent from the lot set up was Tony Wagner. Seems that he chose Saturday, the 22nd, as the day to tie the knot to Sally Campbell.

Our very best wishes to this fine couple.

News of Note

Mason Smith's new book, Confederates Downeast, is available for Christmas gift buying. Promises to be an interesting glimpse at little

known facts about Maine's Civil War experiences.

Would anyone knowing the anonymous donor of the Mariner's Tickets please thank him. They are great raffle items.

Smith Dinner Confirmation Needed

Dan Mooers is strongly urging all members to respond to him next week about attendance at the Samantha Smith dinner on the 17th. Thanks.

Lipstick

Expert Doug Stewart reports that lipstick is a greasy rouge, containing crushed and dried insect corpses for coloring, beeswax for stiffness and olive oil to help it flow - the latter having the unfortunate tendency to go rancid several hours after use.

In 1924, the New York Board of Health considered banning lipstick, not because it was hazardous to the wearers, but because of "the worry that it might poison the men who kissed the women who wore it."

From District Governor's Rep, Ron Drouin

Redistricting - Let there be no confusion... D. G. Joe will not present his plan to R.I. on December 1, 1986 for redistricting by July 1, 1988. He will, however, continue his work on the subject for future action. The matter is far from being "put to bed."

Books.....Books.....and More Books - It is difficult to thank you all for coming to the aid of the Mont Joli Quebec Rotary Club. President Harold Merry of South Berwick told us he has over a ton of English books from Zone 4 Clubs ready to go to Mont Joli as soon as D. G. Joe makes the final arrangements and gives him the word. While in Quebec recently, D. G. Joe cleared customs in readiness for shipping the books from the U. S. to Canada. There is still time, short as it is, to get on the bandwagon. If you have been collecting English books, please call Harold Merry, President, South Berwick Rotary Club, 439-4739. IMMEDIATELY....

On Ignorance

Ignorance is a menace to peace. The higher the general level of intelligence, all things being equal, the less the disposition to be meddlesome, critical, and overbearing. Individuals and nations owe it to themselves and the world to become informed.

Last Week at the Club

Harold Fralich introduced Rebecca Ring who is a member of the Board of Directors at the Portland's Children Theater. Ms. Ring noted that Portland's Children Theater, the oldest in Maine, has been in existence for 50 years. The Theater is in the process of purchasing an old school in Westbrook to develop a 100 seat auditorium in which to hold plays.

This Week's Program

Larry Carey will introduce Vaughan Stinson, Marketing Director of Delta Airlines in the Northeast region. Mr. Stinson will address the Club on recent developments in the Airline Industry.

Stuart Introduced

Harry Russell introduced the South Portland/Cape Elizabeth Clubs newest member John Stuart. John is the Superintendent of Oil Dishcharge for the Portland Pipeline Inc. He is a resident of South Portland and is a former New Yorker. He hails from the same area of New York as two of our distinguished members Tony Wagner and Bill York (although he did not brag about that). Please extend a warm welcome to John.

Coffee, Anyone

Again this year our Club will be handling the coffee and hot chocolate concession at the tree lighting ceremony to be held in South Portland on December 5th. Jack Roberts has successfully recruited Dick Pyne, Harold Fralich, Tom Joyce, and Jeff Hobbs to assist with this effort. In exchange for performing this service for the Parks and Recreation Department, they will assist us with promoting our tree sales and will again acknowledge us for our donation of the Christmas lights.

The Last Word

I'm opposed to millionaires, but it would be dangerous to offer me the position.
Mark Twain

360 Arrive Alive

Approximately 14 Club members were in attendance of Friday, November 28th for unloading of the first truck load of trees. All the trees were unloaded, tagged, and made ready for sale in just under two hours! A reminder to all that the next load will be arriving 7:00 on Tuesday, December 2nd. Please make every effort to attend.

Home, Home at Last

Thanks to the assistance of George Chandler and Bill Miers of the Phone Company the service club directory has been relocated to more appropriate space on Waterman Drive next to Yankee Ford. Jack Roberts and a capable crew of Dick Pyne, Jim Rowe also provided extra manpower and a truck to assist in making this task history. Jack Roberts also reports that the rotary emblem on Pond Cove Road will be repaired shortly.

Reminder, Reminder, Reminder

Dan Mooers is still awaiting receipt of any R.S.V.P.'s concerning Samantha Smith Family Night. If you have not confirmed your reservation, please do so immediately.

From the Insurance File

Last April, State Farm Mutual Insurance Company got a strange claim: A man whose car crashed on Interstate 94 in Michigan blamed the accident on a mouse crawling up his leg. The mouse had apparently sneaked into the car while it was parked, and the man lost control when he "felt something moving in his pants." State Farm paid \$3,600 in collision damage. "He didn't know the mouse," explains Robert Sasser, a company spokesman. Mice don't turn up often in insurance reports, but the industry sure gets some bizarre claims. "They make our jobs interesting," says David Warstler, an Allstate Insurance Co. claims manager. Well, that may be too much to ask, but the claims do provide some laughs.

TWO LIGHTS

South Portland – Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

December 10, 1986

Proposed New Member

Alan Leathers has proposed the following person for membership:

Walter Brown, Minister of the Cape Elizabeth Methodist Church, who is a resident of Cape Elizabeth. Walter is a former Rotarian in Farmington and Livermore Falls. Kindly address any comments to Dan Mooers within ten days.

Upcoming Board Meeting

On Tuesday, December 9th, the Club's Board of Directors will meet at 7:00 p.m. at Dick Pyne's home.

Samantha Smith Night

Dan Mooers briefed the Club members last week on the upcoming plans for the Samantha Smith Night to be held on Wednesday, December 17th at the Sheraton Hotel. The evening will begin at 6:00 o'clock with cocktails to be followed by dinner at 6:45 p.m.

Dan noted that several dignitaries have agreed to attend, including Senator George Mitchell. He has received confirmations from several Rotary Clubs all over the District, who have agreed to come. Of particular interest, five members from the Bethel Rotary Club will be attending. The Bethel Club has been successful in arranging an essay contest in the Bethel schools which was responded to by 100% of the students in that district. The three best essayists will be present at our meeting to read their selections. In addition, two winners of the Cape Elizabeth/South Portland Rotary Club Letters for Peace Contest will also be present.

This will be a very special night for us and it would be good to shoot for 100% attendance on the part of our club. Please respond immediately to Dan's request for the count of individuals attending from your family and also send the money in to him as soon as possible. The Board would like to remind all of our twelve Paul Harris Fellows to wear their medallions and also to encourage all club members to wear their pins, as well.

December 10th Special, Too

Bill Stanton and Warren Simpson have planned an excellent program for next week when the club holds its Annual Senior Citizens' Christmas Party. We anticipate having 48 guests who will be picked up by club members prior

to the meeting and also given transportation home. Bill has also arranged for a group from the Portland Players to provide an exciting evening of song and dance. Please plan to be here with the senior citizen guest you are transporting by 6:30 p.m.

Can't See the Forest or the Trees

Tree sales Chairman, Jim Rowe, reported that Christmas trees are selling very well with several thousand dollars in trees sold the first four days. The next load of trees arrived Friday, the 5th, at 7:00 o'clock and the third load will be coming in on Monday, the 8th, at 7:00 o'clock, as well. Jim has encouraged that any members who could be of help on the weekends to please show up as that is when the heaviest demand for trees occurs. Jim also expressed his sincere appreciation to those who showed up last Tuesday for tree unloading despite the fact that a snafu developed regarding shipment and the trees did not arrive. It has been the topic of conversation among new members that the Christmas tree project is a marvel of efficiency and Jim is to be congratulated for a fine job.

Friday Night Affair

Doug Roberts reported last week that Friday, the 5th, will be the Annual Christmas Tree Lighting in South Portland and that it is anticipated that this will give an additional boost to the tree sales. Several members, including Tom Joyce, Dick Pyne, Hal Fralich, and Jack will be working on the concession on behalf of the South Portland recreation department.

Officers Announced for 1987-1988

The following individuals have been nominated for office for the next Rotary year beginning July 1: President, Jim Rowe; First Vice President, Doug Stewart; Second Vice President, Jack Roberts; Treasurer, Bill Kourakos; Secretary, Dan Mooers.

Board of Directors: Joe Conroy, Al Leathers, Tom Hennessey, and Jeff Hobbs.

Director at Large: Dick Pyne.

Nominations will be re-opened and elections will be held next week.

Basketball

Jack Roberts reports that the use of the Middle School Gym in Cape Elizabeth may be reserved on the following dates: January 13, January 27, February 12, and March 12, 1987.

Upcoming Duties

Due to the holidays season, the following changes have been made in the duty roster:

	<u>Invocation</u>	<u>Raffle</u>
12/10	McGovern	Gacetta
12/17	To be announced	None
12/24	No meeting	
12/31	No meeting	

The Sgt. at Arms duty will remain as previously announced with the exception of the no meeting announcements.

Upcoming Two Lights Schedule

There will be no December 24th or December 31st bulletins as there are no meetings. The last edition to be put out this month will be mailed out around the last week of the month and will be dated January 7th. This will enable us to give you some preliminary Christmas tree sales figures and also will include the January calendar. If you have any news or items which you would like to share with the rest of the club, please feel free to contact me as soon as possible. Thank you.

TWO LIGHTS

South Portland — Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

December 17, 1986

Oh What a Night

December 17th will be perhaps the highlight of our Rotary year. On that night, we will offer special recognition to a young lady from Maine who was instrumental in single-handedly initiating peaceful activities between the United States and the U.S.S.R. Event Chairman, Dan Mooers, indicates that over 179 individuals have signed up to attend. This number will include the 49 guests and escorts, as well as 50 visiting Rotarians from as far away as Eastport. All Rotarians are reminded that seating will be assigned for this very special event and that people working at the reception table will inform individuals where they will be seated and make appropriate introductions.

The full schedule of activities designed to give recognition and award a posthumous Paul Harris Fellowship to Samantha will be the highlight of the evening.

Out with the Old

At last week's meeting, the slate proposed by the Nominating Committee was officially approved by the South Portland/Cape Elizabeth Rotary Club. The new officers include Jim Rowe as President, Doug Stewart as First Vice President, Jack Roberts as Second Vice President, Bill Kourakas as Treasurer, and Dan Mooers continuing on as Secretary. The Board of Directors approved include Joe Conroy, Al Leathers, Tom Hennessey, Jeff Hobbs, and Dick Pyne. Jim Rowe assumed the position of incoming President due to the resignation of Larry Kerry, whose resignation was accepted with sincerest regrets.

Items of Interest

- Dan Mooers has tickets to the University of Maine/University of Alaska Hockey Game on the 29th of December. See him for further details and tickets.

- Our own Dick Pyne is the proud grandfather of 7 lb. 11 oz. girl, his first grandchild. Dick feels he does not look that old.

- A reminder to all that this is the last issue of Two Lights for the holiday season. The last edition to be put out this month will be mailed around the last week of December and will be dated January 7th.

Tree Update

Jim Rowe reports that the breakeven point on tree sales will be reached early this upcoming weekend. Every tree sold beyond the breakeven point will go towards funding our various charities. A reminder that the weekend of the 13th and 14th of December is anticipated to be a very busy weekend and all extra hands will be needed.

Last Week at Rotary

Forty-two senior citizens joined the members of the Club last week at the annual Senior Citizens Christmas Party. Chairman Bill Stanton's efforts paid off handsomely and all participants were entertained by songs performed by the Portland Players. Perhaps the best sentiments were expressed by participants D. V. Sale and Pauline Morris, both of whom expressed their appreciation for the opportunity to get out for the evening and were very complimentary of the food. "We really appreciated the invitation to be with you this year," they stated.

Unexpected Gift

It was announced at the Senior Citizens Dinner that the Sokoki Mothers' Club of Cape Elizabeth had made a donation of \$500 to the Rotary to assist with various projects. It seems that the Sokoki Club had become inactive and was in the process of liquidating its assets, and thought that the Rotary Club was one of the best ways to get the most mileage out of a charity dollar. Margaret Hutchinson and Isabel Preston were present at the Senior Citizens Dinner to receive our appreciation for this donation.

Duties for the Week

Due to the Samantha Smith Night activities, there will be no raffle and the invocation is expected to be done a visiting clergyman. Sgt. at Arms duty will be handled by Duane Rancourt.

Club Passes Readership Test

Occasionally, your Editor will insert intentional errors to determine how closely the members follow the written word. And so it was last week that our "error" in calling Jack Roberts "Doug Roberts" was noted by approximately 20 people, one of whom was highly offended at being confused with the other!

Editorial

Please !! Keep the Tables Open !!

There is nothing more discouraging than walking into a Rotary Meeting and finding that half the seats have been pulled up and reserved for someone else. As Rotarians, we each have something to offer or we would not have been invited to join. As a Club, we share a responsibility to encourage and foster getting to know one another better. What better way than over a meal.

Do you find yourself sitting each week at the same table with the same group of men? It's an easy habit to fall into. Why not try a different table from week to week. There is plenty of time after the meeting to catch up on the week's events with your close circle of friends.

This club is unrivaled anywhere in its sense of friendship and comraderie. Let's preserve it. Make a conscious effort to take the first seat available, and let the next guy do the same.

Think about it.

The Board

"Sometimes I worry that the next day will be the last day of the earth. But with more people thinking about the problems of the world, I hope that someday soon we will find the way to world peace. Maybe someone will show us the way."
