# TWO LIGHTS

South Portland – Cape Elizabeth Rotary Club  
On the Maine coast

Portland Head Light  
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

January 7, 1987

### What was it, Dan?

What was so special about our Dec. 17th meeting?

- Was it the turnout of over 175 rotarians from across Maine?
- Was it the heart-felt testimony of Barbara Quill Phagian who recounted her experiences with Samantha Smith in Russia?
- Was it the moving tribute paid by dignitaries such as Governor elect McKernan, Senator Bill Cohen and Senator George Mitchell as well as Brian Mulrooney, the Prime Minister of Canada?
- Was it the awarding of honors to school students from SAD 44 and from Cape Elizabeth for their letters about world peace?
- Was it the good news of continued peace efforts by Jane Smith, Samantha's mother who is now spear-heading Samantha Smith Foundation?
- Was it the gift from Cape Elizabeth-South Portland Rotary Club to benefit world peace efforts?

As we all know, it was all of these things; but first and foremost the night was very well organized and it was a pleasure to be there. Our heart-felt thanks to you Dan Mooers for a job well done.

### Are you a Potential Senior Active?

When a man is invited to join Rotary he is assigned a classification that is unique to himself and one additional active. This classification is actually loaned to him for as long as he remains in that particular occupation and is a member in good standing with the Club, until he becomes a Senior Active. Upon attaining the status of a Senior Active his classification again becomes available to the Club to be loaned to a new member.

A man becomes a Senior Active when he has served 15 years in Rotary, or has 10 years of service at age 60, or 5 years of service at age 65. The years of service do not have to be consecutive or even with the same Club.

Becoming a Senior Active member is a special achievement deserving of recognition. It demonstrates a lasting commitment to the ideals of Rotary. Our Club has eleven Senior Active members; there may be as many as six others who qualify for this distinction.

If you have what it takes to be a Senior Active member of our Club you are asked to contact Dave Smith, or any member of the Membership Committee. - Jack Roberts, Club Service

### Kudos to the Club

For your information, the recently run play, Here's to Love, put on by the Portland Players gave credit to the Cape Elizabeth-South Portland Rotary Club for their sponsorship of the play. Proceeds from this play were used to purchase the new marquee which has recently been installed over the play house. Incidentally the play was a thoroughly enjoyable one and featured relatives of our Club members including Bill York's daughter.

### News From other Clubs

OLD TOWN enjoyed their 36th Hunters Breakfast on November 1st where they served over 800 people a breakfast of bean-hole beans. 60 pounds of beans were cooked in five iron kettles. There are several features which make this event unique: Breakfast starts long before daylight at 4:00 a.m.; it is served outside or in a large tent provided by the National Guard. They only remember having rain one year, and that was covered by a "rain insurance policy."

SCARBOROUGH is seeking local Rotarians who will assist one of their members to attend Rotary meetings. This member is 91 years old and has over 25 years of perfect attendance, but cannot drive any more. That's an idea many of our clubs can use. Does your club have such a member who is sitting home?? Can another member or members be enlisted to assist him??

AUGUSTA has organized a group of club members who are accountants and attorneys who, for the next few weeks, will present a 5-minute series of indoctrinations reviewing various aspects of the new Tax Reform Act.

### Important Notice

President Dick reminds all club members that the meeting of January 21st will be devoted to a club assembly. The purpose of this meeting is to reflect on our past accomplishments and to hear your thoughts and ideas about the club's future. If you have any particular agenda items to discuss, please see Dick Pyne or one of the Board members as soon as possible.

### Christmas Tree Project Wrap-up

Jim Rowe again expressed his thanks to the club for the great participation by club members in the 1986 Tree Project. He felt that all goals were accomplished and made the official presentation of the Christmas Tree Project Manual to next year's Chairman, Doug Stewart.

### Last Week's Speaker

Frank Gemme introduced Dan Crisman of Kennebunk Beach, who spoke to the club on the history and folklore of the Super Bowl Series. Dan is a collector of Super Bowl memorabilia and has attended each of the last 20 Super Bowls.

### Next Week's Program

Dick Goodine will introduce a representative of the Shriners who will speak about the Shriners' Children's Hospital Programs.

### Durham, New Hampshire Charter Night

On the 24th of January at 6:00 o'clock, the Great Bay Club of Durham, New Hampshire will have its charter night. If you wish to participate in this affair, kindly contact Dan Mooers as soon as possible. The cost will be \$25 per person.

### Thank You Received

Andy Heman of the South Portland High School sent along a thank you letter to the club for the donation of The Armenian People of Portland, Maine, authored by the Club's own Andy Mezoian.

### Directors' Meeting

On Tuesday, January 13th at 7:00 o'clock, the Board of Directors will meet at Dick Pyne's house.

Members of the club are invited to come and enjoy an evening of participatory basketball on Thursday, January 15th, at 7:30 p.m. We will play at the Cape Middle School gym. The time is 7:30 to 9:30 p.m. If you need directions, call Jack Roberts at 767-4526.

### Rotary Info Night Planned

Past District Governor, Sam Giftos, will hold a Rotary information night soon for new members. Please plan to attend this meeting and further details will be forthcoming.

### This Week's Duties

Invocation.....Leathers  
Sgt. at Arms.....A. Rowe  
Raffle.....Goodine

Speaking of duties, we thoroughly enjoyed last week's raffle experience headed by new member Tom Joyce. We hardly think it was fair, though, for someone to "stock" the ticket container with tickets from the last three raffles!

### Update on Attendance for the District

The latest figures available from October, 1986 indicate that South Portland/Cape Elizabeth ranked 24th overall for the District with 82.8% average attendance for the period 7/1/86 to 10/30/86. The top ranking club was Biddeford/Saco with a 94.3% for the same period. Ranking #2 was the York club with 93.45%.

### You've Got That Wrong, Dear

When a New Brunswick man claimed that his vehicle had been damaged by Stephen Fessenden, of Bangor, an employee of Budget Rent-A-Car at Bangor International Airport, police concluded that the damage the man claimed was not because of the parking lot collision. Fessenden called police about 10:43 a.m. after backing a rental car into the Blazer from Canada. After police arrived, the New Brunswick man claimed that a bent bumper and fender damage had been done. There was, however, no damage to the rental car, police observed. The New Brunswick man's wife appeared on the scene and told police that the damage had been done in the past.

## President to be Changed

### B Ball Report

The newly founded SP/CE Rotary Club's Old Men's League successfully completed their first hour and a half game on last Thursday night. Participating were Dave Smith, Dick Pyne, Jack Roberts, Dave Bagdasarian, Dan Davidson, Dick Goodine, Tom Joyce, Al Leathers, and Jim Rowe. The head cheerleader was Al Rowe.

### Last Week's Meeting

Dick Goodine introduced a representative of the area Shriners, who gave a very informative slide show on the Shriners Burn Hospital. It was noted that approximately four members of the club are also Shriners and assist with this effort.

### Club Assembly Next Week

All Rotarians are asked to attend and actively participate in the Club Assembly to be held this Wednesday night. The regular program has been postponed and we will devote the night to discussing matters of importance relating to the future of our club.

### Dates of Importance

- On May 2nd, there will be District Assembly at Trois Riveres, Quebec for incoming officers.
- Those who have aspirations to someday become a District Governor should contact Ron Drouin in Biddeford at 284-4004 prior to January 24, 1987.
- Ladies Night at our club will be held on March 25th. Please plan now.

### Upcoming District Assembly

It is hard to believe, but this year's District Assembly is not too far away. This annual meeting will be held at the Balsams in New Hampshire between June 18th and June 21st. Mark your calendars now.

### Welcome, Walter

Walter Brown, Cape Elizabeth Methodist minister, was introduced by Alan Leathers as our newest member. He was formerly a Rotarian in two other communities in Maine. Please make an effort to meet him and get to know him.

Dan Mooers also reminded club members that there is a special badge for new members. This will make new members easy to identify and approach with our warmest welcomes.

The Board of Directors is proposing that Dick Pyne's classification be changed from Finance, Credit Bureau to Office Products, Administration

### Raffle News

We have decided not to publish the names in advance of raffle chairman for each week primarily because they are subject to change and confusion so easily due to meetings schedules and special events. Jack Roberts will continue to contact each person individually and we will report in Two Lights those who have donated gifts.

In that light, Sam Giftos (perhaps more appropriately, Helene) donated a homemade baklava with an appropriate bottle of Greek wine for last week's raffle. The lucky winner was Dan Mooers.

### Upcoming Duties

For next week, the invocation will be offered by Bill Karakos, and Jeff Hobbs will be the Sergeant at Arms.

### World Understanding Month is Almost Here

February is World Understanding Month. During this month, we are asked to take up activities that emphasize harmony between nations. We might increase our support of The Rotary Foundation, begin to take part in a World Community Service project, or host a Group Study Exchange Team or a Youth Exchange student.

Also, keep in mind that February 23rd will be celebrated throughout the Rotary world as World Understanding and Peace Day, for it was on that date, 82 years ago that Rotary was born in Chicago, Illinois, U.S.A. Let's join Rotary clubs throughout the world in highlighting this important occasion.

### Efficiency and the Four-Way Test

Applying the Four-Way Test to all your business decisions will not only "be fair to all concerned," but will increase your efficiency in the workplace. For its expert counsel will help you to be in two places at the same time: at the top of your business or profession, and in the heart of Rotary. You can't be more efficient than that!

### The Defeat of Habit

Creativity is the defeat of habit by originality.

### Bruins' Tickets Available

The Maine Sports Hall of Fame is offering tickets for the Bruins/Jets game January 31st at 1:15 p.m. in Boston. Tickets are available at \$15 each from Gene Hunter (799-4555). You are encouraged to call ASAP if you are interested in attending this Maine Day at the Garden.

### Last Week's Raffle

Two tickets to the Portland Stage Company were awarded to Doug Stewart following the drawing held last week. Special thanks to Dick Goodine for the donation of these prizes. Additional free tickets to the Maine Mariners' games were also won by Bill O'Neil, Tom Joyce (holder of Dennis King's ticket) and Warren Simpson.

### Spring Event Planned

On May 16th, there will be a gala twenty-fifth anniversary dinner and dance to celebrate our quarter century of service to Cape Elizabeth and South Portland. Please plan now to join in the celebration.

### Make-up Possibilities

All members are asked to note that the Windham Club has changed its location to Amato's effective February 1, 1987. The time and day are still the same. Also, listed below are the other clubs in the area that you may wish to have make-ups done:

- Portland Club, at the Portland Club, 12:15 p.m. Fridays.
- Brunswick Club, The New Meadows Inn, West Bath at 12:00 noon on Monday.
- Freeport Club, Jamieson Tavern at 12:00 on Wednesday.

All new and old members are encouraged to attend one of these clubs for make-up opportunities when it is not feasible to attend our weekly meeting.

### Basketball Update

The next basketball game/practice will be held on Tuesday, January 27, at 7:30 at the Cape Middle School Gymnasium.

- The Club Directors have been requested to approve a two month leave of absence for Larry Carey.
- William O'Neil, Director of Human Resources for Citicorp, has been proposed for membership by Jim Rowe. William is currently a resident of Manchester, New Hampshire, who will be moving to the greater Portland area and will be employed at the Citicorp Plaza on Foden Road in South Portland. Please register any comments to Dan Mooers within ten days.
- Please note that classification talks are coming up and you are invited to give your classification talk at some point in the future. Please indicate to the appropriate board member your interest in doing so.

## Other News of Note

- The Board has approved a \$400 donation to Junior Achievement.
- Dick Kilroy again is in the hospital awaiting surgery on Monday. Your prayers and thoughts are encouraged.

## Corrections Corner

Your editor has been advised of the following information transmission errors which appeared in the last bulletin.

- The raffle prize donated by Sam Giftos last week included a bottle of Metaxa brand ouzo which is a 90 proof Greek liqueur. Not only did Sam realize our mistake in calling it wine, but Dan Mooers, the winner, apparently has no recollection of ever having finished it!
- Doug Stewart, Executive Assistant at Two Lights announced that in this month's calendar that January was Dave and Charnette Chadwick's anniversary month. Because your editor was a member of the wedding party, it was doubly embarrassing to have it appear wrong in Two Lights. Unfortunately, he has no recollection of completing that day in 1972.

## Club Assembly Report

A very fruitful club assembly was held last Wednesday. It was especially great having District Governor Joe Hahn available to personally thank the club for support of the Samantha Smith Foundation. Over half of the Foundation donations to date have come as a result of our efforts. We were especially proud to have a Multi-Award pin given to our own Dan Mooers. Most people are unaware that this award does

contributions in excess of \$1,000.

The assembly addressed the issue of change in meeting place. Discussions centered around the previous difficulty in finding suitable meeting space which we could feel secure in calling our own once a week. After considerable discussion of this topic, a committee was formed composed of Paul Butler, Dan Gacetta, Al Rowe, Dan Davidson, Harold Fralich, and Peter Drivas. They are to report back to the club by the first of March.

In other business, Dan Mooers has suggestions on involving new members in assisting with the funding of Paul Harris Fellowships. He will be discussing this idea further at a later date.

The budget was also distributed by Bill Kourakos and any questions or suggestions should be directed to him as soon as possible regarding this.

Program for This Week

Dave Hitchcock will introduce John McDonald from Station WPOR and the Portland Press Herald. He will update us on a journalist's perspective of the Iran/Contra affair.

## Directors' Meeting

There will be a Board of Directors Meeting on February 3rd, at 7:00 o'clock at Dick Pyne's house. Al Rowe, who filled in for Dick last week, reminded us that anybody interested in attending a Board Meeting to see how business is conducted should feel free to do so.

## Last Week's Winner

Captain Lloyd Knight was the lucky recipient of a meal for two at the Sapporo Restaurant courtesy of Tom Hennessey.

## This Week's Program

Tom Hennessey will introduce a mystery guest.

## Dan's Letter to the Rotarian

Dan Davidson recently sent the following to the Rotarian:

Enclosed is a brief article and some photography from a recent Rotary dinner honoring Samantha Smith and her efforts for world peace. We are, of course, hopeful you will use it in the Rotarian.

Additionally, we believe a feature article about Samantha Smith and her recently-founded

Foundation would be of great significance to the readers of our Rotary magazine.

Such an article would talk briefly about Samantha's life and dream of world peace. It would also discuss the purpose and aims of the Samantha Smith Foundation and how Rotary District 779 is working to further those goals through donations and other help. We feel the article should also encourage other Rotarians and their Clubs to join in this all-important effort to promote world peace.

If the Rotarian is interested in such an article, the South Portland/Cape Elizabeth (Maine) Rotary Club will do the research and the writing, based on your desires, and submit it for your consideration. It would be an expansion of the brief report attached below which discusses only our District's presentation of a Paul Harris Fellow to Mrs. Jane Smith.

If you are interested, please contact District 779's publicity chairman, Dan Davidson at (207) 774-9847.

## P. R. Reminder

If, as program chairman, you have an extra-special speaker or program, please tell Dan Davidson a week or so ahead so the club can attempt to get some positive publicity.

## What Kind of Rotarian are You?

1. SOME ARE LIKE WHEELBARROWS - no good unless pushed.
2. SOME ARE LIKE TRAILERS - no good unless pulled.
3. SOME ARE LIKE CANOES - they need to be paddled.
4. SOME ARE LIKE KITES - if you don't keep a string on them, they will fly away.
5. SOME ARE LIKE BALLOONS - full of wind and likely to blow up unless handled carefully.
6. SOME ARE LIKE A GOOD WATCH - open face, pure gold, quietly busy, and full of good works!

This is a self-test. How did you score?

### Welcome to Bill

It was the Club's pleasure to welcome Bill O'Neil as the newest member to the S.P./C.E. Rotary Club. Bill and his family have just purchased a house in C.E. and are looking forward to becoming settled in the area.

### Proposed New Members

Four new men have been proposed for membership in the Club. They are as follows:

- Jerre Bryant, a resident of Ocean Street in S.P. Jerre is the City Manager of S.P. and has been proposed by Bill York.
- James Allen. Jim is employed by Harnden Realty and would hold the classification of real estate/residential. He resides on Pine Street in S.P. and has been proposed by Dick Pyne.
- Thomas Conroy! Tom is a resident of Richland Street in S.P. and is employed by Roberts Office Supply. His classification would be office supplies/sales. He has also been proposed by Dick Pyne.
- Craig Romanowski, a resident of Scarborough, who will hold the classification of building materials/wholesale sales. He is being proposed by Jim Rowe and is employed by U.S. Gypsum.

### Last Week's Program

Tom Hennessey introduced Jim Brunelle, who lives in Sebago Lake, Maine and is a civilian employee of the Department of Defense. Jim spoke to the Club on the government's vocational aptitude test, which is made available to junior and senior high school students in Maine.

### Hobbs, Conroy, to Talk About Themselves

This week's program will include classification talks by Jeff Hobbs and Joe Conroy. Club members will be briefed on the occupations of both these men.

### And, The Winner Is...

George Chandler was the lucky winner of two meals to Alberta's Restaurant, courtesy of Dave Hitchcock. The weekly raffles continue to be a major fund raiser for our Club and your continued support of these weekly events is appreciated.

### Kourakos Donates Raffle Tickets

Your editor happened upon a conversation before last week's meeting between Bill Kourakos and Dick Pyne, during which the subject of the shortage of pens at the registration table was noted. In a weak moment, Bill offered to give a lottery ticket to any person who brings in one hundred ball point pens to be made available for sign-in. Dick Pyne eagerly volunteered to offer a special discount to any member wishing to purchase pens at a certain office supply store located on Spring Street in Westbrook!

### Gift of Tongues Available for You, Too

Your correspondent received several compliments following invocation last week. It must be noted that should any club member be tongue-tied or similarly unprepared to give the invocation, President Dick has a book with many invocation selections from which to choose. Please see him if you have any questions.

### This Week's Duties

Invocation.....Bill Kilroy  
Sgt. at Arms.....Bagdasarian

### Report From the Board Meeting

The following items were discussed at last week's Board Meeting:

- The Board approved a donation (suggested by Harold Fralich) to the Noyes Home for the Mentally Retarded to assist in their building addition.
- The Board approved a Club Directory with pictures in looseleaf form for all members to keep. The Second Vice President will be charged with getting a committee together to organize this.
- The Board suggested conferring an honorary membership on Bob Doe as he was a long time very active Rotarian both in Hawaii and here in Maine.
- President Dick read a letter from the Maine Youth Center thanking them for the donation of a hospital bed and also read a letter of appreciation for the invitation from District Governor Marcel Giradeau.

### More Basketball Dates

Jack Roberts has also been successful in securing the basketball court for the 24th of February (either at the high school or the Middle School - to be announced). The court will be available at the Middle School on the 12th of February and on the 12th of March. All games are scheduled for 7:30 p.m.

### Last Week at the Club

Joe Conroy gave a classification talk for two of the occupations which he holds: educator and real estate broker. Joe provided us with valuable insights into the challenges and opportunities in education and his involvement as a teacher of English in the excellent Cape Elizabeth school system. Joe's feeling is that the field of education provides individuals with many rewards and challenges in addition to the frustrations of feeling that a teacher must be all things to all people.

Joe also talked about his role as a real estate broker for the Beecher Agency. He has been involved in the real estate sales business since 1959 and only in the last few years has been associated with the Beecher Agency. He feels that the role of the broker is to act as an advocate for the seller and is charged with being a diligent representative of individuals seeking to sell their homes.

Joe Conroy is from the local area, has been married for the last 28 years, has four children ages 22 to 14, and is a teacher at Cape Elizabeth High School and also at the University of Southern Maine.

### Roberts Reports

Jack noted that the new club storage locker is now in use and can be seen at the lower level of the Purpoodock Club. Jack also notes that the upcoming basketball meets of the 24th of February and 12th of March. Jack welcomes anybody to join him in a game of basketball provided they are over 35, have weak ankles, and stand no more than 5' 2"!

### This Week's Program

Bill Holden will introduce a surprise guest this week.

### Next Week's Duties

Sgt. at Arms.....Al Rowe  
Invocation.....Tom Joyce

### Forms Available

The registration forms for the upcoming district conference at the Balsams are available from Dick Pyne. The conference is scheduled from the 18th to 21st of June and all are welcome to attend. Dick notes that this will also be the same weekend as the Cape Family

### Raffle Winner

Tony Wagner was the lucky winner of two tickets to the Snow Squall provided by Jeff Hobbs.

### Bagdasarian at Table

Bob Flynn asked your editor to make special note of the fact that Dave Bagdasarian was seated at our table during the last meeting. Dave is a very good fellow, who talks a lot about tall people who play basketball, a subject your editor knows little about; however, Tom Joyce, Dave Chadwick, and Dick Goodine seemed to enjoy the conversation. Bob Flynn seemed to want to talk about sailing and strong people who lift weights. All appeared to become animated, however, when your editor refused the fish meal offered to him. The alternate meal provided by the Purpoodock Club was a cold tuna salad plate! (Is that okay, Bob?)

### Special Recognition to:

- Bob Bogosian for his cordial invitation to all to attend the skating party last Saturday night. Food and company were both great.
- Dick Kilroy for joining us again following heart surgery just two weeks ago. He is on his way to Florida for a couple of months' recuperation.

### Info Night

Past District Governor Sam Giftos will hold a Rotary Information Night for all new members (and old members who have not had the benefit) on the 4th of March from 7:30 to 8:30 p.m. at the Purpoodock Club. All interested Rotarians are cordially invited to attend.

### Please Note

Women In Rotary \*

An article above indicated that RI "intends to poll Rotary clubs in the near future to learn of your interest in this important issue." On January 17th, I had the pleasure of meeting with a half-dozen District Governors from throughout New England, and learned (as most of them did) that RI started polling 20% of the Rotary clubs in December regarding Women in Rotary, and apparently did so WITHOUT TELLING THE DISTRICT GOVERNORS ABOUT IT!!! I would like very much to hear from the clubs who have been contacted by RI, and receive a copy of any report they send to RI. In my opinion, it is absolutely vital that District Governors be continually aware of important contacts between RI and individual clubs --- (ROTARY INTERNATIONAL, PLEASE NOTE!!!)

District Assembly Details \*

The District Assembly will be held at the Auberge de Gouverneurs in Trois Rivieres, Quebec on May 2nd. We expect to see every club President-Elect, Club Secretary-Elect, and Club Pol Chairman there, along with members of your Club's Board of Directors and the Club Bulletin Editors.

I remember about ten years ago when I was re-elected as Club Secretary and I failed to attend the assembly because I already "knew it all." I also remember DG Dom Tardif's challenge, "If you don't come to learn, come to teach!"

Club President-Elect will receive their workbooks and an opportunity to meet with and share ideas with other club Presidents. This will preclude each of you trying to "reinvent the wheel" in your club administration.

The Secretary's performance of his job reflects on the club President and the rest of the club. If he's good, everything is great...if he's not, no amount of good work on the part of the club will be appreciated.

## Last Week's Program

Club members were treated to a very special program introduced by Dick Holden. Ruth Cobb, a volunteer with the Kidney Foundation, and Wayne Clark, President of the Kidney Foundation, gave an enlightening and moving talk concerning organ donations and transplants. Ruth, a transplant recipient, recounted her personal experiences and very articulately stated the need for such treatment. Incidentally, her brother was a Rotary Foundation Scholar and Ruth had words of praise for that program. Ruth also was a participant in the recent transplant olympics in Texas, earning several silver medals in the swimming competition. She noted that only ten percent of the available kidneys are donated and that the goal of the Kidney Foundation is to approach the other ninety percent to dramatically increase the number of participants in the program.

Wayne Clark briefed the club on the "routine inquiry law" and that means that hospital professionals are required by law to ask family members if they wish to donate the organs of a loved one upon death.

## Lottery Winner

Nick Pappas was the fortunate winner of two tickets to DiMillo's donated by Dick Holden during last week's drawing. Dave Smith, Dave Bagdasarian, and Bill Kilroy were also the winners of free tickets to the Mariners' games.

## Jumpin' Jack Flash...

Has had his wings clipped. We announce the recent injury of Club Service Director, Jack Roberts. The unofficial captain of the Rotary basketball team has been sidelined temporarily to recuperate from a broken foot suffered during last week's game.

Jack would like to remind that the following are the requirements for Rotary membership per the Rotary International By-Laws:

Pursuant to Article V of the Constitution, a person is eligible for membership only if he is:

"(1) engaged as proprietor, partner, corporate officer or manager of any worthy, recognized business or profession; or,

(2) holding an important position in an execu-

tive capacity with discretionary authority in any worthy and recognized business or profession; or,

(3) acting as the local agent or branch representative of any worthy and recognized business or profession having charge of such agency or branch in an executive capacity."

The provisions of Article V, Section 3, quoted above, are a limitation on the Section 1 requirements that the person be "of good character and good business or professional reputation." It is a combination of these two provisions that makes Rotary the organization that it has been and is today. It has always been and remains an organization of business owners, business executives and professionals.

## You Are Reminded...

- To make any corrections necessary in the Directory items and get them to Doug Stewart as soon as possible. A photo session will be scheduled for the last of March.
- That the club has committed to participate in the Cape Family Fun Days which will be held the same weekend as the District Assembly.

## This Week's Duties

The invocation will be by Dick Jordan and the Sergeant at Arms will be Jeff Hobbs.

## Next Week's Program

Dave Bagdasarian, a local dentist, and Bryce Johnston, banker, will give classification talks.

## From the Rotary Beacon Bulletin - York Club

"The newest shoe, the loudest squeak. The empty head, the first to speak. The thinnest cow, the loudest baa. The biggest fool, he knows it all."

- C. G. Dewell

## Food for Thought

Should we steel our hearts against feeding a hungry family because we have not bread for the entire village? I think not... "Hunger is not debatable."

# TWO LIGHTS

South Portland - Cape Elizabeth Rotary Club  
On the Maine coast

Portland Head Light  
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

March 4, 1987

usual meeting that day.

### Last Week at the Club

Dave Bagdasarian and Bryce Johnston reported on their respective classifications.

Dave hails from Peabody, Massachusetts and is a graduate of Georgetown University in dentistry in 1976. He is married with three boys and has a practice in South Portland and in Freeport. Dave briefed us on the newer innovations in dentistry, indicating that it is an interesting and excellent professional field.

Bryce Johnston, the branch manager of the Maine Savings Bank in Falmouth, discussed the field of banking. Bryce hails from Bangor, is a graduate of the University of Maine and has been involved in banking since the late 70's. The field of banking has given him an opportunity to travel a great deal since he has been involved with banking operations in Saco, Portland, Wells, and Bangor. He has been involved in assisting with banking acquisitions and he briefly described the duties of a manager of a banking operation.

### Dates to Remember

- May 16. Twenty-fifth anniversary party (no meeting on the 13th of May).
- May 2. District Assembly in Trois Rivières, Quebec.
- June 18-21st. The Rotary District 779 conference at the Balsams.
- June 20th. Cape Family Fun Days - annual fundraising event for the club.
- March 4th. Rotary information meeting after this week's meeting on March 4th.

### Raffle Winner

Visitor Chris Kramer (a guest of Frank Gooch of the Portland Club) will soon be shopping at L. L. Bean's to spend the \$20 gift certificate donated by Bryce Johnston at last week's raffle.

### Board Meeting

The Directors Meeting will be held Monday, March 2, at Dick Pyne's house at the usual time. At that time, there will be a report from the relocation committee regarding possible alternative meeting sites.

### A Reminder...

Ladies' Night will be on the 25th of March. President Dick also announced that the York and Cumberland County Presidents will be convening

### Smile, Please

Photographer Mason Smith (who will be tilting windmills for the next couple of weeks) has announced that he will be available at the following times for pictures for the Directory:

Wednesday, March 18	5:30 - 6:10 p.m.
Wednesday, April 1	5:30 - 6:10 p.m.

These sessions will be held in the front room at the Purpoodock Club. The cost is \$10 payable at the time the picture is taken. Each club member will be able to pick from proofs. If you wish to submit your own photographs, they should be a 2" by 3" black and white glossy print. Doug Stewart also reminds members that he needs a follow-up to the draft copy of the page that will be included in the new club directory to be published soon. Corrections to your page should be made and an indication made if you have a three-ring binder from the previous directory. That information should be returned to Doug Stewart, 15 Mountainview Road, Cape Elizabeth, Maine 04107 as soon as possible.

### Duties for This Week

The invocation will be by Bryce Johnston and the Sergeant at Arms is Bill Stanton.

### Student Bloopers

Teacher Richard Lederer reports the following bloopers by his English students:

- The Pyramids are a range of mountains between France and Spain. The Egyptians built the Pyramids in the shape of a huge triangular cube.
- David was a Hebrew king skilled at playing the liar. He fought with the Philatelists, a race of people who lived in Biblical times. Solomon, one of David's sons, had 500 wives and 500 porcupines.
- Without the Greeks, we wouldn't have history. The Greeks invented three kinds of columns - Corinthian, Doric and Ionic. They also had myths. A myth is a female moth.
- Eventually, the Ramons conquered the Geeks. History calls people Romans because they never stayed in one place for very long. At Roman banquets, the guests wore garlics in their hair.
- Julius Caesar extinguished himself on the battlefields of Gaul. The Ides of March murdered him because they thought he was going to be made king. Nero was a cruel tyranny who would torture his poor subjects by playing the fiddle to them.

### Kudos to Dick

Last week at the Club, Dick Jordan introduced Tom Valleau, Director of Transportation for the City of Portland. Tom presented a very timely discussion about the future of the airport. In particular, he noted that the relocation of the airport is felt to be unfeasible by staff because of the prohibitive cost associated with a total relocation. Expansion, however, is definitely on the horizon.

Dick should deserve special mention because he thought to provide your editor with a note explaining who his speaker would be some three weeks in advance of his program. Due to an unfortunate lapse in memory, caused by the death of several crucial brain cells, your editor neglected to publish that information in last week's bulletin. Thank you, Dick, for understanding and providing your editor with the written notice.

### A Very Important Notice

As President Dick outlined at last week's meeting, the report of the relocation committee has suggested the club meet at a couple of new locations in the upcoming weeks to test the food and environment.

Please note the following changes:

Wednesday, March 18th, the meeting will be held at the same time at the VFW Hall in South Portland. Also note that Mason Smith will be taking pictures that night at that location from 5:30 p.m. to 6:10 p.m.

Wednesday, April 1st, the meeting will be held at the Channel Crossing Restaurant in South Portland. Mason Smith will be taking pictures prior to the meeting from 5:30 p.m. to 6:10 p.m. at that location.

Wednesday, March 25th, the meeting will be held at the Purpoodock Club at the usual time and that is Ladies' Night.

Please feel free to call any member of the Board to verify times and dates and to express your thoughts on these new locations.

### Stanton, A Winner

Bill Stanton was the recipient of a bottle of Bailey's Irish Cream donated for our raffle by Tom Joyce.

### Upcoming Program

and Dan Davidson, who will discuss their occupations. Jeff is a local funeral director and Dan Davidson is Vice President of Public Relations at Roger Williams Advertising.

### Upcoming Duties

The invocation this week will be by Frank Hugo and the Sergeant at Arms will be Duane Rancourt.

### Roberts Rockets

Team Captain Jack Roberts notes that Thursday, March 12th, at 7:30 p.m. will be the final evening to enjoy a bit of Rotary fellowship playing basketball. "The more participants that we have, the more interesting it is for all involved," Jack notes. Mark your calendar for this week's game. The court rental is \$10 divided among all players.

### Directory Reminder

About two weeks ago, all members received a draft copy of their entry that will be included in the new club directory to be published soon. Some members have not made corrections and returned the copy to Doug Stewart, 15 Mountain View Road, Cape Elizabeth, Maine 04107-1320. Please do this as soon as possible and don't be the cause of delaying this project. Please note information above concerning photo location and times on March 18th and April 1st.

### Governor Joe Reports

Governor Joe Hahn reported in the last district newsletter the following information:

During my travels, I said I would not be keeping score, and I'm not, but I think you ought to know that the clubs of District 779 have done a wonderful job of supporting the Samantha Smith Foundation this year. To date, 18 clubs have donated over \$6,000, with half of that amount contributed by the South Portland-Cape Elizabeth Rotary Club. I've heard that there are still clubs interested in making an effort in this cause of world peace. In case your club is interested, send donations either to me or directly to the Samantha Smith Foundation, Box 60, Manchester, Maine 04351. If you are within reasonable distance from Augusta, Jame Smith would be delighted to present a program at your club fully explaining the work of the foundation.

Incidentally, the coverage of our Samantha Smith night has also been included in this month's Rotarian Magazine. The article erroneously bills the event as District 779 sponsored, but does include photos by Mason Smith.

# TWO LIGHTS

Bug Light  
South Portland

South Portland – Cape Elizabeth Rotary Club  
On the Maine coast

Portland Head Light  
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

March 18, 1987

## Last Week at the Club

Club members heard from fellow Rotarians, Jeff Hobbs and Dan Davidson, about their respective classifications.

Jeff, a Portland native, is a funeral director with the family business, Hobbs Funeral Home. Jeff has had a varied background, formerly serving as a purchasing agent for a local trucking company and attended the New England Institute of Embalming following four years at the University of Maine. He is an active Mason working towards his 32nd Degree and is a collector of clocks and a boating fan. He feels that the occupation of funeral director is especially rewarding, although very time consuming, and he enjoys the experience of helping grieving families. He notes that to become a licensed funeral director in Maine, one must have advanced education and must pass a national board exam and serve as an apprentice.

Dan Davidson, of Cape Elizabeth, grew up in Pittsburgh and has been married for 25 years and is the father of two daughters. He received his undergraduate degree from Cornell University and his Master's Degree from American University and was a veteran of 22 years with the United States Navy. Dan learned the skills of public relations practitioner in the United State Navy and represented the country in areas of the West Pacific and Vietnam, among other places. Dan also taught at Annapolis and following his discharge from the service, accepted the challenge of developing the public relations division for Roger Williams Advertising in Portland. His outside interests include photography and judo. He is especially proud that he is accredited by the American Public Relations Society and feels that the occupation of a public relations representative is especially crucial given the many challenges that business executives face today.

## Important Dates to Remember

Please pay special attention to the following dates and deviations from usual practice for our club:

March 18th - The Club will meet at the VFW Hall in South Portland. Pictures will be taken by Mason Smith that night from 5:30 p.m. to 6:10 p.m.

March 25th - The meeting will be held as usual at the Purpoodock Club. It is a Ladies' Night. Please let Dan know if your spouse will be in

Wednesday, April 1st - The meeting will be held at the Channel Crossing Restaurant in South Portland. Mason Smith will also be taking pictures for the Club Directory that night from 5:30 p.m. to 6:10 p.m.

## Bridge Club Being Organized

Past District Governor Harold Fralich is in the process of organizing a bridge club to meet either before or after weekly Rotary Meetings for a couple of hours. He already has six individuals interested in joining and the group is looking for a couple more to make two tables of four. The bridge group will meet at either people's individual homes or at places of business on the day of the Rotary Meeting. They will plan on at least four people to play each week and if anybody is interested, please call Harold at 799-8102.

## Update on Club Directory

Director organizer, Doug Stewart, reports that many members received the second draft copy of their entry that will be included in the new club directory to be published soon. This should be returned to Doug Stewart, 15 Mountain View Road, Cape Elizabeth, Maine 04107-1320 as soon as possible.

Mason Philip Smith will be taking photographs of members between 5:30 and 6:10 p.m. before the next meeting, March 18th, and two weeks later on April 1st. Mason has agreed to take the photographs for the cost of \$10.00. This cost is the responsibility of the member and is about \$8.50 less than normal charges.

If you submit your own photograph, it should be a 2" x 3" black and white glossy.

## Lottery Winners

At last week's meeting, Dick Rawlings was the fortunate winner of two tickets to the Mariners' game and Dave Goodine won the foot pump donated by Dick Jordan. Following the drawing, the club was entertained by a musical interlude featuring genuine Irish songs led by guitarist, Dick, Pyne and song leaders, Mike McGovern and Tom Joyce. Bill Kourakos was overheard to say that that was the finest singing he has heard since he first joined Rotary, and we all know how long that's been!

## Next Week's Speaker

Tony Wagner will introduce a special guest. Lorraine Peterson, District Manager of the Chrysler Corporation, will be at our meeting to discuss the turnaround of Chrysler Corporation with a slide and discussion presentation.

Upcoming Duties

Next week the Sergeant at Arms will be Dave Bagdasarian and the invocation will be offered by Dick Holden.

Roberts Orthopedic Adventures

Those of us who attended the meeting last Wednesday night were especially pleased to hear that Jack Roberts had his cast removed following an injury sustained to his ankle at a Rotary basketball game last month. We were chagrined, however, to learn that immed-

ately after removing his cast, Jack broke a tooth while eating lunch. Volunteers are being solicited to be with Jack on 24-hour basis until his self-destructive behavior is diminished!

A Word from Ron Drouin

District Governor Drouin indicated in his recent communication to the Presidents that a bus charter is being organized for the trip to the District Assembly into Three Rivers, Quebec, from Biddeford-Saco. Ken Creed from Wells is formulating the plans to charter a bus. Ron encourages all clubs in the area to call each other and plan ahead to avoid being left out. Ron also stated, "Your year is swiftly coming to a close and all of you have had a fantastic year. I cannot begin to thank you for sharing Rotary with me, but more important for accepting me as part of your personal as well as Rotary life."

## Last Week's Program

Maureen Peterson, District Sales Manager of Chrysler Corporation spoke to the club members on the rejuvenation of Chrysler Corporation. She was introduced by the Program Chairman, Paul Butler, in Tony Wagner's absence. Ms. Peterson's presentation was very interesting and well-received by club members.

In other matters, a bottle of Canadian Club donated by Bill Kilroy for the raffle was won by teetotaler Jim Rowe.

It was also a real pleasure to welcome back Larry Carey, who had been on leave of absence.

## A Special Night on the 25th

This week will be Ladies' Night chaired by Dan Mooers, who has promised an extra special surprise program that will "keep you humming."

## Surprise, Doug

Doug Stewart was the surprise recipient of a Paul Harris Fellow awarded to him as a result of a donation to the Rotary Foundation by Pam Stewart, his wife. Congratulations to a fellow who has done much to further Rotary in our area.

## Sports Happenings

Coach Roberts has been successful in securing two additional dates to play basketball at the middle school. Both the 26th of March and the 9th of April have been reserved at 7:30 p.m. in the evening.

Secondly, Peter Drivas brought to the club a challenge from the Biddeford Rotary Club for a softball game this summer. Club members not only responded "yes," but also "Hell, yes."

## Condolences

The Club members paused for a moment of silence and sent along its sincerest condolences to Club Director Joe Conroy, whose mother passed away on the 16th of March.

## An Important Change

Please note that photographer Mason Philip Smith will not be taking pictures on April 1st, but will take pictures at the same

time (5:30 p.m. to 6:10 p.m.) at the April 8th meeting at the Purpoodock Club. This will be your last chance to have pictures taken and the \$10 sitting fee is due at the time that the pictures are taken.

## Upcoming Dates

- May 9th - "Special" breakfast on this Saturday morning.
- May 13th - No meeting.
- May 16th - Twenty-fifth anniversary celebration.

The meetings of May 9th and May 16th are the official meeting dates.

## New Assistant Bulletin Editor Appointed

Following an exhaustive screening and search process, Tom Joyce has been selected to be the Assistant Bulletin Editor for Two Lights. Tom has agreed to assist with the writing of the weekly newsletter and Doug Stewart will continue as Assistant in Charge of Printing and mailing. Many thanks for the assistance of these two fellows and also the past assistance rendered by Dan Davidson, Jack Roberts, Dave Chadwick, and others who have provided written materials for the bulletin.

## Upcoming Duties

The Sergeant at Arms this week will be Al Rowe and the invocation will be offered by Jeff Hobbs.

## Misinformation Correction

It seems that the following club members wish to make changes to statements they have made in the past:

- Dave Bagdasarian now reports that he does not have a practice in Freeport in South Portland as reported in his classification talk. He now says he practices in Portland.
- Dick Goodine claims that he did not want to be called "Dave" Goodine to avoid IRS scrutiny following his winning of the lottery last week. He now wishes to be called by his real name, Dick Goodine.
- Doug Stewart continues to be upset over being confused with Jack Roberts months ago. Once again, your editor wishes to state emphatically that Doug Stewart is not Jack Roberts. Doug is so detail-oriented, you'd think he was an accountant or something!
