us put on our thinking caps to determine how this money can be raised.

Last Week at the Club

Once again, the Cape Elizabeth/South Portland Rotary Club held a successful Ladies' Night with a good attendance of members and wives. The evening's surprise program was multi-media presentation by our own Dan Mooers. Dan gave a thoroughly enjoyable accounting of one of several trips he has taken down the Colorado River in the Grand Canyon. Dan also recounted a bit of the lore in history of the Canyon.

Jan Butler, wife of member Paul Butler, was the fortunate winner of a \$350 titanium steel hand truck donated for the raffle by Dennis King. Dick Goodine, Tom Joyce, and Rita Hennessey were the fortunate winners of round trip tickets to China following the final game of the Mariners.*

Important Upcoming Dates

- ° May 9th - Special breakfast.
- ° May 13th - No meeting.
- ° May 16th - Twenty-fifth anniversary celebration. As reported last week, Mason Smith will not be taking pictures at this week's meeting to be held at the Channel Crossing Restaurant at the usual time. He will, however, be taking pictures at the April 8th meeting at the Purpoodock Club. This is your last chance to have the pictures taken and the sitting fee of \$10 is due at the time the pictures are taken. Please note as well that Paul Butler should know if you are intending to go to the meeting this week. Please call him to verify if you have not done so as soon as possible. Dan Mooers also asks that for this week's meeting, those of you who do prepay, to please pay for this week's meal because the price difference of \$2 per meal more would confound his bookkeeping. Please also be reminded that there will be upcoming basketball dates arranged by Jack Roberts. Those of you who are interested, please reserve the 9th of April for this enjoyable event.

District Governor Challenge

District Governor Joe Hahn has notified our club that the goal for the coming year in the Polio Plus Campaign will be to provide immunization for 175,000 children. The dollar goal associated with this worthwhile effort is \$21,000 to be raised through various club projects. President Dick asks that all of

By-Laws Forthcoming

President Dick has notified club members that new club by-laws will be brought before the club some time in April. Also coming up soon will be a club audit which will be done by Ernst & Whinney.

Thank You's Received

Last Week at the Club

Lloyd Knight introduced Captain Bob Lee, Executive Director of the Portland Chapter of the American Red Cross. Bob gave an excellent overview of the history and purpose of the national American Red Cross and focused on the specific programs available through the Portland Chapter. Services available to the community through the Chapter include four basic programs: 1) disaster services; 2) communications between Armed Forces and families; 3) safety services; and, 4) the blood program. The Red Cross also has reasonably priced first aid kits available for purchase through their office.

Lloyd Knight also donated a \$15 gift certificate to the Village Cafe which was won (again!) by Bill Kourakos.

Jim Rowe Wants You....

To fill out the surveys he handed out at last week's meeting. This will give him an idea of what specific areas of interest you have and to solicit your ideas concerning new fundraising projects and any constructive ideas you have for improving the club.

Doug Stewart Wants You....

To be reminded of the following:

- He needs an indication of your attendance at the Saturday, May 9th "Special Breakfast." The cost is \$8 per family.
- There are still eight or nine people who have yet to return informational material for the directory. Please do so without any further delay.
- Mason Smith will be taking pictures at this week's meeting beginning at 5:30 p.m. at the Purpoodock Club. Please plan to be there early to complete this task.

Other News

- This week the United States Supreme Court will hear arguments on the question relating to the California suit regarding women in Rotary. Keep your eye on this issue as a decision is expected during this term
- Softball T-shirts are once again available according to athletic director Jack Roberts. Please see him if you did not get one last year or if you plan to play softball this year.

The Club received a thank you from the South Portland High School for our donation to send a young lady and a young man to Dirigo Girls' and Boys' State (respectively). Money was also sent for the same purpose to the Cape Elizabeth High School.

More Bits of Information

- The Freeport Club will be holding their annual auction April 18th from 10:00 a.m. to 2:00 p.m. Many items will be donated by local merchants and it is expected to be an enjoyable time.
- Al Rowe has returned from attending semester break activities at Daytona Beach. Al reports a wonderful time socializing with college kids and hopes to be part of "the scene" again next year!
- Next week's Two Lights will be the maiden voyage of Tom Joyce, Assistant Editor. His initiation follows several months of intensive study with your editor as his mentor. Please be kind to him.
- Mention was made of the fact that Mason Smith's book, Confederates Down East, is reviewed in this month's issue of the Rotarian magazine. Congrats, Mason.

Upcoming This Week

Bill Kilroy will introduce a surprise guest.

Duties This Week

Sergeant at Arms at this week's meeting will be Duane Rancourt and the invocation will be offered by Tom Hennessey.

April Is Magazine Month

During April, let's recognize the important contribution made to Rotary each month by our official magazine, THE ROTARIAN, in English, and its Spanish-language counterpart, REVISTA ROTARIA. For more than 75 years, our magazine has provided Rotarians with a continual source of valuable information and stimulating articles.

Contributors have included some of the most influential men of the century. Churchill, Ghandi, Einstein are but a few of those who have spoken directly to Rotarians through the pages of the magazine.

Joined in their effort to keep Rotary informed by a worldwide network of 25 regional magazines, THE ROTARIAN and REVISTA ROTARIA are of central importance to the world of Rotary.

Last Week at the Club

Heng-Chun Chen (David) a student at the Jr. of Southern Maine and a citizen of Taiwan, spoke to the club membership on the economic and political climate of his country. He was introduced by Alan Leathers. David's presentation was very interesting and generated a number of questions from members.

Nick Pappas led the club in a very rousing rendition of that old Greek favorite, "I've Been Working on the Railroad". It was so well performed and with so much enthusiasm that Nick was too tired to provide the members with a 2nd song.

Bill Kourakos didn't win the raffle but he did donate the prize.....two large Greek Easter Breads and a bottle of wine. (There was an unsubstantiated rumor at one of the tables that the wine bottle even had a cork). Sam Girtus directed the drawing which was proceeded by a history of the Greek Easter Calendar. Duane Rancourt was the lucky winner.

Important Upcoming Dates

- April 15 - Training Seminar for US PolioPlus club chairmen in Brunswick, Maine
- May 2 - District Assembly in Trois Rivieres, Que (Busses for travel to this Assembly may be available)
- May 9th - "special breakfast" - make your reservation (\$8.00)
- May 13th - No Meeting
- May 16th - 25th anniversary Celebration
- June 18-21 District 779 Conference, The Balsams, NH
Members planning to attend should make reservations as soon as possible. The cost is \$93.00/person, double occupancy.

Sports Happenings

Equipment Manager Jack Roberts has prepared an order form for t-shirts for the fast approaching softball season. Members wishing to purchase shirts should see Jack. The price is \$5.00.

To date there have been 2 games announced - Scarborough and the "big game". The actual playing dates are being negotiated with ESPN and will be announced soon.

Club Attendance

Pres. Pyne noted that the club's attendance was so low in March (79%) that we did not even make the District standings - only clubs with 80% or more are shown.

Flood Assistance

Frank Gemme proposed that the club explore possible ways to assist with flood relief in Maine. Any members wishing to comment on the merits of Frank's proposal should speak with one of the club directors.

From Governor Joe's Newsletter

Some members might be interested in "Fast Forward", a conference for young people and those who care about them. It will be held May 14, 1987 at the Augusta Civic Center. Information is available for those interested.

World Understanding

If Rotary is ever to achieve its goal of world understanding and peace, it will be necessary for each of us to contribute his share to International Service. To facilitate this effort, Rotary has placed opportunities all along its 4th avenue. Among these are Polio Plus, World Community Service, Youth Exchange and more. Each opportunity is clearly marked. You should have no difficulty finding where to put your efforts.

TWO LIGHTS

South Portland – Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Rd., Cape Elizabeth

April 22, 1987

Last Week at the Club

Mike McGovern introduced Cape Elizabeth's Superintendent of Schools, Dr. Darryl Pelletier. Dr. Pelletier has been Superintendent of Schools at Cape Elizabeth for the past two years and updated club members on the progress of the Cape Elizabeth school system.

Alan Leathers donated a beautiful spring floral arrangement which was won by Lloyd Knight.

News of Note

Please note the following as items for your special attention:

° If you are attending the special breakfast on May 9th, please make your reservations with Doug Stewart now. This is the official club meeting for that week and there will be no Wednesday meeting on the 13th.

° Doug Stewart needs directory information now. Mason Smith needs to be advised of your photograph choice ASAP so Doug can finish arrangement of the bulletin. Please call and leave a message with Mason.

Stadium Project

Finishing touches will be applied to the Wagner Memorial Stadium at 8:30 on Saturday, the 25th of April at the family field in Cape Elizabeth. Please bring your own tools. Coffee will be served and Tony would appreciate being advised if you are planning on coming.

Tony also wishes to remind us that on June 20th we will be cranking up our fried dough concession for Family Fun Days. We may also be in the business of selling ice cream and we will need as many hands as possible to make this a successful endeavor.

President Dick Says...

° There will be a Board of Directors meeting on May 5th at 7:00 o'clock at his house.

° He has received several smart aleck comments from Ron Drouin and others at the Biddeford Club concerning our softball challenge. This is expected to be a hot topic at the upcoming May 6th meeting when all area club presidents have been invited to

Jack Roberts also indicates that he is looking into participating in a two-day softball tournament to benefit the Pine Tree Society for Crippled Children. Jack also states that he has a court available for basketball on the 30th of April. He is also still hawking T-shirts for those who have not yet purchased one.

Meet Craig Romanowski

As part of our effort to get better acquainted with our new members, we would like to introduce to you Craig Romanowski, who joined our club recently. Craig was born and raised in Pennsylvania and attended LaSalle College in Philadelphia. He has been in Maine since July of 1985 and is presently employed by U.S. Gypsum. Craig states, "I am very excited about being a new member of the Rotary Club and am looking forward to participating in club activities and making 1987 an excellent year for our club."

This Week at the Club

We will hear classification talks by Tom Hennessey, a local real estate appraiser, and Tom Joyce, who is a systems analyst for Unum.

The usual duties will be handled by Al Rowe as Sergeant at Arms and Sam Giftos will offer our invocation.

The Classification System

"The question is often asked: 'Why do Rotary Clubs limit membership to one man from each distinct business or profession?' Because our experiment has proved in operation that it makes for congenial fellowship, obviates business and professional jealousies, encourages mutual helpfulness, stimulates pride in the dignity of one's occupation, and broadens one's mind and sympathy with regard to the accomplishments and problems of other occupations."

-- Paul Harris, Rotary's Founder

A Catalog of Hope

Through PolioPlus, ROTARY BRINGS HOPE to millions of children that they will grow up free from the danger of polio.

Through World Community Service, ROTARY BRINGS HOPE to millions of people that they can live healthy, productive lives.

Through programs such as these, ROTARY BRINGS HOPE to more than one million Rotarians that they can make an important difference in the lives of others and the fate of the world.

YOUR OPINION PLEASE

The Board of Directors will be deciding where we will meet for the coming year on May 5th. We have all had an opportunity to take a look at five different settings during the past year. If you have a preference please make it known, in writing, to the Club Service Director by Wednesday April 29.

Point of information. The Purpoodock Club is willing to re-locate the phone, allow us to bring in corner lamps, and place a notice on the door from the locker room requesting members to use the other door when our meeting is in progress. No other changes are planned in the near future.

Of the five choices listed below, which would be your first choice?

1. The main dining hall at Purpoodock
2. The meeting room at Purpoodock
3. The VFW Hall in South Portland
4. The Channel Crossing Restaurant
5. The Bridgeway Restaurant

The final decision rests with the Board of Directors. This is an important decision that we will all have to live with for the foreseeable future. Your opinion will be given careful consideration as we deliberate. Now is the time to express your opinion.

Stadium Project Revisited

This Week's Program

Bill Kilroy will be introducing Eugene Fitzpatrick from the U.S. Immigration and Naturalization Service. His topic will be illegal aliens.

Jeff Hobbs will be Sergeant at Arms and Frank Gemme will offer the invocation.

Last Week at the Club

This week's raffle prize, a twenty dollar gift certificate to the Baker's Table was donated by Alex Livingston for the raffle. The lucky winner was Mike McGovern. Mike, incidentally, will be providing next week's raffle. Easy come, easy go!

News of Note

° Dick Yerxa reported that his son is doing fine after taking a plunge into the icy water off Pine Point.

° George Chandler is a first time grandfather.

° Still time to make your meeting place preference known.

° Upcoming events:

May 6th, Visiting Presidents night at Purpoodock

May 9th, Breakfast

May 16, Twenty-fifth anniversary

° The secret is out - Mason Smith donated the Mariners' tickets to our winter raffles. Thanks Mason!

Jocks Take Notice

Time: Sunday, May 3rd, 1:00 p.m. - Pine Tree Society Softball Marathon.

Event: The club will be participating in a benefit softball game for two hours or ten innings, whichever comes first. Three hundred dollars has been approved by the Board as our contribution which will be used primarily for the Pine Tree Camp for Crippled Children. Coach Roberts is looking for volunteers to play. We need about 16 good men. We will be paired with a team of comparable composition.

Special thanks to Jack for writing this edition of Two Lights.

Tony Wagner needs several volunteers to assist him in assembling the second section of the family field grandstand this Saturday, April 25th, at 8:30 a.m. In the event of rain, the crew will try Sunday, same time, same place. Plans available on request.

Tony also reported that workers will be needed for Family Fun Day, June 18th. Mark your calendars. This is one of our major fundraisers.

Tom-Toms Heard at Purpoodock

Classification talks were the order of the day as the club heard from Tom Hennessey and Tom Joyce.

Tom Hennessey is the owner of the Thomas Hennessey, Jr. Appraisal Firm. The company was begun by Tom's father. Tom now has four employees and is in the process of moving his operation to a new, larger facility on Ocean House Road in Cape Elizabeth.

Tom Joyce is a systems analyst with Unum. He likens his position to that of an architect with carpenters coming to him to solve problems.

Tom has been with Union Mutual - Unum since the late 70's when he was hired to be head of Technical Services. He then served three years as Manager of Marketing and Promotion until moving back into systems this past August.

Both men grew up in Portland before heading off to college. They now reside in Cape Elizabeth.

Private Industry Council Request

Bill York has been approached by Diane Chase of the Private Industry Council concerning a need for members. The PIC is a twenty-five member board working in partnership with the Cumberland County Commissioners for the delivery of employment and training services under the Jobs Training Partnership Act (JTPA). The PIC membership represents both small and large employers as well as various public sector organizations. This diverse membership allows for a healthy exchange of ideas and directions for the implementation of a \$1.3 million annual budget, which enables the PIC, through the Training Resource Center, to offer employment and training services to approximately 900 county residents yearly in addition to the provision of services for workers who are dislocated by plant shutdowns such as Health-Tex.

If you are interested in assisting with this effort, please call Ms. Chase at 775-5891.

Duane Rancourt introduced John Walker, who is the Director of the local Council of Governments. He spoke of the various advantages of the COG for area communities. He cited the data services and emphasis on regional progress as goals for the COG.

The raffle gift certificate to the Snow Squall donated by Mike McGovern was won by Phil Dube and the Wedgewood "non-ashtray" was won by Tony Wagner.

Bleacher Project a Success

Tony Wagner expressed his appreciation to the following individuals for participating in the "bleacher raising" last Saturday. Among the participants were Harry Russell, Jim Rowe, Al Rowe, Dan Davidson, Bill York, Alec Livingston, Jack Roberts, Nick Pappas, Matt Wagner, Tony Wagner, and Tom Joyce.

The Special Breakfast

Please note that the breakfast for Rotary families will be held on Saturday, May 9th, at the Cape Elizabeth Methodist Church. All Rotarians are encouraged to attend with their families and to notify Doug Stewart ASAP of the number of people attending from your family.

Twenty-Fifth Anniversary Party Coming

Invitations were sent this week to Rotarians regarding the upcoming twenty-fifth anniversary gala to be held on May 16th. Event Chairman, Bob Carson, guarantees that a grand time will be had by all with dinner and dancing provided. Please respond to your invitations as early as possible so that planning may be completed.

Benefit Softball Game

The first benefit softball game has been scheduled for Sunday, May 3rd, at 1:00 o'clock at the Dougherty Field in Portland. Our team is scheduled to play the Spurwink Spiral Staircase Company. Proceeds from this game will go to the Pine Tree Society for Crippled Children. Coach Jack Roberts is asking that all members be there early for "prayer and exercise."

Items for the Bulletin

Your editor asks that any items to be published in the bulletin be provided the week before the event is to occur. For

~~instance, if you wish to have event items for after May 6th, you should have given them to the editor by Thursday, April 30th. Occasionally, your editor gets caught in a "time warp" and you may receive the bulletin after the event has occurred. (For instance, with the softball game noted above.) If the editor is not present at the meeting, please feel free to call him at 761-2201 or pass along notes through Dave Chadwick, Tom Joyce, Doug Stewart, or Jack Roberts. It would also be helpful if you would indicate who is your speaker at least a couple of weeks in advance, giving background in writing. Thank you.~~

The Rotary Foundation is Not...

The Rotary Foundation is not to build monuments of brick and stone. If we work upon marble, it will perish; if we work on brass, time will deface it; if we (erect) temples, they will crumble into ruins. But if we work upon immortal minds, if we imbue them with the full meaning of the Spirit of Rotary as expressed in our Objects and with the just fear of God and love of fellow men, we are engraving on those tablets something that will brighten all eternity and make Rotary an immortal force so long as this civilization shall endure.

--Arch Klumph, father of The Rotary Foundation

Even These Words

The image of Rotary in our community is not based on what Rotary accomplishes throughout the world, but on what our club can accomplish right here. An active, well-planned service agenda will always be the best way for us to demonstrate to our neighbors the scope and meaning of Rotary.

In describing a club such as ours - one that is dedicated to service - action always speaks louder than words. Even these words! Don't you agree?

Special Note

All members are reminded that there is no Rotary meeting scheduled for May 13th. The official makeup for this meeting will be the night of the 25th anniversary celebration on May 16th. The regular schedule will be renewed on May 20th.

Since there will be no meeting or program on the 13th, there will be no guest speaker.

Twenty-Fifth Anniversary

Bob Carson needs to be contacted immediately regarding your plans for the 25th anniversary. An exciting evening is planned with both dinner and dancing on the agenda and roast beef and shrimp are the choices of the day.

Upcoming Event Reminders

° The Cape Family Fun Days will be held on June 20th. Tony Wagner is looking for people to assist in organizing. He will contact you if you don't call him first. He will also be starting up an ice cream concession to raise more funds this year.

Rowe Writes...

Our club's Polio Plus chairmen are George Chandler and Dave Smith. Also on the Polio Plus committee will be Director-Elect of International Service Tom Hennessy and one or two other club members to be named shortly. If you have an interest, let me know ASAP. Dave attended a seminar in Brunswick on April 25th and came away with many good ideas. I have received several excellent fundraising suggestions from you. With everyone's participation, we will surpass our club's goal of \$25,000.

° Jack Roberts is trying to arrange a softball game for that same weekend and will provide more information later.

Last Week at the Club

In one of the more confusing raffles held to date, a bottle of Greek wine was won and refused by several people and a cassette tape of banjo player Peter Mezoian donated by the banjo player's father, Andy Mezoian, was won by Rotary member Andy Mezoian.

The overall goal of the Polio Plus campaign is to raise \$120 million in order to provide vaccine which will limit not only Polio Myelitis, but other communicable childhood diseases worldwide. Although District Governor Joe Hahn has seen nothing in writing, he suspects a major long term goal of Rotary International is to be in close association with the battle against childhood diseases (much as the Lions are associated with the fight against hearing and sight defects).

The guest speaker was Eugene Fitzpatrick, Regional Director for the Immigration and Naturalization Service, who was introduced by Bill Kilroy. Mr. Fitzpatrick briefed the group on the new comprehensive immigration law which passed last November 6th. Under this new law, greater responsibility will be placed upon employers to certify the citizenship status of newly hired employees.

One problem perceived by myself, many of you, and other clubs is the emotional distance between Americans and Polio. We hope to be able to provide the club with a short video which will help bring the problem home to each and every one of you. It did to me.

Same Church, Different Pew

By a unanimous vote, the Board of Directors of the South Portland-Cape Elizabeth Rotary Club has voted to remain at the Purpoodock Club. A clear majority of the responses received from club members prior to the board meeting indicated a desire to continue meeting at this location.

The District Conference is June 18th-21st at the Balsams. This too has business sessions, but is loaded with play time, good food, and friendship. If slaving behind a hot, greasy fried dough booth does not appeal to you (sorry, Tony), join us at the Balsams. I have registration forms.

The Board has decided to continue using the meeting room we are now in while we seek to resolve the concerns expressed with the main dining room.

-- Jim Rowe

Last Week at the Club

By the time you read this, the memorable 25th anniversary celebration will have been held at the Sheraton in South Portland. Bob Carson, Dan Mooers, and others worked especially hard to make this event a once in a lifetime occasion. Warren Simpson's successful efforts in producing a history of the club also added a special dimension to the celebration. Over the period of the next few days, we should all take a moment to reflect not only on the success of our club, but also on the spirit of the individuals who had the foresight and commitment to the community to work at founding the Cape Elizabeth-South Portland Rotary Club.

Upcoming This Week

Dennis King will introduce a guest from the Alliance for the Mentally Ill and the invocation will be offered by Harold Fralich. Sergeant at Arms will be Duane Rancourt.

Breakfast a Huge Success

No question about it - if Doug Stewart cooked breakfast each time and the Cape Elizabeth Methodist Church was the setting, there probably would be little discussion about the appropriate time and place to hold club meetings! With characteristic humility, Doug wrote your editor, "Honesty prevents me from writing about my latest culinary triumph!" Doug really didn't need to toot his own horn, for all of the participants in the Rotary Club breakfast were very complimentary about the effort of Doug and his crew of Tony and Matt Wagner, Al Rowe, Tom Joyce, Dan Mooers and Shirley, Doug Stewart and Pam, Joe Conroy, Tom Hennessey, Bill O'Neill (and his son), Mike McGovern, Bill Stanton, Craig Romanowski, Ron Stuart, and Bob Flynn. Special thanks to Paul Butler for donating the eggs and sausage and to the Methodist Church for the use of their facilities. It was definitely one of the highlights of Spring.

On the Rowe-d with Jim

The District 779 Assembly was held at Trois Rivieres, Quebec on Saturday, May 2nd. Those attending from our club were Past District Governor Sam Giftos, Secretary (Secretary-elect) Dan Mooers, and President-elect Jim Rowe. We were chaperoned by Shirley.

The District Assembly is primarily a work

for incoming club officers (mainly presidents and secretaries). Our club pays the registration fee for these two officers (\$25 each). Information is given on a wide range of topics including: the need to organize club plans early, the importance of communication at all levels of Rotary, the Rotary Foundation, the Youth Exchange Program, Membership Development and Club Extension, The District Governor's visit (Marcel Giradeau will be at our club on August 12th), attendance and other pertinent topics.

Of particular interest to me was the Polio Plus discussion. Finally, information is trickling to the club level and we can begin our efforts in this area (as mentioned last week).

Trois Rivieres is a beautiful city half way between Quebec and Montreal on the St. Lawrence River. An interesting note is that Trois Rivieres (Three Rivers) is actually the junction of only two rivers. Island positioning gave the appearance of three merging flows to early explorers.

In the tradition of most Canadian cities, we were struck by Trois Rivieres' cleanliness and by the speed of its drivers.

A good time was had by all. Saturday night took us to Quebec, where I tasted "les cuisses provinciales" for the first time (not at club expense) - just like chicken.

Hopefully, we picked up information which will benefit the club next year.

Also, the Rotary International Convention for 1988 is in Philadelphia, PA. We have heard about these meetings from Harold Fralich, Sam Giftos, Bob Doe, Paul Butler, and others and know what tremendously rewarding as well as fun times they offer. The fact is, our International Convention just plain will not get much closer geographically than Philly. It will provide a great opportunity for us "regular Rotarians" to see the overall picture of Rotary International firsthand. I will be promoting this throughout next year.

Twenty-Fifth Anniversary a Success

Event organizers Dan Mooers and Bob Carson have called the 25th Anniversary Celebration held last Saturday a real success. Seventy-six members and wives were in attendance and guests were also invited from other clubs in the district and the local South Portland Lions Club President also joined us.

One of the events making the night as special as it was involved the naming of four new Paul Harris Fellows in our Club. The Club honored Dick Yerxa, Bill Kilroy, Dick Jordan, and Dan Gacetta by awarding them the Paul Harris Fellow. This was a very meaningful way to honor these four distinguished individuals.

Sam is to Help R.I. President

R.I. President M.A.T. Caparas has asked Sam to participate in a panel discussion on club leadership at the Rotary International Convention in Munich next month. This is the second time that Sam has been similarly involved and will be involved this year as Secretary of the group.

Upcoming Directors Meeting

The Board of Directors Meeting for this month will be held on the 2nd of June at Jim Rowe's house, 177 Oakhurst Road, at 7:00 o'clock. Members are welcome to attend to see how the club Board works.

Upcoming Dates to Remember

President Dick announced that there will be a club assembly at the meeting of June 10th. This will provide a time for all members to constructively criticize our efforts in the past year and to assist with planning in the coming months.

Tony Wagner reminds all that sign-up for Cape Days duties must be done as soon as possible. This is a major fundraiser for our club and we are looking forward to having a banner year. Please see Tony with your time and involvement.

On the 5th of June, the Portland Club will be hosting Governor McKernan as speaker. Please sign up in advance with the Portland Club if you are interested in attending this meeting.

Last Week at the Club

The raffled grand prize of \$17 was won by

Dick Yerxa who, in turn, donated it back to the club treasury. Thanks Dick.

Tony Wagner reminded all of us that he has received no new membership cards in the last six weeks. He has updated the classifications list and encourages all members to do it to renew commitments and contacts.

Dennis King, Program Chairman, introduced Michael Fitzpatrick, Executive Director for the Alliance for the Mentally Ill, and John Leddy, Jr., Employment developer with the same organization. The two men outlined the programs sponsored by AMI and noted in particular the lack of awareness many people have about mental illness. Mike noted that the mentally ill have the same aspirations as all of us, but find their lives interrupted because of mental dysfunction.

This Week You will Hear...

° Bob Carson will give his classification talk on the topic of beverage distribution. One other member yet to be determined will also give a classification talk.

The Sergeant at Arms will be Dave Bagdasarian and the Invocation will be offered by Bob Flynn.

Rowe Report

The Board of Directors-elect met on May 19th to firm up plans for next Rotary year.

Of interest to the membership -

Beginning in July, Board meetings will be held on the first Tuesday of each month at Jim Rowe's house, 127 Oakhurst Road, Cape Elizabeth at 7:00 p.m. Members are welcome to attend these meetings.

Our club has a standard fund request form to be filled out by agencies or organizations seeking our financial support. If you are in contact with anyone seeking our help, please obtain one of these forms from any board members. The completed form must then go to a financial review committee (consisting of the 4 Avenue of Service Directors). The committee's recommendations are presented to the full board for approval.

If you have not registered your preferences regarding areas in which you will serve during the coming year, do so at once! The ball is in your court. Rotary demands participation to be effective.

Sam Off to Germany

Past District Governor Sam Giftos is off to Munich for the Rotary International Convention. In addition to working on a leadership seminar, Sam is enthusiastic about mixing it up with Rotarians from all over the world who will be in attendance.

Last Week at the Club

One of the highlights of last Wednesday was the very special raffle we had of three cruises aboard Dan Mooers boat "Gypsy Babe." Joe Conroy, Bill O'Neil, and Dick Kilroy were all fortunate winners.

It was also announced that Dan Mooers has been appointed to the Board of Directors of the Samantha Smith Foundation. This is a very special honor for Dan as he worked diligently to raise funds on behalf of this worthwhile cause.

The club also hosted a very special guest of Carroll Beck's. In attendance was his son-in-law, Reverend Fred Ingalls, a minister in Sumatra, Indonesia.

Bob Carson gave a classification talk regarding his occupation as a state manager and marketing representative for several distillery companies. Bob discussed the relationship his organization has with the state and agency liquor stores and stated that he travels extensively statewide promoting alcoholic beverages. He is required to deal extensively with state liquor commission members and stated that current events and stress on physical fitness has created a lower demand for liquor. Several members noted that it was great to see our past president speaking for the group once again.

President Dick's Last Director's Meeting

There will be a meeting of the combined incoming and outgoing boards of directors on Tuesday, June 2nd, at 7:00 p.m. at Jim Rowe's

Agenda items will include, but not be limited to:

- ° Final presentation of 1987-1988 committees.
- ° Approval of 1987-1988 internal and external budgets.
- ° Report from Polio Plus Committee (to present fundraising plan for coming year).
- ° To locate an alternate location for the meetings of June 17th and August 26th.
- ° To make initial plans for a lobster cookout on September 9th.
- ° Status report on proposed by-laws.
- ° Status report on directory.

Upcoming This Week

Sergeant at Arms this week will be Al Rowe and the Invocation will be offered by Phil Dube.

Dave Smith will introduce Rotarian Tom Thomas of the Sanford-Springvale Club, who will talk with club members on the Polio Plus Campaign. All members are strongly encouraged to attend as this will be a major focus of our fundraising efforts for this year. Please join us for this important program.

A Word from Governor Joe

June 18-21 District 779 Conference at the Balsams, Dixville Notch, New Hampshire. In addition to the learning experience we will witness at our District Conference, there will be a certain amount of business that must be considered. Please be prepared to discuss them. Included: The District Code of Acts. Several revisions have been under discussion, including (1) Change the District Finance Committee from the last five district governors to the last six; and provision to always include four U.S. and two Canadian PDG's. (2) Require quarterly financial reports from the District Treasurer to the District Finance Committee. (3) Change the District Fellowship Fund to the District Rotary Foundation Fund, change the annual per capita assessment from \$2 to \$1 for this fund, and change the purpose of the fund from providing annual graduate fellowships and/or undergrad scholarships to providing funding for District Rotary Foundation Committee. (5) Change the annual per capita assessment to the District treasury from \$9 to \$10. In addition to these important items, there will be the usual assortment of golf, tennis, swimming, boating, fishing, walking, dancing, eating, etc.

Last Week

Dave Smith introduced Tom Thomas of the Sanford Rotary Club who is area coordinator of the Polio Plus Campaign. Tom made us aware of the critical importance of erasing polio in third world countries where 1 of 200 children are crippled by this disease. The RI goal is to raise 120 million dollars to inoculate 100 million children. We'll be discussing this further as we proceed to identify ways our club can contribute to this worthwhile effort.

Bill O'Neill donated 4 pair of Guides tickets for the raffle. Phil Dube, Warren Simpson, Frank Hugo and Jim Rowe will take themselves out to the ball game soon.

Two other highlights of the meeting: Jane Smith, President of the Samantha Smith Foundation, was a guest of Dan Mooers. Jack Roberts was back after a few weeks of makeups elsewhere but his beard wasn't.

Special Notice From Jim Rowe

There will be no meeting at the Purpoodock Club on June 17th. However, YOU ARE OBLIGED TO ATTEND ROTARY THAT WEEK in one of three ways. You may: 1) Attend the District Conference at the Balsams, 6/18-6/21, or 2) Serve at the Cape Family Fun Day Activities, 6/20, or 3) Make up at another Rotary Club in the usual manner. You must do one of these 3 things in order to obtain credit for the meeting. Your attendance obligation has not been waived (only the actual meeting time cancelled).

The enclosed budgets for the 1987-1988 Rotary year were approved at the June 2nd District meeting. Be prepared to approve the new proposed by-laws at the June 10th club assembly. Proposed amendments will be accepted from the floor.

Paul Harris Fellow contributions earmarked in writing for Polio Plus Program are applicable towards our club's goal (if made between July 1, 1987 and June 30, 1990 - see Polio Plus Committee for specifics). Don't forget the Paul Harris Sustaining Member Program (\$2.00/week)! More information will be forthcoming on this vehicle of giving.

Rotary International has contracted with a

professional fundraiser to help with Polio Plus, a most monumental task in our organization's history. This is at a cost no more than 10% of total revenues not to exceed \$12 million. These figures according to District Governor Joe Hahn (an experienced professional fundraiser for the Pine Tree Society) are "not bad."

The Polio Plus Campaign is a program we can really sink our teeth into while at the same time improving the fellowship within our club. Please be prepared to serve!

Upcoming Events

- Cape Family Fun Days. Tony Wagner reports all is proceeding according to schedule and assignments have been worked out.
- Jack Roberts reports that he has challenged the Portland Club to a July 12th softball game. Frank Gooch is organizing things on the Portland side. More to be forthcoming soon on this.
- Doug Stewart needs any changes now to your Directory entry sent last week. Those who haven't given pictures need to do so immediately. June 10th will be too late!!

Upcoming this Week

There will be no outside speaker due to the club assembly. Sargent at arms will be Jeff Hobbs and the invocation will be given by Peter Drivas.

This Week in History

On June 6, 1962 our club had a monthly attendance average of 99% and knocked the Shawinigan Quebec Club out of first position in the district.

From Joe Hahn

We all know what a make-up opportunity is-- and most Rotarians enjoy these opportunities to visit another Rotary club and learn how other Rotarians are conducting their business of "Service above Self."

There are a few, however, who have a BAD habit of visiting other clubs for makeup, but not staying for the entire meeting! It is always somewhat insulting to me when a Rotarian leaves the meeting prior to the speaker finishing his program. What the Rotarian is saying is "I am needed on my job more than you are needed on yours!" Although that might be occasionally true for a few individuals, it often gets out of hand. In one club, eight men from two tables in the front row got up and left as the speaker rose for his presentation. They were all "making up" from a neighboring club. We call

Important Special Notice

Just a reminder that the meeting for the 17th will not be held at the Purpoodock Club. As mentioned by Jim Rowe last week, you are obligated to attend Rotary that week. You can either make up by attending the District Conference, participating in the Cape Family Fun Days on June 20th, or make up at another Rotary Club. Please make plans now to do your part by helping with the Cape Family Fun Day activities.

Larry Says "Thanks"

Larry Carey wanted to express his sincerest appreciation to the 14 people who signed up for the blood drive on June 15th from 2:00 to 3:00 p.m. at the Redeemer Lutheran Church in Cape Elizabeth. Larry feels this is an excellent turnout and he is most appreciative of the support of club members.

Softball Game up in the Air

Jack Roberts reports that he has been unable to confirm the upcoming softball game with the Portland Club. He will be working with Frank Gooch to come up with a date and you will be kept posted in Two Lights on his progress.

Senior Actives Appointed

At last week's meeting, Peter Drivas, Larry Carey, Frank Hugo, Carroll Beck, Phil Dube, and Bill Stanton were all appointed Senior Actives. The club is indeed fortunate to have such longstanding and active members as these gentlemen.

Last Week at the Club

The club assembly was held and the proposed By-Laws were presented and approved with two amendments. Article 10, Section 15 was modified to require publication of budget agenda items considered by the Board two weeks in advance, and Article 5, Section 1 was amended and approved to charge a \$55 admission fee (to offset the cost of the Directory). A suggestion was also offered to make the By-Laws' gender neutral. Discussion at the assembly also included a suggestion to make all new members part of a certain committee and to arrange speakers far enough in advance to allow publication in the bulletin.

The budget was also approved for the forthcoming year and Bob Flynn was not

included as a needy recipient. Bob is considering the purchase of a new Porsche to replace the one which was parked in the no parking zone in front of the club last Wednesday, your Two Lights reporter noted.

For next year, Paul Butler will have a list of program assignments a year in advance. There will also be a theatre night in September with Frank Gemma as the event chairperson. The play will be Fiddler on the Roof.

A radio donated by Dick Pyne was won by Dan Mooers.

From Governor Joe

For those planning to attend the District Conference at the Balsams on June 18-21, I've learned you have a treat in store for you. President M.A.T. Caparas has named PDG Frank M. Rasbury, District 725, to be his official representative.

Frank and his lovely wife, Naida, have been friends of Betty and I for a while. We first met at the Rotary International Convention in Kansas City in 1985, and have enjoyed meeting them again at several different Rotary functions.

He recently retired as executive director of the Nassau County chapter of the American Red Cross and founder of F & N Management Associates, Inc. He retired from the U.S. Army as a Lieutenant-Colonel after 20 years of service, with the Legion of Merit, Bronze Star, and Commendation Medal; and is a past director of the Nassau Children's House, and

Family Fun Days a Success

By the time you read this, Captain Tony Wagner will likely have worked his magic once again in organizing a very successful Cape Family Fun Day. The following Rotarians have agreed to be part of the work schedule for June 20th, 1987:

Signs - Dennis King and Andy Mezoian.
Set Up Crew - Livingston, Dave Smith, Yerxa, Carson, O'Neil and Wagner.
Booth Workers - 8:00 a.m. to 12:00 noon: Rawlings, Joyce, Davidson, York, Romanauski, Hennessey; 12:00 noon to 3:00 p.m.: Pyne, Dube, Butler, Hobbs, Bogosian; 3:00 p.m. to 6:00 p.m.: Stuart, McGovern, Bogosian, Flynn, Bagdasarian, Dube, York, Kourakos, Carson, Jordan; 6:00 p.m. to 9:00 p.m.: Al Rowe, Carson, York, Roberts, Smith, Wagner, Hennessey, Simpson.

Upcoming This Week

Dan Gacetta will introduce a very special guest, Joan Benoit. Joan, of course, is "Maine's finest," having won a gold medal in the marathon at the last Olympic Games.

The Sergeant at Arms will be Bill Stanton and the Invocation will be offered by Dan Davidson.

Upcoming Duties for July

The following duties are upcoming for July:

	<u>Program</u>	<u>Invocation</u>	<u>Sgt. at Arms</u>
7/1	Assembly	Conroy	Rancourt
7/8	Kilroy, D.	Chandler	Bagdasarian
7/15	Hugo	Chadwick	A. Rowe
7/22	Classification	Carson	Hobbs
7/29	Mezoian	Carey	Stanton

A Speaker Writes

Mike Fitzpatrick, Executive Director for the Alliance for the Mentally Ill wrote a thank you note to your editor regarding his invitation to speak at a recent meeting. Included in the letter was the following: "Your chapter of the Rotary Club appears to be vibrant and alive with energy. As we reach out into the private sector for resources and support, our involvement with fine organizations such as the Rotary becomes more important. Keep up the good work!!" It appears as though enthusiasm is contagious after all.

The attendance report for March from District Governor Joe Hahn indicates that Portland-Cape Elizabeth's was 24th overall in attendance for the District for that period from 7/1/86 to 3/31/87. In first place was the Biddeford-Saco Club at 95.8% attendance followed by the Rockland Club with 95% attendance.

From Governor Joe's Newsletter

My contribution -

During this year, I am definitely going to do something about my own personal contribution to Rotary.

I am going to look around and see if I can find someone to propose for membership in my club.

I am going to spend just a few minutes each week being personally friendly to two or three members with whom I normally have no contact. I am going to let them know I am personally interested in them as fellow citizens with ideals in common with mine, even though I never meet them elsewhere, socially or in business, and can gain nothing tangible from them.

I know that the success of my Rotary Club is my personal obligation, not just something I can leave to a committee.

I myself am Rotary. I cannot neglect it without missing the benefits that give Rotary its many facets that cause it to grow in size and usefulness all over the world.

I need to do this for my own good.

I owe it to my fellow Rotarians, for their good.

--The Felloes--Texarkana, Ark-Tex

Paying Your Dues

When Rotary loaned you your classification, it was your vocation that you used as collateral. So you might think of Vocational Service as a means of paying back your profession for enabling you to become a Rotarian. On the other hand, you could consider it to be the interest due on the loan of your classification. If you view Vocational Service that way, doesn't our club seem generous? After all, we're letting you put all of the "interest" right back into your business.

Real Dough From Dough Sale

Chairman Tony Wagner reported highly successful outcome to our efforts last weekend at the Cape Family Fun Days. The amount raised broke all records and we will make at least \$1,500. This amount is \$500 more than had been anticipated. 31 out of 55 rotarians worked on the project and Tony gave special thanks to: Bill York, Tom Hennessy, Bob Carson, Dave Smith, Alec Livingston, Craig Romanowski, John Stuart, Andy Mezoian, Dick Rawlings and Harry Russell. New rotarians assisting included: Mark Roberts, Matt Wagner, Shawn O'Neil, and his friend Chris.

Softball Upcoming

On Sunday the 28th, the Club will play the Portland Rotary Club in our first game of the year. The game will be held at Kaler Field at the end of Kelsey Street from 3:00 - 5:00. Coach Jack Roberts states that we have the field at 2:00 p.m. and that warm-ups may be advised. All are welcome to come and join in and cheer on the club.

News From the Balsams

Our Club was represented at the District 779 Conference by the Giftoses, the Hugos, the Dick Kilroys, the Mooers, the Jim Rows, and the Stewarts.

Last Week at The Club

Frank Gacetta introduced Ed Anderson President of "New" Maine Mariners Hockey Team. Ed was the most capable replacement for Joan Benoit who was unable to make it. Ed discussed the recent affiliation with the Boston Bruins. Ed explained that Mariners recently signed a five year lease with the Civic Center and that there is a renewal up to 10 years if conditions are favorable. He noted that Boston Bruins have a different player development philosophy and are excited about the geographic location - 2 hours from downtown Boston.

The Bath Club did an excellent job in administering the conference for their outgoing District Governor Joe Hahn.

Certainly one of the highlights of the weekend was the presence of Frank and Naida Rasbury, representatives of R.I. President M.A.T. Caparas. Frank informed us of the "Gift of Life" Program - a Rotary-subsidized effort which provides surgical heart repair for children. Our own Dan Mooers was named to a 5 year term on the Rotary Foundation Committee.

We also received an update on PDG Marcel Morrisett's well project in the Dominican Republic - a tremendous success.

Jack Roberts also introduced to the Club two new seniors actives: Bob Carson and Warren Simpson. Both men received Senior Active Past President pins.

Ruth Cobb offered her moving presentation on the Kidney Foundation/Organ Donor Program.

President Dick felt that the year should end on the same note as it began and invited Nick Pappas to lead the singing as was the case at Dick's first meeting. Nick caused the bell to ring in the last meeting as he did at the first meeting. Some things never change!

We heard about several clubs' student exchanges, fundraisers, and service projects.

Discussion was held on the amended Code of Acts for our District - please see Jim Rowe for details if you are interested.

\$20 gift certificate to the Purpoodock Pro Shop donated by Nick Pappas was won by Frank Hugo.

We heard a report from recent SMVTI grad and Rotary scholar Calvin Riley and also a somewhat unsettling account of the most recent Group Study Exchange with India.

Special Note to Bill O'Neil: The RAFFLE was won by Frank Hugo.

Polio Plus and Women in Rotary were touched upon. (I saw my first distaff Rotarian.)

Our Club's donation to the Silent Auction, the large autographed photo of Joan Beniot, earned \$300 for the Rotary Foundation - more than any other single item.
