TWO LIGHTS

South Portland — Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

April 6, 1988

Last Week:

Professor Joel Eastman from U.S.M. gave a most interesting slide presentation on the World War II militarization of Greater Portland and the Maine coast. The talk was filled with memories and insight and was appreciated by a fine "Spouse Night" turnout.

This week:

April 6 is a Club Assembly. This will be an open forum for discussion on any Rotary-related issues. President-elect Doug will be looking for input on planning next year.

April Board Meeting

...has been changed from Tuesday, April 5, to Monday, April 4, 7:00P.M. at 127 Oakhurst Rd.

South Portland-Maine Mall

Our new baby club had a well-attended and successful organizational meeting at the Elk's Club last Thursday. They will be meeting there each Thursday at 7:15 A.M. Their meetings qualify as makeups!

Thanks to Jack Roberts

...for setting up our winter basketball program. The S.P.-C.E. "Huff-'N-Puffers" won as many as they lost and had a lot of fun. If there is enough interest, maybe we could extend our season by a few weeks.

S.O.S.!!!

Bulletin Editor Tom Joyce would appreciate hearing from anyone interested in helping publish our weekly. This would be an excellent opportunity for one of our newer members to become active in the club. See Tom for details.

Attendance:

Don't forget April's attendance challenge vs. the Scarborough Rotary Club! We're looking for 100% for the whole club for these four meetings. Let's mobilize the teams we used in our last contest to facilitate communications. They are:

Membership Development

Don't forget that it is the responsibility of each and every Rotarian to promote the growth of Rotary. Make it a personal goal to bring a new member to our club before June 30.

Club Assembly

This past week a club assembly was held with the following issues presented:

1. the club should have more singing during the weekly meetings.
2. the buns served during dinner should be served warm. (it's the opinion of some members that they are merely defrosted and placed on a cold plate)
3. the bulletin should contain an advance listing of upcoming club activities.
4. all notices to be inserted in the bulletin should be given in writing to the editor.
5. while the PolioPlus campaign will probably reach it's 120 million dollar goal, the Rotary Foundation is facing a severe drop in donations - to date the foundation has reached only 47% of last year's level of donations.
6. Bill York is asking for help with South Portland's Spring Point Festival. We should show the Rotary Flag for this event in the same way we do at Cape Elizabeth's Family Festival. The Festival is in June and anyone interested in organizing a program should talk with Bill.
7. We need new members. We will not be able to continue to reach our goals without the added support of newer club members. Presently, the club has approximately 56 active Rotarians - let's enlarge that number.
8. Being a Rotarian means service and the club needs service on various club committees - everyone should talk with Doug Stewart about committees on which he or she would like to

The Raffle

The raffle this week was a 50/50. (I guess someone forgot it was their night to bring a prize?) The lucky winner was Dick Pyne. The editor didn't hear how much was in the pot but Dick looked pretty happy.

Rotary Club - So Portland/Me Mall

There was a great turnout for the special meeting of the South Portland/Maine Mall Club. Jim wants to thank all the members who were able to attend - they made it a very successful meeting.

For anyone that is not already aware - this clubs meeting can now be used as make-ups. The club schedule is:

Location - Elks Club, Congress St
 Time - 7:15 am
 Cost - \$5.00
 day - Thursday

Board Meeting

At the April 4th Board of Directors meeting it was agreed to allocate up to \$800 for the the purchase and repair of various Christmas Tree Sale items, including new signs, lumber for tree stands, tree lights, etc.

The Board also agreed to donate \$56 to the District's World Community Service Project. The money will be used to help purchase a refrigerator at an orphanage.

The Board also agreed to provide "pancake flippers" for a pancake breakfast honoring graduating CEHS seniors. More details on this event will be forthcoming.

The board has again agreed to field a championship caliber softball team for participation in a tournament to benefit the Pine Tree Society. The club coach will be selecting the lucky participants soon - stay near those telephones!

Enduro 10

Are we ever going to hear the end of unbelievable feat of athletic prowess? This past week Doug Stewart made it to the "We Hear" section of the Portland Evening Express - all for PolioPlus!

Greater Portland Rape Crisis
Center, Inc.

This past week the membership had an opportunity to hear Merrill Cousins, Associate Director of the Greater Portland Rape Crisis Center, discuss one of the nation's growing social problems - sexual assault and abuse.

The Rape Crisis Center is a volunteer organization serving Cumberland and York Counties. It is funded through a combination of private and public funds with a paid staff of two. Its goal's are three-fold - to assist the victims and their families, to reduce the incidence of sexual assault and to educate the community.

The incidence of sexual abuse and assault in our nation (and state) is staggering. Statistics indicate that 1 in 7 persons (male, female, child or adult) will be sexually assaulted or abused in their lifetime. The incidence of abuse and assault on woman is even more startling - 1 in 3.

When an assault does occur the Rape Crisis Center helps by providing physical protection, medical care, reassurance, and emotional support. They operate a 24 hour hotline that is maintain by volunteers 365 days a year. Last year they received over 1000 calls - an increase of 30% or the previous year.

The Raffle

The Raffle

The raffle prize this week was a "Baseball Couch Potato Kit" donated by Ted Herrick. The kit consisted of a box of Cracker Jacks, a can of peanuts, a baseball rule book, a baseball trivia book and a six pack of beer. The lucky winner was Bill Kilroy.

The Program

The program was classification talks by Jim Rowe and Paul Butler. Paul's topic was "How To Eat Aged (mouldy) Beef and Enjoy it". A very enjoyable and appetizing talk. Jim's talk also emphasized aging - the aging of the various Presidents of Charles Chase Co., including club member Al Rowe. Jim's talk was also enjoyable but much less appetizing than Paul's.

O'Neil Pounds

To those members that bet against Bill losing his designated weight - lookout - he's down 23 lbs and counting. My arithmetic indicates that PolioPlus is up at least 7 X \$23.00. Get your checkbooks ready!

Note: Bob Flynn reminded Bill that "it isn't over until the fat lady sings". Did Bob make a wager?

Next Week

Sgt at Arms - Al Rowe
Raffle - Tom Joyce
Invocation - Dick Yerxa
Program - Phil Dube

Phil will introduce Martha Lask from the South Portland Neighborhood Housing Services who will speak on the affordable housing crisis in South Portland.

Paul Harris Fellow

This week our club will name Robert Masterton a Paul Harris Fellow. Mr Masterton's work in the banking industry and his many contributions of time, money, and effort in our local community are exemplary of "Service Above Self". Please try to attend

Upcoming Events

Little League Scoreboard

The club has offered to construct a new scoreboard for the CE Little League field (Family Field). Tony Wagner will be organizing the event. He expects the construction to take no more than one day. Tentatively the work is scheduled to begin either the 1st or 2nd weekend of May.

Note: It is rumored that Tony has a set of professionally drawn plans for this project. Some members who watched Tony draft the bleacher plans in the dirt are skeptical.

Family Fun Day

The date of the club's second largest fund raising event is fast approaching. Family Fun Day is scheduled for June 25th and "the dough will be frying!" Make note of that date and be ready to give a hand.

Softball

Remember the club has entered a team in the Pine Tree Society Softball Tournament. The date is Sunday May 8th (Mother's Day). Anyone wishing to play should talk with Jack Roberts as soon as possible.

PolioPlus

Our club's PolioPlus contributions to date total approximately \$23,000. With less than three months left in this years campaign, we are very close to achieving our goal of \$25,000. Two points of concern: 1) very little money has been received in the last 3 months, and, 2) 40% of our present receipts have come from one source - Betz Lab. Let's all get behind our Bowl-a-thone effort and put us over the top. Also, keep plugging on the corporate solicitation and consider again becoming a Paul Harris Fellow.

The date of the Bowl-a-thone is May 21st - two times are available - a sign-up sheet will be passed at this week's meeting.

The \$10,000 Betz Lab contribution to PolioPlus was recognized in the PolioPlus Newsletter, complete with a picture of Tony Wagner presenting Paul Harris fellowships to Betz Lab

The Raffle

The raffle prize this week was a "half of the pot". The surprise winner was Bob Flynn. I use the word "surprise" because, as most of you know, Bob is normally sold a ticket from the prior week's leftovers. However, Al Rowe, who was administering the raffle, was unaware of this standard operating procedure and sold Bob a real ticket.

South Portland Housing

Phil Dube introduced Martha Lask from the South Portland Neighborhood Housing Services who spoke on the affordable housing crisis in South Portland in particular, and Maine in general.

Neighborhood Housing Services is a national, non-profit, private organization that provides leadership in the planning, financing and construction of new and rejuvenated housing for low to medium income families.

Robert Masterton

Robert R. Masterton was named a Paul Harris Fellowship by our Rotary Club at this past meeting. This represents the beginning of a plan to recognize people outside the "Rotary Family" who exemplify the ideals of Rotary. Bob Masterton, President and CEO of The One Bankcorp and Maine Savings Bank is just such a person. His numerous and significant contributions to not only the bank industry, but also to the cultural and economic well-being of our community are landmark.

Welcome Tim Thompson

Bob Flynn introduced Tim Thompson to the club as our newest member. Tim lives on Pine Ridge Rd. in the Cape. He is employed as the General Manager of MONY Financial Services with responsibility for the overall management of their offices in Maine and New Hampshire.

A Word From the Governor

My term of office 1987-88 has just a few more months to run. There is a price to pay for every success or accomplishment. This year Rotary International appealed to each of its members to strive for the victory of saving millions of children from Polio and other childhood diseases. There are just a few weeks left for each club in District #779 to reach the objectives which they have set for themselves. There's still much to be done. Where does your club stand in relation to PolioPlus?

Rotary International is committed to immunizing the children of the world. As Rotarians, let us pull out all the stops for the remaining few weeks of the campaign so that in the end we will be able to proudly say: we accepted the challenge of fighting the scourge of Polio and through our efforts we were victorious.

Upcoming Events

Our club will be providing a pancake breakfast for graduating seniors of Cape Elizabeth High School on Saturday, June 18th. Anyone who can help should speak with Jim Rowe.

Family Fun Day

As reported last week, the date for the club's 2nd largest fund raising event is fast approaching. As in the past we will be selling fried dough and soft drinks. There will be a need for a lot help - be prepared. The date is June 25th.

Softball

We have our opponent in the Pine Tree Society Softball Tournament - it's the Biddeford-Saco Rotary Club! Let's all be prepared to avenge last year's "regular season" loss to this very formidable opponent.

Bowl-a-thon

Everyone should have received pledge sheets with last week's bulletin. Additional supplies are available. Start working soon on obtaining your pledges - and be prepared to bowl!

The new South Portland – Maine Mall Rotary Club has announced the election of chapter President and Treasurer. Elected President was Dennis King, a former member of the CE/SP Club. Bill Anthony, also a former member of our club, was elected treasurer.

"Scooting" Can Be Rude

During the last four or five weeks, there has been an unusually large number of "scooters" leaving our meetings immediately preceding the introduction of the speaker. This can be quite distracting, not to mention, rude to our guests. Please make an effort to stay for our entire meeting.

More PR for Our Club

This past week our club was again given space in both the Portland Press Herald and Evening Express. Both of the articles concerned our club's presentation of a Paul Harris Fellowship to Bob Masterton. Another "thanks" to PR Chairman Dan Davidson. Additional "thanks" to Bill Kourakos for his work organizing the entire presentation.

PolioPlus Bowl-a-Thon - May 21st

This event is our club's last organized effort to raise money for PolioPlus. You don't have to be a great bowler to help. Simply secure pledges from friends and business associates. If each member can muster \$100.00 in pledges, the bowl-a-thon will raise over \$5,000 to combat six of the world's deadliest childhood diseases. Let's fill out those pledge sheets.

Condolences

Condolences to Dan Davidson, whose mother passed away this past week.

Motivating

How do you motivate people to produce, to do a better job? The answer, say motivational experts, is by fulfilling these five needs:

Economic Security Workers should feel that their time and effort will be fairly rewarded.

Emotional Security Management must create a climate in which employees "trust" their superiors, and feel that their jobs contribute to a worthwhile goal.

Recognition Employees should feel that good work will be appreciated and praised.

Self-expression We live in a democracy, and none of us should feel that we surrender that heritage when we enter our place of employment. Employees should have the right to communicate ideas, suggestions, fears, and opinions to their superiors without fear of retribution.

Self-respect This is simply the need to be treated as an individual, as a human being - not a statistic.

On the lighter side

An authority is a person who can tell you more about something than you really care to know.

The charter will be presented at an evening event in the early fall. Our club will help in the planning and organizing of the ceremony.

More PR

This month's Rotarian is a veritable SP/CE exhibition with the George Mitchell visit and the club's fried dough booth prominently displayed. (By the way, is the caption wishful thinking on the part of a republican Rotarian editor?)

Attendance

April attendance was 90.9% - a good effort but not good enough to beat the Scarborough Club - that's \$114.00 for their PolioPlus campaign.

PolioPlus

Our club's last chance to reach our goal is on May 21st - the Bowl-a-thon. Remember to get your pledge sheets!

Proposed Members

Steven C. Fletcher - Steve has been proposed as a new member by Dan Mooers. He is the corporation counsel for the City of South Portland. He resides in Brunswick. Steve's classification will be Law - Municipal.

New Board Member

The Board of Directors met last week to fill a vacant Director's position. Mason Smith, who was elected last year to become a Director on July 1st, finds himself unable to serve. As provided in the by-laws of the club, the vacancy was filled by the Board-elect, and Mike McGovern was appointed. President-elect Doug announced that the new directors for the four avenues of service are as follows:

Vocational Service - Harry Russell
Community Service - Jeff Hobbs
International Service - Mike McGovern
Club Service - Tom Hennessey

The Board-elect, which also includes Jack Roberts - V. President, Joe Conroy - V. President, Jim Rowe - Director at Large, Bill Kourakos - Treasurer and Bob Carson - Secretary, will have an organizational meeting on Wednesday, May 25th after the regular meeting. If there are any committee assignments you would like, please take a look at the current committee listings at the front of your directory and contact the director in charge of that avenue of service.

Sports Bits

In spite of a 5 for 6 performance from Jack Roberts the SP-CE Rotary Club failed to beat the Rotary Club of Saco-Biddeford. The final score was a 12 to 12 - after 10 innings. Our record over the last year is now 2-2-1. That has to improve! Who is the coach?

The Program

The Cape Elizabeth Land Trust is a private, non-profit, tax exempt corporation with the stated goal of preserving land within the town's municipal boundaries. It accomplishes this by obtaining ownership rights and/or easements to land either through direct purchase or donation. The Trust was incorporated with full tax exempt status in December, 1986. Since that date its has obtain rights to approximately 150 acres in various locations in Cape Elizabeth.

Our club provided the Land Trust a \$1000 grant at the time of its inception. A family membership in the Trust costs \$25.00 per year and a student membership costs \$5.00. Presently, the Trust has 200 members.

From President Jim

As the Rotary Year quickly comes to an end many of our members can look back with pride on having helped our club serve our community and the world. If you have not felt a part of this year's accomplishments, it is not too late to take an active role. Some ways that you can help are:

- Fried Dough Booth - June 25th
- Pancake Breakfast for CEHS Seniors on June 18th.
- Become a Paul Harris Sustaining Member.
- Help repair the Family Field LL scoreboard.
- Volunteer for committee work for Rotary year 88/89.

Rotaract Turns 20

Rotaract celebrates its twentieth anniversary this year, and the program has definitely come of age. There are, as of February, 1988, over 5,500 Rotaract Clubs with 110,000 members in 112 countries. But beyond the numbers is a vibrant organization that has transformed the energy and ideals of young adulthood into an amazing harvest of service. Soon a new Rotary committee appointed by President-elect Royce Abbey will examine Rotaract's

The Raffle

Cutty Cohen discovered this week that it really does pay to attend the Cape Elizabeth/South Portland Rotary meeting - he won our raffle. The prize was a \$25.00 gift certificate to the Snow Squall donated by Dick Holden.

The Program

Andy Mezoian introduced Dr David L. Glusker, minister of the First Radio Parish Church of America, who discussed the role of his church and how it has been impacted by the recent television evangelist scandals.

The First Radio Parish Church of America is the nations oldest non-sectarian religious broadcast. Since its founding in 1926, the church has provided a continuing ecumenical radio and television ministry to people throughout northern New England and the Canadian Maritimes.

Support for this unique ministry comes from the offerings of persons who have found its services helpful, and from local churches. "On the air" fund raising is never conducted. The church's operating budget for 1988 is approximately \$45,000. This covers the salary of one full-time minister, a full-time secretary and the cost of broadcasting 52 Sunday Television programs and over 300 morning radio broadcasts. (broadcast time is donated by the local radio and television stations).

Next Week

Invocation - Dave Smith
Sgt at Arms - Al Rowe
Raffle - Dick Kilroy
Program - Tom Hennessey

Tom will introduce Dick Milliken who will discuss a program that brings Catholic and Protestant children from the north of Ireland to Maine for a summer without fear and violence.

Paul Harris Sustaining Member

Harry Russell is our club's newest Paul Harris Sustaining Member. The first \$300 of his pledge is dedicated to our PolioPlus campaign. Harry's donation, plus pledges received during our Bowl-a-thon, brings our club total to \$27,800. A special thanks to Harry and everyone who participated in our Polio Plus Campaign.

Over the Top in a BIG Way

It was announced this week at the Rotary International Convention in Philadelphia that more than \$219,000,000 has been raised for PolioPlus worldwide. Obviously, this was a very emotional moment at the Convention, one which Dan Mooers has saved on Video Tape and will share with us on his return. Dividing the \$219 million by the 23,000 Rotary Clubs worldwide indicates that each club contributed an average of \$9,500. A great job by all.

From President Jim

Reminder.....

The correct procedure for proposing a new member is:

- fill out proposal card and submit to club secretary
- card will be reviewed by classification and membership committees
- board of directors will review committee recommendation
- after board approval, candidate is asked permission to publish his/her name in Two Lights
- members have ten days to submit objections
- the proposed member is invited into the club

The Raffle

In Jim Rowe's absence, President-elect Doug Stewart presided over this week's meeting. Using his new presidential authority he instructed Bob Flynn to select his ticket in the raffle drawing. The prize was a bottle of VO donated by Dick Kilroy.

The Program

Tom Hennessy introduced Dick Milliken who discussed the goals and operation of the Maine-Irish Children's Program. The program was begun in the early 1980's by Fr. Feeney of Portland. It is not a religious program, although churches play an active part in its operation. Its goal is to increase communication and understanding between the Protestants and Catholics of Northern Ireland by bringing children of the two faiths to Maine for the summer. The Children are hosted, in pairs, by local families. It is hoped that the experience of living in a society without sectarian violence will have a direct influence on their own attitudes and an indirect influence on the attitudes of their friends and family back home.

Board of Directors

The next regular board meeting will be held next Tuesday evening, June 7th at 7:30 (not 7:00) at 127 Oakhurst Rd. This will be a combined meeting of the current Board of Directors and the Board of Directors-elect.

NO MEETING

Due to a member-guest golf tournament at Purpoodock, our regular weekly meeting of June 22nd will not be held. Your obligation to attend Rotary that week has not been cancelled - only our meeting time and place. In order to receive credit for that week, you must either:

1. Work at the Cape Family Fun Days Fried Dough Booth, or
2. Attend the District Conference at Chicoutimi, or
3. Make-up in a traditional way.

Golf Anyone?

The club has received a notice of the Annual Marcel LaCasse Golf Tournament, held at the Samoset and sponsored by the Rockland Rotary Club on June 11th. See Jim Rowe for details.

Membership

Ideally, our club should end the year with more members than it had at the beginning. Convert this hope into a reality. Think if every Rotary Club in the world ended the year with just one new member, there would be more than 22,000 new men and women around the world to share - and spread - the benefits of Rotary.

Mrs Montgomery and her husband put up \$50,000 of their savings to purchase a 14 room house on Brackett Street to serve the homeless of Portland. Many members, moved by her enthusiasm, came forward with checks and offers of donations. The Program

Sam Giftos introduced Jim Henniger, a former Rotarian and Director of the Goodwill Hinckley School for Boys and Girls. Jim gave a lively presentation on his school and its attempt to come back from near closing in 1982.

The Hinckley School will celebrate a 100 year anniversary in 1990. Its present mission is to serve children who are "lost" in traditional schools. There are six components to the school's program; each component adding structure to the student's life. Recognizing the children have "a lot of catching-up to do", the school maintains a strict academic and disciplinary code.

Eighty percent of the children come from Maine with the remainder coming from New England and New York. The school obtains its funding from special grants and donations.

Camp Artek Campers

The membership had the opportunity to meet two Cape Elizabeth children who spoke about their forthcoming trip to a summer camp in the Soviet Union. Amy Carroll and Brian Joyce, both students at the Cape Elizabeth Middle School, were selected to represent the Samantha Smith Foundation at Camp Artek on the Black Sea. The two students explained that it is a custom for the children at this camp to exchange small gifts as tokens of friendship and that they hope to utilize promotional and advertising items donated by local businesses for this purpose.

South Portland/Maine Mall Club

Sam Giftos announced great news - he has forwarded the South Portland/Maine Mall Rotary Club's charter application to Rotary International headquarters. The application carried 29 charter members! If all goes as expected our new "child" will be christened in early fall.

OOPS!

Tom Hennessy was part of the "Scoreboard Crew". The editor apologises for for his oversight last week.

NO MEETING THIS WEEK

There will be no meeting this week. You may fulfill your Rotary obligation through normal make-ups or attendance at the District Assembly or assisting at the Cape Family Fun Day Fried Dough Stand.
