Important Letter Enclosed

President Stewart has enclosed a very important letter that should be of interest to all members. Please read the letter prior to the Tuesday evening meeting of our Board of Directors.

April 5, 1989 Meeting

Dale Eichorn provided us with an informative classification talk. She is the corporate treasurer for the Maine Broadcasting system which owns WCSH TV, WLBZ TV and a station in Sioux City, Iowa.

She handles insurance, employee benefits, banking relationships and a host of other responsibilities including service on the MBS Board of Directors. She is also kept busy with her four children.

Attendance Great!!!

The District 779 leader in attendance in February was none other than our own SP-CE Rotary Club at 94.33 % Bob Carson also assured us that we were probably also tops during March. Thank you to all members for your dedication and a special thank you to Jackie Critchley for coordinating the two attendance contests.

Raffle Winner

Dan Davidson supplied an umbrella and two books as the raffle prizes. Dick Jordan won the umbrella and Mike McGovern won the books. One was on Math illiteracy. Perhaps the book will help with the Cape budget.

Thank you Letters

Doug Stewart noted that he had received notes of thanks for donations from SP Mayor Benoit, Pond Cove Elementary School, and Alex Metzger who will be attending Boys State.

President Elects Training Seminar

Kudos were spread to many Rotarians for the success of the PETS session held in Portland the March 31 weekend. The prime organizer of this event was Dan Mooers who just did an amazing job. Bob Carson was the head of the Sergeants of Arms and he thanked all who helped him which included 12 of our members. Jack Roberts commented on how great the programs were and he distributed new material to the Club Directors for next year. PDG Sam Giftos, President Doug, and Tim Thompson also noted how proud they were to be associated with the SP-CE Rotary Club. Dan Davidson was the presenter of a program at an assemblage of the entire group. Thank you Dan, Dan, Bob and everyone.

George Chandler

It was terrific to see our Honorary Member George Chandler back with us after the winter in Florida. George indicated that he missed us and we would be seeing a lot of him in the months ahead. We also missed you George and welcome you back!

Portland Rotary Art Auction

The Portland Rotary Art Auction will be on April 14th at the Sonesta. Doug Stewart has tickets available. The evening will also honor our District Governor Ron Drouin and his mother Theresa. Our Club will benefit if any of our members donate a prize or are successful in the bidding process.

2. Return card to Secretary without informing prospective member.
3. Card goes before Membership and Classification Committees and to Board of Directors.
4. If favorable votes., proposer invites prospective member to meeting
5. Permission to advertise name in bulletin is sought. Members have 10 days to object.
6. New member is introduced.

Jim said proposing and welcoming new members is extremely rewarding.

Happy Dollars

Bill Stanton was very proud to announce that his daughter has been named a Fulbright Scholar and will be studying in India. Congratulations Bill and daughter!

Mick Maher announced that his # 3 son will be married later this year. This is the second announcement of one of the Maher's offspring getting married this year.

Many noted the very brilliant spoof of our bulletin received on April 1st. Doug Stewart never owned up to being the author but there were a few hints that he was the perpetrator.

Paul Butler looked awfully tanned after a recent trip to Florida.

Next Week's Program

Bob Bogosian will introduce Ann Gass. Ann is the Executive Director of the Cumberland County Affordable Housing Venture. CCAHV was begun last year by the Cumberland County Commissioners, the United Way, the Council of Govts. and the Chamber of Commerce in order to promote affordable housing in the region.

Comments From the District Governor's Newsletter

"During the official visits I suggested we share The Rotarian with our communities. Instead of throwing it in the gargage after you have finished reading it, drop it off at your barber shop, hairdressers, doctor's office, school library- and a thousand other places you can think of. Share you enthusiasm with others. The Rotarian is well written with articles and information balanced to reach every segment of our society-..."

A new Rotary Club is forming in the Bangor area with a charter application currently pending at Rotary International. The Club meets on Thursday at 7:00 a.m. at the Holiday Inn on Main Street in Bangor. This is the 72nd club in District 779.

Bob Bogosian introduced Ann Gass, the Executive Director of the Cumberland County Affordable Housing Venture. Ann said that housing costs in the area had increased 8% in 1988 and the affordable housing crisis has not gone away. She cited Cape Elizabeth's Affordable Housing Committee as a good start. Ms. Gass also won the raffle which had been donated by Joe Conroy. It was a battery operated screwdriver.

Meeting Location Change

President Doug announced that the Board of Directors had voted in a split decision to have the club meeting place changed to the Snow Squall effective May 3, 1989. A survey of most of the members by Jack Roberts indicated that a clear majority wanted to move but there is concern over the \$12.00 meal charge.

Doug appointed a committee consisting of Mike McGovern, Dan Davidson and Bill York to continue to study possible meeting locations. The committee is to report back to the Board by June 1st. If any club member has any suggestions on possible locations, please speak to one of the committee members as soon as possible.

It was also announced that we will meet with the Scarborough club at Dunstan School on Tuesday, April 25, 1989 at 6:15 p.m. This will take the place of our regular meeting. In summary, our next four Club meetings will be as follows:

Bob Carson introduced Gary Wood, the Director of State and Federal Relations for the Maine Municipal Association. Gary spoke on property taxes and spending caps. Gary felt that tax caps are not the solution to rising property taxes because they:

- reduce a municipalities bond rating,
- result in postponement of crucial spending,
- focus on the wrong level of govt.
- are generally seen as a negative to businesses.
- put limits on some costs beyond the control of the municipality.

A lively discussion followed his presentation.

May 10, 1989

May 3, 1989

We started the month of May in our new location at the Snow Squall Restaurant in South Portland. Jackie Critchley introduced a speaker from the Opportunity Farm in New Gloucester. The farm serves boys from ages 6-18.

The new location did have relatively slow service and Representatives of the Club and the Snow Squall met after the meeting to see how things might be speeded up.

Raffle

The raffle was a 50/50 drawing conducted by Bill Stanton and Bill York and won by Sam Giftos.

Notes and Happy Dollars

Our Club was represented by our president and others at the charter nights of Ste. Foy and Bath Sunrise... Tickets are available for the Bangor Breakfast Charter Night from Doug Stewart... We will be selling coffee and donuts on the morning of May 20th at Fort Williams. Steve Etzel is in charge... Dick Holden thanked all those who had supported the Women of Rotary 75th Anniversary gala... Mick Maher was named Cape Elizabeth Little League Manager of the Year... It was good to see that Joe Conroy found us at the Snow Squall on the right evening... Dan Davidson's daughter has been selected as Miss USO of New England... Bill York gave us a warm and rousing welcome to the City of South Portland.

Dan Mooers Chosen

It was announced that Dan Mooers has been selected to become the Charter District Governor of the new District 778 in Rotary Year 1991. Following Dan will be Bob Patten of the Portland Rotary. Preceding Dan as District Governor of 779 will be Paul Jensen of Waterville.

Dan thanked Club members for all their support. He said that the selection was a honor for the Club and he indicated that there will be work for all of us as he undertakes the important responsibility of setting up the new District. Congrats to Dan!

Other Honors

PDG Sam Giftos has been invited to be a moderator of a group discussion at the RI Conference in Seoul, Korea. Doug Stewart has been asked to serve as an alternate on the District Nominating Committee to select a District Governor for 1992-1993.

John Donahue introduced Dr. Nicholas Fowler, Director of the Cystic Fibrosis Clinic at Maine Medical Center. Cystic Fibrosis is the most common inherited disease affecting North Americans. 1 in every 2000 infants is born with CF. 1 in 20 of us are carriers.

CF mainly affects the lungs and pancreas hindering breathing and the production of enzymes needed for digestion.

Today, patients can do well with the assistance of treatments. Dr. Fowler expects the gene that causes CF to be isolated within the next few years and this will help to find a cure.

Raffle

Tom Hennessy donated a heavy-duty extension cord which was won by Dick Holden.

Peter Drivas introduced Eric Harrison who is the owner of Gritty McDuff's at 396 Fore Street in the Old Port. McDuff's is one of only 65 Brew-Pubs in the country. Three beers are brewed right on the premises.

Eric described the process as simple with the exception of some regulatory issues. Profits can be good as you are the manufacturer, the wholesaler, the distributor and the retailer. The retail price of a pint is \$1.75. He described his location as the "epicenter of drinking" in the Old Port. This was an interesting program on an entrepreneurial business.

Raffle

The raffle, a Cross pen and pencil set, was donated by Phil Dube and won by John Shoos. Thanks to Bob Flynn for selling the tickets in his usual immutable fashion.

Bob Doe

Bob Doe was present and thanked all Club members for their support during his recent bereavement.

Thank you to Steve Etzel and crew for the serving of coffee and donuts at the Fort clean-up day. The profit was less than \$12 but an excellent service was provided for all the volunteers and the Little Leaguers who were also present.

May 31, 1989 Meeting

Paul Butler introduced Cumberland County District Attorney Paul Aronson. Mr Aronson noted the explosive growth in the number of cases his office handles; 2500 cases per year in the superior court and 76,000 cases in the District Court. Most of the latter are traffic cases, with increases being experienced in less serious violations of law. About 250 felony cases are heard yearly. He also noted the poor pay of county attorney's compared to federal and private assistant DA's.

RAFFLE

Mrs Doug Stewart won the raffle prize provided by Dale Eichorn; "Reflections of Portland Maine". The fact that the DA drew the ticket prevented an uproar about a "fixed" drawing.

COMMUNITY SERVICE/FUND RAISING

Three opportunities for you to support our community service activities and raise funds for Rotary projects are on the horizen. Cape Family Fun day is June 16th. Sign up for Friday nite set up and Saturday work. Project graduation is also on the 16th. People are needed for Friday nite set up and for 3AM cooking work. On June 23rd the Maine Mall club will need our dough frying skill at SMVTI for South Portland's fun day. Every club member is urged to lend a hand to make all three efforts a rousing success. People are counting on us! Sign up sheets will be at the next club meeting.

June 14, 1989 Meeting

Dale Eichorn introduced Jeff Marks, News Director and Station Manager for Maine Broadcasting (Ch6). Jeff gave an interesting talk about the issues facing the news business. He noted ethical problems he must address and his concerns about how some entertainment shows have formats that could lead viewers to think they are watching a news program.

Raffle

The 50/50 drawing was won by Tom Hennessey.

Cape Family Fun Day, June 17th

President Doug reported he had attended South Portland High's graduation events and was proud to provide two Rotary \$1,000 scholarships; one to Clifford Gallant and the other to Andrew Gilmore. June 21, 1989 Meeting

Several members reported on the recent conference held at the Balsam's in New Hampshire. President Doug Stewart reported on the Polio-Plus convention in Philadelphia that was reviewed in a very touching video presentation. Our own Dan Mooers was elected District Governor for 1991-1992. President Doug showed and presented the following awards presented at the conference; to Dan Mooers for extraordinary "Service above Self", to Dan Davidson for his role in Rotary Publicity, and a trophy to our whole club from the Governor recognizing our active role in the district.

Dan Mooers also spoke about the conference relating a very moving presentation on a Inter-Cultural Nursing Program to which our district donated nearly \$40,000.

Jack Roberts spoke of his experience at the conference and how it instilled a sense of how our group fits into the overall impact of Rotary Clubs everywhere.

Sam Giftos spoke on the upcoming "Friendship Exchange" in which Rotarians visit the homes of other Rotarians in other districts around the world... More on this program in upcoming Rotarian publications.

"Captain" Lloyd Knight led us all in rousing renditions of "Good old Summer-time" and "Hello Dolly".

Bob Flynn gave a detailed account of the successful pancake breakfast complete with 8 X 10 glossy photos by Bob Bogosian.

Harry Russell related our positive results with the Fried Dough Sale at the rainy, foggy but otherwise fun, Family Fun Day. Harry expressed his thanks to all members and spouses who helped through out the weekend.

Four amended By-laws were voted upon and passed.

Steve Etzel introduced, Dean Marriott, the Commissioner of the DEP as the evenings Guest Speaker. Dean updated the group on the current action in the legislature, previewed some of the ominous problems facing the State concerning solid waste and gave an overview of Casco Bay and its economic and environmental influences.
