April 4, 1990 meeting

President-Elect Joe welcomed all members to the meeting. He gave an outstanding introduction to our only visitor, Cuddy Cohen of the Portland Club. As you all know, Cuddy is a regular visitor and we are glad to have him join us for our meeting.

Andy Mezoain led us in song this week. We sang with the Rotary spirit: the song Rotary's A Grand Old Name. It's been over 5 years since Andy has been maestro and all will agree, he did a marvelous job. Thanks, Andy.

Raffle was a 50/50 this week. Conducted by Bill Kourakos the lucky winner was Tony Wagner. It has been requested that members refer to their "schedules of duties" for your next turn for the raffle. There have been too many 50/50's. If your not sure of when your due, contact Mike McGovern.

Many happy dollars were given so we had no fines. Bryce Johnston celebrated a birthday on April 2nd. Jack Roberts is celebrating 19 years of marriage. He's so happy, he paid a dollar. Congrats, to you both.

Bill Kourakos spoke about the updated directories. Those of you who attended the meeting received your copy. If you need a booklet, let Bill know. Bill will be distributing the remainder at the upcoming meetings. See Bill for yours.

President Jack read a thank-you note from South Portland High School for our sponsoring Girl and Boy State. This year's participants are Robing Thayer and Tim Wood.

President-Elect Joe spoke on the "committee questionnaire". Anyone interested in being chairperson for a committee for 1990-1991 please complete the questionnaire or give Joe a call.

Dan Davidson thanked the five members for the nominations for outstanding citizen. On the Resource List, David Kane has put together a revised list which will be sent to both schools when completed.

BOARD MEETING on April 11th after the meeting.

Paul Butler introduced Nick Pappas as our speaker. He spoke on his classification. (Nick's speaker cancelled earlier that day.)

Nick kept his talk shore and "sweet". Being a stockbroker, Nick has seen many changes occur in the market. He has seen deregulation make alot of those changes. Stockbrokers are human and can make mistakes. Not their normal practice but it happens. Some clients are at the mercy of thier stockbroker; they're usually unaware of what their portfolio consist of.

Questions were asked but without giving "free Advice", Nick kept his answers on the line. Thanks, Nick.

Bob Levasseur is going to Quebec with the students from South Portland * Cape Elizabeth High School this weekend. He's been informed 29 of the 30 students are girls. Hope you have a great time!!!!!!!
