## October 3rd, 1990 meeting

### Housekeeping Items:

We had one guest this week Wallace McGrew from the Portland club.

Wallace McGrew was the winner of this week's raffle (a 50" extension cord donated by Tom Hennesey).

Happy dollars were collected this week from Dan Davidson, Wallace McGrew, Bob Carson, Tony Wagner, Doug Stewart, Bill Kourakis, and Bill York.

The song was led by Dave Bagdasarian and Bill York (a rendition of "Take Me Out to the Ball Game").

### Club Announcements :

#### From Joe Conroy :

Encourage members to turn out in force for District Governors visit next week. Spouse's are invited also. Please let Joe know if you will be attending and bringing anyone with you so that a head count can be given to the kitchen staff.

Bill Kourakis will be heading up the Xmas tree sale and is going to be looking for a few good recruits (and everyone to help sell).

Warren Simpson and Bill Stanton have volunteered to head up the annual Xmas program.

#### From Dan Davidson :

Dan is looking for a volunteer to be the Scholarships Chairman for the Vocational Services Committee. Call Dan if you are interested.

#### From Bill Kourakis :

There will be a District 778 Rotary Foundation Seminar held at the University of New Hampshire in the New England Center building on Saturday November 3rd. Anyone interested in attending or wanting more information should contact Bill Kourakis.

### Upcoming Duties :

October 10th District Governor

"Members are encouraged to bring their spouses to learn more about Rotary"

October 17th Fred Janson -  
Vocational Service

October 24th Fred Janson -  
Vocational Service

### Meeting :

Fred Janson introduced Drs. John and Cindy Baker who own and operate "The Little Gym" in South Portland.

The Baker's spoke briefly about the concept of The Little Gym. It is designed for children 4 months to twelve years of age and is committed to the growth of children and their self-esteem.

John read a moving passage from a book on youth. It was a letter from a boy to his parents (he couldn't express it to them in person) apologizing for letting them down. That he was sorry he couldn't be the athlete they wanted and he was embarrassed by them at the games when they jumped on the coach or officials or his substitute when his performance was the problem. The message was a reminder to us all about the real meaning of participating and children's self image.

The Little Gym hopes to become a resource to the community to help families identify when competition is appropriate for kids and their self-esteem is strong enough to compete. The programs offered are designed for kids to go away feeling good about themselves!

**Meeting :**

The meeting was devoted to the planning of the logistics for the Fellowship Conference coming up on the 29th and 30th.

**Fellowship Conference :**

The first Fellowship Conference for District 778 went quite well. Saturday dawned quite foggy and put many golfers at a disadvantage over the first few holes of play. Once the fog burned off the challenge of the Sable Oaks course put all the golfers at a disadvantage (three golfers out of 30 broke 90) The fellowship on the course was very high and the box lunch was very good.

Word has it the sailing in the afternoon was a great trip. Numbers were down in the board game activities and in the participants in the exhibits. Suspicion is people were outdoors on such a lovely afternoon.

The Dinner Saturday night was a big hit. Over one hundred and thirty people attended this event honoring Joanie Benoit Samuelson. Special guests included Joanie's dad and her husband Scott. It was fortunate for us to get Joanie since it was Scott and her sixth anniversary and she turned down an invitation to run in a "Unified Germany" Marathon in Germany. Joanie was made an honorary Rotarian and presented with a Paul Harris Fellowship for exemplifying the ideals of Rotary. Also in attendance were many of the Rotary exchange students from district 778. The meal and fellowship were excellent.

Sunday dawned rainy and damp. It did not deter a good turn out at the breakfast (about 30) nor an excellent turnout for the chicken Bar-B-Que (about 150). Softball was cancelled to prevent injuries but the walking tour (actually riding) and the bicycle tour went off on schedule. Rumor has it the sailing took place as well?

Starting up an event like this is a great deal of effort and it takes several iterations to make it a major event. This year's conference was an excellent start and Doug Stewart and his assistants should be recognized for having done an excellent job in organizing this inaugural event.

## October 24th, 1990 meeting

### Housekeeping Items:

Bill York won this week's raffle a \$20 gift certificate to Bookland.

Happy dollars were collected this week from Jackie Critchley, Dan Davidson, Chris Newell, Dave Smith, Jack Roberts, Paul Butler, Doug Stewart, Bill York.

The song was led by Bill York with renditions of "Home on the Range" and "Auld Lang Sine".

### Club Announcements :

#### From Bill Kourakis :

The Christmas tree sale will run from November 23rd until December 23rd. Mike McGovern will be in charge of sign up shifts and Bob Levasseur will be in charge of unloading crews.

There are 123 different shifts (approximately three for each member. There will be four unloadings of trees about 750 trees per load. The first load will be arriving the Friday morning after Thanksgiving (Nov. 23rd) and the next three loads will be Saturday mornings on December 1st, 8th, and 15th.

See Mike and Bob for shifts and sign up sheets.

Robert H Patten District 778 Governor Elect has released an "early bird" announcement that next years District Assembly will be held on May 4th, 1991 at the University of Southern Maine (Gorham campus).

### Meeting :

Fred Janson introduced Captain (soon to be Major) Al Garcia of the local Army recruiting organization. Captain Garcia has been in the service 12 years. The topic for the meeting was current armed forces recruiting programs.

Captain Garcia's main point was that although the numbers of enlisted personnel in the services was smaller now than in years past,

with today's technology and the superior quality of today's enlisted personnel the United States is well positioned to defend itself in the field.

Captain Garcia noted that 93% of people in the services today have the equivalent of a high school diploma or better. The theme of this year's army recruitment is "Stay in School and Avoid Dependent Substance Abuse".

The Captain emphasized that those characteristics which the services instill in its personnel are the same ones that businesses look for in their leadership roles. That people coming out of the service are qualified and repeatedly are found in management positions in major corporations the world over. The services are a good choice for good people.

Phil Dube won this week's raffle a \$25 CMP gift Certificate.

Happy dollars were collected this week from Dave Smith, Alec Livingston, Dan Mooers, Tony Wagner, Tim Thompson.

The song was led by Joanne LeClair with a rendition of the New Zealand National Anthem.

**Club Announcements :**

**From Joe Conroy :**

Andy Mezoan has tendered his resignation from the club citing personal reasons surrounding his work.

September club attendance was at 83.25%.

November 3rd Rotary Foundation Seminar registration is due tomorrow.

Bill Kourakis will be hosting a tea for 14 prospective club members.

Tim Thompson will be hosting our theater night in April.

Work has been completed on the Bug Light restoration.

Joe Conroy attended the ceremony for the Brunswick/Coastal club charter night. We provided a framed version of the charter to the Brunswick/Coastal club as is customary for the District Governor's home club.

Carl Pearson has been proposed for membership in the South Portland / Cape Elizabeth Rotary Club. Carl's classification is General Services. If any member has objections to Carl Pearson's acceptance as a member they have ten days to submit written

objection to the club secretary and/or club president.

**Student Speakers :**

Tony Wagner introduced Amy Kimer from Cape Elizabeth High School. Amy is a member of the x-country team, debate deputy for the debate team, a CCD leader, and looking to major in history and become a museum curator.

Amy spoke about her recent trip to Spain with other students from the high school and what a great impact it had on her in seeing all the great art in the European museums.

Joanne LeClair introduced Dan Berman from Cape Elizabeth High School. Dan was first in the state in the speech finals (humor category), participated in the national speech championships this summer, and is active in the school theater group.

Dan plans to go for a deferred enrollment in the college of his choice and take a year off. During that year he hopes to spend it in Israel studying and visiting relatives.

**Meeting :**

Fred Jensen introduced Julie Cunningham of Color Me Beautiful. Color Me Beautiful is an organization specializing in counseling people how to dress and look for success and positive self image.

Julie spoke about people's color palettes and those colors which bring out the best in a person's style and appearance.

Governor Dan Mooers was a splendid volunteer for Julie allowing us to really see what she was talking about as she determined Dan's strongest colors for success.

Color Me Beautiful has both men and women for their clients and has worked with several businesses in providing counseling and information.

### Housekeeping Items:

We had three guest Rotarians this week along with five spouses of our membership.

Happy dollars were collected this week from Dour Stewart, Nick Pappas, Mike McGovern, Mick Maher, and Sam Giftos.

### Club Announcements :

#### From Bill Kourakis :

### Meeting :

Bill Kourakis introduced the speaker our own Dan Mooers, District 778 Governor. Bill also introduced Dan's wife Shirley. Bill noted that Dan is the third District Governor to be elected from the South Portland / Cape Elizabeth club and emphasized Dan's commitment to the ideals of Rotary.

Dan stated that he and his wife Shirley had shared many experiences in Rotary. In the past year while preparing for District Governor the highlight was attending the 8-day International Assembly in which 172 countries were represented. We (Dan and Shirley) observed the great diversity from which Rotary derived its strength. Every Rotary Club must represent the diversity of the community through its members.

Governor Mooers spoke about the "outside" perception of Rotary by the community. It is perceived that the Rotary Clubs of the world perform many little things. The Governor

went on to provide examples of how "many little things" turned into rather large successful endeavors, such as the Rotary Scholarship Program and Polio Plus Program. He stated that the Scholarship Program is the largest international program of its kind providing 16 million dollars to educate 1350 individuals in seven countries. This scholarship program spends 10 times more than the Rhodes and Woodrow Wilson programs combined. The Governor indicated that the Polio Plus Program of Rotary started as a small effort in the Philippines and has grown into one of the world's most successful humanitarian and medical programs through Rotary volunteers.

Governor Mooers discussed the new Rotary International program which could have greater impact than Polio Plus. The program is a conservation program to Preserve Planet Earth. Members of South Portland / Cape Elizabeth Rotary Club are in the best position to influence "public opinion" on this matter. He stated that each club should sit down and discuss this project, bringing together the diversity and creativity of its membership to develop a conservation program. An example would be in a tree planting program. Another issue of the Governor's was enhancement of the Youth Leadership Program at the District level. Dan suggested that each Rotary Club sponsor two people to attend a Youth Leadership conference at the University of New Hampshire. This can be accomplished through the Rotary Youth Leadership Award. South Portland / Cape Elizabeth Club has already endorsed this District program.

The Governor was concerned about a drop in the Rotary Foundation funds. While South Portland / Cape Elizabeth has always been and still is a leader in making contributions to this fund, Dan asked members to give as much as possible to build the Rotary Fund back up. District 778 is one of two districts selected in the Northeast selected to develop and implement innovative methods to improve contributions to the foundation.

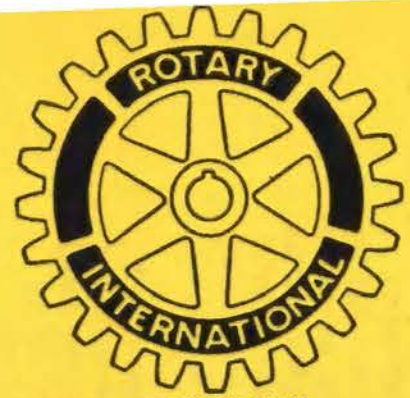

Governor Mooers presented Tom Hennesey with a Paul Harris Fellowship Award. An exchange of gifts from the club to Dan and Shirley and from Dan to the club was followed by Bill Kourakis closing the meeting.

**A President's Vision . . . a \$26.50 Contribution . . .  
 and the Birth of The Rotary Foundation**

Throughout Rotary, the month of November is set aside as a time for all of us to learn more about our Rotary Foundation. In 1917, Arch Klumph, the sixth international president of RI, convinced Rotary convention of the need to create an endowment "for doing good" in the world. The fund became a reality with the receipt of a check for US\$26.50 from the Rotary Club of Kansas City, Missouri, U.S.A. That was the first contribution to what has become the multi-million dollar philanthropic enterprise we know as The Rotary Foundation. Not one penny of our Rotary club dues goes toward support of the Foundation. It is a not-for-profit corporation supported entirely by the voluntary contributions of Rotarians like you and me, our friends and families. Our contributions each year make possible approximately 1000 scholarships for young people, nearly 400 Group Study Grants and Health, Hunger, and Humanity Grants programs. The Foundation also funds travel expenses for about 160 international volunteers to work in countries where their services are needed. Add to this the international efforts of PolioPlus, which is putting more than \$226 million in contributions to work in ridding the world of polio. None of this would be possible without the visi-

## The November 14, 1990 Meeting

PDG Ken "Babbling" Brooks, a member of the District Foundation Committee, updated us on the Rotary Foundation. He was assisted by a panel consisting of Bob Carson, Bill Kourakos and Jackie Critchley.

The District Goal for the current year is \$75,000. Our own Club donates 10% of its net proceeds to the Foundation. Individual members may also make donations. Programs include Scholarships, Group Study Exchange, Rotary Volunteers, Special Grants, Hunger, Health and Humanity programs, Polio Plus and two others. As Foundation month continues, you will hear more news on the Rotary Foundation.

## Welcome Carl Pearson

Our newest member is Carl Pearson. He has the classification of General Services and is the co-proprietor, along with his wife, Angela, of Pearson's Anything Goes. Carl is a native of Rhode Island, a journalism graduate of the University of Rhode Island, a member of the Cape Elizabeth Town Council and of numerous other committees. President Joe assigned Carl to work with Tim Thompson on the Theater Night Committee. Welcome.

## Member and Club Notes

Congratulations to Sam and Helene Giftos. They won the Shaw's grand opening first prize, a trip to Disney World...Bill Stanton won the raffle donated by Jack Roberts. Jack provided drill bits. Bob Flynn was overheard stating "What a boring prize"...District Governor Dan Mooers and District Governor Designee Bob Patten were both present. It will be good to have a Cape Elizabeth resident as District Governor next year...Dan announced that we will have a new District number next July, #7780.

## Christmas is Coming

The chainsaws are probably now bussing in Canada. The scent of fir will soon be in the air. These signs indicate the coming of the annual Christmas Tree sale.

Last set up will be Saturday morning the 17th. Be at the lot at 9:00 a.m. if you are able to help out. Fred Janson is coordinating this intricate task.

The first truck will pull in the Friday after Thanksgiving and three more trucks on Saturday, Dec. 1, 8 and 15. All are at 7:00 a.m. Sign-up next week.

Ten members have yet to sign up for the regular Christmas Tree shifts. Mike McGovern will be calling these members. We are weak on Saturdays after noon, Thursday evenings and scattered other times.

## Holiday Wreaths

The Maine Mall is selling holiday wreaths by mail order. 26" wreaths are \$20.00 and 36" wreaths are \$25.00. Call Larry Carey on Stonybrook Road if you are interested.

## Internal Budget Committee

President Joe has appointed a committee to review the internal budget: Jackie Critchley, Chairman and Members Dick Kilroy, Frank Gemme, Dick Jordan and Bill Kourakos. Speak to any committee member if you have a suggestion.

## Bulletin Edition

Frank Gemme is looking for someone to share responsibility as Bulletin Editor. Please give this request due consideration.

## From the District Governor

Not too long ago, during one of my club visits, the Rotarian delivering invocation while asking for blessing upon the food, also reminded the club members "to be grateful not only for what we have ourselves, but also for what we are able to give to others."

This Thanksgiving, as we gather with our families and friends, let each of us, in our own way and to our own Higher Being, say that same prayer. While giving thanks for those things that we have that enrich our own lives, let us also give thanks that we are able to give so many important things to enrich the lives of others.
