TWO LIGHTS

South Portland – Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

December 18, 1991

'Twas the week before Christmas
 And all through the Town
 South Portland-Cape Elizabeth Rotarians
 Were jumping up and down.
 The Christmas Tree sale was over
 All the trees were sold
 At the weekly meeting that evening
 Following the invocation, Mike McGovern told
 Of anticipated revenues, thanks to all
 Special thanks to Bill Stanton
 Many years of tree unloading in the cold.
 Jack Roberts led us merrily in song:
 We Wish You A Merry Christmas!
 Oh! Christmas Tree... Decking the halls so long-
 Fa La La La La La La La La!
 Warren Simpson raffled pounds of candy
 Wagner, Carson, Critchley and there's two more-
 Mr. Kilroy and Thomas Hennessey
 Then Bill York took the floor
 To add another raffle gift... a Barlow... in a box;
 Mick Maher won but what exactly was in store?
 "Don't you know what a Barlow is?" asked Bill.
 And looking on anticipating... we saw...
 A tape measure of obviously fine detail did fill
 The beautiful box with the label: Made in Japan.
 That's the Christmas Spirit... Peace on Earth
 Good Will To All, tips to the wait staff
 Where is the chef bring him out here!
 Perhaps he'll 'get his' early next year...
 The action that was suggested I dare not print
 For fear of retaliation, I think you get the hint
 Suddenly there appeared a travel planner to say
 That the speaker this evening has really been...
 AWAY...
 That's an understatement to say the least,
 150 days at sea, Dodge Morgan shared his tale
 Personal observations, ways that he did feel...
 Without human contact for so very long
 He realized that his significance wasn't so...
 Significant. But the really important things were
 Family... even children screaming: "Let Go!"
 "It's mine!" These are my own examples but
 I put them in to show that we all have to 'let go'
 And the only thing that's truly "Mine"
 Is the part to give away... especially at this time
 Service Above Self means Merry Christmas!
 And HAPPY NEW YEAR!!!

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

December 11, 1991

T'was two weeks before Christmas...

The Annual Senior's Christmas Dinner was held at the Purpoodock Club. Hats off to Warren Simpson and Bill Stanton for another 'job well done!'

Once again, the meal was delicious! The salad was cold; the roast beef was hot...so were the rolls! It must be Christmas!

Michael McGovern gave the invocation. He also introduced three visiting Rotarians: Dick Rawlings from Manchester; Larry Carey from Casco Bay; and Dieter Schnauck from Portland.

Jim Russell had us dashing through the snow ringing bells AND Warren Simpson gave out lots of cash for the raffle...isn't it nice that our Senior Guests are so lucky holding the winning tickets? Especially Fred Hale who has one the past two years straight!

Following these festivities we were once again entertained by the Lyric Theatre. And Santa was able to leave ample sweets for our guests as well.

Overall a good time and to all a good night!

TWO LIGHTS

South Portland – Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

WHERE DO YOU MATRICULATE?

That was the question that stumped our guest speaker 30 years ago while interviewing for a R. I. Scholarship sponsored by the SPCE Club.

Dr. Paul Pierce was a senior at USM when he was asked where he planned to matriculate...he wasn't sure! He knew where he wanted to study, but he didn't know what matriculate meant...

Convinced that the answer he gave to that question lost him the scholarship, he was back to pay the club back. Pierce was invited by Peter Drivas. The doctor is currently employed by the VA at Togus. He is also the president of the MaineTrack Club which was the subject he spoke about Wednesday night.

Established in 1978, the Club has more than 400 members stretching from Dover, New Hampshire to Bangor. It sponsors between 20-40 races per year with all proceeds going to charity.

Dr. Pierce said that running is an inexpensive form of exercise and social interaction. He concluded his presentation by answering questions about proper running shoes and stretching as a proper conditioner for runners.

THE REST OF THE STORY...GOOD NIGHT!

The invocation was given by **Paul Butler** giving special wishes for the hostages...once again free men. We had four visiting Rotarians: **Frank Hodgdon**, Scarborough; **Robert Clark**, Portland; **Dick Jordan**, Windham; and **Joel Bassett** from Casco Bay.

There was a 50-50 Raffle being conducted by Mick Maher...and he drew his own ticket. President Bill made him draw again and Mr. Kourakos won...he too asked for another drawing...Frank Gemme won!

However; Frank gave back the \$16.00 split as his Happy Dollars based on a reporter's question to one of the former hostages:

Q: What are you finding the hardest to adjust to?

A: Nothing!

More dollars were happy! Jeff Hobbs had \$15.00 for the combined weight of his recently born twins: James and Elizabeth.

Mike McGovern told a joke; Wayne Goodrich visited his sister-in-law while making-up in Niantic, CT.; Dan Gacetta says the Hawkes and Celtics will be in Portland next year; and Jeff Lunt's wife got a full-time position and he's having an excellent year...**THE RECESSION IS OVER!!**

'TIS THE SEASON TO BE...

Warren Simpson and Bill Stanton are once again acting as hosts for Wednesday's Senior's Christmas Party. Lets make it another successful evening by having perfect attendance. The Portland Lyric Group will be performing.

TREES! TREES! and...MORE TREES! Mike McGovern said sales are going well and will hopefully continue as we head into the busiest period beginning this

weekend. Mike also reminds everyone that there is one more tree delivery. It will be December 19th (Tuesday) at 7:00 PM.

Special thanks to Karen Dunphey, Agnes Winship, Tony Wagner and Bill Smith for their unloading efforts last Tuesday.

Basketball is still dribbling on Monday's and Thursday's...please see schedule below:

XALAPA AND GOONELLABAH

What is the significance of the two collections of letters on either side of the 'and' above? They are the names of the towns that the South Portland-Cape Elizabeth Rotary Club are going to be working with on our **Rotary Village Core Project**.

Xalapa (hull-opa) Veracruz, Mexico is the sponsor club on the Gulf Coast of Mexico. It is their mission to build a Community Team and to establish two projects that they would like to see completed. The intent of the RVC is to have an INTERNAL project which benefits the individuals participating on the Community Team; and the EXTERNAL project which benefits the whole community.

Goonellabah (goon-L a bah) Australia is our partner in the fund-raising aspect of the projects that eventually are chosen by the Xalapa Club's Community Team.

There were many interesting ideas for joint fund-raisers presented to Joanne LeClair and Bob Levasseur. They ran from a Golf Tournament to a Mexican Night; Traditional Barby (bar-b-que) with Australian seafood while the Aussies' enjoyed a Pancake Breakfast with Maine Blueberries; and even a 'high-stakes' raffle which would send the Maine and Australian winners on an all-expense paid Exchange Trip with them meeting in Hawaii for a half way meal... this particular idea was further developed into a limited sales raffle with potential profits of \$90,000.

THAT'S RIGHT!! Based on each club selling 500 tickets at \$100 apiece... adds up quick doesn't it!! But it's a lot of work and we will all have to work together. Please stay tuned for more details as they develop. **GOOD JOB!!** To Bob and Joanne for their hard work so far.

HAPPY RAFFLES TO YOU!

Phil Dube didn't swap tickets this week and won!! Phil will be joining a guest (if he wants to subject one to an Elizabethan Feast) and Tony Wagner and Co. at a 'traditional' feast complete with Knights; Kings; Queens and wenches...

LAST WEEK: Phil traded tickets with Dave Kane and Dave won the prize. Dave received a beautiful print of a lighthouse. He was so excited by his win and Phil's loss that he even pitched two Happy Dollars.

Editor's Note: Dave's news was left out of last week's issue. If anyone else finds information missing, the editor would be happy to print it the following week. Also, the editorial staff respectfully requests that anyone wanting something to appear in the bulletin present same to the editor at the meeting...preferably in writing. Thanks!

THE REST OF THE STORY

Dan Davidson gave the invocation. The staff served a delightful steak dinner. Complimented by California wines; white rice and green beans. The Apple Crisp was the only item that was a bit off base... perhaps a few less

almonds and some more brown sugar and cinamon...

Visitors **Najeeb Loftey** from Portland and **Jim Colville** from Sanford-Springvale didn't seem to mind the excess almonds... **UNTIL** I led the song... then they knew there were too many nuts!

That's okay! I can take the reviews... good or bad. I even managed to raise a Happy Dollar from **Bill York**. He threw in another for his recent trip to the West Coast and a letter from his daughter, Joanna. **Diane** joined Bill to read her daughter's letter and share with us another from a newly found pen-pal in Indonesia.

Bob Flynn and **Dan Davidson** were Happy that Bill of York brought his "other daughter" Diane to the meeting. **Bill Kourakos** is happy to be back on his feet & many thanks for the cards and good wishes; **Phil Dube** was glad he didn't swap raffle tickets this week; **Nick Pappas** has a son on a ship heading towards Alaska; **Mark Ayers** celebrated his anniversary of his first Rotary meeting, and finally, **Jack Roberts** forgot about the X-mas tree lot set-up!

Speaking of **X-Mas Trees...** **Michael McGovern** reminds everyone that there are two tree unloadings... By the time you receive this you probably would've missed the one on Saturday the 30th at 7:00am **BUT** will be able to get to the one **TUESDAY the 3rd of December at 7:00 PM.**

GOOD JOB! To Alec Livingston and crew for setting up the lot last Saturday. There are still slots to be filled for sales... please see Michael for availability... there's no limit on extra times after you've committed to four! **AND**, you can always show up for the heck of it as well!

COMING UP (AND REMINDERS)

Our club is still offering matching grants for **PAUL HARRIS FELLOWS**. Only \$500 is needed to gain the Paul Harris designation as the club will pay the other \$500 from our Foundation Funds. Your \$500 is fully deductible so in most cases your net cost after taxes is \$350 to gain a \$1000 distinction and to help our club beyond the already unmatched 10,000 percent achievement awarded by RI.

AND, you will also have your name included in the Paul Harris Fellows Banner recently displayed at our meeting. Please see Bob Levasseur for more details...

CHRISTMAS PARTY FOR SENIORS is coming up on the 11th of December. That's next week!! Please see Warren and/or Bill if you have questions and/or can assist in any way.

BASKET BALL is bouncing around again. I am assured that it is guaranteed to be fun-filled. The latest dates are:

Thompson Speaks

Tim Thompson provided the Club with an interesting classification talk. He has been in the insurance field for 20 years and greatly enjoys his work. Currently, he oversees over 300 agents and brokers in a number of states. His work makes him one of the club's most frequent fliers as he tries to meet often in person with agents to encourage them to have a positive attitude. He also suggested that we as individuals should always think positively. Thank you Tim for your inspirational talk.

Happy Dollars Abound

The acting bulletin editor was so excited that there were so many happy dollars that he neglected to take notes during this part of the meeting. Nonetheless, he recalls that Mick's family had a birthday, Dan Gacetta said the Patriots have spirit, Karen Dunphy's husband had successful back surgery, Dan Mooer's granddaughter is the youngest benefactor of the Rotary Foundation at age 15 days, and that Jim Russell and Frank Gemme contributed to the cause. Thank you also to Captain Lloyd Knight for his energetic renditions of America the Beautiful, Smile, and Hello Dolly.

Nominating Committee-Official Notice

Past President Joe Conroy presented the Nominating Committee Report for officers for Rotary year 1992-1993.

President-Elect	Nick Pappas
Vice President	Bob Levasseur
Secretary	Robin Mierkle
Treasurer	Mark Ayres
Directors	Mick Maher
	Jim Russell
	David Kane
	Tim Thompson

Jackie Critchley was nominated from the floor to be an additional candidate for President-Elect. Mike McGovern will move from President-Elect to President on 7/1/92 as the President-Elect moves automatically to President. Bill Kourakos moves automatically to Director. The election of officers will occur at the club meeting on December 18, 1991. Voting will be by secret ballot. Club members were reminded that Rotary forbids campaigning for office and/or canvassing for votes.

Opportunity for Service

As you all know, the Bagdasarians are graciously hosting our international visitor, Carolina. It would be most helpful if Carolina could visit with other Rotary families on the following dates which are primarily weekends and vacation periods:

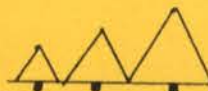

- January 10, 11, 12, 18, 19, 20, 24, 25 and 26.
- February 1, 2, 7, 8, 9, 14-23, 28, 29
- March 1, 13, 14, 15,
- May 2, 3, 16, 17, 22, 23, 24 and 25.

Dan and Shirley Mooers plan to host Carolina from March 15th to April 30th. If another family is able to host Carolina for an additional extended period, it would be much appreciated. Hopefully many members will call Fran or Dave Bagdasarian to volunteer for one of the above indicated weekends. They may be reached at 799-7832.

Leaves of Absence

The Board of Directors has approved leaves of absence for Bryce Johnston and Dick Holden through December 31, 1991. Dick is having hip replacement surgery and Bryce has work responsibilities which do not allow him sufficient time to attend our meetings. Both members indicated in letters to the Board that they look forward to returning to active membership on January 1st. Best wishes to both Dick and Bryce.

ONE MAN SHOW

Nick Pappas seemed to "do it all" except sing...filling in for the absent Bill Kourakos. The invocation: Pledge of Allegiance and the drawing for the raffle prize.

According to the "schedule" Bill York was supposed to give the invocation...he wasn't here! Also, Doug Stewart had the raffle, but Bill Smith was selling tickets...either way, the winning number drawn by Portland visitor Najeeb Loftey belonged to Sam Giftos. It was in a L. L. Bean bag...but Sam didn't reveal its contents.

The program was to be hosted by Jackie Critchley...but Bob Levasseur was elected to educate us about the Rotary Foundation and some of its programs.

CONFUSED? So was Joanne LeClair when Dan Mooers called her office to remind her about a meeting at the Pond Cove School in Cape Elizabeth...

But, Joanne gave a Happy Dollar to tell her story. Dan preceeded her dollar with his; Sam gave one for winning the raffle; Bob Carson is proud that his son is a Charter Member of the Bridgeton Club; Dan Gacetta is pleased that the Maine Football Hall of Fame is open on Fore Street in Portland; and Bob Flynn really liked Bob Carson's tie.

ANNOUNCEMENTS...

Share the Joy of Christams! Bob Flynn gave an update on our Club's participation with Shop & Save and WGME in this important Christmas program. Please see Bob about more details...basically he'll need someone to stop at the Shop & Save stores three times each week and deliver any gifts to WGME.

THEATRE NIGHT ticket money is past due!! Please call Bill Smith so that he can complete his project.

It is almost time for dribbling...Roatary B-Ball that is! Dan Davidson reminds everyone that the 91-92 Season is drawing near...

FOUNDATION MONTH CONTINUED...

Our Rotary Foundation

*1917-1992
75 years of Service*

by PDG Dan Mooers

A constant theme in Rotary Foundation programs is partnership. A scholarship awarded to a promising student is a partnership between that individual, the Foundation, and the Rotarians of the sending and receiving districts. The same is true of Group Study Exchange teams, chosen by the rotarians in one country and hosted by those in another. A Matching Grant or a 3-H Grant makes the Foundation an enabling partner in an international project between clubs.

The newest Rotary Foundation activity subsidizes travel and related expenses for a limited number of club and district representatives to investigate and plan international service projects. In its first year (1989-1990) the Carl P. Miller Discovery Grants program was the enabling factor for nearly 40 projects what will be developed in coming years.

In all its programs, The Rotary Foundation is a link, a means by which those dedicated to service are connected to persons in need. Sometimes, as with Rotary Volunteers, the linkage is direct, person to person. Other times, the Foundation provides the pipeline through which donors may channel their gifts to meet needs in another part of the world. Building on the successful experience of PolioPlus, the Foundation continues to expand the opportunities for Rotarians to apply their generosity in new ways. The goal remains the same: to achieve world understanding and peace through international charitable and educational programs.

Arch Klumph's vision is continually being made more concrete. The Rotary Foundation has become, as he believed it would, "a guarantee of Rotary's permanence and a beacon light leading us to broader fields of service."

POWER PARTNERS' NIGHT

There was a time, not so long ago
When it wasn't difficult to know
How to address a Rotarian spouse
It was sure to be the woman of the house.
However; times have changed and Rotary too
So now the salutation: "I'd like to introduce you to"
My husband, my wife, my 'significant other' ...
BUT! Now to the rescue not in your Thesaurus-
Those wonderful 'others' that stand tall beside us;
POWER PARTNERS a seemingly appropriate phrase
For whomever shares with us our Rotary days...

ROTARY REFERENDUM # 1

Please check with a "x" next to the question which will indicate that you are telling the Bulletin Editor **NO** that you do **YES** want to not hear about last week's meeting...

Well, Joe Conroy got us started with the invocation. We then enjoyed a dinner like none other served at the club... perhaps it was catered?!

Bill Kourakos' Power Partner, Sophie introduced the term referred to in the previous article. She 'thanked' all in attendance and requested a couple of volunteers to fill the remaining slots in the Tree Bag sales. Give her a call!

Nick Pappas introduced two visitors from the Casco Bay Sunrise Club: Joel Bassett and David Hill.

Leading the **YES** voters in song; Len King gave a few alternative modes of transportation that might be considered in the near future... **I've Been Working On The Railroad AND Row, Row, Row Your Boat.**

Ibby Conroy won a beautiful hand woven rug provided by **Bill Stanton**. All of a sudden, **Joe Conroy** was happy! He was joined by **Bill Kourakos** happy for the great attendance; **Sam Giftos** for Dan Mooers' invitation to serve as a panelist with R.I. in Trinidad; **Bill York** for a make-up in Nianick, CT, where he bumped into **Wayne Goodrich's** Sister-in-law: Of course, Wayne was happy to pay a slight fine and some additional bucks for grandson saying: "Grampa"; **Dan Mooers** introduced Joanne LeClair's Happy Dollar AND \$7.14 for his first grandchild's weight; **Joanne LeClair** said that the Rotary Core Program is starting to gain momentum!

GROUP STUDY EXCHANGE

Hola! Buenos nochas! That was the greeting given by Ms. Andree Smith, one of last year's Group Study Exchange participants. Andree is a Technical Writer at the Portsmouth Naval Shipyard in Kittery.

She was dressed in the traditional clothing worn by the woman of the Mexican region she was visiting. Ms. Smith learned more than can be written here about the culture; industry; social and economic conditions and people of Mexico.

Her visit was filled with many activities... in fact, there was little time for personal time. But, she was quick to add that she has no regrets. The friendships formed and the deeper appreciation she now has for Rotary and her fellow human beings can't be overshadowed by the minor inconveniences she may have experienced.

Andree also showed many slides which were worth thousands of words ranging from shipyards to farms; scenic vistas to examples of safety violations (relative to codes in the United States)

Since returning from Mexico, Andree has immersed herself into learning about her own town and its inhabitants. She realized how little she knew about her neighbors and took for granted the marvelous wonders that abound in every corner of the world...

NOTE: Applications are still being accepted for this year's GROUP STUDY EXCHANGE. Five lucky individuals will enjoy this year's trip to BRAZIL. Please see Jackie Critchley for more information.

AS PROMISED...

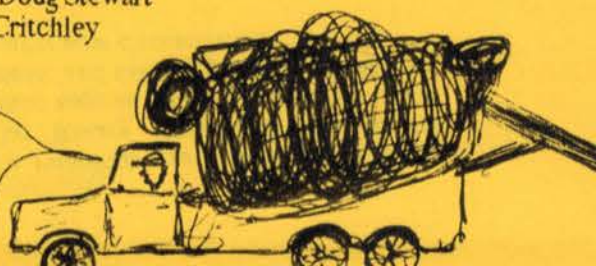

Many apologies to Bob Levasseur for not including the following announcement in last month's Bulletin, but... now you shall see it for the next several weeks!

Boy! There's a lot of foundation to Rotary

Our Rotary Foundation

1917-1992
75 years of Service

by PDG Dan Mooers

While the Rotary focus on polio immunization was developing as a part of The Rotary Foundation 3-H program in the early 1980s, it was not widely publicized until early 1985. The first major public announcement came on Rotary's 80th birthday in February, 1985. A resolution adopted by the 1986 Council on Legislation put the collective will of Rotary International behind PolioPlus with an endorsement of its goal as "a humanitarian service effort of great significance to improving child health worldwide."

With 100 million babies born in the developing world each year, it was calculated that \$120 million needed to be raised by Rotary International to provide the vaccines for five-year national immunization campaigns throughout the world. The many-tiered campaign structure built to achieve that monumental goal was unprecedented in Rotary's history. Inspired by the thought of protecting the world's children from dreaded disease, Rotarians enthusiastically began fundraising activities that were wide ranging as they were successful. By mid-1990, more than \$215 million of the \$230 million pledged had been collected and the Foundation had committed nearly \$150 million of that for the children of 95 different countries. Pledge collection efforts continue through 1992.

While PolioPlus was a major thrust in the mid-'80s, The Rotary Foundation has moved forward in other ways as well. Pilot programs have tested new ideas, and existing programs have been modified to meet new circumstances.

The Rotary Volunteers program is one which has grown both in its involvement of Rotarians and in the scope of their involvement. Spawned by 3-H in 1979, the Rotary Volunteers program began with Rotarians in the medical and dental professions giving their service in refugee camps of Southeast Asia. More recently, volunteers have included agricultural specialists, accountants, industry executives and others. Each individual gives at least four weeks to the assigned project.

Back from the Twilight Zone...

Somewhere, sometime, when you least expect it you may reach the edge of reality and find yourself in ... the Thaxter Theater in South Portland.

While conversing in the lobby during intermission you may happen upon the President of the South Portland-Cape Elizabeth Rotary Club, to which you belong, and when he mentions that he missed seeing you at the meeting the previous evening...

WHOOOPPSS!! At least if it happened to anyone else as it did to me on the 24th of October... it was a nice visit. THEATRE NIGHT '91 Part II was exceptional!! The cast and crew were very accomadating and provided an extraordinary evening of entertainment!!

Bill Smith receives an Oscar nomination for his efforts!!

ROLE MODELS AND EDUCATORS

Father Lewis from Chevrus High School spoke about the importance of *teachers* as role models *and* educators at the meeting on October 23rd. It was only fitting that two outstanding students were attending as well. Whether or not their teachers were both 'role models and educators' is a good possibility.

The two students, both from South Portland spoke about planning, developing and implementing a Constitution for the school.

Jim Hews, President of the Student Council and Mike Curran, its Treasurer also spoke about their hopes of furthering their studies at RPI, WPI, BROWN and DARTMOUTH.

ASSEMBLING ANNOUNCEMENTS

The evening started after the bell rang, we saluted the flag and we sang. Agnes Winship gave the invocation and something was served for dinner.

President Bill quickly got the ball rolling and pitched to Mike McGovern. Mike hit the ball as he introduced the visiting Rotarians: Joe Croteau from Portland and Dick Jordan from Windham.

Mike continued at bats as he led us in twin songs to honor the World Series Champs... **Take us out to the Ballgame on a Bicycle built for Two.**

Without missing a beat, Tom Hennessey conducted the raffle to assist Bill Smith find a lucky winner for the propane lantern that Mr. Smith donated.

Laurenz Schmidt said he felt 'enlightened' by his luck... so he also pitched a "happy" buck. Also with Happy Washingtons: Bill Kourakos; Mike McGovern; Jack Roberts; Dan Davidson; Joe Conroy and Tim Thompson.

DIRECTOR'S DISIRED DIRECTION...

Dave Kane, **Treasurer**, started us in the right direction by adding up all the numbers. He was followed by Fred Janson that talked about VOCATIONAL SERVICES.

Fred discussed a few ideas about advancing students career objectives; Junior Achievement program ties; and a possible fund-raiser coupling SMTC and SPCE in the raffle of a rebuilt automobile.

CLUB SERVICE was addressed by its director, Mick Maher. Mick gave an overview of an extensive, ambitious schedule of events for the coming year. Among the offerings:

- | | |

| 1. Lobster/Clam Bake | 2. Spouse's Night |
| 3. Kid's Night | 4. Mentor Program |

Club Service (Cont)

5. Enhance membership
7. Past Member Night
6. Fellowship Night
8. Ideas??

Mick says to watch for a questionnaire to be sent shortly. The purpose is to increase the input from all the members and to also help to improve membership and participation.

The "he-man" Flynn, Bob jumped right into the spotlight to expound upon another ambitious schedule of events for **COMMUNITY SERVICES**. Among the programs and their prospective chairpersons:

1. Project LINK: Illiteracy Program
Robin Merkle
2. Christmas Family Adoption
Karen Dunfey
3. Student Visitation

WHEW!! The hour was getting late as Bob Levasseur spoke about **Rotary International Services**. Bob reminded everyone that November is "Foundation Month". Also, Dan Mooers continuing series continues...
Bob does have some upcoming events including: Youth Exchange Program; Quebec Exchange; International Scholarship Exchange (Bill Smith - Chair.) and an INTERNATIONAL PROJECT being developed by Joanne LeClair.

Finally, Bob emphasized the importance of Paul Harris Fellowship Awards. There will be more information at each meeting.

MISCELLANY

The **YOUTH EXCHANGE** is a club sponsored program. Simply because the exchange student is not staying at your home, **please remember her** when you are planning on a special event!! Call Dave or Fran Bagdasarian to **inquire about Carolina's schedule!**

C-O-M-M-U-N-I-C-A-T-I-O-N was spelled out by Doug Stewart as one of the most important factors of the life of our club... **LETS DO IT!!**

The connection of the polio immunization plan to Rotary's centennial led to early designation of the project as "Polio 2005." Later, the name was changed to indicate that in PolioPlus, Rotary had become a partner in the World Health Organization's fight against polio plus five other diseases that strike children - diphtheria, pertussis, tetanus, measles and tuberculosis. Administratively, PolioPlus was part of 3-H until early 1985 when the Foundation Trustees defined it as a separate program.

TECHNICALLY SPEAKING

Correspondent Jack Roberts

Wayne Ross, president of SMTC (formerly S. M. V. T. I.) spoke about record enrollments; lack of adequate State funding; and the increasing demands for technically competent employees.

According to Ross, SMTC is doing 'okay' with creative funding. This year's enrollment tops 2000 in 32 different programs.

The average student is 25 years old; finds work in his field 90% of the time; and earns a minimum starting salary of \$18,000.

SMTC is one of the largest Technical Colleges in the New England Region. It earned its accreditation in 1965, and is currently offering some of the fastest growing Environmental Technology Programs.

Mr. Ross said that the Education Study Commission is recommending that more students attend technical colleges. SMTC is trying to increase its continuing education programs. Ross spoke about the various activities at the college and briefly touched on a "3rd grade class adoption" of students at an area school. The college is going to provide any student with a "free ride" if they request it in the year 2000.

Many thanks for another very interesting speaker during Vocational Month.

SPEAKING OF STUDENTS

We were honored to have two very talented Cape Elizabeth High School students speak with us briefly about the diversified educational opportunities available in Cape Elizabeth. Lindsay Roberts and Matt Russ are both athletic, academic and ambitious.

Roberts spoke about her involvement with the sports program at Cape. She is anticipating attending a small college in the Fall.

Russ, while also involved in Cape sports, spoke with great animation of Cape's Theatre Program. He hopes to attend Brown University in the Fall.

HAPPY AND SMILING

Admitting that "he knew nothing about it" Alec Livingston dedicated **FOR HE'S A JOLLY GOOD FELLOW** to Judge Clarence Thomas.

Thinking that his direction might have been misunderstood by some ears as a form of harassment... he led an encore with: **SMILE!! SING A SONG.**

Everyone smiled. In fact, a few members were so happy they dropped dollars...

Bill Kourakos gave a well-deserved dollar to Tony Wagner and Jim Russell for their Portland Head Light painting coordination. Also, many thanks to all whom they helped coordinate;

Dan Davidson's daughter interviewed Patriot's Coach

MacPherson after last week's game;

Jack Robert's daughter gets her name in the paper, so too does her team-mate... but whose parent gets the congratulations?!

Bill York has forgotten the Yankees and started supporting the Mariners... they actually win!

MISCELLANY

Dan Davidson gave the invocation. Michael McGovern introduced our lone visiting Rotarian from East Whittier, California: Hale Wegener, Sr. Active.

Bob Peck won the \$25 Gift Certificate provided by Warren Simpson and sold and drawn by Tom Hennessey.

There were several guests, but no one introduced them... please let me know when you have a guest and the proper spelling of names! **TY**

Our Rotary Foundation

1917-1992
75 years of Service

by PDG Dan Mooers

The Rotary Foundation's Health, Hunger and Humanity (3-H) program was created in 1978. Its first projects were launched with donations to a special fund commemorating the 75th anniversary of Rotary's 1905 founding. Between 1978 and 1980, Rotarians gave more than \$7 million to begin this thrust to improve health, alleviate hunger, and enhance human and social development.

To support the first project in the "health" component of 3-H, Trustees of The Rotary Foundation approved a \$760,000 grant for a five year polio immunization plan in The Philippines, which had experienced annual epidemics of the crippling disease. The first vaccine was shipped to the islands in September, 1979. Rotary's funding ultimately provided polio protection for nearly 15 million Filipino children.

From the beginnings of polio immunization in the Philippines came the idea for an undertaking far more daring than anyone in Rotary had foreseen. In 1981, the special New Horizons Committee considered the fact that only 10 percent of the children in the developing world then were immunized against common communicable diseases. Members of the committee saw that mass immunization could provide a focal point for Rotary service worldwide. The R.I. Board of Directors in 1982 adopted the goal of immunizing all the children of the world against polio by the year 2005, Rotary's 100th anniversary.

EDUCATION IN CRISIS

According to Connie Goldman, Superintendent of Cape Elizabeth Schools, America's Educational System is in a crisis. Mrs. Goldman spoke about the evolution of learning from the mid-sixties through present day. She said that new partnerships have to be formed between parents, teachers, businesses and schools.

Quoting a high ranking member of the United Auto Worker's Union, what industry wants from the nation's schools are: "... people that can learn in the classroom."

How this is achieved is the goal of educator's across the country. Locally, Connie will be leading a series of community discussions focusing on the long-range vision for Cape Schools.

Fred Janson reminded us that October is Vocational Services month. He has scheduled various members of the SouthPortland-Cape Elizabeth Educational Community to join us. We thank Bill York for inviting Connie.

LOTS OF NEWS...

Dan Davidson gave the invocation. We ate. There were no visiting Rotarians but it didn't matter... we had a great showing of our own ranks... 40 plus.

Michael McGovern introduced two guests: **Jeff Lunt** invited by **Fred Janson**; and **Bob Peck** who was invited by **Peter Drivas**.

Bob Levasseur wanted everyone to SING! EVERYONE SING! Well, eventually the tempo picked up and the volume increased; but, President Bill thought 'once was enough' and had Bob sit down before he led us in a second song.

Laurenz Schmidt hired **Bob "Bodyguard" Flynn** to watch over the 4 Bavarian Hand-cut crystal brandy snifters brought directly from Germany and donated for the raffle. **Bill Smith** will be enjoying his cognac in style!

Happy Dollars were falling like the colorful leaves of Autumn. **Sam Giftos** has returned from his journies abroad to acknowledge Dan Mooers' selection as a R.I. Group Leader for incoming District Governors.

Len King has married-off his last daughter; **Wayne Goodrich** was successful in his "beard-off-the-face-if-I-get-a-moose" hunting trip; **Laurenz** lost 5 pounds and less than 1 pound was hair loss! **Joe Conroy** was bucking for a raise expressing his pleasure with the evening's speaker; **Paul Butler** spent 10-days in Sweden and three times stayed in hotels where the local Rotary Club met... he missed all three times! **Bob Levasseur** was really happy about LAST WEEK'S dinner at Scarborough; **Bill Smith** won the *lottery* (Freudian slip? He'll have hefty Happy Dollars next week!) raffle AND is extremely 'happy' with the early returns for Theatre Night; **Tim Thompson** came

out ahead in Atlantic City; was thrilled that **Bill Smith** was responsible for Theatre Night; and also expressed pleasure with the evening's speaker... **FINALLY...** **President Bill Kourakas** was experiencing some 'lottery envy' (see **Dick Kilroy** in last week's bulletin) when he realized he won \$40.00 in the Maine State Lottery.

BILL SMITH TELLS ALL!!

(UP1) Local Rotarian admits to taking extreme measures to insure that Theatre Night is a success. Smith, a *respected* investment counselor has promised to "hammer anyone" that doesn't participate.

Already he has been seen lurking in the shadows of Rotarians homes and workplaces soliciting family, friends and associates to buy tickets for the **OCTOBER 24th Production of Pump Boys and Dinettes**.

Further details will be made public as they become available OR call Bill before he calls you!!

Our Rotary Foundation

1917-1992
75 years of Service

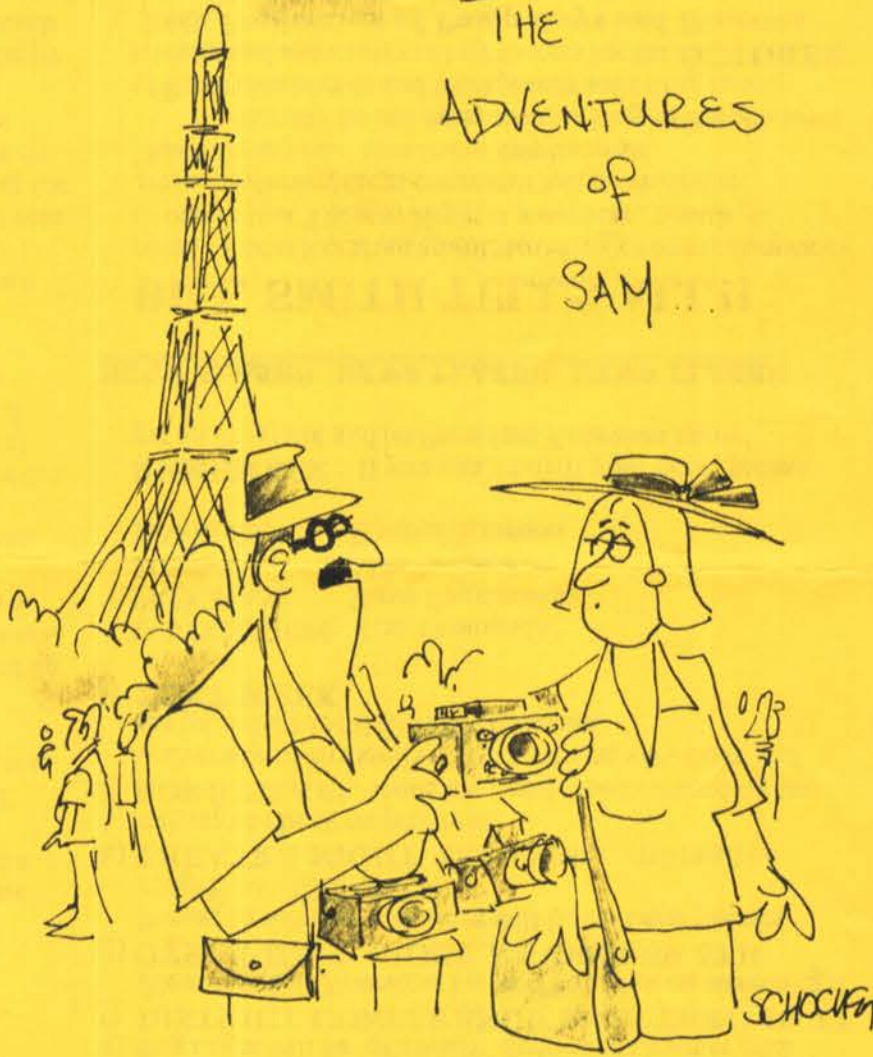

by PDG Dan Mooers

Group Study Exchange, introduced by the Trustees of the Foundation in 1965, developed rapidly as an avenue of improving international understanding. It has provided opportunities for thousands of young business and professional men and women, all non-Rotarians, to experience intensive study and exposure to a nation and culture different from their own. Recent years have seen about 2,000 team participants or 400 exchange awards a year.

An innovation of 1965 was the initiation of the Matching Grants program, through which the Foundation provides matching grants up to \$50,000 for international service projects. A grant may match contributions of a smaller sponsoring club or be raised jointly with an international partner club for projects that meet certain criteria.

From 1935 to the 1960s only past presidents of Rotary International had been appointed Trustees of The Rotary Foundation. That was changed in 1964 with an increase in the board's membership from five to 11, only six of whom were required to be past presidents. After 1964, with that enhancement of leadership, the Trustees began to administer more Foundation programs, a task which earlier had fallen to the R.I. Board of Directors. In 1981, the number of Trustees was raised again, to the present number of 13, with provision for each of the six geographical regions of the Rotary world to be represented. Growth of contributions increased rapidly in the 1970s and '80s, permitting the Trustees to expand programs. The total of contributions in 1969-70 was \$1,946,402. By 1984-85 it had climbed to \$24,863,396.

Stopping In Scarborough On An Autumn Night

He came from the state "too far from *the* ocean"
 Richard D. "Dick" King, a Rotarian with great devotion!
 Speaking, singing, joking, reminiscing and sharing
 His evolution through Rotary, loving and caring.
 He enlightened us with his entertaining style;
 Upon each Rotarian's face a genuine smile.
 Though I'm sure each had a different reason-
 Perhaps some just because of the season.
 The crisp Autumn air, clear blue skies, changing hues
 Still others for the dinner, served in line by twos.
 The Scarborough Club, at Dunstan Schoolhouse meets;
 Many make-up there just to enjoy all the eats.
 South Portland-Cape Elizabeth, Casco Bay Sunrise
 Westbrook-Gorham and from other clubs far and wide...
 District Governors: Past, Present and Future ones too
 Perfect Attendance for one... Fifty-four years plus two!
 So, no matter the reason; the background; the season
 Each left with a message that was definitely pleasing:
 To be a part of an organization which knows no bounds
 From sea to shining sea; where tribal drums pound...
 Where there's no running water; comforts of home?
 Throughout the world to never feel alone-
THIS IS ROTARY INTERNATIONAL; This is LIFE!
 Thank you! Dick and Cherie your lovely wife.

NOTE: Special "thanks" to Dan Mooers for his efforts and devotion to Rotary so that this moment of sharing could be enjoyed by so many!

DADDY'S LITTLE GIRL

(Reprint of Joanna York's letter to the Club)

Dear President Bill, Phil Dube, other Rotarians, and Dad:

When I first arrived here, I didn't know what to expect. I had heard second-hand what Indonesia and other South-east Asian countries were like, but I really had no knowledge of what I was getting into. I had learned that Asian Culture was different from ours, but I had figured:

"Well, it couldn't be *that* different, could it?"

It could.

It is.

The Islam influence and the traditions that have lasted for years combine to form an intricate web of culture and etiquette. And the fact that Indonesia is a developing country emphasizes the difference between the Western and Asian culture. I could be walking through downtown Palembang (a bustling city of 1,000,000) and hear the call for worship from the nearby mosque, or see several becaks (3-wheeled bicycles-public transportation) roll by, or purchase a bowl of sopmie (noodle/meat soup) found at one of the hundreds of carts. The traditions are further enforced by the extreme nationalism felt by the people of this country. August 17 was their national independence day - and I hate to say it, but they out do the US by far in the decorating department! Every inanimate object was (and still is) draped with red and white ribbons, cloth or canvas. There are signs everywhere announcing the 46th year of independence. At night, the country is reminded constantly of its birthday by flashing light displays.

This nationalism spreads quickly into the educational system as well - At the moment, my schedule consists of 14 subjects (as do the schedules for every other student) some of which are entirely nationalistic-based.

For instance: PMP, a study of Indonesian Morals and Ethics; PKK, a study of harmonious family relationships relating to the five basic morals on which the Indonesian government is based; the history of Indonesia, and the study of Indonesian art.

I find all of these subjects interesting - they are all so drenched in such rich tradition and even the students my age seem to have a passion for their country.

Well a little about **ME**: I'm going into my 2nd week of school and I'm struggling w/ the lessons, but my Indonesian is coming along at an amazing rate and I ought to be doing better soon. I'm learning 2 types of traditional dance and volleyball, as well as tutoring and teaching students English.

My host father is the President of the Palembang Rotary Club, and I go to his club monthly to check in with the members. I also go monthly to Rotrex meetings. I must go w/ one of the members of the Rotary Club every two weeks to a movie or wedding, etc - this is to improve relations between members and the students. I also make monthly and bi-monthly reports to various people.

So, I'm busy, but enjoying myself. I'll keep you all informed as the year progresses - until next time,

Thank You,
Yours in Rotary,
Joanna York

Annual contributions to The Rotary Foundation have increased steadily since 1948. They exceeded \$500,000 for the first time in 1954-55, and went over \$1 million a decade later. The Foundation's practice of immediately converting donations into programs resulted in a corresponding increase in the number of Rotary scholarships. The numbers multiplied from 55 in 1949-50 to 126 in 1959-60. In recent years, 1,000 to 1,400 scholarships have been awarded annually.

Starting in 1956, Rotary district governors were asked to appoint a Foundation committee in each district to assist in promoting the Foundation's objective and to serve as a liaison with the R.I. Secretariat. Since the chairmen of this committee and of its subcommittees are frequently past district governors with valuable experience and contacts, this step has greatly strengthened the work of the Foundation at club district levels.

In 1957, The Rotary Foundation launched a recognition program that has stimulated Rotarians and others to contribute millions each year. Upon request, an individual is designated a Paul Harris Fellow when he or she contributes at least \$1,000 to the Foundation, or when that amount is contributed in his or her name. Later, the Paul Harris Sustaining Member concept was created to allow individuals to achieve this recognition over a period of several years with an initial donation of \$100.
