South Portland — Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

JULY 6, 1994

It is probably superfluous to write about the June 29 meeting since nearly everyone turned out for the tribute to **Rotary International Director Dan Mooers**. Dan was presented with a time zone clock, coincidentally manufactured by Seiko, whose chairman is a fellow Director of RI. Females in the room were pleased to see that **Shirley** was also recognized for her role and presented with a charm bracelet. In Dan's brief but eloquent remarks, he noted that the important aspect of Rotary is not the impressive statistics but the relationships between people.

The gala event was also the occasion of the passing of the gavel from **Bob Levasseur** to **Frank Gemme**. Bob acknowledged the contributions to the club from the 1993-94 officers and directors, who were presented with Rotary good-ole-boy caps. Thanks to Bob and the following Board members for a great year:

Wayne Goodrich
Jim Russell
Bill Smith
Tim Thompson
Bob Carson
Mark Ayers
Alec Livingston
Frank Gemme

Special thanks also went to public relations point man **Dan Davidson**.

NURSING IN THE DOMINICAN REPUBLIC

Our speaker on June 22, brought to us by **Dick Holden**, was **Carol Barber**, who was introduced by her former teacher **Joe Conroy**. Carol, an operating room nurse at MMC, described her trip this past January to the Dominican Republic. The trip, largely supported by Rotary, was intended to bring health and nursing instruction to the DR. Her well-prepared slide presentation showed us the beauty as well as the poverty of the country. A belated thanks to Carol, Dick & Joe!

IMPORTANT MESSAGE FOR ALL CLUB MEMBERS:

Be sure to pick up the issue of The Rotarian you just received in the mail and memorize the name of **Audrey Huntley's** husband, lest you get caught unprepared for **Warren Simpson's** annual quiz. If you have time, open up the magazine as well and read the story about our new RI President from England - he sounds like an extraordinary man!

IMPORTANT MESSAGE FOR ALL SOFTBALL PLAYERS:

Jack Roberts informs me that the July 10 game against the SP Police Dept. will be at 9 a.m. (rather than 3:00 as previously scheduled).

ANOTHER OPPORTUNITY TO SELL FOOD

At its June 22 meeting, the Board of Directors accepted an invitation to sell food at an Antique Auto show to be held at Fort Williams Park on Sept. 24. The crowd is not expected to be the fried dough type so we may be serving some other form of sustenance. We'll keep you posted.

UPCOMING EVENTS

- July 6 - Joe Brennan
- July 12 - Soup Kitchen
- July 13 - Trish Riley, Center for Health Policy
- July 20 - Lobster Bake
- July 22-24 - Deering Oaks Festival
- July 27 - Angus King

RED LETTER DAYS

- June 30 - Dan Davidson's birthday
- July 7 - Conroys' anniversary
- July 12 - Bonnie's birthday

DUTIES

- July 6
 - Invocation - York
 - Songleader - Hansen
 - Raffle Gift - Stewart
 - Raffle Conductor - Dunfey

WHAT I LEARNED AT THE DISTRICT CONFERENCE

That Warren Simpson and Dick Kilroy, as impressive as their perfect attendance record is, have a ways to go to catch up with Gerald Wooll, a past director of RI who represented Robert Barth at the conference. Despite an impressive resume, he somehow managed to have perfect attendance for 44 years!

That the key to a successful World Community Service project is to hook up with some nuns on the other end. The Biddeford-Saco club has given tens of thousands of dollars over the years to assist needy children in Brazil, thanks to their partnership with some nuns in Brazil who take care of spending the money appropriately.

That one ballot for each voter is not necessarily an obvious concept and has to be explained to otherwise intelligent people. (A vote was taken for our representative to the Council on Legislation in Caracas; PDG Jim LaBrie was the winner.)

That the winner of the district's Drug Awareness essay contest was a poised young woman from Lincoln Middle School in Portland, Elizabeth Sampson. The Portland club awarded the 8th grader a mountain bike and she won \$200 from the district.

That the district is undertaking a project to provide relief to the refugees from Rwanda in Tanzania. It is just getting underway but is already receiving a lot of support.

That the Yorks apparently have a pervasive influence in Indonesia. An exchange student from Indonesia remarked that "the Knicks will be back next year."

That a Rotaract Club has been established at my alma mater UNH. Chris Beggs, the young man who founded the club, is the son of a DG in Massachusetts. Unbeknownst to him, his father had made him a Paul Harris Fellow and DG Dick Clark presented it to him at the conference. Everyone in the room was filled with pride for this young leader.

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

JULY 13, 1994

At the July 6 meeting, the editor stayed home to avoid coughing all over everyone. Fortunately **Steve Kremer** agreed to record the highlights of the evening. Here are his notes:

-Songleader **Brian Hansen** absent, thus no song (many regrets).

-Raffle prize to be donated by **Doug Stewart**, however **Doug** was mysteriously absent. Prize was 50/50 which **Paul Butler** won.

-Noteworthy visitor was **George Chandler**, club past president.

-Happy Dollars:
Kourakos - 7th grandchild; 1st boy
Alec - his & Frank's upcoming year
Steve - softball team won a game
Len & Dan Davidson - misc.
York was silent! (except for unbelievably short invocation).

-Announcements:
Adrienne - upcoming Deering Oaks festival
Len - soup kitchen 7/12

-**Warren Simpson Annual Quiz** - 2 questions, each 50¢. Who is new RI President & what country is he from? Many of us lost a dollar!

-Speaker was **Joe Brennan** introduced by **Dick Kilroy**.
Expressed sorrow he did not carry Cape Elizabeth.
Concerns were increasing quality jobs, reducing government (eliminate 1/2 of the legislature & combine into one body).
Won't increase taxes (nor decrease).
Wants to promote trade & tourism.

And now here are my notes on his notes:

-Songleader: the lack of a songleader was partly due to the dirty trick I played on **Brian Hansen**. Brian was scheduled to be the songleader for June 29 and I was scheduled for July 6. Since Brian didn't get a chance to lead us on

June 29, I didn't want him to feel left out so I put him down again for 7/6.

-Quiz: The answers were "Bill Huntley" and "England" (see last week's bulletin).

Deering Oaks: A late-breaking news flash! The club has just purchased a used dough-rolling machine for about \$800 (they go for \$3-4k new). It is currently sitting in **Wayne's** garage and Wayne is like a kid with a new toy. He estimates that it will cut out two people per shift. This will be very welcome news to **Sharon Prunty** who seems to end up wielding a rolling pin at every fried dough event.

I really got off easy this week, between Steve taking notes and **Mike McGovern** contributing his thoughts on his recent trip to the convention (see back). **Thanks Steve & Mike!**

INVOKER	SONG	DUTIES

GAN-BEI IN TAIPEI

Rotarians from around the globe traveled last month to Taipei, Republic of China . I enjoyed the conference along with RID Dan and Shirley Mooers. A major highlight of the convention was the introduction of new directors including Dan. Then President -Elect of RI Bill Huntley slipped up slightly mentioning Dan's club. He referred to us as the South Portland- Cape...Cape Elizabeth Rotary Club. Cape Elizabeth apparently needed just a little more attention than South Portland.

A vivid memory was the visit of Percy Chu, the 96 year old former president of the Shanghai, a club which was forced to be disbanded. Chu spoke energetically of meeting Paul Harris and indicated that he is probably the only living Asian who met Paul Harris. Another interesting plenary session speaker was a Swiss astronaut who flew on the Hubble telescope correction mission. The President of Taiwan gave a speech in Mandarin which was little understood by the 3,000 Americans present among the 31,000 total.

Home hospitality was provided in hotel banquet areas by Taipei area clubs. My dinner was about twelve courses, ten of which were fish. The club was very generous with the meal and with gifts. I also had an opportunity for home hospitality staying four nights with a PDG and his wife in Hong Kong. They were fascinating people and have a beautiful home overlooking the Hong Kong skyline and Victoria Harbor.

Many have asked if I would go again. Taipei is a polluted, traffic filled, humid, hot, poorly planned community with the rudest drivers anywhere.. If it were not for the Rotary sessions and hospitality, the visit would have been quite boring. Hong Kong and Beijing were fascinating and were good to see, but once seen is probably enough..

One last observation after having met many past presidents of RI at the hotel and other Rotary notables is that the real strength of Rotary is at the local level. The Rotary leaders provide exceptional leadership and support, but it is the fried dough, the Christmas trees, the scholarships, the work projects, and the work done by individual members that make Rotary meaningful. Visiting the RI Convention made me proud of all that the SP-CE club does and to appreciate the environment that we live in. If others visit the Convention in the future, I am sure you will be impressed, but you will also have a much greater awareness of what is truly meant by "think globally, act locally."

TWO LIGHTS

South Portland — Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

JULY 20, 1994

BE A FRIEND

Rotarians who attended the July 13 meeting deserve a star by their names for enduring the heat until 7:30. Among the perspiring were the usual assortment from our own club and **Don Robertson** from the Portland Club (and Stonybrook Rd).

The raffle prize of 2 jigsaw puzzles which **Tim Thompson** donated was won by **Wayne Goodrich** who was visibly tickled to be the winner.

In honor of Bastille Day the next day (Bastille Eve?) we sang "Frere Jacques." Many thanks to **Brian Hansen** who was such a good sport about being railroaded into assisting with the songleading.

Our speaker, **Trish Riley**, was brought to us courtesy of **Len King**. Trish, who is the Executive Director of the Center for Health Development, did her best to educate the glistening foreheads turned her way on the various legislative attempts at health care reform. She discussed the three issues that drive the health care debate: access, quality and cost. After pointing out the flaws in various bills, she concluded with the idea that anything would be better than the current situation. Our thanks to Len and especially to Trish for putting up with the heat to update us on this timely and complex issue.

FRIED DOUGH NEWS

In addition to the dough roller acquired last week, we now have a small trailer to use at fried dough events. The trailer will house the fryolator, the dough roller, two large coolers recently purchased for \$120 and counter space. **Tony Wagner** has drawn up a floor plan (who taught him how to draw, anyway?) and appears to be in charge of getting the trailer fitted out for our use.

The trailer cost the club \$1000 and was acquired thanks to the generous contribution - of time and money - of **DICK YERXA**. It will not be ready for our use yet at Deering Oaks but the dough roller will.

And speaking of Deering Oaks, both nights (7/22 & 7/23) will feature fireworks and a concert by Chubby Checker so we will be expecting good crowds. Be sure to contact **Adrienne** about helping out if you have not already signed up.

AMBASSADORIAL SCHOLAR NEWS

Bill Kourakos, **Bonnie Laughlin** and **Joe Conroy** have been interviewing ambassadorial scholarship applicants and have forwarded the applications of 2 outstanding candidates to the District Committee.

Sarah Herlihy, an Ambassadorial Scholar who spent last year in South Africa will be our speaker on August 3. Sarah spoke at the District Conference and you will enjoy hearing her eloquent description of her experiences.

CLUB DIRECTORY UPDATE

The club's membership directory will be updated in the very near future. As well as the pages listing officers and committees, the newer members will be added as soon as biographies and photographs are received.

Look over your biography and if there are any changes needed, send them to **Doug Stewart**, 15 Mountain View Rd., Cape 04107.

LOBSTER BAKE!

Remember that the July 20 meeting is our annual lobster bake. Same time as usual, but show up with your spouse at Fort Williams instead of Purpoodock, donned in lobster-eating attire.

On that day, say "Happy Birthday" to **Bob Lindsey** (7/20) and congratulate the **Goodriches**, **Dubes** and **Schnaucks** on 10, 22 and 9 years of marriage, respectively.

JULY 27, 1994

BE A FRIEND

By the time you read this, your editor will be on her way to Alaska, so there will be NO BULLETIN next week. **Dan Davidson** has graciously agreed to write the bulletin for the following week, which will cover both the July 27 and the Aug. 3 meetings. Any announcements for that bulletin should be given directly to Dan.

A fun crowd gathered at Fort Williams Park on July 20 for delicious food and great scenery. We were graced by the presence not only of SPCE spouses and significant others, but also by 8 guests from the Wellesley club, Mr. & Mrs. Larry Carey, Barbara Schmidt's sister from Germany, Bill Kourakos' college classmate, assorted offspring, and I saw at least one grandchild. Special thanks for making it all possible to **Mike & Ann Bell, Wayne & Ellie Goodrich, Dick Holden, Paul Butler, Mark Ayers, Agnes Winship, Jim Russell, Len King, Dick Yerxa** and everyone else who helped out.

This bulletin spotlights three new "Power Partners" whom we welcome into our Rotary family.

New to us, but not new to Rotary, is **Rita Schnauk**. Rita is a native of Bath and has lived in Cumberland for about 30 years. Rita, a grandmother of four, is a registered nurse and works as a Managed Care Coordinator for Healthsource Maine. She is a very active volunteer, working with SMAA, and serving as secretary of the American Assoc. of Office Nurses. Her leisure time activities include sewing, gardening and keeping Dieter in line.

Another medical-type spouse is **Hedy Hansen**, who is a speech-language pathologist for the Saco School Dept. Hedy grew up in Pennsylvania and moved to Maine with Brian two years ago from New Jersey (good idea!). She and Brian met underwater while scuba diving in the Bahamas. Besides scuba diving, she enjoys other outdoor activities such

as tennis, biking and swimming. While we're eating at the Purpoodock Club on Wednesday evenings Hedy and 7-year-old Reid usually dine out at a restaurant of his choosing: McDonald's or Burger King.

Our newest Rotary spouse is **Kelly Hinkley**, who is the spouse-to-be of **David Smith**. Kelly is a financial analyst at Unum and was introduced to Dave by mutual friends. She is from upstate New York but her parents are from So. Portland. Kelly is the mother of a 6-year-old daughter, **Kendall**. She says she likes fried dough but won't be available to sell at the Spring Point Festival because that's the day she and Dave are tying the knot (with Alec Livingston as best man): Congratulations, Dave & Kelly!

WELCOME, KELLY, HEDY & RITA!

DATES FOR THE NEXT 2 WEEKS:

July 27 - Angus King

July 28 - Len & Carol King Anniversary

July 29 - Bob Carson birthday

July 31 - Bagdasarian anniv.

August 3 - Sarah Herlihy, Ambassadorial Scholar.

DUTIES

July 27:

Invocation - **Bell**
Songleader - **Holden**
Raffle Gift - **Winship**
Raffle Conductor - **Gemme**

August 3:

Invocation - **Butler**
Songleader - **Janson**
Raffle Gift - **Yerxa**
Raffle Conductor - **Giftos**

Pine Tree Society for Crippled Children Softball Tournament - See Jack Roberts for sign-up, August 14

from the July 13 Rotary News Basket:

RIISING FLOOD WATERS IN GEORGIA INSPIRE ROTARY RELIEF EFFORTS

Since July 4, Tropical Storm Alberto - being called the worst natural disaster ever to hit the state of Georgia - has left some parts of the state's southern region under 20 feet of water. The severe flooding has caused at least 28 deaths, destroyed some 300,000 acres of cropland, and forced thousands to evacuate their homes and communities. Among the first groups to respond to the devastation were local Rotarians. RI District 6900 - the hardest hit of Georgia's 3 Rotary districts - is heading relief efforts for its area as well as for Districts 6910 and 6920. Barry Smith, governor-nominee for District 6900, reported that district members have formed a disaster relief committee and set up a fund for flood victims.

"Right away we received calls from Rotarians in Florida District 6990 who had organized relief efforts in the wake of Hurricane Andrew," Smith told News Basket. "They offered us not only a monetary contribution and a truckload of supplies, but also helpful pointers and guidelines based on their own experience with the hurricane." The district also received a \$10,000 donation from Southern California District 5290, which endured a disaster of its own when it was rocked by a massive earthquake last January. In addition, Smith reported other offers of help from Rotarians in several southern states.

When District 6900 Rotarians received word that ice was needed in one flooded area and sleeping cots in another, they made a few phone calls and promptly produced the items needed. Smith said when he was asked by one of the recipients, "How did you manage to do this so quickly?" he replied, "That's the power of Rotary."

Rotarians wishing to make financial contributions for flood victims may send them to District 6900 Flood Relief, Account N. 0501-4520, Fidelity National Bank, Attn: PDG Ralph Thurmond, 3490 Piedmont Rd., Suite 700, Atlanta, GA 30305.

- Dick & Priscilla Yerxa – Aug. 11, 1962

ANGUS KING

July 27th meeting

Lloyd Knight introduced Angus King and, despite your editor's unswerving support of Angus, I will try to report objectively on his comments: (see photo p. 2)

Maine is 47th in the nation's economy and 48th in value-added per worker. Obstacles to improving business are (1) one of the worst worker's comp systems, (2) one of the nation's highest total taxes, and (3) a cumbersome regulatory process.

Maine has no long-range plan. We must add value to our natural resources sales ("No fish should leave Maine with its head on."); we must increase exports and use our great location; we must bring in telecommunications businesses; we must do better marketing of tourism. King also feels we need honest government to tell us the truth, e.g. that Maine is broke and has about \$100 Million in unpaid bills, etc..

He says 50% of the Legislature will be new in Nov. and King feels he can work with them to create change. "We have a professional political class that only preserves its own jobs and only does short-term thinking. It's time for a true public servant," he says.

King is against all casinos and feels the loss of Loring can only be solved by bringing in many small businesses.

SOFTBALL: SUNDAY AUG. 14

Pine Tree Tournament

At Payson Park at 1:30 p.m.

Please be there for this worthy cause!!

Sign up with Jack Roberts.

The Adrienne Murphy crew at Deering Oaks fried dough sale.
(digital photo by D. L. Davidson)

Angus King makes a point at our July 27 meeting. King is running as an independent for Governor.
(digital photo by D. L. Davidson)

Happy Dollars (continued):

- Adrienne Murphy for the great "dough" crew and Bill York for his "I told you so."
- President Frank for the media exposure, both print and photography.

Announcements from the podium July 27:

- Dan Mooers bio and photo appears in the August Rotarian as a Board member of Rotary International. Congratulations again, Dan. We're proud to know you.
- Rwandan relief is being done through the District and R.I.; Bob Patten is coordinator. The needs are for food, blankets, new shoes, new sleeping bags, tents, case lots of powdered milk and baked beans & dollars. Call Frank Gemme or any Director if you can help.
- Received a thank-you letter from the Cub Scouts.
- Kudos to Wayne and Adrienne for all their work in organizing the fried dough sale at Deering Oaks.
- August 9th is the next Soup Kitchen. Joe Conroy is coordinating so call him to sign up.
- Sadly, the club received a letter of resignation from Bill Smith. He'll be missed and we hope he'll come back to us soon.

Meeting of August 3rd --

- Paul Butler led the song (a version of the UM Stein Song).
- Raffle winner was Tim Thompson -- an electric, cordless screwdriver. Have fun, Tim!

Happy Dollars:

- Nick Pappas for *not* being in an obit column and for a daughter in law school.
- Tony Wagner for a long list of "friends" today.
- Wayne Goodrich for being a grandfather again next Feb.
- Alec Livingston for a "YES" from Sharon (congratulations from all of us Alec!!).
- Mike McGovern for his first meeting with us since May (but he brought two banners, one from Taiwan).
- Tim Thompson for his new screwdriver.

Announcements from the pulpit podium:

- Deering Oaks netted \$1575. Magnitudinous thanks to Adrienne and Wayne once again!
- **FOR YOUR CALENDARS:**
 - **Aug. 10 (Wed.) - Club Forum to outline the '94-'95 year. This is an important meeting; please be there!**
 - **Sept. 9 (Fri.) – Schooner Fare Concert at Cape High School. Help will be needed.**
 - **Sept. 9 (Fri.) – "Shot in the Dark" Golf at Purpoodock. Help will be needed.**
 - **Sept. 10 (Sat.) – Day of Fellowship at Carson's Camps. Great fun; Not to be missed!**
 - **NO MEETING SEPT. 7th.**
- We need more members to share the load; stay tuned for information on a membership drive.

Sarah Herlihy, Rotary Ambassadorial Scholar (Bryn Mawr '94; Harvard Law School next year) gave her "35th speech since her year in So. Africa in 1993. She reported a "country in monumental upheaval, where change is measured not in years but in minutes and days. She quoted from a friend about strife and hardship, patriotism and excitement of the changes coming from its first-ever democratic election. Voting lines were 4-1/2 hours long but "felt like a part of history."

MEMBERSHIP MONTH

Not to be outdone by Dan Davidson's spiffy photographs, here are snapshots of my trip to Alaska:

(Glacier) ↗

Pink Salmon ↖

Kudos to Dan for the great job he did on the bulletin!

REMINDER!

The August 17 meeting will be at the Cape Elizabeth Community Center - Dress CASUAL.

The August 10 meeting was a Club Forum to review the club's finances and discuss plans for the following year. Highlights of the discussion follow.

Xalapa - An additional \$2700 was allocated to this restricted fund, making over \$20,000 (with matching grant) available for the project. Bob Levasseur reported that if we cannot get assistance on the Mexican end in the upcoming year we will look for another project to receive the money.

Miscellaneous Assistance - This year's budget allocates \$4500 for miscellaneous assistance. This is primarily for small requests that the Board receives from the community. Any club members who are aware of appropriate projects to receive this assistance are welcome to make suggestions to the Board.

New Programs- The budget contains three new expenditure items:

1. \$2500 assistance for a Fort Williams walking tour.
2. \$5000 to establish a scholarship fund, and
3. \$750 to sponsor one of the monthly activities for all youth exchange students in the district.

In summarizing the budget, Frank noted that over 1/2 of the proposed expenditures are directed towards youth.

Other Project Plans - In the Community Service area it was noted that there are still opportunities to work on the Great Pond trail. In the Vocational arena Agnes reported plans to update the vocational resources list for students.

Help for Phil Dube - Although it seems just the other day that the Quebec students were here (May actually), Phil is already making contacts to plan next year's exchanges. Phil has single-handedly coordinated this project every year and has it down to a well-oiled machine. It's time now for someone else to lend a hand to Phil. The exchanges take place in March (up there) and May (down here). Please let Phil or Nancy know if you would be interested in easing the burden on Phil.

Membership & Attendance - Alec discussed the importance of all members contributing to increased membership. The feasibility of changing the day and/or time of meetings was also discussed.

Rotary Youth Exchange - Our club will not be hosting or sending an exchange student for the 94-95 year. However it is time to think about the 95-96 year already. To participate in the 95-96 exchange, a student must be a high school student with good character and academic performance, and be between 15 1/2 and 18 1/2 on July 1, 1995. Children of Rotarians and non-Rotarians are equally eligible to participate. If you know of an eligible candidate who would be interested and/or if you are interested in hosting a foreign student for part of the year, please contact Nancy or Frank.

FELICITATIONS!

Bill & Lucy Stanton - Aug. 14
 Dave Nisbet - Aug. 17
 Dick Holden - Aug. 18
 Fred Janson - Aug. 19
 Jeff & Susan Hobbs - Aug. 22

MARK YOUR CALENDARS

TWO LIGHTS

Bug Light
South Portland

South Portland — Cape Elizabeth Rotary Club
On the Maine coast

Portland Head Light
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

AUGUST 17, 1994

MEMBERSHIP MONTH

Field reporter **Jack Roberts** provided info on the happenings at the Aug. 17 meeting at the Cape Civic Center. The clam chowder and chicken dinner was brought to us courtesy of **Mike Bell** and **Steve Kremer**, with help from **Jack Roberts**, **Phil Dube**, **Paul Butler**, **Dave Bagdasarian**, **Len King**, **Bill Stanton**, **Bob Carson**, **Agnes Winship**, **Jim Russell** and **Wayne Goodrich**.

Scholar/athlete **David Kahill** was presented with a \$500 scholarship. David, a graduate of SPHS, earned the award through his 95.0 average, his performance as wide receiver for the Red Riots, his baseball and track honors, and his talents as a violinist and pianist. David will be attending Bowdoin College this fall, where we wish him continued success.

The Chairman of the Board

Steve Kremer introduced featured speaker **Jim Moody** who is Chairman of the Board at Hannaford Bros. Jim, who also serves on various other boards, spoke about the role of a board of directors, and how it differs from the role of management. He observed that the Board should see that the company is well-managed without actually managing the company itself. Many thanks to Jim and to Steve, and apologies for the Shaw's napkins!

SOFTBALL UPDATE

Jack Roberts reported to the club that the softball team had enjoyed a successful outing on Sunday, 8/14, playing in the annual Pine Tree Society of Crippled Children's softball marathon. Peg Libby sends her regards and sincere thank you to the SPCE Rotary Club for its continued support. This was the 8th year we have participated and we donated \$450 this year. R.S.V.P. donated a \$20 gift certificate to each team; this can be used for one of our internal functions.

AN EXCLUSIVE INVITATION!

The Portland Club reports that Rotarians in our area have been invited to attend a dinner on September 15 to meet with a group of visiting businessmen and officials from Aomori Prefecture in Japan. The group is interested in establishing a sister-state relationship in Maine and, due to the importance of Rotary in Japan, has assumed that Rotarians would be the most desirable people to get to know. Call Ruth at the Portland Club (773-7157) for more details.

MEMBERSHIP MONTH

Since August is Membership Month and our membership is at a low point, this is a good time to review the qualifications for membership and the proposal process. The Portland Club printed this suggestion for considering new members:

"Who should be considered for membership? The kind of man you are!"

Those of us who were proposed by someone of the opposite sex don't want to think too hard about that proposition!

Other points to consider besides the kind of woman or man you are:

- *Is the person's character and reputation above reproach?
- *Is the reputation of his/her firm exemplary?
- *Is the person "service-minded"?
- *Is he/she able to meet the financial obligations of membership?
- *Is he/she able to attend weekly meetings regularly?

RWANDAN RELIEF UPDATE

The lead story of this week's Rotary Newsbasket concerns worldwide Rotary responses to the Rwanda crisis. Half of the article is about our own district; here is a portion:

"In the U.S., the initiative of a Rotarian in Maine has triggered a massive aid effort by members of his district (7780). Moved by the dramatic media coverage of the death and squalor in the border camps, Jonathan West of the Rotary Club of Ogunquit, took it into his own hands to start raising relief funds. . . . Working through seven

district representatives, West and Past District Governor Robert Patten have made appeals to all the clubs in the district. In addition to financial contributions and such material as blankets and clothing, District Governor George Cashman reports B&M Baked Bean Company has donated several tons of canned baked beans toward the effort.

"It's amazing what you can do with a fax and a desire," West said. "The scale of this is so huge; we can't fix it all, but we can save a few thousand lives," he said. "We can make a difference...that's all that matters." The goods collected by District 7780 are scheduled to be shipped to Tanzania on Sept. 1. The Connecticut-based agency AmeriCares is arranging transportation."

Bob Levasseur also reports that Bass Shoe and Sebago have each donated over 500 pairs of shoes. Individual contributions can be made through the club - deadline Sept. 1.

AUGUST 24, 1994

MEMBERSHIP MONTH

On August 24 we had the pleasure of hosting two visitors to our club. First (ladies before gentlemen) was **Kathy Ray**, the Mill Creek branch manager for Maine Bank & Trust.

Second was District Governor **George Cashman** of Newburyport. In introducing him Frank reviewed his many accomplishments, not the least of which was being the father of 9 children and a grandfather of 10!

George pointed out that the avenue of club service is crucial and that the other avenues of service are dependent on having good members. He went on to entertain us with a story about a suit of armor which I couldn't possibly try to retell - you had to be there! Thank you, George, for your words of wisdom and especially for your sense of humor. Thanks also to **Lynne Gemme** and **Sharon Prunty** who entertained **Rosemary Cashman** while George told stories about her.

The happy dollars went on and on but the ones that made the cut were:

*Thanks passed out all around for Spring Point - to **Wayne**, to all who worked the event, and especially to **Bill York** who worked the dawn-to-dusk shift. We netted a little over \$700.

***Alec** reported that **Dave Smith** got married without a hitch (poor choice of words since he did get hitched) and that the weather was kind. **Congratulations, Kelly & Dave!**

***Mike McGovern** and **Adrienne Murphy** (Adrienne McGovern?) attended their 20th high school reunion.

***Mark Ayers** was happy for winning the raffle, as well he should be since it's the 2nd time in 3 weeks!

MISCELLANEOUS ANNOUNCEMENTS

Rwandan Relief - Our club will be donating \$300. Personal contributions can be made before Sept. 1 through the club.

Add to your collection of **Shot in the Dark** t-shirts! Helpers will receive a new slate blue shirt this

year along with a steak dinner.

Antique Auto Show - Wayne is looking for a couple people to chair this event on Sept. 24.

MEMBERSHIP CONTINUED

Tony Wagner, along with **Charlie McCarthy** - no, that was **Jack Roberts** - outlined their plan to increase membership in the club. Each of us will be asked in the near future to come up with the names of 3 friends and associates who meet the qualifications for membership. Don't ask them if they're interested yet - just come up with names of people who might want to join Rotary.

In addition to the criteria suggested last week, here are the official qualifications for membership:

Each active member shall be an adult person of good character and good business or professional reputation engaged as proprietor, partner, or manager, of any worthy and recognized business or profession; or holding an important position in an executive capacity with discretionary authority in any worthy and recognized business or profession; or acting as the local agent or branch representative of any worthy and recognized business or profession, having entire charge of such agency or branch in an executive capacity; and personally and actively engaged in the business or profession in which he/she is classified in the club and having his/her place of business or residence located within South Portland/Cape Elizabeth or an abutting community.

Good News from the IRS!

The IRS has issued a proposed rule which would exclude "civic and public service organizations" from the rule that disallows club dues effective in 1994. Rotary is specifically mentioned by the IRS as an example of a civic and public service organization. In other words, club dues which otherwise qualify as business deductions will continue to be deductible.

NO MEETING SEPTEMBER 7!

Instead we will meet on Saturday at the **Carsons'** camps. Everyone had fun last year so plan to attend. Activities will include swimming, boating, eating (main meal mid-afternoon but food available all day long - you won't starve) and **socializing**. Drop in for as long as you want any time you can between 9am & 9-10pm.

Carson Outing Eve festivities include the Shot in the Dark golf tournament and the Schooner Fare concert. Both will be fun so it's a tough choice.

At our August 31 meeting we welcomed several visiting Rotarians (including Portlander **John Perry** who won the raffle), as well as guest/new member **Kathy Ray**. Sam is still writing his introduction speech so her official induction was postponed until the next time she meets with us.

We also welcomed **Judy Caylor** and **Michael Donahue** who spoke about the VNA & Hospice. The VNA made 45000 visits last year in the greater Portland area and is growing at a phenomenal rate! Judy spoke about the Parent-Child Health Programs which provide many useful services in our communities.

HENNESSY DONATIONS

If you intended to make a donation in Tom's name but caught up in a hectic summer and forgot to, it's not too late. Please do it soon though!

LOOKING AHEAD TO OCTOBER

Oct. 13 - Herb Brown banquet (see enclosed flyer). Get your tickets soon!

Oct. 29 - Haunted Hayride for SPCE and the district's Youth Exchange students. **Karen Dunfey** is coordinating this activity - watch for details in the next month. (Call Karen if you'd like to help her!)

MORE ON MEMBERSHIP

Now that we've gone through who can be candidates for membership, let's cover how to propose a member, based on the club's new procedures. The new procedures are designed to prevent any potential embarrassment or bad feelings in the event that a proposed member might be "blackballed."

*A club member fills out a membership proposal card with very basic information about the proposed member.

*The Board reviews the proposal and notifies the entire club membership, through a personal letter from the club president, of the pending proposal.

*Club members have ten days to make any objections to the Board in writing, giving a reason for the objection.

*After the ten-day period the Board votes on the proposal. If a majority favors the proposal, the proposer is notified.

*The proposer discusses Rotary with the proposed member and invites him/her to attend a club meeting. (The club pays for the guest's meal.)

*The proposed member is informed about the purposes of Rotary and the privileges and responsibilities of membership. He or she is then invited to join the club.

Note that with this new procedure there will probably be many people who will be approved for membership but who turn out not to be interested in Rotary. That's ok and that's why we need to propose lots of potential members. Let's each come up with 3 names of people who might be interested. (**Len King** already has!)

An Evening with Rotary International's President-Elect Herbert G. Brown

Thursday, October 13, 1994

6:00 p.m.

Sheraton Tara Hotel, South Portland, Maine

Rotary's Worldwide President-Elect
Herb Brown and his wife, Diane

Herb was a director of Rotary International from 1978 to 1980, and a Trustee of our Foundation from 1983 to 1986. He will become Rotary International President on July 1, 1995.

He joined the Rotary Club of Opelousas, Louisiana in 1945. Currently he is a member of the Rotary Club of Clearwater, Florida. He has served Rotary International as district governor, district Rotary information institute counselor, member and chairman of numerous committees, Rotary Foundation trustee and director, and aide to the president of Rotary International. He was chairman of both the Rotary International PolioPlus Campaign Committee for the U.S.A. and the 1991 Mexico City International Convention Committee. Herb has received both the Citation of Meritorious Service and the Distinguished Service Award for his service to The Rotary Foundation. His volunteer work for Rotary has brought him awards from the governments of Colombia and the Philippines. He has achieved more than 40 years of perfect attendance in Rotary.

Herb is chairman of the Board of Checkers Drive-In Restaurants, Inc., a publicly-held corporation with more than 450 restaurants and some 25,000 employees in 20 states. For

more than 30 years he owned and operated furniture and drug stores in Florida and Louisiana. He was born in 1923 in Iota, Louisiana, and studied speech at the University of South Louisiana. Among his many awards, Herb has been honored as Florida Entrepreneur of the Year in 1991, as Florida Humanitarian of the Year and as the Louisiana Citizen of the Year.

Also participating in this Inter-Club Meeting will be:

Royce Abbey

Past R.I. President and Immediate Past Chairman of the Trustees of The Rotary Foundation

Charles C. Keller

Past R.I. President and Past Chairman of the Trustees of The Rotary Foundation

Wilfred Wilkinson

Immediate Past R.I. Vice President

George Uhlig

Past R.I. Vice President

Richard D. King

Past R.I. Director and Chairman of the Executive Committee

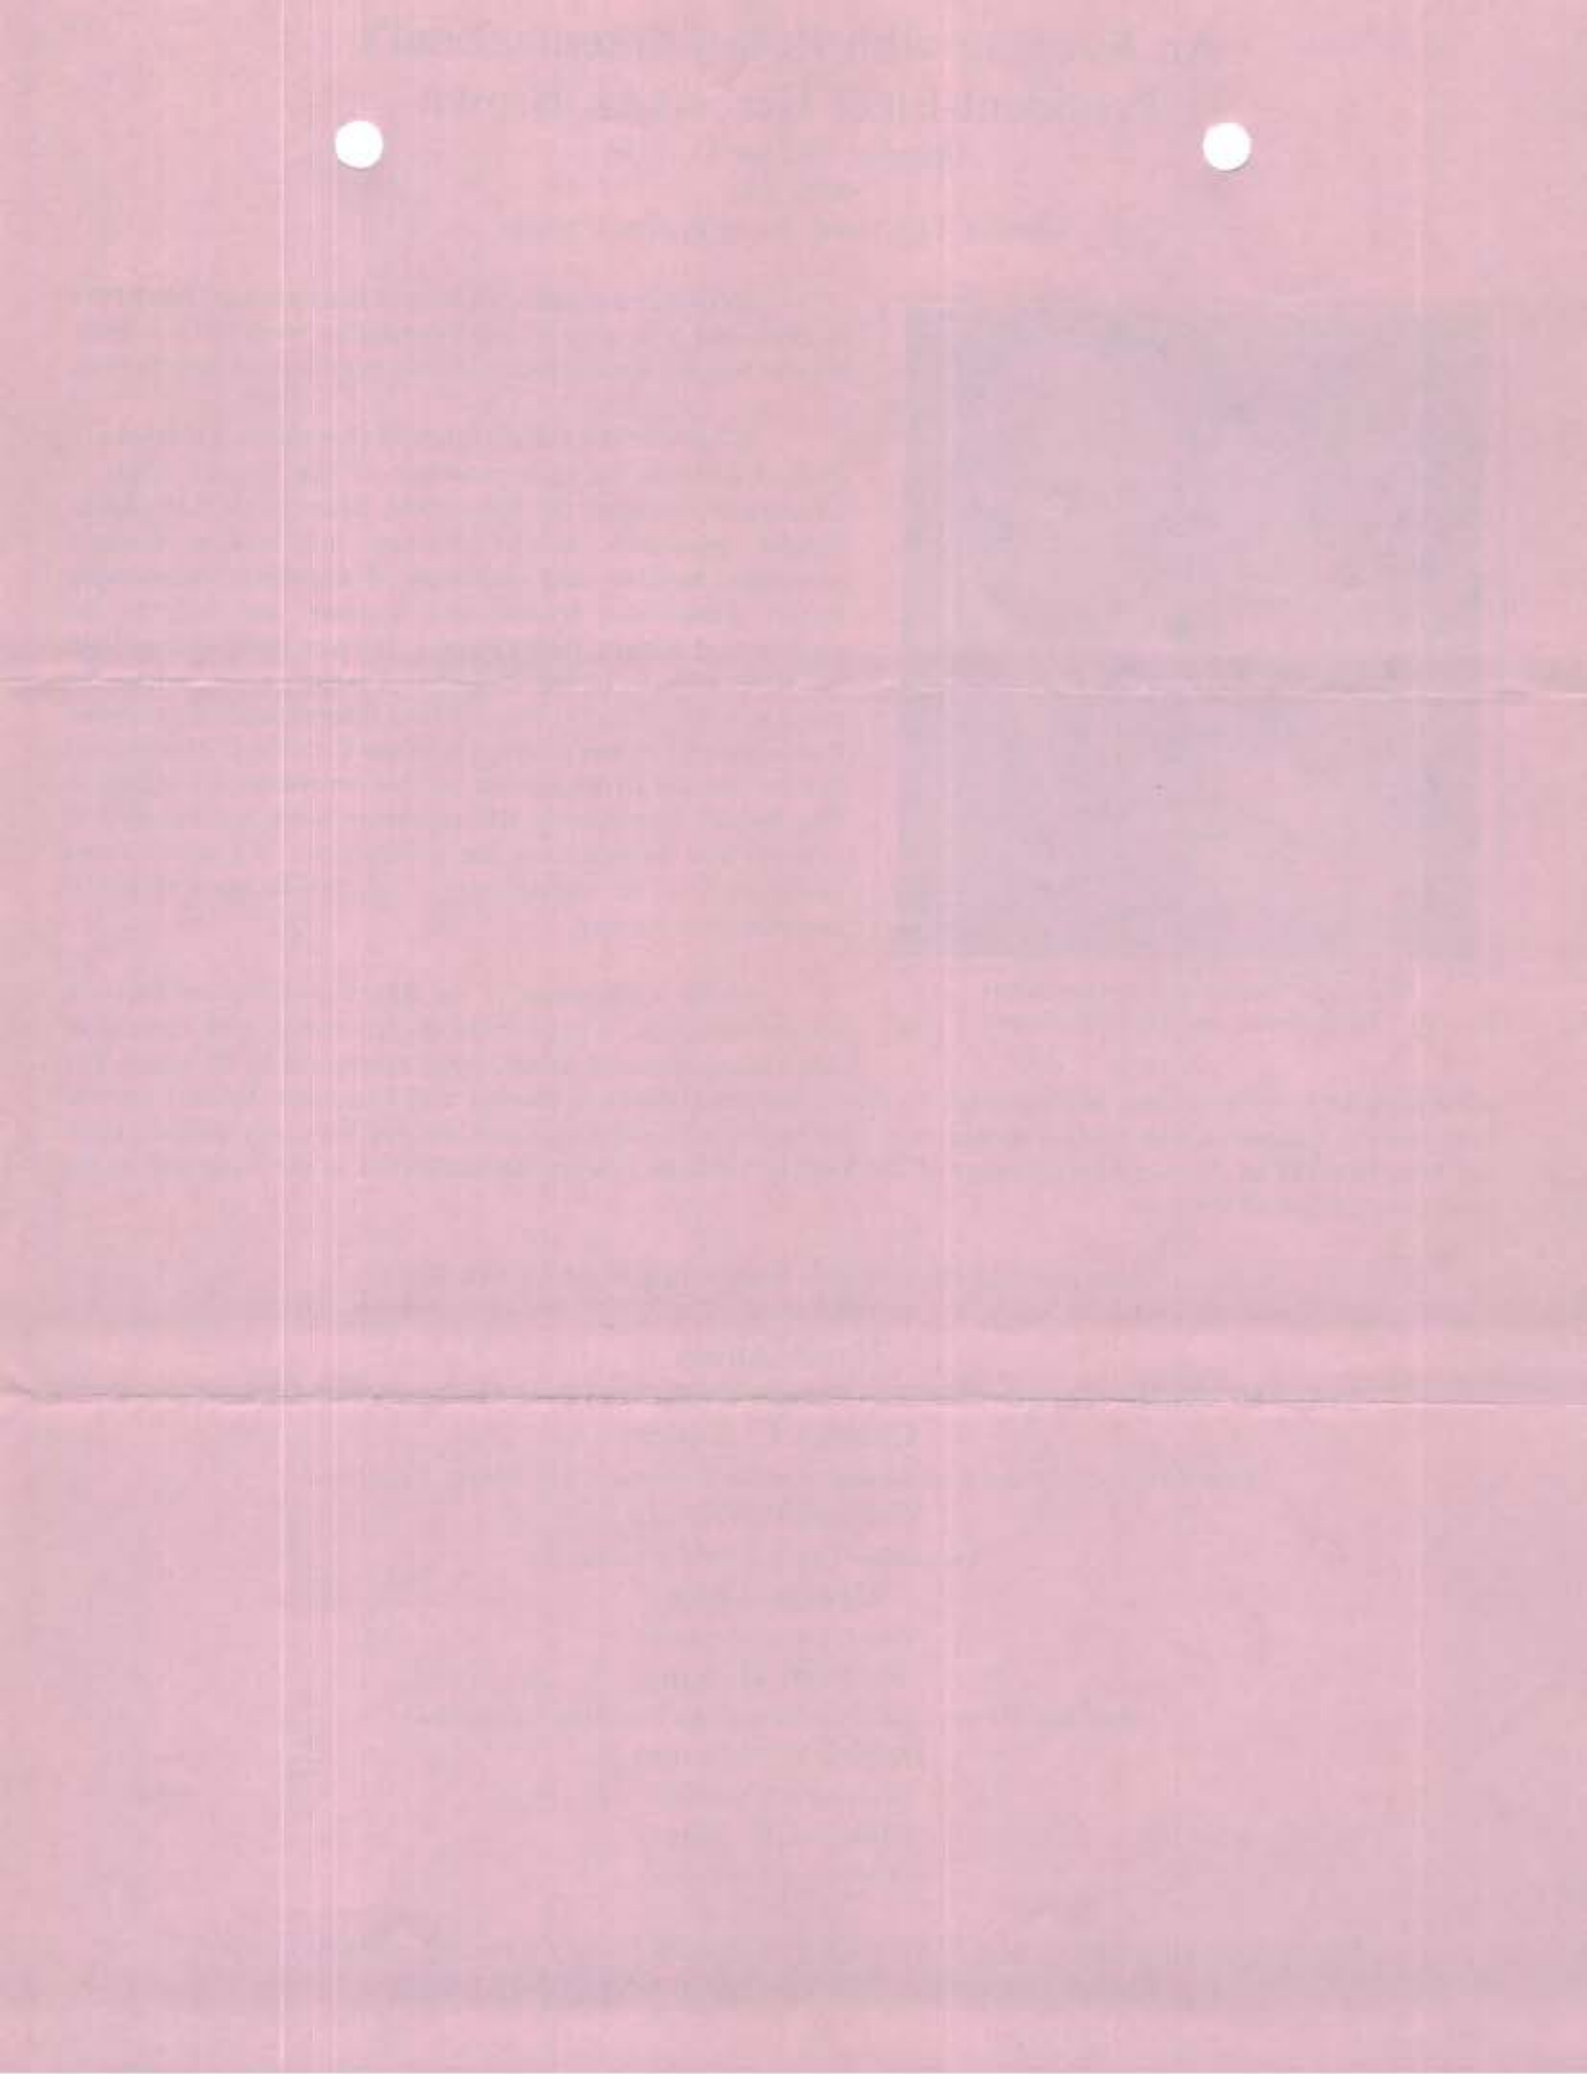

Daniel W. Mooers

Current R.I. Director

Richard F. Slager

Current R.I. Director

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

September 14, 1994

YOUTH ACTIVITIES MONTH

WELCOME, KATHY!

The dramatic suspense Sam created a couple weeks ago is over - we finally learned about our newest member, **Kathy Ray**. Kathy has lived in Cape Elizabeth nearly all her life, with 5 of them being on Stonybrook Road (although **Nick Pappas** contends that only the garage was on Stonybrook). She worked for Maine National Bank before her present position with Maine Bank & Trust as manager of the Mill Creek branch. She is not new to Rotary: in 1991-92 she was a member of the Ogunquit club. She and her husband Alan and 2 1/2 year-old daughter Megan live in a new house on Spurwink Road. **Welcome, Kathy!**

More on Stonybrook: SB Roaders **Steve Kremer & Bill Kourakos** had 2 guests with them on 9/14: **Jeff Rand** (of SB Rd) and **Jim Wertheimer** (not from SB Rd).

REMEMBER to think of new member prospects (they don't have to have a connection with Stonybrook Road)!

PAST HISTORY

Keoka Lake - For the second year in a row we enjoyed **Bob Carson's** splendid hospitality at Keoka Lake. Among the guests were **George & Ginny Rice**, 2 daughters & 3 grandsons of **Dick Yerxa**, and **Tory Russell**, who provided the entertainment. Besides Bob, thanks also go to **Lynne Gemme**, **Sharon Prunty** and **whoever else** was working behind the scenes to feed us all.

Shot in the Dark - **Tim Thompson** expressed thanks to everyone who helped out in the golf tournament, which netted about \$7000 for Cerebral Palsy.

Schooner Fare - **Bob Flynn** reported that the earnings for Project Literacy would probably be disappointing. (Anyone who still hasn't turned in ticket proceeds should give them to Bob so he can do a final tally.) Nevertheless, those who attended enjoyed the performance by the Romanoff twins, Tom Rowe and a refrigerator. (**Rita Hennessy** had extra reason to enjoy it since she won the raffle!) Thanks to Bob for coordinating this event.

LOOKING TO THE FUTURE

Antique Auto Show - **Wayne** will need helpers to set up on Friday night (9/23) and to work on Saturday from 7 - 2:30. They are expecting up to 2000 people and there will be only one other food vendor present so this should be a great opportunity to raise some money.

Herb Brown Banquet - Unlike most Rotary events in which the registration deadline can sometimes be ignored, you really do need to sign up in advance for this banquet. The banquet will take the place of our regular meeting and of some of the other clubs' meetings (limiting make-up opportunities). Our club had first priority but invitations have now been extended throughout the district so if you plan to attend this once-in-a-lifetime event, act now. This has not been planned as a spouse event per se, but there will be spouses in attendance and spouses are welcome to attend just as they would be at any meeting.

Youth Exchange Hayride - The date for this has been changed to **Oct. 22**. Plan to bring the whole family to get in the mood for Halloween.

LEAVETAKINGS

Fred Janson showed what a classy guy he is by coming to deliver his resignation in person. Fred has been a member for 5 years and is a former director of the club. We have enjoyed your friendship, Fred, and hope that you will be able to fit Rotary into your life again soon!

Doug Stewart announced that he would be leaving soon for Cranston RI to take a position as Finance Director for that city.

Bill York has been granted a leave of absence for several months while he fulfills a contract in Connecticut.

Paul Butler is not leaving us but he has said goodbye to his business, having sold the business which has been in his family for 60 years. We also express our condolences to Paul, whose father died on the same day the business was sold.

SEPTEMBER 21, 1994

YOUTH ACTIVITIES MONTH

Riesling vineyards along the Rhine valley -- immense Gothic cathedrals -- mineral spas -- enduring friendships -- Rembrandt & Rubens -- bier und mehr bier -- exploring another facet of Rotary -- Roman ruins -- the home of Beethoven -- sampling another culture firsthand -- medieval castles with crenellated towers -- timbered houses -- contributing to world peace and understanding one relationship at a time -- What am I talking about? The 1995 Group Study Exchange to Cologne, Germany, of course. Any Rotarian interested in being a team leader on this trip (April 17-May 21, 1995), or those wishing more information, should contact me (Nancy Hawes) at 879-2100 (office) or 799-9011 (home). Business and professional persons who are not in Rotary are eligible to participate as team members (there are 4 slots). If you know of anyone who might be interested, please pass the word.

(After a photo by the German Tourist Office)
Cologne - The Cathedral and the quays on the Rhine

ETC.

We were happy to have guest **Bob Danielson** visiting us 9/21. Bob is a land use attorney who recently moved to Cape Elizabeth with his family.

Get well wishes to **Dieter Schnauck** who is laid up after an accident on the job. Hope you're able to join us again soon, Dieter!

Quote of the Week: "Is that man a Rotarian?" (Sorry, I'm not going to explain it; you had to be there.)

Thanks to **Tony Wagner** for outfitting our new trailer, with assistance from **Matt & Phil Dube, Dan Davidson & Dick Yerxa.**

THE CONCORD COALITION

The omission of a description of the Sept. 14 speaker in last week's bulletin was not a political statement about the Concord Coalition - I just ran out of space! **Paul Butler** brought us **David Petersen** who is the state coordinator for the Concord Coalition. The Concord Coalition is a grass roots movement led by Sen. Warren Rudman which believes that America needs a stronger, more stable economy. They believe that in order for this to occur the federal deficit must be reduced. Thank you, Paul and David for this thought-provoking presentation.

OUTWARD BOUND

On Sept. 21 **Joann Leclair** brought us **Charlie Reade**, Director of Recruiting for the Hurricane Island Outward Bound School. Joann spoke enthusiastically of her own experience at the school this summer which was very enriching. Charlie used an attractive slide show to inform us about the school and show us the various adventure activities (sailing, rock-climbing, backpacking, sea kayaking, etc.) in which students participate. For those who couldn't attend the meeting or who would like more information, I'm sure Joann would like to talk to you about it. Thanks Joann & Charlie!

MEALS ON WHEELS

Bill York brought to our attention that he had learned that the federal funding had been cut for the local meals-on-wheels program of the Southern Maine Area Agency on Aging. In response to this need the Board approved a donation of \$400 to the Meals on Wheels program, \$200 to be allocated to each of our two communities.

Also, if you're planning to attend the Portland Players performance of Oklahoma, the Oct. 6 (Thursday) performance will benefit the Meals on Wheels program.

DUTIES

YOUTH ACTIVITIES MONTH

ANOTHER NEW MEMBER!

On September 28 we welcomed **Bob Danielson** into our club. Bob is a native of Gardner, Mass. and a graduate of BC and St. Johns Univ. Law School. After being with large law firms in NYC and Boston, he decided to move his practice to Maine in March of this year. He and wife **Alicia** and their daughter and 2 sons (ages 6, 4 & 2) moved to Ram Island Farm just last week. From Bob's impressive resume of boards, governors' councils and various other types of community involvement, it's clear that he's interested in Service Above Self (Note for Bob: that's the Rotary motto). **Welcome Bob & Alicia!**

And speaking of new members, we were happy to be joined by ex-newest member **Kathy Ray** and her father **Jerry Newbury**, past president of the Portland Club. Also visiting were **Naj Lotfey** and **Bob Levasseur's** son **Jay** and stepson **Orville**.

"DREAM WITH YOUR EYES OPEN"

That's **Barry Trotz's** theme for motivating his Portland Pirates to a second Calder Cup this year. In a very interesting program Barry contrasted the Portland Pirates to their predecessor Baltimore Skip-jacks ("a minor league team in a major league town"). He attributed the success of the club in Portland to the community support and to the fact that they won games!

In responding to questions from the audience Barry said that Paul Kariya is a superstar (vs. star) because he has such great vision. What separates him and other superstars is their ability to see so much of what's happening - it's as if the game is unfolding more slowly for them.

Bob Flynn's agent Bill York regretfully informed Barry that Bob would be unable to skate at Crackers this year.

Thanks to **Bob Levasseur** and to **Barry** for this very entertaining program!

MISS MANNERS AT ROTARY

At the dinner table Wed. night we were discussing etiquette, triggered by remarks on how thoughtful it was of **Wayne Goodrich** to send thank you letters to those who helped out with the auto show. It occurred to me that it would not be out of order to review the etiquette and procedures involved if you're in charge of providing the speaker.

*If you would like suggestions for a speaker, talk to **Paul Butler**. He often has names of people who would like to speak to us.

*Tell the speaker who the audience will be and the time frame for the program (the speaker is usually not introduced until about 7:10; the meeting ends at 7:30).

*After lining up your speaker it's not a bad idea to confirm the details in writing (time, place, etc.) Send a map & directions to the Purpoodock Club if the speaker is from out of town.

*As soon as you have lined up a speaker let **Paul** and/or the bulletin editor know who it will be.

*Inquire if the speaker will need any assistance with audio-visual materials.

*On the night of the program the club will pay for the speaker's meal.

*After the meeting, send the speaker a letter thanking him/her for coming to speak to us.

I think these are the essentials - all you etiquette aficionados can let me know what I've left out.

IMPORTANT DATES

- Oct. 5 - Lloyd Knight birthday
- Oct. 6 - M/M Maher Anniversary
- Oct. 10 - Warren Simpson birthday
- Oct. 12 - No Meeting
- Oct. 13 - "The Maine Event" (Herb Brown banquet)
- Oct. 21 - Deadline for GSE applications (Note: dates have been changed to Apr. 23 to May 21)

Another Important Date: October 22 is the date for both the Trail work (this is a change from Oct. 8) and the Haunted Hayride with the district's youth exchange students.

Excerpted from the 9/29 Rotary Newsbasket:

"Wild polio virus transmission has been interrupted in the Americas." That is the conclusion of the long-awaited report of the International Commission for Certification of Polio Eradication (ICCPE). The commission's finding was officially announced Thursday (9/29) at the headquarters of the Pan American Health Organization in Wash DC...."It has now been three years since the last confirmed case of paralytic polio due to wild virus was reported in the Americas," said Dr. Frederick Robbins, chairman of the ICCPE...."From my point of view, the most important contribution Rotary has made has been to very effectively at the national and local levels mobilize support for the eradication effort by getting the community and key political leaders involved," said Dr. Steve Cochi, chief of polio eradication activity at the US Centers for Disease Control & Prevention. "Now Rotary clubs in other parts of the world are building on the success and experience."...Rotary International President Bill Huntley joined the commission in sounding a cautionary note. "As gratified as we are by this historic news," he said, "Rotarians know that every nation remains at risk until all nations are polio-free."
