VOCATIONAL SERVICE MONTH

**Remember** - No Meeting Oct. 12. For those of you attending the banquet on Thursday, and maybe even more for those of you who can't make it, here is

### A REFRESHER SHORT COURSE ON ROTARY

#### 1. What is Rotary?

Rotary is "an organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world."

Rotary is the world's first service organization; the common thread that binds Rotarians all over the world together is "Service Above Self."

#### 2. What is Rotary International?

The association of Rotary clubs. Each Rotarian is a member of a local club - all clubs are members of a larger organization, Rotary International, headquartered in Evanston, Illinois.

#### 3. Who runs Rotary International?

RI is administered by its Board of Directors. The Board is responsible for promoting the study and teaching of Rotary's fundamentals, the preservation of its ideals and ethics, and its growth throughout the world. It also exercises general supervision over all officers and committees of RI.

#### 4. Who makes up the Board?

- 1 President of RI (Chairman of the Board for one year)
- 1 President-Elect of RI
- 6 USCB (US, Canada, Bermuda, Puerto Rico)
- 1 GB&I (Great Britain & Ireland)
- 2 CEEMA (Europe & Africa)
- 2 ASIA
- 2 SACAMA (South & Central America, Mexico, Antilles)
- 1 ANZO (Australia, NZ, Other)
- 2 From any of the above regions

18

They are nominated by the clubs in a zone and are elected at the international convention. Each director serves for 2 years.

#### 5. Is the Board "all-powerful?"

No; major policy changes and changes to the Constitution & By-laws can only be effected through the Council on Legislation. The Council consists of representatives from every district in the world and meets every 3rd year. It will be meeting in Venezuela this winter.

#### 6. How much do the Board members get paid?

Exactly the same amount as each of us gets paid for selling Christmas trees.

#### 7. What is a Zone Institute?

An instructional, motivational and fellowship meeting for past, current and incoming district governors. It is intended to provide participants with up-to-date information about Rotary programs and philosophy. It is a source of ideas for improving and strengthening the Rotary movement at the grassroots.

#### 8. What are Bob Carson's thoughts about Rotary?

"Rotary does more good for the people of the world than all the politicians."

#### 9. What is the best thing that happened to Rotary, according to visiting Rotarian Earl Huffaker of Seattle?

Admitting women.

### MISCELLANY FROM 10/5

Turn in any outstanding receipts from **Schooner Fare** so we can get a final tally.

We netted \$753 at the **Antique Auto Show**, thanks to **Wayne, Tony** and their helpers.

**Soup Kitchen** on Tues, 10/11 - dessert is cupcakes.

Thanks to **Bonnie Laughlin** for the program on 10/5: **Richard Silkman** standing in for **Susan Collins**.

**Kathy Ray & Bob Danielson** have perfect attendance so far - welcome again!

OCTOBER IS VOCATIONAL SERVICE MONTH

I recently made up at the Westbrook/Gorham club and, being an outsider, I didn't quite get the joke, but there seemed to be some sort of a challenge for one of their members to memorize the 4-Way Test. Anyway amid much laughter the whole club recited the 4-Way Test:

1. Is it the **truth**?
2. Is it **fair** to all concerned?
3. Will it build **goodwill** and **better friendships**?
4. Will it be **beneficial** to all concerned?

Bob Levasseur reminds the following that they are signed up for the banquet on Oct. 13:

Russell	Simpson	Gemme
Hawes	Murphy	Dunfey
Wagner	Goodrich	Kane

## THE MAINE EVENT

I apologize in advance for gushing but I had a wonderful time at "The Maine Event" banquet and I really enjoyed meeting so many nice people. The "nice people" were all friends of Dan Mooers who also happen to be very active in Rotary. They were:

**Herb & Diane Brown** - President-Elect of Rotary International.

**Royce & Jean Abbey** - Past President of RI, Past Foundation Trustee Chairman.

**Richard & Elaine Slager** - he is a Director of RI along with Dan and met Sam Giftos in a men's room in Florida.

**Chuck Keller**, who sat with Agnes and is a Past President of RI.

**Wilf & Joan Wilkinson** - he is a Past Vice-President of RI (I didn't get a chance to meet them).

**Rick & Cherie King** - Rick is a Past Director of RI; they were a very warm & friendly couple.

**George & Betty Uhlig** - he was a District Governor in Penn. in the early 60's (the guy I called at RI to check my titles didn't know if he had held another office or not).

**Tony Zino**, who insisted on sitting with fellow Sicilian Ellie Goodrich. Tony started the Gift of Life program in New York which one of our visiting Rotarians told us about last year.

Other Past District Governors included **Frank Hinckley, Ken & Diane Brooks**, and of course **Sam Giftos**.

Our current DG **George Cashman** with his wife **Rosemary** (of suit of armor fame)

Next year's District Governor **George & Ginny Rice**.

Last week I said that these officers of RI are paid the same as we are for selling Christmas trees. Someone pointed out that they also make twice as much as **Phil Dube** and **Bill Stanton** are paid for taking care of the songbooks, badges, etc. every week.

In fact the cash flow seems to go in the opposite direction. I knew that if you become a Paul Harris Fellow five times over you get a pin with 5 sapphires on it but I didn't remember ever having seen one. Well there were lots of them there Thursday night!

When you contribute to the Rotary Foundation after becoming a Paul Harris fellow, you can become a multiple Paul Harris fellow or you can make family and friends Paul Harris fellows. Therefore since **Tom Hennessy** was already a Paul Harris fellow, the club honored his service to Rotary with a fellowship presented to his wife Rita. Unfortunately Rita had been called away to Illinois to be with her father who is very ill. **Alec Livingston** read the enclosed letter from Rita and accepted for her in her absence.

Our keynote speaker was **Herb Brown**. Herb opened with effusive compliments for women in Rotary - women in Rotary meaning both female Rotarians and wives of male Rotarians. He noted that next year there will be 3 female DG's in our Zone, and that in California 1/4 of the club presidents are women.

In his address he pointed out that the children of the world who need our help need it today, not tomorrow. He also pointed out that the world is in need of healing - both physically and spiritually. On the latter point, he compared our Rotary principle of "Service Above Self" with the teachings of the major world religions, and noted that one thing all these religions have in common is a belief similar to Rotary's in service above self.

In discussing her husband's remarks afterward with **Diane Brown**, I commented that it reminded me of Bill York's philosophy that Rotary is his church. She said that in Japan Rotary actually does take the place of church. Their religion does not incorporate regular worship, so for them Rotary fills the same role as church does in Judeo-Christian cultures.

I skipped over one of the speakers on the ~~the~~ program and that's because I save my favorite for last. You men probably weren't impressed by how handsome and charming **Royce Abbey** was, but he also had some interesting things to tell us about. For instance he talked about going to China for the immunization day on which 90 million children were immunized against polio. Most of us only hear about the work of the Rotary Foundation, other than the Group Study Exchange and Ambassadorial Scholarship programs. But Royce has had the opportunity to see firsthand the accomplishments of the Foundation, which is no doubt why he believes it to be "the world's great Foundation."

Royce also said that "what really matters in Rotary is what we do." He said it in the context of downplaying the importance of himself and the other officers of Rotary and stressing the importance of the local clubs. However we could also turn that around and say that our distinguished guests are important, not because of their titles, but because of their past and present contributions of service. For that reason, (and as I said before because they were such nice people) it was truly a privilege having them as our guests for The Maine Event.

After writing about etiquette a couple weeks ago, I would certainly be remiss if I didn't note a few people who deserve special thank-you's:

**Frank Gemme**, for his masterful emceeing of the festivities;

**Lynne Gemme**, whom I suspect was responsible for selecting the beautiful framed Tom Jones photograph presented to the Browns;

**Bob Levasseur**, for making all the arrangements for this big dinner party which was such a success;

**Bob Carson**, for making so many trips back and forth to the Cliff House and giving the Zone Institute attendees their first impression of what Maine hospitality is all about;

**Mike McGovern & Bill Kourakos**, who were so busy being hospitable at the Zone Institute that they couldn't attend the banquet; and of course

**Dan & Shirley Mooers**, without whom the evening would not have been possible.

**UPCOMING DATES**

- Oct. 19 - Wayne Goodrich birthday.
- Oct. 22 - Haunted Hayride with Youth Exchange students (details: Karen).
- Oct. 26 - Adrienne Murphy, classification.

I'M VERY DISAPPOINTED THAT I CAN'T BE WITH YOU TONIGHT AS PLANNED, DUE TO A FAMILY EMERGENCY. ACCEPTING A PAUL HARRIS FELLOW IS AN HONOR I NEVER EXPECTED TO HAVE. TOM BECAME A PAUL HARRIS FELLOW ON THE "BUDGET PLAN". THERE'S NEVER A LOT OF EXTRA MONEY AT ONE TIME WHEN YOU OWN A SMALL BUSINESS, SO HE SENT IN A LITTLE AT A TIME UNTIL IT WAS COMPLETED BECAUSE HE SUPPORTED WHAT THE ROTARY FOUNDATION DID.

THE HISTORY OF THIS FELLOW THAT YOU PRESENT TONIGHT IS DIFFERENT. WHEN TOM DIED, I WANTED PEOPLE WHO KNEW HIM TO HAVE THE OPPORTUNITY TO CONTRIBUTE IN HIS MEMORY TO SOMETHING HE LOVED, HIS ROTARY CLUB. MANY OF HIS FELLOW ROTARIANS, RELATIVES, FRIENDS AND NEIGHBORS DID SO BECAUSE THEY TOO SUPPORTED WHAT ROTARY STANDS FOR. THE CLUB DECIDED THE BEST USE OF THESE CONTRIBUTIONS WAS TO ADD TO THEM AND DIRECT THEM TO THE WORK OF THE ROTARY FOUNDATION, ESPECIALLY SINCE TOM HAD LASTING CONCERNS FOR CENTRAL AMERICA (ESPECIALLY PANAMA) SINCE HIS SERVICE THERE IN THE PEACE CORPS IN 1970. I THINK THAT WAS A WONDERFUL DECISION AND I WOULD LIKE YOU TO KNOW TONIGHT THAT THIS FELLOW IS MORE THAN A MEMORIAL TO TOM AND HIS LOVE AND SUPPORT OF ROTARY. IT IS AND WAS ALWAYS MEANT TO BE AN HONOR TO HIS FRIENDS, THE MEMBERS OF THE SOUTH PORTLAND-CAPE ELIZABETH ROTARY CLUB FOR THEIR LOVE AND SUPPORT OF HIM.

ALL DURING THE 2 1/2 YEARS OF HIS ILLNESS SUPPORT OF ALL KINDS FROM HIS FELLOW ROTARIANS WAS ENDLESS, BOTH FOR HIM AND FOR ME. NEAR THE END WHEN WALKING AND TALKING WERE DIFFICULT AND HE COULDN'T REMEMBER THE MOST BASIC THINGS, HE ALWAYS RESPONDED EAGERLY TO THE PROSPECT OF ATTENDING HIS ROTARY MEETINGS. AS HE REQUIRED MORE AND MORE UNDERSTANDING AND SUPPORT, HIS FELLOW ROTARIANS WERE QUICK TO OFFER IT. THEY MADE SURE WE HAD A RAMP TO GET HIM IN AND OUT OF THE HOUSE AND AS MANY PEOPLE AS NECESSARY TO GET HIM IN AND OUT OF CARS AND UP AND DOWN STAIRS WITH HIS WHEELCHAIR. IF DEALING WITH HIM TOOK COURAGE OR PATIENCE OR COMPASSION OR FIRMNESS IT WAS WILLINGLY PROVIDED. SUPPORT FOR ME WITH ENCOURAGEMENT, ADVICE, DIVERSION AND JUST BEING THERE CONTINUES TO THIS DAY.

SO WHICH COMES FIRST, THE CHICKEN OR THE EGG? DO WONDERFUL PEOPLE MAKE ROTARY OR DOES ROTARY MAKE WONDERFUL PEOPLE? WHATEVER THE COMBINATION, IT SEEMS TO WORK. THE IMPRESSIVE THINGS THAT HAPPEN AT THE INTERNATIONAL LEVEL COULD NOT HAPPEN WITHOUT THE IMPRESSIVE THINGS JUST DESCRIBED THAT HAPPEN AT THE CLUB LEVEL BETWEEN INDIVIDUAL MEMBERS.

I'M VERY PROUD TO BE A TINY PART OF THAT BY ACCEPTING THIS FELLOW IN TOM'S MEMORY. I HOPE HIS CLUB WILL ALSO ACCEPT IT AS THE HONOR TO THEM IT WAS MEANT TO BE. IF IT HAD AN INSCRIPTION IT WOULD READ: "DEAR SOUTH PORTLAND-CAPE ELIZABETH ROTARY CLUB, THANKS FOR EVERYTHING! LOVE, TOM AND RITA"

## HAUNTED HAYRIDE

**Karen Dunfey** serves on the District's Youth Exchange Committee. This committee interviews and approves students selected by the clubs for youth exchange, prepares outgoing students and their families for their exchange, and plans monthly activities for the exchange students who have come here. The committee is chaired by **Craig Wellman**, whom some of you may remember as the leader of the Group Study Exchange trip to Australia in 1993. Craig will be our District Governor in 1996-97, following **George Rice's** term.

October's activity for the students was the haunted hayride in Gorham which Karen organized and our club sponsored. The ten exchange students who went were from France, Belgium, Chile, Argentina, Finland, East Germany, Brazil and India. They must have enjoyed it because afterwards they were making plans to go to the one in York next weekend! the four 12-year-olds and 4 adults who went also had fun if the screams and laughter were any indication.

One of the exchange students who participated is not part of Rotary's exchange program and her experience so far demonstrates how Rotary's program differs from the others. This girl was in her room at her host family's house and came downstairs to find nobody home and a note on the kitchen table telling her they'd gone to Boston for the weekend and to feed the dog while they were gone. Under her exchange program she had no one in this country looking out for her welfare until the Wellmans found out about her and took her under their wing. So thanks to Karen, Craig and all the others who make Rotary's exchange program a safe and enjoyable experience for the students, and thanks especially to Karen for planning such a fun evening on the 22nd!

## MIKE'S VACATION

At our October 19 meeting **Mike McGovern** presented the most unusual travelogue we'll probably ever see about his trip to Taipei, Hong Kong and Beijing. It sounded like Sam Giftos was fortunate that he was unable to go. Didn't you have any fun at all, Mike?

\*\*\*\*\*

**Wayne Goodrich** invites everyone to a trailer clean-up party on Sun., Nov. 6 at 10 a.m. at Fort Williams Park. Casual attire; RSVP not required.

\*\*\*\*\*

**Bon Voyage** to President **Frank Gemme** who has departed for a business trip to the Philippines, Taiwan and Beijing (much inspired no doubt by Mike's commentary).

Out-of-sight but not out-of-mind are:

**Bill York** - Tony reports that he is not glowing in the dark yet;

**Mike Kane** - ordered to active duty with the Coast Guard in Haiti through January; and

**Dieter Schnauck** - still recovering from his injury.

And speaking of recovering, we were glad to have **Dick Kilroy** back with us after his bout of appendicitis.

Sincere condolences are extended to **Rita, Emily & Matt Hennessy** on the death of Rita's father **Richard Schrupp**. Mr. Schrupp was a Rotarian and a visitor to our club when they were in town.

Birthday Wishes to **Phil Dube**  
(Friday, October 28).

VOCATIONAL SERVICE

Just what does Rotary mean by Vocational Service, anyway? Focus on Rotary, one of the books in the Rotary Basic Library, describes it this way:

"To help people find useful work by sponsoring **career development** programs; increase employment opportunities in the community and promote a fair and positive environment in the workplace through **vocation at work** activities; recognize the worthiness of all useful occupations by raising **vocational awareness**; and acknowledge those who achieve excellence and uphold high ethical standards in their business and professional life with **vocational awards**."

We will be raising our vocational awareness next week with a classification talk by **Adrienne Murphy**. The following week (11/2) will be a club assembly.

VOCATIONAL SERVICE MONTH

Many thanks to **Dave Bagdasarian** for taking notes for me at the Oct. 26 meeting. He reports that **Cap'n Lloyd Knight** did double duty leading the singing (guess what they sang) and conducting the raffle. **Jim Russell** was the lucky winner of the raffle gift which was donated by **Sam Giftos**.

There were numerous happy dollars; noteworthy was the fact that **Dieter Schnauck** was back, and that **Laurenz Schmidt** survived *Outward Bound* (after having the program on it recently we can envision what he went through!).

**Announcements** were as follows:

**Soup Kitchen:** Coming up on Nov. 8. See **Joe Conroy** to volunteer. (Dessert = brownies).

**Schooner Fare:** **Len King** requests that anyone with outstanding receipts turn them in or he will set **Bob Flynn** after you.

**Membership Proposals:** Cards are available from **Bob Carson**.

**Important Makeup News:** The Scarborough Club is now meeting as a breakfast club on Tuesday mornings, 7a.m. - 8a.m. at Carson's Restaurant on Rte. 1 in Scarborough.

## THE AMERICAN DREAM

Our own **Adrienne Murphy** gave a classification talk on the real estate business, a key element in fulfilling the American dream of home ownership. She talked about her career path from her first job in floor covering to her current job with Century 21 - Balfour. She discussed the creative marketing techniques realtors employ and the challenges of working with people who have to sell a home due to divorce, death, etc.

Dave noted that she gave very informative and often humorous descriptions of some of her showings. I was disappointed that I had to miss Adrienne's talk and was even more so after I read Dave's notes and found out what I missed out on. It sounds like it was a great program - thanks, Adrienne!

**Other Make-up News:** If you can't make it to the **Club Assembly** on Nov. 2, you might want to consider making up at the Portland Club on Fri., Nov 4, where the speaker will be **Mike McGovern**.

## Other Important Dates:

## ABOUT THE BACK SIDE

As part of our vicarious participation in Rotary Youth Exchange, as space permits I will be printing excerpts from a book called *Touch the Dragon*. It is a journal kept by a 17-year-old Canadian girl who went to a small town in northern Thailand for a year as part of the Rotary Youth Exchange program. The excerpt on the back is from when she first arrived in Thailand.

We are driving northwards under black clouds, through darkness broken by lightning. I could believe now that the earth is flat, and its f edges are sparking flame. Rice fields, t e groves, gleaming oval ponds flash out of the night. Mr. Prasit Piyachinda and Mr. Prasert Jeenanukulwong have both suggested that I call them paw for the sake of simplicity. Paw Prasit speaks English. "We will treat you like a daughter, and you will treat us like father." The Rotary Club of Denchai has almost twenty members. I can't pronounce any of their names. "You must learn to speak Thai very quickly," Paw Prasit explains. "It will not be difficult. No one in your family speaks English. You have no choice." He turns around to smile at me. He talks about spicy food, a famous Buddhist monk who is also a great fortune-teller, the school I will go to, the people who are anxious to meet me. When I ask why these people want to meet me, he giggles. "Why, because you are a falang." A foreigner. It is my first Thai word.

Sudden light spears the heavy rain. I squint out the streaming windows. The men laugh at my fascination with the countryside. "Are you afraid of the...the..."

"The lightning," I finish for Paw Prasit.

"Ah, yes, yes, are you afraid of it? My daughter, yes, is. She will not look at fields at night, fields in rain." He points towards a distant clump of trees and taps at the window. "Dragons. She says they are dragons." He laughs, turns to Prasert, translates, they laugh again, then hoot more at some other joke. I peer through the glass; his daughter is right. There they are, tree-dragons, moulded by wind and shadow, heavy-skulled dinosaurs gathered under lightning at the edges of ponds. They lean down to the water, their scaled flanks gleaming with rain.

## CHRISTMAS TREE PREPARATIONS

On Sunday morning (11/6) I skipped church to go for a walk at Fort Williams. As I came up behind the shed where we keep the trailer I spotted some familiar cars and suddenly remembered that it was trailer clean-up day. Realizing that this was my punishment for skipping church, I felt obliged to stand around in the cold and pretend I was helping. The real helpers who were there intentionally rather than accidentally were **Wayne Goodrich, Len King** (master trailer-backer), **Bill Stanton, Dan Davidson, Alec Livingston, Mike Bell & Bob Carson**. It should come as no big surprise that the trailer had a flat tire. It was pumped up as a temporary solution but we will probably need 2 new tires. Set-up for Christmas tree sales at Mill Creek Park will take place on **Sun, Nov. 20**. Alec is looking for someone to chair the set-up. As part of our new marketing program we will be sending postcards to last year's customers. Volunteers are needed to stay after the meeting on **Nov. 16** to help put stamps and labels on the cards. If several people can stick around to help, it should get done very quickly. On a related matter, members are asked to be on the lookout for places where we could store both trailers (the old one and the new food trailer). **Dick Yerxa** has offered to take care of the food trailer this winter. Our Fort Williams storage site will no longer be available to us next summer so we are looking for permanent sites for the two trailers.

## CAN YOU INCLUDE A VISITOR IN YOUR FAMILY PLANS?

You may remember Indi, a Rotary Youth Exchange student from Indonesia who stayed with the Yorks last year. The Yorks are now hosting Indi's younger brother **Yodii**, who is a senior at SPHS. Unfortunately Bill is unable to spend much time with him since working in Conn. and asks that SPCE members consider including Yodii in their family plans.

## CLUB ASSEMBLY

**Wayne Goodrich** made his debut presiding over the Nov 2 club assembly, at which the following issues were discussed:

Membership Proposals - Tony reported that the list of potential members is still about 75% blank - each member is asked to think of 3 possible new members.

Attendance - Bob Carson reported that our club's October attendance was the lowest it had been in several years.

District Government - Dan Davidson informed the club that he has written a letter to Rotary International requesting that elimination of the district structure be considered.

\*\*\*\*\*

Congratulations to **Sally Campbell** (Mrs. Tony Wagner) whose Readers' Roundtable program of the Maine Council of Churches will be receiving an award from the National Council of Churches.

Congratulations also go to **Adrienne & Stephen Murphy**, married 6 years on Nov. 10.

Welcome to **Craig Beling**, a guest of **Brian Hansen** at our 11/2 meeting.

FR

THEME DU ROTARY INTERNATIONAL POUR 1994-1995

November is Rotary Foundation Month and as always, our club and district will be focussing attention on the Rotary Foundation this month.

On Nov. 9, **Dan Mooers** will be speaking to us about the good work that the Rotary Foundation does throughout the world.

On Nov. 16, **Mike McGovern** and I are responsible for the program, the topic of which will be how to give to the Rotary Foundation. The program will feature the acting talents of several of our members and hopefully will be a little more entertaining than listening to Mike and me give the usual spiel.

On Nov. 19, the district will hold a **Rotary Foundation Seminar**, coordinated by Mike McGovern. The seminar will take place at Luther Bonney Hall at USM and is open to all (registration fees are paid by the club). It will be over by lunchtime (thanks, Mike!) and is a good opportunity to learn more about Foundation programs, as well as to meet other Rotarians.

Throughout the month we are holding a Rotary Foundation **Mini-Poster Contest** for children. Members with sons and daughters at home received a separate mailing on this; if you have grandchildren, nieces or nephews who would like to enter, entry information will be available at the meetings, or call me. Prizes will be awarded in 3 age categories.

ROTARY FOUNDATION MONTH

## PLAYING SECOND FIDDLE

With some trepidation at the reception for a prophet in his own land, **Dan Mooers** interrupted his schedule of speaking engagements to clubs and district conferences all over the world to speak to us about the Rotary Foundation. Dan briefly reviewed the 9 programs of the Foundation:

**Ambassadorial Scholarship** - the oldest program of the Foundation, it sent 1327 students to foreign countries last year.

**Group Study Exchange** - the program which most Rotarians have the most personal contact with (see "Why is the bulletin late?").

**Matching Grants** - this program funds international service projects in third world or developing countries. Dan described some of the grant applications he had reviewed.

**3-H (Health, Hunger, Humanity)** - this program funds large-scale projects of 1-5 years duration. Unfortunately the Foundation was only able to fund 5 projects last year due to lack of available funds.

**Grants to University Teachers** - this under-utilized program sends college faculty to serve in developing countries.

**Peace Programs** - this program is sponsoring Friendship Conferences this year, one of which will be in Quebec City, aimed at easing the animosity among the Quebecois.

**Carl Miller Discovery Grants** - Our club is familiar with this program since we used one of these grants to send Joann and Agnes to Xalapa to "discover" the problems there.

**PolioPlus** - this program has the very ambitious goal of eradicating polio by 2005, yet we are well on the way to meeting that goal.

Dan mentioned how far our Rotary Foundation dollars go in programs like Matching Grants and 3-H, as compared with the Ambassadorial Scholarship program, which receives

more than the other General Fund programs. I had a chance to talk to him afterwards about this issue and learned that the Rotary Foundation trustees are very concerned about making more money available to the programs which fill basic human needs. Anyone who is interested in learning more about how our Rotary Foundation dollars are spent and discussing these important issues should consider attending the Rotary Foundation seminar on Sat, Nov. 19 at Luther Bonney Hall at USM (the club will pay your registration fee).

We appreciate the opportunity to hear firsthand about what the Rotary Foundation is doing - thanks, Dan, for your enlightening presentation and for fitting us into your busy itinerary!

## CHRISTMAS TREE NEWS

The sign-up sheet has gone around on its first pass. It was incorrectly announced that members should sign up for 3 shifts. However to adequately cover the schedule, everyone needs to sign up for 4 shifts.

Tree lot **set-up** (chaired by **Dave Smith**, with assistance from **Steve Kremer** and **Tony Wagner**) will take place this **Sunday morning (11/20)**.

First tree **delivery** is scheduled for **8 a.m., Friday, Nov. 25**.

**Welcome back** and **happy birthday** (11/19) to **Frank Gemme**.

**Happy birthday** also to **Dave Smith** (11/22).

The 22nd is also the **anniversary** of **Tony & Sally Wagner**.

**Get well** wishes to **Roy Dunfey**, recovering from back surgery. And **congratulations** to **Corey Dunfey** cover girl on Girls Life magazine.

**Welcomed** at the 11/9 meeting was **Jim Higgins** a guest of **Alec Livingston**.

**Board meeting** on Nov. 16. Volunteers needed to affix labels after the 11/16 meeting also.

**WHY IS THE BULLETIN ALWAYS SO \*!@#%\* LATE?**

Although our goal is to get the bulletin in the mail by Saturday, either Wayne or I often have various commitments that prevent us from meeting that goal. Lately I've been the one holding things up because I've had to be out the door early the past 2 Saturday mornings to interview Group Study Exchange applicants. On the 5th we interviewed Rotarians for the team leader position. We selected Bill Chigas of the Wells club to lead the trip to Cologne in the spring. Bill is a retired dentist who speaks several languages (including German) and is an avid bicyclist.

On the 12th we interviewed non-Rotarians for the 4 team member positions. The Foundation no longer has age restrictions on the program so the applicants ranged in age from 22-56 years and were from professions as diverse as a college president and a blacksmith. Now that they have been selected, the team will meet together several times before their departure to learn more about what to expect on their trip and to plan their presentations to Rotary clubs.

ROTARY FOUNDATION MONTH

## CHRISTMAS TREE DELIVERY, 8 A.M., FRIDAY, NOV. 25

The program on Nov. 16 was a bit of foolishness explaining 10 different ways to give to the Rotary Foundation, in a take-off of Charles Givens info-mercials. Now that we know we have so much acting talent in the club we'll have to think of ways to exploit it further! Many thanks to **Mark Ayers, Steve Kremer, Dave Smith, Alec Livingston, Bob Lindsey & Adrienne Murphy** for their fine performances.

To follow up our two programs on the Rotary Foundation, **Mike McGovern** will be sending a letter to everyone in the club and then personally asking each of us to consider a contribution to the Rotary Foundation. Remember, contributions do not have to be at the \$500 or \$1000 level - any amount would be welcomed by the Foundation.

Conveniently for us, **Dan Mooers** spoke at the Foundation Seminar on 11/19 and provided a handy list of excuses for saying "no" to Mike when he contacts you:

1. I don't believe in the Rotary Foundation because we should keep our money at home;
2. I'm already a Paul Harris Fellow;
3. I didn't join Rotary just to write a check;
4. I don't want to buy an honor for myself;
5. If I wait long enough, my club will honor me by making me a Paul Harris Fellow; and
6. I'll contribute later when it's easier.

Of course, his speech also included the reasons why these aren't good excuses, which I won't describe because you can think of them yourselves. Number 6 is the most tempting reason not to give to the Rotary Foundation, but remember that much of the work of the Rotary Foundation helps the children of the world, who need our help now, not tomorrow.

The seminar, which is a chance to learn more about the Rotary Foundation and to compare ideas with

other clubs, was coordinated by **Mike McGovern**. Helping out with registration were **Bob Carson & Tony Wagner**. Also attending from our club were **Dan Mooers, Frank Gemme, Jim Russell & Nancy Hawes**.

Last bit of Rotary Foundation business - the Thanksgiving holidays would be a great time for the kids to draw their Rotary Foundation mini-poster. This contest is just for our club so there will be at least 3 guaranteed prize winners in the club.

### MERCI - GRACIAS - DANKE

To all those who helped in the November soup kitchen, and to **Joe Conroy** for coordinating the soup kitchen. Next soup kitchen is Dec. 13; dessert = Christmas cookies. In other soup kitchen news, the Board authorized a club gift of \$200 to the soup kitchen, and approved the idea of cans on our dinner tables once a month to collect spare change for the soup kitchen.

To everyone who helped lick & stick after the last meeting. The post-cards will be mailed to potential Christmas tree customers on Nov. 23.

### OTHER MEMBER NEWS

**Dan Davidson** reports that he has a new phone number at the college: 893-7721 (direct line).

**Doug Stewart** sends regards to the club from Rhode Island where he will probably be joining a new club soon.

We had 2 guests with us at the 11/16 meeting: **Gwen Davis** (guest of **Bill York**) and **Tim O'Neil** (guest of **Mike McGovern**). Tim was even coerced into signing up for Christmas tree duty!

Basketball will have already started by the time you read this; next dates: Nov. 28, Dec. 1, Dec. 5.

**HOW TO SELL THEATRE TICKETS**

As part of his speech at the Foundation seminar, Dan Mooers also said that "we are in the business of mankind." For those of you rusty on your Dickens, these are virtually the same words that Jacob Marley says to Ebenezer Scrooge, rattling his chains as he speaks. I thought maybe Dan had been consulting Bill York on ways to sell our theatre tickets and was going to lead into a sales pitch for Mr. Scrooge. However Dan blew the opportunity and neglected to close the deal. Don't you neglect to exploit every opportunity to sell tickets to Mr. Scrooge on Dec. 15! Here are Bill's pointers on unloading tickets:

1. Give a speech on being in the business of mankind (bring chains for emphasis);
2. Put up posters at work;
3. Hold a raffle at work;
4. Sell to people in your church;
5. Get a friend who's good at selling to sell your tickets in exchange for a free ticket;
6. Buy them yourself to give as Christmas gifts to neighbors, employees, clients, etc.
7. Invite friends to a cocktail party at your house, to be followed by the show; or
8. Invite your friends to a cocktail party at Bill's house.

ROTARY FOUNDATION MONTH

## WHAT'S HAPPENING WITH XALAPA?

After two years of fruitless attempts to communicate with the Rotarians in Xalapa, **Joann Leclair** finally received a reply at the beginning of September. The next step is to decide which of their needs we want to fund as a project. For newcomers and for those who have forgotten what the situation is down there, the school sits at the foot of a steep hillside and is in danger of having a wall of mud slide down onto it. There is also an inadequate drainage system, sometimes resulting in raw sewage on the playground. The choices for our project are:

1. A retaining wall to protect the school.
2. Work on the drainage system.
3. Medical supplies ( they have virtually none).

Since it is difficult at this distance to evaluate the options and to estimate the cost of each, **Bob Levasseur** went to work looking for a Rotary Volunteer to help us out. Looking through the directory, he found a Rotarian engineer (Jorge) in Guatemala who speaks both English and Spanish. Joann and Bob have sent information about Xalapa to Jorge and he has expressed a willingness to help us out. He and Joann are currently exploring the cost of his transportation to Xalapa so that we can determine how much our club will contribute to that expense. Once Jorge travels to Xalapa and makes his recommendations to us, we will submit a Matching Grant application to the Rotary Foundation. We currently have about \$10,200 set aside for this project. Let's keep our fingers crossed that we can continue to make progress on this project!

## TIME FOR HOOPS!

Basketball has started at the Cape Middle School (see calendar on back for upcoming dates). The usual parking lot is now a construction site so you will have to go about 150' further up Scott Dyer Rd. and turn left into a parking lot at the back of the building.

## TO THE RESCUE

**Alec Livingston** invited **Dick Grotton** of the Cape Elizabeth Rescue Squad to speak to us at the Thanksgiving Eve meeting. Dick described the many hours (about 5000 man-hours per year) of strictly volunteer service in his organization. The Rescue Squad does not charge for its services and depends on donations, even for the purchase of rescue vehicles. They currently are in need of a new ambulance and are in the middle of a fund drive. They are about 2/3 of the way to reaching their goal of \$60,000. Dick mentioned that the **Lions** had made a substantial contribution and asked our Rotary club to also make a contribution. No doubt this will be taken up at an upcoming Board meeting.

## MEMBERSHIP & ATTENDANCE

\*Frank urges everyone to follow up on individuals who have been approved for membership. You don't have to be the sponsor to tell prospects about Rotary and let them know how welcome they would be in our club.

\***Bob Flynn** announced his intentions to get 100% attendance this year, or to contribute \$10 to the club for each missed meeting he doesn't make up. He challenges other members to do the same.

## CHRISTMAS NEWS

\*The Salvation Army has asked area Rotary clubs to assist in manning their kettles. Our club has specifically been asked to man a kettle at Mill Creek all day (8 hrs.) on Fri., Dec. 16. We have not yet committed to this - please think about whether this is something we could handle.

\*Under **Dave Smith's** leadership, Mill Creek Park is all set up for Christmas tree sales. Unfortunately I don't have a list of helpers but thanks anyway - you know who you are!

NOVEMBER 30, 1994

This week I'm going to attempt what Mike McGovern used to do - writing the bulletin without going to the meeting! It's a lot harder this way, and since I'm trying to fill up space, I appreciate that so many people helped out with the tree unloading on Nov. 25:

**Bob Carson**  
**Dan Davidson**  
**Jim Russell**  
**Dave Bagdasarian**  
**Phil Dube**  
**Matt Dube**  
**Mike McGovern**  
**Tim O'Neil**  
**Dan Mooers**  
**Bill Stanton**  
**Adrienne Murphy**  
**Adrienne's helpers**  
**Jack Roberts**  
**Tony Wagner**  
**Jeff Hobbs**  
**Joe Conroy**  
**Frank Gemme**  
**Alec Livingston**

I apologize if I've left anyone out. Phil Dube reports that over 700 trees were unloaded so it's good that so many hands (and backs) were available to help.

Since I'm writing this before the 11/30 meeting, I can at least report on what's scheduled to occur at that meeting:

\*Presentation of Paul Harris Fellow award to **Rita Hennessy** in memory of **Tom**. This was scheduled to take place at the Maine Event banquet but unfortunately Rita was unable to attend due to her father's death.

\*Welcome of **Tim O'Neil** into the club. Tim was sponsored by Mike McGovern who was a Boy Scout together with Tim (with Tim's father as scoutmaster). Tim, who went to UMO with Adrienne, is in real estate consulting. He and his wife Cynthia have 2 children. **Welcome Tim & Cynthia!**

\*Program by **Eve Cimmet** of the AIDS Project. If I hadn't been so hasty in recycling the newspaper with the article about her, I could reread it and have something to report on.

From what I remember about it, she gave up practicing law to do more fulfilling work for the AIDS Project - a true example of Service Above Self!

## UPCOMING (AND ONGOING) EVENTS

**Tree Sales** - Please plan to help out at the Dec. 10 unloading if you can.

**Theatre Night** - This will only be a success if everyone participates in the sale of tickets. What better way to get in the Christmas spirit than by seeing "Mr. Scrooge!" (Bah humbug!)

**Scup Kitchen** - Dec. 12. Dessert = Christmas cookies.

**Senior Citizens' Party** - Plan to attend and help make this a festive event for our senior guests.

DECEMBER 7, 1994

At our December 7 meeting we were happy to have new member **Tim O'Neil** with us. Tim was quickly supplanted as the newest member by **Jim Higgins**. Jim, a resident of South Portland, owns Higgins Carpet Co. and is engaged to be married to **Teresa Roderick**. **Welcome Jim & Teresa!**

Our speaker at the December 7 meeting was **Mike Bowen** of Junior Achievement, who was brought to us by **Dave Nisbet**. JA aspires to create an understanding in kids of the value and power of a good education and to promote positive attitudes toward work and business in general. Traditionally thought of as a high school program, JA has introduced programs for grades K-6 since many future school drop-outs have fallen into that track by 3rd grade. JA is now serving 22 classrooms in So. Portland and Cape Elizabeth, and the demand exceeds availability by 30%. Thanks to Mike and Dave for this informative program about a valuable community service.

## NOMINATIONS FOR 95-96

**Bob Levasseur** submitted nominations from the nominating committee for officers for 1995-96. They are as follows:

President: Alec Livingston  
Pres.-Elect: Wayne Goodrich  
Vice-President: Tony Wagner  
Treasurer: Steve Kremer  
Secretary: Bob Carson  
Directors: Bob Flynn  
Adrienne Murphy  
Len King  
Nancy Hawes

These were the only nominations made and will be voted on at the Dec. 28 meeting.

## PARTY!!!

Don't forget to attend the annual **Senior Citizens Christmas Party** on December 14. This is always a fun and entertaining evening, while performing a service for the community at the same time.

## CHRISTMAS TREE NEWS

I couldn't make it to the 2nd tree unloading and no one gave me a list so my apologies to everyone who helped out that day but didn't get their name in print. Unloading at the third tree unloading on Dec. 10 were:

Alec Livingston  
Bob Levasseur  
Bill Stanton  
Karen Dunfey  
Brian Hansen  
Dave Smith  
Dave Bagdasarian  
Tony Wagner  
Bob Lindsey  
Tim O'Neil  
Frank Gemme  
Nancy Hawes  
Len King  
Bill York

and last but not least, **Yodhi** (Bill York's guest from Indonesia).

And speaking of trees, **Bob Flynn** reports that thanks to his tutelage in marketing techniques, **Paul Butler** was making sales at the rate of 2/3 tree per hour. In a subconscious student rebellion, Paul conveniently "forgot" that he had signed up to work on the 10th with Flynn and showed up on the 11th instead.

## BAH HUMBUG!

There are still lots of tickets left for "Mr. Scrooge" so don't forget to do your part in selling tickets. Think of the show as a pleasant reward for all those hours spent unloading and selling Christmas trees!

## GREETING CARD CORNER

**Laurenz & Barbara** (12/18)  
**Karen & Roy** (12/20)

**HELP WANTED!**

Wayne, Ellie and I only have 9-month contracts, so that means someone else will need to take over our bulletin duties for the winter. **Bob Carson** has already volunteered to do Wayne & Ellie's job (xeroxing, folding, attaching labels and stamps) for January until the beginning of April. That leaves the writing and typing position vacant for February - April. It would be great if someone would volunteer for that time period. However, anticipating that this may not happen, I would suggest that perhaps a few people volunteer to do the bulletin for just 2 or 3 weeks each. That way there won't be an undue burden on any one person. I have lots of filler material so you don't have to worry about having enough to write about. You have a month to think about it so please consider pitching in!

**Dec. 28 - Mike Kane** will relate his recent experiences in Haiti.

**Jan. 4 -** The meeting (if held) will not be at the Purpoodock Club. Location (and whether or not we will meet) will be announced at the 12/28 meeting.

## HAPPY DOLLARS

Since there were no happy dollars at the 12/14 meeting, here are the hypothetical happy dollars that would have been given:

**Joe Conroy** for the volunteers at the 12/13 soup kitchen;

**Those who worked at the soup kitchen** for the opportunity to be reminded of how fortunate we are;

**Alec Livingston** for the successful tree sale;

**The Board of Directors for Warren Simpson's and Bill Stanton's** usual great job in putting on the Senior Citizens' Christmas party;

**Warren Simpson and Bill Stanton** for Diane York's help in bringing us Marie Pressman and Ed Reichert as entertainment for the Senior Citizens' party;

**Mike Bell** for all those who sold theatre tickets and for those who helped out on Theatre Night, including Warren Simpson and Laurenz Schmidt (don't forget to turn in your ticket money!);

**Frank Gemme** for those who manned the Salvation Army kettle on 12/16;

**Wayne Goodrich**, because this is the last bulletin he has to xerox & mail for a few months;

**Nancy Hawes**, because Dan Davidson and Jim Russell have agreed to write a few bulletins this winter (there are still opportunities available!);

**Alec Livingston** for his upcoming wedding on January 7 to Sharon Prunty;

**Dan Mooers** for the anniversary of his marriage to Shirley on New Year's Eve;

All Patriot fans for the pleasure of watching Drew Bledsoe;

**A DIFFERENT KIND OF SERVICE ABOVE SELF**

Bon voyage to **Dan & Shirley Mooers** who are off to Asia on RI business. They will be leaving this week and arriving Christmas Eve in Nepal. After 3 days in Nepal they will fly to Pune, India (about 100 miles southeast of Bombay). After flying in they will travel six hours to the east of Pune to the area hit hard by earthquake. There they will serve as Rotary Volunteers.

From India they will travel to Bangladesh and then Bangkok, Thailand, returning home on January 11. As we enjoy the holidays among family and friends in Maine, we will think of the Mooers making new friends on the other side of the world.
