South Portland – Cape Elizabeth Rotary Club  
On the Maine coast

Portland Head Light

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

JULY 5, 1995

July 5 was the debut of **Alec Livingston** as president. Helping to increase the size of his audience was his partner, **John Duranceau** of the Saco Bay Rotary Club. Also in the audience was **Mick Maher's mother**, who is a grandmother of 37! **Mrs. Maher** showed where Mick gets his luck, by drawing her own number to win the raffle prize donated by **Mike McGovern**.

The year got off to a good start financially with happy dollars galore and the take from **Warren Simpson's** annual quiz. Despite the blatant hint in last week's bulletin, several members apparently had not studied for the quiz enough to know that our current Rotary International President is **HERB BROWN**, who comes from **Clearwater, Florida**. I recommend including this month's Rotarian magazine in your summer beach reading - the article about Herb and Diane is quite interesting.

The Happy Dollars were given for many reasons; those making the cut were:

**Don Day**, for his wife's successful eye surgery;  
**Mick Maher**, for daughter **Laura's** Leadership Award;

**Jeff Gabrielson**, for his son's return home from a year in Belgium as an exchange student;

**Karen Dunfey**, for a visiting Irish child from Belfast; and

**Dan Davidson**, for a new puppy in the family.

## FIREWORKS & FRIED DOUGH

Our first participation in the PSO's Independence Pops concert was quite successful (if you overlook the fryolator boiling over). We had a good turnout of volunteers, many of whom weren't needed thanks to the hard work of **Matt Dube** and **Kelly Smith's** daughter **Kendall**. The evening netted about \$1150, of which \$200 will be donated to the PSO Educational Fund. Tony indicated that we will ask the PSO if we can come back again next year.

Thanks for making this event go so well go to **Tony Wagner** and Co-Chairs **Jim Higgins** and **Mike Kane**.

## THE YEAR AHEAD

The agenda for July 5 was for Alec and his Board of Directors to share with us the goals for the club for the upcoming year. Due to time limits we didn't hear from all of the Board, but here's what some of them shared with us:

**Bob Carson** - our secretary's speech was short and to the point: "Pay your dues."

**Wayne Goodrich** - As President-Elect, Wayne's areas of responsibility are Membership and the Christmas tree sales. Wayne and Ellie will be headed up to Canada this weekend to check out the Christmas tree farm, and he has **Kathy Ray** lined up to do the scheduling.

The membership goal for a year from now is 53 (we're currently at 49). We have many people who have been pre-approved for membership and Wayne & Alec encouraged us to "close the propose."

**Tony Wagner** - The Vice-Presidential duties involve overseeing fund-raising. Our budget anticipates revenues of \$37,000 (including Christmas tree sales) but he would like to see us come closer to \$40,000. Still ahead this summer are fried dough sales at Summerfest Maine (**Bill Kourakos**, **Dave Smith** & **Dave Nisbet** co-chairs), the Spring Point Festival (**Tim O'Neil**) and possibly at Bug Light in August at the MS Regatta. In September we will have the Schooner Fare concert, and then in March we will have a new event: a Bowl-a-rama, to be chaired by **Jeff Gabrielson**. We could also make some money selling the elm trees that were planted a few years ago if we could find someone to coordinate that project.

Alec concluded the meeting by encouraging us to live our lives by the 4-Way Test:

1. *Is it the truth?*
2. *Is it fair to all concerned?*
3. *Will it build goodwill and better friendships?*
4. *Will it be beneficial to all concerned?*

+++++

Remember that for the months of July & August, casual dress (acceptable for golf) is permitted.

## A Bizet Time for Rotary

Our Rotary Club is now into the busy season of outings and summer time fundraising. But before getting to all the details, let us first remember hearing the strands of Bizet's overture in the opera *Carmen*. Jack Riddle and Russ Burleigh updated us this past week on the Portland Opera Repertory Theater which is the brainchild of former Portland Symphony Orchestra conductor, Bruce Hangen and the two gentlemen who spoke to us. Opera will be performed at the State Theater this summer which will fill a true void in Portland.

Some of you may have recognized Russ as a member of the Portland Rotary Club. He may also be currently seen as an actor in television commercials for Oakhurst Dairy.

## The Lobster Bake is Coming

Following the Maine Summerfest '95, the next big event is our annual lobsterbake at Fort Williams Park. It is this Wednesday night with Jim Russell in charge with chief assistants Phil Dube and Paul Butler. If you wish to help shuck corn and otherwise prepare, arrive at the picnic shelter at 4 P. M. To simply enjoy the festivities, come after 5 P.M. for fellowship. Attire is casual and dinner will be served buffet style at about the customary Rotary time. We will be joined by about 25 members of the Casco Bay Sunrise Club and by many of our spouses. The clean up crew will commence work after dessert. This is always when of the best events of the year and will occur rain or shine.

## Happy Anniversary

July 22	Phil and Claudette	23 years
July 25	Dieter and Rita	10 years
July 31	Dave and Fran	19 years

## Soup Kitchen

This past week saw many of our members helping the needy at the soup kitchen. Joining Joe Conroy were Bill Kourakas, Bill Stanton who has attended every serving, Mick Maher, Jeff Hobbs, President Alec, Edie and Dan Davidson, Sam Giftos and grandson Aaron, Phil Dube, Jim Russell and Kathy Ray.

Following the meeting on July 12, 1995, Joe Conroy donated his 50/50 raffle prize drawing back to the club in honor of all those members who have been assisting with the soup kitchen. Thank you Joe and thank you volunteers.

## The July 26, 1995 Meeting

## On the Road Again

The July 26, 1995 meeting will be at Mike McGovern's home at 37 High View Road in Cape Elizabeth. Attire is casual and the menu will be picnic style. Gather at the usual time. Beverages of your choice will be available.

The program will be Jamie Keil, a member of our District's outgoing GSE team to Germany.

Directions: Coming from South Portland on Route 77, Take the first left after the Town Hall and shopping center onto Old Ocean House Road. Follow for +/- .7 miles to Eastfield Road which is the first paved public road on the left. Follow Eastfield to the stop sign and turn right. #37 is the 4th house on the left with the big driveway.

## An Event to Be Remembered

First came the lobsters, then the steaks, then the clams, then the cole slaw, then the pasta salad, then the corn, and then the cake. With a few soft drinks thrown in and much fellowship, everyone had a great time at our annual Fort Williams Park lobsterbake. Master organizer **Jim Russell** once again coordinated the

event with help from many Rotarians. Among those seen helping were **Edie Davidson, Lynne Gemme, and Ellen Knight**.

Among the guests joining us were about 22 members and spouses from the **Casco Bay Sunrise Club**. It was also good to see **Doug and Pam Stewart** back with us from Rhode Island, **Agnes Winship** with **Larry**, new grandmother **Carol King, Rita Hennessy, Diane York and Joanna York**. **Joanna York** was accompanied by **Tami Suzuki**, an exchange student from Japan who will be attending USM in the fall. There was a woman present who must have been **Jan Butler's** sister and it was good to see **Emilie** with **Sam and Helene**. The youngest person present was **Matthew**, new grandson of **Shirley Mooers** who was joined by **CECRI Dan Mooers**. There is no such abbreviation in Rotary as CECRI, but one must humor our esteemed Director.

## Maine Summerfest '95

The inaugural Maine Summerfest took place outside in the steamy Maine Mall parking lot last weekend. **Tony Wagner** said over \$1600 was netted thanks to the hard work of many. Helpers included **Neala Dunfey, Casey Dunfey**, the ever dependable **Matt Dube**, newcomer **Kendall Hinkley**, daughter of **Kellie Smith**, her cousin **Allison Underwood**, **William Nisbet**, and one of **Sam and Helene's** grandkids. The event was marked by some of the hottest weather we have seen in a long time. Many thanks to all the members who suffered through the heat. It is too bad some of it could not have been packaged for the Christmas tree sale.

## Newest Paul Harris Fellow

At the end of the Rotary year dinner last month, then president **Frank Gemme** and Rotary International Director **Dan Mooers** presented the recognition of Paul Harris Fellow posthumously to **Barbara Giftos**. The official date of the recognition was May 30, 1995, the 30<sup>th</sup> anniversary of her tragic death. **Sam and Helene Giftos** chose to honor their daughter **Barbara** with a gift to the Rotary Foundation that will support its goodwill causes throughout the world.

**Barbara** was a graduate of Cape Elizabeth High School and was a student at Hood College at the time of her death. Among those attending the ceremony in late June at DiMillos were **Sam, Helene, Helene's** sister **Emilie**, and **Mary Dulac**, a daughter of **Sam and Helene**. **Sam and Helene** also have a son, **Michael Giftos** and a daughter, **Helene Grossman** who were unable to attend.

## Next Meeting on High View Road, CE

The July 26, 1995 meeting will be at **Mike McGovern's** home at 37 High View Road in Cape Elizabeth. Attire is casual. Gather at the usual time. Beverages of your choice will be available.

The program will be **Jamie Keil**, a member of our District's outgoing GSE team to Germany.

It is the house with the lobster trap for a mailbox. Strange for someone who does not eat lobster!

## District Governor George Rice to Visit Club August 2, 1995

Our speaker this coming week will be **District Governor George Rice**. A member of the Oxford Hills Rotary Club, George owns a contracting firm. He is known to many of us as he has attended the outing at **Bob Carson's** camp the last two years. We will be returning to the Purpoodock Club. **President Alec** would like all members to make a special effort to attend.

## This Past Week

Members gathered at the home of the acting bulletin editor. Many thanks to **Nancy Hawes, Kathy Ray, Jack Roberts, Bob Carson and Captain Lloyd** for their assistance. It was a hot and rainy night and we heard of **Jamie Keil's** visit to **Koln, Germany** as a group

study exchange participant. **Jamie** spoke with much poise in a crowded room of his appreciation to Rotary for giving him the opportunity to participate. We also heard of **Dan Mooers** upcoming repairs to his **Riviera** which was damaged before and after he went to the **Riviera**. **Warren Simpson** was thanked for all his service to Rotary over the years and for his faith in the **Mill Creek** area. He also parted with \$5 happy dollars for his full color picture in the newspaper. **Alec** will miss his daughter and son in law who are moving to **Las Vegas**. **Karen Dunfey** is celebrating softball victories and **Kathy Ray** has found out by now if **Maine Bank and Trust** survived thunder storms.

## Letter from Member

The acting bulletin editor recently received a letter to the editor regarding the occasional practice of singing "R-O-T-A-R-Y", the song which has the same tune as "Mickey Mouse". As the club does not have a policy on printing letters to the editor, the letter is being referred to the Club's directors for consideration.

# DISTRICT GOVERNOR'S NEWSLETTER

JULY 1995

**GEORGE W. RICE**  
Governor - District 7780 - 1995-1996

*Act with Integrity, Serve with Love and Work for Peace*

## Governor's Monthly Message . . .

Dear District 7780 Rotarians,

As the entire leadership changes this month in the Rotary World, including Club Committee Chairs, Officers and Directors, Club Presidents, District Governors, one half of the Board of Directors of R.I. and the President of Rotary International, we maintain continuity in our efforts to promote and carry out the ideals of Rotary as described in THE OBJECT OF ROTARY. We have the opportunity to accomplish much in the year ahead with new leadership at all levels, each with fresh ideas and enthusiasm. We even have a new theme for the year as we *Act with Integrity, Serve with Love and Work for Peace*.

We have many goals here in District 7780 this year, as we attempt to increase fellowship between the clubs by sharing information about future social events, service projects and fundraisers as well as sharing resources with neighboring clubs. We hope to promote the programs of Rotary International and Our Rotary Foundation as we encourage all clubs to participate by seeking a qualified applicant for an educational award. We hope to help clubs in making a difference in the world community by assisting in the process of applying for humanitarian grants. We will set out to support Our Rotary Foundation through contributions of \$103,000 this year, and support our Permanent Fund of the Foundation by encouraging 50 new Benefactors in '95-96'

Our major goal is one of great importance. R.I. President Herb Brown has made Membership Development one of his top Priorities this year. He has instituted the "Calgary Challenge" whereby each Club President has had the opportunity to participate in setting the World Goal of 85,000 new Rotarians by December 31, 1995. With August as Membership Development Month, **NOW** is the time to plan your Membership Development strategy, so it may be implemented in August and produce positive results before December 31! To further assist us in growing our membership, DGN Craig Wellman and Membership Development Chair Dave Lowe are planning an informative seminar in August. Please refer to the shaded box on Page 2 for further information.

Ginny and I began our Official Visits on July 11 and look forward to seeing our old friends as well as establishing new friendships as we meet many of you for the first time. I am anxious to hear of your plans and dreams for the year and to watch them come to fruition as you make a difference in your club, your community and in our world as together we *Act with Integrity, Serve with Love and Work for Peace*.

Yours in Rotary,

*George*

## The District Governor

The Club was honored to have special guest District Governor **George W. Rice** update us on issues of concern to the District and Rotary International. He had special praise for Director **Dan Mooers** and for our Board **George** highlighted the emphasis this year on membership development and discussed this year's theme which appears above. George impressed all who were present with his straight forward approach and with his commitment to the ideals of Rotary.

## Next Week

A surprise program will be introduced by past president **Frank Gemme**.

## Upcoming Programs

**August 16**  
**Dan Davidson** has invited **Dr. James Sullivan** who is now a member of the

faculty at St. Joseph's College. **Dr. Sullivan** is a long standing expert on sports and fitness and started the local Lifeline Program. The Portland gym at USM is named in his honor.

**August 23**  
**Don Day** has invited **Dr. Milt Simon** of **Milt Simon Associates**

of Auburn who is a motivational speaker. This meeting will be held at Fort Williams Park.

## Dieter, Bonnie and Bill

**Dieter Schnauk** recently resigned as a member of the Club. He has not had the best of health since he took a tumble when visiting with President **Clinton** at BIW last Labor Day and will be spending more time gaining back his strength. Dieter's wit and always cogent comments will be missed.

**Bonnie Laughlin** has left the Club as a result of changes in her career. She was fun to work with on the Christmas tree lot and was always helpful to the club with cellular phone needs.

What can be said about **Bill York**? His work now brings him closer to the Yankees, Mets, Giants, Rangers and Knicks. He is a past president and Secretary of the Club who once had over 17 years of perfect attendance. He is a Paul Harris Fellow. There is no one with a greater sense of humor or with a willingness to make provocative stimulating comments. He always pushed us to strive to do better. He has hosted a number of international exchange students, was known for helping build bleachers, and also once canceled a Rotary meeting because of a snowfall in April. He truly made his family a part of Rotary with us sometimes seeing Diane and Joana as much as Bill.

Each of these former members know that our door will always be open to them. Thank you all for your service to Rotary.

## Spring Point Festival

We will be in the food booth business once again on August 19, 1995 at the Spring Point Festival. **Tim O'Neil** is now seeking volunteers to work the needed shifts. Please note **Tim's** phone numbers on the reverse and give him a call to let him know how you can help.

## Paul Harris Fellow

**Jeff Gabrielson** is the newest Paul Harris Fellow. The presentation was made by District Governor **George Rice** and by **Jeff's** father-in-law, **David Woods** who was responsible for the designation. **David Woods** of Woodland Hill, CA is a Past District Governor who is a Rotary Volunteer and has designated all five of his children and other family members as Paul Harris Fellows. Congratulations **Jeff** and thank you **David**.

# TWO LIGHTS

South Portland — Cape Elizabeth Rotary Club  
On the Maine coast

Portland Head Light  
Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth  
**AUGUST 9, 1995**

## KICKED OUT AGAIN!

We will be unable to meet at Purpoodock on **Aug. 23** so we will meet at the Fort Williams picnic shelter instead. This will be a **potluck fundraiser**: everyone should bring something but the normal charge will be assessed. We need a few volunteers for main dishes; everyone else should bring a salad, dessert or dinner rolls. Tableware and beverages will be provided.

.....

## FUND REQUEST COMMITTEE

Many people are surprised when they attend their first Board of Directors meeting at how much time is spent considering various requests for funding, many of them involving relatively small amounts of money but each one seriously considered. In an effort to have more efficient Board meetings, we have set up a new committee which will screen funding requests and make recommendations on each one to the Board. Thanks go to those who have agreed to serve on this committee: **Frank Gemme, Mark Ayers, Jeff Gabrielson & Jim Higgins.**

.....

## FAMILY NIGHT AT THE SOUP KITCHEN

It wasn't an "official" family night at the soup kitchen but it seemed that way with all the family members who showed up on August 8. Pitching in were: **Dan & Edie Davidson, Bill Stanton & daughter Patty, Sam Giftos & grandsons Aaron and Curtis, Bob & Kathy Lindsey, Adrienne Murphy, Phil Dube, Joann Leclair, Paul Butler & Nick Pappas.**

.....

## MISCELLANY FROM 8/9

There was *No Program* due to a speaker, then alternate speakers falling through, so we were free to enjoy more of the beautiful summer evening.

*Bill Kourakos* told me, as he sold himself his raffle ticket, that "787" was the winner. He was right, winning 2 free meetings, courtesy of **Bob Carson.**

## FAREWELL!

It's getting painfully repetitive but again we have to report the resignation of a valued member. This time we say farewell to **Tim Thompson** who resigned due to the time pressures of other community commitments. Tim joined Rotary over 10 years ago in Portland, Oregon in 1984. He joined our own club in 1988 and served as the International Service Director for 2 years. Tim's good-natured camaraderie will be missed and we hope that he will have a place in his life for Rotary sometime in the future.

.....

## AUGUST IS MEMBERSHIP MONTH!

The recent resignations bring our club's membership to 45. This is one more than our club had in 1964-65, in its 4th year of existence. The loss of members, for valid reasons, means that we must bring in new members just to maintain our level of membership of 30 years ago!

If you've read the August *Rotarian*, you know that the emphasis of Rotary International and President Herb Brown this year will be on Membership Growth. Dan Mooers' friend **Rick King** wrote an article about membership growth in which he says:

*"It is estimated that 98 percent of the Rotarians in the world have never met their very first Club Service obligation: They have never proposed a single new member to their Rotary club! The irony is that long after one has forgotten the name of the club president on the day he or she became a Rotarian, or the name of the district governor, or even the name of the R.I. president, Rotarians always remember with much affection the individual who brought them into Rotary."*

.....

## DON'T FORGET:

*Pine Tree Society for Crippled Children Softball Tournament* - August 20, with practice on Fri, 8/18

## REMEMBER - FORT WILLIAMS AGAIN!

On August 23 we will meet at the picnic shelter at Fort Williams. The menu will be **pot luck**. A few people have volunteered to bring a main dish. If you are not one of these people, plan to bring a salad, dessert or some type of bread. This will be a true pot luck - we may end up with no dessert or all desserts! The usual fee will be charged (to help replenish the internal budget), and tableware and beverages will be provided.

## WHY EXERCISE OVER 60?

**Dr. James Sullivan** speaks to seniors about the importance of exercising over age 60, but the message was just as pertinent for those of us who haven't reached that age yet. Dr. Sullivan, who is a former coach at SPHS and USM, talked about the many benefits of exercise: brings blood to the heart, exercises the heart muscle, slows the heart rate, improves flexibility, makes muscles firmer & stronger, reduces fat, lowers tension, and just plain makes you feel better!

Dr. Sullivan described different forms of exercise (aerobic, isometrics, weight training, etc.) and demonstrated his own exercise program. He reviewed the problems in getting and staying motivated, and stressed the importance of getting a doctor's clearance before embarking on an exercise program. Many thanks to Dr. Sullivan, as well as to **Dan Mooers** and **Warren Simpson**, who filled in to provide the program in Sam Giftos' place.

## WELCOME, ELLIE & VISITORS!

Our president was in Kennebunk attending a district **Membership Seminar**, so President-Elect **Wayne Goodrich** ably presided over the meeting. He did make one slight little omission, however, that he may never hear the end of: he forgot to introduce **Ellie!** (I'm sure Alec can sympathize.) Ellie's sister, visiting Rotarian **Esther Williams** was introduced, however, as was **John Perry** from Portland, and Mick's daughter, **Laura Ann Maher**. He wasn't a visitor, but we were glad to have **Sam Giftos** with us nevertheless, because it meant that **Helene** will

probably not need the surgery that she was originally scheduled to have that day.

## THE ROTARY EMBLEM

The early emblem of Rotary International was a simple wagon wheel (in motion with dust) representing "civilization and movement." It was designed in 1905 by Montague M. Bear, Rotary Club of Chicago, who was an engraver. Most of the early clubs adopted the wheel in one form or another. Eventually, in 1922, authority was given to create and reserve an emblem for the exclusive use of all Rotarians. Accordingly, in 1923, the present gear wheel with 24 cogs and six spokes was adopted, and a keyway was added to signify that the wheel was a "worker" and not an idler. An official description of the emblem was adopted at the 1929 convention in Dallas. Royal blue and gold were chosen as the Rotary colors and the Rotary flag was designated as a white field with the Rotary wheel emblazoned on its center.

## EVENTS AT HOME...

**Saturday, August 12** - Spring Point Festival.

**Sunday, August 13** - Pine Tree Society for Crippled Children Softball game, 4 p.m., SPHS. Come cheer on our club against the Olive Garden!

**Wednesday, Sept. 13** - Meeting.

**Saturday, Sept. 16** - Annual outing at Carsons' camps in Waterford. So far the only item on the menu is beer.

## ... AND AROUND THE DISTRICT

**Saturday, August 26** - Oxford Hills Rotary Lobster & Clam Feed at Oxford Hills HS. (They undercut us; they're only charging \$10!)

**Saturday, Sept. 9** - Hampton Rotary Club Seafood Festival & 5K Road Race.

**Note:** Enclosed with this bulletin for your information are draft copies of the club's internal and external budgets. These will be officially approved at the Board's Aug. 30 meeting.

## AUGUST 30, 1995

Don't blame the post office because you didn't get last week's bulletin - there wasn't one due to the editor's eye problems. Hope it didn't inconvenience anyone. As a result, there are several meetings to cover in this issue. Looking backward first:

### AUGUST 23 - BLOWING YOUR OWN HORN

Milt Simon, a motivational speaker, spoke to us at Don Day's invitation. Although he came in playing the trumpet and wearing a baseball cap, he had a serious message about selling your product or service. He recommended that every employee with customer contact be informed that their job is to sell to customers. Unfortunately most people don't know how to sell because no one teaches them how. Milt pointed out that when done correctly, selling makes the customer think he's getting better service.

Speaking to a group at the Fort Williams picnic shelter is a challenge, but Milt, with his loud voice, trumpet and animated speaking style was more than up to it. Thanks, Milt and Don!

This was the second time this year we've met at Fort Williams and the weather and food were excellent each time. Warren Simpson pointed out that this was the first time in 33 years that the club had had a pot luck, and the results were delicious. Thanks to everyone who contributed, including the several spouses who had a hand in it.

Even though we were away from Purpoodock, two visiting Rotarians managed to find us: Charlie Bartlett from Portland, and Avis Craig from Crystal River, Florida. Avis is a new Rotarian, having joined Rotary 2 months ago when her club admitted women for the first time.

~~~~~

### AUGUST 30 - WORLD'S STRONGEST WOMAN

To look at petite young Carrie Boudreau, you would never guess that she is the world champion powerlifter in her weight class, and that, pound for pound, she can lift more than any other woman in the world! Dan Gacetta brought Carrie to us to tell us about powerlifting and show us a videotape of the world championships in Japan. On the videotape we saw Carrie (who weighs 119 pounds) lifting **486 pounds!** Her goal now is to lift over 500 pounds. Thanks to Dan and Carrie for this most interesting presentation.

Joining us on 8/30 were 14 members of the Saco Bay club along with their spouses, as well as their exchange student from Belgium. District Governor George Rice has asked each club this year to hold 2 joint meetings with another club, in which at least 10% of each club is present. We have now fulfilled that requirement, the other joint meeting being the lobster bake with Casco Bay Sunrise Club. This was a fun way to meet other Rotarians and find out what's going on in other clubs.

I don't know if we were trying to demonstrate to our guests what a happy club we are, or if their presence made us so happy, or both, but in any case the happy dollars were flying!

Laurenz Schmidt was happy, along with the whole state of Maine, about the new expansion at National Semiconductor. Congratulations to Laurenz and the entire South Portland work force for their role in swinging the decision in Maine's favor. Laurenz will be telling us more of the details about this great news on September 20 when he will be our speaker.

Other ☺ dollars were contributed by:

Dan Davidson & Wayne Goodrich for Wayne's picture in the Cape Courier promoting the Christmas tree sale;

Jeff Gabrielson for his 20th wedding anniversary;

Frank Gemme for a thank you letter from the Camp Susan Curtis camper the club sponsored;

Dick Holden, happy that no one was hurt in the traffic accident between his father and Fred Hall;

Bob Flynn - something to do with weightlifting;

Sam Giftos & Nancy Hawes for a make-up meeting in Ogunquit where Dan Mooers presented a Paul Harris fellowship to the manager of the Cliff House; and

Warren Simpson for his Colorado Rockies tie.

~~~~~

### LOOKING AHEAD:

SEPTEMBER 6 - Our speaker will be Tex Hauser, Planning Director, City of South Portland.

SEPTEMBER 13 - No Meeting!

**SEPTEMBER 16 - Cookout at Carson's Camps!** Bring the whole family for this fun day at the lake. If you can't come for the whole day, try to make it for at least part of the day, and especially early afternoon (around 1:00 or so) when we'll put out the food - hot dogs, hamburgers, salads, chips, baked beans and ice cream sundaes. There will be lots of soda for the kids and a keg of beer for the adults. We're also in the process of planning some activities for those of you who want more on your itinerary than eating. Alec Livingston has some brochures of accommodations in the area for anyone who is interested in spending the whole weekend in this lovely "undiscovered" section of Maine.

**SEPTEMBER 20 - Laurenz Schmidt** from National Semiconductor (see above).

**SEPTEMBER 27 - Ed Langlois.**

---

#### OTHER ACTIVITIES

**SEPTEMBER 8 - Cerebral Palsy Association's Shot in the Dark** night golf tournament. A few more volunteers needed from 5:30 - 10:30. T-shirts and steak dinners will be provided for all volunteers. See **Bob Flynn** if you can help out.

**SEPTEMBER 9 - Damariscotta Rotary Club Golf Tournament.** See **Alec Livingston** for details.

**SEPTEMBER 12 - Soup Kitchen.**

---

#### THE BOARD MEETING

**Schooner Fare** - Conspicuously missing from the schedule of upcoming activities is the Schooner Fare concert. Despite advance planning and a lot of organizational effort by **Bob Flynn**, we have had to cancel this event due to a late cancellation by the location site. Bob will try to reschedule Schooner Fare for a later date at SPHS. Bob would like to work with the Youth Soccer League in selling tickets (and receiving the proceeds).

**Theatre Night** - Along similar lines, we have locked up Cabaret in June, 1996 for Theatre Night. The board will be considering various organizations to work with in selling tickets. If you have suggestions for a worthwhile organization to receive the proceeds of theatre night, please give your ideas to **Tony Wagner** or any Board member.

**Fund Requests** - The Board approved a small donation towards Rotary's float in the Rose Parade, in response to a direct request from **Jeff Gabrielson's** father who is involved with the float.

The Board also approved a \$500 donation to the South Portland - Cape Elizabeth Meals on Wheels program.

The Board was much appreciative of the work of the Fund Request Committee (**Jim Higgins, Jeff Gabrielson, Frank Gemme & Mark Ayers**) who evaluated the various requests received and made recommendations.

**Budgets** - The internal and external budgets which you received with the last newsletter were approved, with the exception of replacing "Little League" as the designated beneficiary for Schooner Fare and Theatre Night with a generic "Youth Project."

**Xalapa** - Final letters have been sent to Mexico, giving them a deadline of October 1 to respond. If we do not get a satisfactory response by then, we will begin to discuss other international projects to whom to donate the Xalapa restricted funds (about \$10,000).

---

#### MISCELLANEOUS NEWS

**Spring Point Festival** - We haven't received the official report yet, but the word is that we did quite well. Many thanks to **Tim O'Neil, Tony Wagner** and the many volunteers who helped out on August 19.

**Purpoodock** - After much discussion about what to do this winter when the Purpoodock would not be available on Wednesdays, it turns out to be all for nothing (probably). The latest word is that we will most likely not have to leave the Purpoodock club.

**96 Summer Olympics** - The Rotarians in the Atlanta, Georgia area are planning various hospitality activities for Rotarians attending the Olympics. If you are planning to go to the Olympics, see **Alec** for details.

## TIME TO CATCH UP!

I knew I hadn't written a bulletin in a while but was surprised to see that the last one was August 30. There was no bulletin last week since we had no meeting, and none the week before due to my sudden eye surgery. So we have some catching up to do. First for the birthdays and anniversaries that have come and gone:

Sept. 10 - *Bob & Alicia Danielson (12 years)*

Sept. 15 - *Dan & Edie Davidson (33 years)*  
*Jim Russell (born the year before the Davidsons got married)*

Sept. 21 - *Steve & Madalaine Kremer (9 years)*

Unfortunately there is sad news to catch up on as well. All of us in the club extend our sincere condolences to **Dave Nisbet** and his family on the death of his father, **Bob Nisbet**. Bob was a long-time member of the Portland Rotary Club. As if that were not enough stress on a family, Dave's mother had open heart surgery on the 21st. We wish her a speedy recovery, and our thoughts are with the Nisbet family.

Also under stress is our president, **Alec Livingston**, due to **Sharon's** back surgery on the 19th. Sharon is recovering at home and doing well. We hope you'll be on your feet again soon, Sharon!

It turns out **Dan Mooers** is not the only Rotary big shot in our club. **Sam Giftos** has been appointed the Zone Coordinator for RI's Family & Community Concerns Task Force. He is also going to represent RI President **Herb Brown** at a District Conference in Jacksonville, Florida in early October. That's an honor for Sam, but bad news for us, since it means he and **Helene** will be leaving for Florida shortly and not returning until Christmas. Enjoy the brilliant fall foliage of the palm trees, Sam!

## LOOKING BACK TO SEPT. 6

Most of the announcements and news from the Sept. 6 meeting are old news by now. Our speaker at that meeting was **Tex Hauser**, Planning Director for South Portland, invited by **Jim Higgins**. Tex spoke about the plans for the Mill Creek area, specifically the traffic patterns, after the new bridge is completed. It would be hard to describe what he told us without a map, so suffice it to say that it was very interesting to hear the plans that are underway and the possibilities that are being

discussed. Thanks **Tex** and **Jim**, for this very timely presentation.

## THE PARTY!

A huge thank you to **Bob & Penny Carson** for once again opening up their lakeside camps to the club and hosting a wonderful cookout on the 16th. There was great food (especially thanks to **Wayne's** baked beans and **Adrienne's** salad), good company, lots of boating and waterskiing, and **Bob** even arranged to have good weather.

Joining in the festivities were **Donna Coombs**, president of the Bridgton club, **Stan \_\_\_\_\_** (didn't catch his last name) from the Bridgton club, **District Governor George Rice**, and **First Lady of the District, Ginny Rice**. Showing off his waterskiing talents was former-member-but-in-his-heart-still-a-member **Bill York**. The younger crowd consisted of **Tory Russell**, **Megan Ray**, and **Jim Higgins' future stepdaughter Allie**. There were other young people and animals there associated with the **Gabrielsons**, **Livingstons**, **Sam Giftos** and the **Davidsons** but I didn't catch all their names.

This annual event is a lot of fun and it is very generous of **Bob** to make it available to us.

## AND NOW UP TO SEPT. 20

Offering his hospitality is not the only way that **Bob** is generous to the club. **Bob** performs the secretary's duties week in and week out, which involves a considerable sacrifice of his time to the club. **Bob** got a well-deserved break this last week while **Bill Kourakos** and **Wayne Goodrich** filled in for him. **Wayne** also filled in for **Alec** to practice being presidential. The highlight of the meeting was the speaker, our own **Laurenz Schmidt**, speaking about the future expansion at **National Semiconductor** and the economic impact it will have on our community.

The new plant will have an economic effect on the community in a variety of ways. In building the new plant, the company will spend about \$150 million in construction. Some of this will go to local contractors if they are qualified. The remaining capital expenditures of \$450 will be for equipment, none of which is manufactured in Maine.

The new plant will both protect existing jobs and create new jobs, both directly and secondarily. This, in combination with the local spending that National Semiconductor will require for services (cleaning, etc.), is expected to produce an increase of at least \$57 million.

The most exciting aspect of the expansion however, is the fact that it sends an excellent signal as far as Maine is concerned to the business world, since the semiconductor industry is known for its frugality.

Laurenz was very complimentary of the Chamber of Commerce for their role in pitching the South Portland site. By chance Barb Wigton of the Chamber was making up with us that day from the Portland club and can report back Laurenz's praise to her office. Although he downplayed his own role, there is no doubt that Laurenz also had quite a hand in the selection of South Portland. So congratulations to the Chamber, Laurenz and everyone at the South Portland plant! And thanks to Laurenz for giving us the first-hand story on the new expansion!

**TRAILER NEWS:** We will be "renting out" the food trailer on Sept. 23 to the CEHS Swim Team to help them raise funds at the CEHS Homecoming on that day. This is a way that we can support programs in our communities without a lot of Rotarian labor. (A Rotarian will be there at all times during the day but most of the work will be done by swim team members and their parents.)

We will also be lending the trailer to the Windham club to use at the grass snowmobile races.

## A FAST-TALKING SPEAKER

Jeff Hobbs brought us Ed Langlois as our speaker for the 9/27 meeting to speak about the visit to Portland of the liberty ship U.S.S. Jeremiah O'Brien. Ed was a fast talker in more ways than one: literally a "fast" talker as he raced through the information he presented, occasionally pausing 5 seconds for questions. But also a fast talker who amused us with stories of promises he didn't know how he could keep (raising \$100,000) or that he knew he couldn't keep (providing 500 barrels of fuel).

Thanks to Ed's efforts the U.S.S. Jeremiah O'Brien stopped in Portland on Aug. 6, 1994 on her way back from Normandy. Ed promised the ship a reception like none they'd ever had before, and he delivered on that promise. Thanks to Jeff and Ed for this most interesting presentation.

## DON'T CRY FOR ME, ARGENTINA

Some lucky Rotarian will definitely not be crying when he or she takes a 4-week trip to Argentina next spring, with all expenses paid by the Rotary Foundation and Rotarian hosts. I would venture to guess that the musical "Evita" is about the extent of most people's knowledge about Argentina. This is a wonderful opportunity to learn more about a foreign culture and visit Buenos Aires, "the Paris of South America."

The Group Study Exchange team leader must be a Rotarian; there are also 4 openings for team members who may not be Rotarians (or family members of Rotarians). If you know of any business or professional men and women who might be interested in this chance of a lifetime, please pass the word. For applications or more information, contact Adrienne Murphy, Don Day or Nancy Hawes.

## COMMUNITY SERVICE NEWS

\*Don Day reported that the Cerebral Palsy Association raised about \$6-7000 on their Shot in the Dark golf tournament, and is grateful to the Rotarians who helped make this possible.

\*I reported last week that the food trailer was being loaned to the Cape Elizabeth Swim Team. Although they put in many long hours, they did not raise much money so the club is waiving the rental fee. Other than financially the "rental" was a success in that there were no mishaps and the trailer was returned in good shape.

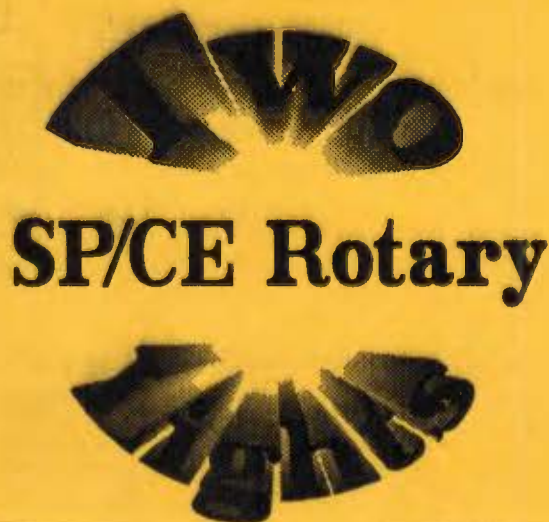

\*At its 9/27 meeting, the Board approved a \$500 donation to the Hamlin School (SP) towards the purchase of computers.

\*Remember the Soup Kitchen on Oct. 10!

**MARIE WILLIAMS NOMINATED AS DISTRICT GOVERNOR FOR 1997-98**  
 (Excerpted from the District Governor's Newsletter)

On August 12, 1995 the Nominating Committee of District 7780 met under the direction of its Chairman PDG Tex Ranger. The Committee nominated Mrs. Marie Williams, PP of the Rotary Club of Kittery to serve as District Governor of District 7780 in the 1997-98 Rotary year.

Marie was born in Brunswick, Maine and raised in Pejepscot, Maine. She has worked at Brunswick Savings Institution, Casco Bank & Trust Co., Peoples Heritage Bank, and Kennebunk Savings Bank. She is currently Assistant Branch Manager & Loan Officer of the York Branch of Kennebunk Savings Bank.

Marie became a Rotarian in 1987 as a charter member of the Rotary Club of Kittery and served as president in 1990-91. She has been the club's International Service Director for the past 3 years. She has served on several District 7780 committees and as Area 3 Representative for 3 years. She is a Multiple Paul Harris Fellow and Benefactor.

Marie married her high school sweetheart, Bruce Williams, in 1963. Bruce, who is retired from the Portsmouth Naval Shipyard Fire Dept., is also a Paul Harris Fellow and Benefactor. They have two daughters and a son, and enjoy their family, traveling and country music.

**Congratulations, Marie!**
