LOOKING AHEAD

Many thanks to **Kathy Ray**, who took notes for me at the October 4 meeting. The highlights of the meeting as she recorded them were:

*Visiting us as a guest of **Dan Mooers** was **Bob Packer**.

*A return to singing after a few weeks of resting our voices. And who better to reinstate this custom than **Lloyd Knight!**

*The lucky winner of the raffle was **Don Day**.

***Joe Conroy** reminds us that our monthly duty at the soup kitchen is on October 10 - dessert = brownies.

*Happy Sdollars were given by:

- Dan Davidson** whose daughter ran a marathon;
- Tony Wagner**, because the food trailer is cleaned and put away;
- Alec Livingston** - something about a Bronco; and
- Wayne Goodrich** for his unkempt appearance.

*President-Elect **Wayne** reminded everyone to think of someone who may be a prospective Rotarian. Wayne of course is thinking about bodies for the Christmas tree sale, but our membership is down due to some job changes in the past year and we really need to get back to where we were last year. Someone thought enough of you to invite you to join Rotary - don't you know someone you could do the same for? And remember, we can now invite **retired** folks into the club!

*The highlight of the evening was the **classification** talk by one of our newer members, **Jeff Gabrielson**. Jeff, who has worked for the U.S. Coast Guard for 18 years, described their function as regulators and enforcers of various laws and regulations. Jeff augmented his presentation with an entertaining slide show. This is where Kathy's notes end, but I heard through the grapevine from various sources that Jeff did a great job and was quite informative. **Thank you, Jeff**, for letting us know a little more about yourself and what you do!

"Youth exchange is a solid foundation for peace. Once a young person has tasted the world outside his backyard he can never be the same again. He has discovered himself withing the larger context, and discovered others as well. It is like turning a corner, or building a bridge . . . a connection has irrevocably been formed. That is the miracle of Youth Exchange."

Charles Keller, President R.I., 1987-88

October 11 - Surprise speaker.

October 15 - **Bob Danielson's** birthday.

October 18 - Vocational Service Night at McKernan Center at SMTC. Speaker = SMTC President **Wayne Ross**. All spouses are invited!

October 21 - Haunted Hayride, 8:30 p.m.

October 25 - "On to Calgary"

October 31 - Deadline for applications for (1)GSE Argentina trip, and (2)Essex Youth Exchange for 1996-97.

November 15 - **Tom Vacca**, Executive Director of the Preble Street Resource Center, will tell us about the Soup Kitchen that we work at each month.

November 18 - District's Rotary Foundation Seminar, UNE.

YOUTH ACTIVITIES MONTH

No, this is not Youth Activities Month - last month was, but better late than never. Two of the major ways that Rotary supports youth are through the Youth Exchange program and the RYLA program. Of course in our own club we also support youth through assistance to various community service projects and through scholarships.

Karen Dunfey serves on the District's Youth Exchange Committee. That committee's major functions are to interview applicants for youth exchange, and to plan monthly activities for all of the inbound exchange students in our district. Last year Karen planned a haunted hayride in Gorham for their October activity. It was such a success with the students, who were unfamiliar with our Halloween customs, that they will be doing it again this year. The students will be having dinner at Tortilla Flats at 6 p.m. on Saturday, Oct. 21, and then meeting at the haunted hayride in Gorham at 8:30. All club members and their families are invited to come along and join the fun. See Karen for a map to the Haunted Hayride if you need one.

Dan Davidson has provided me with all sorts of fact sheets, etc. published by Rotary - on the back is the one describing Youth Exchange.

Youth Exchange

Rotary International's Youth Exchange program enables young people aged 15-19 to visit or study in a country different than their own. Rotary Clubs in Denmark started an informal exchange program for young people throughout Europe in the 1920s, and the program quickly spread to Central Europe, the U.S. and other Rotary countries. Youth Exchange became an official program of Rotary International in 1974.

Youth Exchange participants are selected and sponsored by Rotary Clubs or districts. Exchanges occur between any two countries where there are Rotary Clubs and is open to the sons and daughters of Rotarians and non-Rotarians. The program includes two types of exchanges. In a long term exchange, an academic year's duration, the student lives with more than one family and attends school in the host country. A short term exchange, which may vary from several days to several weeks, does not include an academic program and often takes place when schools are not in session.

Room and board for Youth Exchange students are provided by host families, which may or may not be the family of a Rotarian. For long term exchanges, the host Rotary Club will provide a modest monthly allowance and also pays the student's tuition for all required academic programs. The student and his or her family are responsible for providing air transportation, health insurance and spending money for the exchange. An orientation program for outgoing students and their parents is provided by the sponsoring Rotary Club, and the host Rotary Club provides support and guidance for incoming students.

Participants are selected by their sponsoring Rotary Club from a written application and personal interview. The criteria used to evaluate applicants includes academic achievements, extra curricular activities and potential to serve as ambassadors of goodwill.

Each year Youth Exchange officers from Rotary International's 503 districts meet to establish contacts and share ideas and experiences at a meeting held before the International Convention. Plenary sessions and discussion groups cover a wide range of topics, including "re-entry" orientation, exchanges for disabled students and host family recruitment and selection.

WELCOME, BOB PACKER!

The club welcomed its latest Christmas tree peddler on October 11. **Bob Flynn** introduced his neighbor **Bob Packer** to the club and performed the honors of inducting Bob P. into the club. Bob is the director of fund-raising for the American Cancer Society, and was sponsored for membership by **Dan Mooers**. Bob and his wife **Peggy** have a grown daughter and son. *Welcome, Bob and Peggy!!!*

(Quiz: How many "Bob's" do we have in the club now?)

Adrienne Murphy reminded us that we will be "celebrating" Vocational Service Month at the McKernan Center at SMTC on October 18. Speaker will be SMTC President **Wayne Ross**. If you haven't yet signed up, give **Adrienne** a call (799-5000).

I hate to have to report this, but the raffle winner was - surprise, surprise - **Bill Kourakos**. He won a Bookland gift certificate and Farmer's Almanac donated by **Jeff Gabrielson**.

LET'S GO CAMPING!

Well, the fat cats were away so the mice were in charge on October 11. **Alec, Wayne & Tony** couldn't make it to the meeting so Club Service Director and bulletin editor **Nancy** ran the meeting, with a lot of help from various folks who made the following announcements:

Mike McGovern told us about the **Rotary Foundation Seminar** coming up on the morning of Saturday, **November 18** on the UNE campus in Biddeford. The club will pay the registration fee for anyone from the club who wishes to attend. (Editor's note: I highly recommend this for new members or anyone who hasn't been to one. When I was a new member I thought these seminars were just for officers and people active at the district level. They're not - they're for all of us so that we can learn more about the organization we belong to, and I found the more I learned the more I felt a part of Rotary.)

Dick Kilroy couldn't be with us, but in his place Program Chairman **Paul Butler** introduced Dick's guest speaker, **Donald Toms** from Point Sebago. Don began by telling us an amusing story about being interviewed for 48 Hours, and later discovering that the theme of the show was "Vacations from Hell!" (Don was presented giving the opposite point of view from locals who resent tourists.)

Point Sebago is a unique camping facility in that it offers an extensive array of activities for campers of all ages - Don says that the activities they offer would rival any cruise ship. Don has been busy lately with the development of a golf RV resort - the only one in the northeast. They have built a golf course which Don says is one of the 5 best courses in Maine. The first nine holes opened this summer and the remaining 9 will open June 1, 1996. Don certainly had us looking forward to summer coming around again - thank you, **Dick and Don!**

October 31 - Deadline for applications for (1)GSE Argentina trip, and (2)Essex Youth Exchange for 1996-97.

November 1 - Gov. King's Press Secretary (or his designee)

Joe Conroy had to slip out to a meeting, so on his behalf, **Mark Ayers** thanked everyone who worked at the October soup kitchen: **Kendall, Kelly and David Smith, Edie & Dan Davidson, Bill Stanton, Bob Lindsey, Jim Russell, Paul Butler and Alec Livingston**.

Kathy Ray brought something for Show & Tell: a sample wreath that we will be selling along with Christmas trees. The wreaths are large and decorated with about 1/2 dozen pine cones and a big red bow. We will be selling them for \$10 apiece (our cost is \$5).

Karen Dunfey announced the Youth Exchange Haunted Hayride on Saturday, October 21. She is in need of a few people to help transport the young people from Tortilla Flats to the Haunted Hayride in Gorham. The hayride is great fun for both young and old so consider bringing the whole family (not recommended for kids under 5 however).

November 15 - Tom Vacca, Executive Director of the

What Is the 4-Way Test?

A convenient measuring stick for all human relations,
consisting of four simple questions, as follows:

1. Is it the *truth*?
2. Is it *fair* to all concerned?
3. Will it build *goodwill* and *better friendships*?
4. Will it be *beneficial* to all concerned?

The 4-Way test was conceived in 1932 by Herbert J. Taylor (R.I. President, 1954-55) of Chicago, as a step in saving a business on the verge of bankruptcy. It proved so successful that R.I. recognized it as an appropriate message in Vocational Service.

SMTC HOSPITALITY

Thanks to **Adrienne Murphy** and President **Alec Livingston**, we celebrated Vocational Service Month with our first (first of many, we hope!) dinner at the Peter McKernan Center at SMTC. The Peter A. McKernan Hospitality Center/The Inn at Spring Point is an eight room inn and conference center which serves as a working practicum site for students enrolled in SMTC's Hospitality Programs. The Center caters to educational, business, and non-profit groups for a variety of functions. It is managed and staffed by students under the professional guidance of SMTC faculty. And we gave the students and faculty an A+ for the delicious meal and excellent service we were treated to!

The building was built in 1902 as a Double Officer's Quarters, and was one of the components of the former Fort Preble, which protected Portland harbor from the Revolutionary War through World War II. Through the generosity of the voters and many private citizens of Maine, the building was renovated and restored in 1993 to its current beautiful state. The Frank Wright suite and two of the bedrooms were left open for members of the club to inspect and admire the elegant furnishings and gorgeous view.

Our hosts for the evening were SMTC President **Wayne Ross** and his wife **Betsy**. Wayne spoke to us about the college, one of seven technical colleges in Maine. He was deservedly proud of SMTC's placement record: over 82% of their graduates in the past few years were placed in jobs; 97% of these were in Maine. The college operates on a limited budget with the percentage of support from the state dropping every year.

In our own club, **Linda Gabrielson** is on the faculty at SMTC, and **Kathy Ray** serves on the Advisory Council. This was Spouses Night (or "Ladies Night" as **Dick Kilroy** knows it) so we had many special guests. Among them were Visitors **Earle and Peg Leavitt** from the Portland Club, Tony Wagner's guest **Bill Daviero**, **Sharon Livingston**, who is back on her feet again, and **Mr. & Mrs. Bob Packer**.

A big thanks to **Wayne & Betsy, Adrienne, & the Staff of the McKernan Center!**

BABY RUSSELL

The Russells celebrated **Wayne Goodrich's** birthday with a little birthday party of their own: **Tory's** little sister was born on October 19. Congratulations, **Jim and Vicki!**

ON TO CALGARY!

The program on October 25 was a travelogue, aimed at stimulating us to think about the possibility of attending the Rotary International Convention in Calgary, Alberta from June 23-26, 1996. We saw Herb Brown in a cowboy hat urging us to come to the "Rotary Round-up" in Calgary, as well as seeing a few of my slides of Calgary and the Canadian Rockies. (Actually I cheated: two slides were from Yellowstone and one was from the Colorado Rockies!)

Calgary is very clean, friendly and easy to get around in. The nearby Canadian Rockies provide some of the most spectacular scenery on earth. And if past conventions are any indication, the Rotary Convention itself promises to be very entertaining and a great way to meet Rotarians from around the world. An added plus is that at that time of year and at that latitude the days are very long, so for those of us who enjoy being outdoors and sightseeing, you can get more vacation bang for your buck! So think about your vacation plans next summer and whether or not Calgary and the RI Convention will fit in your plans.

FOLLOW-UP ON SMTC

At its meeting on October 25, the Board discussed awarding a scholarship to a student attending SMTC (residing in South Portland or Cape Elizabeth) as well as to the four students from SPSHS and CEHS, who usually attend traditional colleges and universities. The Board approved awarding another scholarship, but left open the question of whether to add additional money from the budget for this scholarship (in other words to give out five \$1000 scholarships) or to leave the amount of scholarship money awarded at \$4000 and reduce the amount of each scholarship to \$800 each. **Adrienne Murphy**, who arranged last week's enjoyable evening at SMTC, will be contacting the financial aid office there to make the necessary arrangements.

CHRISTMAS TREE UPDATE

Joining us at the October 25 meeting was special guest **Chip Gaw**, who provides invaluable help each December by selling Christmas trees during the weekday afternoons.

Kathy Ray circulated an order form for wreaths for club members who want to be sure and reserve theirs. The wreaths are large, decorated with a bow and pine cones, and will be sold at \$10 apiece. They are scheduled to arrive at (approx.) 3:00 p.m. on November 22.

Wayne announced that the postcards to former customers will be mailed out next week. He will need help after next week's meeting (11/1) in stamping and labelling the postcards, so please plan to stay a few minutes later next week if you can.

Wayne also reminded us that we will have competition from a tree lot in Cape Elizabeth this year, so he asks all Rotarians making up at other clubs in the area to remind those clubs of our tree sale.

CLUB NEWS

Alec reported the sad news that **Tim O'Neil** has resigned from the club. Tim was a relatively new member but had been as active as his schedule would permit. Most recently he was chair of the Spring Point Festival fried dough sales. Tim said that time commitments from family, work and other community service obligations prevented him from being able to participate fully in Rotary. We will miss Tim's congenial company and hope that he will be able to join us again in the future.

On a happy note, however, we were happy to have **Bill Daviero** visiting us for a second week. Bill will be inducted as a member soon so look for details about Bill coming soon!

Also working on a perfect attendance record was new member **Bob Packer**.

Update on Baby Russell - Jim shared some more of the pertinent details - for example, her name is **Anne** and she weighed in at 9 pounds, 9 ounces!

Wayne ran into Dave Nisbet, who sends his greetings. Dave has been going through quite an upheaval in his life and we look forward to his being able to join us again soon.

Karen Dunfey reported on the semi-disastrous monthly outing for the district's youth exchange students. The hayride was cancelled due to the pouring rain and the backup plans fell through as well. They seemed to have a good time playing pool at the Boys & Girls Club and chattering half the night however.

Airport reunions were a theme among the happy dollars - Bob Danielson ran into Dan Mooers at O'Hare, and Dan Davidson ran into someone he hadn't seen since high school at an airport.

Greeting from Matt Wagner and Brean Flynn.

Editor's Note: Many thanks to Mike McGovern, who will be writing the bulletin for the next few weeks. I will be on vacation in New Zealand and Australia from Nov 8 - Dec 2 and I appreciate Mike's filling in for me. In Australia I will be staying with GSE traveller Jackie May, the redhead who worked for Australian Broadcasting and visited our club 2 1/2 years ago.

October 31 - Deadline for applications for (1)GSE Argentina trip, and (2)Essex Youth Exchange for 1996-97.

November 1 - Gov. King's Press Secretary (or his designee)

November 4 - Dan Gacetta was born!

November 8 - Michael Tarpinian, Executive Director, Youth Alternatives.

November 14 - Soup Kitchen

November 15 - Tom Vacca, Executive Director of the Preble Street Resource Center, will tell us about the Soup Kitchen that we work at each month.

November 18 - District's Rotary Foundation Seminar, UNE. (George Rice assures us that you will get out by noon.)

November 22 - Rotary Foundation Mini-Seminar (Thanksgiving Eve)

November 29 - Dr. David House, New President of St. Joseph's College, speaking on Study Abroad

(Many thanks to Dan Davidson for his assistance in scheduling many of our club's programs!)

Bill Kilroy

The history of the South Portland-Cape Elizabeth Rotary Club begins, "The idea of a Rotary Club in South Portland was first conceived by Bill Kilroy, President of the Rotary Club of Rumford, Maine in 1954. He enlisted the aid of his brother, Dick Kilroy, and on December 27, 1961, a meeting was held at Howard Johnson's Restaurant in Thornton Heights..." On October 29th, Bill Kilroy passed away after a long illness. Bill was the first vice president of the club and continued to serve as a member until August 15, 1990 when he resigned due to his health. He was a Paul Harris Fellow. At the time of his resignation, he was voted an honorary membership in the club. Among Bill's survivors are his wife Annette, his brother Bob and our charter president Dick. Our condolences to the entire Kilroy family.

King Aide Speaks

This past week the club heard from Chuck Hewitt, chief operating officer of Maine State government. In this capacity, he serves as chief of staff to Governor Angus King and he performs the day to day management functions of the state thus freeing up the governor to work on more strategic issues, legislative relations, and the promotion of Maine.

Mr. Hewitt updated members on the need for the State to invest in technology and on details of the effort to have a more productive workforce. He also informed us of much of the coordination that occurred in order to attract the major expansion of National Semiconductor to South Portland.

Bridges Constructed

Jack Roberts organized a crew this past Saturday morning to build three bridges on trails across a brook near Fort Williams Park. In a little over two hours, Jim Russell, Tony Wagner, Dan Davidson, Frank Gemme, Mike McGovern and Jack Roberts finished the project thus opening a trail system spread over 40 acres extending from Shore Road to Mitchell Road. Jack plans to do more work on the actual trails in coming weeks.

November is Rotary Foundation Month

The District 7780 Rotary Foundation Seminar will be on November 18, 1995 at the University of New England. Please let president Alec know as soon as possible if you will be able to attend.

Christmas Tree Sale Coming

Chairman Wayne Goodrich kicked off the Christmas Tree Sale this past week. This will be the 34th annual sale. Kathy Ray is in charge of member's sign-up which has begun. As she has the schedule at work, call her there at 767-3131. Please call her before she needs to call you. Remember the earlier you sign up, the better times you have to choose. Tree unloadings will be on November 24, December 2 and 9, all at 8 A.M. at the Mill Creek sale site. Lot setup is on November 19th. Wayne has ordered 1800 trees, 120 tree stands, 200 wreathes, and numerous plastic bags. Letters promoting the sale are being sent to previous purchasers and to all members of the Portland and Casco Bay Sunrise Rotary Clubs.

This is the major fund-raiser and we have a tradition of all pulling together. Let's all totally fulfill the Rotary motto of "Service Above Self".

Find the Soup Kitchen

Joe Conroy would like you to find the soup kitchen on Tuesday, November 14, 1995, and would like you to bring cupcakes. Call Joe at 799-5990 to let him know if you will be able to assist. Also to learn more about the soup kitchen, don't miss next week's speaker, Tom Vacca, the founder and current director of the Wayside Soup Kitchen. Tom is a native of Walnut Street in Portland.

Commander Kane

Congratulations to Mike Kane on his promotion to Commander in the United States Coast Guard Reserves.

November is Rotary Foundation Month

We are honored to have as our guest speaker on November 22, 1995, the Chairman of the Executive Committee of Rotary International who is also a former Rotary Foundation Information Zone Coordinator.

Christmas Tree Sale Coming

Don't forget to sign up with Kathy Ray who is in personnel director or perhaps volunteer resource manager would be the correct title. As she has the schedule at work, call her there at 767-3131. Please call her before she needs to call you. Tree unloadings will be on November 24, December 2 and 9, all at 8 A.M. at the Mill Creek sale site. Lot setup is on November 19th. This is the major fund-raiser and we have a tradition of all pulling together. Let's all totally fulfill the Rotary motto of "Service Above Self". Tree chairman Wayne Goodrich also is reminding us that the sale is an excellent time to do subtle recruiting of new members. If one member can find a wife at the tree sale, certainly some of us could identify some new potential members.

Kremer Introduces Tarpinian

This past week Steve Kremer introduced Michael Tarpinian. Mr. Tarpinian is the Executive Director of Youth Alternatives Incorporated. His agency began as Little Brothers with a group home on the Eastern Promenade. Today, the agency provides supervision and after care services for kids coming out of the Maine Youth Center. They also provide child and family mediation which is done with two paid employees and 60 volunteers who have each received a minimum of 43 hours of training. Today some of the volunteer counselors are teenagers who had previously gone through the program. Mr. Tarpinian also recognized Dan Gacetta for helping needy kids to receive tickets to Red Sox games. Thank you Steve for an inspirational program.

Hoop Time

Dan Davidson has organized another full basketball schedule. The next three games are from 7:15 p.m. to 9:15 p.m. at Cape Middle School are on the following dates:
November 20 November 27 November 30

\$4.00 per night per player- Visitors free 1st Night

Welcome Bill Daviero Our Newest Member

Our newest member is Bill Daviero. Bill was proposed as a member by Tony Wagner having met each other at church. Bill lives on Fowler Road in Cape Elizabeth (fast catching up with Stonybrook). He was born in Schenectady, NY which is known as "The Electric City" as it was the major site of operations for General Electric Company, the company for whom Bill's father worked as a machinist. Bill attended Bishop Gibbons High School and went on to Boston University where he was an offensive guard for the BU Terriers, a team Dick Kilroy had played for some years before. Bill earned his masters at Albany State where he also served as a football coach. He

moved to Maine in 1982, first serving as Director of Admissions at Maine Central Institute in Pittsfield. He moved to Cape Elizabeth nine years ago working for UNUM and a UNUM subsidiary. Today he works for the Dunlap Agency in their Gray office marketing employee benefit plans.

Bill is a single parent with a 20 year old daughter Jeniffer.

His hobbies include sports, cross county skiing, weight training, jogging and yardwork. He also plays the guitar which could help the Club's singing at some point.

The South Portland Cape Elizabeth Rotary Club's 46th member

Nominating Committee to Meet

The annual meeting of the nominating committee has been set for Wednesday, November 29, 1995 at 5:00 p.m. at the Purpoodock Club. Immediate Past President Frank Gemme is chairing this committee consisting of all active past presidents. The committee will nominate officers and directors for the club for 1996-1997.

RI Officer to Speak

The guest speaker this coming Wednesday will be Dan Mooers, Chairman of the Executive Committee of Rotary International. Dan will update us on activities of the Rotary Foundation of Rotary International.

Christmas Tree Sale Update

The Christmas tree trailer is now on our Mill Creek site. Lot set-up will begin at 11 a.m. on Sunday at the old fire barn at Fort Williams Park. This will include loading of the lumber and other materials which make up the racks.

At 12 noon, more help will be needed at Mill Creek Park in setting up the actual racks and the lighting.

The first tree unloading will be at 8 a.m. the Friday after

Thanksgiving. members have been continuing to sign up for shifts with Kathy Ray. remember, every Rotarian should sign up for four shifts and please do not overlaid any one shift as that will leave other shifts unfilled.

The wreaths will be arriving next Wednesday and those who ordered wreaths should bring the cash for them to the meeting. Winning wreaths as part of the raffle this past week were Steve Kremer, Bob Packer and Warren Simpson.

SPCE NOMINEE TO JOIN GROUP STUDY EXCHANGE

Chairman Henry Bird and District Governor George Rice have announced the members of the Group Study Exchange Team who will be visiting Argentina in April. Among the members of the group is a nominee of the South Portland Cape Elizabeth Rotary Club.

Janet McLaughlin is a resident of Cape Elizabeth and works at the Planning Department at South Portland City Hall where her primary responsibility is as reviewer of site plans before the Planning Board. She is also a member of the Cape Elizabeth Town Council and is a past president of the Greater Portland Council of Governments. She also serves on the board of directors of the United Way of Greater Portland. Janet is the mother of two college age daughters. Her nomination to be interviewed by the District GSE Committee was approved by the Club's Board of Directors. Janet is known by many club members and particularly by co-worker **Jack Roberts**, **Mike McGovern** as Janet is one of his bosses, and by **Laurenz Schmidt** with whom she participated in a leadership seminar with a

rugged outdoors experience.

The team to Argentina will be led by Sarah Luck, a member of the Portland Rotary Club. Other participants, all non-Rotarians were nominated by the Freeport, Portland and Portsmouth Rotary Clubs.

HAPPY THANKSGIVING

Next year's GSE Team will be visiting Sweden. The GSE program is funded through donations to the Rotary Foundation. We look forward to hearing from Janet after her trip. **Nancy Hawes** assisted Janet with her application.

TREE LOT SET UP A WET TIME

The forecast was cloudy with a chance of showers, but when fearless Rotarians began to undertake the annual setup of the Christmas tree lot, it rained and rained and rained.

Those risking colds and flu in true Rotary fashion of "Service Above Self" were set up chairman **Paul Butler**, **Tony Wagner**, **Joe Conroy**, **Alec Livingston**, **Bob Flynn**, **Frank Gemme**, **Jim Russell** with truck, **Andre** and **Bob Levasseur** with van, **Don Day**, **Bill Daviero**, **Dan Davidson**, **Mike McGovern**, **Dave Bagdasarian**, **Wayne Goodrich**, **Bill Stanton** and **Laurenz Schmidt**. Thank you to all

Ever wonder who could replace **Dan Mooers**. A printer from New Jersey will succeed him as Director of RI in July. **Bob Coultas** spoke at the District 7780 Rotary Foundation Information Seminar at the University of New England on November 18, 1995. He told a number of touching stories of individuals who had been assisted by the Foundation and the international fellowship that is ever-present in Rotary. Most of his comments were directed to President **Herb Brown's** exhortation for us to retain and expand members. **Bob** spoke of the four "Ps" needed for a successful Rotary club.

Programs- Rotarians need to

want to come to meetings. programs need to be interesting and challenging

Projects- We join Rotary to serve the community. Everyone needs to be encouraged to participate in projects.

People- Individuals need to first be invited and then to be welcomed.

Public Relations- Clubs need visibility in the community in order to attract new members and to have current members feel better about what they are doing.

Attending were **Alec Livingston**, **Bob Levasseur**, **Bob Packer**, **Jeff Gabrielson** and **Mike McGovern**

O Christmas Trees O Christmas Trees

The annual sale is now run-
ning at full tilt. Chairman
Wayne Goodrich is happily
walking around with his
lighted Christmas tree lapel
pin donated by Rita Hen-
nessy. He reports that sales
over the first 4 days were 60
percent above a year ago.
While this is due to good
publicity and good product, it
has been noted that there are
no sales currently underway
at Deering Oaks.

Wreaths are also selling well.
They have been no doubt
helped by the excellent rack
for the wreaths which was
made by Don Day. The
wreaths were discovered by
Tony Wagner from a vendor
in Northern Maine who he
noted selling fine
decorated wreaths.

Last year Tony bought five
for himself and this year 200
for the club to resell at our
lot.

The tree stands are also mov-
ing out of the lot quickly as
they are also a fine product.
Moving less quickly are the
wreath holders and the tree
bags, but they will pick up as

we get busier. The very busi-
est weekend of the tree sale
will be this coming Saturday
and Sunday. The lot will
likely be crowded throughout
each day and into each
evening. Saturday will be
especially crowded with the
balance of the trees due to
arrive.

Speaking of tree deliveries,
thanks to the following for
helping this past Saturday:
Bill Stanton, Jack Roberts,
Tony Wagner, Alec Liv-
ingston, Jeff Hobbs, Frank
Gemme, Bob Levasseur, Phil
Dube, Dave Bagdasarian and
son, Adrienne Murphy, Bob
Flynn, Bob Car-
son, and Paul

St. Joseph's President House Addresses Club

Dr. David House, President of St.
Joseph's College in Windham and
a resident of Cape Elizabeth, ad-
dressed the club on the impor-
tance of opportunities to study
abroad.

At age 19, he personally studied
in Berlin during the height of the
Vietnam War. He enjoyed the
tremendous cultural experiences
including opera, theater, and bal-
let. Although he had taken Ger-
man, he said the best way to learn
is through total immersion.

President House said study abroad
is worth it for today's students as
we live in a time of economic
competition, world communica-
tion demands understanding and
the political world is constantly
changing. He cited the Rotary
Ambassadorial Scholarship pro-
gram as a model exchange pro-
gram.

Thank you Dan Davidson and
President House for an excellent
program.

- Service Chairs: Bob Flynn
Don Day
Adrienne Murphy
Kathy Ray

Congratulations to all of these individuals and thanks for being willing to serve our club!

A GRAPHIC DISPLAY

Our speaker at the Dec. 6 meeting was courtesy of Mick Maher. Mick brought us his former co-worker Bill Olmstead who is now at Spectrum Printing and Graphics in Auburn. Spectrum is a rapidly growing printing company which has grown from 3 people who founded the company in 1987 to a company with 25 employees today. The company, which specializes in advertising brochures, grew 78% last year. Graphic arts is a very competitive field and is the 5th largest employer in the state. Due to the amount of happy dollars and pushups, Bill did not have a lot of time to speak to us, but fortunately he had time to answer several questions about his business, the cost of paper, etc. Thanks to Bill for taking the time to come and speak to us (and for the free memo pads!) and to Mick for inviting him.

Welcome, Visitors:

Wayne was accompanied by two guests at the 12/6 meeting: B.J. Nicholson of the Casco Bay Group (Len King's son-in-law) and Floyd Beckwith, retired from Maine National Bank. We hope they'll join us again sometime.

DEADBEAT EDITOR RETURNS TO WORK

My sincere thanks go to Mike McGovern who so capably filled in for me while I was off gallivanting on the other side of the world. I had a wonderful time and now that I'm back behind the keyboard you'll have to hear about it. I basically visited four different places - 3 in New Zealand and one in Australia.

In Australia, I visited Jackie May, who was on the Group Study Exchange team which came to our district in May, 1993. She is working on a national radio interview program and living in Sydney. She showed me all over Sydney and the nearby Blue Mountains, and was a great hostess. She sends her regards to the club.

One of the places I visited was Dunedin, New Zealand, which is located at the southern end of New Zealand's South Island. I stayed with an older couple whom I had met many years ago on a trip to Ireland. He was a Rotarian for many years and insisted that I make up at a Rotary meeting. His son is President of one of Dunedin's three Rotary clubs but his club was meeting the day after I left. This was just as well since it's an all boys club. Instead I attended the Dunedin South club which meets on Wednesday noons at the Southern Cross Hotel. I sat next to the Sergeant-of-Arms who levies the fines, and I escaped a fine even though I wasn't wearing a Rotary pin. (I did have the 4-Way Test card in my wallet though!) They seemed to be a very active club and were very friendly.

I didn't make up at any Rotary meetings in Auckland, but I did attend a Toastmasters meeting there where my friend Ted is a member. They start out their meetings with "Table Topics," in which people are called on to speak on an assigned topic with no chance to prepare. I hate that kind of thing! I was assured beforehand that I would not have to speak, but when I got there I was coerced into it. Fortunately, they let me veto the topics I was assigned until they came up with something easy like why I was in New Zealand. Apart from that it was pretty entertaining.

The fourth place I visited was the Abel Tasman National Park at the northern end of New Zealand's South Island. I went "tramping in the bush" on a 3-day guided walking tour. We walked 5 or 6 hours a day through forests of tree ferns and along turquoise beaches. It was absolutely beautiful and I would have enjoyed it more if I hadn't been worrying about whether I could do it or not!

CHRISTMAS TREE UPDATE

As of Saturday evening, December 9, sales are looking great and Wayne is quite pleased with the results so far. If sales continue at this rate, we will sell out next weekend if not before. We unloaded the last shipment of trees Saturday morning and they were sold as fast as they hit the racks. Thanks go to these volunteers who helped to unload trees:

SENIORS PARTY DOWN!

The annual Christmas party for senior citizens was a success as usual, thanks to the planning of **Bill Stanton** and **Warren Simpson**. We had an especially tasty dinner, followed by musical entertainment by The Borders (Boarders?), a 3-member musical group. Their idea of a holiday medley was rather eclectic, including such old favorites as "Scary Christmas Polka" and "Folsom Prison Blues." Several lucky seniors won cold cash in the raffle, including **Hale** and hearty **Fred**, who is still going strong at 105 years! It seems like Fred has won the raffle before - does he live on Stonybrook Road?

In eavesdropping at the tables I noted that **Mick Maher** was teasing the old ladies as usual, but he was a little bit tamer than in prior years. **Jim Higgins'** dinner companions were relentless in their matrimonial advice. **Maureen Holden** was encouraging folks to attend "Holiday for Kids" put on by the Portland Players on Thurs, Dec 21 and Sat, Dec 23.

A good time was had by all. Thanks Bill & Warren!

HELP WANTED!

Opportunity is Calling!

Fast-growing service club on the cutting edge of community service and fundraising activities seeks highly motivated individual interested in career advancement. Individual must be willing to complete repetitive virtually mindless duties week in and week out for three months. Compensation consists of the satisfaction of a job well done.

Seriously, Wayne is departing for Florida on December 28, leaving a vacancy in the position of bulletin producer (photocopying, folding, labeling & mailing). If you are interested in filling in so that Wayne can enjoy himself in Florida without guilt while the rest of us are enduring the winter weather, please contact Wayne or Alec.

Another opportunity will be opening up at the end of January for one or more bulletin editors to fill in from February to April 15 so I can spend my weekends working on tax returns.

SOUP KITCHEN

Several people in our club helped to make the Christmas season a little brighter for folks who frequent the soup kitchen. Exhibiting the Christmas spirit were:

- Kendall (I forgot her last name; Kelly's daughter)**
- Kelly Smith**
- Deann Wood (friend of Bill Daviero)**
- Dave Bagdasarian**
- Paul Butler**
- Bill Daviero**
- Mick Maher**
- Bill Stanton**
- Joe Conroy**

Thanks to all of these for participating in this important community service project.

Club Notes

Dan Davidson has put together a brochure: "Welcome to Rotary" and a card: "What's Rotary?" These may be helpful in telling prospective members what we're all about. See Wayne or Bob Carson for copies. Dan has also been very helpful in arranging publicity for the tree sale.

Laurenz Schmidt has been on the lecture circuit - speaking at Eggs & Issues at the Chamber, and at the Portland Rotary Club.

Mick Maher's daughter will be coming home from Kuwait (actually Mick gave a happy \$ for this on Dec. 6 so she may be home by now?)

Paul Butler achieved a personal best in selling Christmas trees by selling a record 3 trees in one day.

Welcome, B.J.!

At the December 20 meeting we welcomed **Bryant J. (B.J.) Nicholson**. He was not a new face, having already worked 3 shifts at the tree lot! B.J. grew up in Cape Elizabeth and now lives in South Portland with **Diane** and their two children. He runs the Casco Bay Group. Diane is the daughter of **Len King** so they have been part of our Rotary family all along, but now we can teach B.J. the secret handshake! *Welcome, Diane and B.J.!*

STEADFAST ROTARIANS

Secretary **Bob Carson** had the privilege of presenting perfect attendance pins at the Dec. 20 meeting to the following individuals:

 - Paul Butler - 18 years**
 - Sam Giftos - 24 years**
 - Dick Kilroy - 34 years**
 - Warren Simpson - 34 years**
- CONGRATULATIONS!**

Congratulations are also extended to the individuals elected at the Dec. 20 meeting to serve as officers next year. To refresh your memory, they are:

- Wayne Goodrich: President**
 - Tony Wagner: President-Elect**
 - Jim Russell: Vice-President**
 - Paul Butler: Secretary**
 - Steve Kremer: Treasurer**
- SERVICE DIRECTORS:**

- Kathy Ray**
- Adrienne Murphy**

Thanks to all of them for their willingness to serve our club!

AMONG OUR MEMBERS:

We extend our sympathies to the **Day** family on the death of Don's father.

Thank you to **Bill Stanton** and **Warren Simpson** from **Alec Livingston**, **Bob Flynn**, and the rest of the club for the great job they did on the Senior Citizens Christmas party.

Thanks also to **Dick Yerxa** for the discounts he has arranged for us in the work that has been done on the trailer.

Congratulations to raffle winner **Laura Maher**, who was visiting us while she was home on leave.

Other recent visitors include **Marge Campbell** of Hagerstown, Md. (Sally's mother), **Brian Gemme**, and **Rob Packer, Jr.**

Bon voyage to **Wayne Goodrich** and **Sam Giftos**, who are on their way to Florida. Don't forget to buckle up! (Wayne's address in Florida will be 6010 Chardonay Lane, Unit 102, Naples, FL 33999; 941-353-3538).

We regret that **Mike Kane** has resigned from the club. The demands of his job and family life have prevented him from being as active in Rotary as he would like to be. We hope that Mike will be able to re-join us again in the future sometime.

McGovern exploits Local Talent

Mike McGovern had the difficult assignment of finding a program for the meeting before Christmas. He cleverly called on members of our own club to provide a very interesting and entertaining Christmas program. We were treated to recitations of *The Night Before Christmas* by Sam Giftos and *Yes, Virginia, there is a Santa Claus* by Lloyd Knight. Making the new members proud was Bill Daviero, who serenaded us with *Rocky Raccoon* and *Walking in your Winter Underwear*. Thanks to all three of these members, and Mike, for giving us the benefit of your talents.

Birthdays:

Joanne LeClair (Jan. 6)
 Jeff Hobbs (Jan. 6)
 Steve Kremer (Jan. 10)

Mary Finnegan of the Portland Club visited us on Dec. 27 to tell us about the tragic story of a local 9-year old girl who mysteriously lapsed into a coma on October 1. Despite the best medical care possible, the doctors have been unable to determine the cause of her condition, or to treat it. She is home now with round-the-clock nursing and drifts in and out of consciousness. Mary said that although Medicaid pays for the nursing, it does not pay for the medical supplies and the cost of re-wiring the home, installing a new bathroom, etc. She estimates these unreimbursed costs at about \$1000 a month, much more than the family can afford. She encourages donations to the Kayleigh Austin Fund, c/o Maine Bank & Trust, 188 U.S. Route One, Falmouth, ME 04105.
