BOB PACKER ROAST

It was hard to tell if **Howard Buckley**, President of Mercy Hospital, was there to speak to us about the hospital or to roast his former neighbor **Bob Packer**. Amongst the Bob-bashing, Howard spoke about the merger talks, what led to their breakdown and the aftermath of the talks breaking down. Although the media reported that abortion was the sticking point which led to Mercy withdrawing from the merger talks, overcoming anti-trust issues was just as much of an obstacle.

Since the merger talks were discontinued, the relationship between Mercy and Maine Medical Center has changed from one of friendly coexistence to true competition. Howard is trying to position Mercy as the alternative hospital, believing it is never good to have only one choice. Towards that end the hospital has started advertising, has opened an Express Care emergency room, has set up primary care locations around the city, has expanded their obstetrics services, has initiated ambulatory surgery on Saturday, and has begun talks with VNA about a possible merger. Thanks go to both Howard and Bob for this interesting as well as entertaining program!

WORLD UNDERSTANDING & PEACE DAY

Rotary International observes Friday, February 2 as World Understanding and Peace Day. If the phrase "world understanding and peace" rings a bell with you, that's because that is the goal of our Rotary Foundation. Our own district will be celebrating World Understanding and Peace Day with a dinner at Verrillo's Convention Center near exit 8 in Westbrook. Speakers for the evening will be Incoming Regional Rotary Foundation Coordinator **Ron Cowan** and Past-President of the South Portland-Cape Elizabeth club, **Dan Mooers**. The dinner is at 7:00 p.m. with a social hour beforehand. Cost of the dinner is \$22.50 per person and the choices are prime rib, chicken cordon bleu and baked stuffed haddock. See Alec or Mike McGovern for registration forms.

Why don't they serve soup?

Our club had a splendid showing at the soup kitchen on January 9. Helping to unwrap Kraft singles and serve macaroni and cheese were:

- Alec & Sharon Livingston**
- Kelly Smith & Kendall**
- Chrys & Nick Pappas**
- Neala, Casey, Karen & Roy Dunfey**
- Rookie Jeff Hobbs**
- Bob Levasseur**
- Bill Stanton**
- Paul Butler**
- Frank Gemme**
- Nancy Hawes**
- Joe Conroy**

The dessert for February is Valentine cookies.

CABIN FEVER COOKOUT!

The **Casco Bay Sunrise Club** has reciprocated our hospitality at the Lobsterbake this summer. They have invited us to a cookout on Wed, February 7 (our usual meeting time). Excerpts from our invitation from their Club Service Director:

"We will be serving steak, baked potato, green salad and rolls. We will be barbecuing outside and serving in the cafeteria at Southern Maine Technical College. The arrival time should be about 6:30 p.m. We will try to serve no later than 7:00 p.m.

"The theme will be centered around a summer outing and prizes will be given for the best dressed. Categories have not been determined yet so be creative and take a chance.

"It should be a good time to shake off the winter doldrums!"

As everyone except the new members learned (although they found out when they showed up!), there was no meeting on January 3 due to the snowstorm (or was it because Tony didn't want to lead the meeting?!)

Happy Birthday, Jack Roberts! (Jan. 16)

Congratulations to:

Karen & Roy Dunfey (belateary; they celebrated 15 years of marriage on December 20)

Warren & Velma Simpson (53 years on Jan 16!)

Don Day, on being named President of Direct Mail of Maine!

Nick Pappas for winning the raffle which he "conducted" by delegating his responsibility to **Warren Simpson**. The Bookland certificate prize was donated by **Steve Kremer** who couldn't make the meeting due to illness - Get well, Steve!

The 17 members who had perfect attendance during December: **Paul Butler, Bob Carson, Phil Dube, Bob Flynn, Frank Gemme, Wayne Goodrich, Nancy Hawes, Dick Kilroy, Lloyd Knight, Alec Livingston, Mike McGovern, Dan Mooers, Bob Packer, Kathy Ray, Warren Simpson, Bill Stanton and Dick Yerxa**. Club average attendance for December was 72.78%.

GARBAGE COLLECTING ON THE INTERNET

Nick Pappas (with the help of his daughter) procured a dynamic and interesting speaker for the January 17 meeting. **Brent Paine**, owner of Internet Maine (no, he doesn't have a franchise for the state of Maine, but it sounds good, doesn't it?), spoke to us about the Internet. Brent spoke a little about the way the Internet works and threw out some amazing facts:

*Computing power that cost \$90,000 twenty years ago now costs \$40.

*By 1985 there was more information on the Internet than in the Library of Congress.

*The Internet started as a Dept. of Defense project in the late 60's with 5 computers.

*By the year 2000, the volume of Email will exceed the U.S. mail.

He also spoke about some of the sociological implications of the Internet. For instance on the Internet users don't have physical characteristics so black and white, male and female, disabled and non-disabled are all equal. This is not always beneficial since the anonymity of the Internet leads to pornographic uses of it.

Another aspect of the Internet is the tendency to waste huge amounts of time surfing the web. He repeated a quote that "information has become garbage and America has become a nation of garbage collectors."

Thanks to Nick and Brent for this very thought-provoking presentation!

make it to a meeting in which you have a duty, it is appreciated (by Alec!) if you make arrangements to switch with someone.

It seems like there's a song about Katmandu but I can't think of it. Anyway it would have made a good headline to describe what **Don Day** has been up to. He has initiated contact with a Past President of the Katmandu club, which is reported by **Dan Mooers** to be a very active club. He will keep us posted on the possibility of a World Community Service project in Katmandu. (See an excerpt from Rotary International's fact sheet on World Community Service on the back of the bulletin.)

MEETING MISCELLANY

Visiting us from the Portland club on Jan. 17 were **Cap Powers** and **Naj Lotfey**. **Jack Roberts** finally got his turn as songleader and led us in "When Irish Eyes are Smiling." He must have known that making us sing this hard-to-sing choice would be lucky for him because he won a bottle of *Irish* cream in the raffle. Like Steve Kremer last week, **JoAnn Leclair** made sure that the raffle prize was available even though she couldn't make it to the meeting. Which is a reminder that if you can't

CABIN FEVER COOKOUT!

The **Casco Bay Sunrise Club** will be hosting the counterpart to "Christmas in July" - namely a cookout in midwinter, on February 7. This will be a Spouses Night so bring a guest(s). They will be serving chicken and steak at the SMTC cafeteria at 7ish. They need to know how much food to buy so if you plan to attend but do not get a chance to sign up at the meetings (this means you, Rita Hennessy and Carol King), please call Nancy Hawes by January 31.

WORLD COMMUNITY SERVICE

World Community Service (WCS) occurs whenever a Rotary club in one country assists a Rotary club in another country with a community service project. The WCS program links Rotary clubs needing extra help with clubs in other countries willing to provide funds, materials and technical and professional assistance. Adopted in 1967, the WCS program promotes international understanding and goodwill by uniting Rotarians of different countries in cooperative activities to improve lives and meet human needs.

Rotary International World Headquarters maintains a database of Rotary club-sponsored projects needing assistance and publishes the semi-annual *World Community Service Projects Exchange*, with approximately 850 projects currently registered. The Donations-in-kind Information Network (DIN), an activity of WCS, helps to link projects with donated material assistance. Over 100,000 items have been offered by Rotarians through the *DIN Bulletin*, published quarterly since 1986.

Thousands of WCS projects involving Rotarians around the world have been completed with assistance from the WCS program since it was established. Hundreds more, developed from individual and club-to-club contact, GSE teams or international meetings, are undertaken and completed each year. Many WCS projects are eligible to receive funding from The Rotary Foundation's Humanitarian Grants.

TWO FOR THE PRICE OF ONE!

Due to technical difficulties (aren't computers wonderful) the bulletin did not get out on time last week so this week's is a double issue.

Visitors. Visiting us on the 24th was a large contingent from the Windham Club, consisting of **Linda Wescott, Kathy Burns, Shauna Miller, PP Ingo Hartig (sp?) and President Bruce Cort.** Now that these folks have found their way to the Purpoodock Club, hopefully we'll see them again sometime.

Other recent guests include **Lt. Paul Mehler** of the Coast Guard (guest of **Commander Jeff Gabrielson**), **John Perry** of the Portland Club, and **David Lourie.** David is a lawyer in private practice in Cape Elizabeth and was a guest of **Dan Mooers.**

Music. **Laurenz Schmidt** returned from his lecture circuit to share his musical talents with us, with moral support from **Bob Carson.** **Warren Simpson** on the other hand needed no help as he energetically led us in "I've Been Workin on the Railroad" and a rather doleful rendition of "When You're Smiling."

Returning Thanks. New member **B.J. Nicholson** has already come up in the alphabet for that favorite of all duties, the invocation. He rose to the challenge with an eloquent inaugural grace on the 31st.

Lady Luck. As reward for fulfilling his songleading duties, **Laurenz** could have walked off with \$20 cash as a raffle prize donated by **Alec** on the 24th. Instead he contributed the entire amount back to the club. **Dan Davidson** held a raffle at a Super Bowl party at his house and he also generously donated half the proceeds to the club's scholarship fund. On the 31st **Bob Flynn** won a Portland DineAround donated by **Bob Levasseur.**

Member News.

Our sympathies are extended to **Jan Butler** on the loss of her mother.

Best wishes to **Grace Day** for speedy and complete healing following eye surgery.

Bill Kourakos sent a dollar from Florida to make sure we wouldn't forget about him. **Steve Kremer** hasn't forgotten him and has been keeping an eye on **Bill's** flat tire in his garage.

Wayne Goodrich appears to be talking to somebody from the club about every day. He must miss being here.

ENCORE!

Kathy Ray's boss **Sam Ladd** came back for an encore presentation. Last year he told us about having the janitors do their data processing and this time he told us about rebuilding McDonald's and running a bank in a trailer. Maine Bank & Trust has continued its phenomenal growth, which **Sam** attributes to their employees and to **Elizabeth Noyce's** capital. He says that she seems to have more fun supporting economic development than in just giving money away to charity. **Sam** foresees that the big changes in banking will not be in mergers and acquisitions, etc. but in the things that banks do: debit cards, investment options, Internet services, etc. Thanks to **Kathy** and **Sam** for this update on Maine Bank & Trust (and for the pens!).

CABIN FEVER COOKOUT!

See the enclosed map for directions to the SMTC Cafeteria for next week's meeting. Note that it is *not* the same place where we met this fall (the McKernan Center). The Casco Bay Sunrise Club will be expecting us at about 6:30, with dinner to be served at about 7:00. As well as being a mixer with the Casco Bay Sunrise Club, this is also a Spouses Night, so it will be a great opportunity to see some faces we haven't seen recently, and even to meet new faces. Don't forget to wear your shorts!

HOOPS

Dan Davidson reminds us to bring a friend (and \$4 to basketball).

CLUB ASSEMBLY (NOT A FORUM)

The Club Assembly on January 31 consisted of a lot of recognition of various members since so many members have taken responsibility during the year for such a lot of tasks and activities. It's clear that in the past six months we have been a very active club and that every member has played an active role in the club.

Among the new items brought to our attention during the club assembly were:

In the area of Vocational Service, **Adrienne Murphy** is revitalizing a list of community resource people to provide to high school guidance counselors so that students will have someone to contact if they're interested in finding out more about a particular profession. Each member is asked to submit 5 names to be included on the list.

Vice-President **Tony Wagner** reports that we are only \$3000 shy of our budgeted fundraising goal of \$30,900. We will be holding a Bowl-a-thon in April, for which **B.J. Nicholson, Bill Daviero** and **Jeff Gabrielson** will serve as co-chairs. Tony is looking for 2 co-chairs for Theatre Night in June.

And speaking of special event nights, **Bob Flynn** reports that the **Schooner Fare** concert has been re-scheduled to April 4. Tickets will be sold by the youth sports groups who will receive the profits.

Don Day reports that is moving forward on a possible International Community Service project with a club in Katmandu, Nepal.

Alec summarized the dizzying list of club accomplishments so far this year. Not the least of the highlights is the induction of new members **Bob Packer, Bill Daviero** and **B.J. Nicholson**.

Editorial News: To provide some variety for your reading pleasure, **Dan Davidson** will be writing the bulletin for the month of February. He will be followed by **Mike McGovern** for the month of March, and then by **Jim Russell** for the first couple weeks of April. Many thanks to these guys, as well as to **Paul Butler** who has taken on the publishing duties in Wayne's absence.

**WORLD UNDERSTANDING AND
PEACE DINNER**

... a report by Nancy Hawes.

The SP/CE Rotary Club was well represented at District 7780's banquet on February 2nd to recognize World Understanding and Peace Day (which is actually Feb. 23, the birthday of Rotary).

Among the spectators were Alec & Sharon Livingston, Frank & Lynne Gemme, Tony Wagner & Sally Campbell, Bob & Peggy Packer, Warren Simpson, and Nancy Hawes. Also there from Cape Elizabeth was Janet McLaughlin along with her GSE teammates who will be accompanying her to Argentina.

At the head table were Mike McGovern, who masterfully mastered the ceremonies, and Dan & Shirley Mooers with pictures of the Mooers' grandchildren. Dan's speech reminded us that his ability to hustle Christmas trees and fried dough probably did not get him his seat on the Board of RI, but his sincere eloquence more likely had something to do with it.

Dan had a tough act to follow, coming after Bill Skinner of the Durham-Great Bay Club, who told about how he initially got involved in helping the people of Honduras, and all the things his Rotary club and others in his area have done to help them. Some of you may remember Bill at previous District functions describing their attempts to provide a mobile dental unit for the hill people of Honduras.

The tables were turned on Bill as he ended up on the receiving end of a "Service Above Self Award," the highest award Rotary bestows on Rotarians, awarding fewer than 150 throughout the world each year.

Rounding out the evening was Ron Cowan from Lebanon, NH, who will be next year's Regional Foundations Coordinator.

The evening as a whole was an inspiring reminder to all of us of why we are Rotarians.

Well, they say "white space" is part of good newsletter design. So here's some. Feel free to doodle or take notes here:

Just think, if you had had an important announcement or some great Rotary information, you could have used this wonderful empty space!

CASCO BAY ESTUARY PROJECT

Pat Harrington talked about the Bay as a resource which her organization is trying to protect. One of four Mainers lives in the Bay's watershed which has seen a 50% increase in housing units in the past two decades. CBEP began 5 years ago and is doing research, studying habitats and water movements, monitoring and providing increased public awareness. Among the Project's priorities are:

- stormwater
- clam flats, swimming areas
- habitat protection
- toxic pollution
- stewardship of the Bay -- it is everyone's responsibility.

Thank you, Pat, for a great program and thanks to Jim Russell for bringing it to us.

Notes from all over:

- It was a dark and snowy night, but many of us turned out for a wonderful Valentine's Day meal -- if you didn't show, you missed chocolate covered strawberries!
- Bob Carson got a note from Sam Giftos, providing an address at which to receive his "snowbird" copy of Two Lights. (Hey, Sam, write Dan Davidson and let me know if you're gettin' these things ok!) We miss you!
- I missed some of the Happy Dollars but they included Dan Davidson for having Edie as his Valentine's Day date, Jim Russell for our speaker, Joe Conroy for Soup Kitchen volunteers (see list elsewhere in this newsletter), Bob Flynn for his 23rd anniversary and also for a new contract.
- Raffle winner -- of Bob Lindsey's \$25 gift certificate to the Maine Mall -- was Frank Gemme. Happy shopping, Frank! (or should I say Lynne?)
- Kudo to Steve Kremer from Alec for all Steve's help on the budget.
- Thanks to Dave Smith for his work to get us a 501C3 status for our scholarship fund.
- Thanks to Nick Pappas for substituting as song leader. But YALE, Nick??

SOUP KITCHEN FEB. 13

Organizer Joe Conroy says thanks to the following who participated and helped set up and serve:

Bill Stanton, Dan & Edie Davidson, Carol King, Karen Dunphy and Casey and Neala, Paul Butler, Nick Pappas and Chrys, Joanne LeClair, Kelly Smith and Kendall.

And WE say thanks to Joe Conroy for all his work month after month to keep this valuable project going for the Portland community.

Notes (continued):

- Dan Mooers has been appointed Chair of RI's Executive Committee.
- Alec says our new Fund Request Review Committee has been doing a remarkable job -- Jeff Gabrielson, Frank Gemme, Jim Higgins.
- Your fill-in editor also got some nice praise from Alec for media work on the tree sale and for the "Welcome to Rotary" Handbook.
- Alec also wants us to know that Janet McLaughlin has been selected for the GSE for four weeks this April in Buenos Aires, Argentina.

PROGRAM FOR FEBRUARY 21

- The program for Feb. 21 (Tony Wagner) will be Arthur Adelberg, VP for Law and Power Supply for CMP. He'll talk about restructuring electric utilities and how it affects us as customers.

Feel free to take some notes below regarding any obligations or responsibilities you may have to your Club -- upcoming programs, duties, work projects, events, etc. Then feel free to read it over from time to time. If you're one of those who always remembers, feel free to use the space to doodle!

THE "MA BELL-ING" OF ELECTRIC POWER

Arthur Adelberg, VP for Law and Power Supply for CMP, spoke on restructuring electric utilities and how it might affect us as customers. He expects deregulation *will* occur -- it's just a case of when. CMP is preparing to break into a power generation company AND a transmission and distribution company. Arthur says there will be a lot of choices, options and "packages" when that happens -- and some confusion on the part of customers to go with it. Deregulation of the electric industry, he says, is one of the last because there are so many complexities. But, he notes, other countries have proven it is feasible. With more than 100 electric utilities in New England today, tomorrow's challenge of providing constant, stable voltage to every user will be considerable.

Thank you, Tony Wagner, for an interesting and informative program.

HAPPY DOLLARS:

- Mick M. -- son surprised him by getting married, in Hawaii! (Got outta that one, Mick!)
- Jeff G. -- Daughter Erin is 2nd fastest backstroke swimmer in Maine! But, Cape will miss her; she'll be in Uruguay next year. And their son, Jeremy, will be in Bolivia. (Got lots of postage stamps, Jeff?)
- Frank G. -- his son is now 21.
- Dan G. -- for the CEHS athletic teams.
- Bob P. -- his son met Dan Mooers in Anaheim. Small Rotary world, eh, Bob?
- Tony W. -- got a huge package from Wayne G. with (guess what?) -- Christmas tree sales instructions!
- Bob C. -- got a note, and a happy dollar, from Bill K.

And, in a major activity tonight:

Mike Cantlin received his pin as our newest member. Mike was graduated from the U. of Wisconsin in forestry and is working with Lucas Tree Co. as an arborist.

WELCOME, MIKE!

Notes from all over:

- B. J. Nicholson was our raffle winner tonight.
- Adrienne Murphy is asking each of us to review the **Vocational Resource List** AND to add at least five names each to this valuable resource. These are friends, neighbors, colleagues who would be willing simply to talk with young high school students who may be interested in a particular profession. This list is used by Guidance Counselors as a resource and is a significant community service on our part. Get your names to Adrienne and do your part to serve.
- Alec Livingston and Dan Davidson noted that a challenge was made last summer: Dan offered \$100 to the **Len King Scholarship Fund** if at least four other members would donate at least \$25 each to match the \$100. **AT LEAST SIX ROTARIANS RAISED A HAND THAT NIGHT.** Dan's money has been in the Fund for a long time but the Club records don't show any of the matching donations. If you raised your hand, or would like to donate now, see Alec or Dan. If you did pay your pledge, please provide Alec with a copy of your check so we can straighten out the accounting. The Len King Fund thanks all of you!

LEN KING & TOM HENNESSEY

A special thanks to Alec for his love and thoughtfulness in reminding each of us of our departed fellow Rotarians. Alec provided a special tribute tonight for these two wonderful men. All who knew them miss them greatly.

Oh, I could have rambled on a bit here -- or provided a wonderfully entertaining original short story or two. But, here by popular demand, is some additional doodling space for those of you of a literary bent. Enjoy!

Last week I reported a new Yarmouth Rotary Club which meets Mondays at 7 a.m. (starting March 11th). Now I also know WHERE: at Downeast Village on Rte. 1 in Yarmouth, just north of the Royal River Bridge, on the right before Shop & Save Plaza.

Meg Baxter, President, United Way of Greater Portland

Meg has been with our U/W since 1989 and with U/W overall a total of 24 years. She is a Cape resident and was brought to us by Laurenz Schmidt.

"Your Rotary principals are very similar to the concepts that lead United Way," Meg told us. Among her comments tonight:

She feels Washington is pushing more and more responsibility for social services to local levels. Entitlement programs are likely to be capped. Block grants will have to be competed for by all human services functions, e.g. day care, substance abuse, etc. The gap in federal funding today now means that a 72% increase in charitable giving will have to occur to make up the difference by 2002. VOCATIONAL SERVICE RESOURCE LIST:

Hey, this is part of what we do! What a shame to hear Adrienne say that only ONE Rotarian had responded to her requests to add to our resource list. ALL IT REQUIRES is to call several friends or neighbors, ask them if they would allow us to list them as someone to whom a young person could talk about their vocation. Then fill in the form and return it to Adrienne. It should take less than 15 minutes to get five or more names! C'mon Rotarians -- just like the Nike ad says: JUST DO IT! This list can really be helpful!

BOWL-A-THON COMING APRIL 13

Jeff Gabrielson reports on an April 13 (a Saturday) fund raiser to support a pilot program on substance abuse prevention in area schools. It will be held at Yankee Lanes from 11 a.m. to 1 p.m., followed by a luncheon. Our committee is working to involve all area Rotary clubs in this worthwhile effort. Three-person teams are needed at \$200 per team. Hopes are to raise \$8-10,000. A flyer and more information will be coming soon. Mark your calendar and go scout out some teams to participate!

THE ROTARY FOUR-WAY TEST:

- (a reminder of what we stand for)
- Is it the TRUTH?
 - Is it FAIR to all concerned?
 - Will it build GOODWILL and BETTER FRIENDSHIPS?
 - Will it be BENEFICIAL to all concerned?

OK, one last shot from the February editor: Three Rotarians travelling to a conference, got caught in awful weather, pulled into a motel for emergency shelter, and found only one room left available. They took it and paid \$30 for the room (\$10 each). While they were unpacking, the desk clerk noticed there had been a special that night at \$25 per room, so he called the bell hop, gave him the \$5 overcharge and told him to return it to the three men. On his way to the room, the boy decided these guys -- three Rotarians -- would probably never figure out how to divide \$5 evenly among the three of them. So he pocketed \$2, knocked on the door, told them they had been overcharged and gave them \$3 (each). So now, instead of \$10 each for the room, they paid \$9 each -- or a total of 3x9 = \$27. The bell boy had kept \$27 + \$2 = \$29. Where did the other dollar go? (for answer, see next week's bulletin editor)

Has Wayne Called You?

Member after member spoke this past week indicating that they had received a phone call from Wayne Goodrich this past week. We heard that Wayne was planning a bike ride in the Florida sun and had lost some weight. We also heard that he is keeping tabs on our current President.

Wayne will be in the area this coming week as he plans to attend the Club President-Elects Training Seminar in Nashua, New Hampshire on March 15th, and March 16th.

Speaking of Wayne

Rotary International President Elect Luis Vicente Giard has announced that the theme of Rotary during Wayne's year as Club President will be *Build the Future with Action and Vision*.

The announcement was made at the recent International Assembly in Anaheim, California, USA, attended by Governor Elect Craig Wellman and at which Dan Mooers was one of the two keynote speakers.

Ray Frost Nephew Thanks Warren Simpson

Roger Frost is the District Governor Elect of District 7910 in Massachusetts and is the nephew of our longtime Secretary and distinguished member, Ray Frost. He recently received a copy of our Club History which was authored by Warren Simpson. Roger wrote to our Club,

Reading these minutes makes me very proud of the many years of devoted service that he gave to Rotary, and I am happy to follow in his footsteps and to inspire Rotarians to give service to others. These minutes mean a great deal to me...

McLaughlin Visits

Janet McLaughlin, one of the District's outgoing GSE Team members visited our Club at the invitation of Nancy Hawes. Janet leaves for Buenos Aires on April 7th. Nancy presented Janet with a photo album page. The actual album arrived at Nancy's home by UPS while she was at Rotary. Janet thanked the Club for sponsoring her.

Seen Any Mountain Cats?

Mark McClure, the CEO of the Portland Mountain Cats updated the Club on this new USBL franchise. The team will play 13 home games at the Civic Center. (Not the one in Cape Elizabeth). Ticket prices will be \$7 for adults and \$3 for children with the season extending from May to the end of June. The marquee player will be Manute Bol who will make a cameo appearance at our Club meeting on March 20, 1996. Cameo means small or of short duration, but Manute is 7 feet, 7 inches tall so he will certainly have the distinction of being our tallest ever guest.

Stock Tips

Thank you to Paul Butler and Dan Davidson for handling bulletin duties this past month. Paul is recommending two stocks this month. Bostitch, a maker of staples, and Swingline, a maker of staplers. This month's bulletin editor will try not to overly staple your bulletin.

Other Tips

Hoops at CEMS March 14th and 25th and April 4th. Dick Rawlings sends the Club good wishes from NH Register for Calgary by March 30th to save \$ Joe Conroy won the raffle prize given by Dan Mooers Kathy Ray provided an exceptional invocation. Is "She's a Jolly Good Fellow" an anatomically correct song? The Club will sponsor a Theater Night in June

Goodrich Visits P.E.T.S.

Among the 369 Rotary President-Elects seen in Nashua, NH this past weekend was our very own Wayne Goodrich sporting his Florida tan. Wayne heard moving speeches from Luis Vicente Giay, the incoming president of Rotary International, from Past RI Director Rick King, from current Director Dan Mooers and from future Director Bob Coultas.

He also attended two meetings with Governor George Rice, incoming Governor Craig Wellman and with District Governor Designate Marie Williams.

Mike McGovern also attended the event serving as a facilitator.

Schooner Fare Tuning Up

Our Rotary Club is once again offering an opportunity to hear Maine's foremost folk singing group. A Schooner Fare Concert will be held on Thursday, April 4, 1996 at 7:30 p.m. at the cafetorium in the Cape Elizabeth Middle School. Proceeds from the concert will go to South Portland and Cape Elizabeth youth athletic programs. Tickets are \$10 for adults, \$8 for senior citizens and \$5 for children. Tickets may be purchased at the door or for advanced tickets, please call Bob Flynn at 767-7388 or Roy Dunfey at 799-5105.

Parents Against Tired Truckers.

Our speakers this past week updated the Club on the group *Parents Against Tired Truckers*. Dave Nisbet had invited the speakers to inform us of the tragic history in Maine and elsewhere of persons losing their lives as a result of truckers spending too much time on the road. The photos of those who have lost their lives were especially striking.

Thank you to all the members who have lined up their speakers so far in advance and who have notified Program Chairman Paul Butler.

District Assembly

The District Assembly will be on April 27th. All incoming officers and directors should plan to attend.

Sorry Joanne

The roster in last week's bulletin inadvertently omitted Joanne LeClair. The roster will again be published on the back of next week's bulletin. Please forward any other corrections to Mike McGovern as soon as possible.

Kremer Solves Puzzle

Steve Kremer was the only member to solve the puzzle in the bulletin two weeks ago. Congratulations Steve!

Team to Visit from Argentina

The Group Study Exchange team will be here in June. If you are able to offer a tour of your business, offer your home for a few days or otherwise assist, please give Nancy Hawes a call. Information on the visiting team is on the reverse.

Meet GSE Team Argentina . . .

Team Leader Hector De La Esperanza - Hector is 61 years old, married to Nelly and has a son, daughter and two grandchildren. Hector and Nelly live in Caseros and work in the Optical and Contact Lens field. Hector is also a professional photographer for social events. Hector is an active member of SCOUT (USCA) ACA and is the secretary of the UOyCA (Argentine Opticians Union) He was a founding member of the Rotary Club of Caseros Sur in 1987. Hector was secretary of the club from 1990/1991 and president from 1991/1992. He is also a member of the SCM, Polio Plus and IGE Committees and President of the Clubs and District Brotherhood. He was a presenter at the 1993 and 1994 District Conferences and President of the Rotary Foundation's Annual Seminary in 1995. Hector was also a Representative of the Governor and his wife.

Eduardo R. Moran - Eduardo is 25 years old and lives in Monte Grande (pop. 240,000) about 20 miles from Buenos Aires City. As a Rotary Exchange Student in 1994, Eduardo attended Texas Lutheran College and studied business and finance. Eduardo recently completed a 6 month internship with Creditstalt Bank as a Commercial Officer and also with ESSO as a Credit Officer. He is currently employed at Citibank where after a 12 month managerial training program he will be assigned as a Direct Marketing Product Manager. Eduardo plays rugby and racquetball and windsurfs. He is a big fan of the NBA and NCAA basketball. His favorite teams are the San Antonio Spurs and the Kentucky Wildcats. When visiting our District he would like to visit Direct Marketing Service of banks and other companies, a Citibank Division or Branch Office, University Departments or Professors of Direct Marketing. He would also like to meet with community representatives, visit government buildings and chambers and college campuses.

Norma Isabel Requejo - Norma is 31 years old, single and graduated as a translator from the Catholic University of Argentina. She works in the Import/Export wine and champagne business and supervises all of the translations of documents in English and Portuguese. Norma has many expectations of her trip to our District and they are all centered on one single purpose: to learn as much as she can about the traditions and customs of the area and USA. She would like to visit the Harvard University Campus, a Court of Law, Museums, Historic places and flea markets. Norma walks one hour every day and would like to continue her routine here in the states.

Marcela Lacoste De Albinj - Marcela is 39 years old and is married to Luis. They have three children, two sons, Pedro 15, Mariano 12 and a daughter Lucilla 13. She attended the Teacher's Training College and the University of Moron and obtained her degree as a Sworn Translator and University Professor. Marcela's activities include Yoga, jogging, music and loves all kinds of food. While here, she would like to visit Universities, schools and a Court of Law.

Alicia F. Goldfain - Alicia is presently working for Laboratories Rontag, an Argentine Pharmaceutical Company, and recently began a new career as a Counselor. She has also worked in the fields of internal auditing and is a CPA. Alicia is single and takes gym classes, plays racquetball and bikes. She loves outdoor activities. When visiting our District Alicia would like to visit Harvard, MIT, historic places and places associated with the development of our country and any musical event.

Erica Falvia Alio - Erica is 23 and married to Gustavo. They live in La tablada near Buenos Aires. Erica works as an English teacher for several secondary schools. In a few months she will graduate as an English-Spanish translator at Escuela Nacional en Lenguas Vivas. Erica likes art and music and will begin studies next year to become a singer. Her diet is salt free vegetarian food. While here, Erica would like to visit theatres, schools of art and music, libraries and museums.

Remove the Pine Needles

Jeff Hobbs is looking for volunteers for this coming Saturday morning March 30, 1996 to help clean up the Christmas tree lot at Mill Creek Park. Please meet at 8 A.M. with good gloves a sturdy rake and a shovel. The City of South Portland has done some cleaning, but we should do some extra sprucing up. Call Jeff for details.

Ending the Pine Boards

Thank you to Dan Davidson for organizing another fine season of Rotary basketball in the recently improved Cape Elizabeth Middle School Gymnasium. The last outing was Monday, March 25, 1996. The season had begun last November 20th. Unlike most seasons, we were virtually injury free.

The Pins are Being Set

Bill Daviero, Jeff Gabrielson, Bob Flynn, and BJ Nicholson have started planning the club bowlathon fund-raiser. All funds raised will go to help substance abuse programs in the area. They are looking for team commitments by April 10, 1996 for this event to occur later in the Spring. It is hoped that local companies will sponsor teams for \$200 each. See any one of the above Rotarians for more information.

The Plight of the Zapatistas

MEXICO

This past week we heard of the plight of the people in the region of Chiappas, Mexico. Joe Conroy introduced Susan Peabody and John Malley who told of the plight of the impoverished residents of this area and of the political repression suffered by them. We also saw slights that showed some bright faces among a people who struggle each day to have even the basic subsistence.

Mooers on the Road

Dan and Shirley Mooers are off to Australia where they will be the official representatives of RI President Herb Brown at a District Conference in the Brisbane area. The particular District they are visiting is the home District of 1997-1998 RI President Glen W. Kinross. They will also be visiting Vanuatu which is an island nation in the South Pacific.
