## BOWLING TOURNAMENT PLANNING CONTINUES

We have heard an additional report of the upcoming bowlathon. Bill Daviero, Jeff Gabrielson, Bob Flynn, and BJ Nicholson have now received the first pledges. All funds raised will go to help substance abuse programs in the area. They are looking for team commitments by April 10, 1996 for this event on April 13, 1996. It is hoped that local companies will sponsor teams for \$200 each. The event will be held at Yankee Lanes on Riverside Street in Portland and will include bowling from 11 a.m. to 1 p.m. and a buffet meal thereafter. This sounds like a fun event.

## Schooner Fare Warming up

This coming Thursday night, April 4, 1996 is the date of the Schooner Fare Concert sponsored by the Club for youth activities in South Portland and Cape Elizabeth. Ticket sales are going well for this event at 7:30 p.m. at the cafetorium in the Cape Elizabeth Middle School. Tickets are \$10 for adults, \$8 for senior citizens and \$5 for children. Tickets may be purchased at the door. Please call Bob Flynn at 767-7388 or Roy Dunfey at 799-5105 for additional information.

## Welcome Back Dieter

It was good to see Dieter Schnauk back with us this past week. Dieter will be formally reintroduced back into the club upon the return of President Alec.

## Happy Anniversary

Happy 25<sup>th</sup> Anniversary to Jack and Shari Roberts who will reach this milestone on April 3<sup>rd</sup>.

Happy Anniversary to Dick and Mary Kilroy for 48 years on April 29<sup>th</sup>.

## Arkangel Exchange Continues

Dan Glover, the founder of the Sister City Relationship between Greater Portland and Arkangel, Russia was present this past week with an enlightening program on the many successes of this endeavor. We saw beautiful slides of the Russian people and heard of an opportunity to participate in a tour of the area and Moscow and St. Petersburg. We also heard that students from Arkangel will be visiting Yarmouth and Cape Elizabeth over the next few weeks.

## WELCOME HOME WAYNE AND BILL!!

The last two weeks have provided the club evidence that Spring is surely on the way as "snowbirds" Wayne Goodrich and Bill Kourakos made their return north. The poor weather in the past few days serves as a taste for these members of what the rest of the club has had to endure all winter long. Welcome back!!

## SPEAKERS

On April 3rd, the club heard from Alexandra (Sani) Wolf Fogel about The Maine Grants Information Center. The Center serves as a clearinghouse of information for grants to the entire state of Maine. One of its main tasks is bringing more grant money into the state of Maine. Thank you to Bob Danielson for bringing Sani to the club to tell us of her worthwhile endeavors.

On April 10th, Stacy Rendall addressed the club about the medical conditions she witnessed in the Dominican Republic. You may recall that the club helped to sponsor Stacy, a nursing student, with her trip back in January. The presentation and slide show that she brought were quite impressive. Although by any standard these people live in primitive conditions, the joy and warmth that these people felt for Stacy was quite apparent. In the 10 day period that the group was in the Dominican Republic, they treated over 2,000 people. Thank you to Stacy for providing a wonderful example of Service Above Self.

## WELCOME DAVID

On April 10th, the club welcomed its newest member, David Lourie. David lives in Cape Elizabeth with the classification of Attorney at Law.

## DISTRICT ASSEMBLY

The District Assembly is coming up on April 27th. It will be held at the University of New England in Biddeford starting at 8:00 am. All incoming officers and directors should make every effort to attend.

## SOUP KITCHEN

On April 9th, the club once again served at the Preble Street Resource Center not soup but hot meals to the needy. Thank you to:

Adrienne Murphy  
Bill Stanton  
Mike Cantlin  
Kelly & Kendall Smith  
B.J. Nicholson  
Joanne LeClair

And, also, continued thanks to Joe Conroy for leading this urgently needed project.

## BOWLING TOURNAMENT A SUCCESS!!

The club was in high gear last weekend as it was involved with two distinct projects. In its first year, the annual bowling tournament netted about \$2,000. More importantly, a good time was had by all. Jeff Gabrielson was the high scorer at 187. Tony Wagner won the high series with a 458. The high team was Higgins Carpet at 780. Thanks to all who participated. A final listing will be published in a subsequent issue of the bulletin. Special thank you's to Jeff Gabrielson, B.J. Nicholson and Bill Daviero who co-chaired this event.

## ROTARIANS BUILD RAMP

In addition to the bowling tournament, on Saturday the 13th, Rotarians were busy building an access ramp for Kayleigh Austin, a young South Portland girl who inexplicably lapsed into a coma six months ago. Kayleigh is doing much better and this past week had her tracheotomy tube removed. Portland Rotarian, Marv Finnegan, who worked with us Saturday, has almost singlehandedly organized support for Kayleigh and her family. Our own Kathy Ray and Loretta Rowe, Vice President of the Rotary Club of Portland, were seen operating a mechanical post hole digger donated by Handyman Rental of South Portland. Jack Roberts spent over eight hours on the scene and recruited carpenters, Ed Rombolski and John Richards, to assist. Wayne Goodrich, Bill Stanton and Joe Conroy drilled posts, hauled wood and nailed boards. Guiding us were George Waterman, Peter Bourgoin and John Jellison. Neighbors brought cookies and coffees and the girl's mother, Cathy, was helpful and thankful throughout the day. Mike McGovern chaired this activity for the club, and thanks to all who participated.

## PROGRAM

This week, the club heard about the latest subdevelopment in the community. Juan Perez, Amy Bell and Terry Dewan addressed the club about the Dominicus Crossing subdivision. The project is now in the final stages of the approval process. A unique feature of the subdivision will be the inclusion of some low and moderately priced homes to present a balanced type of neighborhood. If all goes well, the first phase will begin next spring. Good luck Juan, Amy and Terry.

## WELCOME SUZANNE

On April 17, the club welcomed its newest member, Suzanne DuBois. Suzanne lives in South Portland with the classification of insurance.

## DISTRICT ASSEMBLY

The District Assembly is coming up on April 27th. It will be held at the University of New England in Biddeford starting at 8:00 am and running until approximately 3:00 pm. All incoming officers and directors are encouraged to attend.

## SLACKER EDITOR RETURNS

After three months absence, your regular editor (NH) has left her ten-key (actually a computer) to get back to her typewriter (actually a computer). I am very thankful to **Dan Davidson**, **Mike McGovern** and **Jim Russell**, who very ably filled in for me during Feb. - April. I could not serve as bulletin editor if it were not for their help.

At the session for bulletin editors at the District Assembly (see story later) we tried to explain to the new Yarmouth club what the purpose of the bulletin was. Part of the purpose is to remind members of the club activities that need to be put on their calendars. And we're starting to get to that time of year where there are *many*. For example:

**May 19 - 22** - The Group Study Exchange team from Argentina will be in the Portland area. If you can host one of them (there are 3 women and 2 men) or if you can take the time to escort them for any part of the day Mon - Wed please let me (Nancy H.) know. Also, if you have any ideas for activities they should participate in, please let me know. Mike received a card from **Janet McLaughlin** saying she is being very well-treated down there so we need to make sure the hospitality is reciprocated!

**June 7** - Play Ball! The Casco Bay Sunrise Club has invited us to attend a **Sea Dogs** game in the picnic area on Friday, June 7. This is a spouses event, and Judy Bennett of the Sunrise Club says they can have up to 125 tickets so there should be room for other guests as well.

**June 13** - Life is a cabaret, so come to **Cabaret**, at Theater Night on June 13. Note that this is a Thursday so there will be no meeting the night before (June 12), which works out fine since the Purpoodock was going to kick us out that night anyway.

**June 15** - The fried dough circuit begins with **Cape Family Fun Day**.

**June 20** - The annual changing of the guard will take place at the McKernan Center at SMTC. Note

that this also is a Thursday instead of our usual Wed. meeting. Please bring your spouse.

## COMINGS AND GOINGS

**Dick Kilroy** is back from Florida early because he sold his house (don't worry; it doesn't mean he's leaving the Cape!)

President **Alec** is also back from Florida.

**Bob Carson** is leaving for Florida for 2 weeks.

**Frank Gemme** just came back from a 2-week trip to Spain.

Someone should tell **Sam Giftos** that winter is over and it's safe to come back.

## THE MEETING OF APRIL 24

The vital statistics:

Wayne brought **Tom Hazel** as his guest. We also welcomed new member **David Lourie**.

Wayne won the raffle, the second time in 3 weeks so he turned it back in to let Bob Flynn win the fire extinguisher donated by Jack Roberts.

Our speaker, brought to us by **Bill Daviero**, was **Henry Bourgeois**, president of the Maine Development Foundation. Henry figures he has the best job in Maine. The Maine Development Foundation's job is to position Maine to compete economically in the 21st century. They are doing that through programs such as the Maine Economic Growth Council, Leadership Maine, Institute on Maine Economy, Aspirations, and other programs. Thank you, Bill and Henry, for this very enjoyable and interesting program!

## UPCOMING PROGRAMS

May 8 - **Tom Higgins**, Postal Inspector

May 15 - **Wally Wallace**, New England Mountain Bike.

## BELATED CONGRATULATIONS!

Somewhere along the line, the list of birthdays & anniversaries didn't get passed on to Jim Russell, so here are the anniversaries that were celebrated in April:

*April Fools Day - Bob & Peggy Packer*

*April 3 - Jack & Shari Roberts (25th)*

*April 29 - Dick & Mary Kilroy*

April 3 was also *BJ Nicholson's* birthday, and April 25 was *Bill Daviero's*. We haven't missed it yet so you still have an opportunity to wish *Mike & Pat Cantlin* a happy anniversary on May 6.

### WHAT I LEARNED AT THE DISTRICT ASSEMBLY

Eight of us from SP-CE attended the District Assembly at UNE on a beautiful sunny Saturday (it never fails!) on April 27: **Kathy Ray, Paul Butler, Jim Russell, Tony Wagner, Nancy Hawes, Wayne Goodrich, Mike McGovern & Dan Mooers.** The keynote speaker was **Lou Piconi** from near Pittsburgh, whose advice was "If it isn't fun, don't do it." He took this to heart when

planning his District Conference the year he was governor - they had it on a cruise ship and held meetings on the beach! Other news from the Assembly:

\*If you were counting, there were 9 Presidents-Elect there who were not male.

\*Next year's district conference will be at The Colony Hotel in Kennebunkport.

\*Marie Williams has submitted districts in Iceland, Finland and Bulgaria/Greece as her 1st, 2nd & 3rd choices for Group Study Exchange for 97-98.

\*Our district insurance policy covers liability for all club functions except . . . bungee jumping! (I hope this won't interfere with any of Wayne's plans for the club next year.)

\*The Yarmouth club is up and running and has 23 members so far. (They meet Mondays at 7 a.m. at the Down East restaurant on Rte. 1.)

The District Assembly is the forum for next year's District Governor to make his debut. **Craig Williams** of Kennebunk was the luncheon speaker and gave the district a sense that if anyone can fill **George Rice's** capable shoes, it's Craig.

## ROTARY INFORMATION NIGHT

Better late than never, so even though January was Rotary Information Month, we celebrated it on May Day. With **Bob Lindsey** serving as our own Alex Trebek, a Team of South Portlanders (**Joe Conroy**, **Phil Dube** and **Jack Roberts**) pitted their Rotary trivia knowledge against the Cape Elizabethans (**Adrienne Murphy**, **Bill Kourakos** and **Mike McGovern**). **Steve Kremer** kept score in the closely matched game as contestants answered questions about RI History, RI Today, the Foundation, and Local trivia. The questions ranged from the first Rotary club's first president (**Silvester Schiele**) to our club's first president (**Dick Kilroy**) to our newest member (**Suzanne DuBois**); from where Paul Harris grew up (Vermont) to where George Rice hails from (Oxford Hills); from how much we made on the first Christmas tree sale (\$422) to the last tree sale (\$26,448). Time and the questions ran out at about the same time, but there were a few questions left over which are printed on the back side.

### CONGRATULATIONS TO:

**Laura Maher** for winning 4 Red Sox tickets donated as the raffle prize by **Jim Russell**;

**Mick Maher** because Laura won't be able to make it to the game and will have to give away the tickets;

**Bill Daviero's daughter** who was accepted into a BU program to study in Sydney next year;

**Nick Pappas' daughter** who is graduating from law school;

**Bob Flynn** for achieving 6.6% bodyfat;

**Mike & Pat Cantlin** for their new house in Falmouth, and for their 7th wedding anniversary on May 6;

**Bob Packer** who celebrates his birthday on May 9, and

**Sam and Helene Giftos**, who celebrate their 55th wedding anniversary on May 9!

## FROM THE BOARD ROOM

At its Board meeting before the May 1 meeting the Board quickly dispatched several items of business. The Board approved a contribution toward a foos ball table for a new non-denominational Teen Center at St. John the Evangelist Church in South Portland.

The Board also approved a donation for a local student who is raising money to participate in a volunteer program overseas. This is the third such contribution the Board has authorized in the past year. In these programs the students get involved in hands-on work projects in an impoverished area. From all the information presented to the Board, it appears that the object of these programs is service rather than education or self-improvement, and we applaud these students for taking such an interest in Service above Self.

The Board tabled a request from the Spring Point Museum - not because of an inability to decide whether to give them money, but in order to consider how much to give them.

## WHAT A WONDERFUL DAY!

It was **Don Day** night at Purpoodock on May 8 as Don led us in singing (Zippity doo dah) and also brought us the program. Tom Higgins, a U.S. postal inspector from Boston explained to us what postal inspectors do. Although most people don't realize the role postal inspectors play, they are involved in a lot of high profile cases. For example postal inspectors investigated the Unabomber case, the Ivan Boesky and Milliken cases, Jim & Tammy Faye Bakker, and even Butch Cassidy and the Sundance Kid! Interestingly, there was a news story the morning after Tom spoke to us about postal inspectors cracking a massive child pornography ring.

Tom is involved mainly in investigating mail fraud and he discussed what constitutes mail fraud and how to recognize it. He said to remember that if it sounds too good to be true, it is! Thanks to Don and Tom for this very interesting program!

## MISPRINTS GALORE!

Sharp-eyed Wayne Goodrich pointed out an error in the bulletin from 2 weeks ago: I incorrectly referred to our next District Governor as Craig *Williams* rather than Craig *Wellman*, confusing his name with Marie Williams, our District Governor after Craig. As just punishment for this journalistic gaffe I was misidentified myself in the Portland Press Herald - an article about the accident on the Veterans Bridge said that I was the person injured. I was not injured (the man who was hurt was not even mentioned) and I thank everyone who inquired about how I was doing.

It was also pointed out (by the Cape Elizabeth team) that I neglected to mention the winner of the Rotary Trivia Contest last week. Being a resident of South Portland, I viewed the match as a fun and educational experience in which the winner was irrelevant. However the competitive Capers insist

on making it known that the Cape Elizabeth team won the quiz. Are they prepared to defend their title in a rematch?

## COME TO THE CABARET!

Everyone should have received their 6 tickets to Theater Night on Thursday, June 13. **Bill Kourakos, Bob Packer and Mike Cantlin** are in charge of this fundraising event and encourage everyone to sell their tickets. How about giving tickets as a Fathers' Day gift? Or invite a valued client or customer to the show. If you cannot sell your tickets they must be turned in by May 29; otherwise it will be assumed that they are sold.

## TAKE ME OUT TO THE BALL PARK

We sing it so often and now it's time to actually *do* it. The Casco Bay Sunrise Club has invited us to attend the SeaDogs game on June 7 with them. If you plan to attend, Alec needs to have your payment (\$15 apiece-includes meal) by May 15. Spouses and guests are welcome (a good opportunity to invite a friend who may be interested in Rotary). Although our regular June 5 meeting has not been cancelled, the SeaDogs game can count as a makeup.

## CELEBRATIONS

**Jim Higgins (5/11)** and **Bill York (5/14)** are celebrating birthdays this week.

Anniversary congratulations go to:

- Don & Grace Day - 30 years (5/14)**
- Bob & Kathy Lindsey - 3 years (5/15)**
- Frank & Lynne Gemme - 29 years (5/20)**

*And speaking of Anniversaries*, Sam Giftos avoided giving happy dollars for his 55 years of marriage by scooting out of the 5/8 meeting with his pals Phil Dube and Warren Simpson to go to a Pirates game. Surely heavy fines must be in order for this!

## FRIED DOUGH CHEF VISITS CLUB!

Just as last week was Don Day night, this week was **Dube** night. (It seems the schedule has temporarily fallen into a pattern where the same person leads the singing and provides the program.) Phil Dube led us in singing "Bicycle Built for Two," then introduced us to someone who could tell us how to buy that bicycle built for two, as well as lots of other styles. More importantly, Phil brought along his guest, **Matt Dube**, whom most of us know as a Christmas tree unloader and a fried dough roller. Matt is such a hard worker that he's an inspiration to the whole club and it was great to see him at the meeting.

Our speaker, **Wally Wallace** of New England Mountain Bike, spoke briefly about biking in general (it's 53 times more efficient than driving a car!) then told us how to select a bike. The factors to consider are:

- Whether you'll be using it for riding on the road or trails (determines type of tire);
- How far will you be riding (determines style of seat and shape of handlebars);
- Weight of the bike (new materials are very light-weight);
- Make sure the bike fits you.

Wally brought along samples of different seats, handlebars etc. which helped to make this a very informative and interesting program. Our thanks to Wally, Phil and Matt for bringing us this very timely program.

## NEXT WEEK: INTERNATIONAL NIGHT

Our program next week will be Bobbi Byrd, who is the district's **youth exchange** coordinator. Bobbi writes an article each month in the District Governor's newsletter and it sounds like they have had a busy year. Bobbi and her husband Henry (both members of the Freeport club) recently took the exchange students down to Boston for three days. Our club has not been involved with youth exchange for a few years so it will be interesting to hear what's going on in that area. On the same night the **Group Study Exchange** team from Argentina will be visiting our club. From my brief introduction to them at the airport they seem like a

very engaging group of people, so this promises to be a very fun evening.

## WELCOME, SAM!

**Sam Rinaldi** is our newest member. He works for Direct Mail of Maine and was sponsored by (naturally) Don Day. Don was rather brief in his introduction so stay tuned for more information about him in a future issue once I dig up the facts. In the meantime we're delighted to have you with us, Sam!

## REMINDERS:

**Cabaret** - Enclosed with this week's bulletin are flyers to use in advertising for Cabaret. Thanks go to **Dan Davidson** for making these up for us.

**Sea Dogs** - The Casco Bay Sunrise Club needed payment by May 16, so the club has paid on behalf of those who said they were definitely going but haven't paid yet. If you are one of these people, remember to reimburse the club. If you have not signed up but want to go to the game on June 7, see Wayne.

**Softball** - Jack Roberts says the Portland club has challenged us to a softball game. If you're interested and he hasn't already contacted you, let him know. He will be providing details as they become available.

## DISHING OUT SOUP . . .

at the soup kitchen on Tuesday were **Matt & David Lourie, Aaron & Curtis Dulac** (with their grandfather **Sam Giftos**), **Kendall Hinkley** (with her mother **Kelly Smith**), **Bob Packer, Bill Stanton, Sharon & Alec Livingston, Dan Davidson, Phil Dube, Joe Conroy** and **Nancy Hawes** (I hope I haven't missed anyone).

**Happy 20th Anniversary to Dave & MaryEllen Nisbet on Wed, May 29!**

*Thanks to Sam Giftos for volunteering to get our flag washed so it will no longer be red, gray & blue!*

# Governor's Monthly Message . . .

Dear District 7780 Rotarians,

Our congratulations and compliments go to DGN Craig Wellman, Assembly Chair and PE Doug Coleman, and the Kennebunk Rotarians on a well attended, well presented, informative and fun 1996 District Assembly.

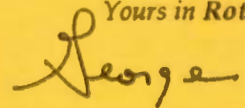

Have you ever been asked "What is Rotary?". Of course you have. By proper definition Rotary is "an organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build good will and peace in the world". When I think of Rotary 3 words come to mind - *People Helping People*. I was reminded of this simplicity at our District Assembly when we all watched the video of Kerry Carson, a victim of Aids, trying to help some of her peers avoid the trauma she was experiencing. -*People Helping People*. A few minutes later we heard of Sarah Herlihy's experience as an Ambassadorial Scholar and what it means to her to be a Foundation Alumnus. Her experience was made possible by contributions to Our Rotary Foundation by District 7780 Rotarians - *People Helping People*. On May 5, Ginny and I had the opportunity to meet the District 4900 Group Study

Exchange Team when they arrived at Portland, and saw the excitement in their eyes as they were about to begin their visit here in our district. They were met by the GSE committee members, who planned and arranged their itinerary for their stay here - strangers until then - now friends forever - *People Helping People*. About 2 hours later our District 7780 GSE Team led by Portland Rotarian Sarah Luck, arrived. I'll not soon forget the look of pride and gratification in each member's eyes as they exclaimed what a

wonderful enriching experience they had enjoyed. Again this program is made possible by support of Our Rotary Foundation - *People Helping People*. These events all occurred over a span of eight days. It is little wonder why when I think of Rotary *People Helping People* comes to mind. *People ARE Helping People* through Rotary every day and everywhere in this world of ours.

The District Conference Committee and the entire Rotary Club of Oxford Hills has continued to work tirelessly to plan and arrange a great Conference for all District 7780 Rotarians and guests. We anxiously await the next few days until Conference 96 begins on May 30. We look forward to seeing YOU at The Summit and celebrate our year of service together led by RI President Herb Brown and his theme, *Act with Integrity, Serve with Love and Work for Peace*.

Yours in Rotary,

## BUENOS AIRES NIGHT AT PURPODOCK

It was a very full house at Purpodock as we welcomed our Group Study Exchange visitors from Argentina, as well as their hosts and some of the team members who went from our district to Argentina. In addition to the GSE team (whose names and addresses are on the back if you're interested), we were joined by:

- Sarah Lück of the Portland club (team leader to Argentina and Hector's host)
  - Janet McLaughlin (team member to Argentina, host to Erica, and new chairman of the CE town council)
  - Lynne Gemme (Eduardo's host, along with Frank)
  - Mary LaBrecque (Norma's host), and
  - Stan Tenpenny (team member to Argentina).
- Dave Nisbet also brought *Bud Elliot* as his guest.

This was about the 2/3 point for the GSE team as they head into the home stretch of their visit here. They were in the greater Portland area from Sun, 5/19 through Thursday morning, 5/23. In that time they toured Idexx, the Bankruptcy Court, Maine College of Art, Portland Arts & Technology High School, Portland Head Light Museum (they got to go up in the tower!) and the Portland Museum of Art. They attended the Yarmouth, Scarborough, SPCE and Casco Bay Sunrise Rotary meetings, the Corporate Spelling Bee and Maine World Trade Day (courtesy of our club). They lunched at Brian Boru and DiMillo's (with Debby Hammond from the PSO and Genie O'Brien from the Portland Ballet). They went to a Pirates game, a cancelled Mountain Cats game, and barhopping in the Old Port. They decided that they liked Portland better than Boston, which is a little surprising since they come from a city of 11 million people.

We also had Bobbi Byrd from the Freeport club with us. Bobbi is the district's youth exchange coordinator and was our speaker, at the invitation of Karen Dunfey. Bobbi was a very good sport about having her program shortened due to the GSE team's presentation. She talked to us about Youth Exchange, Friends Forever, RYLA, and the Rotary Friendship Exchange family program. She announced that Karen will be the district's outbound coordinator for youth exchange next year. Karen has worked on the district's youth exchange committee for two years now, and makes a valuable contribution towards this program.

## HERE'S THE SCOOP ON SAM:

Last week we welcomed Sam but didn't know too much about him. It turns out that Samuele (the *e* on the end is not a typo) and his wife Lynne (also with an *e* on the end) are residents of Scarborough. (This means he can play on either team in trivia quizzes.) When asked about children, Sam said they have one "in construction." Sam is from Portland and Lynne is from Hingham, Mass.; they met while at UMO. Sam is into computers and is the MIS director at Direct Mail of Maine. Welcome Sam & Lynne!

## VOLUNTEERS NEEDED

- To help with Project Graduation on the afternoon of Friday, June 7. See Bob Flynn, or sign up at next week's meeting.
- To serve as co-chair of a gumball machine committee. This proposed fundraiser involves placing gumball machines in various businesses, filling them with candy (not necessarily gum) periodically, and collecting the money. Also needed are committee members and any ideas you have for good sites to locate the machines. See Jim Russell or Bob Carson for more info or to volunteer.

## SEADOGS TKTS STILL AVAILABLE

If you have not purchased (or promised to purchase) SeaDogs tickets yet for the June 7 game, it is not too late. Judy Bennett of the Casco Bay Sunrise club has indicated that they can purchase additional tickets up to 48 hours before the game. If you would like to purchase tickets, contact Kathy Ray, Nancy Hawes or Judy Bennett (871-8345).

## A NOTE ON THE JUNE 20 MEETING

We will be meeting on Thursday, June 20 at the McKernan Center at SMTC to hold our annual "changeover" banquet. At this meeting, Alec will hand over the reins to Wayne Goodrich. Spouses are encouraged to attend. Sign-up sheets will be circulated at the next two meetings. Please note that if you sign up, you are promising to attend (and pay!). If you sign up, but cannot attend, you must notify the club by June 13 or find someone to take your place. (We will be charged for the number we tell them will be attending.)

## WHAT'S THE DEAL ON THE SEA DOGS?

Several people have inquired as to what the arrangements are for Friday night. The picnic grove opens at 5:30, and the game starts at 7:00 p.m. Your ticket includes a barbecue (hamburgers and hot dogs) and a box seat ticket. Beer and wine will be available for the first hour of the game. Kathy Ray will distribute the tickets, so get in touch with her if you did not pick them up at the June 5 meeting.

## SPRING POINT AFTER SNOW SQUALL

Many people have the misconception that there is nothing left to the Spring Point Museum now that the Snow Squall is gone. Linda Johnson, co-chair of the Spring Point Museum's Board of Trustees, filled us in otherwise. The departure of the Snow Squall in fact means that the museum has much more space for exhibits and they have been hard at work transforming the building and exhibit space. This year's exhibit which will open soon is entitled "Portland Harbor 1865-1900: Making a Living in Stormy Times." The exhibit tells the story of how Portland adapted to a changing economy in the 19th century, as it tried to keep pace with the rest of the country. Declines in the fishing industry and commercial shipbuilding were offset by an increase in tourism.

The museum is now open for the summer and has doubled the hours that it's open: 10 - 4 Wednesday-Sunday. Admission is \$2.00; members and children admitted free. Thanks to Linda for updating us on the museum, and to Jim Higgins for inviting her to speak to us.

## SOFTBALL:

*Congratulations to Michael McGovern, who has been nominated by our club for the position of District Governor for Rotary year 1998-99. There is no doubt that Mike would make a very capable district governor and an inspiring leader.*

## A NOTE ON UPCOMING MEETINGS

June 12 - No Meeting

June 13 - Cabaret. Remember to sell those tickets! It's supposed to be a great show.

June 19 - Meeting moved to June 20.

June 20 (Thursday) - Meeting at McKernan Center at SMTC. We must have an accurate count so if you sign up but cannot attend, we need to know by June 13.

June 26 - There will be a regular meeting.

July 3 - No meeting (due to our possible participation in the PSO concert).

**MAKE-UP NOTE:** Beginning July 11, the Casco Bay Sunrise Club will be meeting at the Radisson rather than the Holiday Inn.

## ANNIVERSARIES

I had to do some cutting on last week's bulletin and one of the things that didn't make it in was anniversary congratulations, so these have already happened. Belated best wishes go to:

Dave & MaryEllen Nisbet (20 years)  
Bill & Sophie Kourakos (44 years)  
David & Joyce Lourie (24 years)  
Kathy & Alan Ray (17 years)

## AND A BIG BIRTHDAY . . .

June 11 will mark the day when Bob Flynn commemorates many years of living. This may account for the diet he was on recently.

## YET TO BE BORN:

Celebrating their birthdays this fall will be Dave & Kelly Smith's new son, and Mike & Pat Cantlin's first child. Congratulations to the proud parents-to-be!

## WHY DO WE DO IT ALL?

We work so hard selling fried dough in the heat of the Maine Mall parking lot and hauling Christmas trees in the bitter cold, and what for? Well after all that hard work in the frosty cold of December, it's nice to get a warm fuzzy like the one we got from SMTC scholarship recipient **Anna Cota**. Anna is a single mother who works at Alpha One. She is also a full-time nursing student, with a grade point average of 3.83. In her essay which the school required her to write to apply for our scholarship, she expressed a real interest in serving others. For someone like Anna, the \$1,000 scholarship she received can make a world of difference, and she came to our June 5 meeting to express her thanks.

We wish Anna all the best in her studies and future career. Many thanks go to vocational service director **Adrienne Murphy**, who initiated the connection with SMTC and brought this new scholarship to fruition.

## JUNE IS PLAY MONTH FOR SPCE

"Play" as in play ball, and "play" as in the theatre. On June 7 we watched the Sea Dogs win against the Bowie Bay Sox (where *is* Bowie Bay?) as guests of the Casco Bay Sunrise club. The weather even cooperated as we enjoyed a barbecue, the ball game and each other's company. It was a lot of fun and everyone seemed to agree that it was something we would enjoy doing again.

On June 13 we attended Theater Night as the Portland Players presented Cabaret. The play, which received good reviews in the paper, lived up to its reviews. The costumes, the sets, the singing and dancing were all very well done. Preliminary word is that we did well financially on this event as well, thanks to **Bill Kourakos**, **Mike Cantlin** and **Bob Packer**, and of course everyone who bought and sold tickets. Now if I could only find my tap shoes!

## THE CHANGING OF THE GUARD

Don't forget that next week we meet on Thursday as well (June 20) at the McKernan Hospitality Center at SMTC. We will be dining on roast sirloin beef, sauce bearnaise or sole a la Spring Point, at a cost of \$20 per person. (You should already have indicated your dinner preference by now.) Alec will be sadly coming to the end of his year as president and reluctantly handing over the gavel to Wayne Goodrich. This will be a welcome

opportunity to have the spouses with us again for the third week in a row.

## CONGRATULATIONS, GRADUATES!

In our Rotary family, we congratulate **Tarah Nisbet**, who graduated from Scarborough High School and will be attending UNH in the fall. Graduating from CEHS are **Jeremy Gabrielson** and **Andre Levasseur**. Best of luck to these young people as they embark on the next phase of their lives. (If there are other graduates in club member's families, please let me know - I don't want to leave anyone out!)

## THE FUTURE OF ROTARY

The recent District Conference featured many topical and interesting presentations. One of the highlights was **Janet McLaughlin's** slides of Argentina, which we will see in our club at a future date. Another was **Dan Mooers'** speech on the future of Rotary. Here are some of the points that Dan made:

Rotary is probably the only service organization which is growing rather than dwindling in numbers. In order to maintain that trend we need to continue to remain a diverse organization with programs that accommodate the interests of Rotarians around the world.

One of Rotary's strengths is that the leadership comes from the bottom up - that all the good works of Rotary are done at the club level! Fresh leadership every year is an asset, yet remains a challenge to ensure that leaders are trained anew each year.

As the Permanent fund of Rotary increases, it will remain a challenge to continually have incentive to raise money every year.

Although Rotary began in Chicago and started out as an organization of primarily Americans, it is now a worldwide organization and the influence of Rotarians in the U.S. is decreasing.

Staying up to date in the technology area is critical for our RI headquarters. At Dan's persistent urging, RI finally established a home page on the WWW - during April this page was accessed 40,000 times!

And finally Dan described a project to eradicate malaria in a South Pacific island nation (don't ask me to spell it!). This may not seem significant to us here in the U.S., but think about the consequences if malaria went unchecked throughout the world and were to spread to Florida! (Then the snowbirds would head for Arizona?)
