Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

April 1, 1998

Happy  
Dollars

President Jim Russell was back at the helm and thanked Don Day for covering so ably for him while he and Vicke were in Michigan. Bob Carson (or was it Johnny Carson?) led off the singing tonight with a monologue, followed by a shaky version of "You Are My Sunshine" in honor of the tropical weather we had the day before. Dave Nisbet was happy he won the raffle gift (steel thermos and Belgian chocolates donated by Laurenz Schmidt). Bill Daviero was under the mistaken notion that he won (would have been the third time in a month!); it was suggested that Bill use his bookstore gift certificates to purchase a "how to" guide to numbers.

Laurenz was happy to be over a bout with "industrial strength bronchitis" and safely managing to wrap his wife's car around a tree...he states that his wife is not holding him in the highest esteem at this point.

Nancy Hawes was happy to have attended the PETS conference for incoming Club Presidents but felt that the responsibility too great and began to tender her resignation as incoming President until Bob Carson blew the whistle on her April Fools joke.....killjoy!

Eleanor Brainin was having a physical fitness discussion at a health club with a condescending workout buff who felt that Eleanor could be in better shape. Eleanor promptly told him that she had attended a 60's party in blue jeans that she had fit into long before he was born. I guess this quickly terminated the discussion.

Bill Daviero recognized Rick Dobson as the Bowlathon Team Leader who raised the most money (\$1200.00); his reward was a gift certificate from the Snow Squall; good going, Rick and the rest of the team (yours truly being part of that winning team!)

**Laurenz Schmidt related that Dieter Schnauck was much better and back to work; best wishes from everybody to you, Dieter; hope you can return to the Club soon!!**

Bob Flynn introduced our speaker Wednesday evening. We were lucky to have the opportunity to hear Lucky Hollander speak on her experiences as the Division Director with the Child Abuse and Neglect Council. Lucky was born in Greece and settled here in Maine to take this position. The main focus of the Council is preventing abuse from happening in the first place, not facilitating shelters and avenues to help the damage of abuse after it occurs. She finds it frustrating to help kids after the fact since we do know how to prevent the abuse.

Lucky relayed a wrenching story of encountering a young teenager who had been seriously burned as a child (Lucky dealt with him at that time and worked out a strategy and game plan to change the path of destruction in this boys family). Years later, she was re-acquainted with the young teen; the strategy had been interrupted and all of the negative consequences Lucky had predicted had come true. Very sad.

The three avenues of prevention the council utilizes are; education, advocacy (better public policies) and outreach (targetting at-risk families)

One of the programs Lucky told us about was: "Baby, Think it Over". This program uses computerized dolls to simulate the realities of caring for an infant. The dolls scream incessantly just as real babies do; computer readings evaluate how the doll has been handled by the teen over the period of several days. The evaluations are designed to educate, not recriminate the teens. Lucky points out that child abuse is not usually planned; it is a spontaneous event, often stemming from frustration and at times, ignorance. The program targets middle school children because this is the group that is forming patterns of behavior and lifestyle habits that will take them into high school, and so are the most at risk. All kids could be at risk; teen pregnancy crosses all lines, racially and economically.

This was an excellent program; thank you Ms. Hollander for speaking to us and to Bob Flynn for providing the opportunity.

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

April 8, 1998

Happy  
Dollars

Batter  
Up!

President Jim Russell lead the singing with an appropriate song (Take Me Out To The Ballgame)"since our speaker was Charles Eshbach from the Portland Seadogs. Mr. Eshbach also generously donated an additional raffle gift of Seadog tickets (won by lucky fan Mike Cantlin). Eleanor Brainin won the other raffle gift donated by Warren Simpson (gift certifiexate to Drillens Hardware)

Bob Packer returned from a 3 week trip to Georgia laden with flags from his makeups; you made the most of your makeup opportunities, Bob.

Jeff Gabrielson was back home and he was happy to have attended the State Girls Class A Swim Meet where the Cape girls (and daughter Erin) took the top place. Jeff was also happy to announce that he and Uncle Sam (USCG) have come to an understanding and Jeff will be retiring in October (back to Maine full time!). We will be glad to have you back!

Bill Kourakos was happy to be back from Florida and happy to be the first on the green to tee off at the Purpoodock Club.

Frank Gemme bore no flags from other clubs, but he spent the last three weeks in airplanes (last 3 Wednesday nights were spent in San Francisco, Brazil and San Paolo (I am sure this spelling is wrong!), where Frank said that lots of people know about Rotary. He was glad to be home!

Janet McLaughlin returned from an enjoyable trip to Queenstown, New Zealand where she saw a memorial with the wordss "Serviuce Above Self"; it was not a Rotary monument but a war memorial

Paul Butler told us of Jeff Hobb's near miss with a scam artist. Apparrantly Jeff was contacted by a man claiming to be the son of a funeral director in Switzerland who is also a Rotarian. Jeff was asked to meet him at the Doubtree Hotel. Since Jeff failed to read the bulletin warning of this potential danger (that will teach you, Jeff!). Jeff contacted Paul who relayed the news. The two decided not to meet the man and try to catch him.....such intrigue...who would think in little old S.P/ C.E Rotary? Thanks Paul for putting the initial warning in the bulletin.

Wayne Goodrich was attending a makeup in Naples, Florida and very late due to road construction. . Wayne apparrantly relayed a Kendall Morse "Downeast" story about traffic tieups that the Club got a laugh out of...that is all except the guest speaker for the meeting who was a longtime Rotarian and Director of Transportation for Naples.... only you, Wayne....

Dan Gacetta introduced our speaker who I have already mentioned was Charles Eshbach, the President and General Manager of our own Portland Seadogs. Mr. Escbach stated that the Seadogs are kicking off their fifth season here in Portland, and their acceptance from our fans have been overwhelmingly positive. It was predicted that ticket sales for an area such as ours would be around 250,000 the first year; the Seadogs sold 375,000, and things have only gotten better. The Portland people have embraced the organization and this has played big in their continually improving successes. It was certainly exciting to watch last year's World Series and see players who came up in Portland play in the biggest game of all. This is the time when a true sports nut should be writing this section, but the names of all of those former Seadogs went over my head (I apologize for the slip-shod journalism)

Mr. Eshbach predicted another good year for the Seadogs, especially in their putching staff since they acquired several high round draft picks.

Players in this league earn \$1600/month which does not include housing expenses, etc. The potential to go on and "hit the majors" adds to the hunger of these athletes, and their positive attitude shows.

What I heard was the Seadogs management has worked very hard to make the games family oriented, fun and accessible to all (ticket prices have remained the same since the start). Obviously this attention to the consumer is paying off. I also heard heartfelt gratitude for the overwhelming support of the Portland Seadogs. The team has added a lot to our area, and brought much enjoyment to many people. Thank you Dan for bringing such a seasonally appropriate (and enjoyable) program

Cape Elizabeth

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

April 15, 1998 TAX DAY!

## Happy Dollars

Rick Dobson was pressed into action as our Songleader on Wednesday evening and even sang a solo (brave man!!). Dave Bagdasarian was happy that Rick agreed to fill in as Songleader so he would not have to refuse President Jim's request. Maybe Bags, we can here a solo from you next time.

Laurenz Schmidt was happy to have won the raffle gift (a portable cooler donated by Bill Stanton).

Many people were very ecstatic to have the tax season behind them (Nancy Hawes, of course) and Bob Levasseur who had to file huge numbers of returns since his business works in so many states.

Adrienne Murphy was happy to report she ran into former member Carl Pearson and he is doing very well, feeling great (with a bit less hair, for the moment). Carl expressed appreciation for all the good wishes he has received during his illness. She was also surprised that Warren Simpson did not mention her reference to his affiliation with Drillen Hardware in the previous bulletin.

Bob Flynn welcomed past member Ed McAleney who was pitching some support for a town center gardening project involving the Middle School classes. Ed's company did our improvements at the Joan Benoit Samuelson memorial, if you recall. He has garnered support from some private citizens, Public Works and is hoping our club can lend a hand (or a few dollars). Seems like a worthwhile project (especially with the participation of the young students.)

SOUP  
KITCHEN

Representing our Club at the Soup Kitchen last Tuesday was Bill Stanton (as always!), Bob Packer, Paul Butler and Joe Conroy. These numbers are scanty, and the numbers of diners served increase dramatically as the weather improves. If you do not typically sign up for this, please try it. It is a very gratifying experience. Next night we are scheduled-Tuesday, May 12.

## USM LADIES' HUSKIES

Frank Gemme introduced our Program Wednesday evening. Our guest speaker was Gary Fifield, head coach of the USM Ladies Huskies Basketball Team. Unless you have been marooned on a desert island, you know that the Ladies' Huskies competed in the final game of the NCAA Division 3 Championship.

Gary has been the coach as USM for over ten years, compiling an impressive record of 246 wins/45 losses; the team qualifying for NCAA postseason play 12 of the last 13 years and the Little East Champs 9 times in 13 years. Pretty impressive.

The NCAA Division 3 Final Four games were held in our area, with the championship game being played at USM. The television coverage was extensive and has brought great visibility to the Huskies. Even though the USM team eventually lost to Washington University at St. Louis, it was an exciting game nevertheless.

Gary explained that the differences in Division 1, 2 & 3 play has less to do with the size of the schools, but more with philosophy of play. At Division 1 schools, larger numbers of scholarships are awarded, less in Division 2, and none in Division 3. There is a great deal of pressure on the scholarship athletes; studies become secondary to the sports. Division 3 schools often pick up players who shied away from the pressure and regimentation of the Division 2 school. These players play for their love of the game, not for the financial reimbursement.

This was a great program; thank you Gary Fifield for sharing your insights with us.

Congratulations  
Dick and Mary Kilroy  
on your  
Golden Anniversary  
(4/29/48)

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

April 22, 1998

Happy Dollars

Not Ready  
For Prime Time  
Rotarians

It was a high spirited group at the Purpoodock Club on Wednesday evening; another pressed-into- Songleader this week with **Bill Daviero** leading us (sort of) in "Beautiful Doll" (which he dedicated to returning snowbird **Wayne Goodrich**). **Phil Dube** won the raffle, and a gift certificate to Ricetta's (donated by **Joanne Stuart**).

It was a very "Happy" night, with numerous happy dollars going into the coffers;

**Bob Carson, Don Day and Mike Cantlin** (anyone else?) were happy that **Bill Daviero** sprung for the trophies for the Bowlathon (\$26.45....what a sport, Bill!)

**Wayne Goodrich** is happy to be home, and he has saved \$30.00 already on phone bills since he has returned.

**Mark Boulanger** was happy to have a new home under construction.

**Joanne Stuart** toured the Baxter School and reported that the \$500.00 the Club donated to a Drug Awareness Program was money very well spent. The young adults there had an entire program of activities revolving around the Drug Awareness theme.

**Eleanor Brainin** had a horrible time in New York over Passover. In the interest of limited space here in the newsletter, I will leave it at that.

**Nancy Hawes** has heard from the GSE team in Finland; they are having a great time, and the arrangements are going like clockwork. Look forward to hearing about their adventures.

**Don Day** reports that our Xmas Tree supplier, Sno-Kist, is maintaining our same prices.

**President Jim Russell** had a happy dollar for **Wayne Goodrich** who has done the copying, mailing, stickering and stamping of the newsletter for 7 years....I believe the force behind this is **Ellie Goodrich**; thanks to both of you from the entire Club; as one who has done this for only a few months, I can appreciate all the hard work. Thanks! (and welcome back!!!)

Our own budding thespians **Rick Dobson** and **Joanne Stuart** provided us with a light demonstration of how not to recruit into Rotary. Of course, I know that **Rick's** character was a broad caricature, not like any of our knowledgeable, enthusiastic Club members. If you missed this, you missed a very amusing scenario; **Rick** and **Joanne** did a great job! Kudos to **Nancy Hawes**, the author of our vignette. **Paul Butler** and **Jack Roberts** explained that to propose a new member, a member submits a proposal card to a Board Member to bring to the Board for approval. This should be done prior to formally inviting someone to join. Once the approval is given, then the member should formally approach the individual and invite them to a meeting.

Proposals are put into different employment classifications; this is to ensure that the Clubs have a good cross section of employment groups and not concentrated in one area. More than one member in a classification may be invited to join providing the Club member with that classification is supportive.

**Mike McGoevern** reminded us that membership is by invitation only; it is our responsibility to provide the continuation of Rotary (locally as well as globally). We enjoy the benefits of membership in Rotary; the gratifying feeling of helping others as well as fellowship. Why not invite others to share in that? **Mike** says that people ask him often about his Rotary pin, and this gives him an excellent opportunity to talk of the benefits of membership.

Our Club has grown like a tree from the original charter members; it is the responsibility of each and every member to ensure a healthy, sprawling tree for the future of Rotary.

There will be an Open House for prospective members at **Bob Danielson's** house at 14 Reef Rd in Cape Elizabeth. This is a great opportunity for us; let's try to make this a success, and get a good turnout. Thanks for such a great, informative and entertaining program!

HEART HEALTH

President Jim Russell and the rest of the Club thanked Bob and Alicia Danielson for hosting a most successful Open House for prospective members on Sunday night. We had a great turnout and the results were excellent. There was also good support from the membership (and something delicious called "Alicia Bars", too!) Thanks to everyone who participated, and especially the Danielson's.

**UPCOMING EVENTS/PROGRAMS**

- 5/13 Wed. Meeting, Speaker Chris Doren from Convention and Visitors Bureau (Levasseur)
- 5/16 Sat. Garage Painting at Fort Williams Park; 8:00 a.m.; bring stepladders Also: District Project at Camp Sebago
- 5/20 Wed. Meeting, D.A.R.E.
- 5/27 Wed. Meeting, Tom Allen (Lourie)
- 5/28-31 District Conference @ The Summit Hotel in Bethel- see Paul Butler

Alec Livingston introduced our speaker Wednesday evening, Dr. David Burkey. Dr. Burkey is affiliated with Maine Cardiology Associates. Alec had a first hand view into the world of cardiovascular medicine last year, as you may recall, and Dr. Burkey went from being a client to a saviour (did Dr. Burkey's premiums go down any?).

Dr. Burkey pointed out that the cardiovascular facility at Maine Medical Center is top notch (and the second busiest facility this side of New York City). Coronary heart disease affects 1.4 trillion people a year in this country (10 times greater than in England), and is the leading cause of death in our country. The most dangerous time during coronary disease is before you know you have it. The symptoms of angina are often mistaken for something else (indigestion, hand numbness, pains in the back, etc), so proper attention is not given the problem. There is a 30% chance a person will die in the first hour following an attack; getting to a hospital increases one's chances considerably.

High risk factors include high blood pressure, high cholesterol and tobacco use. Prevention and having healthy, clear arteries are the best protection against heart disease (exercise and a healthy diet contribute to good arterial health- "If it tastes good, don't eat it")

Technology is moving quickly- radiation as a treatment is right around the corner, laser surgery, etc. Dr. Burkey stated that while there is no food that lowers cholesterol, alcohol in moderation does. Aspirin is the single most important drug in secondary prevention. Any dose will do the job.

This was a very interesting program, thanks to Dr. Burkey and Alec for bringing it to our Club.

Trivia Question Answer:  
District Governor Elect  
(and our host!)  
Mike McGovern was  
the "non-card shark" at  
Poker Night

- \*\*\* Don Day is looking for 2 volunteers to co-chair Family Fun Day Fried Dough (Sat. 6/20)
- \*\*\* Transition Meeting will be at the McKernan Center, Wednesday, June 24. This will be a Spouses Night, Cost \$20.00/ Spouses \$15.00

**Happy Anniversary**  
Mike & Pat Cantlin (5/6)  
Sam & Helene Giftos (5/9)

Happy Dollars

Phil Dube led the group in a spirited (make that dis-spirited) rendition of "The Band Played On", and also won the raffle gift donated by Dick Yerxa.

Dan Mooers made up at the Fryeburg Club recently and had a happy dollar for finding a Club with worse singing than ours (tonight was a fine example!)

It seems as though the Poker Night at Mike McGovern's house was a big success judging by the number of Happy Dollars (and Sad Dollars) spent on this event; Here are some quick highlights; President Jim Russell played for money, not clothes...if so, why did he come with two pairs of socks on? Nancy Hawes (aka Zippy) opnly lost \$1.00, which she matched as a Happy Dollar.

Frank Gemme was sorry to have missed the game; but happy in a way since last year he was the "Big Loser"

Many thanks to Eleanor Brainin for organizing this fun evening, and Mike McGovern for hosting.

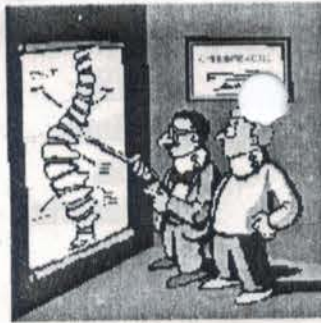

A Trivia Question; Who lost the most consecutive hands and did not know a full house beat three of a kind?

Nancy Hawes will assume the helm on July 1 and she and the incoming board are looking for your input for next year. If you have ideas and/or constructive suggestions see anyone on the Board (Jim Russell, Don Day, Adrienne Murphy, Keith McAlarey, Karen Dunfey, Bob Packer and Rick Dobson)

Happy Birthday to Sam Rinaldi (May 5)

GOOD CHIROPRACTIC HEALTH

Keith Mc Alary introduced Dr. Stuart Cayer as our speaker. Stuart grew up with Keith in Madawaska, attended the University of Maine and went on to Auburn College of Chiropractors. Chiropractics (bone manipulation) is an old idea, going back to ancient times.

D B Palmer was the real groundbreaker in this field; in 1895 he was studying anatomy and came on a man who had been deaf for 17 years after feeling a "pop" in his neck. After being manipulated for several weeks, his hearing returned. Mr. Palmer made the link between the correlation between the bones and nerves and general physiology.

Schooling for chiropractors is similar to regular doctors but they do not do a residency. Instead of pharmacology, etc. the chiropractors attend spinal analysis, etc..

Rather than taking an opposite view of medicine than regular doctors, chiropractor begin using more restrained methods of treatments and progressing to more aggressive strategies. I found it interesting that Stuart's undergrad degree was in electrical engineering. The analogies he drew to electrical engineering and chiropractics, and how very similar the processes were very interesting.

### Announcements

\*\* The infamous Garage Door Painting at Fort Williams will be Saturday, May 16 at 8:00 am. Bring brushes and stepladders.

\*\* Anyone who does not want to paint can sign up for Camp Sebago (Salvation Army Camp). This is a District Project to clean up from the ice storm.

\*\* Don Day is looking for 2 volunteers to co-chair Family Fun Day Fried Dough (Saturday, June 20)

\*\* Transition Meeting will be at the McKernan Center Wednesday, June 24. This will be a spouses night. Cost: \$20.00/ spouses \$15.00

\*\* District Conference will be at The Summit Hotel in Bethel May 28- 31; see Paul Butler for registration forms. The Club will pay for registrations.

## Upcoming Duties

## Happy Dollars

Don Day kicked off our meeting with an unusually spirited version of "Hail, Hail, The Gang's All Here", no doubt in honor of returning snowbird Sam Giftos. Sam was happy to be back, especially on having been welcomed back at the Portland Jetport by a large, high ranking Rotarian entourage (of course, they were there to welcome our incoming GSE team from Finland!)

Don Day was happy that co-chairs Bob Flynn and Eleanor Brainin will be organizing Cape Family Fun Day.

Karen Dunfey is looking for help in entertaining the GSE Team from Finland, who will be our Club's responsibility on June 3rd. Please see Karen if you are willing to help, chauffeur, etc. The Team will be here at our regular meeting that evening, which will be a joint meeting with the Casco Bay Sunrise Club.

Dan Gacetta has tickets for the Maine Day at Fenway Park; the Red Sox will be playing the Kansas City Royals

Keith McAlary was very happy to have moved into a new house; President Jim assisted in the move; thanks, Jim.

### UPCOMING EVENTS/PROGRAMS

5/16 Sat. Garage Painting at Fort Williams Park; 8:00 a.m; bring stepladders Also: District Project at Camp Sebago

5/20 Wed. Meeting, D.A.R.E.

5/27 Wed. Meeting, Tom Allen (Lourie) Final Board Meeting of Jim Russell's tenure

May 5/28-31 District Conference at the Summit Hotel in Bethel, See Paul Butler

6/3 Wed. Meeting Group Study Exchange from Finland

6/24 Wed. Meeting, Transition Night at the McKernan Center; Spouse Night, Cost: \$20.00/ members, \$15.00 spouses.

### REGRETS

The entire Club wishes to extend their condolences to both Dave Bagdasarian and Bob Danielson (and their families) over the loss of their fathers. Our thoughts are with you both.

### Soup Kitchen

Joe Conroy has decided that having Phil Dube making the pitch was very successful indeed; last Tuesday our Club had an extraordinary turnout of volunteers, including; Jim & Vicke Russell, Paul Butler (who assisted a man having a seizure), Bob Packer, Alec Livingston, Frank Butterworth, and faithful Bill Stanton. Thanks to all.

### Convention & Visitors Bureau

Kris Dorer from the Convention and Visitor's Bureau was our speaker on Wednesday. Kris is the Convention Sales Manager. The Bureau is a non-profit economic development bureau whose goal is to promote the convention/meeting business here in the Greater Portland area. Statistics show that a person attending a 3.5 day conference here spends on average \$862.00 here (just during the conference- more if they stay on and vacation) That is certainly an excellent reason to promote our area.

The Bureau will assist any organization from the planning stages of an event (corporate or even family reunions) to facilitating the entire program. They can offer expertise and some creative ideas to help make the event a success, which hopefully will lead to future business.

The Bureau has worked to make Portland a port of call to cruise ships; Kris says these tourists come down the runway with dollars begging to be spent. By making their short stay a very pleasurable one, they may come again and vacation in the future.

All of the services offered by the Convention and Visitors Bureau are free; but what a terrific way to promote our beautiful State of Maine. It is said that tourism may surpass the paper industry as the #1 industry in our state.

The scope of services such as these are relatively unknown; thank you Bob Levasseur for inviting Kris Dorer to come and share the vision with us.

UPCOMING DUTIES

## Happy Dollars

Rick Dason led off with a rousing rendition of "Roll Out The Barrel" to start off our festivities, followed by Bill Stanton winning the raffle gift (a gift certificate for Minott's Florists donated by Eleanor Brainin)

We had such a happy group that the Happy Dollars were many and varied. Due to space constraints I will mention just a few:

Bill Kourakas was happy that Sophie is on the mend after recent surgery (we are too, Sophie!)

Bob Levasseur was happy that he did not seriously injure himself with a bad fall down a flight of stairs he took with his arms laden with a very heavy load. He was glad to be back in one piece.

Bob Flynn and Phil Dube were very proud of their National Honor Students, Meragah and Matt, respectively.

### UPCOMING EVENTS/PROGRAMS

5/27 Wed. Meeting, Tom Allen (Lourie) Final Board Meeting of Jim Russell's tenure

May 5/28-31 District Conference at the Summit Hotel in Bethel, See Paul Butler

(5/29/76)

## D.A.R.E.

Our Club welcomed D.A.R.E. Officers Linda Barker from the S.P. Police Dept, and Paul Gaspar from the CEPD. The officers were here to update us on the DARE Programs in our communities. We have heard Officer Barker before, but she continues to bring an enthusiasm to what she does. Her position has evolved somewhat so currently she is able to target the DARE and community type activities, rather than juggling more than one job and she said that this has made her more effective.

Officer Gaspar became the CLO (Community Liaison Officer) in 1995; he stresses that when looking at a society of young people at risk, one needs to look at the number of single mothers, latchkey children, spousal and child abuse. Substance abuse/poor choices go hand in hand with these issues and cannot be totally isolated.

Both officers agreed that the DARE Program has taken a media beating of late on its effectiveness in curbing at-risk behavior. Both stated that while the program is not a total solution; progress is indeed being made,

As always, it is interesting to hear what is going on with these worthwhile Programs; President Jim presented Linda Barker and Paul Gaspar with a \$500.00 donation each from our Club to help them continue their worthwhile work.

### TRIVIA:

Who is this somber young man? Hint: he is a So.Po/CE Rotarian, and has less hair than this now.....answer next week.....

Happy  
Dollars

**"When we are young our parents run our lives; when we are older, our children do."  
Bill Cosby**

Phil Dube led a somewhat lackluster rendition of "When You Are Smiling"... (the group effort was lackluster, not Phil!) .Dave Bagdasarian won the three primo Seadogs tickets donated by Eleanor Brainin.

Nancy Hawes gave accolades for the trailmarkers that mark the trail at Mackworth Island; you may remember we had a presentation by Baxter School for the Deaf Students about this program

Frank Gemme had occasion to see Joanna York who was visiting his son Brian (you may remember that Joanna is former member Bill York's daughter who has been living and working in Indonesia). It seems as though Joanna was held up in her office building for a day and a half until she could get out of the country, leaving everything but one bag. Her money is held in Indonesia at a very deflated rate, her credit cards are in American currency (at a very inflated rate!). Whoops. Glad for her to be home!

Jeff Gabrielson was glad to be back from Washington D.C. (away from the politicians); home to find guest speaker Congressman Tom Allen

Kathy Ray introduced our newest member Betty Smith; Betty lives on Spurwink Road in Cape Elizabeth with her husband Russell. Betty has travelled extensively and held many interesting positions, primarily in the education field. She has many diverse hobbies, including canoeing, sailing, line dancing, gardening among others. (Too bad singing wasn't one of them Betty, as you can hear from our song efforts tonight!) Welcome, Betty, we all look forward to getting acquainted soon!

## TOM ALLEN

Dave Lourie introduced our guest speaker, Congressman Tom Allen, who really needed no introduction. Tom spoke of the changing environment that our country is in presently; the Cold War is over (lasted 50 years), Federal Budget is finally balanced (first time in 30 years), Fiscal responsibility has resulted in the lowest interest rates in years.

Despite all the gains, Tom states that the state of our students is almost universal across the state; students entering school unprepared to learn. This is due to substance abuse, lack of cohesion in the family and the general "neglect" for the first 5 years of life (when the ability to form good relationships starts) Tom believes this to be one of the biggest challenges we face. Our new National Mission should be "Leave No Child Behind" ; we need to get a plan in the public as well as private sector to deal with this important issue.

This was a very interesting program (which I have only touched briefly upon); Tom is an interesting, erudite speaker, and he was well received; thank you Dave Lourie for bringing him here to speak to our group.

### UPCOMING EVENTS/PROGRAMS

May 5/28-31 District Conference at the Summit Hotel in Bethel, See Paul Butler

## Happy Dollars

## The GSE Team From Finland

We had a large, energetic gathering at The Purpoodock Club to welcome The incoming GSE Team from Finland. We also had visitors from the Casco Bay Club, the Portland Club, the Yarmouth Club as well as former District Governor Bob Patten and his wife Stella. Visiting Rotarian Peter Johnson and one of our visiting Finns serenaded us with the national anthem of Finland. **Lucky Bill Daviero** won the raffle gift (Snow Squall Gift Certificate donated by ? ) Bill is closing in on **Bill Kourakas'** record for winning the raffle! Everyone was happy; especially, **President Jim** for our Club's great turnout at the District Conference last weekend (20% of our membership was represented!), **Nancy Hawes** was happy at **Karen Dunfey's** presentation as the District Chair of the Youth Exchange. Karen had 9 of her students there for the Conference...Karen was unhappy about losing her skirt at the Conference...is there a story behind that?

**Grandpa Paul Butler** was happy to report on his newest grandchild, Grace Ann (born to Paul's daughter Jill), Congratulations!

**Janet McLaughlin** was happy to have narrowly missed a fly foul ball at a Seadogs Game she and some of our exchange visitors attended; bet you wished you brought your glove!

**Bill Stanton** was happy his first grandchild is graduating from college, and sad that he showed up a week early for our Fort Williams painting project

### UPCOMING EVENTS/PROGRAMS

6/6 Saturday. Garage Painting at Fort Williams Park; 8:00 a.m.; bring stepladders Let's finish this!!!!!!!

6/9 Tuesday, Soup Kitchen; 4:00-7:00 p.m. Dessert is cupcakes

6/10 Wed. Meeting: Nancy Hawes/ Rotary Trivia

6/12 Friday Project Graduation; Friday afternoon 2-5 see Bob Flynn

6/17 Wed. Meeting; Mark Boulanger

6/20 Saturday, Family Fun Day; Fried Dough (all day!)

6/24 Wed. Meeting, Transition Night at the McKernan Center; Spouse Night, Cost: \$20.00/ members, \$15.00 spouses

6/27 Saturday, Portsmouth Sunrise Charter Night; Red Hook Inn, see Jim Russell

7/3, Friday, Independence Pops at Fort Williams (food event)

The Group Study Exchange Team from Finland joined us and shared their experiences of these past three weeks. All agreed that they had enjoyed themselves very much here (all agreed that they welcomed the opportunity to stay put in one host Rotarians house for 5 days in a row, rather than move every two nights). Their experiences and impressions were varied; they were surprised at how much "healthier" Americans were from years ago (smoke much less than Europeans and fat-free "everything" is available here) All enjoyed meeting and getting to know the host families they have stayed with. Things are a little different in Finland in many ways; the people there are taxed at a rate of 35%, with an added 22% added value tax (similar to our sales tax). Finns receive free health care, unemployed people are paid when they are not working and families incur no expenses for attending college. 60% of Finland is forested and pulp and paper is a big industry for them, as well as steel making and telecommunications such as cell phone production (Nokia is a Finnish company) Many of the large cruise ships are built in Finland, too.

Trivia: there are 187,880 lakes and 179,584 islands in Finland.

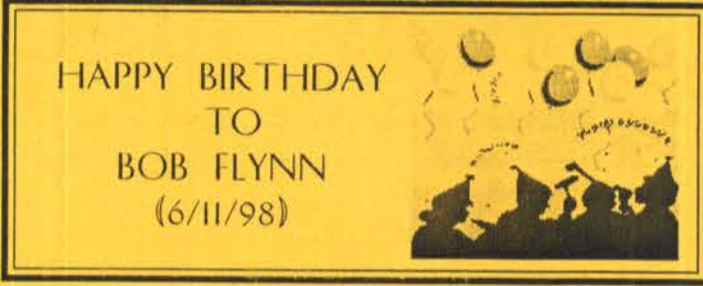

As always, the GSE Team experience was an educational and interesting one for everyone involved.

We welcomed two new members Wednesday evening; Joan Houghton live on Old Colony Lane in Cape Elizabeth with her husband Amory (they have 6 children). Joan is a mental health advocate; she enjoys gardening, hiking and sailing. Jerry Grondin grew up in Gorham and attended Boston City College Seminary and Maryknoll Seminary. Jerry is the Director of Greater Portland Counselling Center. Welcome to both of you; we are glad to have you (and now Betty Smith is not the newest member!)

Wednesday 6:15 p.m. at Purpoodock Club, Spurwink Avenue, Cape Elizabeth

June 10, 1998

## Happy Dollars

Dave Nisbet kicked the meeting off by winning the raffle gift (LL Bean Gift Certificate donated by Frank Butterworth). Jim Russell led the song "Take Me Out To The Ballgame" for missing-in-action songleader Bob Flynn.

Dave Nisbet was happy to win the raffle, sad that school is out! Sentiment shared by many, I am sure!

Bob Packer is ecstatic that the garage door painting project is finished!

Kathy Ray was happy to celebrate her and Allan's 19th wedding anniversary.

Warren Simpson was happy that his granddaughter played on the #1 Doubles Tennis Team for Cape Elizabeth High School (won the State Championship last weekend!!)

Karen Dunfey was happy that our exchange student Sayo graduated on Tuesday from Portland High School; Club gave her a gold bracelet as a goodbye gift.

## Rotary Trivia

Bill Daviero was the emcee in the spirited competition of Rotary Trivia. The contestants were; Bob Carson, Mike McGovern and Kathy Ray competing against Sam Giftos, Jim Russell, and last but not least, Karen Dunfey. It was a competitive, informative, spirited exchange; the highest scoring team won ROTARY KNOW IT ALL pins, lower scoring team won pens... Thank you President-elect Nancy Hawes for putting together this game, and Bill Daviero for his colorful emceeing (and of course, the willing competitors)

### UPCOMING DUTIES

	6/17	6/24	7/1
Songleader	Gacetta	Gemme	Giftos
Invocation	Cantlin	Carson	Conroy
Raffle Gift	Carson	Conroy	Danielson

## Happy Dollars

Dan Gacetta led a timely version of "You Are My Sunshine" to kick off our meeting (the only "Sunshine" we have had in a while!!!)

Frank Butterworth is very happy to have his son home from a exchange trip to Mexico (and he will be happy when Family Fun Day is over!)

Bob Carson was unhappy that he lost the Rotary Trivia Game last week when he did not know that our Club is in District #7780. He knows now!

Warren Simpson named himself as the young chap pictured in last weeks bulletin; now he knows why Velma was nagging him about cleaning up the storage area...(she was looking for photos!)

Dick Holden plugged the upcoming fundraiser for the Cheryl Greely Dance Group; , June 27, Scarborough High School, \$10.00; the group is then leaving to compete in Washington, D.C.

Bob Flynn offered thanks to those who helped make Project Graduation a success: Dan Davidson, Don Day and Bob Packer, as well as Frank Butterworth who accompanied the group to Millinocket. Thank you!

Congratulations to BJ and Diane Nicholson on the birth of their new baby girl, Megan!

## Gulf of Maine Aquarium

Mark Boulanger introduced Don Perkins, the President of the Gulf of Maine Aquarium Development Corp. Don gave a very interesting talk on how the Aquarium Development has evolved over the last few years as a "partnership" of business people who got together to study the economic feasibility of the aquarium. The finished Aquarium will be located on the Navy Reserve Pier (across from Rufus Deering), will serve 850,000 visitors annually and provide 370 jobs at a cost of 42 million dollars.

Currently the Gulf Of Maine Aquarium group provides a world class educational program, incorporating computers, digital cameras, cell phones and e-mail as vehicles to transfer data

Funding for the construction of the Aquarium will be through both the private and public sector. There have already been several large donations, and the State of Maine has a bond issue for funding going to the voters in the fall. As Mr. Perkins stated, they are approaching this fundraising like eating an elephant (one bite at a time)

Thanks to Don Perkins for coming to speak, and to Mark Boulanger for bringing such an interesting program

Dave Bagdasarian is heading up the Casco Bridge 4 Miler (Road Race) on August 30; he is looking for help in getting sponsors. Sponsors can be for cash (large or small amounts welcomed!) or for "in-kind" goods (i.e. printing, etc.) Let Dave know if you have anyone in mind; the Committee will approach the person if you do not feel comfortable doing so.

## UPCOMING EVENTS/PROGRAMS

6/24 Wed. Meeting, Transition Night at the McKernan Center; Spouse Night, Cost: \$20.00/ members, \$15.00 spouses; Social hour is at 5:30 followed by dinner at 6:15

6/27 Saturday p.m., Portsmouth Sunrise Club Charter night; Red Hook Brewery, see Jim Russell;

7/3 Independence Pops at Fort Williams (food event)  
See Kathy Ray

President Jim Russell had a goal for our Club when he took over as President to have 2 new Rotary Benefactors. A Benefactor is someone who pledges at least \$10,000 to the Rotary Foundation from investments or a life insurance policy. Jack Roberts and Jim Russell are our Club's newest Benefactors. Congratulations Jack and President Jim!

## June 24, 1998 Happy Dollars

Outgoing President Jim Russell commenced his last Rotary meeting Wednesday at The McKernan Center. We had an excellent turnout of Rotarians, spouses, visiting Rotarians and guests (66 in all!) to celebrate the close of our Rotary year. The atmosphere was festive and everyone seemed to be enjoying themselves. Happy dollars flowed freely, including:

Frank Buttwerworth was happy that the weather cooperated on Saturday for Family Fun Day, and happy it is over!

Jack Roberts was happy that as a Rotary Benefactor he had pledged \$1,000.00, not \$10,000 as had been reported earlier. (his family was happy, too!)

Sam Rinaldi was happy that Adrienne Murphy brought some knives to the dough booth on Saturday. Previous to that, they were using Greg Gabrielson's Boy Scout pocketknife to cut the frozen dough.

Incoming President Nancy Hawes was happy to welcome her parents to our meeting; apparently Birge and Claire Hawes have been to Rotary Conventions, etc; we were glad to have them here, too.

Ellie Goodrich was happy that they got a call that the dough was running out on Saturday ay F Fun Day; after purchasing a large volume of frozen dough, the fireworks were cancelled and sales died...the Goodrich's have a very full freezer....

Dan Mooers was happy to announce the addition of his seventh grandchild...("Grammy" Mooers was in attendance, as well...)

Dick Holden was happy to introduce his son Jeff; soon to be our newest Club member. Maureen reminded us of the Cheryl Greely Dance Group fundraiser this Saturday at 7:30 .Cost \$10-.00

### Out With The Old...

Out-Going President Jim Russell was happy that Nancy Hawes was here...he had a recurring nightmare that she did not show up..

Jim recapped his year with many thanks, beginning with thanks to the spouses; without their unfailing support, our Club members could not do all we do.

Jim recognized in particular; one Rotarian with some longevity in the Club, and one fairly new member, both who have made exceptional contributions to the group.

Jim recognized Bill Stanton for his unfailing participation in so many of our Club's events. He volunteers for every single Soup Kitchen detail, he is an annual participant in post Thanksgiving tree unloadings, painting projects (sometimes a week early, even!) Bill is always there, and

and the entire Club thanks you.

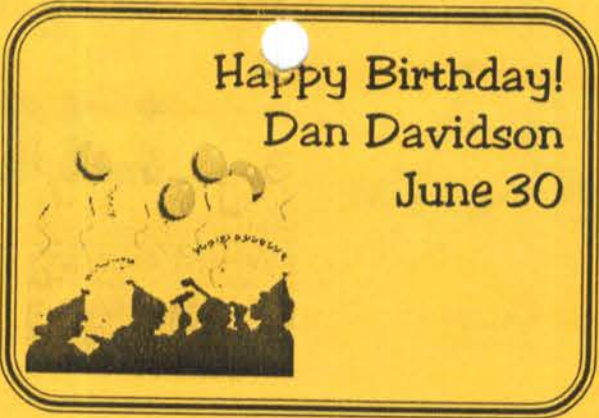

Eleanor Brainin is a fairly new member who jumped in with both feet...she is the Program Chair (a thankless job!), organized Poker Night and readily volunteered to co-chair Family Fun Day Dough activities this year. Eleanor, as with Bill, the whole club thanks you for your contributions.

Jim thanked his Board; Secretary Paul Butler ("without Paul to keep him on an even keel, my Presidency would have been like the Titanic!"), Treasurer Frank Gemme who has served faithfully on the Board in different capacities for 6 years, Avenues of Service Directors Karen Dunfey, who has done such a great job as International Director, both on a Club and District Level as Youth Exchange Leader, Vocational Services Director Bob Danielson who brought life to what could be a less than exciting Avenue; tour of Direct Mail, Public Works Lunch and the recruiting Open Houses that he and Alizia successfully put on. Kathy Ray as Club Service Director has worked tirelessly behind the scenes keeping things running smoothly; Tree Sale scheduling, Lobster Bake, this lovely dinner; a time-consuming, thankless job. Bob Packer (Community Service) and Don Day (President Elect) were not present for kudos....President-at-Large Wayne Goodrich has been a very valuable mentor, Jim said, always there when he was needed....always doing more than is required.....Jim then thanked the entire Club for the success we enjoyed this year, then introduced our new President.

### In With The New....

Nancy Hawes started off her presidency with a laugh, and acknowledged her predecessor's achievements and thanked Jim for all of his help. She thanked Wayne Goodrich for proposing her, and also for his support over the years. As we all know, the support of our employers is paramount (especially when we conduct Rotary business/activities during regular business hours). For this, Nancy acknowledged one of the partners at Baker, Newman and Noyes, Marty White who joined us (with wife Gaye). Nancy has done the Club's audit as well as the District audit "on the clock". Nancy is looking forward to this upcoming year, and of working with her Board; Adrienne Murphy, President-Elect (due to Don Day stepping down), Kathy Ray, Vice President, Jim Russell, Director at Large, Keith McAlary, Rick Dobson, Karen Dunfey and B.Jj. Nichol森. Nancy said that she was asked by the American Journal on how she felt about being the first female President of our Club She replied, "I am very proud, and I am proud to be a Rotarian". So our we, Nancy.
