From the Secretary's Corner-Did You Know?

That I never did find Rush Street in Chicago but I did find McCormick Place which has a North, South and East buildings and a West building under construction. There were at least three levels, and with 45,000 Rotarians milling around, I never once saw Nancy, Mike or Jeff and Linda or the immediate past three District Governors from our district in these buildings. I did see Nancy on a boat tour one morning and the six of us all had dinner the last night in Littel Italy. What a showplace for Rotary's 100th birthday!!

Program

Tonight's speaker was Tom Kohan, a volunteer at the Preble Street Resource Center. Tom shared his experiences the last two years as he organized, with the local kids club, a toiletry drive for the center. This drive has now expanded into food donations from local farms. Tom then introduced Bria White, the food pantry director, who offered her experiences at the center. Thank you Tom and Bria for a very moving program.
