

SOMETHING TO SMILE ABOUT- John Eliassen has been elected as President of the South Portland, Cape Elizabeth Rotary Club for the 2006-2007 year. Eliassen took over the helm on July 1 and will serve for one year, succeeding last year's president Peter Cotter. Eliassen has a family dental practice at the Spurwink Medical Building in Cape Elizabeth. During his presidency, Eliassen says his emphasis will be "Lead the Way" which is the theme for Rotary International this year. He says, "My goal this year is to be active not only in our local communities, but in the global community as well. We hope to have hands on project in Honduras to provide clean water to residents. This will include Rotarians as well as local high school students" This year's Board of Directors includes Vice President Tony Wagner, Treasurer Nancy Hawes, Secretary Paul Butler and Directors Fawn Dunfey, Joan Frustaci, Phil Dube, Dave Bagdasarian and Peter Cotter.
