

**April 2, 2008**

**Secretary's Corner** - Many years ago in England, pub frequenters had a whistle baked into the rim, or handle, of their ceramic cups. When they needed a refill, they used the whistle to get some service. 'Wet your whistle' is the phrase inspired by this practice.

**Raffle Prize** - Tonight's raffle prize, a digital photo keychain donated by Dan Davidson, was won by Bob Carson.

**Happy Dollars** - Dollars were given tonight by Paul McKenney, Anne Swift-Kayatta, Adrienne Murphy, Jim Russell, Steve Wilcox, Joe Conroy, Eleanor Brainin, David Lourie, Frank Butterworth, Dave Bagdasarian, Thurston Holt, Jack Roberts, Dick Yerxa, Phil Dube, Bob Carson, Tony Wagner, Janet McLaughlin and Warren Simpson.

**International Food Festival** - Tony Wagner filled in tonight for Kathy Cotter. He urged members of the club to sign up to work at the event. We're looking for approximately 20 people. So far, 110 tickets have been sold. This is the final week to get your ad published. Auction items will be accepted right up to the day of the event - more are needed. Also, Kathy has posters available for you to take.

**Rebuilding Together** - We now know the home we will be working on - 22 Ellsmere Road, SP (around the corner from Pratt Abbott on Shore Road). Peter Cotter has inspected the sight, and we will have a lot of work to do. Just to remind you, the event will begin at 8:00 am on Saturday, May 3. If you have any questions, please contact Dan Davidson.

**GSE Team** - Due to a scheduling change, we no longer need host families. The GSE team will visit us on the night of April 23 and at the Food Festival on the 26th.

**Interact Raffle** - Next week, students from the new CE Interact Club will be at our meeting selling raffle tickets for a 50/50 drawing. Marge Barker urged members to buy 1 or 2 if they can to support the new club.

**District Assembly** - Janet McLaughlin announced that this year's Assembly is at York County Community College on April 23. All incoming directors are strongly encouraged to attend. Janet wanted everyone to know, though, that the club will pay for anyone that wishes to attend. It's a great way to learn more about Rotary.

**Soup Kitchen** - Next Tuesday is our monthly Soup Kitchen obligation. The dessert is brownies, no nuts. Joe Conroy also announced that so far the potluck suppers have raised \$320 to help the SP Food Pantry. Janet reminded everyone that this is a great way to meet your fellow Rotarians as well as supporting a good cause.

**Wheelchairs For The World** - David Lourie announced that on May 17 we will be collecting at the SP Armory. In addition, we will be picking up by appointment any wheelchairs that people wish to donate.

**Program** - Tonight Bob Flynn introduced the club to our new website. Some of the things you'll be able to do on the new site are checking upcoming events, signing up to work on projects and sending messages or bulletins to the membership. The new format is very intuitive and should allow members a great way to keep up with what's going on in the club. Bob was not able to go through all of the features at tonight's meeting, so we'll have a refresher course at a future date so members can ask any questions they might have about the site. Once again, the site is [www.sp-ce-rotary.org](http://www.sp-ce-rotary.org). Thank you, Bob, for all your hard work on this project.

If the horse has one front leg in the air, the person died as a result of wounds received in battle. If the horse has all four legs on the ground, the person died of natural causes.

**International Food Festival** - Kathy Cotter gave an update tonight on the festival. The push now is to sell tickets. They raised \$1,200 for cancer research with a Relay For Life. One of the biggest changes Keith has noticed is that most of the teachers now are not teachers, which he says is "too bad." Keith believes very strongly that athletics are an extension of the classroom. Thank you, Keith, for sharing some of your experiences over the past 41 years; you will be greatly missed in CE.

Five young ladies, led by Rotarian Jose "Joe" Baradi, shared with our club their vocations and what they hope to get out of the exchange. In addition, we were shown a very enlightening video presentation. The team members, who are not Rotarians, were very enthusiastic about their various professions and what they hope to learn. Thank you to members of the Kennebunk-Portside Club and Saco Bay Club for transporting the GSE team to us tonight. We look forward to seeing them on Saturday at the Food Festival.

Arthritis refers to about 100 different diseases that affect the joints, such as Osteoarthritis, Lupus, Lyme Disease, Fibromyalgia and Rheumatoid Arthritis. Nationally nearly 46 million people have arthritis, the #1 cause of disability in the U.S. The Foundation raises money for advocacy and research, which has made great strides in improving the management, but not the cure for arthritis. My daughter, Annie, who was diagnosed at age 3 with JRA is a good example. She manages her JRA with weekly injections. On Saturday, May 17 her team "Annie's OMJs!" will be walking to raise awareness and money for the Foundation. If you want to contribute, visit arthritis.org to sign up under her site. Thank you to Janet for speaking to us tonight.

**Secretary's Corner** - Did you know: That Dan Davidson, with the able assistance of his wife Edie, has done it again for the 5th or 6th year with "**Rebuilding Together.**" Having the foresight, he brought in David Lourie, Phil Dube and Paul Butler to set up the staging on Friday for the roof work to be done on Saturday. This was about a 6-hour job. On Saturday, Dan & Edie returned, along with Tom Meyers, Bob Flynn, Jim Russell, Kathy Cotter, Marc Mutty, Dave Bagdasarian, Marge Barker, Thurston Holt, Phil Dube (again), John Eliassen, John LoBosco, Kathy Ray and her daughter Meghan and Joe Conroy. There was also another team from another company, but unfortunately due to the weather and some other problems, the roof was only about 1/3 completed by 6:30pm. This club can't thank Dan & Edie enough for the dedicated work they put into this project every year. (I apologize if I have left anybody out of the list of those who helped.)

**Raffle** - Tonight's raffle prize, a car wash gift certificate donated by Phil Dube, was won by Wayne Goodrich.

**Happy Dollars** - Dollars were given tonight by David Lourie, Wayne Goodrich, Nancy Hawes, Dan Davidson, Bob Flynn, Tom Meyers, Rick Dobson, Jim Russell, Dave Bagdasarian, Eleanor Brainin, Sybil Reimensnider, John LoBosco, Bob Carson, Thurston Holt, Anne Swift-Kayatta, Tak Suppasettawa, Adrienne Murphy, Kathy Cotter, Warren Simpson, Dan Mooers, Frank Butterworth, Joan Frustaci and Janet McLaughlin.

**International Food Festival Wrap Up** - Kathy Cotter reported that the final number for the Food Festival was \$13,600, a 50% increase over last year.

**Wheelchairs For The World** - David Lourie announced that on May 17 from 10:00 am to 2:00 pm at the SP Armory we will be collecting wheelchairs, walkers and crutches. In addition, we will be picking up by appointment any wheelchairs that people wish to donate. Please call David if you need something picked up.

**Rotary Football Trip** - September 7 at 1:00 pm is the date for the football trip Phil Dube is putting together. If you are interested, you need to contact him by May 14 to reserve your ticket. This is the Patriot's home opener, which should be exciting.

**New Members** - Tonight we inducted our two newest members - Sybil Reimensnider and Sean O'Hare. Sybil is the Manager of the SP Food Pantry and Sean is the owner of O'Hare & Associates, a SP accounting firm. Please make a point to welcome them to our club.

**Annie's OMJs!** - If you are interested in walking with my daughter, Annie next Saturday at 9:00 am, we leave from the SP Boys & Girls Club. If you can't walk, but want to contribute, you can go online at arthritis.org to sign up on her site. Thanks.

**Program** - Tonight's speaker was Representative Larry Bliss of the Maine State Legislature. He entitled his speech, "The Good, The Bad and The Ugly," as a review of the past legislative session. According to Larry, the good consisted of a large bond package of \$290 million, a regional greenhouse gas initiative, tax credits to keep students in Maine and a reworked Workers Compensation program. The bad primarily consisted of a lack of a tax reform bill and the ugly was the school consolidation plan put forth by the Governor. Larry contrasted the way the school consolidation plan was put forth with the successful 9-1-1 program that reduced the number of dispatch centers from 49 to 22 statewide. The methodology was more bottoms up vs. top down and resulted in people buying into the plan. Because the school plan was pushed down from on high, nobody likes it. Thank you to Dan Mooers for inviting Larry to speak to us tonight.

**Secretary's Corner** - Did you know: That Dan Mooers has found a 94 year old Rotarian who has 72 years, 133 days or 3,617 meetings of perfect attendance as a Rotarian. It's believed to be the second longest active streak in the nation and among the top attendance records of all time in Rotary since it was founded in 1905. Bill Rehbaum, a retired auditor for the state Department of Revenue, wasn't aiming for records. He loves the fellowship, service and entertainment of Rotary meetings. **"It's like my traveling: You never know what's over the next hill," Rehbaum said. "Every week you go to Rotary, it's something different, you never know what will happen; you never know who you're going to talk to. I'm just one of 1.2 million members. My little insignificant role has been great, it's been fun and it's been a challenge--and I love challenges."**

**Wheelchairs For The World** - David Lourie announced that on May 17 from 10:00 am to 2:00 pm at the SP Armory we will be collecting wheelchairs, walkers and crutches. In addition, we will be picking up by appointment any wheelchairs that people wish to donate. Please call David if you need something picked up.

Curtis Hamilton, Project Manager for Goodwill Industries of Northern New England, classification Non-Profit - Project Membership has been proposed by John LoBosco. Joan Frustaci has proposed Cindy Doucette, Physical Therapist with Home Health Visiting Nurses, classification Home Health-Physical Therapy.

They need to be felt welcome by all of us, and they need to be included in as many of our activities and committees as possible as we go forward. I also understand that **Keith Wells** is returning to active attendance, and he needs to be included in all of the above. Keith joined us 9 months ago.

**Program** - Tonight's speaker was Ed Trainer, Director of the Meals On Meals at the Southern Maine Area on Aging. After shamelessly plugging Warren, Ed went on to describe the program. The program provides 320,000 meals a year to 1,800 people in Cumberland and York Counties. The meals are cooked in Saco and delivered to 12 distribution sites. They are delivered by over 300 volunteer drivers who not only deliver the meals but also, in many cases, provide the only human contact that these clients have during the day. The program was started in 1965 by Lyndon Johnson. The current budget is \$1.7 million for the local program. Ed asked for help in finding new clients who have to be over the age of 60 and homebound, and also asked if the club might consider volunteering to deliver meals. Thank you to Adrienne Murphy for inviting Ed to speak tonight.

**Rotaract Club** - We were joined tonight by 4 members of the new Rotaract Club at SMCC. For those that don't know, this is the college version of Rotary. community service. Thank you to several members of the Breakwater Daybreak Club who came with the Rotaractors tonight.

**Club Award** - Our club was awarded District recognition for literacy at its recent convention. Congratulations to all for making this possible.

**Program** - Tonight was our annual Changeover Night. Outgoing President, Tony Wagner thanked his Board of Directors, summarized the many accomplishments of the past year and then turned the meeting over to incoming President, Janet McLaughlin. Janet passed out M&Ms for membership, encouraged everyone to be active participants, recommitted the club to fun and frivolity (i.e. more poker nights) and then passed out \$50 vouchers to each member of the club to see a need and to write a \$50 check. Due to the lateness of the evening, Janet stopped with more to come next week. Thank you to Tony for his leadership over the past year, and we look forward to a productive year with Janet.
