

Rotary teams up with Wheels for the World

The South Portland-Cape Elizabeth Rotary Club is teaming up with Wheels for the World (WFTW), a disability outreach program to help collect and refurbish cast off medical equipment.

We are accepting donations of wheelchairs, walkers, aluminum canes or crutches, wheelchair parts, umbrella strollers and baby car seats (can be adapted as pediatric wheelchairs) for reuse in developing nations.

The event is from 10 a.m. to 2 p.m. on Saturday, May 17 at the South Portland Armory (near South Portland Fire Station at 684 Broadway.

Those unable to drop off items at that time, or who need more info should e-mail spcerotarymobility@maine.rr.com or call the "Rotary Wheelchair Coordinator" at 799-4922.
