

**October 1, 2008**

**Secretary's Corner - Did You Know?** That if you were not there tonight, you missed Warren Simpson receiving a 47 year perfect attendance pin (a couple of months early) so that District Governor Brad Jett could make the presentation. Thirty-six of you were in attendance (more or less) plus the DG and his wife, a new member who is joining us next week and a former Past President of the club.

**Raffle Gift-** Tonight's raffle prize, a Terra Cotta gift certificate donated by Dan Mooers, was won by John LoBosco.

**Happy Dollars** - Dollars were given tonight by Rick Dobson, Adrienne Murphy, John LoBosco, Paul McKenney, John Eliassen, Mike McGovern, Captain Lloyd, Thurston Holt, Marge Barker, Tak Suppasettawat, Frank Butterworth, Bill York, Brad Jett, Joan Frustaci and Janet McLaughlin.

**Bike Rally** - The rally has been scheduled for Sunday, October 12 at 2:00 pm. Next week, a new sign up sheet will be going around. We need people to be flaggers, registrars and to help out with course set up. Please check your calendars to see if you can help out.

**Help Wanted** - Tak is looking for a Japanese translator to help with some visitors. If you know anyone who speaks the language and can help out, please contact her.

**October 8 Meeting** - Next week, we will be meeting at the McKernan Center at SMCC. For those of you that have never been there, take Broadway and follow the signs. The McKernan Center is located just before the turnoff to the Portland Harbor Museum. Cost of the meal will be \$ 15.00.

**Membership and Foundation Seminar** - On Saturday, October 25, the District Membership and Foundation Seminar will be held at York County Community College in Wells. If you're interested in attending, please contact Paul or Janet.

**Polio Plus Update** - Frank Butterworth asked the members to consider putting their loose change or even folding money in the cans on the Polio Plus cans on the table. So far, in 3 months, we have raised \$145 from can donations. This is part of Rotary's worldwide effort to raise \$100 for polio over the next three years.

**Public Works Luncheon** - On Tuesday, October 28 we will be hosting the SP/CE Public Works employees for our annual luncheon. Please contact Fawn Dunphy if you can help.

**Program** - Tonight's speaker was District Governor, Brad Jett who brought greetings from RI President, D.K. Lee. Brad would like all of the clubs to continue their efforts in literacy, health and hunger and clean water projects. In addition, one of D.K. Lee's goals is to reduce preventable child mortality. Another main goal for Brad, especially, is to increase membership in the District. "Rotary has changed my life," Brad freely admits, and he urges all members to share the gift with anyone they feel would be a good member. Brad urges every Rotarian to do all they can to honor this year's theme, "Make Dreams Real." Much thanks to Brad and his wife, Penny for coming tonight to share their vision of Rotary with us.

In 2007, there were 1,315 confirmed cases of polio worldwide. Unfortunately in 2008 there have been 1,371 cases so we still have more work to be done before eradicating polio.

**Rotary 4-Way Test** - Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?

**Program** - Tonight's speaker was SP City Manager, Jim Gailey. Jim, a lifelong resident of SP, began by thanking the Rotary club for all the support we offer his community. He focused his talk on issues that don't necessarily make the local papers. The first is an attempt to bring the residents in the Redbank area together to foster a sense of community. The second is a goal to increase the water quality in the Long Creek Watershed. This also involves Scarborough, Westbrook and Portland. A third program that Jim talked about was SoFitSoPo. This is aimed at increasing the overall health of the residents of SP through exercise and better nutrition. Lastly, Jim talked about collaborative sharing of resources. He cited several examples, such as sharing an animal control officer with CE. The bottom line is SP must do more with less. Thank you to Nancy Hawes for inviting Jim to speak to us tonight.

**Secretary's Corner - Did You Know?** That our average attendance for October was a dismal 68.7% which brought our average attendance for the first 4 months of this Rotary year down to 71.9%. And I know you will read this somewhere else in this column, so it's just another reminder that we are going to start our meetings 10 minutes earlier (6:05 pm) at SMCC.

**Raffle Gift**- Tonight's raffle prize, a gift certificate to DiMillo's Restaurant donated by Bob Packer, was won by Wayne Schaab.

**Happy Dollars** - Dollars were given tonight by John LoBosco, Bill Daviero, Dan Davidson, Adrienne Murphy, Marc Mutty, Frank Butterworth, Tak Suppasettawat, Jack Roberts, Dave Bagdasarian, Dick Yerxa, Thurston Holt, Joan Frustaci and Janet McLaughlin.

**Public Works Luncheon Wrap Up** - Fawn Dunphy would like to thank all those who made the Public Works Luncheon such a success.

**International Food Festival** - Marge Barker is looking for team leaders for this year's festival. The team leader will be responsible for overseeing one of the 14 dishes that will be served at the event on April 18, 2009.

**Membership Minute** - John LoBosco has postcards available that can be used to invite someone to attend our meetings. Please pick John to get some.

**Board Meeting** - The Board of Directors will meet on Monday, November 3 at 7:00 pm at Phil Dube's office in Scarborough. All members are welcome to attend.

**McKernan Center** - Just a reminder that the start time for meetings has been moved to 6:05 pm.

**Tree Sale** - Joan Frustaci reports that 2,100 trees have been ordered. Marc Mutty will be in charge of this year's shift scheduling. Joan is looking for someone to build a table for the sale. Lot setup date is yet to be determined, but the first trees arrive and sales begin on Friday, November 28.

**Sad Note** - Marge Barker's mother passed away while she was in Kenya. Our condolences to her family.

**Program** - Tonight's speaker was Colin Woodard, author of The Lobster Coast. Tonight he spoke on another of his books, The Republic of Pirates, about

pirates operating in the Caribbean in the early 1700s. He distinguished pirates (like Blackbeard) who attacked anyone and tried to cut off commerce from privateers like Sir Francis Drake who operated on behalf of England's government. Conditions on board privateers were bad and pay was poor and corrupted. Many mutinied and became pirates, where captains were elected by a show of hands and gains were more evenly shared. Colin provided a fascinating, well researched history, entertainingly delivered. Thanks to Jack Kennealy for this program.

**Editor's Note** - Many thanks to Dan Davidson for taking notes at tonight's meeting.

**Rotary 4-Way Test** - Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**Secretary's Corner - Did You Know?** That I don't think I have recognized before the club the things that two individuals have done for me in recent times. Phil Dube has continued to do a spectacular job in the secretarial position when I have been away, and Marge Barker continues to do a superb job taking Board minutes for me in my absence. This last time she was on a plane for Kenya before the ink dried!! You might call them "International Rotary Board Minutes!" **Thank you both again.**

The building was built in 1897 and is currently in need of renovations totaling about \$100,000. Bill and Ross are currently doing fundraising to get the necessary monies. Thank you to Mike McGovern for inviting them to speak to us tonight.

the Ambassadorial scholar. Our next opportunity to serve is Tuesday, December 9.

**Program** - Tonight's speaker was PDG Peter Johnson. Peter gave the club a brief overview of how the Rotary Foundation works. Money comes into the Foundation through four sources - members, clubs, miscellaneous giving and interest from the permanent fund. After investing the money for three years to help defray the cost of administrative expenses, money then goes out to be split 50/50 by the districts and the Foundation. The Foundation does many projects such as the purchase of a food pantry van and the water project in Honduras. Unfortunately, the list of projects are endless, so your support is critical. Thank you to Peter for speaking to us tonight.

**November 19, 2008**

**Secretary's Corner - Did You Know?** That yet another safari tourist met with an early demise when she left the safety of the tour bus, in the face of numerous explicit warnings, in order to frame a better picture. The woman, a volunteer with the Peace Corps, and her camera were fatally trampled by an enraged elephant in Rusha National Park. Let her fate remind you to "keep your arms and legs inside the vehicle at all times." Rumors have it that Janet and Marge were on the same bus but they had enough sense to stay on the bus!!

**Raffle Gift-** Tonight's raffle prize, a mega tool kit donated by Jack Roberts, was won by John LoBosco.

**Happy Dollars** - Dollars were given tonight by Janet McLaughlin, Jack Roberts, Nancy Hawes, Dick Yerxa, Thurston Holt, Jack Kennealy, David Lourie, Bob Danielson, Laurenz Schmidt, Kathy Cotter, Anne Swift-Kayatta, Tom Meyers, John LoBosco, John Eliassen, Tony Wagner and Joan Frustaci.

**International Food Festival** - Marge Barker is looking for team leaders for this year's festival. The team leader will be responsible for overseeing one of the 14 dishes that will be served at the event on April 18, 2009.

**Foundation Challenge** - Frank Butterworth announced tonight that he and Bob Carson proposed a challenge for our club. Any member who donates between \$50 and \$100 will have that donation matched 100% between now and March 1, 2009. This match applies to the first \$1500 in eligible donations. If you have any questions, please see either Frank or Bob.

**Help Wanted** - Janet is looking for people to work on the Pizza Bowl on January 25. Please see her if you are interested.

**World Music Benefit Concert** - On Friday, December 12 at 7:30 pm at the Trinity Episcopal Church, 580 Forest Avenue in Portland, a concert will be held with the proceeds going to the Kayanet Children's Home in Kenya.

**Club Website** - Here are specifics on getting onto the club website. First, sign onto [www.sp-ce-rotary.org](http://www.sp-ce-rotary.org). Next type in your first name-dot-last name (i.e. John.Smith). There is also a place for you to check off if you don't remember and it will be sent to you.

**Tree Sale** - Lot setup is on Saturday, November 22. We will be meeting at the fire barn at 7:15 am to load the trucks and then go to Millcreek Park at 8:00 am to begin assembly. Please bring sledges, hammers, battery-powered drills and screw guns and stepladders. Marc Mutty has agreed to be in charge of this year's sign up. This will be done primarily electronically. If you have any questions, contact him directly. As a reminder, everyone is requested to sign up for four shifts. Our first tree unloading is Friday, November 28 at 8:00 am.

**Program** - Tonight's speakers were Ari Sotoloff and Gordon Geyer from the Portland Symphony Orchestra. The PSO was begun in 1924 and is currently the 4th largest orchestra in New England. Its 82 musicians put on approximately 50 concerts per year. Compared to the cost of the Boston Symphony, the PSO is a relative bargain. The new music director, Robert Moody, has taken the orchestra to a new level. Unfortunately ticket sales only account for about 60% of the operating budget. The other 40% comes from the generosity of sponsors. Thank you to Nancy Hawes for inviting Ari and Gordon to speak to us tonight.

On behalf of these children, we thank you for your generous support."

The second letter from our own Joe Conroy on behalf of Preble Street's clients, staff and board of directors, thanking us for our October, 2008 donation of 4 pizzas. Joe states that "you are part of a network of community supporters who share our commitment to helping those in greater need. We are truly grateful for your support, which ensures that Preble Street can continue to provide quality services to the most poverty-stricken among us."

In an extreme emergency, Marc Mutty does have a change of clothes in his office, but he cautioned that this is a last resort. When you are operating the chain saw, please use common sense and practice safety precautions. Make sure nobody is around the saw when it is operating. Ask Tony Wagner if you have any questions. There are bulbs and candy canes to give to children. The last tree unloading is Saturday, December 13 at 8:00 am.

**Interact** - Two students from the CE Interact Club, Jackie Newell and Colleen Whitcomb, addressed the club on the projects they are working on, such as raising money for Bruce Roberts, Coats For Kids, a food drive and selling carnations on Mother's Day. The club has about 14 members.

**Program** - Marge and Janet showed slides and talked to us about their recent trip to the Kayanet Children's Home near Eldoret, Kenya. The home was founded three years ago by former Beach-To-Beacon winner, Duncan Kibet and his friend, Julius, who is the home's coordinator. Bob Harrison, Duncan's B-To-B host in CE told the club that many of the African runners use their race winnings to try to improve living conditions in their home villages. The home serves over 240 children in 5 villages, 15 of whom actually live at the home and the rests who live with guardians. Our club, along with the CEHS National Honor Society, donated \$8,000 to Kayanet last month; Janet and Marge reported that the home's annual budget is \$6,000. The "excess" contributions will pay for school tuition for as many students as possible. Thank you, Janet, Marge and Bob, and we look forward to more updates in the future on Kayanet.
