Soup Kitchen Wrap Up - Last night was our monthly Soup Kitchen obligation. Joe Conroy would like to thank John & Emily LoBosco & friend, David Lourie, Bill York, Kathy Cotter, Phil Dube and Dave Bagdasarian & 3 friends who helped at last night's Soup Kitchen. Joe reports that the new set up is much safer and he invites you all to check it out on our next date, June 8.

Foundation Minute - Frank Butterworth has given me some information that I will share over the next several weeks relative to polio eradication. The many NIDs held in India and Nigeria seem to be paying off as the cases of polio reported in those two countries have gone from over 1,100 last year to 21 so far this year. More information next week.

Please Mark Your Calendars - We will be meeting at Events On Broadway on June 2 and June 30. June 2 is a regular meeting and June 30 is our Changeover Night. More information will be forthcoming. Also on July 21, we will be having the Lobster Bake at Ft. Williams.

Program - Tonight's program was a Club Assembly. President Joan invited the Avenue of Services Directors present to summarize some of the activities of the past year, as well to give a sneak preview of any upcoming events. President Elect, John LoBosco, presented a draft budget for the upcoming year, and the members spent a lot of time asking questions about particular line items in the budget. A concern was raised that we only have one major fund-raiser and the question was asked, "Are we doing something to address that?" John informed the club that there is a committee meeting to look into this. Paul also passed around copies of the internal budget. All of the Avenue of Service Directors are looking for members to fill out their various committees. If you have an interest in a particular project or activity, please get in touch with them. Thank you to our Board for all the hard work you do.
