From The Secretary's Corner-Did You Know

That – Next month, our District will be having its conference from May 12-15 in South Portland. This is always a great opportunity for fellowship with Rotarians throughout the District, as well as to celebrate a successful Rotary year. Historically, the club has helped defray some of the cost for members to attend. Please contact either Phil Dube or Paul Butler to find out what financial assistance is available.

Raffle – Tonight's raffle prize, a gift certificate to Scratch Baking donated by John Eliassen, was won by Priscilla Yerxa.

Crutches For Africa – David Lourie reports that we picked up approximately 200 crutches from the Lions Club yesterday. He wishes to thank all of the members who helped out with the pick up efforts. On April 30, we will be having another work day at the Armory. More information to follow.

Earth Day Clean Up – April 23 is Earth Day. We will be cleaning up Bug Light Park from 9-11:30 am. Anyone who has not yet signed up can either contact Sybil or just show up.

Senior Luncheon – On Saturday, May 7, at Events On Broadway, we will be hosting our annual Senior Luncheon. Sybil is looking for volunteers to help transport seniors to and from the luncheon. Please contact her if you can help.

Club Visioning – Our Club Visioning session will be on Monday, May 16. This four-hour session will begin at 5:00 pm at a site to-be-determined. By now, most of you should have received a survey via email. To date, only 56% of you have completed the survey. John would like you to complete the survey ASAP.

Rotary Shirts – Tony Wagner is taking orders again for short-sleeved shirts with the Rotary emblem. Please contact him ASAP if you're interested; the approximate cost is \$30.

Help Wanted – Janet McLaughlin is looking for baseball and softball equipment for the Ukraine. If you have not yet used your \$50 club voucher, this is an opportunity to do so. Gently used, as well as new equipment would be appreciated. Please contact John LoBosco if you have any questions.

Program – Tonight's program was a potluck supper hosted by Joe & Joan Frustaci. A small, but spirited, group enjoyed the fellowship as well as trying to guess the number of candies in the jars that Joan had left out. The prizes of centerpieces were greatly appreciated by the winners. Thank you to Joe & Joan for being such gracious hosts.
