From The Secretary's Corner - Did You Know?

That 33 of you, along with 11 family members, showed up for the Ft. Williams presentation and the fun evening at Sally and Tony Wagner's house following the fort visit. We made a profit of just under \$150 on the food portion, so at least that amount will go to Polio Plus when we make another donation later in the year. On another note, I have noticed that some of you have incorrect address, phone and email information on the club roster that Kathy Ray is about to update as soon as we are up-to-date on membership going into the new Rotary year. Please contact Kathy for any possible corrections.

Raffle - Tonight's raffle prize, a gift certificate to Terra Cotta donated by Tom Meyers, was won by Marge Barker.

GSE Team - The district is looking for non-Rotarians between the ages of 25 and 40 to go on a GSE trip to Hong Kong next February. They are specifically looking for individuals who are working in the healthcare field. Please contact John LoBosco if you know of anyone who might be interested.

Club Website - Paul Jennings and his committee are looking for items, stories, reports and photos that you wish to have posted on our club website. Some of the possibilities include Soup Kitchen, Christmas Tree Sale, International Food Festival, RYLA, Bug Light Clean Up and the Lobster Bake. If you have any of these items, please get them to Paul or Scott Irving.

Club Vouchers - John LoBosco is continuing a tradition started by Past President, Peter Cotter. Once again, the club will be reimbursing any member who sees a need in the community for up to \$50. Please see Nancy Hawes for your voucher reimbursement.

Membership/Public Image Seminar - On September 30, the district will be holding its first ever Membership/Public Image Seminar at the Holiday Inn West in Portland. Topics include membership retention and recruitment and creating a club identity. Everyone in the club is invited. Contact John or Paul for more info.

Help Wanted - Jack Roberts is looking for volunteers to help man Bug Light tours on Saturday, September 18. He is looking for shifts of 3 people from 9:00 am to 6:00 pm. Please contact Jack if you can help out.

Soup Kitchen Wrap-Up - Joe Conroy would like to thank the following people who helped out at last night's Soup Kitchen - Tony Wagner, Chuck Redman, Paul Butler, John, Sue & Emily LoBosco, David Lourie, Phil & Matt Dube, Bill York and David Bagdasarian and guest. Our next opportunity to serve is Tuesday, September 14.

Polio Plus - The following is a statement from the International Polio Plus Committee. "The goal of the Polio Plus Program is the global certification of polio eradication. By eradication, WHO, the Global Commission on Certification and Rotary mean the interruption of the transmission of the wild polio virus."

Program - Tonight we met at 5:30 pm at the Fire Barn where we were shown areas of overgrowth that needed to be cleaned out, followed by a tour by Mike McGovern of the Fire Barn area, the bleachers, a potential site for a children's garden and the pond area. There are many possible projects that we can tackle as part of our 100th anniversary celebration. After the tour, we adjourned to Tony Wagner's for pizza and beverages. Many thanks to Tony and Sally for agreeing to host us tonight.
