**Rotary 4 Way Test** – Of the things we think, say or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

**Soup Kitchen Wrap Up** – Joe Conroy would like to thank Scott & Nancy Irving, Mike McGovern, David Lourie, Dave Bagdasarian, Paul Butler, Evelyn & Steve Garland, Phil Dube, Tony Wagner, Adrienne Murphy and Sue & John LoBosco with their friend, Mary Ann, who served at last night's Soup Kitchen. Our next opportunity to serve is Tuesday, September 13.

**Help Wanted** – Jack Roberts is looking for volunteers to help monitor the painting project at Bug Light. This would involve keeping an eye on the inmates who will be doing the painting and may need things such as lunches, drink, etc. Please contact him if you can help.

**District Governor's Visit** – Next week, DG Gary Speers is coming to our club to deliver the message of this year's RI President, Kalyan Banerjee. It's important that as many of you as possible come to hear Gary speak as well as any spouses that are interested. Please let Kathy Cotter know if you are planning on attending so she can get an accurate count for the kitchen.

**Beach to Beach Fund-Raiser Follow Up** – Marge would like to thank Tony Wagner, Meghan O'Brien and Phil Dube who joined her at the South Portland High School early Saturday morning to help park cars to help raise money for our club.

**New Member** – Tonight we inducted our newest member, Anamaria Gonzales. Anamaria was born in Guatemala, immigrated to the United States in 1990 and has worked at the U.S. Embassy as a marketing specialist and a commercial attaché. She is currently VP of International Development with Butts Financial Group in Windham. Welcome aboard, Anamaria.

**Program** – Tonight's speaker was Rich Brooks of the Flyte School, speaking about social media – fad or passing phase. Rich emphatically stated that social media is here to stay and that every businessperson should be knowledgeable about the various outlets such as Linked In, Twitter and Facebook. The first thing he said is that you should have a website up and running for your business and then work a social media strategy as well as a content strategy. Many of these ideas can be taken off the internet by using search engines such as Google. Thank you to Scott Irving for inviting Rich to speak to us tonight.
