

June 6, 2012

From The Secretary's Corner – Did You Know?

That the deadline to sign up for the Sea Dogs changeover night on June 26th is Tuesday, June 12th. This is a family night, so spouses and children are invited to attend, but you need to let Paul know or go on the website and sign up online as soon as possible, as we need to give Brian Murphy a headcount to reserve the appropriate amount of tickets.

Raffle – Tonight's raffle prize, a gift certificate to Tim Horton's, donated by Nancy Irving, was won by Mike McGovern.

Happy Dollars – Dollars were given tonight by Jack Roberts, Frank Butterworth, Rick Dobson, Alec Livingston, John Eliassen, Kathy Cotter, Scott Irving, Cindy Santos, Mike McGovern, Bob Carson, David Lourie, John LoBosco, Adrienne Murphy, Bill Daviero, Joan Frustaci, Bill York, Anne Swift-Kayatta, Kathy Ray, Alan Hawkins, Jim Russell, Dan Davidson, and Marge Barker.

Senior Luncheon Wrap-Up – Sybil would like to thank Kathy Cotter, Nancy Hawes, and Joan Frustaci who helped out last Friday with the senior luncheon. The 120 that attended, had a great time.

Presidents Discretionary Fund – Nancy Hawes reminded club members a few weeks ago, that everyone has the opportunity to spend \$50 on a need that they feel is important. All you have to do is tell Nancy and she will write the check out. Since her announcement, several of you have used your voucher, but many of you still haven't. Take advantage of the opportunity.

Family Fun Day – Chuck is looking for help on the 3-6 pm shift on Saturday. The sign-up sheet is online, so go to the club website and register.

Soup Kitchen – Tuesday, June 12th is our monthly soup kitchen obligation. Set up is at 4pm and servers need to be there at 5:30. Friends and family are more than welcome.

Lobster Bake – It was announced three weeks ago that Anne Swift-Kayatta has agreed to chair this year's lobster bake. The date is Wednesday, July 11th. The sign-up sheet is online, so go to website and sign up. Anne is also looking for help with cooking, prep work, and clean-up. Please mark your calendars.

June 20th Meeting – On Wednesday, June 20th, we will not be meeting at the Purpoodock Club, but will instead be at Jack Roberts' house. This will be a potluck supper. Spouses and family members are more than welcome to attend. A sign up sheet went around, so if you didn't get the opportunity to sign up, please contact Kathy Cotter or go on to the website and indicate to us whether or not you'll be attending, as well as what you will be bringing.

Program – Tonight's speaker was Angela Marzilli, S.T.E.M. coordinator of South Portland Schools. S.T.E.M. (Science, Technology, Engineering, and Math) is an initiative to increase students participating in these fields of study. It is projected that the majority of future jobs will require either engineering or math backgrounds. S.T.E.M. was funded with a grant from Texas Instruments for three years, in all three levels of the South Portland Schools. The Submarine Project is specifically an engineering problem for eighth graders to try and figure out a way to develop a working model. Angela says that they plan to continue to project next year to use the working submarines to collect environmental specimens. Thank you to Angela for a very interesting talk.
