**From The Secretary's Corner – Did You Know?**

That a couple weeks ago, I reminded you in this column that you need to let me know about your club sponsored activities that would qualify for a makeup. Many of you have done so, but I'm still waiting to hear from a few of you that I know, have done some things. So please get in touch with me.

In the 34 years that Coastal Enterprises has been in existence, they have financed \$806 million dollars, which they leveraged into \$2.34 billion dollars.
