From The Secretary's Corner – Did You Know?

That our meeting on June 20th will be at Jack Roberts' house, not the Purpoodock Club. You're going to need to let Kathy Cotter or myself know if you will be attending. Also, a reminder that the June 26th meeting at the Portland Sea Dogs is for spouses and family members as well, to attend. All you have to do is sign up online to let us know how many family members will be attending.

Raffle – Tonight's raffle prize, gift certificate to J.P. Thornton's, donated by Kirk Henriksen, was won by Cyndie Santos.

Happy Dollars – Dollars were given tonight by Cyndie Santos, Joan Frustaci, John Talty, Anamaria Gonzalez, David Lourie, Nils Noren, Kaylene Waindle, Sean O'Hare, Rick Dobson, Dan Davidson, Tony Wagner, Nancy Irving, Bill York, and Marge Barker.

Foundation Minute – Frank Butterworth updated the club on our progress to date. So far, \$12, 495 and we are just **8** members short of full club participation.

Senior Luncheon – Sybil has rescheduled the senior luncheon for Friday, June 1st from 12-2. Sybil is looking for 1-2 more people to help out. Please let her know if you are able to help.

Presidents Discretionary Fund – Nancy Hawes reminded club members a few weeks ago, that everyone has the opportunity to spend \$50 on a need that they feel is important. All you have to do is tell Nancy and she will write the check out. Since her announcement, several of you have used your voucher, but many of you still haven't. Take advantage of the opportunity.

Family Fun Day – Chuck is looking for help on the 3-6 pm shift on Saturday. The sign-up sheet is online, so go to the club website and register.

Lobster Bake – It was announced two weeks ago that Anne Swift-Kayatta has agreed to chair this year's lobster bake. The date is Wednesday, July 11th. The sign-up sheet is online, so go to website and sign up. Anne is also looking for help with cooking, prep work, and clean-up. Please mark your calendars.

Skating Shelter – Tony Wagner announced that the singling on the exterior is about 60% done and we are making significant progress. He thanked Jack Roberts, Alec Livingston, Bob Carson, and Nils Noren for their help recently.

Program – Dan Davidson introduced Jim Harnar, the Executive Director of the Daniel Hanley Center for Health Leadership. Dr. Hanley was the head of the Maine Medical Association for over 25 years and tackled complicated and sensitive issues, including variances in how physicians practice. The Hanley

Center tries to solve the problems of “silo-ed” healthcare by bringing healthcare practitioners together and teaching them collaborative leadership skills. They are also advocating for electronic medical records; Maine has a depository of electronic medical records, which is the first of its kind in the country. They are also creating a Physicians Executive Institute, which will be training 400 physicians over the next five years. Thank you to Dan for this very interesting program.

Editor's Note – Thank you to Nancy Hawes for taking notes this evening.
