**Rotary Foundation – Good News!** – Frank announced that the club has exceeded our annual giving goal of \$11,000. We are only about 2/3 of the way towards the Every Rotarian Every Year goal however, so it's not too late to donate \$10 (or whatever!) and be counted!

**Raffle** – Mike Tranfaglia won a Cinemagic gift certificate donated by Dick Yerxa, which he in turn gave to Sophie Hewitt, who was visiting our club – see next story!

**Safe Passage** – Our program this evening had many connections with our club:

- The main speaker, Senora Sue Dana, is a Spanish teacher at CEHS and known to many in the club through that role and also as a fellow runner of many club members. She has a special connection with Anamaria Gonzalez, who first made Sue's acquaintance in Guatemala many years ago and whom Anamaria considers to be a trusted friend. (By the way, safe travels to Anamaria as she heads for Guatemala for the next month!)
- Sue brought with her two students, Ben Stanley and Sophie Hewitt, granddaughter of John Hewitt.
- Sue and the students talked about their upcoming volunteer trip to Guatemala City where they will present some projects at Safe Passage's Reinforcement Center (sort of a school/daycare). Among the chaperones will be Mike Tranfaglia.

The students talked about their many fundraising activities including the one at Flatbreads on the calendar above. Our club has also donated \$500 towards their trip & the associated donation the students are giving to Safe Passage. Some club members expressed an interest in donating personally; for those interested, checks should be made payable to "Cape Elizabeth Safe Passage Team" and can be sent to:
