## MARK YOUR CALENDAR:

**July 20** – Food Cupboard BBQ fundraiser, St. John’s Church, SP

**July 28** – Rotary Spring Point 5k Classic – spread the word!

## *What’s New With Our Members*

*Surprise - no birthdays or anniversaries for the week of July 10-17 (see last week’s bulletin for the numerous birthdays and anniversaries the first week of July)*

**More Corrections** – We leave people out from time to time just to see if you’re paying attention. Last week’s bulletin neglected to include PAM MUTTY and PAUL BUTLER as volunteers at Family Fun Day – sorry, Pam and Paul – and thanks for helping out!!

**Partners for World Health** – President Bob and David Lorie reminded the club of the opportunities to help sort medical supplies any Saturday morning, or on Tuesdays and Thursdays at their warehouse at 7 Glasgow Road in Scarborough (off of Pleasant Hill Road near the Route One intersection). Partners for World Health collects and distributes discarded medical supplies, reduces environmental waste, provides primary care services to third world countries and

educates people about global health. Anyone who has participated in sorting these medical supplies is astonished at the amount of BRAND NEW supplies that otherwise would have been discarded. This year's Blue Wrap Project Runway (a fashion show with clothing made out of medical "blue wrap") will be held at Hannaford Hall on October 17.

**Food Cupboard Update** – As you read in the email from Marc, the urgency in moving has eased up a little but the need to find a suitable space still remains. Please let Marc or Sybil know if you are aware of a potential space for the Food Cupboard and/or if you would like to participate on the Ad Hoc committee that is helping with the move.

**Raffle** - The rest of us finally had a chance this week. Phil Dube won a gift certificate to Red's donated by Michele.

*Note – the June 26 meeting was an informal opportunity to gather for pizza and conversation; there was no formal program. Our next meeting will be at Purpoodock on July 10, at which time we will be represented by the officers and Board members listed below. Welcome to the 2013-14 Rotary Year!*
