## *What's New With Our Members*

*Happy Anniversary to Mike & MaryAnne Tranfaglia (May 19)*

*Congratulations to Brian Murphy on his new job with Goodwill of Northern New England*

**Raffle** - Frank Butterworth won the fame and glory that accompanies winning the raffle. Unfortunately that's all he won. Please remember that it is each member's responsibility to read the bulletin and note when your duties come up.

**VA2k Walk & Roll is Almost Here** – President Bob commended Dan Davidson for all the work he has done this year as chair of the Veterans Committee. Dan in turn recognized Doug Schauf and Kaylene who have been working on the VA2k which takes place on Wednesday, May 15. They are all set for volunteers but if you're free on your lunch hour that day, come on down to participate in the walk (you can register at the event – no pre-registration necessary). There is no registration fee but participants are asked to make a donation of cash or new household goods (kitchen stuff, bedding, towels, just about anything you can think of that someone would need to set up a house). The walk will start at the VA office on Fore Street in Portland, between the new Marriott hotel and the Ocean Gateway terminal.

**A Stunning Victory for Hardening of the Arteries.** The main topic of discussion at the Club Assembly was Family Fun Day. In the course of that discussion it was brought up that a club member had suggested that we sell something healthier than fried dough. There was some discussion of potential alternatives, but it was pointed out that the boiling oil compensates for any sanitation deficiencies and, after all, it is supposed to be a FUN day. Upon putting the matter to a vote, fried dough won in a unanimous landslide.

FYI, Kathy Cotter is in charge of our club's FF Day participation and would welcome a co-chair if anyone is interested. Similarly Frank Butterworth has been involved for many years in overseeing the entire FF Day event and would welcome additional leadership. It must not be a bad job since he's been willing to do it for so long. If interested in either aspect (club level or town level), please see Kathy or Frank.

*Speaking of doing jobs for a long time, just a reminder that the position of secretary will become vacant on July 1 – see Paul if you're interested in finding out about the duties of the secretary.*
