	Bill Phillips
	Chuck Redman
	Anamaria Gonzalez
	Brian Murphy

(Not requiring election are 2013-14 President Ellie Speh and Past President Bob Flynn.)

**Meet the Chef** – The tasty mac & cheese sparked a conversation at our table about Purpoodock's chef, Jen Flock. In addition to being a chef (previous experience at Fore Street Restaurant and Browne Trading Market, among others), she is also a Master Sommelier. Check out her blog at [flockandwine.blogspot.com](http://flockandwine.blogspot.com)

**Raffle** – A wireless thermometer donated by Jack Roberts was won by a thrilled John Thibodeau.

**Hurricane Sandy Relief** – The club discussed ways that we can assist the victims of Hurricane Sandy. The general feeling of the club was that we want to work with a district in New York or New Jersey, and that we will find out from them how we can be of the most help.

**Rotary Foundation Partnerships** – Frank B. gave a Foundation minute on the various organizations that the Foundation partners with. For many years we have worked jointly with the WHO, USCDC, Unicef and the Gates Foundation in our efforts to eradicate polio. More recently partnerships have been forged with organizations to provide packaged grants as part of the Future Vision plan:

- Aga Khan University – trains nurses and midwives in East Africa
- Mercy Ships – a floating hospital; we heard a presentation about them last spring
- Oikocredit – the largest funding source for microcredit loans
- UNESCO-IHE – the largest water education facility in the world.
