**Portland Harbor Food Festival** – Thanks to the following for helping Sybil to collect the leftovers for the Food Cupboard on October 27:

Paul Butler  
Edie & Dan Davidson  
Tom Meyers  
Jack & Shari Roberts  
Jim Russell

**Let's Pat Ourselves on the Back!** – Our club was honored by the District at the recent Foundation Seminar as being the only club to truly achieve Every Rotarian Every Year (EREY) status last year. In other words every Rotarian in the club gave *something* – no matter the amount – to the Foundation last year. Can we go for two years in a row?????

**Raffle** – gift of Scratch Baking gift certificate donated by Sybil was won by Frank Butterworth.

**South Portland Parks and Recreation** – I don't know if this was carefully planned or just a great coincidence but our program fit in perfectly with last Saturday's re-dedication of Mill Creek Park and the dedication of the skating shelter. (*I didn't take names because it seemed like at least half the club was there; the dedication was a really nice event, in spite of the Rotarians stealing all the red ribbon and leaving the city with about a foot of ribbon to cut!*) Rick Towle, the new director of SP Parks and Recreation introduced himself to us and outlined his goals and objectives for the department. He also highlighted some areas where Rotary can help out with those goals – specifically Bug Light and Mill Creek Park. Thanks, Rick and we look forward to working with you!

**Editor's Note** – Thanks to Jim Russell for taking notes at this meeting – it made Jim nostalgic for his editorial days and he's having second thoughts about giving it up - NOT!
