MARK YOUR CALENDAR:

October 17 – Christmas Tree Sale planning meeting at 5:00 AND New Generations Committee meeting after the regular meeting

What's New With Our Members

Congratulations to Patrick & Melinda Meyers, son and brand-new daughter-in-law of Tom & Marti Meyers!

Congratulations to runners Bob Danielson and Bill Phillips who completed a half-marathon at the Maine Marathon, and Bob Flynn, whose body is a temple under construction, for completing a half-marathon in Boston.

Credit Counseling Services of Atlantic Canada received the Chair's Award at the Saint John (NB) Board of Trade annual awards dinner on October 3. Why do we care? Because this was also recognition for Rick Dobson who helped to found CCS of Atlantic Canada. (And Chuck Redman also had a hand in it?) Congratulations, Rick!

Soup Kitchen – Serving a whopping 385 people on Tuesday were:

Dave Bagdasarian
John LoBosco
David Lourie
John Thibodeau
Brian Murphy
Nils Noren
Frank Butterworth
Phil Dube
Matt Dube
Scott Irving
Chuck Redman

And Speaking of Feeding the Hungry – in response to a request sent out by email this week, Michelle Danois and Nils Noren will be picking up food for the Food Cupboard on Saturday mornings. Thank you, Michelle and Nils!

Raffle – Tonight's raffle prize, a gift certificate to Terra Cotta donated by Bill Phillips, was very fittingly won by Mike Tranfaglia who just returned from cooking school in Sicily (where he learned to make sausages from scratch!)

Richard Brewer, a former Marine injured by a car bomb, is the co-founder of Jarhead Pinhead (he's the Jarhead; a neuropsychiatrist is the Pinhead). According to Rich, this organization tries to bridge the gap between veterans (especially those with PTSD) and medical personnel, so that veterans will not be as hesitant about getting help. Since founding the organization, Rich has traveled around the country de-bunking the myth that veterans with PTSD are "crazy." He does so by telling his own very moving personal story about trying to "run and hide" for over 20 years before he finally resolved to get medical assistance. This presentation fits in well with one of President Bob's club goals for this year – to find out how our Rotary club can assist veterans in our community.
